

STATEMENT OF PURPOSE

RS26111

This proposed legislation adds a new chapter to Title 74, Idaho Code requiring candidates and regulated officeholders to file potential conflict disclosures. The legislation defines the terms, provides required content, deadlines, record retention for conflict disclosure statements, penalties for failure to file, and requires declarations of a conflict of interest.

FISCAL NOTE

This resolution will have no negative impact on the general fund. The secretary of state will create a potential conflict disclosure form for candidates and regulated officeholders. There is the potential for the state to collect civil penalties for violations of the new chapter in the amounts of \$250 and \$500.
