Community Priorities

Past...and Future

Career and College Readiness

Where we are... where we need to be.

What is the Report?

- The Report ...
 - Where does it come from? What does it measure?
- The Results...
 - Statewide Results \approx 20%
 - Wide Variation
- A Tour...

Measuring Career and College Readiness

Pick your measure...

- 500 in Each Subject ... 20%
- 480 in Each Subject ... 24%
- 1550 Composite ... 25%

- And what if we go lower...
470 ... 27%

The Goal

- State Board and Taskforce ... 60% (likely closer to 68%)

Conclusion

- The gap is the gap. The real issue? Is it time to shift our priorities?
