

## STATEMENT OF PURPOSE

### RS25780

**RS 25780** creates a new section of code prohibiting state agency personnel from communicating with legislators or the governor for the purpose of influencing the passage, defeat, amendment or postponement of a legislative action or an executive action with certain caveats.

### FISCAL NOTE

**RS 25780** would not create any additional revenue or require an increase in state budgets. Any savings by state agencies would be minimal and not easily captured. Currently, there are at least 8 state-funded positions with an annual associated expenditure of \$1,004,506 that fall under these criteria.
