

Idaho Department
of Education

Budget and Policy Highlights

Distributes funding that was appropriated but is inaccessible due to the change from enrollment to seat-time.

Modernizes public school funding (current formula was implemented in 1994).

- Consolidates K-12 budgets
- Discontinues certain line items
- Implements **weighted per student funding**
- Provides **outcomes-based funding**
- Reduces **transportation funding** complexity and addresses rising costs

Provides a recruitment incentive for student teachers.
