

STATEMENT OF PURPOSE

RS26202

The Idaho Controlled Substances Act outlines requirements for educational programs to prevent and deter misuse of controlled substances. This legislation adds that the Board of Pharmacy may engage in educational efforts designed to prevent and deter misuse and abuse of opioids and other controlled substances.

FISCAL NOTE

The Board of Pharmacy is a dedicated fund agency and the fiscal impact would be dependent on annual appropriations. The Truth208 campaign intends to return \$300k in unexpended funds from a Millennium Fund grant to the state with the request that it be provided as a one-time appropriation to the Board of Pharmacy in FY2019 to continue the campaign's efforts to reduce opioid use across Idaho.
