**GUESTS:** None.

**Chairman Anderst** called the meeting to order at 8:46AM.

**RS 27084:** **Rep. Wintrow**, District 19, explained the proposed legislation is an emergency remedy for anonymous reporting issues when there is a sexual assault kit collected in Emergency rooms. Currently nurses are required to report to police, blowing anonymity away. This legislation would allow for the nurses to not have to file a report with police, but to collect evidence and provide a tracking number for the assault kits to be stored with for up to 10 years.

**MOTION:** **Rep. Erpelding** made a motion to introduce **RS 27084**.

In response to further committee questions, **Rep. Wintrow** explained that in cases of children who have been assaulted, the kits will still be required to be reported. She also explained that there's no concern for people to be accused without knowing who their accuser is, the kits will be collected anonymously, but when police reports are filed later its no longer anonymous. Further, she stated that the tracking number for the anonymous kit is given to the victim as well as police so if the victim wants to go back and file a police report, they have the number to correspond to a stored anonymous kit.

**ABSENT/

**GUESTS:** None.

**Chairman Anderst** called the meeting to order at 8:34AM.

**RS 27082:** **Carrie Maulin**, Chief Clerk of the House, explained this proposed legislation changes the way the House Rules are numbered. It doesn't change any of the language, just the numbering and numbers referenced to in order to provide a correction and update references.

**MOTION:** **Rep. Erpelding** made a motion to introduce **RS 27082**. **Motion carried by voice vote.**

**RS 27113:** **Rep. Dixon**, District 1, explained the proposed legislation allows Idaho's Department of Insurance rulemaking capabilities for renewal of short term insurance plans.

**MOTION:** **Rep. Moyle** made a motion to introduce **RS 27113**. **Motion carried by voice vote.**

**RS 27118C1:** **Rep. Wintrow**, District 19, explained the proposed legislation seeks to add the felony conviction for Idaho Code § 18-1508A, Sexual Battery of a Minor Child Sixteen or Seventeen Years of Age to Idaho Code § 18-310 which lists all felony crimes that disqualify a convicted felon from owning a firearm. Currently, I. C. § 18-1508A is not included on the list, while other similar felony crimes such as I.C. §§ 18-1506 Sexual Abuse of a Child under Sixteen, 18-1507 Sexual Exploitation of a Child, and 18-1508 Lewd Conduct with a Minor Child under Sixteen are all listed as prohibitions to possession. It appears that I.C. § 18-1508A was inadvertently left off the list of qualifying felony crimes in previous amendments that included other sexual battery felonies. Legislative research does not reveal any reason that previous sessions of the legislature would have failed to add I.C. § 18-1508A and given its serious nature, which includes registration on the Sex Offender Registry, I.C. § 18-1508A should be included among other similar codes to prevent a person with this felony conviction from possessing a firearm in Idaho.

**MOTION:** **Rep. Erpelding** made a motion to introduce **RS 27118C1** and recommend it be sent directly to the Second Reading Calendar. **Motion carried by voice vote.** **Rep. Winthrow** will sponsor the bill on the floor.

**Chairman Anderst** called the meeting to order at 8:30 a.m.

**MOTION:** **Rep. Blanksma** made a motion to approve the minutes of the April 5, 2019, meeting. **Motion carried by voice vote.**

**RS 27163:** **Brody Aston**, Idaho Professional Building Contractor Licensing Review Board (IPBCLRV), presented **RS 27163**. This legislation transitions the contractor registration from the Bureau of Occupational Licenses (BOL) to the Division of Building Safety (DBS) to streamline processes. It will eliminate some grandfathered licensing and update the license types to match industry practices. This legislation will be refined during the interim with additional stakeholder input.

Answering questions, **Mr. Aston** said although the IPBCLRV is bringing forth this legislation, the board will be eliminated by the final legislation piece. While moving the registration was the first idea, leaving it with the BOL is possible.

**Mr. Aston** agreed to **Rep. Smith's** suggestion to provide a progress report to the Occupational Licensing Interim Group. He said many questions not included in this legislation need to be addressed before any legislation is presented next session.

**MOTION:** **Rep. Moyle** made a motion to introduce **RS 27163**. **Motion carried by voice vote.**

**ADJOURN:** There being no further business to come before the committee, the meeting adjourned at 8:36 am.
