

## STATEMENT OF PURPOSE

### RS26554

Current Idaho law does not require non-residents to purchase an off-road vehicle sticker in order to travel upon and play on Idaho off-road trails. Non-resident snowmobile users are required to purchase a snowmobile sticker. The purpose of this bill is to impose a \$12.00 sticker fee upon non-residents for OHV off-road travel in Idaho. This would be consistent with treatment of non-resident snowmobile users. The nonresident fee amount would be the same as the resident fee. Fees collected would be distributed in the same manner as resident fees.

### FISCAL NOTE

This bill will have no impact on the general fund. Administrative costs related to administration of the certificate of number programs operated by IDPR are solely funded from the users and are incorporated within the certificate fee. Imposition of a nonresident fee is expected to result in increased revenue to IDPR and its dedicated spending programs.
