

STATEMENT OF PURPOSE

RS24470

This language updates Idaho Code 56-1203, 1204 and 1205 to reflect changes in federal regulations governing Idaho's State Independent Living Council. To simplify the legislative process, the references will be made to the original Rehabilitation Act of 1973 instead of the Code of Federal Regulations (CFRs), which changes frequently due to how these programs are funded. Henceforth, any changes can be clarified in rule instead of Idaho code. It also provides flexibility, based on federal changes, as to which state agency the State Independent Living Council should contact for the allocation of those federal funds.
