

REVISED

## STATEMENT OF PURPOSE

RS29415 / S1289

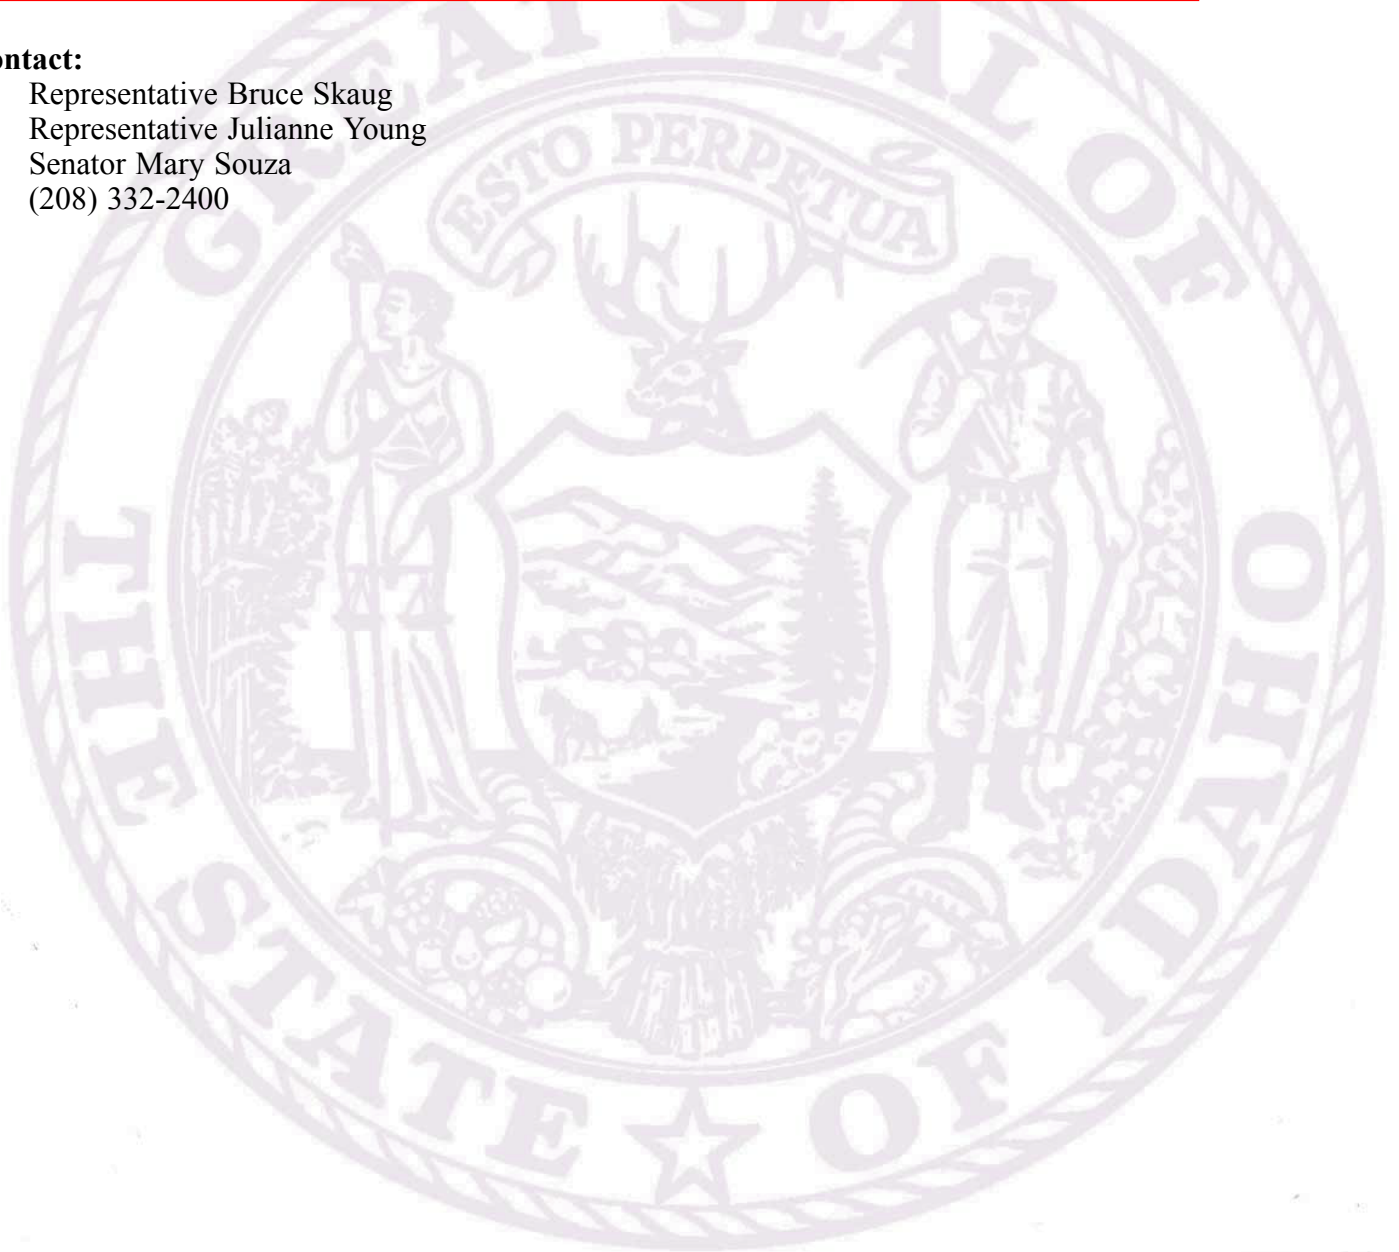

This bill creates a right for the legislature to intervene in legal challenges to an Idaho statute.

## FISCAL NOTE

At this time there is no fiscal impact in establishing this right to intervene. Future costs would depend on whether the legislature chooses to intervene in a particular case. A joint rule of the legislature will be promulgated to establish that each body will be responsible for the financial costs of their decisions to intervene.
