

## STATEMENT OF PURPOSE

### RS25275

The amendment clarifies that unlicensed practice of engineering or land surveying is a violation of the statute. Expert testimony in legal proceedings is excepted.

### FISCAL NOTE

This legislation will have no fiscal impact to the General Fund or the Board of Professional Engineers and Professional Land Surveyor's dedicated fund. It has no fiscal impact because the new language simply clarifies that unlicensed practice is a violation of Idaho law. The Act does not create any new state program and does not compel any state action.
