

## STATEMENT OF PURPOSE

### RS25257

This bill builds upon the broadband resource created by the legislature at the recommendation of the broadband interim committee for Idaho's education and library system. This legislation comes at the recommendation of the Education Opportunity Resource Committee, and further defines the scope and responsibilities of that committee. It authorizes the committee to provide technical and other assistance for all connectivity to and between Idaho's school districts.

### FISCAL NOTE

There is no fiscal impact with this legislation. The committee members are not compensated at this time. The department of education will fulfill it's responsibilities using current resources.
