

STATEMENT OF PURPOSE

RS25411

The purpose of this legislation is to amend Idaho Code § 67-1022 to streamline the remedy process when warrants are lost. The involved agency will be required to give notice only to the state controller, rather than the state controller and the state treasurer. Proof of a loss of warrant would be given by a certification rather than an affidavit. This legislation also replaces the word "duplicate" with "replacement" warrant.

FISCAL NOTE

Because this legislation simplifies the process for dealing with lost warrants, there will be no fiscal impact at the state or local level.
