

STATEMENT OF PURPOSE

RS25154C1

This amendment allows for fire stations where there are personnel on duty to be included as a "Safe haven" under Chapter 82, Title 39, of Idaho Code.

FISCAL NOTE

No projected fiscal impact due to amendment only designating fire stations with personnel already on duty as a "Safe haven." Additionally, the on-duty personnel in fire stations are already trained as first responders so no further training is necessary.
