

## STATEMENT OF PURPOSE

RS27861 / S1373

This is the FY 2021 original appropriation bill for the Lieutenant Governor. It appropriates a total of \$182,100 and caps the number of authorized full-time equivalent positions at 3.00. For benefit costs, the bill maintains the current appropriated amount for health insurance at \$11,650 per eligible FTP and temporarily removes funding for the employer's sick leave contribution rate. The bill also provides funding for the equivalent of a 2% change in employee compensation for permanent state employees. Also included are adjustments to pay the Office of Information Technology Services for software licensing, server infrastructure, and storage to expand system capabilities on core systems and to maintain agency-specific software. Lastly, the ongoing General Fund appropriation is reduced by 2% and Section 3 of the bill provides exemptions from budget laws limiting the transfer of moneys between object codes.
