

STATEMENT OF PURPOSE

RS24469

The intent of this legislation is to re-direct eleven and one quarter percent from fines and forfeitures remitted for state motor vehicle violations from the public school income fund to the drug court, mental health court and family court services. This is in alignment with historical motives of using these monies for court services.

FISCAL NOTE

The fiscal impact is estimated to be \$550,000 re-directed from the public school income fund to the drug court, mental health court, and family court services fund. Leaving an approximate \$550,000 in the public school income fund.
