## STATEMENT OF PURPOSE

## RS27947 / S1405

This is the FY 2021 original appropriation bill for the State Controller. It appropriates a total of \$18,889,300 and caps the number of authorized full-time equivalent positions at 95.00. For benefit costs, the bill maintains the current appropriated amount for health insurance at \$11,650 per eligible FTP and temporarily removes funding for the employer's sick leave contribution rate. Funding for replacement items includes \$25,000 for laptops and computer monitors. The bill also provides funding for the equivalent of a 2% change in employee compensation for permanent state employees, with an additional 2% increase for those in the 20 job classifications most in need of equity adjustments. Also included are adjustments to pay the Office of Information Technology Services for security software and data center office space located at the Chinden Campus. Lastly, the General Fund appropriation is reduced by 2% on a onetime basis.
