

STATEMENT OF PURPOSE

RS24911

Statutory compensation paid to Board of Nursing members for public service on the Board has remained static at \$50.00 per day for many years. To adjust for inflation, and consistent with recent similar increases made or contemplated for other professional licensing boards, the legislation provides a modest upward adjustment in Board member compensation.

FISCAL NOTE

Because the Board of Nursing is a dedicated fund agency there will be no impact on the state General Fund. It is estimated that the legislation will result in a yearly negative impact on the Board's dedicated fund of less than \$5,000.00.
