Department Description

Provide state and federal funding to local school districts and public charter schools for public education, grades K-12, to meet the requirements of Article IX, Section 1, of the Idaho Constitution, which reads: "Legislature to establish system of free schools. The stability of a republican form of government depending mainly upon the intelligence of the people, it shall be the duty of the legislature of Idaho, to establish and maintain a general, uniform and thorough system of public, free common schools."

Department Description

Pursuant to Article IV, Section 20, Idaho Constitution, all executive and administrative offices, agencies, and instrumentalities of the executive department of the state, except for those assigned to the elected constitutional officers, are allocated within not more than twenty departments. In compliance with the Idaho Constitution and pursuant to Section 67-2402, Idaho Code, the State Board of Education has been established as one of the twenty departments. The agencies and institutions in this section have been assigned to the State Board of Education.
