

## STATEMENT OF PURPOSE

### RS24819

This amendment is necessary to ensure those listed parties are notified when the Department is considering release of a juvenile and the day of a juvenile's actual release. Furthermore, this amendment will reflect a common practice that is already in place at the Idaho Department of Juvenile Corrections.

### FISCAL NOTE

While this change is a housekeeping item and will mirror the Idaho Department of Juvenile Corrections' current practice, the statutory cost will be absorbed by the Department in the statewide cost allocation and, therefore, will have a minimal cost to the public.
