

STATEMENT OF PURPOSE

RS30271 / H0145

Present law requires "medical attendance" for a spouse in Idaho Code 18-401. It also requires "medical attendance" for parents or guardians with children except when prayer or spiritual means alone is chosen as a remedy. This legislation eliminates the faith healing exception to align parents duties to children with the duties of spouses.

FISCAL NOTE

There does not appear to be any impact upon the general fund.
