

STATEMENT OF PURPOSE

RS25834C1

Under Article V of the U.S. Constitution, there are two methods of proposing amendments. Congress can do so and two thirds of the states may apply for a convention to propose amendments. This resolution makes Idaho's application and sets forth how the commissioners will be chosen and who is eligible to be a commissioner. It also provides that the legislature, by resolution, sets the rules under which our commissioners would operate.

FISCAL NOTE

The cost of travel to the convention and per diem for Idaho's commissioners would be borne by the State of Idaho. The total cost would depend on how long the convention would take to complete its work.
