STATING FINDINGS OF THE LEGISLATURE AND MAKING A FORMAL APPLICATION TO CONGRESS TO CALL FOR A CONVENTION OF THE STATES UNDER ARTICLE V OF THE CONSTITUTION OF THE UNITED STATES.

WHEREAS, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

WHEREAS, the federal government has ceased to function under a proper interpretation of the Constitution of the United States; and

WHEREAS, it is the solemn duty of the state to protect the liberty of our people, particularly for the generations to come,

by proposing amendments to the Constitution of the United States through a convention of the states under Article V of the Constitution of the United States for the purpose of restraining these and related abuses of power.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-seventh Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Legislature of the State of Idaho hereby applies to Congress, under the provisions of Article V of the Constitution of the United States, for the calling of a convention of the states limited to proposing amendments to the Constitution of the United States that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and for members of Congress.

A JOINT MEMORIAL

TO THE PRESIDENT OF THE UNITED STATES, THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Sixty-seventh Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Legislature of the State of Idaho recognizes the Columbia-Snake River and its tributaries are a multiuse system providing navigation, transportation, fish and wildlife habitat, recreation, hydropower generation, and irrigation to the citizens, municipalities, and industry of the Pacific Northwest; and

WHEREAS, the Columbia-Snake River System and its tributaries are a vital part of the state's economic well-being and the quality of life of its citizens; and

WHEREAS, the State of Idaho asserts and confirms sovereign control over all water resources within the state; and

WHEREAS, the decline of anadromous fish is due to many factors, including increased predation, unfavorable ocean conditions, and harvest; and

WHEREAS, due to the efforts of the state, the Nez Perce Tribe, and Idaho water users in entering into the 2004 Snake River Water Rights Agreement, up to 487,000 acre feet of Idaho's water is used for flow augmentation for salmon and steelhead in the lower Snake and Columbia Rivers, with water being released through a willing buyer, willing seller arrangement. The 2004 agreement provides protections to Idaho in the form of a 30-year biological opinion; and

WHEREAS, agricultural and industrial applications of water have a legal priority within the state; and

WHEREAS, the Port of Lewiston, Idaho's only seaport, is part of the collective Columbia-Snake River System and is an asset to the state and to the inland Northwest region, providing global competitiveness and connectivity for regional products, economic development investment, and multimodal transportation; and

WHEREAS, the Columbia-Snake River System is a top wheat export gateway in the United States, with approximately

ten percent of all United States wheat exports barged through the four dams on the Snake River and about fifty percent of all Idaho-grown wheat barged from Lewiston to Portland and then to export markets around the world; and

WHEREAS, barging is the most fuel-efficient, environmentally friendly mode of transportation; and

WHEREAS, hydropower is the most efficient, environmentally favorable form of electrical generation, with the combined lower four Snake River dams producing 1,000 megawatts of carbon-free, renewable energy annually and 3,000 megawatts for peak power emergencies and providing electricity to 22 rural Idaho utilities serving more than 140,000 Idahoans; and

WHEREAS, the recent agreement between the United States government and certain plaintiffs to the ongoing Columbia-Snake River litigation was developed without adequate Idaho stakeholder input; and

WHEREAS, the agreement attempts to create a pathway to removing the four lower Snake River dams, despite Congress having the sole authority to remove dams; and

WHEREAS, the Public Power Council's assessment of the proposed agreement shows major cost risk and uncertainty for Northwest communities and businesses with potentially significant rate increases of five to forty percent or more if the agreement is implemented; and

WHEREAS, the Legislature of the State of Idaho opposes any actions to degrade the functionality, in whole or in part, to remove or breach any dams on the Columbia-Snake River System or its tributaries, or to take water from the state for anadromous fish enhancement efforts. Such actions would inflict on Idaho citizens a loss in economic and trade opportunities, a loss of recharge waters for the state's aquifers, a loss of navigation and transportation, an increase in electrical rates, a shortfall in power generation, a loss of recreational opportunities, and a threatened quality of life.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-seventh Idaho Legislature, the Senate and the House of Representatives concurring therein, that Idaho opposes the removal or breaching of the dams on the Columbia-Snake River System and its tributaries, has sovereignty over its water resources, prohibits contributions of water from Idaho's reservoirs for flow augmentation except those expressly authorized by state law, contends that efforts for further recovery of anadromous fish must be science-based, and supports the maintenance and multiple-use benefits of the Columbia-Snake River System. Additionally, the Idaho Legislature recognizes and supports the international competitiveness, multimodal transportation, and economic development benefits provided by the Port of Lewiston.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, the President of the Senate and the Speaker of the House of Representatives of Congress, and to the congressional delegation representing the State of Idaho in the Congress of the United States.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, Article V of the Constitution of the United States mandates that upon the "Application of the Legislatures of two thirds of the several States" Congress shall "call a Convention for proposing Amendments"; and

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-seventh Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Legislature of the State of Idaho hereby makes an application to Congress, as provided by Article V of the Constitution of the United States, to call a convention limited to proposing an amendment to the Constitution of the United States to set a limit on the number of terms that a person may be elected as a member of the United States House of Representatives and to set a limit on the number of terms that a person may be elected as a member of the United States Senate.

A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND REQUESTING THAT CONGRESS EITHER PROPOSE A BALANCED BUDGET AMENDMENT TO THE CONSTITUTION OF THE UNITED STATES FOR RATIFICATION OR CALL A CONVENTION FOR PROPOSING AMENDMENTS UNDER ARTICLE V OF THE CONSTITUTION OF THE UNITED STATES FOR THE PROPOSAL OF SUCH AN AMENDMENT.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the United States Congress has run up a debt so massive that it has endangered the United States government, the United States economy, United States national defense, and all 50 states; and

WHEREAS, America's founding fathers vested the states with the power to rein in the federal government via the authority to propose and ratify amendments to the Constitution of the United States; and

WHEREAS, Article V of the Constitution of the United States mandates that upon the "Application of the Legislatures of two thirds of the several States" Congress shall "call a convention for proposing amendments"; and

WHEREAS, historically when the states have come within one application of the two-thirds of the states, which is 34 out of the 50 states, necessary to call a convention to propose a specific amendment, Congress has acted to propose said amendment in order to prevent a convention from being called; and

WHEREAS, President Ronald Reagan advocated the use of a "thirty-three state strategy" to pressure Congress to propose a balanced budget amendment for ratification by the states; and

WHEREAS, the Legislature deems that an amendment to the Constitution of the United States that would require a balanced federal budget is necessary for the good of the American people.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-seventh Idaho Legislature, the Senate and the House of Representatives concurring therein, that the Idaho Legislature requests that Congress prepare and submit to the several states for ratification an amendment to the Constitution of the United States requiring, in the absence of a national emergency, that the total of all federal outlays made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year, together with any related and appropriate fiscal restraints.

BE IT FURTHER RESOLVED that, if Congress has not submitted the above described amendment to the several states for ratification by December 31, 2025, the Idaho Legislature applies to Congress, under the provisions of Article V of the Constitution of the United States, for the calling of a convention of the states limited to proposing an amendment to the Constitution of the United States requiring that, in the absence of a national emergency, the total of all federal outlays made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year, together with any related and appropriate fiscal restraints.

BE IT FURTHER RESOLVED that the Secretary of State is hereby directed to transmit copies of this application to the President and Secretary of the United States Senate, to the Speaker and Clerk of the United States House of Representatives, to Idaho's congressional delegation, and to the presiding officers of each of the legislative houses in the several states to request their cooperation.
