

STATEMENT OF PURPOSE

RS26098

The purpose of this legislation is to provide clarification of the original legislative intent of the Idaho Equipment Dealer Protection Statute by prohibiting equipment suppliers from substantially changing the equipment dealer's competitive circumstances without good cause. This legislation also adds clarity to ensure that persons interpreting this statute understand that the terms of a dealer agreement may not impact the determination of whether there has been a substantial change in the dealer's competitive circumstances.

FISCAL NOTE

There is no fiscal impact to the general fund because this legislation deals with contracts between equipment dealers and equipment suppliers.
