

## STATEMENT OF PURPOSE

RS27400 / S1249

This legislation amends the Idaho Code § 49-420 to create a Choose Life license plate by the addition of a new section 49-420R.

This will provide a special license plate option for people who wish to proudly express their support of the unborn children.

Funds from the sale of this plate will be used by the non-profit organization, Choose Life Idaho, Inc., to help support Pregnancy Care Centers in the State. It will also be used to engage in education and support of adoption as a positive choice for women thus encouraging alternatives to abortion.

A three-member advisory committee will allocate funds received to qualifying organizations who submit acceptable applications for grant money.

### FISCAL NOTE

This bill has no fiscal impact on the General Fund. All costs of administering the specialty plate program by the Idaho Transportation Department will be paid by the purchaser of the plates.
