

STATEMENT OF PURPOSE

RS25591

This is a trailer appropriation to SCR116 that authorizes the Legislative Council to appoint an interim committee to complete a study on whether to impose an annual registration fee on all commercial vehicles and farm equipment exceeding 60,000 pounds, and whether to impose a quarterly operating fee based on weight class for all miles driven on Idaho roadways. If it is determined in the course of the interim committee's meetings, that the committee needs additional research, expertise, or if findings of other states' laws would be helpful, the interim committee may spend up to \$100,000 subject to the approval of the President Pro-Tempore and the Speaker of the House of Representatives.

FISCAL NOTE

This bill appropriates \$100,000 from the General Fund to the Legislature for FY 2018. Any unspent and unencumbered balance of funds appropriated to support the activities of the interim committee not committed by June 30, 2018 shall revert to the General Fund.
