Dear Senators MARTIN, Riggs, Stennett, and Representatives WOOD, Vander Woude, Chew:

The Legislative Services Office, Research and Legislation, has received the enclosed rules of the Department of Health and Welfare:

IDAPA 16.00.00 - Notice of Omnibus Rulemaking - Proposed Rule (Docket No. 16-0000-2100).

Pursuant to Section 67-454, Idaho Code, a meeting on the enclosed rules may be called by the cochairmen or by two (2) or more members of the subcommittee giving oral or written notice to Research and Legislation no later than fourteen (14) days after receipt of the rules' analysis from Legislative Services. The final date to call a meeting on the enclosed rules is no later than 01/03/2022. If a meeting is called, the subcommittee must hold the meeting within forty-two (42) days of receipt of the rules' analysis from Legislative Services. The final date to hold a meeting on the enclosed rules is 01/31/2022.

The germane joint subcommittee may request a statement of economic impact with respect to a proposed rule by notifying Research and Legislation. There is no time limit on requesting this statement, and it may be requested whether or not a meeting on the proposed rule is called or after a meeting has been held.

To notify Research and Legislation, call 334-4854, or send a written request to the address on the memorandum attached below.

MEMORANDUM

TO: Rules Review Subcommittee of the Senate Health & Welfare Committee and the House Health

& Welfare Committee

FROM: Principal Legislative Drafting Attorney - Elizabeth Bowen

DATE: December 15, 2021

SUBJECT: Department of Health and Welfare

IDAPA 16.00.00 - Notice of Omnibus Rulemaking - Proposed Rule (Docket No. 16-0000-2100)

Summary and Stated Reasons for the Rule

This proposed omnibus rulemaking re-promulgates rules that have already been reviewed by the Legislature. IDAPA 16.01.03, relating to EMS agency licensing requirements, has been revised to allow for a waiver process for some agencies. IDAPA 16.02.23, 16.03.06, 16.03.07, 16.03.21, 16.05.07, 16.07.17, and 16.07.39 were rewritten to comply with an executive order.

Negotiated Rulemaking / Fiscal Impact

Negotiated ruelmaking was not conducted, as this is largely a re-promulgation of existing rules. There is no anticipated negative fiscal impact on the state general fund.

Statutory Authority

The Department appears to have statutory authority for this rulemaking.

cc: Department of Health and Welfare Frank Powell and Trinette Middlebrook

*** PLEASE NOTE ***

Per the Idaho Constitution, all administrative rules may be reviewed by the Legislature during the next legislative session. The Legislature has 3 options with this rulemaking docket: 1) Approve the docket in its entirety; 2) Reject the docket in its entirety; or 3) Reject the docket in part.

DO NOT CALL IN PRIOR TO 10 MINUTES BEFORE THE START OF THE MEETING

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is the nontechnical explanation of the substance and purpose of the proposed rulemaking:

This proposed rulemaking publishes the following rule chapters previously submitted to and reviewed by the Idaho Legislature under IDAPA 16, rules of the Department of Health And Welfare:

IDAPA 16

- 16.01.02, Emergency Medical Services (EMS) Rule Definitions;
- 16.01.03, Emergency Medical Services (EMS) Agency Licensing Requirements Revisions provide a waiver process to clinical level agency licensure model to allow part-time Advance Life Support or Intermediate Life Support coverage for prehospital ambulances struggling with staffing issues, or agencies that sometimes have personnel available who can offer more advanced patient care services;
- 16.01.05, Emergency Medical Services (EMS) Education, Instructor, and Examination Requirements Rewritten according to Executive Order 2020-01;
- 16.01.06, Emergency Medical Services (EMS) Data Collection and Submission Requirements;

DEPARTMENT OF HEALTH AND WELFARE IDAPA 16

Docket No. 16-0000-2100 Omnibus Notice – Proposed Rulemaking

- 16.01.12, Emergency Medical Services (EMS) Complaints, Investigations, and Disciplinary Actions;
- 16.02.02, Idaho Emergency Medical Services (EMS) Physician Commission;
- 16.02.06, Quality Assurance for Idaho Clinical Laboratories;
- 16.02.10. Idaho Reportable Diseases:
- 16.02.11, Immunization Requirements Licensed Daycare Facility Attendees;
- 16.02.12, Newborn Screening;
- 16.02.15, Immunization Requirements for Idaho School Children;
- 16.02.19, *Idaho Food Code*;
- 16.02.23, *Indoor Smoking* Rewritten according to Executive Order 2020-01;
- 16.02.24, Clandestine Drug Laboratory Cleanup;
- 16.03.01, Eligibility for Health Care Assistance for Families and Children;
- 16.03.02, Skilled Nursing Facilities;
- 16.03.04, Idaho Food Stamp Program;
- 16.03.05, Eligibility for Aid to the Aged, Blind, and Disabled (AABD);
- 16.03.06, Refugee Medical Assistance Rewritten according to Executive Order 2020-01;
- 16.03.07, Home Health Agencies Rewritten according to Executive Order 2020-01;
- 16.03.08, Temporary Assistance for Families in Idaho (TAFI);
- 16.03.09, Medicaid Basic Plan Benefits;
- 16.03.10, Medicaid Enhanced Plan Benefits;
- 16.03.11, Intermediate Care Facilities for Individuals with Intellectual Disabilities (ICFs/IID);
- 16.03.13, Consumer-Directed Services;
- 16.03.14, *Hospitals*;
- 16.03.17, Medicare/Medicaid Coordinated Plan Benefits;
- 16.03.21, Developmental Disabilities Agencies (DDA) Rewritten according to Executive Order 2020-01;
- 16.03.24, The Medically Indigent Program;
- 16.03.25, Idaho Medicaid Promoting Interoperability (PI) Program;
- 16.04.14, Low-Income Home Energy Assistance Program (LIHEAP);
- 16.04.17, Residential Habilitation Agencies;
- 16.05.01, Use and Disclosure of Department Records;
- 16.05.03, Contested Case Proceedings and Declaratory Rulings;
- 16.05.04, Idaho Council on Domestic Violence and Victim Assistance Grant Funding;
- 16.05.07, The Investigation & Enforcement of Fraud, Abuse, & Misconduct Rewritten according to Executive Order 2020-01;
- 16.06.05, Alleged Medical Neglect of Disabled Infants;
- 16.06.12, Idaho Child Care Program (ICCP);
- 16.06.13, Emergency Assistance for Families and Children Rewritten according to Executive Order 2020-01;
- 16.07.17, Substance Use Disorders Services Rewritten according to Executive Order 2020-01;
- 16.07.19, Certification of Peer Support Specialists and Family Support Partners;
- 16.07.25, Prevention of Minors' Access to Tobacco Products;
- 16.07.33, Adult Mental Health Services;
- 16.07.37, Children's Mental Health Services; and
- 16.07.39, Designated Examiners and Dispositioners Rewritten according to Executive Order 2020-01.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: None.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2022 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rule(s) being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

Negotiated rulemaking conducted outside of this omnibus rulemaking affects the following rule chapters included in this proposed rulemaking listed below with their respective negotiated rulemaking docket number:

IDAPA 16 - DEPARTMENT OF HEALTH AND WELFARE

16.01.02 - EMERGENCY MEDICAL SERVICES (EMS) - RULE DEFINITIONS

LEGAL AUTHORITY. 000. The Idaho Board of Health and Welfare is authorized under Section 56-1023, Idaho Code, to adopt rules and standards concerning the administration of the Idaho Emergency Medical Services Act, Sections 56-1011 through 56-1023, Idaho Code. The Director is authorized under Section 56-1003, Idaho Code, to supervise and administer an emergency medical services program. 001. TITLE AND SCOPE. 01. Title. These rules are titled IDAPA 16.01.02, "Emergency Medical Services (EMS) - Rule Definitions." 02. Scope. These rules contain the definitions used throughout the Emergency Medical Services chapters of rules adopted by the Department. Those chapters include: IDAPA 16.01.01, "Emergency Medical Services (EMS) -- Advisory Committee (EMSAC)": a. IDAPA 16.01.03, "Emergency Medical Services (EMS) -- Agency Licensing Requirements"; b. c. IDAPA 16.01.05, "Emergency Medical Services (EMS) -- Education, Instructor, and Examination Requirements"; d. IDAPA 16.01.06, "Emergency Medical Services (EMS) -- Data Collection and Submission Requirements"; IDAPA 16.01.07, "Emergency Medical Services (EMS) -- Personnel Licensing Requirements"; and e. IDAPA 16.01.12, "Emergency Medical Services (EMS) -- Complaints, Investigations and Disciplinary Actions." 002. -- 009. (RESERVED) 010. DEFINITIONS AND ABBREVIATIONS A THROUGH B. For the purposes of the Emergency Medical Services (EMS) chapters of rules, the following definitions apply: 01. Advanced Emergency Medical Technician (AEMT). An AEMT is a person who: Has met the qualifications for licensure under Sections 56-1011 through 56-1023, Idaho Code, and IDAPA 16.01.07, "Emergency Medical Services (EMS) - Personnel Licensing Requirements"; b. Is licensed by the Department under Sections 56-1011 through 56-1023, Idaho Code; Carries out the practice of emergency medical care within the scope of practice for AEMT determined by the Idaho Emergency Medical Services Physician Commission (EMSPC), under IDAPA 16.02.02, "Idaho Emergency Medical Services (EMS) Physician Commission"; and d. Practices under the supervision of a physician licensed in Idaho.) Advanced Life Support (ALS). The provision of medical care, medication administration and treatment with medical devices that correspond to the knowledge and skill objectives in the Paramedic curriculum currently approved by the State Health Officer and within the scope of practice defined in IDAPA 16.02.02, "Idaho Emergency Medical Services (EMS) Physician Commission," by persons licensed as Paramedics by the Department. 03. Advanced Practice Registered Nurse. A person who meets all the applicable requirements and is

Section 000 Page 1335

licensed to practice as an Advanced Practice Registered Nurse under Sections 54-1401 through 54-1418, Idaho Code.

- **04.** Advertise. Communication of information to the public, institutions, or to any person concerned, by any oral, written, graphic means including handbills, newspapers, television, radio, telephone directories, billboards, or electronic communication methods.
- **05. Affiliation**. The formal association that exists between an agency and those licensed personnel who appear on the agency's roster, which includes active participation, collaboration, and involvement. Affiliation can be demonstrated by the credentialing of licensed personnel by the agency medical director.
- **06. Affiliating EMS Agency**. The licensed EMS agency, or agencies, under which licensed personnel are authorized to provide patient care.
- **07. Air Ambulance**. Any privately or publicly owned fixed wing aircraft or rotary wing aircraft used for, or intended to be used for, the transportation of persons experiencing physiological or psychological illness or injury who may need medical attention during transport. This may include dual or multipurpose vehicles that otherwise comply with Sections 56-1011 through 56-1023, Idaho Code, and specifications established in IDAPA 16.01.03, "Emergency Medical Services (EMS) Agency Licensing Requirements."
- **08.** Air Medical Agency. An agency licensed by the Department that responds to requests for patient care and transportation from hospitals and EMS agencies using a fixed wing aircraft or rotary wing aircraft.
- **09. Air Medical.** A service type available to a licensed air medical EMS agency that meets the requirements in IDAPA 16.01.03, "Emergency Medical Services (EMS) Agency Licensing Requirements."
- **10. Air Medical Response.** The deployment of an aircraft licensed as an air ambulance to an emergency scene intended for the purpose of patient treatment and transportation. ()
- 11. Air Medical Support. A service type available to a licensed air medical EMS agency that meets the requirements in IDAPA 16.01.03, "Emergency Medical Services (EMS) Agency Licensing Requirements."
- 12. Ambulance. Any privately or publicly owned motor vehicle, or nautical vessel, used for, or intended to be used for, the transportation of sick or injured persons who may need medical attention during transport. This may include dual or multipurpose vehicles that otherwise comply with Sections 56-1011 through 56-1023, Idaho Code, and specifications established in IDAPA 16.01.03, "Emergency Medical Services (EMS) Agency Licensing Requirements."
- 13. Ambulance-Based Clinicians. Licensed Registered Nurses and Advanced Practice Registered Nurses who are currently licensed under Sections 54-1401 through 54-1418, Idaho Code, and Physician Assistants who are currently licensed under Sections 54-1801 through 54-1841, Idaho Code.
- **14. Ambulance Agency**. An agency licensed by the Department under Sections 56-1011 through 56-1023, Idaho Code, and IDAPA 16.01.03, "Emergency Medical Services (EMS) Agency Licensing Requirements," operated with the intent to provide personnel and equipment for medical treatment at an emergency scene, during transportation or during transfer of persons experiencing physiological or psychological illness or injury who may need medical attention during transport.
- 15. Ambulance Certification. Designation issued by the EMS Bureau to a licensed EMR indicating that the EMR has successfully completed ambulance certification training, examination, and credentialing as required by the EMS Bureau. The ambulance certification allows a licensed EMR to serve as the sole patient care provider in an ambulance during transport or transfer.
 - **16.** Applicant. Any organization that is requesting an agency license under Sections 56-1011 through

014 999.	(RESERVED)			

Section 013 Page 1343

16.01.03 – EMERGENCY MEDICAL SERVICES (EMS) – AGENCY LICENSING REQUIREMENTS

000. LEGAL AUTHORITY.

The Idaho Board of Health and Welfare is authorized under Section 56-1023, Idaho Code, to adopt rules and standards concerning the administration of the Idaho Emergency Medical Services Act, Sections 56-1011 through 56-1023, Idaho Code. The Director is authorized under Section 56-1003, Idaho Code, to supervise and administer an emergency medical service program.

001. TITLE AND SCOPE.

- **01. Title.** These rules are titled IDAPA 16.01.03, "Emergency Medical Services (EMS) Agency Licensing Requirements."
- **O2.** Scope. These rules include the categories of EMS agencies, eligibility requirements and standards for the licensing of EMS agencies, utilization of air medical services, and the initial application and renewal process for EMS agencies licensed by the state.

002. INCORPORATION BY REFERENCE.

- **01. Minimum Equipment Standards for Licensed EMS Services.** The Board of Health and Welfare has adopted the "Minimum Equipment Standards for Licensed EMS Services," edition 2016, version 1.0, as its standard for minimum equipment requirements for licensed EMS Agencies and incorporates it by reference. Copies of these standards may be obtained from the Department, see
- **02. Time Sensitive Emergency System Standards Manual**. The Board of Health and Welfare has adopted the "Time Sensitive Emergency System Standards Manual," Edition 2020-1, as its standard for certifying EMS Agencies as TSE Designated EMS Agencies. Copies of these standards may be obtained from the Department, see

003. -- 009. (RESERVED)

010. **DEFINITIONS.**

For the purposes of this chapter, the definitions in IDAPA 16.01.02, "Emergency Medical Services (EMS) - Rule Definitions," apply.

011. -- 074. (RESERVED)

075. INVESTIGATION OF COMPLAINTS FOR EMS LICENSING VIOLATIONS.

Investigation of complaints and disciplinary actions for EMS agency licensing are provided under IDAPA 16.01.12, "Emergency Medical Services (EMS) - Complaints, Investigations, and Disciplinary Actions."

076. ADMINISTRATIVE LICENSE OR CERTIFICATION ACTION.

Any license or certification may be suspended, revoked, denied, or retained with conditions for noncompliance with any standard or rule. Administrative license or certification actions, including fines, imposed by the EMS Bureau for any action, conduct, or failure to act that is inconsistent with the professionalism, or standards, or both, are provided under Sections 56-1011 through 56-1023, Idaho Code, and IDAPA 16.01.12, "Emergency Medical Services (EMS) - Complaints, Investigations, and Disciplinary Actions."

077. -- 099. (RESERVED)

EMS AGENCY GENERAL LICENSURE REQUIREMENT (Sections 100 - 199)

100. AGENCY LICENSE REQUIRED.

Any organization that advertises or provides ambulance, air medical, or non-transport emergency medical services in Idaho must be licensed as an EMS agency under the requirements in Sections 56-1011 through 56-1023, Idaho Code, and this chapter of rules.

101. EXEMPTION OF EMS AGENCY LICENSURE.

An organization, licensed without restriction to provide emergency medical services in another state and not restricted from operating in Idaho by the Department, may provide emergency medical services in Idaho within the limits of its license without an Idaho EMS license only when the organization meets one (1) of the following:

Section 000 Page 1344

Non-Public. The non-public operational declaration is available to an agency that provides EMS personnel and equipment intended to treat patients who are employed or contracted by the license holder. An agency with a non-public operational declaration is not intended to treat members of the general public. A non-public agency must maintain written plans for patient treatment and transportation.

07. Hospital. The hospital operational declaration is available to an agency whose primary responsibility is hospital or clinic activity and utilizes licensed EMS personnel in its facility to assist with patient care and movement.

Section 203 Page 1347

205. AIR MEDICAL AGENCY -- OPERATIONAL DECLARATIONS.

An agency providing air medical services is licensed with one (1) or more of the following operational declarations depending on the services that the agency advertises or offers. Service levels, geographic coverage areas, and resources may differ between the operational declarations under which an agency is licensed.

- **01. Air Medical Transport**. The air medical transport operational declaration is available to an air medical agency that provides transportation of patients by air ambulance from a rendezvous or emergency scene to a medical care facility within its designated geographic coverage area.
- **02.** Air Medical Transfer. The air medical transfer operational declaration is available to an Air Medical I agency that provides transportation of patients by air ambulance from one (1) medical care facility in its designated geographic coverage area to another. An agency with this operational declaration must declare which sending facilities it routinely responds to if requested.
- **03. Air Medical Support.** The air medical support operational declaration is available to an air medical agency that provides transportation of patients from an emergency scene to a rendezvous with a ground or air medical transport agency within its designated response area. ()

206. -- **209.** (RESERVED)

210. AMBULANCE EMS AGENCY -- PATIENT TRANSPORT OR TRANSFER.

An agency that is licensed as an ambulance service is intended for patient transport or transfer.

- **01. Transport.** An ambulance agency may provide transportation of patients from a rendezvous or emergency scene to a rendezvous or medical care facility when that agency is licensed with one (1) of the following operational declarations:
 - a. Prehospital; (
 - **b.** Prehospital Support; or (
 - c. Standby.
- **02. Transfer**. An ambulance agency that provides the operational declaration of transfer can provide transportation of patients from one (1) medical care facility within their designated geographic coverage area to another.

211. AIR MEDICAL EMS AGENCY -- PATIENT TRANSPORT, TRANSFER, OR SUPPORT.

An agency that is licensed with an air medical service type is intended for patient transport, transfer, or support.

01. Transport. An air medical agency that provides the operational declaration of air medical transport may provide transportation of patients from a rendezvous or emergency scene to a medical care facility.

- **02. Transfer.** An air medical agency that provides the operational declaration of air medical transfer can provide transportation of patients from one (1) medical care facility within their designated geographic coverage area to another.
- **O3.** Support. An air medical agency that provides the operational declaration of air medical support can provide patient movement from a remote area or scene to a rendezvous point where care will be transferred to another licensed air medical or ground transport service for transport to definitive care. An air medical support agency must report all patient movement events to the Department within thirty (30) days of the event.

212. NON-TRANSPORT EMS AGENCY -- PATIENT MOVEMENT.

A non-transport agency is an agency that is not intended for patient transport and cannot advertise ambulance services. A non-transport agency can move a patient by vehicle only when:

Section 205 Page 1348

Section 300 Page 1349 **02. Personnel for Air Medical Support Agency.** An Air Medical Support agency must ensure that each flight includes at a minimum, two (2) crew members with one (1) patient care provider licensed at or above the agency's highest clinical level of licensure.

303. CRITICAL CARE -- PERSONNEL REQUIREMENTS.

Each ambulance or air medical agency that advertises the provision of critical care clinical capabilities must affiliate and deploy EMS personnel trained and credentialed to provide all critical care skills described in IDAPA 16.02.02, "Idaho Emergency Medical Services (EMS) Physician Commission."

304. PLANNED DEPLOYMENT -- PERSONNEL REQUIREMENTS.

Planned deployment allows affiliated EMS personnel to act and provide predetermined services outside of their affiliating agency's geographic coverage area. It can allow EMS personnel licensed at a higher clinical level to provide patient care within their credentialed scopes of practice even when the agency into which the planned deployment occurs is licensed at a lower clinical level. A planned deployment agreement must be formally documented and meet all the requirements listed in Section 603 of these rules.

305. AMBULANCE-BASED CLINICIANS -- PERSONNEL REQUIREMENTS.

- **01. Ambulance-Based Clinician Certified by Department.** An EMS agency that advertises or provides out-of-hospital patient care by affiliating and utilizing a currently licensed registered nurse, advanced practice registered nurse, or physician assistant, as defined in IDAPA 16.01.02, "Emergency Medical Services (EMS) Rule Definitions," must ensure that those individuals maintain a current ambulance-based clinician certificate issued by the Department. See Section 306 of these rules for exceptions to this requirement.
- **02. Obtaining an Ambulance-Based Clinician Certificate**. An agency, on behalf of an individual who desires an ambulance-based clinician certificate, must provide the following information on the Department's application for a certificate:
- **a.** Documentation that the individual holds a current, unrestricted license to practice issued by the Board of Medicine or Board of Nursing; and
- **b.** Documentation that the individual has successfully completed an ambulance-based clinician course; or
 - **c.** Documentation that the individual has successfully completed an EMT course. ()
- 03. Maintaining an Ambulance-Based Clinician Certificate. An ambulance-based clinician certificate is valid for as long as the holder of the certificate is continuously licensed by their respective licensing board.
- **04.** Revocation of an Ambulance-Based Clinician Certificate. The Department may revoke an ambulance-based clinician certificate based on the procedures for administrative license actions described in IDAPA 16.01.12, "Emergency Medical Services (EMS) -- Complaints, Investigations, and Disciplinary Actions."
- **05.** Licensed Personnel Requirements and Ambulance-Based Clinicians. An EMR/BLS, EMT/BLS, or AEMT/ILS agency may use ambulance-based clinicians to meet the licensed personnel requirements for agency licensure. An ALS agency, licensed with an ALS transfer declaration described in Section 204.04 of these rules, may use ambulance-based clinicians to meet the licensed personnel requirements for the transfer declaration.
- **06.** Agency Responsibilities for Ambulance-Based Clinicians. The agency must verify that each ambulance-based clinician possess a current ambulance-based clinician certificate issued by the Department. The agency must ensure that any ambulance-based clinician meets additional requirements of the corresponding licensing board.
- 306. UTILIZING PHYSICIAN ASSISTANTS, LICENSED REGISTERED NURSES OR ADVANCED PRACTICE REGISTERED NURSES.

Section 303 Page 1350

)

An AEMT/ILS ambulance agency may use a non-certified physician assistant, licensed registered nurse, or advanced practice registered nurse as the crew member who is providing ILS patient services, only when accompanied by a licensed EMR with an ambulance certification or a licensed EMT in the patient compartment of the transport vehicle.

307. -- 399. (RESERVED)

EMS AGENCY VEHICLE REQUIREMENTS (Sections 400 - 499)

400. EMS AGENCY -- VEHICLE REQUIREMENTS.

Not all EMS agencies are required to have emergency response vehicles. An agency's need for emergency	response
vehicles is based on the deployment needs of the agency that is declared on the most recent agency	licensure
application. An agency with a deployment pattern that requires emergency response vehicles must meet the	
requirements:	($)$

- **01.** Condition of Response Vehicles. Each of the agency's EMS response vehicles must be in sound, safe, working condition.
- **Quantity of Response Vehicles.** Each EMS agency must possess a sufficient quantity of EMS response vehicles to ensure agency personnel can respond to the anticipated call volume of the agency.
- **03. Motor Vehicle Licensing Requirements**. Each EMS agency's response vehicles must meet the applicable Idaho motor vehicle license and insurance requirements.
- **O4.** Configuration and Standards for EMS Response Vehicles. Each of the EMS agency's response vehicles must be appropriately configured in accordance with the declared capabilities on the most recent agency license. Each EMS response vehicle must meet the minimum requirements for applicable federal, state, industry, or trade specifications and standards for ambulance or air ambulance vehicles as appropriate. Uniquely configured EMS response vehicles must be approved by the Department prior to being put into service.
- **05. Location of Emergency Response Vehicles**. Each agency's EMS response vehicles must be stationed or staged within the agency's declared geographic coverage area in a manner that allows agency personnel to effectively respond to the anticipated volume and distribution of requests for service.
- 401. NON-TRANSPORT EMS AGENCY -- VEHICLES.

A licensed non-transport EMS agency may use ambulance vehicles to provide non-transport services. (

402. EMS AGENCY -- MINIMUM EQUIPMENT INSPECTION REQUIREMENTS.

Any newly acquired EMS response vehicle must be inspected by the Department for medical care supplies and devices as specified in the "Minimum Equipment Standards for Licensed EMS Services," before being put into service, except when the newly acquired vehicle is a replacement vehicle and all equipment and supplies are transferred from the vehicle being taken out of service.

403. EMS AGENCY -- GROUND VEHICLE SAFETY INSPECTION REQUIREMENTS.

Each EMS agency that deploys emergency vehicles titled and registered for use on roads and highways, with the exception of all-terrain vehicles and utility vehicles, must meet the following inspection requirements.

- **01. New Vehicle Inspection**. Each newly acquired, used EMS response vehicle must successfully pass a safety inspection conducted by an inspector authorized to perform Department of Transportation (DOT) vehicle safety inspections prior to the vehicle being put in service.
- **02.** Response Vehicle Involved in a Crash. Each EMS response vehicle, that is involved in a crash that could result in damage to one (1) or more of the vehicle systems identified in Subsection 403.03 of this rule, must successfully pass a safety inspection conducted by an inspector authorized to perform DOT vehicle safety inspections prior to being put back in service.

EMS AGENCY AGREEMENTS, PLANS, AND POLICIES (Sections 600 - 699)

EMS AGENCY -- AGREEMENTS, PLANS, AND POLICIES.

When applicable, each EMS agency must make the following agreements, plans, and policies, described in Sections 600 through 699 of these rules, available to the Department upon request.

601. EMS AGENCY -- PATIENT CARE INTEGRATION.

- 01. Cooperative Agreements for Common Geographic Coverage Area. Each ground EMS agency that shares common geographic coverage areas with other EMS agencies must develop cooperative written agreements that address integration of patient care between the agencies. A ground agency can not provide a level of care that exceeds the clinical level of a prehospital agency receiving the patient, unless the written patient integration plan specifically addresses the continuation of the higher level of care throughout the patient transport.
- **02. Cooperative Agreement for Non-Transport Agency.** Each non-transport EMS agency must have a cooperative written agreement with a prehospital agency that will provide patient transportation. The agreement

	EMS AGENCY INSPECTIONS		

800. EMS AGENCY -- INSPECTIONS BY THE DEPARTMENT.

Representatives of the Department are authorized to enter an agency's facility at reasonable times to inspect an agency's vehicles, equipment, response records, and other necessary items to determine that the EMS agency is in

(Sections 800 - 899)

Section 730 Page 1360

compliance with governing Idaho statutes and administrative rules.

EMS AGENCY -- INSPECTION REQUESTS AND SCHEDULING.

An applicant eligible for agency inspection must contact the Department to schedule an inspection. In the event that the acquisition of capital equipment, hiring or licensure of personnel is necessary for the inspection process, the applicant must notify the Department when ready for the inspection.

EMS AGENCY -- INSPECTION TIMEFRAME AFTER NOTIFICATION OF ELIGIBILITY.

An applicant must schedule and have an inspection completed within six (6) months of notification of eligibility by the Department. An application without an inspection completed within six (6) months is void and must be resubmitted as an initial application.

803. -- 804. (RESERVED)

805. EMS AGENCY -- INITIAL AGENCY INSPECTION.

The Department will perform an initial inspection, which is an integral component of the application process, to ensure the EMS Agency applicant is in compliance regarding the following:

- **Validation of Initial Application.** Validate the information contained in the application. 01.
- 02. Verification of Compliance. Verify the applicant is in compliance with governing Idaho statutes and administrative rules.

EMS AGENCY -- DEMONSTRATION OF CAPABILITIES DURING INSPECTION.

The Department will review historical and current information during the annual, random and targeted inspections whereas an applicant must demonstrate the following during the initial inspection process:

- Validation of Ability to Submit Data. Each EMS agency applicant must demonstrate the ability to submit data described in Section 535 of these rules.
- Validation of Ability to Communicate. Each EMS agency applicant must demonstrate the ability to communicate via radio with the state EMS communications center, local dispatch center, neighboring EMS agencies on which the applicant will rely for support, first response, air and ground patient transport, higher level patient care, or other purposes.

807. -- 829. (RESERVED)

EMS AGENCY -- CONDITION THAT RESULTS IN VEHICLE OR AGENCY OUT OF SERVICE.

Upon discovery of a condition during inspection that could reasonably pose an immediate threat to the safety of the public or agency staff, the Department may declare the condition unsafe and remove the vehicle or agency from service until the unsafe condition is corrected.

831. -- 839. (RESERVED)

EMS AGENCY -- EXEMPTIONS FOR AGENCIES CURRENTLY ACCREDITED BY A NATIONALLY RECOGNIZED PROFESSIONAL EMS ACCREDITATION AGENCY.

Upon petition by the accredited agency, the Department will review the accreditation standards under which the accredited agency was measured and may waive specific duplicated annual inspection requirements where appropriate. If an external accreditation inspection is found to be more rigorous than that of the Department, the Department may elect to relax the frequency of Department annual inspections or waive Department annual inspections altogether.

841. -- 899. (RESERVED)

IDAHO ADMINISTRATIVE CODE

16.01.06 - EMERGENCY MEDICAL SERVICES (EMS) - DATA COLLECTION AND SUBMISSION REQUIREMENTS

000. LEGAL AUTHORITY.

The Idaho Board of Health and Welfare is authorized under Section 56-1023, Idaho Code, to adopt rules and standards concerning the administration of the Idaho Emergency Medical Services Act, Sections 56-1011 through 56-1023, Idaho Code. The Director is authorized under Section 56-1003, Idaho Code, to supervise and administer an emergency medical services program.

001. TITLE AND SCOPE.

- **01. Title**. These rules are titled IDAPA 16.01.06, "Emergency Medical Services (EMS) Data Collection and Submission Requirements."
- **O2.** Scope. These rules contain the requirements for licensed EMS agencies to collect and report essential data information related to the performance, needs, and assessments of the statewide emergency medical services system.

002. INCORPORATION BY REFERENCE.

The EMS Data Collection Standards Manual, Edition 2017-1, is incorporated by reference in this chapter of rules. Copies of the manual may be obtained online at http://www.idahoems.org/ or from the Bureau of Emergency Medical Services and Preparedness located at 2224 East Old Penitentiary Road, Boise, ID 83712-8249.

003. CONFIDENTIALITY OF EMS RECORDS.

EMS Response records and data collected or otherwise captured by the Bureau of Emergency Medical Services and Preparedness, its agents, or designees, will be deemed to be confidential and released in accordance with applicable Department policies and applicable state and federal laws.

004. -- 009. (RESERVED)

010. **DEFINITIONS.**

- **01. EMS Definitions.** For the purposes of this chapter, the definitions in IDAPA 16.01.02, "Emergency Medical Services (EMS) Rule Definitions," apply.
- **02. NEMSIS Data Dictionary**. For the purposes of this chapter, definitions in the NEMSIS Data Dictionary apply. The NEMSIS website is at http://www.nemsis.org.

011. -- 074. (RESERVED)

075. INVESTIGATION OF COMPLAINTS FOR EMS DATA COLLECTION OR SUBMISSION VIOLATIONS.

Investigation of complaints and disciplinary actions for EMS data collection and submission requirement violations are provided under IDAPA 16.01.12, "Emergency Medical Services (EMS) - Complaints, Investigations, and Disciplinary Actions."

076. ADMINISTRATIVE LICENSE OR CERTIFICATION ACTION.

Any license or certification may be suspended, revoked, denied, or retained with conditions for noncompliance with any standard or rule. Administrative license or certification actions, including fines, imposed by the EMS Bureau for any action, conduct, or failure to act that is inconsistent with professionalism, or standards, or both, are provided under Sections 56-1011 through 56-1023, Idaho Code, and IDAPA 16.01.12, "Emergency Medical Services (EMS) - Complaints, Investigations, and Disciplinary Actions."

077. -- 099. (RESERVED)

100. EACH EMS AGENCY MUST COMPLY WITH THE FOLLOWING RECORDS, DATA COLLECTION, AND SUBMISSION REQUIREMENTS.

Each licensed EMS agency must collect and submit EMS response records to the EMS Bureau using the Idaho Prehospital Electronic Record Collections System known as PERCS.

01. Records to be Maintained. Each licensed EMS agency must maintain a record that includes a Patient Care Report completed for each EMS Response.

Section 000 Page 1371

03. Time Frame for Submitting Records. Each licensed EMS agency must submit each month's data to the Department by the 15th of the following month in a format determined by the Department. ()

101. -- 104. (RESERVED)

105. EMS RESPONSE RECORDS AND DATA COLLECTED.

EMS response records and data collected from licensed EMS agencies or otherwise captured by the EMS Bureau, its agents, or designees, are deemed to be confidential and can only be released in accordance with applicable Department policies, state and federal laws, and this chapter of rules.

106. -- 109. (RESERVED)

110. USE OF SUBMITTED RECORDS AND DATA.

Records and data submitted to the Department, may be used by Department staff and staff or other designated agencies in the performance of its regulatory duties.

- **01. Data Reports**. Data may be compiled into reports by a licensed emergency medical service agency from the respective agency's collected records.
- **02.** Patient Care Reports. Aggregate patient care report data may be released to the public in a format reasonably calculated to not disclose the identity of the individual patient.

111. -- 199. (RESERVED)

200. DATA TO BE REPORTED.

The required data and information on an EMS Response is based on the definitions and structure of National Emergency Medical Services Information System (NEMSIS). NEMSIS defined data points to be reported to the Department for each EMS Response are provided in the "EMS Data Collection Standards Manual," incorporated by reference in Section 004 of these rules.

201. -- 999. (RESERVED)

16.01.12 - EMERGENCY MEDICAL SERVICES (EMS) - COMPLAINTS, INVESTIGATIONS, AND DISCIPLINARY ACTIONS

000. LEGAL AUTHORITY. The Idaho Board of Health and Welfare is authorized under Sections 56-1005 and 56-1023, Idaho Code, to adopt rules concerning the administration of the Idaho Emergency Medical Services Act. The Director is authorized under Section 56-1003, Idaho Code, to supervise and administer an emergency medical service program. The EMS Bureau is authorized under Section 56-1022, Idaho Code, to manage complaints and investigations, and implement license actions against EMS personnel and agencies, that includes levying fines against an EMS agency. 001. TITLE AND SCOPE. Title. These rules are titled IDAPA 16.01.12, "Emergency Medical Services (EMS) – Complaints, Investigations, and Disciplinary Actions." Scope. These rules provide for the management of complaints, investigations, enforcement, and disciplinary actions by the EMS Bureau for personnel and agency licensure and certification, and educational programs and instructor approval. 002. -- 009. (RESERVED) **DEFINITIONS.** For the purposes of this chapter, the definitions in IDAPA 16.01.02, "Emergency Medical Services (EMS) - Rule Definitions" apply. 011. -- 074. (RESERVED) PEER REVIEW TEAM. 075 The EMS Bureau may elect to conduct a peer review for an alleged statute or rule violation when it determines that a peer review is an appropriate action. The EMS Bureau will determine who serves on a peer review team. MEMBERS OF A PEER REVIEW TEAM. The peer review team will consist of four (4) team members selected by the EMS Bureau as appropriate to the case being considered from the following: Licensed Personnel. EMS personnel licensed at, or above, the license level of the subject; or 01. 02. **Agency Administrator**. EMS agency administrator; or 03. Training Officer. EMS agency training officer; or Course Coordinator. Course coordinator of an EMS Bureau-approved education program or course; or 05. Instructor. EMS Bureau-certified EMS instructor; and Chairman of Peer Review Team. Each peer review team will be chaired by a licensed Idaho EMS physician as follows: An Idaho EMS Physician Commissioner for cases involving EMS personnel; or a. b. An Idaho EMS agency medical director for cases involving an EMS agency; or An Idaho EMS Bureau-approved education program or course sponsoring physician for cases involving educators who are not licensed EMS personnel. QUALIFICATIONS REQUIRED OF A PEER REVIEW TEAM MEMBER. An individual, serving as a member of an EMS peer review team, must have successfully completed an orientation to EMS-related statute, rules and procedures and have signed confidentiality and conflict of interest agreements provided by the EMS Bureau. 078. -- 099. 250. NOTICE OF THE FINAL DISPOSITION OF AN INVESTIGATION.

- Subject. The EMS Bureau will send notification to the last known address of the subject of the disposition of the investigation, including any pending or current administrative actions.
- Other Jurisdiction for EMS Personnel. A copy of administrative action imposed on EMS personnel will be sent to each agency of affiliation, agency medical director, the National Practitioners Data Base, and the National Registry of Emergency Medical Technicians.
- Other Jurisdictions for EMS Agencies. A copy of administrative action or nature of fines imposed on EMS agencies will be sent to the agency governing authorities and the agency medical director.
- Other Jurisdictions for Educational Programs or Instructors. A copy of any administrative action imposed on an EMS educational program or instructor may be sent to the state Board of Education, the sponsoring physician, the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP), and the National Registry of Emergency Medical Technicians (NREMT).

251. -- 299. (RESERVED)

DISCIPLINARY AND CORRECTIVE ACTIONS (Sections 300-399)

ACTIONS RESULTING FROM INVESTIGATIONS.

The following actions may be imposed upon the subject of an investigation by the EMS Bureau without peer review:

- Letter of Guidance. The EMS Bureau may issue a letter of guidance, directing the subject of the investigation to the standards, rules, educational resources, or local jurisdiction for resolution of minor noncompliance issues where no injury or threat of harm to the public, profession, or EMS system occurred. The subject of the investigation must show a willingness to become compliant and correct the issue within thirty (30) days of receipt of the personnel guidance letter.
- Warning Letter. The EMS Bureau may issue a warning letter for a first offense where an unlicensed individual is providing patient care in violation of Section 56-1020, Idaho Code.
- 03. Negotiated Resolution. The EMS Bureau may negotiate a resolution with the subject of an investigation where allegations of misconduct or medical scope of practice non-compliance, if found to be true, did not cause, or is not likely to cause, injury or harm to the public, profession, or EMS system. The issue must be resolved and corrected within thirty (30) days of the negotiated resolution or settlement agreed to by both the subject of the investigation and the EMS Bureau.
- Negotiated resolution participants will include the subject of the investigation, EMS Bureau staff and other parties deemed appropriate by the EMS Bureau.

Page 1375 Section 240

351. -- 999. (RESERVED)

Section 350 Page 1380

16.02.02 – IDAHO EMERGENCY MEDICAL SERVICES (EMS) PHYSICIAN COMMISSION

000. LEGAL AUTHORITY.

Under Sections 56-1013A and 56-1023, Idaho Code, the Idaho Emergency Medical Services (EMS) Physician Commission is authorized to promulgate these rules for the purpose of establishing standards for scope of practice and medical supervision for licensed personnel, air medical, ambulance services, and nontransport agencies licensed by the Department of Health and Welfare.

001. TITLE AND SCOPE.

- **01. Title**. The title of these rules is IDAPA 16.02.02, "Idaho Emergency Medical Services (EMS) Physician Commission."
- **O2.** Scope. The scope of these rules is to define the allowable scope of practice, acts, and duties that can be performed by persons licensed as emergency medical services personnel by the Department of Health and Welfare Bureau of Emergency Medical Services and Preparedness and to define the required level of supervision by a physician.

002. INVESTIGATIONS.

- **01. Physician Professional Disciplinary Enforcement Investigations.** The provisions of Section 54-1806A, Idaho Code, govern investigation of complaints regarding physicians. ()
- **02.** EMS Personnel and EMS Agency Complaint Investigations. The provisions of IDAPA 16.01.12, "Emergency Medical Services (EMS) -- Complaints, Investigations, and Disciplinary Actions," govern investigation of complaints regarding licensed EMS personnel and EMS Agencies.

003. INCORPORATION BY REFERENCE.

The Idaho Emergency Medical Services (EMS) Physician Commission has adopted the Idaho Emergency Medical Services (EMS) Physician Commission Standards Manual, edition 2020-1, and hereby incorporates this Standards Manual by reference. Copies of the manual may be obtained on the Internet at http://emspc.dhw.idaho.gov or from the Bureau of Emergency Medical Services and Preparedness located at 2224 East Old Penitentiary Road, Boise, ID, 83712-8249, whose mailing address is P.O. 83720, Boise, Idaho 83720-0036.

004. EMS COMPLAINTS.

The provisions of IDAPA 16.01.12, "Emergency Medical Services (EMS) -- Complaints, Investigations, and Disciplinary Actions," govern the confidentiality of the investigation of complaints regarding licensed EMS personnel.

005. -- 009. (RESERVED)

010. DEFINITIONS.

In addition to the applicable definitions in Section 56-1012, Idaho Code, and IDAPA 16.01.02, "Emergency Medical Services (EMS) -- Rule Definitions," the following terms are used in this chapter as defined below:

- **01. Credentialed EMS Personnel**. Individuals who are authorized to provide medical care by the EMS medical director, hospital supervising physician, or medical clinic supervising physician. ()
- **02.** Credentialing. The local process by which licensed EMS personnel are authorized to provide medical care in the out-of-hospital, hospital, and medical clinic setting, including the determination of a local scope of practice.
- **O3. Designated Clinician**. A licensed Physician Assistant (PA) or Nurse Practitioner designated by the EMS medical director, hospital supervising physician, or medical clinic supervising physician who is responsible for direct (on-line) medical supervision of licensed EMS personnel in the temporary absence of the EMS medical director.
- **04. Direct (On-Line) Supervision**. Contemporaneous instructions and directives about a specific patient encounter provided by a physician or designated clinician to licensed EMS personnel who are providing medical care.
- **05. Emergency Medical Services (EMS)**. Under Section 56-1012(12), Idaho Code, emergency medical services or EMS is aid rendered by an individual or group of individuals who do the following: ()

02. Approval for EMS Personnel to Function.

- **a.** The explicit approval of the EMS medical director, hospital supervising physician, or medical clinic supervising physician is required for licensed EMS personnel under their supervision to provide medical care.
- **b.** The EMS medical director, hospital supervising physician, or medical clinic supervising physician may credential licensed EMS personnel under their supervision with a limited scope of practice relative to that allowed by the EMS Physician Commission, or with a limited scope of practice corresponding to a lower level of EMS licensure.

03. Restriction or Withdrawal of Approval for EMS Personnel to Function.

- a. The EMS medical director, hospital supervising physician, or medical clinic supervising physician can restrict the scope of practice of licensed EMS personnel under their supervision when such personnel fail to meet or maintain proficiencies established by the EMS medical director, hospital supervising physician, or medical clinic supervising physician, or the Idaho EMS Bureau.
- **b.** The EMS medical director, hospital supervising physician, or medical clinic supervising physician can withdraw approval of licensed EMS personnel to provide services, under their supervision, when such personnel fail to meet or maintain proficiencies established by the EMS medical director, hospital supervising physician, or medical clinic supervising physician, or the EMS Bureau.
- c. The EMS medical director, hospital supervising physician, or medical clinic supervising physician must report in writing such restriction or withdrawal of approval within fifteen (15) days of the action to the EMS Bureau in accordance with Section 39-1393, Idaho Code.
- **04. Review Qualifications of EMS Personnel**. The EMS medical director, hospital supervising physician, or medical clinic supervising physician must document the review of the qualification, proficiencies, and all other EMS agency, hospital, and medical clinic affiliations of EMS personnel prior to credentialing the individual.
- **05. Document EMS Personnel Proficiencies**. The EMS medical director, hospital supervising physician, or medical clinic supervising physician must document that the capabilities of licensed EMS personnel are maintained on an ongoing basis through education, skill proficiencies, and competency assessment.
- **06. Develop and Implement a Performance Assessment and Improvement Program.** The EMS medical director must develop and implement a program for continuous assessment and improvement of services provided by licensed EMS personnel under their supervision.
- **07. Review and Update Procedures**. The EMS medical director must review and update protocols, policies, and procedures at least every two (2) years.
- **08. Develop and Implement Plan for Medical Supervision**. The EMS medical director, hospital supervising physician, or medical clinic supervising physician must develop, implement and oversee a plan for supervision of licensed EMS personnel as described in Subsection 400.06 of these rules.
 - **09.** Access to Records. The EMS medical director must have access to all relevant agency, hospital, or

01. Renewal Granted. (
------------------------	--

- **a.** A laboratory that has lost approval to perform certain tests for reasons outlined in Section 240 of these rules may gain reapproval by documenting corrective action taken, and by requesting the Department review the unacceptable performance and the corrective action taken.
- **b.** Within ten (10) days after completion of this review, the reviewer will submit their report to the Chief of the Bureau of Laboratories.
- **c.** Upon determination that corrections leading to satisfactory and acceptable performance have been made, the Chief of the Bureau of Laboratories may reinstate approval.
- **Renewal Denied.** If the Chief of the Bureau of Laboratories does not grant reapproval of the laboratory, they will provide the laboratory supervisor with written notice of actions to be taken to correct deficiencies. The laboratory supervisor may request a new review at any time after thirty (30) days from the date of last review. The laboratory supervisor may also file a written appeal in accordance with IDAPA 16.05.03, "Contested Case Proceedings and Declaratory Rulings," Section 400.

251. -- 269. (RESERVED)

270. LIST OF APPROVED LABORATORIES.

The Department will maintain a list of laboratories approved in accordance with this chapter. This list must include the name and address of each approved laboratory, and the name of the person directing the laboratory.

271. -- 299. (RESERVED)

300. PENALTY FOR FAILURE TO REGISTER OR OPERATION OF A NON-APPROVED CLINICAL LABORATORY.

Failure to register a clinical laboratory, operation of a non-approved clinical laboratory, or performance of unapproved testing constitutes a violation of these rules. Any violation of these rules constitutes a misdemeanor under Section 56-1008, Idaho Code.

301. -- 999. (RESERVED)

16.02.10 - IDAHO REPORTABLE DISEASES

000. LEGAL AUTHORITY.

Sections 39-605, 39-1003, 39-1603, and 56-1005, Idaho Code, grant authority to the Board of Health and Welfare to adopt rules protecting the health of the people of Idaho. Section 39-906, Idaho Code, provides for the Director to administer rules adopted by the Board of Health and Welfare. Section 39-4505(2), Idaho Code, gives the Director authority to promulgate rules regarding the identification of blood- or body fluid-transmitted viruses or diseases. Section 56-1003, Idaho Code, gives the Director the authority to adopt rules protecting the health of the people of Idaho and to recommend rules to the Board of Health and Welfare. Section 54-1119, Idaho Code, authorizes the Director to promulgate rules regarding the handling of dead human bodies as needed to preserve and protect the public health.

001. TITLE AND SCOPE.

- **01. Title.** These rules are titled IDAPA 16.02.10, "Idaho Reportable Diseases."
- **O2. Scope**. These rules contain the official requirements governing the reporting, control, and prevention of reportable diseases and conditions and requirements to prevent transmission of health hazards from dead human bodies. The purpose of these rules is to identify, control, and prevent the transmission of reportable diseases and conditions within Idaho.

002. DOCUMENTS INCORPORATED BY REFERENCE.

The documents referenced in Subsections 004.01 through 004.07 of this rule are used as a means of further clarifying these rules. These documents are incorporated by reference and are available at the Idaho State Law Library or at the Department's main office.

may have serious	consequences	to the public's health	. The determin	nation of whether	er a diseas	e is restricta	able is b	based
upon the specific	environmental	setting and the likeli	hood of transm	nission to suscep	otible pers	ons.	()

- **14. Severe Reaction to Any Immunization**. Any serious or life-threatening condition that results directly from the administration of any immunization against a communicable disease.
- 15. Significant Exposure to Blood or Body Fluids. Significant exposure is defined as a percutaneous injury, contact of mucous membrane or non-intact skin, or contact with intact skin when the duration of contact is prolonged or involves an extensive area, with blood, tissue, or other body fluids as defined in "Updated U.S. Public Health Service Guidelines for the Management of Occupational Exposures to HIV and Recommendations for Postexposure Prophylaxis," incorporated in Section 004 of these rules.
- **16. Standard Precautions.** Methods used to prevent transmission of all infectious agents, as described in the "Guideline for Isolation Precautions in Hospitals," incorporated in Section 004 of these rules. ()
- 17. State Epidemiologist. A person employed by the Department to serve as a statewide epidemiologist or their designee.
- 18. Suspected Case. A person diagnosed with or thought to have a particular disease or condition by a licensed physician or other health care provider. The suspected diagnosis may be based on signs and symptoms, or on laboratory evidence, or both criteria. Suspected cases of some diseases are reportable as described in Section 050 of these rules.
- 19. Vaccination of an Animal Against Rabies. Vaccination of an animal by a licensed veterinarian with a rabies vaccine licensed or approved for the animal species and administered according to the specifications on the product label or package insert as described in the "Compendium of Animal Rabies Prevention and Control," incorporated in Section 004 of these rules.
 - **20. Veterinarian**. Any licensed veterinarian as defined in Section 54-2103, Idaho Code. ()
- 21. Waterborne Outbreak. An outbreak is when two (2) or more persons experience a similar illness after exposure to water from a common source and an epidemiological analysis implicates the water as the source of the illness.
- **22. Working Day**. A working day is from 8 a.m. to 5 p.m., Monday through Friday, excluding state holidays.
- 012. -- 019. (RESERVED)

020. PERSONS REQUIRED TO REPORT REPORTABLE DISEASES, CONDITIONS, AND SCHOOL CLOSURES.

- **O1. Physician**. A licensed physician who diagnoses, treats, or cares for a person with a reportable disease or condition must make a report of such disease or condition to the Department or Health District as described in these rules. The physician is also responsible for reporting diseases and conditions diagnosed or treated by physician assistants, nurse practitioners, or others under the physician's supervision.
- **02. Hospital or Health Care Facility Administrator**. The hospital or health care facility administrator must report all persons who are diagnosed, treated, or receive care for a reportable disease or condition in their facility unless the attending physician has reported the disease or condition.
- **03. Laboratory Director**. The laboratory director must report to the Department or Health District the identification of, or laboratory findings suggestive of, the presence of the organisms, diseases, or conditions listed in Section 050 of these rules.
 - 04. School Administrator. A school administrator must report diseases and conditions to the

Section 020 Page 1398

Department or Health District as indicated in Section 050 of these rules. A school administrator must report the closure of any public, parochial, charter, or private school within one (1) working day when, in their opinion, such closing is related to a communicable disease.

()

O5. Persons in Charge of Food Establishments. A person in charge of an eating or drinking establishment must report diseases and conditions to the Department or Health District as indicated in Section 050 of these rules and obtain guidance on proper actions needed to protect the public.

()

06. Others Required to Report Reportable Diseases. In addition to licensed physicians, reports must also be made by physician assistants, certified nurse practitioners, licensed registered nurses, school health nurses, infection surveillance staff, public health officials, and coroners.

021. ACCESS TO MEDICAL RECORDS.

No physician, hospital administrative person, or patient may deny the Department, Health Districts, or the Board access to medical records in discharge of their duties in implementing the reportable disease rules.

022. PENALTY PROVISIONS.

These rules may be enforced under the civil and criminal penalties described in Sections 39-108, 39-109, 39-607, 39-1006, 39-1606, and 56-1008, Idaho Code, and other applicable statutes and rules. Penalties may include fines and imprisonment as specified in Idaho Code.

023. DELEGATION OF POWERS AND DUTIES.

The Director has the authority to delegate to the Health Districts any of the powers and duties created by these rules under Section 39-414(2), Idaho Code. Any delegation authority will be in writing and signed by the both the Director and the Health District Board.

024. -- 029. (RESERVED)

030. WHERE TO REPORT REPORTABLE DISEASES AND CONDITIONS.

Subsections 030.01 through 030.09 of this rule provide where information for reporting of suspected, identified, and diagnosed diseases and conditions are to be reported. The diseases and conditions in Sections 100 through 949 of these rules are reportable to the agencies listed in Subsections 030.01 through 030.09 of this rule.

- 01. Department of Health and Welfare, Bureau of Communicable Disease Prevention Epidemiology Program.

051. -- 059. (RESERVED)

060. TESTING FOR CERTAIN REPORTABLE DISEASES WHEN INFORMED CONSENT IS NOT POSSIBLE.

Under Section 39-4504, Idaho Code, a licensed physician may order blood or body fluid tests for hepatitis viruses, malaria, syphilis, or the human immunodeficiency virus (HIV) when an informed consent is not possible and there has been, or is likely to be, significant exposure to a person's blood or body fluids by a person providing emergency or medical services.

061. -- 064. (RESERVED)

065. INVESTIGATION AND CONTROL OF REPORTABLE DISEASES.

- **01.** Responsibility and Authority. The Department will use all reasonable means to confirm in a timely manner any case or suspected case of a reportable disease or condition, and will determine, when possible, all sources of infection and the extent of exposure. Investigations may be made when the Division of Public Health Administrator, Health District Director, or state epidemiologist determines a disease to be of public health significance.
- **a.** Every licensed physician or other health care provider attending a person with a reportable disease or condition must report the case or suspected case, as described in Section 050 of these rules. They must instruct the person on applicable control measures as outlined in Sections 100 through 949 of these rules and cooperate with the Department in the investigation and control of the disease or condition.
- **b.** Any person providing emergency or medical services who believes they have experienced a significant exposure to blood or bodily fluids as defined in Subsection 011.15 of these rules may report said exposure as soon as possible or within fourteen (14) days of the occurrence to the Department on a significant exposure report form. When, in the state epidemiologist's judgment, a significant exposure has occurred, the Department will inform the exposed individual that they may have been exposed to the HIV or HBV virus, or that there is no information available based on the Department's current HIV or HBV registry and will recommend appropriate counseling and testing for the exposed individual.
- **02. Inspection Right of Entry**. The Department may enter private or public property for the purpose of administering or enforcing the provisions of these rules under the authority and constraints granted by Section 56-1009, Idaho Code.
- **03. Inviolability of Placards.** If it is necessary to use placards, it is unlawful for any person to interfere with, conceal, mutilate or tear down any notices or placards on any house, building or premises placed by the Department. Such placards can only be removed by the health official.

prevention. All records of interviews, reports, studies, and statements obtained by or furnished to the Department or other authorized agency are confidential for the identity of all persons involved. Release of information to the Department as required or permitted by these rules does not subject any party furnishing such information to an action for damages as provided under IDAPA 16.05.01, "Use and Disclosure of Department Records."

071. -- 079. (RESERVED)

080. DAYCARE FACILITY - REPORTING AND CONTROL MEASURES.

- **01. Readily Transmissible Diseases.** Daycare reportable and restrictable diseases are those diseases that are readily transmissible among children and staff in daycare facilities as listed under Section 050 of these rules.
- **02. Restrictable Disease Work**. A person who is diagnosed to have a daycare restrictable disease must not work in any occupation in which there is direct contact with children in a daycare facility, as long as the disease is in a communicable form.
- **03. Restrictable Disease Attendance**. A child who is diagnosed to have a daycare restrictable disease must not attend a daycare facility as long as the disease is in a communicable form. This restriction may be removed by the written certification of a licensed physician, public health nurse or school nurse that the person's disease is no longer communicable.
- **04. Prevention of the Transmission of Disease**. When satisfactory measures have been taken to prevent the transmission of disease, the affected child or employee may continue to attend or to work in a daycare facility if approval is obtained from the Department or Health District.
- 081. -- 084. (RESERVED)

085. FOOD SERVICE FACILITY - REPORTING AND CONTROL MEASURES.

- **01. Food or Beverage Transmitted Disease in a Communicable Form.** Under Section 050 of these rules, a person who is determined to have one (1) or more of the diseases or conditions listed as restrictable for food establishments must not work as a food employee as long as the disease is in a communicable form. ()
- **O2. Food Employee Health Examination.** The Division of Public Health Administrator may require a food employee to submit to an examination to determine the presence of a disease that can be transmitted by means of food when there is reasonable cause to believe the food employee is afflicted with a disease listed in Section 050 of these rules as restrictable for food establishments and that disease is in a communicable form.
- **03. Notification of Disease in a Communicable Form.** If the person in charge of an eating or drinking establishment has reason to suspect that any employee has a disease listed in Section 050 of these rules as restrictable for food establishments, and that disease is in a communicable form, the person in charge must immediately notify the Department or Health District and obtain guidance on proper actions needed to protect the public.

086. -- 089. (RESERVED)

090. SCHOOL - REPORTING AND CONTROL MEASURES.

- **01. Restrictable Diseases**. School reportable and restrictable diseases are those diseases that are readily transmissible among students and staff in schools as listed under Section 050 of these rules.
- **02. Restrictions Work**. Any person who is diagnosed to have a school restrictable disease must not work in any occupation that involves direct contact with students in a private, parochial, charter, or public school as long as the disease is in a communicable form.
- **03. Restrictions Attendance**. Any person who is diagnosed with or reasonably suspected to have a school restrictable disease must not attend a private, parochial, charter, or public school as long as the disease is in a

IDAPA 16.02.10 Idaho Reportable Diseases

communicable form. (

04. Determination Disease Is No Longer Communicable. A licensed physician, public health nurse, school nurse or other person designated by the Department or Health District may determine when a person with a school restrictable disease is no longer communicable.

05. School Closure. A school administrator must report the closure of any public, parochial, charter, or private school within one (1) working day when, in their opinion, such closing is related to a communicable disease.

091. -- 099. (RESERVED)

REPORTABLE DISEASES AND CONTROL MEASURES (Sections 100-949)

100. ACQUIRED IMMUNE DEFICIENCY SYNDROME (AIDS).

- **01. Reporting Requirements.** Each case of acquired immune deficiency syndrome (AIDS) that meets the current case definition established by the Centers for Disease Control and Prevention must be reported to the Department or Health District within three (3) working days of identification. Positive laboratory tests for HIV Antibody, HIV Antigen (protein or nucleic acid), HIV culture or other tests that indicate prior or existing HIV infection or CD-4 lymphocyte counts of less than two hundred (200) per cubic millimeter (mm3) of blood or less than or equal to fourteen percent (14%) must be reported.
- **02. Investigation**. Each reported case of AIDS must be investigated to obtain specific clinical information, to identify possible sources, risk factors, and contacts. Other manifestations of HIV infection as defined by the Centers for Disease Control and Prevention may be investigated.

16.02.11 - IMMUNIZATION REQUIREMENTS FOR LICENSED DAYCARE FACILITY ATTENDEES

LEGAL AUTHORITY. The Idaho Legislature has granted to the Idaho Board of Health and Welfare the authority to adopt rules for the administration and enforcement of an immunization program for children attending licensed daycare facilities in Idaho, under Section 39-1118, Idaho Code. 001. TITLE AND SCOPE. Title. These rules are titled IDAPA 16.02.11, "Immunization Requirements for Licensed Daycare 01. Facility Attendees." Scope. These rules contain the legal requirements for the administration and enforcement of an immunization program for children who attend licensed daycare facilities in Idaho. INCORPORATION BY REFERENCE. The "Recommended Immunization Schedules for Persons Aged 0 Through 18 Years -- United States, 2010," are incorporated by reference for this chapter of rules. Published in the Morbidity and Mortality Weekly Report, January 8, 2010, Vol. 58 (51 and 52), by the Centers for Disease Control and Prevention as recommended by the Advisory Committee on Immunization Practices (ACIP). This document is referred to in this chapter of rules as "ACIP Recommended Schedule." These schedules may be obtained from the Department or viewed online at http:// www.cdc.gov/mmwr/preview/mmwrhtml/mm5851a6.htm 003. -- 009. (RESERVED) 010. **DEFINITIONS.** ACIP. The Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices. 02. Board. The Idaho State Board of Health and Welfare. 03. Board of Medicine. The Idaho State Board of Medicine. 04. Child. A person less than thirteen (13) years of age, as defined in Section 39-1102, Idaho Code. **05. Department**. The Idaho Department of Health and Welfare. 06. **Director**. The Director of the Idaho Department of Health and Welfare, or their designee. Immunization Record. An electronic medical health record, an immunization registry document, or a written immunization certificate confirmed by a licensed health care professional or a physician's representative that states the month, day, and year of each immunization a person has received. 08. Initial Attendance. The first admission of a child to any licensed daycare facility in Idaho. Laboratory Proof. A certificate from a licensed medical laboratory stating the type of test performed, the date of each test and the results, accompanied by a physician's statement indicating the child is immune. Tests performed must meet the requirements in IDAPA 16.02.06, "Quality Assurance for Idaho Clinical Laboratories." Licensed Daycare Facility. Any Idaho daycare facility maintained by an individual, organization, or corporation and licensed by an authorized governmental entity to provide care to children. Licensed Daycare Facility Operator. Any person who owns and operates or is designated by an individual, organization, or corporation to manage the day-to-day operation of a licensed daycare facility described in Subsection 010.10 of this rule.

Licensed Health Care Professional. A practitioner, licensed in the State of Idaho by the Board

overseeing the practitioner's license, or by a similar body in another state or jurisdiction within the United States. The

Section 000 Page 1439

practitioner's scope of practice for licensure must allow for the ordering of immunizations and writing of prescriptions, or the practitioner must be under the direction of a licensed physician. Licensed health care professionals who may provide for immunization requirements include: medical doctors, osteopaths, nurse

400. TECHNICAL ASSISTANCE.

- **01. Random Evaluations.** A representative of the Department will randomly select and visit licensed daycare facilities in Idaho to evaluate the facility files for the following:
 - a. Immunization record described in Section 010 of these rules; (
 - **b.** Exceptions documentation described in Section 105 of these rules; and
 - **c.** Exemption statements described in Section 110 of these rules. ()
- **02. Notice of Intent to Review**. A representative of the Department will inform licensed daycare facilities selected in Subsection 400.01 of this rule, at least thirty (30) days prior to an intent to review the licensed daycare facilities' documents.
- **03. Evaluation Results**. Information will be provided to the licensed daycare facility about the results of the immunization evaluation described in Subsection 400.01 of this rule, and the recommendations for correcting deficiencies and increasing immunity levels.

16.02.12 - NEWBORN SCREENING

LEGAL AUTHORITY. The Idaho Legislature has given the Board of Health and Welfare and the Director of the Department authority to promulgate rules governing the testing of newborn infants for phenylketonuria and other preventable diseases and governing the instillation of an ophthalmic preparation in the eyes of the newborn to prevent Ophthalmia Neonatorum, under Sections 39-906, 39-909, and 39-910, Idaho Code. TITLE AND SCOPE. 001. 01. Title. These rules are titled IDAPA 16.02.12, "Newborn Screening.") **Scope**. These rules specify the tests and procedures that must be performed on newborn infants for early detection of metabolic disorders, endocrine disorders, hemoglobin disorders, cystic fibrosis, critical congenital heart disease, and prevention of infant blindness. INCORPORATION BY REFERENCE. The Department has incorporated by reference the following documents: Blood Collection on Filter Paper for Newborn Screening Programs; Approved Standard, Fifth Edition. The Department has adopted "Blood Collection on Filter Paper for Newborn Screening Programs; Approved Standard," Fifth Edition, Clinical and Laboratory Standards Institute. 2007 (ISBN 1-56238-644-1), and hereby incorporates this standard by reference. A copy is available for review at the Department, or through the Clinical and Laboratory Standards Institute, 940 West Valley Road, Suite 1400, Wayne, PA 19087-1898, telephone 1-610-688-0100. Critical Congenital Heart Defects (CHDs). The Department has adopted the Critical CHD 02. Screening Methods as recommended by the American Academy of Pediatrics, from "Strategies of Implementing Screening for Critical Congenital Heart Diseases," Kemper, et al., 2011, and hereby incorporates this material by reference. Copies may be obtained from the Department, see online at: https://www.cdc.gov/ncbddd/heartdefects/ hcp.html. 003. -- 009. (RESERVED) **DEFINITIONS.** The following definitions will apply in the interpretation and enforcement of this chapter: Critical Congenital Heart Disease (CCHD). CCHD, also known as critical congenital heart defects, is a term that refers to a group of serious heart defects, as defined by the Centers for Disease Control and Prevention (CDC), that are present from birth. **02. Department**. The Idaho Department of Health and Welfare. Dried Blood Specimen. A blood specimen obtained from an infant by means of skin puncture, not by means of venipuncture or any other method, that is placed on special filter paper and allowed to dry. Hyperalimentation. The administration of an amount of nutrients beyond minimum normal requirements of the appetite, in an attempt to replace nutritional deficiencies. Laboratory. A medical or diagnostic laboratory certified according to the provisions of the Clinical Laboratory Improvement Amendments of 1988 by the United States Department of Health and Human Services. Newborn Screening. Newborn screening means a laboratory procedure performed on dried blood specimens from newborns to detect those at risk for the diseases specified in Subsection 100.01 of these rules. Person Responsible for Registering Birth of Child. The person responsible for preparing and filing the certificate of birth is defined in Section 39-255, Idaho Code. Pulse Oximetry. A non-invasive test that estimates the percentage of hemoglobin in blood that is saturated with oxygen using equipment approved by the U.S. Food and Drug Administration for use with newborn

16.02.15 - IMMUNIZATION REQUIREMENTS FOR IDAHO SCHOOL CHILDREN

LEGAL AUTHORITY. The Idaho Legislature has granted to the Board of Health and Welfare, in cooperation with the State Board of Education and the Idaho School Boards Association, the authority to adopt rules for the administration and enforcement of an immunization program for Idaho school children, under Section 39-4801, Idaho Code. 001. TITLE AND SCOPE. Title. These rules are titled IDAPA 16.02.15, "Immunization Requirements for Idaho School 01. Children." Scope. These rules contain the legal requirements for the administration of an immunization program for children enrolled in grades preschool, kindergarten through twelve (12) of any Idaho public, private, or parochial school. INCORPORATION BY REFERENCE. The "Recommended Immunization Schedules for Persons Aged 0 Through 18 Years -- United States, 2010," are incorporated by reference for this chapter of rules. Published in the Morbidity and Mortality Weekly Report, January 8, 2010, Vol. 58 (51 and 52), by the Centers for Disease Control and Prevention as recommended by the Advisory Committee on Immunization Practices (ACIP). This document is referred to in this chapter of rules as "ACIP Recommended Schedule." These schedules may be obtained from the Department or viewed online at http:// www.cdc.gov/mmwr/preview/mmwrhtml/mm5851a6.htm. 003. -- 009. (RESERVED) 010. **DEFINITIONS.** 01. ACIP. The Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices. 02. **Admission**. Admission to a public, private or parochial school is: Registration of a child before attendance; or Я. b. Re-entry of a child after withdrawing from previous enrollment. Transfer of a child from one (1) Idaho school to another or from schools outside Idaho. Child. A minor who is enrolled in preschool, kindergarten through grade twelve (12) in any Idaho public, private, or parochial school. **Department**. Idaho Department of Health and Welfare. 04. Immunization Record. An electronic medical health record, an immunization registry document, or a written immunization certificate confirmed by a licensed health care professional or a physician's representative which states the month, day, and year of each immunization a person has received. Laboratory Proof. A certificate from a licensed medical laboratory stating the type of test performed, the date of each test, and the results, accompanied by a physician's statement indicating the child is immune. Tests performed must meet the requirements of IDAPA 16.02.06, "Quality Assurance for Idaho Clinical Laboratories." Licensed Health Care Professional. A practitioner, licensed in the State of Idaho by the Board overseeing the practitioner's license, or by a similar body in another state or jurisdiction within the United States. The practitioner's scope of practice for licensure must allow for the ordering of immunizations and writing of prescriptions, or the practitioner must be under the direction of a licensed physician. Licensed health care professionals who may provide for immunization requirements include: medical doctors, osteopaths, nurse practitioners, physicians' assistants, licensed registered nurses, and pharmacists. Other persons authorized by law to practice any of the healing arts, will not be considered licensed health care professionals for the purposes of this

Parent, Custodian, or Guardian. The legal parent, custodian, or guardian of a child or those with

chapter.

08.

IDAPA 16.02.15 – Immunization Requirements for Idaho School Children

limited power of attorney for the temporary care or custody of a minor child. (

- **09. Physician**. A medical doctor or osteopath licensed by the Idaho State Board of Medicine, or by a similar body in another state or jurisdiction within the United States, to practice medicine and surgery, osteopathic medicine and surgery, or osteopathic medicine.
- 10. Physician's Representative. Any person appointed by, or vested with the authority to act on behalf of a physician in matters concerning health.
- 11. Preschool. The provision of education for children before the commencement of statutory and obligatory education, differing from traditional daycare in that the emphasis is learning and development rather than enabling parents to work or pursue other activities. Preschools may include, but are not limited to, federally-funded Head Start centers, state-funded preschools, government-funded special education programs, public school preschool programs, and for-profit and not-for profit preschool programs.
- 12. Private or Parochial School. Any Idaho school maintained by an individual, organization or corporation, not at public expense, and open only to children selected and admitted by the individual, organization or corporation, or to children of a certain class or possessing certain qualifications, which may or may not charge tuition fees.
- 13. Public School. Any Idaho school maintained at the public expense and open to all children within a given district, including those responsible for the education and training of exceptional children or those schools specially chartered.
- 14. Regulatory Authority. The Director of the Idaho Department of Health and Welfare or the Director's designee.
- 15. School Authority. An authorized representative designated by the Board of Trustees of a public school or a person or body designated to act on behalf of the governing body of a private or parochial school.

011. -- 099. (RESERVED)

100. IMMUNIZATION REQUIREMENTS.

All immunizations listed in Subsections 100.01 through 100.05 of this rule, are required of students upon admission to kindergarten through grade twelve (12) of any Idaho public, private, or parochial school. Upon admission to preschool, students must be age appropriately immunized with all immunizations listed in Subsections 100.01 through 100.03 of this rule. Immunizations must be administered according to the "ACIP Recommended Schedule," incorporated by reference in Section 004 of these rules, unless fewer doses are medically recommended by a physician. These recommendations are available from the Department. Exemptions from these immunization requirements are provided in Section 110 of these rules.

- **01. Student Born on or Before September 1, 1999.** A student born on or before September 1, 1999, must meet the following minimum immunization requirements prior to admission for these vaccines: one (1) dose of Measles, Mumps, and Rubella (MMR), four (4) doses of Diphtheria, Tetanus, Pertussis (DTaP), three (3) doses of Polio, and three (3) doses of Hepatitis B.
- **O2.** Student After September 1, 1999 Through September 1, 2005. A student born after September 1, 1999, through September 1, 2005, must meet the following minimum immunization requirements prior to admission for these vaccines: two (2) doses of Measles, Mumps, and Rubella (MMR), five (5) doses of Diphtheria, Tetanus, and Pertussis (DTaP), three (3) doses of Polio, and three (3) doses of Hepatitis B.
- **03. Student After September 1, 2005**. A student born after September 1, 2005, must meet the following minimum immunization requirements prior to admission for the following vaccines: two (2) doses of Measles, Mumps, and Rubella (MMR), five (5) doses of Diphtheria, Tetanus, and Pertussis (DTaP), four (4) doses of Polio, three (3) doses of Hepatitis B, two (2) doses of Hepatitis A, and two (2) doses of Varicella.

IDAPA 16.02.15 – Immunization Requirements for Idaho School Children

- **O4. Seventh Grade Immunization Requirements.** Effective with the 2011-2012 school year, and each year thereafter, in addition to the required immunizations listed in Section 100.01 through 100.03 of this rule, a student must meet the following minimum immunization requirements prior to admission into the seventh (7th) grade for these vaccines: one (1) dose of Tetanus, Diphtheria, Pertussis Booster (Tdap), and one (1) dose of Meningococcal. This requirement will be extended to: 7th 8th grade students in 2012, 7th 9th grade students in 2013, 7th 10th grade students in 2014, 7th 11th grade students in 2015, and 7th 12th grade students in 2016.
- **05. Twelfth Grade Immunization Requirements**. Effective at the start of the 2020-2021 school year, and each year thereafter, in addition to the required immunizations listed in Section 100.01 through 100.04 of this rule, students must meet the following minimum immunization requirements prior to admission into the twelfth (12th) grade:
- **a.** Students who received their first dose of Meningococcal (MenACWY) vaccine before the age of sixteen (16) must have two (2) doses of Meningococcal (MenACWY) vaccine.
- **b.** Students who received their first dose of Meningococcal (MenACWY) vaccine at sixteen (16) years of age and older, or those who have never received a dose, must have one (1) dose of Meningococcal (MenACWY) vaccine.
 - 06. Summary of Immunization Requirements.

101. COMPLIANCE.

The parent, custodian, or guardian of any student who is to attend any public, private, or parochial school in Idaho must comply with the provisions contained in this chapter at the time of admission and before attendance.

102. EVIDENCE OF IMMUNIZATION STATUS.

- **01. Immunization Record**. Within the deadlines established in Section 101 of these rules, a parent, custodian, or guardian of each student must present to school authorities an immunization record.
- **O2.** Schedule of Intended Immunizations Form. A student who has received at least one (1) dose of each required vaccine and is currently on schedule for subsequent immunizations may be conditionally admitted. School authorities, at the time of admission and before attendance, must have a schedule of intended immunizations form completed by a parent, custodian, or guardian for any student who is not immunized, excepted, or exempted, and who is in the process of receiving, or has been scheduled to receive, the required immunizations. A form provided by the Department, or one similar, must include the following information:
 - a. Name and date of birth of student; (
 - **b.** School and grade student is enrolled in and attending; ()
 - c. Types, numbers, and dates of scheduled immunizations to be administered; ()
 - **d.** Signature of the parent, custodian, or guardian; and ()
 - e. Signature of a licensed health care professional providing care to the student.
- **O3.** Students Admitted to School and Failing to Continue the Schedule of Intended Immunizations. A student, who does not receive the required immunizations as scheduled in Subsection 102.02 of this rule, will be excluded by school authorities until documentation of the administration of the required immunizations is provided to school authorities by the student's parent, custodian, or guardian.

103. -- 104. (RESERVED)

105. EXCEPTIONS TO IMMUNIZATION REQUIREMENT.

When supporting documentation is in the possession of school authorities at the time of admission and before attendance, a student who meets one (1) or both of the following conditions, will not be required to receive the

16.02.19 - IDAHO FOOD CODE

LEGAL AUTHORITY. The State of Idaho Board of Health and Welfare is authorized under Sections 37-121 and 39-1603, Idaho Code, to adopt rules for the regulation of food establishments to protect public health.. TITLE, SCOPE AND APPLICABILITY. 01. **Title**. These rules are titled IDAPA 16.02.19, "Idaho Food Code." 02. Scope. The purpose of these rules is to establish standards for the provision of safe, unadulterated and honestly presented food for consumption by the public. These rules provide requirements for licensing, inspections, review of plans, employee restriction, and license suspensions for food establishments and food processing plants. Also included are definitions and set standards for management, personnel, food operations, equipment and facilities. These Rules Apply to Food Establishments. Food establishments as defined in Section 39-1602, Idaho Code must follow these rules. Those facilities include but are not limited to the following: Restaurants, catering facilities, taverns, kiosks, vending facilities, commissaries, cafeterias, mobile food facilities, temporary food facilities; and Schools, senior centers, hospitals, residential care and treatment facilities, nursing homes, correctional facilities, camps, food banks, and church facilities; and Retail markets, meat, fish, delicatessen, bakery and supermarkets, convenience stores, health food stores, and neighborhood markets; and Food, water and beverage processing and bottling facilities that manufacture, process and distribute food, water and beverages within the state of Idaho, and are not inspected for food safety by a federal agency. 04. These Rules Do Not Apply to These Establishments. These rules do not apply to the following establishments as exempted in Idaho Code. Agricultural markets as exempted in Section 39-1602, Idaho Code. a. b. Bed-and-breakfast operations that prepare and offer food for breakfast only to guests. The number of guest beds must not exceed ten (10) beds as defined in Section 39-1602, Idaho Code. Day care facilities regulated by Sections 39-1101 through 39-1119, Idaho Code. c. d. Licensed outfitters and guides regulated by Sections 36-2101 through 36-2119, Idaho Code. Low-risk food establishments, as exempted in Section 39-1602, Idaho Code, which offer only nontime/temperature control for safety (non-TCS) foods. Farmers market vendors and roadside stands that only offer or sell non-time/temperature control for safety (non-TCS) foods or cottage foods. Non-profit charitable, fraternal, or benevolent organizations that do not prepare or serve food on a regular basis as exempted in Section 39-1602, Idaho Code. Food is not considered to be served on a regular basis if it is not served for more than five (5) consecutive days on no more than three (3) occasions per year for foods which are non-time/temperature control for safety (non-TCS). For all other food, it must not be served more than one (1) meal per week. Private homes where food is prepared or served for family consumption or receives catered or home-delivered food as exempted by Section 39-1602, Idaho Code. Cottage food operations, when the consumer is informed and must be provided contact information for the cottage food operations as follows:

101. -- 109. (RESERVED)

110. DEFINITIONS AND ABBREVIATIONS -- A THROUGH K.

The definitions defined in this section are modifications or additions to the definitions and terms provided in the 2013 Food Code.

- **01. Agricultural Market**. Any venue where a fixed or mobile retail food establishment can engage in the sale of raw or fresh fruits, vegetables, and nuts in the shell. It may also include the sale of factory sealed non-time/temperature control for safety foods (non-TCS). Agricultural market means the same as "farmers market" or "roadside stand."
- **02. Board**. The State of Idaho Board of Health and Welfare as established in Section 56-1005, Idaho Code.
- **03.** Commissary. A commissary is a place where food containers or supplies are stored, prepared, or packaged for transit, sale, or service at other locations.
- **04. Consent Order**. A consent order is an enforceable agreement between the regulatory authority and the license holder to correct violations that caused the actions taken by the regulatory authority.
- **05. Core Item.** Modifications to Section 1-201.10(B) by amending the term "core item" to mean the same as "non-critical item."
- **06.** Cottage Food Operation. A cottage food operation is when a person or business prepares or produces cottage food products in the home kitchen of that person's primary residence or other designated kitchen or location.
- **07. Cottage Food Product**. Cottage food products are non-time/temperature control for safety (non-TCS) foods that are sold directly to a consumer. Examples of cottage foods may include but are not limited to: baked goods, fruit jams and jellies, fruit pies, breads, cakes, pastries and cookies, candies and confections, dried fruits, dry herbs, seasonings and mixtures, cereals, trail mixes and granola, nuts, vinegar, popcorn and popcorn balls, and cotton candy.
 - **08.** Critical Item. A provision of this code that if in noncompliance, is more likely than other

Section 050 Page 1457

violations to contribute to food contamination, illness, or environmental health hazard. A critical item includes items with a quantifiable measure to show control of hazards such as but not limited to, cooking, reheating, cooling, and hand washing. Critical item means the same as "priority item." Critical item is an item that is denoted with a superscript (P), Department. The Idaho Department of Health and Welfare as established in Section 56-1002, 00 Idaho Code. **Director.** The Director of the Idaho Department of Health and Welfare as established in Section 56-1003, Idaho Code. Embargo. An action taken by the regulatory authority that places a food product or equipment used in food production on hold until a determination is made on the product's safety. Enforcement Inspection. An inspection conducted by the regulatory authority when compliance 12. with these rules by a food establishment is lacking and violations remain uncorrected after the first follow-up inspection to a routine inspection. Farmers Market. Any fixed or mobile retail food establishment at which farmer producers sell agricultural products directly to the general public. Farmers market means the same as "agricultural market" and "roadside stand." Food Establishment. Modifications to Section 1-201.10 amends the definition of 14. establishment" as follows: Delete Subparagraph 3(c) of the term "food establishment" in the 2013 Food Code; b. Add Subparagraph 3(h) to the term "food establishment" to clarify that a cottage food operation is not a food establishment. Food Processing Plant. Modification to Section 1-201.10 amends the definition of "food processing plant" by deleting Subparagraph 2 of the term "food processing plant" in the 2013 Food Code. Good Retail Practice. Good retail practice means the preventive measures that include practices and procedures that effectively control the introduction of pathogens, chemicals, and physical objects into food. **17.** High-Risk Food Establishment. A high-risk food establishment does the following operations: a. Extensive handling of raw ingredients; Preparation processes that include the cooking, cooling and reheating of time/temperature control for safety (TCS) foods; or A variety of processes requiring hot and cold holding of time/temperature control for safety (TCS)

18. Intermittent Food Establishment. An intermittent food establishment is a food vendor that operates for a period of time, not to exceed three (3) days per week, at a single, specified location in conjunction with a recurring event and that offers time/temperature control for safety (TCS) foods to the general public. Examples of a recurring event may be a farmers' or community market, or a holiday market. An intermittent food establishment does not include the vendor of farm fresh ungraded eggs at a recurring event

111. DEFINITIONS AND ABBREVIATIONS -- L THROUGH Z.

The definitions defined in this section are modifications or additions to the definitions and terms provided in the 2013 Food Code.

841.	INSPEC	CTION SCORES.		

The regulatory authority must provide the license holder an inspection report with a total score indicating the number of risk factor violations and the number of repeat risk factor violations added together. Repeat violations are those observed during the last inspection. The inspection report will also score the total number of good retail practice

Section 840 Page 1465 violations and the number of repeat good retail practice violations. These scores will be used to determine if a follow-up inspection or a written report of correction is needed to verify corrections have been made.

- **01. Medium-Risk Food Establishment**. If the risk factor violations exceed three (3), or good retail practice violations exceed eight (8), an on-site follow-up inspection is required for verification of correction by the regulatory authority.
- **02. High-Risk Food Establishment**. If the risk factor violations exceed five (5), or good retail practice violations exceed eight (8), an on-site follow-up inspection is required for verification of correction by the regulatory authority.
- **03. Written Violation Correction Report**. A written violation correction report by the license holder may be provided to the regulatory authority if the total inspection score of the food establishment does not exceed those listed in Section 845 of these rules. The report must be mailed within five (5) days of the correction date identified on the inspection report.

842. -- 844. (RESERVED)

845. VERIFICATION AND DOCUMENTATION OF CORRECTION.

In addition to Section 8-405.20 of the 2013 Food Code, the on-site follow-up inspection may not be required for verification of correction if the regulatory authority chooses to accept a written report of correction from the license holder.

- **01. Written Report of Correction**. The regulatory authority may choose to accept a written report of correction from the license holder stating that specific violations have been corrected. The license holder must submit this report to the regulatory authority within five (5) days after the correction date identified on the inspection report.
- **a.** Medium-risk food establishment. If the risk factor violations do not exceed three (3), or the good retail practice violations do not exceed six (6), a follow-up inspection is not required for verification of correction.
- **b.** High-risk food establishment. If the risk factor violations do not exceed five (5), or the good retail practice violations do not exceed eight (8), a follow-up inspection is not required for verification of correction.
- **02. Risk Control Plan.** The regulatory authority may require the development of a risk control plan as verification of correction. The risk control plan must provide documentation on how the license holder will obtain long term correction of critical violations that are repeated violations, including how control will be monitored and who will be responsible.

846. -- 849. (RESERVED)

850. ENFORCEMENT INSPECTIONS.

- **01. Follow-Up Inspection**. If a follow-up inspection reveals that critical, potentially-critical, or non-critical violations identified on a previous inspection have not been corrected or still exist, an enforcement inspection may be made.
- **02.** Written Notice. The license holder will receive written notice on the inspection form of the specific date for an enforcement inspection. This date must be within fifteen (15) days of the current or follow-up inspection.
- **03. Enforcement Inspections on Consent Order.** When a compliance conference results in a consent order and includes a compliance schedule to correct violations without further regulatory action, all inspections by the regulatory authority to satisfy the compliance schedule will be considered enforcement inspections until the next annual inspection.

g. Failure to comply with an embargo order. See Section 851 of these rules on adulterated of misbranded food.
h. Failure to comply with a regulatory authority order issued when an employee is suspected thaving a communicable disease. See Chapter 2 of the 2013 Food Code on employee health. (
Notice to Revoke a License . The regulatory authority must notify the license holder of the focestablishment in writing of the intended revocation of the license. See Section 861 of these rules for appeal process. The notice must include Subsections 860.02.a. through 860.02.c. of this rule:
a. The specific reasons and sections of the Idaho Food Code which are in violation and the cause for the revocation; and
b. The right of the license holder to request in writing a compliance conference with the regulator authority within fifteen (15) days of the notice; and
c. The right of the license holder to appeal in writing to the Department of Health and Welfare. Subsection 861.02 of these rules.
d. The following is sufficient notification of the license holder's appeal rights: "You have the right to request in writing a compliance conference with (name and address of designated health district official) within fifteen (15) days of the receipt of this notice. You may also appeal the revocation of your license to the Director of the Department of Health and Welfare by filing a written appeal with the Department as provided in IDAPA 16.05.03 "Contested Case Proceeding and Declaratory Rulings," within fifteen (15) days of the receipt of this notice, or if timely request is made for a compliance conference and the matter is not resolved by a consent order, within five (5) working days following the conclusion of the compliance conference."
of service of notice to the license holder, unless an appeal is filed or a timely request for a compliance conference made. If a compliance conference is requested and the matter is not resolved by a consent order, the revocation will be effective five (5) working days following the end of the conference, unless an appeal is filed with the Director of the Department of Health and Welfare within that time. See Section 861 of these rules for compliance conference consent order and appeal process.
861. APPEAL PROCESS. A license holder may appeal a summary suspension, notice of revocation, other action, or failure to act by the regulatory authority which adversely affects the license holder. A summary suspension or other emergency order not stayed during the appeal process.
01. Compliance Conference . The license holder may request in writing a compliance conference with the regulatory authority within fifteen (15) days of receipt of the notice or action by the regulatory authority. If

a. If the compliance conference results in an agreement between the license holder and the regulatory authority to remedy circumstances giving rise to the action and to assure future compliance, the agreement must be put in written form and signed by both parties. This written agreement constitutes an enforceable consent order.

timely request for a compliance conference is made, a compliance conference will be scheduled within twenty (20) days and conducted in an informal manner by the regulatory authority. At the compliance conference the license holder may explain the circumstances of the alleged violations and propose a resolution for the matter.

)

b. Unless the existing license only.	otherwise specifically stated in the consent order, the agreement will be for the duration of
of Health and Welfare w	It to the Director . 120. RECORD-KEEPING, LISTING, AND DELISTING A PROPERTY.

01. Listing a Property. Upon notification by a law enforcement agency, using the	Department
approved form, the Department will place the property on a Clandestine Drug Laboratory Site Proper	ty List. No
property may be listed unless the reporting law enforcement agency certifies, on the approved form, that	it it is more
likely than not that the property has been contaminated through use as a clandestine drug laboratory. The	list will be
publicly available online at: http://healthy.idaho.gov.	()

- **O2. Delisting a Property.** When a property is determined by a qualified industrial hygienist to meet the cleanup standard set forth by the Department in these rules, or the property owner submits documentation establishing that the property has been fully and lawfully demolished, the Department will issue the property owner a certificate of delisting. The certificate will include the date the property was listed as a clandestine drug laboratory site and the date the property was delisted.
- **03. Voluntary Compliance**. When a property owner voluntarily reports their property as a clandestine drug laboratory, the property will be placed on the Clandestine Drug Laboratory Site Property List and will be delisted when the requirements of these rules are met. This action will afford the property owner immunity from civil actions as provided in Section 6-2608, Idaho Code.

121. -- 199. (RESERVED)

200. RESPONSIBILITIES OF THE PROPERTY OWNER.

The owner of a listed property must:

4141

)

)

- **01. Ensure the Vacancy of the Listed Property**. Ensure the property remains vacant until the property is delisted in accordance with Section 120 of these rules; and
 - **O2.** Ensure That Cleanup Standards Are Met.
- **a.** Ensure that the property is cleaned up to meet the cleanup standards in Section 500 of these rules and have the analytical results certified by a qualified industrial hygienist; or
- **b.** Ensure that the property is demolished, in lieu of clean up, as provided for in Section 6-2606, Idaho Code. Demolition and removal of materials must be conducted in compliance with applicable local, state, and federal laws and regulations; and
- **03. Provide the Department With a Written Report**. Provide the Department with a written report in accordance with Section 600 of these rules.

201. RESPONSIBILITIES OF THE QUALIFIED INDUSTRIAL HYGIENIST.

- **01.** Conduct Sampling by Qualified Industrial Hygienist. A qualified industrial hygienist must conduct sampling in accordance with Section 400 of these rules and meet the reporting requirements under Section 600 of these rules.
- **02. Independent Qualified Industrial Hygienist**. To prevent any real or potential conflicts of interest, qualified industrial hygienists conducting the sampling must be independent of the company or entity conducting the cleanup or analysis or both.

202. DEPARTMENT LIST OF QUALIFIED INDUSTRIAL HYGIENISTS.

The Department will maintain a list of qualified industrial hygienists on their website is https://environmentalhealth.dhw.idaho.gov/Methamphetamine-ClandestineLabCleanup/tabid/183/Default.aspx.

203. -- 299. (RESERVED)

Section 120 Page 1474

300. CLEANUP PROCESS.

- **01.** Cleanup Options for the Property Owner. The property owner may choose to hire a cleanup contractor or conduct the cleanup himself in accordance with all applicable local, state, and federal laws and regulations. Cleanup must be conducted to reduce the concentration of methamphetamine to the standard specified in Section 500 of these rules.
- **Removal of Porous Materials from Property**. Porous materials must be removed from the property unless a qualified industrial hygienist certifies that the porous materials may remain on the property. An adequate coating or sealant can be applied to a porous surface as an acceptable cleanup method, if it meets the requirements under Subsection 500.02 of these rules.

301. DISPOSAL OF CLEANUP WASTE.

Waste disposal must be conducted in compliance with applicable local, state, and federal laws and regulations.

302. -- 399. (RESERVED)

400. CLEARANCE SAMPLING REQUIREMENTS.

- **01. Qualified Industrial Hygienist Required**. Sampling must be conducted by a qualified industrial hygienist to verify that cleanup standards have been met.
- **02.** General Sampling Procedures. Sample collection must be conducted according to the following minimum requirements:
- **a.** All sample locations must be photographed, and the photographs included in the final report required under Section 600 of these rules.
- **b.** All sample locations must be shown on a floor plan of the property, and the floor plan included in the final report required under Section 600 of these rules.
- **c.** All samples must be obtained, preserved, and handled in accordance with professional standards for the types of samples and analytical testing to be conducted under the chain of custody protocol. ()
- **d.** Samples must be analyzed by a laboratory certified by the U.S. Environmental Protection Agency or accredited by the American Industrial Hygiene Association laboratory accreditation program for the analyte being analyzed.
- **e.** All sampling locations must be numerically identified and the numbered sampling locations delineated on the floor plan, visible in photographs, and linked to samples.
- f. Standard three inch by three (3x3) inch gauze must be used for all sampling. The gauze must be wetted with analytical grade methanol or isopropanol. Each surface being sampled must be wiped at least five (5) times in two (2) perpendicular directions and the gauze turned onto itself throughout the wiping process.
- **g.** After sampling, the sample must be placed in a new, clean sample container and sealed with a Teflon-lined lid. The sample container must be properly labeled with at least the site or project identification number, date, time, and actual sample location. The sample container must be handled according to professional standards and conducted under the chain of custody protocol.
- h. Discrete sampling must be used in areas expected to have the highest levels of contamination, as identified on the Department approved form. A ten (10) centimeter by ten (10) centimeter area (one hundred square centimeters (100 cm²), or approximately sixteen (16) square inches) must be sampled from non-porous surfaces such as floors, walls, appliances, sinks, or countertops in each room. The sample area must be composed of no fewer than three (3) discrete samples.

Section 300 Page 1475

IDAHO ADMINISTRATIVE CODE Department of Health and Welfare

IDAPA 16.02.24 Clandestine Drug Laboratory Cleanup

i.	All other rooms of the property with lowest levels of contamination must be sampled using	one (1)
discrete sample p	per room.	()

j. A ten (10) centimeter by ten (10) centimeter area (one hundred square centimeters (100 cm²), or approximately sixteen (16) square inches) must be sampled from the ventilation system in a location to be determined by the qualified industrial hygienist.

401. -- 499. (RESERVED)

500. CLEANUP STANDARDS.

- 01. Cleanup Standard for Methamphetamine. A level of methamphetamine that does not exceed a concentration of point one (0.1) micrograms per one hundred (100) square centimeters $(0.1 \mu g/100 \text{ cm}^2)$ as demonstrated by clearance sampling conducted by a qualified industrial hygienist.
- 02. Cleanup Standard for a Porous Surface. If a porous surface has a level of methamphetamine that does not exceed a concentration of point five (0.5) micrograms per one hundred (100) square centimeters $(0.5 \,\mu\text{g}/100 \,\text{cm}^2)$ as demonstrated by clearance sampling conducted by a qualified industrial hygienist, an adequate coating or sealant appropriate to the material can be used as a method to meet the cleanup standard under Subsection 500.01 of this rule.
- **03. Other Cleanup Standards**. Standards may be established for the cleanup of other controlled substances found in clandestine drug laboratories on a case by case basis, based on an inventory of chemicals found, and after consultation with the Department, the property owner, law enforcement, and a qualified industrial hygienist.

501. -- 599. (RESERVED)

600. REPORTING REQUIREMENTS.

In order for the property to be delisted, the property owner must provide the Department with an original or certified copy of the final report from the qualified industrial hygienist. The final report must include at least the following information:

()

- **01. Property Description**. The property description including physical street address (apartment or motel number, if applicable), city, zip code, legal description, ownership, and number and type of structures present.
- **O2. Documentation of Clearance Sampling Procedures**. Documentation of sampling procedures in accordance with the requirements under Section 400 of these rules.
 - **03. Laboratory Results.** Analytical results from a laboratory as specified in Section 400 of these rules.
- **Qualifications of the Qualified Industrial Hygienist**. Qualified industrial hygienist statement of qualifications, including professional certification or documentation.
- **05. Signed Certification Statement**. A signed certification statement as stating: "I certify that the cleanup standard established by the Idaho Department of Health and Welfare has been met as evidenced by testing I conducted."
- **06. Demolition Documentation**. If the property owner chooses to demolish the property, documentation must be provided to the Department showing that the structure was completely and lawfully demolished and disposed of in compliance with local, state, and federal laws and regulations.

APPLICATION REQUIREMENTS (Sections 100-199)

100. PARTICIPANT RIGHTS.

The participant has rights protected by federal and state laws and Department rules. The Department must inform participants of the following rights during the application process and eligibility reviews.

- **01. Right to Apply**. Any person has the right to apply for any Health Care Assistance program. Applications may be submitted by paper, electronically, fax, or telephonically. Application information must be in a form or format provided by the Department.
- **02. Right to Hearing**. Any participant can request a hearing to contest a Department or Health Insurance Exchange or Marketplace decision under the provisions in IDAPA 16.05.03, "Contested Case Proceedings and Declaratory Ruling."
- **03. Right to Request Reinstatement of Benefits.** Any participant has the right to request reinstatement of benefits until a hearing decision is made if the request for the reinstatement is made before the effective date of the action taken on the notice of decision. Reinstatement pending a hearing decision is not provided in the case of an application denied because an individual did not provide citizenship or identity documentation during a reasonable opportunity period allowed by the Department.

101. -- 110. (RESERVED)

111. SIGNATURES.

An individual who is applying for benefits, receiving benefits, or providing additional information as required by this chapter, may do so with the depiction of the individual's name either handwritten, electronic, or recorded telephonically. Such signature serves as intention to execute or adopt the sound, symbol, or process for the purpose of signing the related record.

112. -- 129. (RESERVED)

130. APPLICATION TIME LIMITS.

Each application must be processed as close to real time as practicable, but not longer than forty-five (45) days, from the date of application, unless prevented by events beyond the Department's control.

131. -- 139. (RESERVED)

140. ELIGIBILITY EFFECTIVE DATES.

Title XIX and Title XXI coverage begins the first day of the application month. Coverage for a newborn is effective the date of birth.

141. -- 149. (RESERVED)

150. RETROACTIVE MEDICAL ASSISTANCE ELIGIBILITY.

Title XIX and Title XXI can begin up to three (3) calendar months before the application month if the participant is eligible during the prior period. Coverage is provided if services that can be paid by Medicaid were received in the prior period.

151. -- 199. (RESERVED)

NON-FINANCIAL REQUIREMENTS (Sections 200-299)

200. NON-FINANCIAL CRITERIA FOR DETERMINING ELIGIBILITY.

Non-financial criteria are conditions of eligibility, other than income, that must be met before Health Care Assistance can be authorized.

Section 100 Page 1480

201. -- 209. (RESERVED)

210.	RESIDENCY	
ZIV.	KESIDENCY.	

The participant must live in Idaho and have no immediate intention of leaving, including an individual who has entered the state to look for work, or who has no permanent, fixed address.

211. -- 219. (RESERVED)

220. U.S. CITIZENSHIP VERIFICATION.

- **01.** Citizenship Verified. Citizenship must be verified through electronic means when available. If an electronic verification is not immediately obtainable, the Department may request documentation from the applicant. The Department will not deny the application for Health Coverage until the applicant has had a reasonable opportunity period to obtain and provide the necessary proof of U. S. citizenship.
- **O2.** Benefits During Reasonable Opportunity Period. Benefits are provided during the reasonable opportunity period that is provided to allow the applicant time to obtain and provide documentation to verify U.S. citizenship. No overpayment exists for the reasonable opportunity period if the applicant does not provide necessary documentation during the reasonable opportunity period so that the application results in denial.

221. U.S. CITIZENSHIP AND QUALIFIED NON-CITIZEN REQUIREMENTS.

To be eligible, an individual must be a lawfully present member of one (1) of the following groups: (

- **01.** U.S. Citizen. A U.S. Citizen or a "national of the United States."
- **02. Child Born Outside the U.S.** A child born outside the U.S., as defined in Public Law 106-395, is considered a citizen if all of the following conditions are met:
- **a.** At least one (1) parent is a U.S. Citizen. The parent can be a citizen by birth or naturalization. This includes an adoptive parent;
- **b.** The child is residing permanently in the U.S. in the legal and physical custody of a parent who is a U.S. Citizen, and the child does not have IR-4 status;
 - c. The child is under eighteen (18) years of age; (18)
 - **d.** The child is a lawful permanent resident; and
- e. If the child is an adoptive child, the child was residing in the U.S. at the time the parent was naturalized and was in the legal and physical custody of the adoptive parent.
- **03. Full-Time Active Duty U.S. Armed Forces Member**. A qualified non-citizen as defined in 8 U.S.C. 1641(b) or (c) who is currently on full-time active duty with the U.S. Army, U.S. Air Force, U.S. Marine Corps, U.S. Navy or U.S. Coast Guard, or a spouse or unmarried dependent child of the U.S. Armed Forces member.
- **04. Veteran of the U.S. Armed Forces.** A qualified non-citizen as defined in 8 U.S.C. 1641(b) or (c) who was honorably discharged from the U.S. Army, U.S. Air Force, U.S. Marine Corps, U.S. Navy, or U.S. Coast Guard for a reason other than their citizenship status, or a spouse, including a surviving spouse who has not remarried, or an unmarried dependent child of the veteran.
- **05.** Non-Citizen Entering the U.S. Before August 22, 1996. A non-citizen who entered the U.S. before August 22, 1996, who is currently a qualified non-citizen as defined in 8 U.S.C. 1641(b) or (c), who remained continuously present in the U.S. until he became a qualified non-citizen.
 - **06.** Non-Citizen Entering on or After August 22, 1996. A non-citizen who entered the U.S. on or

346. DETERMINING INCOME ELIGIBILITY.

Financial eligibility for Medicaid applicants must be based on calculated monthly household income and household size. Eligibility for Health Care Assistance is determined by comparing the individual's calculated income against the

Section 301 Page 1489

IDAHO ADMINISTRATIVE CODE Department of Health and Welfare

IDAPA 16.03.01 Health Care Assistance for Families & Children

income limit.

347. EARNED INCOME.

Earned income is derived from labor or active participation in a business. Earned income includes taxable wages, tips, salary, commissions, bonuses, self-employment and any other type of income defined as earnings by the Internal Revenue Service (IRS). Earned income is counted as income when it is received, or would have been received except for the decision of the participant to postpone receipt. Earnings over a period of time and paid at one (1) time, such as the sale of farm crops, livestock, or poultry are annualized and IRS allowable self-employment expenses deducted.

348. DEPENDENT CHILD'S EARNED INCOME.

A dependent child's earned income is excluded, unless the child is required to file a tax return based on his own income.

349. (**RESERVED**)

350. IN-KIND INCOME.

An individual who receives a service, benefit, or durable goods instead of wages is earning in-kind income. In-kind income is excluded.

351. SELF-EMPLOYMENT EARNED INCOME.

Income from self-employment is treated as earned income. Calculated self-employment income is the taxable self-employment income after gross receipts and the IRS allowable costs of producing the self-employment income, when the self-employment is expected to continue as provided in Title 26, U.S.C.

352. -- 369. (RESERVED)

370. UNEARNED INCOME.

Unearned income is any income the individual receives that is not gained through employment. Unearned income is not excluded income if it is taxable.

371. – 383. (RESERVED)

384. LUMP SUM INCOME.

A non-recurring lump sum payment is income in the month the lump sum is received. Lump sum income is a retroactive monthly benefit or a windfall payment. The lump sum may be earned or unearned income that is paid in a single sum. Lump sum income includes retirement, survivors, and disability insurance (RSDI), severance pay, disability insurance, and lottery winnings.

385. -- 387. (RESERVED)

388. DEPENDENT CHILD'S UNEARNED INCOME.

A child's unearned income is countable towards his household's eligibility, only when the child must file a tax return based on his own income.

389. -- 394. (RESERVED)

DISREGARDS (Section 395-399)

395. INCOME DISREGARDS.

A standard disregard in the amount of five percent (5%) of Federal Poverty Guidelines (FPG) by family size is applied to the calculated income of an individual in those situations where the application of the disregard is necessary in order for the individual to be eligible for the highest income limit Health Care coverage for which they may be eligible.

419. TRANSITIONAL MEDICAID FOR ADULTS.

Participants who no longer qualify for Medicaid due to an increase in earned income or working hours are eligible for an additional twelve (12) months of Medicaid. Participants must have been eligible for Medicaid during at least three (3) of the six (6) months immediately preceding the month in which the participant became ineligible.

420. EXTENDED MEDICAID FOR SPOUSAL SUPPORT INCREASE.

Participants are eligible for four (4) calendar months of Extended Medicaid if an increase in the participant's spousal support causes them to exceed the income limit for their household budget unit size. The participant must have received Medicaid in Idaho in at least three (3) of the six (6) months before the month the participant became income ineligible.

421. PREGNANT WOMAN INELIGIBLE BECAUSE OF EXCESS INCOME.

A pregnant woman who receives health care assistance and becomes ineligible because of an increase in income will continue to receive coverage through the end of the month in which the sixtieth day of her postpartum period falls.

422. -- **519.** (RESERVED)

HEALTH COVERAGE FOR CHILDREN (Sections 520-529)

520. FINANCIAL ELIGIBILITY.

Children are eligible for Health Care Assistance when the household's total MAGI-Based income minus a standard disregard in the amount of five percent (5%) of Federal Poverty Guidelines (FPG) by family size is less than or equal to the applicable income limit for the age of the child.

01. Title XIX Income Limit. For children age zero (0) to six (6), Title XIX income limit is one hundred forty-two percent (142%) of the FPG for the household size. For children age six (6) through age eighteen (18) the income limit is one hundred thirty three percent (133%) of the FPG for the household size.

16.03.04 - IDAHO FOOD STAMP PROGRAM

LEGAL AUTHORITY. The Idaho Legislature has granted the Department of Health and Welfare authority to enter into contracts and agreements with the Federal government to carry out the purposes of any Federal acts pertaining to public assistance or welfare services. The Department of Health and Welfare has authority to make rules governing the administration and management of the Department's business, pursuant to Sections 56-203, Idaho Code. 001. TITLE, SCOPE, AND PURPOSE. 01. **Title.** These rules are titled IDAPA 16.03.04 "Idaho Food Stamp Program." Scope. These rules contain the requirements for application and the eligibility criteria to receive benefits in the Food Stamp Program. These rules are administered by the Department of Health and Welfare for the United States Department of Agriculture. Purpose. The purpose of these rules is to raise the nutritional level among low-income households whose limited food purchasing power contributes to hunger and malnutrition among members of such households. These rules also provide the regulatory basis for that procedure. 002. -- 007. (RESERVED) 008. AUDIT, INVESTIGATION AND ENFORCEMENT. In addition to any actions specified in these rules, the Department may audit, investigate and take enforcement action under the provisions of IDAPA 16.05.07, "Investigation and Enforcement of Fraud, Abuse or Misconduct." 009. (RESERVED) 010. **DEFINITIONS A THROUGH D.** For the Food Stamp Program, the following definitions apply: Adequate Notice. Notice a household must receive on or before the first day of the month an action by the Department is effective. Administrative Error Claim. A claim resulting from an overissuance caused by the Department's action or failure to act. Aid to the Aged, Blind and Disabled (AABD). Cash, excluding in-kind assistance, financed by federal, state or local government and provided to cover living expenses or other basic needs. 04. **Applicant**. A person applying for Food Stamps. Application for Participation. The application form filed by the head of the household or authorized representative. Application for Recertification. When a household applies for recertification within thirty (30) days of the end of the certification period, it is considered an application for recertification even if a partial month of benefits is received. Authorized Representative. A person designated by the household to act on behalf of the household to apply for or receive and use Food Stamps. Authorized representatives include private nonprofit organizations or institutions conducting a drug addiction or alcoholic treatment and rehabilitation center acting for center residents. Authorized representatives include group living arrangement centers acting for center residents. Authorized representatives include battered women's and children's shelters acting for the shelters' residents. Homeless meal providers may not be authorized representatives for homeless Food Stamp recipients. Battered Women and Children's Shelter. A shelter for battered women and children which is a

09. Boarder. Any person or group to whom a household, other than a commercial boarding house, furnishes meals and lodging in exchange for an amount equal to or greater than the thrifty food plan. Children,

public or private nonprofit residential facility. If the facility serves others, a portion of the facility must be set aside on

	y for Foo	CATION. d Stamps, the household or an authorized representative must complete and file the application Department and verify information. There is no age requirement for applicants. Application		

APPLICATION FORMS.

eligible households back to the date of application.

Households can file an application the first day they contact the Department. The Department will have Application for Assistance (AFA) (HW 0901) forms readily available to households.

bring anyone to the interview. The Department will act on all applications. The Department will grant Food Stamps to

Expectation. The household must turn in page one (1) of the AFA to file for Food Stamps. The Department will provide an AFA to any person making a request. Requests for the application can be made by

Section 099 Page 1538 telephone, in person or by another person. The Department will mail or give the AFA to the person on the day requested.

02. Explanation of Application Process. The Department will provide a written statement telling what the household must do to complete the application process. The statement will identify sources of the proof needed to complete the application process.

102. (RESERVED)

103. FILING AN APPLICATION.

The AFA must contain the applicant's name, address, signature and application date. A household can file for Food Stamps by turning in page one of the AFA to the Food Stamp office. This protects the application date. If the household is eligible, Food Stamps for the first month will be prorated from the application date. The AFA can be submitted at the Field Office by the household or authorized representative. The AFA can be submitted by mail.

104. -- 105. (RESERVED)

106. DETERMINATION OF WHEN A NEW APPLICATION FOR ASSISTANCE (AFA) IS REQUIRED.

The Department must follow the procedure outlined in 7 CFR 273.2(g) and (h) in determining when a food stamp household is required to fill out a new application for assistance (AFA).

107. -- 112. (RESERVED)

113. HOUSEHOLD COOPERATION.

The household must cooperate with the Department. The application must be denied if the household refuses to cooperate. Refusal to cooperate includes failing to act without a sound and timely excuse. Giving false information on purpose is failure to cooperate. The Department must show false information was given on purpose before denying the application. The household is ineligible if it refuses to cooperate in a six-month or twelve-month contact, recertification, program review or evaluation. If an application is denied or Food Stamps are stopped for refusal to cooperate, the household can reapply. The household is not eligible until it cooperates with the Department.

114. APPLICATION WITHDRAWAL.

Households can withdraw their application any time before the eligibility decision. The Department will document the withdrawal reason in the case record and whether the household was contacted to confirm the withdrawal. The Department will tell the household of the right to reapply.

115. AUTHORIZED REPRESENTATIVE.

The household can choose a nonhousehold member to act as an authorized representative. The household can designate in writing another responsible household member or a responsible adult outside the household as an authorized representative. An adult employee, of an authorized drug addiction or alcoholic treatment and rehabilitation center or an authorized group living arrangement center, may act as an authorized representative for the household. Conditions for an authorized representative are:

- **O1. Designating Authorized Representative.** When household members cannot apply for, receive or use Food Stamps, the household can choose an authorized representative. The household must appoint the authorized representative in writing. The authorized representative should be aware of household circumstances. The household should prepare or review the AFA when the authorized representative will be interviewed.
- **02. Persons Who Cannot Be an Authorized Representative**. Persons with a conflict of interest may not act as an authorized representative without the Department's written approval. The Field Office supervisor must determine if no one else is available and give written approval. Persons with a conflict of interest are listed below:

a.	Retailers allowed to accept Food Stamps.	()
----	--	---	---

Section 103 Page 1539

b.	Department employees involved in the certification or issuance process.	()	
c. member and no o	A person disqualified for IPV during the penalty period, unless he is the only adult hone else is available.	ouseh (old)	
d.	Homeless meal providers.	()	
03.	Department Responsibilities. The Department will:	()	
a.	Make sure authorized representatives are properly selected.	()	
b.	Record the representative's name in the case record.	()	
c.	Not place limits on the number of households a representative may represent.	()	
d. Inform the household it will be liable for any overissuance resulting from wrong information by the representative.				
e.	Make sure the household freely requested the representative.	()	
f.	Make sure the household is getting the correct amount of benefits.	()	
g.	Make sure the representative is properly using the Food Stamps.	()	
O4. Authorized Representative Removed. The Department may remove an authorized representative for up to one (1) year if the person knowingly distorts a household's circumstances, gives false information, or improperly uses the Food Stamps. This provision does not apply to drug and alcohol centers and group homes. Written notice must be sent to the household and the authorized representative thirty (30) days before the penalty begins. The notice must list:				
a.	The proposed action.	()	
b.	The reason for the action.	()	
с.	The right to a fair hearing.	()	
d.	The name and telephone number to contact for more information.	()	
05. an authorized rep	Contingency Designation . A household member able to apply for and get Food Stamps or resentative, in writing, in case the household becomes unable to use Food Stamps.	an na	me)	
representative. The	Emergency Designation . The household may choose an emergency authorized represent mstances arise. Twelve Months. The interview must be every twelve (12) months for all other households.

121. -- 132. (RESERVED)

133. VERIFICATION.

The Department must have verification to support the benefit determination. Verification is third party data or documents used to prove the accuracy of AFA information. The Department must give the applicant household a clear written statement of the proof to bring to the interview. The statement will indicate the Department will help the household get proof if needed. The Department must give the household ten (10) calendar days from the request date to provide proof. Proof can be provided in person, by mail or by an authorized representative. If the proof supplied is faulty, not complete or not consistent, the Department can require further proof. The Department must notify the household of any other steps necessary to complete the application process.

134. (RESERVED)

135. SOURCES OF VERIFICATION.

The following sources of verification must be considered:

- **01. Written Confirmation**. A primary source of proof is written confirmation of circumstances. Written proof includes driver's licenses, work or school identification, birth certificates, wage stubs, award letters, court orders, divorce decrees, separation agreements, insurance policies, rent receipts and utility bills. Acceptable proof is not limited to a single document. Proof can be obtained from the household or other sources. Secondary sources of proof must be used to verify a household's circumstances if the primary source cannot be obtained or does not prove eligibility or benefit level.
- **02.** Collateral Contacts. A collateral contact is an oral confirmation of a household's circumstances by a person outside of the household. The collateral contact may be made either in person or over the telephone.
- **03.** Automated System Data. Information that is obtained through interfacing with other government agency computer systems.

136. (RESERVED)

137. PROOF FOR OUESTIONABLE INFORMATION.

Prior to the certification, a six-month or twelve-month contact, or recertification of the household, the Department must verify all questionable information regarding eligibility and benefit level. Proof is required when details are not consistent with information received by the Department. Proof may be obtained either verbally or in writing.

138. PROVIDING PROOF TO SUPPORT APPLICATION STATEMENTS.

The household has primary responsibility to provide proof supporting its statements on the application. The household has primary responsibility to resolve any questionable information. The Department must assist the household in obtaining proof. Households may supply proof in person, through the mail, by facsimile or other electronic device, or through an authorized representative. The Department will not require the household to present proof in person.

139. -- 141. (RESERVED)

142. PROCESSING STANDARDS.

The Department will determine Food Stamp eligibility within thirty (30) days of the application date. The application date is the day the AFA is received and date stamped by the Field Office. The application date for a person released from a public institution is the release date, if the person applied for Food Stamps before his release. The AFA must contain at least the applicant's name and address. The AFA must be signed by a responsible household member or representative.

Section 133 Page 1541

143. -- 145. (RESERVED) DENIAL OF FOOD STAMP APPLICATION. The Department will deny the Food Stamp application under conditions listed below. The Department will send the household notice of denial. Household Ineligible. The Department will deny the application for ineligible households as soon as possible, but not later than thirty (30) calendar days following the application date. Household Fails to Appear for Interview. If the household fails to appear for an interview, and fails to contact the Department, the application will be denied thirty (30) calendar days after the application date. Household Does Not Provide Proof After Interview. If the household did not provide requested 03. proof after an interview or later request, the Department will deny the application ten (10) calendar days after the request for proof. CASE ACTION AFTER DELAY CAUSED BY HOUSEHOLD. The Department must follow the procedure outlined in 7 CFR 273.2(g) and (h) in determining the appropriate action to take on food stamp benefits when the household has delayed completing the application process. DELAYS IN PROCESSING CAUSED BY THE DEPARTMENT. A processing delay exists when the Department does not determine Food Stamp eligibility within thirty (30) days of application. The Department will determine the cause of the delay. Delays caused by the Department are: No Application Help. The Department did not offer or try to offer help to complete the application. 01. 02. Work Registration. a. The Department did not register household members for work. The Department did not inform the household of the need to register for work. b. The Department did not give the household ten (10) days from the notice date to register for work. c. Application Forms Mailed Late. Application forms were requested in writing or by telephone. The Department did not mail the application forms the same day the household made the request.

149. (RESERVED)

04. the missing proof.

150. DELAYS OVER SIXTY DAYS.

If the Department caused the delay, the Department will process the original application until an eligibility decision is made. The original application must be used even if the second thirty (30) day period has passed. If the household is found eligible and the delay was the Department's fault during the first thirty (30) days, provide Food Stamps back to the application date. If the household is found eligible and the delay was the household's fault during the first thirty (30) days and the Department's fault during the second thirty (30) days, issue Food Stamps for the month after the application month. If the household is at fault for the first and second thirty (30) day delay, deny the application. A new application is required.

Proof. The Department did not allow the household ten (10) days from the notice date to provide

151. -- 154. (RESERVED)

155. EXPEDITED SERVICE ELIGIBILITY.

Applicants must be screened to determine if the household is entitled to expedited service. The household must meet one (1) of the expedited service criteria below. The household must have provided proof postponed by the last expedited service or have been certified under the normal standards since the last expedited service. ()

- **01. Low Income and Resources**. To receive expedited services the household's monthly countable gross income must be less than one hundred fifty dollars (\$150) and the household's liquid resources must not exceed one hundred dollars (\$100).
- **02. Destitute**. To receive destitute expedited services the household must be a destitute migrant or seasonal farmworker household. The household's liquid resources must not exceed one hundred dollars (\$100).
- **03. Income Less Than Rent and Utilities.** The household's combined monthly gross income and liquid resources are less than their monthly rent, or mortgage, and utilities cost. ()

156. TIME LIMITS FOR EXPEDITED FOOD STAMPS.

Time limits for acting on expedited Food Stamp applications are listed below:

- **O1. Seven Day Limit for Food Stamps**. For households entitled to expedited service, the Department will provide Food Stamps to the household within seven (7) days of the application date.
- **O2. Seven Days After Discovery.** If not discovered at initial screening, the Department will provide expedited services to an expedite eligible household within seven (7) days. Seven (7) days begins the day after the Department finds the household is entitled to expedited service.
- **O3. Seven Days for Waived Interview.** The Department will provide expedited services within seven (7) days for households entitled to an office interview waiver. Seven (7) days is counted from the application date. If a telephone interview is conducted, the AFA must be mailed to the household for signature. The mailing time must not be included in the seven (7) days. Mailing time includes the days the AFA is in the mail to and from the household. Mailing time includes the days the AFA is at the household pending signature and mailing.
- **04. Treatment Centers.** For residents of drug addiction or alcoholic treatment centers, Food Stamps must be provided within seven (7) days of the application date.
- **05. Shelter Residents**. For residents of shelters for battered women and children, Food Stamps must be provided within seven (7) days of the application date.

157. EXPEDITED FOOD STAMP WORK REGISTRATION.

The applicant must complete work registration unless he is exempt or has a representative register him. Other non-exempt household members must register if the registration can be done in seven (7) days.

158. EXPEDITED VERIFICATION.

The Department will verify the applicant's identity through readily available proof or a collateral contact. Proof may include identification such as a driver's license, birth certificate or voter registration card. The Department will try to get proof so that benefits can be issued within seven (7) days of the application date. Expedited Food Stamps must not be delayed beyond seven (7) days for proof other than identity. Other proof can be postponed to issue expedited Food Stamps.

159. (RESERVED)

160. EXPEDITED CERTIFICATION.

If all required proof is provided for expedited certification, a normal certification period is assigned. Certification based on application date, household type and proof is listed below:

01. Nonmigrant Household Applying from the First Through the Fifteenth of the Month. For a non-migrant household applying from the first through the fifteenth of the month, if proof of eligibility factors is

Section 155 Page 1543

postponed, assign a normal certification period. Issue the first month's benefits. Do not issue the second month's benefits until the postponed proof is received. When proof is postponed the household has thirty (30) days from the application date to provide the proof. The household must be given timely and adequate notice no further benefits will be issued until proof is completed. If the proof results in changes in the household's Food Stamps, the Department will act on the changes without advance notice. If postponed proof is provided before the second month, process an issuance for the first working day of the second month. If proof is provided in the second month, issue benefits within seven (7) calendar days from the date the proof is received. If postponed proof is not provided within thirty (30) days from the application date, close the case.

- **Nonmigrant Household Applying from the Sixteenth Through the End of the Month.** For a non-migrant household applying from the sixteenth to the end of the month, if proof of eligibility factors is postponed, assign a normal certification period. Issue the first and second month's benefits within the expedited time frame. When proof is postponed the household has thirty (30) days from the application date to complete the proof. The household must be given timely and adequate notice no further benefits will be issued until proof is completed. If the proof results in changes in the household's Food Stamps, the Department will act on the changes without advance notice. If postponed proof is provided within thirty (30) days, process an issuance for the first working day of the third month. If postponed proof is not provided within thirty (30) days from the application date, close the case.
- 03. Migrant Household Applying from the First Through the Fifteenth of the Month. For a migrant household applying from the first (1st) through the fifteenth (15th) of the month, if proof of eligibility factors is postponed, assign a normal certification period. Issue the first month's benefits. When proof is postponed the household has thirty (30) days from the application date to complete in-state proof. The household has sixty (60) days from the application date to complete out-of-state proof. The household must be given adequate and timely notice no further benefits will be issued until the postponed proof is completed. Before the second month's benefits are issued, the household must provide all in-state postponed proofs. Before the third month's benefits are issued, the household must provide all out-of-state postponed proof. If the proofs result in changes in the household's Food Stamps the Department will act on these changes, without providing advance notice. Migrants are entitled to postponed out-of-state proof only once each season. If postponed in-state proof is provided before the second month, process an issuance for the first working day of the second month. If postponed out-of-state proof is provided before the third month, process a regular issuance for the third month. If postponed out-of-state proof is provided in the third month, issue benefits within seven (7) calendar days from the date proof is received. If postponed in-state proof is not provided within thirty (30) days from the application date, close the case. If postponed out-of-state proof is not provided within sixty (60) days from the application date, close the case.
- Migrant Household Applying from the Sixteenth Through the End of the Month. For a migrant household applying from the Sixteenth to the end of the month, if proof of eligibility factors is postponed, assign a normal certification period. Issue the first and second months' benefits within the expedited time frame. When proof is postponed the household has thirty (30) days from the application date to provide in-state proof. The household has sixty (60) days from the application date to provide out-of-state proof is completed. Before the third month's benefits are issued, the household must provide all in-state and out-of-state postponed proofs. If the proofs result in changes in the household's Food Stamps the Department will act on these changes without providing advance notice. Migrants are entitled to postponed out-of-state proof only once each season. If postponed proof is provided before the third month, process a regular issuance for the third month. If postponed out-of-state proof is provided in the third month, issue benefits within seven (7) calendar days from the date proof is received. If postponed in-state proof is not provided within thirty (30) days from the application date, close the case. If postponed out-of-state proof is not provided within sixty (60) days from the application date, close the case.
- **05. Reapplying Household.** When a household granted postponed proof at the last expedited certification reapplies, it must provide the postponed proof. The Department does not require postponed proof if the household was certified under normal standards since the last expedited certification.

161. NO LIMIT TO EXPEDITED CERTIFICATIONS.

There is no limit to the number of times a household can receive expedited certification. The household must provide proof postponed at the last expedited certification. The Department does not require postponed proof if the household was certified under normal standards since the last expedited certification.

162. EXPEDITED SERVICES FOR DESTITUTE HOUSEHOLDS.

Migrant or seasonal farmworker households meeting destitute conditions below can get expedited services. The rules for destitute households apply at initial application, the six-month or twelve-month contact, and recertification, but only for the first month of each contact or certification period.

- **01. Terminated Source of Income**. The household's only income for the application month was received before the application date and was from a terminated source. The household is considered destitute. Terminated income is income received monthly or more often, no longer received from the same source the rest of the application month or the next month or income received less often than monthly, not expected in the month the next regular payment is normally due.
- **New Income in Application Month.** When only new income is expected in the application month, the household is considered destitute. Only twenty-five dollars (\$25), or less, of new income can be received in the ten (10) days after the application date. Income is new if twenty-five dollars (\$25), or less, is received during the thirty (30) days before the application date. New income received less often than monthly was not received in the last normal payment interval or was twenty-five dollars (\$25) or less.
- **03. Terminated Income and New Income in Application Month.** Destitute households can get terminated income before the application date and new income before and after the application date. New income must not be received for ten (10) days after application and must not exceed twenty-five dollars (\$25). The household must get no other income in the application month.
- **04. Application Month.** For the application month, count only income received between the first day of the month and the application date. Do not count income from a new source expected after the application date.

163. SPECIAL CONSIDERATION OF INCOME FOR DESTITUTE HOUSEHOLDS.

Special consideration of income for destitute households is listed below. The rules for destitute households apply at initial application, a six-month or twelve-month contact, and recertification, but only for the first month of each contact or certification period.

- **01. Travel Advances.** For destitute eligibility and benefit level, travel advances apply as follows: Travel advances from employers for travel costs to a new employment location are excluded. Travel advances against future wages are counted as income, but not a new source of income.
- **02. Household Member Changes Job.** A person changing jobs with the same employer is still getting income from the same source. A migrant's income source is the grower, not the crew chief. When a migrant moves with a crew chief from one (1) grower to another, the income from the first grower is ended. The income from the next grower is new income.
- **03.** Recertification or Six-Month or Twelve-Month Contact. Disregard income from the new source for the first month of the new certification period if more than twenty-five dollars (\$25) will not be received by the tenth calendar day after the normal issuance.

164. DENIAL OF EXPEDITED SERVICE.

The Department will deny expedited service if the household does not meet expedite criteria. The Department will deny expedited service if the household fails to cooperate in the application process. Failure to cooperate includes missing a scheduled expedited service appointment. The Department will still process the application under standard methods.

165. CONTESTING DENIED EXPEDITED SERVICE.

The Department will offer an agency conference to a household contesting denial of expedited services. The Department will tell households they can request an agency conference. The Department will tell a household an agency conference will not delay or replace a fair hearing. Migrant farmworker households and households planning to move are entitled to expedited fair hearings.

166. -- 176. (RESERVED)

177. FOOD STAMPS FOR TAFI OR AABD HOUSEHOLDS.

The Department will tell TAFI or AABD applicants they can apply for Food Stamps when they apply for TAFI or AABD. Households, applying for TAFI or AABD and Food Stamps at the same time, must complete an application for TAFI or AABD and Food Stamps. Households may be eligible for an out-of-office interview. The Food Stamps must be issued by Food Stamp rules. The Department will tell Food Stamp households, applying for TAFI, that TAFI time limits and requirements do not apply to the Food Stamp program. Households no longer receiving TAFI may still be eligible for Food Stamps.

178. CATEGORICALLY ELIGIBLE HOUSEHOLDS.

Households with all members meeting one (1) of the criteria below are categorically eligible for Food Stamps. The Department will not compute resource eligibility. The Department will not compute gross or net income eligibility. Categorically eligible households must meet all other Food Stamp eligibility criteria. Categorically eligible households have the same rights as other households.

- **01.** Cash Benefits. All household members are approved for, or already receive, TAFI or AABD or SSI cash benefits. The household is categorically eligible.
- **02. Benefits Recouped**. All household members have AABD or SSI benefits being recouped. The household is categorically eligible.
- **03. Grant Less Than Ten Dollars.** All household members not receiving TAFI or AABD or SSI because their grant is less than ten dollars (\$10). The household is categorically eligible.

179. HOUSEHOLDS NOT CATEGORICALLY ELIGIBLE.

The households listed below are not categorically eligible for Food Stamps.

- **01. Medicaid Only**. Households are not categorically eligible if any household member receives Medicaid benefits only.
- **02. IPV**. Households are not categorically eligible, if any household member is disqualified for a Food Stamp Intentional Program Violation (IPV).
- **03. Work Requirements**. Households are not categorically eligible, if any household member fails to comply with the Food Stamp work requirements.
- **04. Ineligible Legal Non-Citizen or Student**. Households are not categorically eligible if any member is an ineligible legal non-citizen or ineligible student. ()
- **Nonexempt Institution**. Households are not categorically eligible if any member is a person living in a nonexempt institution.

180. CATEGORICAL ELIGIBILITY ENDS.

Categorical eligibility ends when the household member is no longer eligible for TAFI, AABD or SSI. If the household is still eligible under Food Stamp rules, the household will continue to receive Food Stamps. If categorical eligibility ends and household income or resources exceed the Food Stamp limits, the household is no longer eligible for Food Stamps. Food Stamps will stop after timely advance notice.

181. BROAD BASED CATEGORICALLY ELIGIBLE HOUSEHOLD EXCEPTIONS.

If a household contains any of the following members, the household is not eligible under Broad Based Categorical Eligibility.

- **11. IPV.** Any household member is disqualified for an Intentional Program Violation (IPV).
- **O2. Drug-Related Felony**. Any household member is ineligible because of a drug-related felony.

01.

SOCIAL SECURITY NUMBER (SSN) REQUIREMENT.

application for SSN, for each household member. If a household member has more than one (1) SSN, he must provide all of his SSNs. Each SSN must be verified by the Social Security Administration (SSA). A household member with an unverified SSN is not eligible for Food Stamp benefits. The ineligible person's income and resources must be counted in the Food Stamp budget. If benefits are reduced or ended, because one (1) or more persons fail to meet the SSN requirement, the household must be notified in writing.

O2. Good Cause for Not Applying for SSN. If a household member can show good cause why an SSN application was not completed in a timely manner, an extension must be granted to allow him to receive Food Stamp benefits for one (1) month in addition to the month of application. Good cause for failure to apply must be shown monthly in order for such a household member to continue to participate. Good cause is described below:

()

204. CITIZENSHIP AND OUALIFIED NON-CITIZEN REQUIREMENTS.

To be eligible for Food Stamps, an individual must meet the requirements specified in 7 CFR 273.4, "Citizenship and alien status." In addition, special immigrants from Iraq and Afghanistan have refugee status under Public Law 111-118, Subsection 8120.

205. WRITTEN DECLARATION OF CITIZENSHIP OR IMMIGRATION STATUS.

To get Food Stamps, one (1) adult household member must certify by signing a statement, under penalty of perjury, regarding the citizenship and immigration status of household members applying for benefits.

206. PROOF OF PROPER IMMIGRATION STATUS.

- **01. Expectations.** Households are required to submit documents to verify the immigration status of the legal non-citizen applicants. An alien number, by itself, is not considered proof of immigration status.
- **O2. Failure to Provide Legal Non-Citizen Documents.** If a household says it is unable or unwilling to provide legal non-citizen status documents for a legal non-citizen household member, the legal non-citizen member must be classified as an ineligible legal non-citizen.

207. NON-CITIZEN ELIGIBILITY PENDING VERIFICATION.

When the applicant or the Department has submitted a request to a federal agency for proof of eligible alien status, the Department must certify the person applying as eligible for Food Stamps pending the results of the investigation. The certification can last up to six (6) months from the date of the original request for proof.

208. -- 211. (RESERVED)

212. FOOD STAMP HOUSEHOLDS.

A Food Stamp household is composed of a person, or group of persons, applying for or getting Food Stamps. The composition of Food Stamp households is listed below:

- 01. Living Alone. A person living alone. (
- **O2.** Living with Others. Preparing Separate Meals. A person or persons living with others but customarily purchasing food and preparing meals separately from the others.
- **03. Living with Others, But Paying for Meals.** A person or persons living with others and furnished both meals and lodging. The person or persons pay less than the thrifty food plan.
- **04.** Living Together and Preparing Common Meals. A group of persons who live, purchase food, and customarily prepare meals together for home consumption.
- **05. Women Living in Shelter**. Women, or women with their children, temporarily residing in a shelter for battered women and children.
- **06. Living in Drug or Alcohol Treatment Center.** Person living in a publicly operated community health center or in a private nonprofit center for drug addiction or alcoholic treatment and rehabilitation.

requirement, complies. The member must complete corrective action and serve the minimum sanction period.) CORRECTIVE ACTION FOR WORK PROGRAMS. A mandatory participant can requalify for Food Stamps after a sanction. The participant must contact the Department and request an opportunity to comply. The participant must show that failure to comply has ended. Before certifying failure to comply has ended, the Department may require the participant to attend an assigned activity for up to two (2) weeks, to show willingness to comply with work program requirements. 243. -- 250. (RESERVED) ABLE BODIED ADULTS WITHOUT DEPENDENTS (ABAWD) WORK REQUIREMENT. To participate in the Food Stamp program, a person must meet one (1) of the conditions in Subsections 251.01 through 251.05 of this rule. A person who does not meet one (1) of these conditions may not participate in the Food Stamp program as a member of any household for more than three (3) full months (consecutive or otherwise) in a fixed thirty-six (36) month period. Work at Least Eighty Hours per Month. The person must work at least eighty (80) hours per month. The definition of work under Section 251 of this rule is any combination of: Work in exchange for money. a. b. Work in exchange for goods or services, known as "in-kind" work. Unpaid work, with a public or private non-profit agency. c. Participate in JSAP or Another Work Program. The person must participate in and comply with the requirements of the JSAP program (other than job search or job readiness activities), the WIOA program, a program under Section 236 of the Trade Act of 1974, or another work program recognized by the Department. The person must participate for at least eighty (80) hours per month. Combination of Work and Work Programs. The person must work and participate in a work program. Participation in work and work programs must total at least eighty (80) hours per month. Participate in Work Opportunities. The person must participate in and comply with the requirements of a Work Opportunities program. Residents of High Unemployment Areas. ABAWDs residing in a county identified as having high unemployment or lack of jobs are not subject to the three (3) month limitation of benefits. ABAWDs residing in these counties are subject to JSAP work requirement but will not lose Food Stamp eligibility after three (3) months if they participate fewer than eighty (80) hours per month. An ABAWD residing in a high unemployment area must participate according to his plan. PROOF REQUIRED FOR ABAWDS. The Department requires proof of compliance with the ABAWD requirements. **Proof of Hours Worked.** Each month the ABAWD must supply proof of work hours, participation in work programs, or participation in work opportunities. Food Stamp Months in Another State. If there is evidence the ABAWD got Food Stamps in

253. ABAWD GOOD CAUSE.

The work requirement is met if an ABAWD would have worked at least eighty (80) hours per month, but missed work for good cause. The absence from work must be temporary. The ABAWD must keep the job. Circumstances beyond control of the ABAWD are the basis of good cause. These include illness, illness of a household member

259. STRIKES.

Households must be denied Food Stamps if a member is unemployed because of a strike, unless the h	iousehold was
eligible for or getting Food Stamps the day before the strike.	()

260. GOVERNMENT EMPLOYEES DISMISSED FOR STRIKE.

State, Federal, and local government employees, dismissed because of joining in a strike against the governmental entity, have voluntarily quit a job without good cause.

261. VOLUNTARY JOB QUIT.

An employed household member who voluntarily quits a job without good cause is not eligible for Food Stamps. The Department is required to make a voluntary job quit determination when it learns that any employed household member has quit his job and any of the circumstances apply that are listed in Subsections 261.01 through 261.02 of this rule.

01	1.	Voluntary Job Quit Timeframes. The Department must make a voluntary job quit determ	ninati (ion:

262. VOLUNTARY REDUCTION IN WORK HOURS.

An employed household member who voluntarily reduces hours of work without good cause is not eligible for Food Stamps. The Department is required to make a reduction in work hours determination when it learns that any employed household member has voluntarily reduced his work hours and any of the circumstances apply that are listed in Subsections 262.01 through 262.02 of this rule.

- 01. Voluntary Work Reduction Timeframe. The Department must make a reduction in work hours determination if the hours of work were voluntarily reduced:
 - **a.** By an applicant, within sixty (60) days of the application date. ()
 - **b.** By a new household member, within the sixty (60) days prior to entering the household. ()
 - c. By a recipient, at any time during the certification period. ()
- **02. What Counts as a Significant Voluntary Work Reduction**. In order for any household member's eligibility for Food Stamps to be affected, the Department must determine that:
 - a. Prior to the voluntary reduction in hours, the job was at least thirty (30) hours a week; and
- **b.** The hours of work have been voluntarily reduced to less than thirty (30) hours per week without good cause.

Section 259 Page 1557

263. -- 264. (RESERVED) 265. SITUATIONS NOT CONSIDERED VOLUNTARY JOB QUIT OR REDUCTION OF WORK. Situations not counted as a voluntary job quit or reduction of work hours are listed below: Ending Self-Employment. The person ends self-employment enterprise. 01.) 02. **Employer Demands Resignation**. A person resigns from a job at the demand of the employer. Laid Off From New Job. A person quits a job, secures new employment at comparable salary or hours and then is laid off. A person quits a job, secures new employment at comparable salary or hours and through no fault of his own loses the new job. 266. HOUSEHOLD MEMBER LEAVES DURING A PENALTY PERIOD. When the household member who committed a voluntary quit or reduction in hours penalty leaves the household, the penalty follows the household member who caused it. If the household member who committed the penalty joins another household, he is ineligible for the balance of the penalty period unless he meets the conditions stated in Subsection 275.01 of these rules. GOOD CAUSE FOR VOLUNTARILY QUITTING A JOB OR REDUCING WORK HOURS. 267. If a household member voluntarily quits a job, determine if the quit was for good cause. All facts and circumstances submitted by the household and the employer must be considered. Good cause includes the reasons listed below: 01. **Personal Difficulties**. Personal difficulties include: Health problems; Structured drug and alcohol treatment; b. Jailed or necessary court appearances; and d. Conflicts with verified and practiced religious and ethical beliefs. 02. Family Emergencies. Family emergencies include: a. Crisis in family health; and Child legal or behavioral problems. b. 03. **Environmental Barriers**. Environmental barriers include: Weather conditions preventing the person from reaching the work site; a. b. Unexpected loss of transportation; and Housing or utility problems requiring immediate attention. c. 04. **Work Site Problems**. Work site problems include: Temporary layoff from a regular, full-time job. The person must be able to return to the job within ninety (90) days;

Work site conditions not meeting legal or local standards of health and safety, hours, pay, or

271. PENALTY FOR RECIPIENT QUITTING A JOB OR REDUCING WORK HOURS.

If the Department determines a member of the household voluntarily quit a job or reduced work hours, the penalty listed in Subsection 271.01 of this rule must be imposed. Food Stamps must be reduced, beginning the first month after timely notice. The household must be told the information listed in Subsections 271.02 through 271.06 within

Section 268 Page 1559

ten (10) calendar days of the voluntary quit or reduction in work ruling. When determining the sanction to impose, previous sanctions for noncompliance with JSAP and work registration requirements as described in Section 237 of these rules must be considered. Previous sanctions for recipient voluntary quit or work reduction must also be considered. If the sanctioned household member becomes exempt from JSAP requirements, end the sanction. The voluntary quit sanction does not end if the sanctioned household member becomes exempt due to application or receipt of Unemployment Insurance. Non-Complying Household Member. The participant who commits the work program violation is excluded as a household member when determining the Food Stamp allotment. The person cannot receive Food Stamps, but his income and resources are counted in the Food Stamp computation for the household. The person must serve a minimum sanction period plus take corrective action to become eligible for Food Stamps again. Corrective action includes: returning to work, increasing work hours to meet the work exemption, or completing required activities with EWS. First work program violation. A minimum sanction period of one (1) month is imposed. a. b. Second work program violation. A minimum sanction period of three (3) months is imposed. Third and subsequent work program violation. A minimum sanction period of six (6) months is imposed, Joins Another Household. If a sanctioned household member leaves the original household and joins another Food Stamp household, treat the sanctioned member as an excluded household member. The person cannot receive Food Stamps, but his income and resources are counted in the Food Stamp computation for the household. The person is excluded for the rest of the sanction and until corrective actions are taken. Closure Reason. The household must be informed of the reason for the closure. Sanction Notice. The household must be informed of the proposed sanction period. 04. 05. Sanction Start. The household must be informed the sanction will begin the first month after timely notice. 06 Actions to End Sanction. The household must be informed of the actions the household can take to end the sanction. **07.** Fair Hearing. The household must be informed of the right to a fair hearing. VOLUNTARY OUIT OR REDUCTION OF WORK HOURS DURING THE LAST MONTH OF 272. THE CERTIFICATION PERIOD. If the Department determines a member of the household voluntarily quit a job or reduced work hours, without good

cause, in the last month of the six-month or twelve-month contact or certification period the voluntary quit or work reduction penalty is imposed.

- No Reapplication. If the household does not apply for recertification in the last month of the sixmonth or twelve-month contact or certification, the appropriate penalty is imposed. Begin the penalty the first month after the last month of the certification. The penalty is in effect should the household apply during the penalty period.
- **Reapplication.** If the household does apply for recertification in the last month of the six-month or twelve-month contact or certification period, the person quitting work or reducing hours is ineligible. The penalty is imposed, beginning the first month after the last month of the six-month or twelve-month contact or certification period.

VOLUNTARY QUIT OR REDUCTION OF WORK HOURS NOT FOUND UNTIL THE LAST MONTH OF THE CERTIFICATION PERIOD.

Section 272 Page 1560 The Department may find a household member voluntarily quit a job or reduced work hours, without good cause, before the last month of the certification period. If the voluntary quit or reduction is not found until the last month of the certification, the voluntary quit or reduction penalty must be determined.

274. (RESERVED)

275. ENDING VOLUNTARY QUIT WORK PROGRAM PENALTIES.

Eligibility may be reestablished before the end of the penalty period for an otherwise eligible household member when he meets the conditions in Subsection 275.01 of this rule. Eligibility may be reestablished after a voluntary quit or work reduction penalty period has elapsed for an otherwise eligible household member when he meets a condition in Subsection 275.02 of this rule.

- **01.** Ending Voluntary Quit or Reduction Penalty Before the End of the Penalty Period. If the sanctioned household member becomes exempt from JSAP requirements, his eligibility for Food Stamps may be reestablished. The voluntary quit penalty does not end if the sanctioned household member becomes exempt due to application or receipt of Unemployment Insurance.
 - 02. Ending Voluntary Quit or Reduction Penalty After Penalty Period.
- a. If the sanctioned household member gets a new job comparable in salary or hours to the job he quit, his eligibility for Food Stamps may be reestablished. A comparable job may entail fewer hours or a lower net salary than the job which was quit. To be comparable, the hours for the new job cannot be less than thirty (30) hours per week and the salary or earnings for the new job cannot be less than Federal minimum wage multiplied by thirty (30) hours per week.
- **b.** If the sanctioned household member's hours of work are restored to more than thirty (30) hours per week before reduction, his eligibility for Food Stamps may be reestablished.
- c. A sanctioned household member can requalify for Food Stamps after serving the minimum sanction period and completing corrective action. The participant must contact the Department and request an opportunity to correct the sanction. The Department may require the participant to attend an assigned EWS activity for up to two (2) weeks to show his willingness to comply with work program requirements.

276. FAILURE TO COMPLY WITH A REQUIREMENT OF ANOTHER MEANS - TESTED PROGRAM.

Food Stamps must not increase when a failure to comply causes other means-tested benefits to decrease. Benefits from means-tested programs like TAFI may decrease due to failure to comply with a program requirement. Food Stamp benefits must not increase because of this income loss. If a reduction in benefits from another means- tested program occurs, verify the reason for the reduction. If the reason for the reduction cannot be verified, document the case record to reflect the good faith effort to verify the information.

277. PENALTY FOR FAILURE TO COMPLY WITH A REQUIREMENT OF ANOTHER MEANS - TESTED PROGRAM.

To prevent an increase in Food Stamp benefits, penalties will be applied to a Food Stamp case for failure to comply with a requirement of another means-tested program such as TAFI. When a Food Stamp recipient fails to comply with a requirement of the TAFI program, count that portion of the benefit decrease attributed to the TAFI penalty. Conditions for ending the penalty are listed in Subsections 277.01 through 277.03 of this rule.

- **01. Time-Limited TAFI Penalty**. If the TAFI penalty is time-limited, end the FS penalty when the TAFI penalty is ended.
- **02. Lifetime TAFI Penalty**. If the TAFI penalty is a lifetime penalty, apply the FS penalty for a length of time to match the remaining months of TAFI eligibility for the household. End the FS penalty if the household subsequently reapplies for TAFI and is denied for a reason other than the noncompliance that caused the TAFI penalty.
 - 03. Member Who Caused the TAFI Penalty Leaves the Household. End the FS penalty when the

311. FACTORS MAKING PROPERTY A RESOURCE.

Property of any kind, including cash, can be a resource. The property must meet all criteria listed below: ()

- **Ownership Interest**. A client must have ownership interest in property for it to be counted as a resource. Property is not a resource if the client does not own all or part of the property.
- **O2.** Legal Right to Spend or Convert Property. A client must have a legal right to spend or convert property to cash. Property is not a resource if the owner lacks the legal right to spend or convert property into cash. Physical possession of property is not needed if the owner has the legal ability to spend or convert the property to cash.
- **03. Legal Ability to Use for Support and Maintenance**. Property is not a resource if it can not legally be used for the owner's support and maintenance.

312. -- 313. (RESERVED)

314. JOINTLY-OWNED RESOURCES.

A resource owned jointly by members of two (2) or more households is counted in its entirety for each household, unless the household proves the resource is not available. If the household shows it has access to only a portion of a resource, that portion of the resource is counted.

315. JOINTLY-OWNED RESOURCES EXCLUDED.

A jointly-owned resource is excluded, if the household shows it cannot sell or divide the resource without consent of the other owner, and the other owner will not sell or divide the resource. A jointly-owned resource is excluded, if owned by a resident in a shelter for battered women and children and access to the resource requires agreement of a joint owner living in the former household. A vehicle, jointly owned by a household member and a person not living in the household, may be excluded. The household member must not have possession of the vehicle. The household member must not be able to sell the vehicle.

316. -- 320. (RESERVED)

321. RESOURCES OF DISQUALIFIED HOUSEHOLD MEMBERS.

The household must report the resources of members disqualified for Food Stamps. The household must verify any questionable information. The resources of the disqualified person are included in determining the resource limit. Disqualified household members with resources counted toward the household limit are listed below:

()

- **01. Member Disqualified for IPV**. Resources of a household member disqualified for an intentional program violation are counted.
- **02. Member Disqualified for Failure to Comply with Work Requirements**. Resources of a household member disqualified for failing to comply with a work requirement are counted.
- **03. Member Ineligible Due to SSN**. Resources of a household member ineligible for refusing to get an SSN are counted.
- **04. Ineligible Legal Non-Citizen**. Resources of an ineligible legal non-citizen household member are counted.
- **05. Member Disqualified for Failure to Meet the ABAWD Work Requirement**. Resources of a household member disqualified for failure to meet the ABAWD work requirement are counted.
- **06. Member Disqualified for a Voluntary Quit or Reduction in Hours of Work**. Resources of a member disqualified for a voluntary quit or reduction of work are counted.
- **07. Member Disqualified as a Fugitive Felon or Probation or Parole Violator**. Resources of a member disqualified as a fugitive felon or probation or parole violator are counted. ()

Section 334 Page 1567

01.	Burial Space or Plot Exclusion. Exclude one (1) burial space or plot, for each household men	aber,
from resources.	. The value of the burial space or plot does not affect this exclusion. ()

02. Funeral Agreement Exclusion. Exclude up to one thousand, five hundred dollars (\$1,500) of the equity value of one (1) bona fide funeral agreement, for each household member, from resources. The equity value over one thousand, five hundred dollars (\$1,500) is counted as a resource.

357. PENSION PLANS OR FUNDS EXCLUDED AS A RESOURCE.

The cash value of any funds in a plan, contract, or account, described in Sections 401(a), 403(a), 403(b), 408, 408A, 457(b), and 501(c) of the Internal Revenue Code of 1986 and the value of funds in a Federal thrift Savings Plan account as provided for in 5 U.S.C. 8439 are excluded as a resource. This exclusion includes any current or future tax preferred retirement accounts which are approved under federal or state law.

358. INCOME-PRODUCING PROPERTY EXCLUDED.

Property which annually produces income consistent with its fair market value is excluded as a resource. Real property, not used as a home, is excluded as a resource if it produces income consistent with it's fair market value. This exclusion includes land and buildings. Annual income is consistent with the property's fair market value when consistent with area market trends.

359. LIVESTOCK EXCLUDED.

Livestock includes cows, pigs, sheep, llamas, and horses. Farm animals kept for food are excluded.

360. PROPERTY USED FOR SELF-SUPPORT EXCLUDED.

Property essential to the employment or self-employment of a household member, such as tools of a trade or the farm land and machinery of a farmer, is excluded as a resource. Essential work-related equipment of an ineligible legal non-citizen or disqualified person is excluded as a resource. Self-support property is excluded during employment and temporary periods of unemployment. For a household member engaged in farming, property essential to self-employment continues to be excluded for one (1) year from the date the household member ends self-employment from farming.

361. PROPERTY USED WITH EXCLUDED VEHICLE.

Portions of real or personal property are excluded as a resource if used in connection with an excluded vehicle. The vehicle must be used to produce income or be necessary for transporting a physically disabled household member.

362. SALABLE ITEM WITHOUT SIGNIFICANT RETURN EXCLUDED.

Resources that cannot be sold for a significant return are excluded. A significant return is one-half (1/2) the household resource limit. One-half (1/2) the household resource limit is one thousand dollars (\$1,000) or one thousand five hundred dollars (\$1,500), depending on household composition. The Department requires the household to give proof of the value of a resource only if it questions the resource data provided. Vehicles are not included under this rule. A single resource cannot be divided to get an exclusion under this rule. A resource meeting the conditions described in Subsections 362.01 through 362.03 is not counted.

- 01. No Profit from Sale. The sale, or other disposal, of the resource is not likely to produce one-half (1/2) the resource limit for the household.
- **02. No Interest in Resource**. The household's interest in a resource is slight. The sale of the resource is not likely to bring one-half (1/2) the household resource limit.
- **03. Cost of Sale Too Great.** The cost of selling the household's interest in a resource is excessive. The household is not likely to sell the resource for one-half (1/2) the resource limit.

363. HUD FAMILY SELF-SUFFICIENCY (FSS) ESCROW ACCOUNT.

Escrow accounts and the interest earned on an escrow account established by HUD for families participating in the Family Self-Sufficiency (FSS) Program established by Section 544 of the National Affordable Housing Act, are excluded as a resource when determining eligibility for food stamps. The federal exclusion for the funds in this program and other similar type escrow funds are only excluded while the funds are still in the escrow account or

Section 357 Page 1568

being used for a HUD approved purpose. Participants in the FSS program may withdraw funds from the escrow

account before completing the program, with permission from the public housing authority, but only for prelated to the goal of the Family Self-Sufficiency contract, such as completion of higher education, job training meet start-up expenses involved in creation of a small business.	ourpos	ses
364. EDUCATIONAL ACCOUNTS EXCLUDED AS A RESOURCE. The cash value of any funds in a qualified tuition program described in Section 529 of the Internal Revenue 1986 or in a Coverdell education savings account under Section 530 of the Internal Revenue Code are excluresource.	Code ded as	of s a

374. EXCLUDED INACCESSIBLE RESOURCES. The cash value of resources not legally available to the household is excluded as a resource. The household provide proof resources are not available.	old mi	ust)
375. FROZEN OR SECURED ACCOUNTS EXCLUDED. Frozen bank accounts used as security for a loan or due to bankruptcy proceedings are excluded as resources.	. ()
376. REAL PROPERTY EXCLUDED IF ATTEMPT TO SELL. Real property is excluded as a resource if the household is making a good faith effort to sell it at a reasonab Verify the property is for sale and the household has not refused a reasonable offer. Document in the case re reason for excluding the property and the household's efforts to sell.		
377. TRUST FUNDS EXCLUDED. Trust funds are excluded if all conditions listed below are met:	()
01. Trust Irrevocable or Not Changeable by Household. The household must be unable to the trust agreement or change the name of the beneficiary during the certification period.	revo (ke)
02. Trust Unlikely to End During Certification. The trust arrangement must be unlikely during the certification period.	to e	nd)
03. Trustee Independent from Household Control. The trustee of the fund is either institution, corporation, or organization not under the direction or ownership of a household member, or appointed person who has court-imposed limits placed on the use of funds.		
04. Trust Not Under Control of Household-Directed Business. The trust investments do not		tly
involve or help any business or corporation under the control, direction, or influence of a household member.	()
Origin and Use of Trust . The funds held in an irrevocable trust are:	()
a. Set up from the household's own funds. The trustee uses the funds only to make investment trust, or to pay education or medical expenses of the beneficiary; or	s for t	he

Section 364 Page 1569

Set up from nonhousehold funds by a non-household member.

b.

)

378. INSTALLMENT CONTRACTS EXCLUDED.

An installment contract for the sale of land and buildings is excluded as a resource. The purchase price must be consistent with the property's fair market value. The contract or agreement must produce income consistent with the property's fair market value. Income is consistent with the property's fair market value when consistent with area market trends. The actual property sold under an excluded installment contract is excluded as a resource. Property held as security for the fulfillment of an excluded installment contract is excluded as a resource.

379. TREATMENT OF EXCLUDED RESOURCES.

An excluded resource kept in a separate account is excluded for an unlimited period. If an excluded resource is combined with countable resources, the resource is not counted for six (6) months from the date the funds are combined. After six (6) months, the total combined resources are counted.

380. (RESERVED)

381. NONLIQUID RESOURCES WITH LIENS EXCLUDED.

A nonliquid resource, with a lien placed against it, is excluded. The lien must result from a business loan. The lien agreement must forbid the household to sell the resource.

382. (RESERVED)

383. EXCLUDED RESOURCE CHANGES TO COUNTED RESOURCE.

Resource value increases when a client replaces an excluded resource with a counted resource.

384. -- 385. (RESERVED)

386. TRANSFER OF RESOURCES.

If a household transfers a resource within three (3) calendar months before the date of application for Food Stamps, determine if the transfer was made with the intent to qualify for the Food Stamp Program. Disqualify a household if the transfer was made with the intent to qualify for the Food Stamp Program. After a household is certified for Food Stamps, the transfer of a resource to remain eligible for Food Stamps will result in disqualification.

387. TRANSFER OF RESOURCE NOT COUNTED FOR DISQUALIFICATION.

A transferred resource is not counted for disqualification, if conditions below:

- **01.** Three Months Before Application. The transfer of a resource more than three (3) months before the date of Food Stamp application is not counted.
- **02. Resources Less Than Limit.** The transfer of a resource is not counted if the resource, when added to the other countable resources, does not exceed the resource limit.
- **03.** Transfer at Fair Market Value. The sale or trade of a resource, made at or near the fair market value, is not counted.
- **04.** Transfer Between Household Members. A resource transferred between members of the same household, including ineligible legal non-citizens or disqualified persons whose resources are considered available to the household, is not counted.
- **05.** Transfer for Reasons Other Than Food Stamps. A resource transferred for reasons other than trying to qualify for Food Stamps is not counted.

388. DISQUALIFICATION FOR TRANSFERRING RESOURCES.

Disqualify a household from Food Stamps for up to one (1) year from the discovery date of the transfer. Base the disqualification period on the amount the transferred resource exceeds the resource limit, when added to other countable resources. Disqualification periods are listed in Table 388. The disqualification period begins in the month of application unless the household is already certified when the transfer is discovered. If the household is already certified, the disqualification period starts with the first allotment after timely notice to end benefits.

509. TYPES OF INCOME TO BE AVERAGED.

IDAHO ADMINISTRATIVE CODE Department of Health and Welfare

IDAPA 16.03.04 Idaho Food Stamp Program

Types of income to be averaged are listed below. Income for a destitute migrant or seasonal farm worker household i not averaged.
O1. Self-Employment Income. Average self-employment income. (
02. Contract Income . Average contract income over the period of the contract, if not received on an hourly or piecework basis. Households with averaged contract income include school employees, share croppers and farmers. These households do not include migrants or seasonal farm workers.
03. Income Received Less Often Than Monthly. When receipt of income is less often than monthly the anticipated income can be averaged over the period intended to cover to determine the average monthly income.
04. Child Support. Child support income can be averaged to make a valid projection for ongoing income.
510 511. (RESERVED)
512. SPECIAL CASES FOR COUNTING INCOME. Special cases for counting income are listed below: (
01. Wages Held at the Request of Employee. Wages held at the request of the employee are income in the month the wages would have been paid by the employer.
02. Garnishments Held by Employer. Garnishments withheld by an employer are income in the month the wages would have been paid.
03. Wages Held by Employer, Other Than Garnishment and Employee Request. Wages held by the employer, even if in violation of law, are not counted as income.
04. Advances on Wages. Advances on wages will count as income if the household reasonably expect the advance to be paid.
05. Varying Payment Cycles . Households getting unearned or earned income on a recurring monthly or semi-monthly basis do not have varying income merely because mailing or payment cycles cause additional payments to be received in a month. The income is counted for the month it is intended.
Nonrecurring Lump Sum Payments and Capital Gains . Nonrecurring lump sum payments mus not be counted as income. Nonrecurring lump sum payments are counted as a resource starting in the month received Nonrecurring lump sum payments include capital gains from the sale or transfer of securities, real estate, or other rea property held as an investment for a set period of time. The capital gains are income only if the assets were used in self-employment.
PA Entitlement. If a household intentionally fails to comply with a means-tested program, a penalty may be imposed and benefits reduced to collect the means-tested program overpayment. Means-tested programs include PA. Count the full amount of means-tested benefits the household is entitled to, not the reduced amount caused by the failure to comply.
513 531. (RESERVED)

532. GROSS INCOME LIMIT.

Households exceeding the gross income limit for the household size are not eligible, unless they are categorically eligible or have an elderly or disabled member. A household with an elderly or disabled household member is exempt from the gross income limit. If all household members receive or are authorized to receive monthly payments through TAFI, AABD, or SSI, the household is categorically eligible. The gross income limit is raised each federal fiscal year by FNS, based on the federal cost of living (COLA) adjustment.

Section 512 Page 1577

Department of Health and Welfare HOUSEHOLD ELIGIBILITY AND BENEFIT LEVEL. A household's eligibility and benefit level is calculated in accordance with 7 CFR 273.10, except as indicated below in Subsections 533.01 through 533.07. of this rule. The deductions in Subsections 533.01 through 533.07 of this rule are subtracted from non-excluded income. Standard Deductions. The standard deductions are controlled by Federal law. The monthly amounts are specified in Title 7 United States Code Section 2014. **Earned Income Deduction.** The earned income deduction is twenty percent (20%) of gross earned income. Homeless Shelter Deduction. The homeless shelter deduction is established by FNS. 03. Excess Medical Deduction. Excess medical expense is nonreimbursed medical expense of more than thirty-five dollars (\$35) per household per month. The household member must be either age sixty (60) or older or disabled to get this expense deduction. Special diets are not deductible. For allowable medical expenses, see Section 535 of these rules. **Dependent Care Deduction.** The dependent care expense deduction is for monthly dependent care expenses. The dependent care may be needed for children or adults. Child Support Deduction. The child support expense deduction is the legally obligated child support and arrearage the household pays, or expects to pay, to or for a non-household member. Excess Shelter Deduction. Excess shelter expense is the monthly shelter cost over fifty percent (50%) of the household's income after all other deductions. The excess shelter expense is not deducted if the household has received the homeless shelter deduction. For allowable shelter expenses, see Section 542 of these 534. AVERAGING INFREQUENT, FLUCTUATING, OR ONE-TIME ONLY EXPENSES. Infrequent, fluctuating, or one-time only expenses for medical, child support, shelter or child care are averaged. 535. MEDICAL EXPENSES. Elderly or disabled household members that incur medical expenses over thirty-five dollars (\$35) per month are allowed a Standard Medical Expense (SME) deduction. Eligible households must verify monthly medical expenses of more than thirty-five dollars (\$35) at initial application. Households with medical expenses that exceed the monthly Standard Medical Expense may either verify the minimum amount to receive the SME or request and verify excess costs to receive an actual expense deduction at application and recertification. The household must provide proof of the incurred or anticipated cost before a deduction is allowed. 536. DEPENDENT CARE EXPENSES. The care of a dependent must be necessary to maintain employment, conduct job search, or attend school or training. The dependent care expenses must be deducted from income. DEPENDENT CARE RESTRICTIONS. Dependent care restrictions are listed below: Care by Household Member. Dependent care cannot be deducted if the care is provided by another household member. **In-Kind Payment.** Dependent care cannot be deducted if the payment is in-kind, such as food or

Vendor Payment. Dependent care cannot be deducted if paid by vendor payment.

Spouse Can Give Care. Dependent care cannot be deducted if the spouse in the home is physically

six dollars (\$6).

03. Not Categorically Eligible. All households, except categorically eligible households, must be denied if the household's net income exceeds the level at which benefits are issued.

565. FOOD STAMP BENEFITS FOR CATEGORICALLY ELIGIBLE HOUSEHOLD.

Categorically eligible households with one (1) or two (2) household members are eligible to get an allotment amount of Food Stamps that is equal to at least eight percent (8%) of the maximum monthly one (1) person allotment, regardless of net income. Categorically eligible households with three (3) or more household members are eligible for Food Stamps, but do not get Food Stamps if the net income is too high.

566. -- 572. (RESERVED)

573. ACTING ON HOUSEHOLD COMPOSITION CHANGES.

Changes in household composition are not required to be reported. If a household does report a change in household composition, the Department will act on the change as required by options allowed under 7 CFR 273.12(c).

574. ADDING PREVIOUSLY DISQUALIFIED HOUSEHOLD MEMBERS.

The resources, income, and deductions of a previously disqualified household member must be determined. Change the previously disqualified household member's participation the month following the last month in the sanction or if the person becomes exempt. The disqualification must have been due to an intentional program violation (IPV), work registration or Job Search Assistance Program (JSAP) sanction, voluntary quit or reduction of work hours, failure to comply with the SSN requirement, or ineligible legal non-citizen status. The person's resources, income, and deductions that were previously prorated are counted in full the month after the disqualification ends. Prorate benefits from the date the ABAWD becomes Food Stamp eligible by reaching eighty (80) hours by working, participating in a work program, or combining work and work programs.

575. HOUSEHOLD COMPOSITION CHANGES FOR STUDENT.

Ineligible students are defined as non-household members. When a student's status changes, the change is treated as a new person entering or leaving the Food Stamp household.

576. -- 587. (RESERVED)

588. NOTICE OF DECISION TO HOUSEHOLDS.

The Department must send the household a written notice as soon as Food Stamps are approved or denied. The household must get the notice no later than thirty (30) days after the application date.

589. -- 600. (RESERVED)

601. REPORTING REQUIREMENTS AND RESPONSIBILITIES.

Changes may be reported by phone, mail, or e-mail, or directly to the Department. Households must report as follows:

- **01. Income Exceeds One Hundred Thirty Percent (130%) of FPG.** When the household's total gross income exceeds one hundred thirty percent (130%) of the Federal Poverty Guideline (FPG) for the household size.
- **02. Decrease in ABAWD Hours to Less Than Eighty (80) Hours Per Month.** When there is a decrease in the household's ABAWD hours to less than eighty (80) hours per month.

602. (RESERVED)

603. PERSON OUTSIDE HOUSEHOLD FAILS TO PROVIDE PROOF -- CHANGES.

Food Stamps cannot be closed solely because a person outside the household fails to provide requested proof. The Department will attempt to get another source of proof if a person outside the household does not provide requested proof. Disqualified household members are not persons outside the household.

Section 565 Page 1581

604. -- 610. (RESERVED)

611. TIME FRAMES FOR REPORTING CHANGES IN HOUSEHOLD CIRCUMSTANCES.

Households must report changes in circumstances as required in Section 601 of these rules. Households reporting required changes to the Department must do so by the tenth day of the month following the month in which the change occurred.

- **01. Reporting Methods**. Changes can be reported by telephone, personal contact, mail, or e-mail. Changes can be reported by a household member or authorized representative.
- **02. Failure to Report**. If Food Stamps are over-issued because a household fails to report required changes, a Claim Determination must be prepared. A person can be disqualified for failure to report a change if he commits an Intentional Program Violation.
- 612. (RESERVED)

613. CHANGES ON WHICH THE DEPARTMENT MUST ACT.

The Department must follow the procedures for acting on reported changes as described in 7 CFR 273.12. ()

614 -- 616. (RESERVED)

617. INCREASES IN FOOD STAMP BENEFITS.

- **01. Household Reports a Change**. If a household reports a change that results in an increase in Food Stamps and the proof cannot be obtained through interfaces or data brokers, the Department must allow the household ten (10) days to provide proof.
- **02. Failure to Provide Proof of Change**. If the household fails to provide proof of a change that would increase the benefit level, the Food Stamp benefit remains at the amount already established. ()
- **03. Proof Provided Within Ten Days**. If the household provides proof within ten (10) days of reporting the change, the Department will increase the Food Stamp benefits beginning the month immediately following the month in which the change was reported. For changes reported after the 20th of the month, a supplement is issued for the next month no later than the 10th of the next month. If the change is reported and verified after the final date to adjust Food Stamp benefits for the following month in the Department's automated eligibility system, the change to the Food Stamp benefits must be made by the following month, even if a supplement must be issued.
- **04. Proof Not Provided Within Ten Days.** If the household fails to provide proof within ten (10) days of reporting the change, but provides proof later, benefits are increased the month after the proof of the change is provided.

618. DECREASES IN FOOD STAMP BENEFITS.

If the Department acts on a change that results in a decrease in Food Stamp benefits, the Department must give timely notice, if required. The notice must explain the reason for the action.

619 -- 620. (RESERVED)

621. TAFI OR AABD HOUSEHOLD REPORTING CHANGES.

If a change in the AABD or TAFI grant results in a change in the household's Food Stamp benefits, the Department must count the new grant amount, regardless of whether the Food Stamps increase or decrease. If a change requires a reduction or ending of TAFI or AABD and Food Stamp benefits, the Department will issue a Notice of Decision for both programs. If the household makes a timely request for a fair hearing and continued benefits, Food Stamp benefits continue pending the hearing. The household must reapply if certification expires before the hearing is complete.

Section 611 Page 1582

622. CHANGE ENDS TAFI OR AABD INCOME.

A change ending a household's income from a TAFI or AABD grant during the certification period may affect Food Stamp eligibility. A household's Food Stamp benefits must not be closed just because of a TAFI or AABD closure. Food Stamp benefits will be closed only if the change requires the Department to take action under Section 613 of these rules and the action would close Food Stamps. If the household appeals and TAFI or AABD is continued, continue Food Stamps at the same level. If a TAFI or AABD notice is not required or the household does not appeal, the Department must send a notice explaining that the household's benefits will end. A notice must be sent to the household when Food Stamp benefits change because of a TAFI or AABD change. If TAFI or AABD ends and the household remains Food Stamp eligible, the Department must advise the household of the work registration requirements.

623. FAILURE TO TAKE REQUIRED ACTION.

If the Department is unable to make a change in Food Stamp eligibility or issuance and an overissuance results, collect the overpayment. If the Department fails to act on a change that increases household benefits, restore lost benefits.

624. -- 628. (RESERVED)

629. NOTICE OF LOWERING OR ENDING BENEFITS.

Households must be sent a Notice of Decision when Food Stamps are ended or reduced, unless notice is not required under these rules.

630. ADEQUATE NOTICE.

Adequate notice is a written statement telling the household the action the Department is taking. The notice must tell the reasons for the action. The notice must advise the household of the right to a hearing. All notices must be adequate. If Food Stamps are reduced, the household must receive the notice on or before the first day of the month the action is effective.

631. NOTICE.

Notices must be sent within the time limits listed in these rules. Timely notice must be mailed at least ten (10) days before the effective date of the action.

632. TIMELY NOTICE NOT REQUIRED.

Timely notice is not required when the conditions listed below are met. Adequate notice must be given. ()

- **01. Statement of Household**. The Department gets a clear, written, signed statement from the household. Food Stamps can be ended or reduced from the facts given in the household statement.
- **O2. Food Stamps Reduced After Closure Notice.** The household is sent a notice of closure because it did not provide requested proof. The household provides the proof before the first day of the month of closure. If the proof results in reduced Food Stamps, the reduced benefits are issued. Timely notice of the reduction is not required.
- **O3.** Food Stamps Closed or Reduced Because of Intentional Program Violation (IPV) Penalty. The Department must impose the IPV penalty the first of the month after the month it gives written notice to the client. Timely notice is not required.

633. NOTICE OF CHANGES NOT REQUIRED.

Notice to individual Food Stamp households is not required when the conditions listed in Subsection 633.01 below are met. Mass notice must be given in some situations, as listed in Subsection 633.02 below:

- **01.** Waiver by the Household. A household member or authorized representative provides a written statement requesting closure. The person gives information causing reduction or an end to benefits and states, in writing, they know adverse action will be taken. The person acknowledges in writing continuation of benefits is waived, if a fair hearing is requested.
 - **02.** Mass Change. Mass changes include:

650. RESTORATION OF LOST BENEFITS.

Lost benefits must be restored. The Department may find Food Stamps have been incorrectly denied, ended, or underissued to an eligible household. The Department may learn of lost benefits from case reviews, Quality Control reviews, or other sources. Benefits are restored when caused by a Department error, when a fair hearing is reversed, or an IPV disqualification is reversed. Restore benefits to eligible and previously eligible households. Restore benefits to households who have moved out of state. Restore benefits for SSA joint processing errors.

651. TIME FRAMES FOR RESTORATION OF BENEFITS.

Benefits must not be restored if lost more than twelve (12) months before notification or discovery.

- **01. Lost Benefits Reported by Household.** Lost benefits are restored when the Department learns of lost benefits reported by the household, a person outside the household or by another agency. Twelve (12) months are counted from the month the Department is notified of the lost benefits.
- **O2.** Lost Benefits Discovered by Department. Lost benefits are restored when the Department discovers lost benefits during the course of business. Twelve (12) months are counted from the month the Department discovers the benefits were lost.
- **03. Lost Benefits From Fair Hearing.** Lost benefits are restored to a household that requests a fair hearing and the decision is in the household's favor. Twelve (12) months are counted from the effective date of the adverse action causing the fair hearing.

652. -- 655. (RESERVED)

656. REPLACING FOOD DESTROYED BY A DISASTER.

Conditions and procedures for replacing food destroyed by a disaster are listed below. The food must have been purchased with Food Stamps.

- **01. Food Destroyed in a Disaster**. The actual value of loss, not to exceed one (1) month's allotment, can be replaced. The food bought with Food Stamps must have been destroyed in a disaster. The disaster may involve only the household, such as a house fire, or a larger scope, such as a flood. There is no limit on the number of times food destroyed in a disaster may be replaced.
- **02. Replacement Time Limit for Disaster Loss.** The Department must provide either disaster Food Stamps or replacement Food Stamps, but not both, within ten (10) days of the reported loss, if:
 - **a.** The household reports the disaster within ten (10) days of the incident. ()
- **b.** The disaster is verified by collateral contact, an organization such as the Fire Department or Red Cross, or by home visit.

657. -- 674. (RESERVED)

675. IPV. IHE AND AE FOOD STAMP CLAIMS.

An overissuance exists when the amount of Food Stamps issued exceeds the Food Stamps a household is eligible to receive. The Department must establish a claim against the household, to recover the value of Food Stamps overissued or misused. The types of Food Stamp claims are listed in Subsections 675.01 through 675.03 of this rule.

01. Intentional Program Violation (IPV) Claim. An IPV claim is an overissuance caused by an intentional, knowing, and willful program violation.

02. Inadvertent Household Error (IHE) Claims. An IHE is a household error, without intent to cause an overissuance, which results in a Food Stamp over-issuance. Causes of IHE claims are:

IDAPA 16.03.04 Idaho Food Stamp Program

beginning of the following month) or, if no date is specified, within forty-five (45) days of the date the disqualification was ordered, beginning the first day of the month.

702. PENALTIES FOR IPV TRAFFICKING.

IPV persons are ineligible for Food Stamps for two (2) years for the first finding by a court the recipient purchased illegal drugs with Food Stamps. IPV persons are permanently ineligible for Food Stamps for a second finding by the court the recipient purchased illegal drugs with Food Stamps. IPV persons are permanently ineligible for Food Stamps for a first finding by a court the recipient purchased firearms, ammunition or explosives with Food Stamps. A person convicted of trafficking in Food Stamp benefits of five hundred dollars (\$500) or more is permanently disqualified from the Food Stamp program.

703. PENALTIES FOR IPV RECEIPT OF MULTIPLE BENEFITS.

A person found making a fraudulent statement or representation about identity or residence to get multiple benefits is ineligible for Food Stamps for ten (10) years for the first and second offenses and permanently for the third offense.

704. -- 714. (RESERVED)

715. WAIVED HEARINGS.

Persons accused of an IPV may waive their right to an administrative disqualification hearing by completing and signing a Waiver of Disqualification Hearing. The steps needed to waive the hearing are listed below:

- **01. Review of Evidence.** The Department must be sure the evidence warrants scheduling a disqualification hearing before giving household members, suspected of an IPV, the waiver option. Household circumstances must be reviewed by the Examiner assigned the case and a program supervisor or designee. ()
- **O2.** Advance Notice. If the reviewers determine a waiver is proper, each household member suspected of IPV must be mailed or given a Waiver of Disqualification Hearing.

716. DISQUALIFICATION AFTER WAIVED HEARING.

Persons waiving their right to an IPV administrative disqualification hearing must have penalties imposed. ()

717. COURT REFERRALS.

Procedures for court referrals are listed below:

- **01. Referred Cases**. The Department may refer persons suspected of getting or receiving Food Stamps by committing an IPV. The Department may refer persons suspected of committing an IPV.
- **02. Impose Court Penalties**. The Department must disqualify a person found guilty of IPV by a court for the length of time specified by the court. The disqualified member's household will remain responsible for the overissuance, resulting from the disqualified member's IPV, regardless of the household's eligibility. If the court fails to specify a period, use the IPV penalty periods specified in Section 701 unless they are contrary to the court order.

718. DEFERRED ADJUDICATION.

Deferred Adjudication is an out-of-court settlement between the accused IPV member and the prosecutor. Terms of the settlement are listed below:

- **01. Deferred Judgement Conditions**. Guilt is not decided by the court because the accused person has met the terms of a court order or an agreement with the prosecutor.
- **02. Agreement with Prosecutor.** If the Department has an agreement with the prosecutor, the prosecutor may defer adjudication. The prosecutor must agree to give advance written notice to the member stating the consequences of consenting to disqualification.
- 03. Notice to Food Stamp Member. If the prosecutor decides deferred adjudication is fitting, the household member suspected of IPV must be mailed or presented with a Deferred Adjudication Disqualification

Section 702 Page 1591

Consent Agreement.

IDAPA 16.03.04 Idaho Food Stamp Program

)

the date the member signed the Deferred Adjudication Disqualification Consent Agreement (HW 0546). The period of disqualification must begin as agreed upon with the Prosecutor. Once a disqualification penalty is imposed agains a member, the period continues uninterrupted regardless of the household's eligibility. The disqualified member's household continues to be responsible for overissuance repayment resulting from the disqualified member's IPV regardless of the household's eligibility.
05. Notice of Disqualification . The Department must provide a completed Notice of Disqualification (HW 0541) before the disqualification to the disqualified member and remaining household members. The Department must provide a Demand Letter for Overissuance and Repayment Agreement (HW 0544).
719. (RESERVED)
720. CLAIMS DISCHARGED BY BANKRUPTCY. The Department will act for FNS in bankruptcy proceedings against households owing claims. The Department may file proofs of claims, objections to discharge, exceptions, petitions and any other documents, motions, or objectives FNS might have filed.
721. (RESERVED)
722. INTERSTATE CLAIMS COLLECTION. If a household owes a claim and moves from one State to another, the first State should start or continue collection action. The first State has the initial opportunity to collect. The receiving State should take collection action if the first State fails to act. The receiving State should contact the first State to be sure the first State does not intend to pursue collection. The State share of claims collected is kept by the State making the collection.
723 727. (RESERVED)

728. FOOD STAMP REDUCTION, SUSPENSION, OR CANCELLATION.

Food Stamps for all Food Stamp households must be reduced suspended, or cancelled, if ordered by the USDA Secretary to comply with Section 18 of the Food Stamp Act of 1977. Reduced Food Stamps are computed using the thrifty food plan amounts and are reduced by a percentage defined by FNS. Food Stamp reduction, suspension, and cancellation rules are described below:

- **01.** Reducing Food Stamps. FNS will notify the Department of the effective date of reduction and of the thrifty food plan reduction percentage. The Department must:
 - **a.** Act immediately to carry out the reduction.
- **b.** Guarantee one (1) and two (2) person households a minimum benefit of equal to eight percent (8%) of the maximum one (1) person allotment unless the reduction is ninety percent (90%) or more of total projected monthly benefits.
- **02. Restoring Lost Benefits.** Households whose Food Stamps are reduced or cancelled under this section are not entitled to restoration of benefits. Reductions or cancellations of Food Stamps may be ordered restored by the USDA Secretary.
- **03. Suspension or Cancellation**. If a suspension or cancellation is in effect, no Food Stamps are to be issued to the applicant.
- **04. Hearings**. Any household whose allotment was reduced, suspended, or cancelled under this section can request a fair hearing.

729. -- 750. (RESERVED)

BOARDERS. Rules for Food Stamp boarders are listed below:) Boarder Included with Food Stamp Household. Boarders may be included in the Food Stamp household providing board. The Food Stamp household must request the boarder be included. The household must be otherwise eligible. Foster Children. Foster children are boarders. Foster care payments and guardianship payments are not income for Food Stamps if the foster child does not get Food Stamps as part of the household. If the household requests the foster child be included in the Food Stamp household, foster care payments and guardianship payments are counted. 03. Foster Adults. Foster adults are boarders. Foster care payments are not income for Food Stamps if the foster adult does not get Food Stamps as part of the household. If the household requests the foster adult be included in the Food Stamp household, the foster care payments are counted. Meal Compensation. Boarder status must be given to persons paying a reasonable monthly amount for meals. Payments for more than two (2) meals a day must equal or exceed the thrifty food plan for the boarder household size. Payments for two (2) meals or less per day must equal or exceed two-thirds (2/3) of the thrifty food plan for the boarder household size. Nonboarder Status. A person paying less than a reasonable amount for meals is a member of the household providing board. 06. **Income from Boarders**. If the boarder is not a Food Stamp household member: The meals and lodging payment is self-employment income for the Food Stamp household. a. b. The boarder's income and resources are not counted for the Food Stamp household. 752. STRIKERS. Households with strikers are not eligible to get Food Stamps, unless the household was eligible the day before the strike. 753. SPONSORED LEGAL NON-CITIZENS.

Sponsored legal non-citizens are lawfully admitted for permanent United States residence, as defined in Sections 101(a)(15) and 101(a)(20) of the Immigration and Nationality Act. A sponsor executes an I-864 affidavit of support on behalf of legal non-citizen, as a condition of the legal non-citizen's entry or admission into the United States as a permanent resident. The income and resources of the sponsor will be deemed until the legal non-citizen becomes a naturalized citizen or until he has worked forty (40) qualifying quarters of coverage under Title II of the Social Security Act, or the sponsor dies. A qualifying quarter includes a quarter worked by the legal non-citizen's parent while the legal non-citizen was under eighteen (18) and a quarter worked by the legal noncitizen's spouse during marriage if the legal non-citizen remains married to the spouse or the spouse is deceased. Any quarter after January 1, 1997 in which a legal non-citizen received any federal means-tested benefit is not counted as a qualifying quarter.

754. DEEMING INCOME AND RESOURCES TO SPONSORED LEGAL NON-CITIZEN.

Income and resources of the sponsor are deemed available to the legal non-citizen. If the sponsor lives with his spouse, the spouse's income and resources are also deemed available to the legal non-citizen. The income and resources are deemed, even if the sponsor and spouse were married after the sponsor signed the sponsorship agreement. The Department counts income and resources deemed to the legal non-citizen toward Food Stamp eligibility and issuance level of the legal non-citizen's household.

Section 751 Page 1593

- **01.** Battered Legal Non-Citizen Whose Sponsor Signed an Affidavit of Support. For sponsor deeming, a battered legal non-citizen includes the non-citizen and the child of the non-citizen. The non-citizen or child must be battered in the U.S. by a spouse, parent, or member of the family in the same household. The non-citizen must not participate in, or acquiesce to, the battering of the child.
- **a.** A battered legal non-citizen whose sponsor signed an affidavit of support is exempt from the sponsor deeming requirement for one (1) year, if the need for Food Stamps is connected to the battery and the legal non-citizen no longer lives with the batterer.
- **b.** The exemption from the sponsor deeming requirement can exceed more than one (1) year if the legal non-citizen demonstrates the battery has been recognized in an order of a judge or by the INS and the need for Food Stamps is connected to the battery.
- **02.** Indigent Legal Non-Citizen Whose Sponsor Signed an Affidavit of Support. A non-citizen is indigent if the household income does not exceed one-hundred thirty percent (130%) of the poverty income guideline (gross income limit) for the household size.
- **a.** For an indigent non-citizen, the Department counts the noncitizen's own income and the cash or inkind income and resources actually provided by the sponsor and spouse who signed an affidavit of support.
- **b.** A legal non-citizen that satisfies the indigent exemption criteria is exempt from deeming for twelve (12) months. The exemption can be renewed for additional twelve-month periods.
- **c.** If a legal non-citizen is granted an indigence exemption, the department must provide written notification to the Statistics Branch of the INS on an annual basis. Required information includes, written notice of the determination, the sponsored legal non-citizen's name, and the sponsor's name.
- **d.** A legal non-citizen can elect to decline the indigent exemption to avoid sponsor liability, and notification to the INS.
- e. If the legal non-citizen declines the indigent exemption, the household is subject to sponsored deeming.

755. – 756. (RESERVED)

757. SPONSORED LEGAL NON-CITIZEN'S RESPONSIBILITY.

The legal non-citizen and legal non-citizen's spouse are responsible for getting the sponsor to cooperate with the Department in determining Food Stamp eligibility. The legal non-citizen and legal non-citizen's spouse are responsible for providing the information and proof to determine the income and resources of the sponsor and sponsor's spouse. The legal non-citizen and legal non-citizen's spouse are responsible for providing information and proof to determine if the sponsor sponsors other legal non-citizens and how many.

758. – 760. (RESERVED)

761. COLLECTING CLAIMS AGAINST SPONSORS WHO SIGNED AN I-864 AFFIDAVIT OF SUPPORT ON OR AFTER DECEMBER 19, 1997.

The Department must send a demand letter to the sponsor. The demand letter must include the amount owed, the reason for the claim, and the repayment options. The demand letter must tell the sponsor he will not have to repay, if he can show he did not give false statements or withhold information about his circumstances. Collection action may be stopped if documentation is obtained showing the sponsor cannot be located. Collection action may be stopped if the cost of collection exceeds the amount to be recovered. If the sponsor responds to the demand letter, a lump sum cash payment may be collected if the sponsor can pay the claim at one (1) time. If the sponsor cannot pay by lump sum, a monthly repayment schedule may be negotiated. Sponsor repayments must be recorded in the case file and identified as either an IHE or IPV claim.

Section 757 Page 1594

Department of Health and Welfare COLLECTING CLAIMS AGAINST SPONSORED LEGAL NON-CITIZENS. Claims may be collected against sponsored legal non-citizens with a sponsor who signed an I-864 affidavit of support on or after December 19, 1997. Action may be taken to collect by submitting an IHE or IPV. REIMBURSEMENT FOR BENEFITS RECEIVED. A sponsor who signed an affidavit on or after December 19, 1997 must reimburse the Department for the amount of Food Stamps received by the sponsored legal non-citizen. At the time of application for a sponsored legal non-citizen, the legal non-citizen's sponsor must be notified that he will be required to reimburse the Department for the entire amount of Food Stamps received by the sponsored legal non-citizen. 764. -- 774. (RESERVED) FOOD STAMPS FOR HOUSEHOLDS WITH IPV MEMBERS, INELIGIBLE FUGITIVE FELON, PROBATION/PAROLE VIOLATOR, WORK REQUIREMENT SANCTIONS, OR A MEMBER CONVICTED OF A CONTROLLED SUBSTANCE-RELATED FELONY. The Department calculates Food Stamp eligibility and benefit level for households containing members disqualified for an IPV, ineligible fugitive felon, probation/parole violator, members ineligible because of work requirement sanctions including JSAP, and Voluntary Quit, or a member ineligible because of a controlled substance-related felony. The household's Food Stamps must not increase because a household member is disqualified for IPV. 776. -- 790. (RESERVED) RESIDENT OF AN INSTITUTION. 791. A resident of an institution is not eligible for Food Stamps unless the resident meets one (1) of the requirements listed below. A person is a resident of an institution if the institution provides over fifty percent (50%) of the person's meals as a part of normal services. Residents must be otherwise Food Stamp eligible. Resident Under Housing Act. The resident is in Federally subsidized housing for the elderly, under Section 202 of the Housing Act or 236 of the National Housing Act. Narcotic Addict or Alcoholic. The resident is a narcotic addict or an alcoholic living and taking part in a treatment and rehabilitation program. Blind or Disabled. The person is a disabled or blind resident of a group living arrangement. 03. Battered Women and Children. The resident is a woman or a woman and her children, temporarily living in a shelter for battered women and children. a. The woman is a separate household from other shelter residents for Food Stamps. The woman and her children are a separate household from other shelter residents for Food Stamps. b. 05. Homeless Persons. The resident is a person living in a public or private nonprofit shelter for homeless persons.

PRERELEASE APPLICANTS FROM PUBLIC INSTITUTIONS.

Residents of public institutions who apply for prerelease program SSI may apply for Food Stamps before their release from public institutions. The application date is the date the person is released from the institution. Eligibility is based on the best estimate of a household's circumstances for the release month and the month after. Eligibility and Food Stamp amount are based on income and resources. Food Stamps for the initial month are prorated from the date the person is released from the institution to the end of the calendar month.

NARCOTIC ADDICT AND ALCOHOLIC TREATMENT CENTERS.

Section 762 Page 1595

O1. Center Provides Certification List. Each month, each center must give the Field Office a list of current client residents. The list's accuracy must be certified in writing by the center manager or designee. The Department must conduct random on-site visits to assure list accuracy. If the list is not accurate, or the Department fails to act on the change, the Department may transfer the Food Stamp amount from the center's account to the household's Food Stamp account, for the months the household was not living in the center.

853. DEPARTMENT INFORMING RESPONSIBILITIES.The Department must inform the Food Stamp household of what is expected of the household in the eligibility determination process. The Department must advise the household of the information listed below: ()

Section 850 Page 1598 01.

household's rights and responsibilities. (
be met. Eligibility Factors. The Department must inform the household of the eligibility factors that must
proven. Eligibility Factor Proof. The Department must inform the household all eligibility factors must be ()
04. Consequences of Failure to Cooperate. The Department must inform the household of the consequences for failure to provide proof of eligibility factors.
05. Methods for Getting Proof . The Department must inform the household of the alternate methods to prove eligibility when the household is unable to provide proof.
06. Department Methods for Getting Proof. The Department must inform the household of the methods it uses to prove eligibility when the household is unable to provide proof.
O7. Social Security Number Use. The Department must inform the household Social Security Numbers will be used to get wage, income and employment information. Information is obtained from the Department of Employment (DOE), the Social Security Administration (SSA) and the Internal Revenue Service (IRS).
854. DEPARTMENT WILL DOCUMENT ELIGIBILITY DECISIONS. The Department will document eligibility, ineligibility and Food Stamp issuance in the case record. The Department must record enough detail to support the Food Stamp determination.
855 860. (RESERVED)
861. NO DISCRIMINATION IN FOOD STAMP PROGRAM. The Department not allow human rights discrimination in the Food Stamp Program. The Department will administer the Food Stamp program so no applicant or recipient in Idaho is discriminated for or against due to race color, gender or age. The Department will administer the Food Stamp program so no applicant or recipient in Idaho is discriminated for or against, due to political or religious belief or affiliation, national origin, handicap or disability.
862. PUBLIC NOTICE FOR NO DISCRIMINATION. The Department must inform the public the Food Stamp Program is conducted without discrimination. The Department must display the U.S.D.A. poster " And Justice for All" in all Field Offices. The application form must inform the public the Food Stamp Program is conducted without discrimination. Department Food Stamp publications must inform the public the Food Stamp Program is conducted without discrimination.
863. DISCRIMINATION COMPLAINT INFORMATION. Field Offices must maintain copies of notices informing the public the Food Stamp Program is conducted without discrimination. These files must be available for inspection during reviews and audits.
864. DISCRIMINATION COMPLAINT PROCEDURE. Any person can file a discrimination complaint. The person may use the Department's complaint procedure. The person may file a complaint directly to FNS, to the Department or both. The Field Office must explain both procedures orally or in writing. The Field Office must explain the one hundred eighty (180) day filing time limit extensions and where to submit complaints. The Department must submit a written report describing the discrimination complaint and the action taken. This report is submitted to the Department's Civil Rights Coordinator. The Department must keep all complaints and complaint records for three (3) years.

Department programs include the Food Stamp Act, Federal regulations, Federal or Federally-aided means-tested

Households Rights and Responsibilities. The Department must inform the household of the

Section 854 Page 1599

DISCLOSURE OF INFORMATION.

assistance programs and general assistance programs with a means test and formal application procedures. The Department will make available to any Federal, State, or local law enforcement officer the address, SSN, and (if available) photograph of a Food Stamp recipient. The officer must furnish the recipient's name and notify the Department the person is fleeing to avoid prosecution, custody or confinement for a felony; violating a condition of parole or probation; or has information necessary for the officer to conduct an official duty related to a felony/parole violation.

866. AVAILABILITY OF PUBLIC INFORMATION.

Rules, plans of operation, procedures, manuals and instructions used to certify households must be available to the public. These materials must be available for public examination during regular office hours and workdays. Copies of audits or investigations, conducted by USDA, are for official use only and are not for public examination. ()

867. FOOD STAMP INFORMATION REQUIREMENTS.

Federal regulations and procedures in FNS notices and policy memos must be available for examination by the public. State plans of operation must be available for examination by the public. Examination may take place during office hours at Department headquarters. Handbooks must be available for examination upon request at each Field Office. The Department must provide information about Food Stamps through mass media, posters, fliers, pamphlets and face-to-face contacts. Minimum requirements are listed below:

- **01. Rights and Responsibilities**. Households must be informed of Food Stamp program rights and responsibilities.
- **02. Bilingual Information**. All program information must be available in Spanish. Spanish information must say the program is available without regard to race, color, sex, age, handicap, religious creed, national origin or political belief.

868. -- 871. (RESERVED)

872. PROGRAM TRANSFER DURING CERTIFICATION PERIOD.

Households changing from one (1) program to the other program within a certification period can do so only by ending participation. The household must tell the proper agency of its intent to switch programs. Households certified in either program on the first day of the month can only get that program's benefits during that month. A household, wanting to switch from one (1) program to the other program, must have its eligibility stopped for the currently certified program. Eligibility must end as of the last day of the month it chooses to change programs. The household must file an application for the program in which it wishes to take part.

873. -- 875. (RESERVED)

876. PERSONNEL REQUIREMENTS.

The Department must provide the qualified employees needed to assure prompt action on applications and issuance of benefits. Department employees certifying households for Food Stamps must be hired under Idaho Personnel Commission standards. Only qualified Department employees can interview households and determine eligibility and benefit amount. Only authorized employees or contractors of the Department may have access to Food Stamp cards or other issuance documents.

877. VOLUNTEERS.

Volunteers, or other persons not employed by the Department, can engage in certification-related activities. Volunteers, or other persons not employed by the Department, must not conduct interviews or certify households. Volunteers and other persons can teach nutrition education and provide transportation to the Field Offices. Volunteers and other persons can help households complete the application forms. Volunteers and other persons can help get proof for information reported on the application.

878. PERSONNEL AND FACILITIES OF PARTIES TO A STRIKE.

Persons or organizations, who are parties to a strike or lockout, cannot be used in any activity related to certification. These persons must not certify applicant households, interview households or help get proof for the households. These persons can give proof of information provided by households, if they are in the best position to confirm a household's circumstances. Facilities of persons or organizations who are parties to a strike or lockout cannot be used

)

)

)

166. FUGITIVE FELON OR PROBATION OR PAROLE VIOLATOR.

A participant is ineligible to receive AABD for any month during which he is fleeing to avoid prosecution for a felony, fleeing to avoid custody or confinement after a felony conviction, or violating a federal or state condition of probation or parole.

167. FRAUDULENT MISREPRESENTATION OF RESIDENCY.

A participant is ineligible for AABD for ten (10) years if he was convicted in a federal or state court of having fraudulently misrepresented residence to get AABD, SSI, TAFI, Food Stamps or Medicaid from two (2) or more states at the same time.

168. -- 199. (RESERVED)

200. RESOURCES DEFINED.

Resources are cash, personal property, real property, and notes receivable. A participant, or spouse, must have the right, authority, or power to convert the resource to cash. The participant must have the legal right to use the resource for support and maintenance.

201. RESOURCE LIMIT.

The value of countable resources must be two thousand dollars (\$2,000) or less, for a single person to be AABD eligible. A married person must have countable resources of three thousand dollars (\$3,000) or less to be eligible for AABD cash. Resources are counted the first moment of each calendar month and apply to the entire month.

202. CHANGE IN VALUE OF RESOURCES.

A change in the value of resources is counted the first moment of the next month.

203. RESOURCES AND CHANGE IN MARITAL STATUS.

A change in marital status changes the resource limit. The resource limit change is effective the month after individual participants are married, divorced, separated, or one (1) spouse dies.

204. FACTORS MAKING PROPERTY A RESOURCE.

Property of any kind is a resource if the participant has an ownership interest in the property and the legal right to spend or convert the property to cash.

205. COUNTING RESOURCES AND INCOME.

An asset cannot be counted as income and resources in the same month. Assets received in cash or in-kind during a month are income. Income held past the month received is a resource.

206. TYPES OF RESOURCES.

Liquid resources are resources in cash or resources convertible to cash within twenty (20) working days. Nonliquid resources are any resources, not in the form of cash, which cannot be converted to cash within twenty (20) workdays.

207. EQUITY VALUE OF RESOURCES.

Equity value is the fair market value of a resource, minus any debts on it.

208. SHARED OWNERSHIP RULE.

Except for checking and savings accounts and time deposits, each owner of shared property owns only his fractional interest in the property. The total value of the property is divided among the owners, in direct proportion to each owner's share.

209. CONVERSION OR SALE OF A RESOURCE NOT INCOME.

Payment from the sale, exchange, or replacement of a resource is not income. The payment is a resource. (

210. RESOURCES EXCLUDED BY FEDERAL LAW.

A resource excluded by federal law is not counted in determining the resource amount available to the participant.

Section 166 Page 1616

(

211. -- 214. (RESERVED)

215. DEEMING RESOURCES.

Resources are deemed from a spouse to a participant, from a parent or spouse of a parent to a child participant, from an essential person to a participant, or from a sponsor to a legal non-citizen participant. Resource deeming is determined by the participant's circumstances the first moment of the month. Deeming starts the first full calendar month the participant is in a deeming situation. Deeming ends the first full calendar month the participant is not in a deeming situation. Deeming to a child ends the month after the child's eighteenth birthday.

- **O1. Spouse of Adult Participant.** When a participant lives with a spouse, his resources include those of the spouse. The resource limit is for a couple, when the spouse was a member of the household as of the first moment of the benefit month. The AABD resource exclusions are subtracted. Pension funds the ineligible spouse has on deposit are excluded.
- **02.** Resources of Parent(s) of Child Under Age Eighteen. When a child participant, under age eighteen (18), is living with his parent or the spouse of his parent, their resources are deemed to the child. When there is more than one (1) child participant in the household, deemed parental resources are divided equally among the child AABD cash participants. When the child lives with one (1) parent, resources over the single person resource limit are deemed to the child. When the child lives with both parents, resources over the couple limit are deemed to the child. A stepparent's resources are not deemed to the child for Medicaid eligibility. A stepparent's resources are deemed to the child for AABD cash. Resources and exclusions of the child participant, and the parents, are computed separately. Pension funds owned by an ineligible parent or parent's spouse are excluded from resources for deeming.
- **03. Resources of Essential Person of Participant.** When a participant lives with an essential person, the resources of the essential person are deemed to the participant. The essential person's countable resources are combined with the participant's countable resources. When the essential person is not the participant's spouse, the single person resource limit is used. When the essential person is the participant's ineligible spouse, the couple resource limit is used.
- **04.** Resources of Legal Non-Citizen's Sponsor -- No INS Form I-864 Signed. A legal non-citizen's resources include those of his sponsor and of the sponsor's spouse. When the sponsor has not signed an I-864 affidavit of support, the resources deeming period is three (3) years after the legal non-citizen's admission to the U.S. A sponsor's resources are not deemed to the legal non-citizen for Medicaid eligibility.
- **a.** If the sponsor does not have a spouse living with him, the sponsor's countable resources over the single person resource limit are deemed to the legal non-citizen participant.
- **b.** If the sponsor's spouse lives with him, the sponsor couple's resources over the couple resource limit are deemed to the legal non-citizen participant.
- **c.** If a person sponsors two (2) or more legal non-citizen participants, the sponsor's deemed resources are divided and deemed equally to the legal non-citizen participants.
- **05. Resources of Legal Non-Citizen's Sponsor -- INS Form I-864 Signed.** For a legal non-citizen admitted to the U.S. on or after August 22, 1996, whose sponsor has signed an INS Form I-864 affidavit of support, all resources of the sponsor and sponsor's spouse are deemed to the legal non-citizen for AABD cash and Medicaid eligibility. Exceptions are listed in Subsections 215.05.a. and 215.05.b. of these rules.
- **a.** The legal non-citizen, or the legal non-citizen child's parent, was battered or subjected to extreme cruelty in the U.S. There is a substantial connection between the battery and the participant's need for assistance. The person subjected to the battery or cruelty no longer lives with the person responsible for the battery or cruelty.
 - **b.** Alien sponsor deeming is suspended for twelve (12) months, if the legal non-citizen is not able to

A space held by a legal non-citizen sponsor, or essential person, for his own burial is excluded only if the sponsor is a member of the participant's immediate family.

225. -- 234. (RESERVED)

235. EXCLUDED HOUSEHOLD GOODS AND PERSONAL EFFECTS.

Household goods and personal effects are excluded from resources, regardless of their dollar value. (

236. (RESERVED)

237. REAL PROPERTY DEFINITION.

Real property is land, including buildings or immovable objects attached permanently to the land. Real property is a resource unless excluded.

238. HOME AS RESOURCE.

An individual's home is property he owns, and serves as his principal place of residence. His principal place of residence is the place he considers his principal home. If the individual is absent from his home, it is still his principal place of residence if he intends to return.

- **01. AABD Cash, and Medicaid With the Exception of Long-Term Care.** For AABD Cash and Medicaid with the exception of long-term care, the value of an individual's home is an excluded resource.
- **02. Long-Term Care Services.** For long-term care services, when the value of a participant's equity in the home is seven hundred fifty thousand dollars (\$750,000) or less, the home is excluded as a resource. When the equity value exceeds seven hundred fifty thousand dollars (\$750,000), the individual is ineligible for long-term care services. The equity value, regardless of the amount, is an excluded resource when one (1) of the following applies:
 - a. The spouse of the individual lives in the home; or ()
- **b.** The individual's child, who is under age twenty-one (21), or is blind, or meets the disability requirements for AABD cash, lives in the home.

239. SALE OF EXCLUDED HOME AND REPLACEMENT.

If the participant plans to buy another excluded home, proceeds from the sale of a participant's excluded home are excluded resources. Proceeds from the sale of an excluded home must be used to replace the home within three (3) calendar months. Proceeds retained beyond three (3) calendar months are a countable resource.

240. REPLACEMENT OF EXCLUDED RESOURCES.

Cash and in-kind payments for replacement or repair of lost, damaged, or stolen excluded resources, are excluded resources for nine (9) months from the date received. This exclusion can be extended for cash payments, up to an additional nine (9) months. The extension can be made if, for the first nine (9) months, circumstances beyond the participant's control prevent repair or replacement of the lost, damaged or stolen property and keep the participant from contracting for repair or replacement. This exclusion can be extended for twelve (12) more months for a catastrophe the President declares a major disaster. Interest earned by funds excluded under this provision is excluded from resources.

241. UNDUE HARDSHIP EXCLUSION FROM SALE OF JOINTLY-OWNED REAL PROPERTY.

A participant's ownership interest, in jointly-owned real property, is an excluded resource, as long as sale of the property will cause undue hardship to a co-owner. Undue hardship results if a co-owner uses the property as his principal place of residence, would have to move if the property were sold, and has no other readily available housing.

242. INDIAN PROPERTY EXCLUDED.

For the purposes of determining eligibility for an individual who is an Indian, the following property is excluded:

Section 235 Page 1619

(
(

- **01. Property**. Real property and improvements located on a reservation, including any federally recognized Indian Tribe's reservation, pueblo, or colony, and Indian allotments on or near a reservation as designated and approved by the Bureau of Indian Affairs.
- **02. Natural Resources**. Ownership interest in rents, leases, royalties, or usage rights related to natural resources resulting from the exercise of federally protected rights.
- 03. Other Ownership Interests or Usage Rights. Ownership interests in or usage rights to property not covered by Subsections 242.01 or 242.02 of this rule that have a unique religious, spiritual, traditional, or cultural significance or rights that support subsistence or traditional lifestyle according to applicable tribal law or custom.

243. RESOURCES ASSOCIATED WITH PROPERTY.

Resources associated with real property are mineral rights, timber rights, easements, leaseholds, water rights, remainder interests, and sale of natural resources. These resources are counted as real property.

244. RESOURCES ESSENTIAL FOR SELF-SUPPORT EXCLUDED.

Resources are excluded as essential to self-support, if they fall into one (1) of the categories described in Subsections 244.01 through 244.03.

- **O1. Essential Property in Current Use.** Property in current use in the type of activity that qualifies it as essential to self-support is excluded, regardless of value or rate of return. Trade or business property, government permits, and personal property used by an employee for work are excluded regardless of value or rate of return. If the property is not in current use, for reasons beyond the participant's control, there must be a reasonable expectation the required use will resume. If the participant does not intend to resume the self-support activity, the property is a countable resource for the month after the month of last use.
- **02. Nonbusiness Property Producing Goods or Services.** Up to six thousand dollars (\$6,000) of the equity value of nonbusiness property, used to produce goods or services essential to daily activities, is excluded regardless of rate of return. Equity value over six thousand dollars (\$6,000) is not excluded. This exclusion is not used for income producing property.
- 03. Nonbusiness Income Producing Property. Up to six thousand dollars (\$6,000) equity in nonbusiness income producing property is excluded if it produces at least a six percent (6%) rate of return. The property must produce a net annual return equal to at least six percent (6%) of the excluded equity. If a participant owns more than one (1) piece of income producing property, the six percent (6%) return requirement applies to each. The six thousand dollars (\$6,000) equity value limit applies to the total equity value of all the properties meeting the six percent (6%) return requirement. If the earnings decline is for reasons beyond the participant's control, up to twenty-four (24) months can be allowed for the property to resume producing a six percent (6%) return. If the property still is not producing a six percent (6%) return at the end of the twenty-four (24) month extension, the resource exclusion must end the month after the month the twenty-four (24) month period ends.

245. RESOURCES SET ASIDE AS PART OF A PLAN FOR ACHIEVING SELF-SUPPORT (PASS) EXCLUDED.

PASS allows blind and disabled participants to set aside income and resources necessary for the achievement of its goals. Resources set aside as part of an approved PASS are excluded. The PASS disregard must not be applied to resources unless the participant would be ineligible due to excess resources. To disregard resources, the PASS must show how resources the participant has or will receive under the plan, will be used to obtain the PASS goal. The PASS must show how the disregarded resources will be identified separately from the participant's other resources. The PASS must list items or activities requiring savings or purchases and the amounts the participant anticipates saving or spending. The PASS must show a specific target date to achieve the objective.

246. LIMITED AWARD TO CHILD WITH LIFE-THREATENING CONDITION.

Any gift from a tax exempt nonprofit organization to a child under age eighteen (18), who has a life threatening condition, is excluded from resources under the conditions in Subsections 246.01 through 246.02.

Section 243 Page 1620

Section 247 Page 1621

268. SUPPORT AND MAINTENANCE ASSISTANCE (HOME ENERGY ASSISTANCE).

Support and Maintenance Assistance (SMA) is in-kind support and maintenance, or cash paid for food or shelter needs. It includes Home Energy Assistance. SMA Home Energy Assistance is aid to meet the costs of heating or cooling a home. SMA and Home Energy Assistance are excluded resources.

269. -- 270. (RESERVED)

271. VA MONETARY ALLOWANCES TO A CHILD BORN WITH SPINA BIFIDA.

VA monetary allowances to a child born with spina bifida, who is the child of a Vietnam veteran, are excluded resources.

272. WALKER V. BAYER PAYMENTS.

Class action settlement payments in Susan Walker v. Bayer Corporation, et al are excluded from resources for Medicaid by Public Law 105-33. These payments are not excluded for AABD cash.

273. -- 275. (RESERVED)

276. EXCLUDED REAL ESTATE CONTRACT.

The principal balance of a real estate contract is excluded from resources of a participant in long-term care when the Department determines it is in the Department's best interest to exclude the contract. The determination by the Department of its best interest is final.

277. FEES PAID TO A CONTINUING CARE RETIREMENT COMMUNITY (CCRC) OR LIFE CARE COMMUNITY.

An entrance fee to a CCRC or a life care community is a resource if the participant or applicant for long-term care has discretion to spend the fee or if the fee may be used to pay for care in a contingency. A CCRC or life care community is a type of long-term care facility that offers varying levels of care and in which a resident contracts with the facility to obtain care that is intended to endure for the remainder of the resident's life in exchange for valuable consideration.

278. TRUSTS

A trust is a resource to a participant with the legal right to revoke the trust, and use the principal for his own support and maintenance. See Sections 838 through 873 in these rules for treatment of trusts for Medicaid.

279. RETIREMENT FUNDS.

Retirement funds are work-related plans for providing income or pensions when employment ends. A retirement fund, owned by a participant, is a resource if he has the option of withdrawing a lump sum, even though he is not yet eligible for periodic retirement payments. If the participant is eligible for periodic retirement payments, the fund is not a countable resource. The value of a retirement fund is the amount of money a participant can currently withdraw from the fund.

280. INHERITANCE.

An inheritance is cash, a right, including probate allowances, trust payments and annuities, or noncash items received as the result of someone's death. Cash or noncash items in an inheritance are income the month received and a resource the next month. Participants are required to make claims and take all reasonable action necessary to obtain any inheritance to which they may be entitled. Failure to make such claims or take reasonable steps to obtain an inheritance is an asset transfer. A contested inheritance is not counted as a resource until the contest is settled and money is distributed.

281. LIFE INSURANCE.

A life insurance policy is an excluded resource if its face value, plus the face value of all other life insurance policies the participant owns on the same insured person, totals one thousand five hundred dollars (\$1,500) or less. If the face values exceed one thousand five hundred dollars (\$1,500) the policies are a resource in the amount of the cash surrender value.

282. CONSERVATORSHIP.

Funds required to be made available for the care and maintenance of a participant, under a court order, are the

Section 268 Page 1622

participant's resource. This is true even if the participant or his agent is required to petition the court to withdraw funds for the participant's care.

283. CONDITIONAL BENEFITS.

A participant ineligible due solely to excess nonliquid resources, can receive AABD cash and related Medicaid. The participant must meet two (2) conditions. First, his countable liquid resources must not exceed three (3) times the participant's AABD cash budgeted needs. Second, the participant agrees, in writing, to sell excess nonliquid resources at their fair market value, within three (3) months. The value of excess real property is not counted as a resource, as long as the participant makes reasonable efforts to sell the property at its fair market value, and his reasonable efforts to sell are not successful. This exclusion is also used to compute deemed resources.

- 01. Conditional Benefits Payments Disposal/Exclusion Period. The disposal period and exclusion period for excess nonliquid resources begins on the date the participant signs the Agreement to Sell Property. The disposal and exclusion periods can begin earlier for a participant who met all requirements to receive conditional benefits before his first opportunity to sign the Agreement to Sell Property. The participant must sign the Agreement to Sell Property before his application is approved.
- **O2.** Time Period for Disposal of Excess Resources. The disposal period for excess nonliquid personal property is three (3) months. One (1) three (3) month extension, for sale of personal property, is allowed when good cause exists.
- **03.** Good Cause for Not Making Efforts to Sell Excess Property. The participant has good cause exists for not making efforts to sell property, when circumstances beyond his control prevent his taking the required actions. Without good cause, the participant's countable resources include the value of the excess property, retroactive to the beginning of the conditional benefits period.

284. RESOURCE TRANSFER FOR LESS THAN FAIR MARKET VALUE.

Starting November 1, 2000, AABD cash participants are subject to a period of ineligibility if they transfer resources for less than fair market value. The participant is not subject to a period of ineligibility if his total countable resources in the transfer month were under two thousand dollars (\$2,000), even if he had kept the transferred resources. Excluded resources, except for the excluded home and associated property, are not subject to the resource transfer period of ineligibility. The exceptions to the period of ineligibility for transfer of resources are listed in Section 292.

- **01. Transfer of Resources**. Transfer of resources includes reducing or eliminating the participant's ownership or control of the resource. Transfer of resources includes giving away cash resources without receiving fair market value.
- **02.** Transfer of Resources by a Spouse. A transfer by the participant's spouse of either spouse's resources subjects the participant to the resource transfer period of ineligibility.
- **03. Transfer of Resources by a Co-Owner**. Transfer of the participant's resources by a co-owner subjects the participant to a period of ineligibility based on his share of the co-owed resources. ()
- **04.** Transfer of Resources by a Legal Representative. Transfer of the participant's resources by a legal representative such as a legal guardian or parent of a minor child subjects the participant to a period of ineligibility.

285. AABD PERIOD OF INELIGIBILITY FOR RESOURCE TRANSFERS.

The resource transfer period of ineligibility is a period of AABD ineligibility for up to sixty (60) months. The period of ineligibility begins the first day of the month after the transfer month. The participant must be notified, in writing, at least ten (10) days before a resource transfer period of ineligibility is imposed.

286. RESOURCE TRANSFER LOOK-BACK PERIOD.

The resource transfer penalty applies to any transfer for less than fair market value made during a period preceding a request for cash assistance. The look-back period is determined as follows:

Section 283 Page 1623

- **01. Transfers Prior to February 8, 2006.** For any resource transferred prior to February 8, 2006, the look-back period is thirty-six (36) months. The look-back period is counted from the month prior to the month the application was submitted.
- **O2.** Transfers On or After February 8, 2006. Any resource transferred on or after February 8, 2006, regardless of type, is subject to a look-back period of sixty (60) months. The look-back period is counted from the date of the application for cash, or the date of the transfer, whichever is later in time.

287. CALCULATING THE PERIOD OF INELIGIBILITY FOR RESOURCE TRANSFERS.

The period of ineligibility is the number of months computed by dividing the difference between the fair market value of the resource and the amount the participant received for the resource by the full AABD allowances for the participant's living arrangement. For an applicant, use the full AABD allowance for the application month. For a participant, use the full AABD allowances for the transfer month. For an AABD couple, the period of ineligibility is computed by dividing the difference between the fair market value of the resource and the amount the participant received for the resource by the full AABD allowances for the couple's living arrangement. The number of months of ineligibility is computed to two (2) decimal places and rounded down to the nearest whole number. If the amount transferred is less than the participant's AABD allowances for one (1) month, the participant is not subject to a period of ineligibility.

288. LENGTH OF PERIOD OF INELIGIBILITY.

The period of ineligibility begins with the month after the month the transfer took place. The period of ineligibility continues whether or not the participant receives AABD. Ineligibility continues until all the resources are returned to the participant or spouse, adequate consideration for all the resources is received, sixty (60) months passes, or the penalty period ends.

289. SPOUSE APPLIES AFTER PERIOD OF INELIGIBILITY IS COMPUTED.

If the spouse applies after the period of ineligibility is computed, compute the spouse's period of ineligibility by multiplying the number of months in the period of ineligibility already expired by the full AABD allowances for the couple's living arrangement. Subtract the total from the original difference between the fair market value of the resource and the amount the participant received for the resource. Divide the remaining difference between the fair market value of the resource and the amount the participant received for the resource by the full AABD allowances for the couple's living arrangement for the first month of ineligibility.

290. MULTIPLE RESOURCE TRANSFERS.

If the participant makes more than one (1) resource transfer, the difference between the fair market value of all the transferred resource's and the amount the participant received for all the transferred resources is used to determine the length of the period of ineligibility. The period of ineligibility begins with the month after the month of the first transfer.

291. TRANSFERS TO TRUSTS.

A trust established from the participant's resources is a resource transfer for less than fair market value, unless it meets an exception in Section 292 of these rules. If the trust includes resources of another person, the resource transfer period of ineligibility applies to the participant's share of the trust.

- **01. Payment from Trust Not for Participant**. If a payment is made to another individual from a trust counted as a resource, and the payment is not for the benefit of the participant, the payment is a resource transfer for less than fair market value.
- **Payment from Trust Restricted.** If the participant takes action so no payment from a trust counted as a resource can be made for any reason, the trust is a resource transfer for less than fair market value. By taking the action, the participant causes the trust to be no longer counted as a resource and the participant is subject to the period of ineligibility. The date of the action restricting payment is the date of the transfer.

292. PERIOD OF INELIGIBILITY EXCEPTIONS.

A participant or spouse is not subject to the resource transfer period of ineligibility if one (1) of the following conditions is satisfied.

Section 287 Page 1624

f.	The participant took a vow of poverty and gave the resources to a religious order.	()

Section 292 Page 1625

13. Undue Hardship. The participant proves failure to receive AABD would deprive him of food of shelter and his total available funds, including income and liquid resources, are less than his AABD allowances for the month he claims undue hardship. Undue hardship must be proven for each month of the period of ineligibility When determining total available funds for a child, count any income and resources deemed from his parents.
14. Exception to Fair Market Value. The amount received is reasonable, even if less than fair market value if a forced sale was done under reasonable circumstances, and little or no market demand exists for the type or resource transferred, or the resource was transferred to settle a legal debt approximately equal to the fair market value of the transferred resource.
15. No Benefit to Participant. The participant received no benefit from the resource because he or the spouse held title to the property only as a trustee for another person, or the transfer was done to clear title to property and the participant or spouse had no interest in the property that would benefit him.
16. Fraud Victim. The resource was transferred because the participant or spouse was the victim of fraud, misrepresentation, or coercion. The participant or spouse must take all possible steps to recover the resources or property or its equivalent in damages. The participant must assign recovery rights to the state of Idaho.
293. EFFECT ON MEDICAID ELIGIBILITY. Ineligibility for AABD cash because of property transfer does not make the participant ineligible for Medicaid.
294 299. (RESERVED)
300. INCOME DEFINITION. Income is anything that can be used to meet needs for food, or shelter. Income is cash, wages, pensions, in-kind payments, inheritances, gifts, awards, rent, dividends, interest, or royalties the participant receives during a month.
01. Cash Income . Cash income is currency, checks, money orders, or electronic funds transfers. Cash income includes Social Security checks, unemployment checks, and payroll checks. (
02. In-Kind Income . In-kind income is not cash. In-kind income is food or shelter. Wages paid as in kind earnings, such as food or shelter, are counted as unearned income. Other in-kind income is not counted.
03. Inheritances. An inheritance is cash, a right, or noncash items received as the result of someone's death. Cash or noncash items in an inheritance are income the month received and a resource the next month. A contested inheritance is not counted as income until the contest is settled and money is distributed.
301. APPLICATION FOR POTENTIAL BENEFITS. The participant must apply for benefits, including RSDI, VA, pensions, Workman's Compensation, or Unemploymen Insurance, when there is potential eligibility. The participant must apply when he reaches the earliest age to qualify for the benefit.
01. SSI . To get AABD cash, the participant must apply for SSI benefits, if he is potentially eligible. To get AABD-Medicaid, the participant does not have to apply for SSI benefits.
02. VAIP . Participants entitled to a VA pension as of December 31, 1978 are not required to file for Veterans Administration Improved Pension Plan (VAIP), to get AABD cash or AABD-related Medicaid. (
03. Other Benefits. EITC, TAFI, BIA General Assistance and victim's compensation benefits are

302.

IDAHO ADMINISTRATIVE CODE Department of Health and Welfare

IDAPA 16.03.05 Eligibility for Aid to the Aged, Blind, & Disabled

Income is counted as income in the current month. If the participant keeps countable income after the month received, it is counted as a resource.

202	XX/TIDAL	INCOME	TO	COUNTED
303	WHEN		15	

Income is counted the earliest of when received, when credited to a participant's account, or when set aside for the participant's use. Income from SSA, SSI or VA is counted for the month it is intended to cover.

304. PROSPECTIVE ELIGIBILITY.

Eligibility for AABD cash and Medicaid is prospective. Expected income for the month is compared to the participant's income limit that month.

305. PROJECTING MONTHLY INCOME.

Income is projected for each month to determine AABD cash amount. Past income may be used to project future income. Expected changes must be considered. Income received less often than monthly is not prorated or converted. Patient liability income is not prorated or converted.

306. CRITERIA FOR PROJECTING MONTHLY INCOME.

Monthly income is projected as described in this Subsections 306.01 through 306.08.

01. Converting Income to a Monthly Amount. If a full month's income is expected, but is received on other than a monthly basis, convert the income to a monthly amount using one (1) of the formulas in Subsections 306.01.a. through 306.01.d.

	TABLE 306.01 MONTHLY CONVERSION OF INCOME			
	Conversion Procedure			
a.	Weekly to Monthly	Multiply weekly amounts by 4.3.		
b.	Biweekly to Monthly	Multiplying bi-weekly amounts by 2.15.		
c.	Semimonthly to Monthly	Multiplying semi-monthly amounts by 2.		
d.	Exact Amount	Use the exact monthly income if it is expected for each month.		

02. Income Already Received. Count income already received during the month. Convert the actual income to a monthly amount if a full month's income has been received or is expected to be received as described in Subsections 306.02.a. and 306.02.b.

a. Actual income. If the actual amount of income from any pay period a month is known, use the actual pay period amounts to determine the total month's income. Convert the actual income to a monthly amount if a full month's income has been received or is expected.

- **b.** Projecting income. If no pay changes are expected, use the known actual pay period amounts for the past thirty (30) days to project future income. Convert the actual income to a monthly amount if a full month's income has been received or is expected.
- **03. Expected Income**. Count income the participant and the Department believe the participant will get. Convert expected income to a monthly amount as described in Subsections 306.03.a. through 306.03.d.

a. Exact income unknown. If the exact income amount is uncertain or unknown, the uncertain or unknown portion must not be counted. The certain or known amount is counted.

b. Income not changed. If the income has not changed and no changes are expected, past income can be used to project future income.

Section 303 Page 1627

.

IDAHO ADMINISTRATIVE CODE Department of Health and Welfare

IDAPA 16.03.05 Eligibility for Aid to the Aged, Blind, & Disabled

c.		If income change				(30) days	does not
reflect expected	income, income re	ceived over a longe	r period is use	d to project futur	e income.		()

- **d.** Seasonal income changes. If income changes seasonally, income from the last comparable season is used to project future income.
- **04. Ongoing Income**. Ongoing income comes from an ongoing source. It was received in the past and is expected to be received in the future. Convert ongoing income to a monthly amount as described in Subsections 306.04.a. through 306.04.d.
- **a.** Full month's income not expected from ongoing source. If a full month's income is not expected from an ongoing source, count the amount of income expected for the month. If actual income is known, use actual income. If actual income is unknown, project expected income. Convert income to a monthly amount. Use zero (0) income for any pay period in which income was not received that month.
- **b.** Income from new source. If a full month's income from a new source is not expected, count the actual income expected for the month. Do not convert the income to a monthly amount.
- **c.** Income stops. If income stops and no additional income is expected from the terminated source, count the actual income received during the month. Do not convert the terminated source of income.
- **d.** Full month's income not expected from new or stopped source. If a full month's income is not expected from a new or terminated source, count the income expected for the month. If the actual income is known, use the known income. If the actual income is unknown, project the income. Do not convert the income to a monthly amount if a full month's income from a new or terminated source is not expected.
- **05. Income Paid on Salary**. Income paid on salary, rather than an hourly wage, is counted at the expected monthly salary rate.
- **06. Income Paid at Hourly Rate**. Compute expected income paid on an hourly basis by multiplying the hourly pay by the expected number of hours the participant will work in the pay period. Convert the pay period amount to a monthly basis.
- **07. Monthly Income Varies**. When monthly income varies each pay period and the rate of pay remains the same, average the income from the past thirty (30) days to determine the average pay period amount. Convert the average pay period amount to a monthly amount. When income changes and income from the past thirty (30) days is not a valid indicator of future income, a longer period of income history is used to project income.
- **08. Income Received Less Often Than Monthly.** Recurring income, such as quarterly payments or annual income, is counted in the month received, even if the payment is for multiple months. The income is not prorated or converted. If the amount is known, use the actual. If the amount is unknown, use the best information available to project income.

307. COUNTING RESOURCES AND INCOME.

An asset cannot be counted as income and resources in the same month. Assets received in cash or in-kind during a month are income. Income held past the month received is a resource.

308. -- 309. (RESERVED)

310. ADOPTION ASSISTANCE UNDER TITLE IV-B OR TITLE XX.

Adoption assistance payments, provided under Title IV-B or Title XX of the Social Security Act, are excluded. Adoption assistance payments using funds provided under Title IV-E are income. The twenty dollar (\$20) standard disregard is not subtracted.

311. -- 312. (RESERVED)

Section 307 Page 1628

313. ASSISTANCE BASED ON NEED (ABON).

ABON is aid paid under a program using income as a factor of eligibility. ABON is funded wholly by a State, or a political subdivision of a State, or an Indian tribe, or a combination of these sources. Federal funds are not used. ABON is excluded.

314. (RESERVED)

315. BUREAU OF INDIAN AFFAIRS (BIA) FOSTER CARE.

BIA foster care payments are social services. They are excluded for the foster child and foster family.

316. BLIND OR DISABLED STUDENT EARNED INCOME.

To qualify for this exclusion, the student must be blind or disabled. The student must be under age twenty-two (22). The student must be regularly attending high school, college, university or course of vocational or technical training designed to prepare him for gainful employment. The maximum monthly and annual exclusions cannot exceed the limits set by SSI for the current year.

317. "BUY-IN" REIMBURSEMENT.

The SSA reimbursement for self-paid Medicare Part B "Buy-In" premiums is excluded. (

318. COMMODITIES, FOOD STAMPS, AND FOOD PROGRAMS.

Food, under the Federal Food Stamp Program, Donated Commodities Program, School Lunch Program, and Child Nutrition Program, is excluded. This includes free or reduced price food for women and children under the National School Lunch Act and the Child Nutrition Act of 1966.

319. CONTRIBUTIONS FOR RESIDENTIAL AND ASSISTED LIVING FACILITY RESIDENTS.

Contributions from a third party, for a participant residing in a Residential and Assisted Living Facility, are excluded. The contribution must be paid directly to the facility. The contribution must pay for items or services provided to the participant by the facility. The items or services must not be included in the participant's State Plan Personal Care Services or his Personal Care Supplement or must be charges for rent, utilities, or food exceeding the Personal Care Supplement Allowance. The participant must not be charged a higher rate than other residents of the facility. The person making the contribution must provide a signed statement identifying the item or service the payment covers, the reason the item or service is needed by the participant, and the monthly amount of the payment.

320. CONVERSION OR SALE OF A RESOURCE NOT INCOME.

Payment from the sale, exchange, or replacement of a resource is excluded. The payment is a resource that changed form.

321. CREDIT LIFE OR DISABILITY INSURANCE PAYMENTS.

Credit life or credit disability insurance covers payments on loans and mortgages, in case of death or disability. Insurance payments are made directly to loan or mortgage companies, and are not available to the participant. These payments are excluded.

322. DEPARTMENT OF EDUCATION SCHOLARSHIPS.

Any grant, scholarship, or loan, to an undergraduate for educational purposes, made or insured under any program administered by the Commissioner of Education, is excluded.

323. GIFTS OF DOMESTIC TRAVEL TICKETS.

A ticket for domestic travel received as a gift by a participant or spouse is excluded.

324. GRANTS, SCHOLARSHIPS, AND FELLOWSHIPS.

Any grant, scholarship, or fellowship, not administered by the Commissioner of Education, and used for paying tuition, fees, or required educational expenses is excluded. This exclusion does not apply to any portion set aside or actually used for food or shelter.

325. DISASTER ASSISTANCE.

Payments received because of a major disaster, declared by the President, are excluded. This includes payments to repair or replace the person's own home or other property, and disaster unemployment aid.

Section 313 Page 1629

326. DOMESTIC VOLUNTEER SERVICE ACT PAYMENTS.

Compensation, other than wages, provided to volunteers in the Foster Grandparents Program, RSVP, and similar National Senior Volunteer Corps programs under Sections 404(g) and 418 of the Domestic Volunteer Service Act is excluded.

327. EARNED INCOME TAX CREDITS.

Earned Income Tax Credits advance payments and refunds are excluded.

328. FEDERAL HOUSING ASSISTANCE.

Federal housing assistance listed in Subsections 328.01 through 328.05 is excluded.

- United States Housing Act of 1937. United States Housing Act of 1937, Section 1437 et seq. of 42
 - **O2.** The National Housing Act. The National Housing Act, Section 1701 et seq. of 12 U.S. Code.
- **03.** Housing and Urban Development Act of 1965. Section 101 of the Housing and Urban Development Act of 1965, Section 1701s of 12 U.S. Code, and Section 1451 of 42 U.S. Code.
 - **04.** Housing Act of 1949. Title V of the Housing Act of 1949, Section 1471 et seq. of 42 U.S. Code.
 - **05.** Housing Act of 1959. Section 202(h) of the Housing Act of 1959.

329. FOSTER CARE PAYMENTS.

Foster care payments using funds provided under Title IV-B or Title XX of the Social Security Act are excluded. Payments for foster care of a non SSI-child placed by a public or private non-profit child placement or child care agency are excluded. Foster care payments using funds provided under Title IV-E are income. The twenty dollar (\$20) standard disregard is not subtracted.

330. EXPENSE OF OBTAINING INCOME.

Essential expenses of obtaining unearned income are subtracted from the income. An expense is essential if the participant would not receive the income unless he paid the expense. Expenses of receiving income, such as withheld taxes, are not subtracted.

331. GARNISHMENTS.

Garnishments of unearned income are counted as unearned income. Garnishments of earned income are counted as earned income.

332. GERMAN REPARATIONS.

Reparations payments from the Federal Republic of Germany received on or after November 1, 1984 are excluded.

333. GOVERNMENT MEDICAL OR SOCIAL SERVICES.

Governmental payments authorized by Federal, State, or local law, for medical or social services, are excluded. Any cash provided by a nongovernmental medical or social services organization (including medical and liability insurers) for medical or social services already received is excluded.

Medical Services. Medical services are diagnostic, preventive, therapeutic, or palliative treatment. Treatment must be performed, directed, or supervised by a State licensed health professional. Medical services include room and board provided during a medical confinement. Medical services include in-kind medical items such as prescription drugs, eye glasses, prosthetics, and their maintenance. In-kind medical items include devices intended to bring the physical abilities of a handicapped person to a par with an unaided person who is not handicapped. Electric wheelchairs, modified scooters, and service animals and their food are in-kind medical items.

Section 326 Page 1630

O2. Social Service. A social service is any service, other than medical. A social service helps a handicapped or socially disadvantaged person to function in society on a level comparable to a person not handicapped or disadvantaged. Housebound and Aid and Attendance Allowances, including Unusual Medical Expense Allowances, received from the Veterans Administration are excluded.

334. HOME ENERGY ASSISTANCE (HEA) AND SUPPORT AND MAINTENANCE ASSISTANCE (SMA).

SMA is in-kind support and maintenance, or cash paid for food or shelter needs. SMA includes HEA. HEA is aid to meet the costs of heating or cooling a home. SMA must be provided in-kind by a nonprofit organization. HEA must be provided in cash or in-kind by suppliers of home heating gas or oil or a municipal utility providing home energy. SMA and HEA are excluded.

335. HOME PRODUCE FOR PERSONAL USE.

Home produce is excluded if it is consumed by the participant or his household. Home produce includes livestock grown for personal consumption.

336. IN-HOME SUPPORTIVE SERVICES.

Payments made by Title XX or other governmental programs to pay an ineligible spouse or ineligible parent for inhome supportive services provided to a participant are excluded. In-home supportive services include attendant care, chore services and homemaker services.

337. INCOME EXCLUDED BY LAW.

Any income excluded by Federal statute, is excluded.

()

338. INFREQUENT OR IRREGULAR INCOME.

The first thirty dollars (\$30) of earned income and the first sixty dollars (\$60) of unearned income per calendar quarter are excluded, when they are infrequent or irregular payments. Income is infrequent if the participant receives it once in a calendar quarter from a single source. Income is irregular if the participant could not reasonably expect to receive it.

339. (RESERVED)

340. LOANS.

Loans are excluded, if the participant has signed a written repayment agreement. The signed agreement must state how the loan will be repaid. The signed written agreement can be obtained after the loan is received. Items bought on credit are paid with a loan and are not income. Money repaid to a participant on the principal of a loan is not income, it is a resource. Interest received by a participant on money loaned by him is countable income.

341. MANPOWER DEVELOPMENT AND TRAINING ACT PAYMENTS.

Payments made under the Manpower Development and Training Act of 1962, as amended by the Manpower Act of 1965 are excluded.

342. NATIVE AMERICAN PAYMENTS.

Payments authorized by law made to people of Native American ancestry are excluded.

()

343. (RESERVED)

344. NUTRITION PROGRAMS FOR OLDER AMERICANS.

Payments, other than a wage or salary, made under Chapter 35 of Title 42 of the U.S. Code, Programs for Older Americans, are excluded.

345. PERSONAL SERVICES.

A personal service performed for a participant is excluded. Personal services include lawn mowing, house cleaning, grocery shopping, and baby sitting.

346. (RESERVED)

Section 334 Page 1631

)

347. REBATES, REFUNDS, AABD UNDERPAYMENTS AND REPLACEMENT CHECKS. Rebates, refunds, AABD underpayments and returns of money already paid are excluded. A replacement check is

excluded. ()

348. RELOCATION ASSISTANCE.

Relocation payments under Title II of the Uniform Relocation Assistance and Real Property Acquisitions Policies Act of 1970, Subchapter II, Chapter 61, Title 42 of the U.S. Code are excluded. Relocation payments, paid to civilians of World War II per Public Law 100-383, are excluded.

349. REPLACEMENT OF INCOME ALREADY RECEIVED.

Replacement of a participant's lost, stolen, or destroyed income is excluded.

350. RETURN OF MISTAKEN PAYMENTS.

A returned mistaken payment is excluded. If the participant keeps the mistaken payment, it is income.

351. TAX REFUNDS.

Refunds of Federal, State or local taxes paid on income, real property, or food bought by the participant and his family, are excluded.

352. UTILITY PAYMENTS.

Payments for utility costs made to low-income housing tenants by a local housing authority are excluded when paid directly to the tenant or jointly to the tenant and the utility company.

353. (RESERVED)

354. VICTIMS' COMPENSATION PAYMENTS.

Any payment made from a State-sponsored fund to aid victims of crime is excluded.

355. VOCATIONAL REHABILITATION SERVICES PAYMENTS.

Payments other than wages made to an eligible handicapped individual employed in a Vocational Rehabilitation Services project under Title VI of the Rehabilitation Act of 1973 are excluded.

356. VOLUNTEER SERVICES INCOME.

Payments to volunteers under Chapter 66 of Title 42 of the U.S. Code Domestic Volunteer Services (ACTION programs) are excluded. Payments are not excluded, if the Director of the ACTION agency determines the value, adjusted for hours served, is equal to or greater than the Federal or State minimum wage.

357. WALKER V. BAYER PAYMENTS.

Class action settlement payments in Susan Walker v. Bayer Corporation, et al are excluded for Medicaid but not for AABD cash.

358. WEATHERIZATION ASSISTANCE.

Weatherization assistance is excluded. (

359. TEMPORARY CENSUS INCOME.

For Medicaid only, all wages paid by the Census Bureau for temporary employment related to U.S. Census activities are excluded.

360. -- 399. (RESERVED)

400. EARNED INCOME.

Earned income remaining after disregards and exclusions are subtracted is counted in computing AABD cash. Wages are counted the month they become available to the participant.

401. COMPUTING SELF-EMPLOYMENT INCOME.

Countable self-employment income is the difference between the gross receipts and the allowable costs of producing the income, if the amount is expected to continue. Self-employment income is computed using one (1) of the methods

452. DEEMING INCOME FROM INELIGIBLE SPOUSE TO PARTICIPANT. Income is deemed from an ineligible spouse to the participant, if they live together. Income is deemed as described in Subsections 452.01 through 452.08.

	TABLE 452 - INCOME DEEMED FROM INELIGIBLE SPOUSE		
	Step	Procedure	
01.	Compute Child's Living Allowance.	Compute the living allowance for each ineligible child in the household. The living allowance is the difference between the basic allowance for a person living alone and the basic allowance for a couple. Round up cents to the next dollar. A child receiving public income-maintenance payments does not get a living allowance. Subtract the child's unearned income from his living allowance. Subtract the child's earned income from any living allowance remaining.	
02.	Adjust Spouse Income with Child's Living Allowance	Subtract the remaining living allowance, for each ineligible child in the household, from the ineligible spouse's gross unearned income, then from gross earned income.	
03.	Add Adjusted Earned and Unearned Incomes	Add adjusted earned and unearned income. This is the deemed income of the ineligible spouse.	

Section 452 Page 1638

	TABLE 452 - INCOME DEEMED FROM INELIGIBLE SPOUSE		
	Step Procedure		
04.	Compute Participant's Needs as a Single Person	Compute the participant's budgeted AABD needs as if he was a single person, living alone.	
05.	Deemed Income Equal to or Less Than One-Half of Participant's Needs	If the deemed income is equal to, or less than, one-half of the participant's budgeted needs, computed as if he was a single person living alone, no income is deemed from the ineligible spouse.	
06.	Deemed Income More Than One-Half Participant's Needs	If the deemed income is more than one-half of the participant's budgeted needs, computed as if he was a single person living alone, continue the deeming process.	
		Add the remaining earned and unearned ineligible spouse deemed income (after the ineligible child deduction) to the gross earned and unearned incomes of the participant. This is the total earned and unearned income.	
		Subtract the standard disregard of twenty dollars (\$20) from the total unearned income. If the total unearned income is less than twenty dollars (\$20), subtract the remainder from the total earned income.	
07.	Compute Participant's Income	Subtract the earned income disregard of sixty-five dollars (\$65) from the earned income. Subtract one-half of the remaining earned income. Combine the remaining unearned income and the remaining earned income to compute the participant's total countable income.	
		Determine the couple's budgeted needs as if they were an eligible couple. If the participant's countable income, including deemed income, is more than the couple's budgeted needs, the participant is ineligible. If the participant's countable income, including deemed income, is less than the couple's budgeted needs compute the participant's AABD cash.	
		Subtract the participant's countable and deemed incomes from the couple's budgeted needs, to compute the budget deficit.	
08.	Determine AABD Cash	Compute a second budget deficit, using the participant's income, and the single person budgeted needs.	
		AABD cash is the smaller of the two (2) budget deficits.	

453. DEEMING INCOME FROM INELIGIBLE PARENT TO AABD CHILD. Income is deemed from an ineligible parent, or his ineligible spouse, to a child participant under age eighteen (18) living in the same household. A stepparent's income is deemed to the child for AABD cash, but not Medicaid. The income is deemed as described in Subsections 453.01 through 453.11.

Section 453 Page 1639

	TABLE 453 - INCOME DEEMED FROM INELIGIBLE PARENT		
	Step Procedure		
		Compute the living allowance for each ineligible child in the household. The living allowance is the difference between the basic allowance for a person living alone and the basic allowance for a couple. Round up cents to the next dollar. A child receiving public income-maintenance payments does not get a living allowance.	
01.	Compute Child's Living Allowance	Subtract the child's unearned income from his living allowance. Subtract the child's earned income from any living allowance remaining.	
		Subtract the remaining living allowance, for each ineligible child in the household, from the ineligible parents unearned income. If any living allowance remains subtract it from the parent's earned income.	
02.	Remaining Parental Income	The parent may have remaining income. Go to Subsection 453.03.	
03.	Subtract Income Disregard	Subtract one (1) standard twenty dollar (\$20) disregard from the unearned income of the parents. If unearned income is less than twenty dollars (\$20) subtract the balance of the twenty dollars (\$20) from the earned income of the parents.	
04.	Subtract Earned Income Disregard	Subtract one (1) sixty-five dollar (\$65) earned income disregard from the earned income of the parents. Subtract one-half (1/2) of the remaining balance of the earned income of the parents.	
05.	Combine Income	Combine any remaining parental earned income with any remaining parental unearned income.	
06.	Compute Living Allowance for Parent	Compute a living allowance for the ineligible parent. For one (1) parent, the living allowance is the basic allowance for a person living alone. For two (2) parents, the living allowance is the basic allowance for a couple. A parent receiving public income maintenance payments does not get a living allowance.	
07.	Subtract Living Allowance	Subtract the parent living allowance from the remaining balance of the parent's income. This is the deemed parental income.	
08.	Divide Deemed Income	If there is more than one (1) child participant in the household, the deemed parental income is divided equally between those children. Each child's share of parental income must only reduce the amount of his AABD cash to zero, when combined with the child's own countable income. Excess deemed parental income, remaining after a child participant's AABD cash is reduced to zero, is divided equally between the other child participants in the household. The excess deemed income is combined with their share of the parental income available for deeming.	

Section 453 Page 1640

	TABLE 453 - INCOME DEEMED FROM INELIGIBLE PARENT		
Step Procedure		Procedure	
09.	Subtract Disregard	Subtract the standard twenty dollar (\$20) disregard from each child participant's unearned income, including deemed income. If a child's total unearned income is less than twenty dollars (\$20), subtract the balance of the standard disregard from the child's earned income.	
10.	Subtract Disregard	Subtract the sixty-five dollar (\$65) earned income disregard and one-half of the balance from each child's own earned income.	
11.	Combine Income	Combine each child's unearned income with his earned income. If the child's remaining countable income is less than his actual budgeted needs, the child has a budget deficit. If the child is otherwise eligible, his AABD cash is the budget deficit.	

454. DEEMING INCOME FROM ESSENTIAL PERSON TO PARTICIPANT.

If a participant and an essential person live in the same household, the essential person's income is deemed to the participant. If essential person deeming makes the participant ineligible, do not use essential person deeming. The income is deemed as described in Subsections 454.01 through 454.06.

	TABLE 454 - DEEMING FROM ESSENTIAL PERSON TO PARTICIPANTS		
	Step Procedure		
01.	Compute Income	Compute the total earned and unearned income of the essential person. Subtract income exclusions.	
02.	Subtract Disregard	Subtract income exclusions and disregards from the participant's income.	
03.	Add Unearned Income	Add the income from Subsection 454.01 to the participant's unearned income.	
04.	Add Earned Income	Add the participant's remaining earned income from Subsection 454.02 to the income in Subsection 454.03. This is the participant's countable income.	
05.	Compute Needs	Compute the participant's budgeted needs, as though the participant and the essential person were an AABD couple.	
06.	Subtract Income	Subtract participant's income in Subsection 454.04 from his budgeted needs. The difference is the participant's AABD cash.	

455. DEEMING INCOME FROM INELIGIBLE SPOUSE TO PARTICIPANT AND CHILD PARTICIPANT.

If a participant, his ineligible spouse and their child participant live in the same household, income is deemed from the participant to the child participant. The income is deemed as described in Subsections 455.01 through 455.03.

,	TABLE 455 - DEEMING FROM INELIGIBLE SPOUSE TO PARTICIPANT AND CHILD PARTICIPANT		
	Step	Procedure	
01.	Compute AABD cash	Use the procedures in Table 452, to determine if the participant is eligible for AABD cash. If the participant is eligible, no income is deemed to the child participant.	

Section 454 Page 1641

1	TABLE 455 - DEEMING FROM INELIGIBLE SPOUSE TO PARTICIPANT AND CHILD PARTICIPANT	
	Step	Procedure
02.	Participant Not Eligible	If the participant has too much income, including deemed income, to be eligible for AABD cash, all income over the amount needed to reduce the participant's AABD cash to zero is deemed to the child participant.
03.	Divide Deemed Income	If there is more than one (1) child participant in the household, the deemed parental income is divided equally between those children. Each child's share of parental income must only reduce the amount of his AABD cash to zero, when combined with the child's own countable income. Excess deemed parental income, remaining after a child participant's AABD cash is reduced to zero, is divided equally between the other child participants in the household. The excess deemed income is combined with their share of the parental income available for deeming.

456. DEEMING INCOME FROM SPONSOR TO LEGAL NON-CITIZEN PARTICIPANT -- NO I-864 AFFIDAVIT OF SUPPORT.

Deem income as described in this Section, if the legal non-citizen's sponsor signed an affidavit of support other than the I-864. The deemed income is counted, even if the participant does not live in the sponsor's household. The sponsor's income is not deemed to the participant for Medicaid.

- **01.** Three Year Limit. Effective October 1, 1996 the deeming period, regardless of admission date, is three (3) years after the date the legal non-citizen is lawfully admitted. Deeming stops the end of the month, three (3) years from the date the sponsored participant lawfully entered the U.S. for permanent residence.
- **O2. Sponsored Legal Non-Citizen Exempt from Deeming.** A lawfully admitted legal non-citizen participant is exempt from sponsor deeming if one (1) or more of the conditions in Subsections 456.02.a. through 456.02.m. applies.
 - **a.** Refugee. The legal non-citizen was admitted to the U.S. as a refugee, asylee, or parolee. ()
- **b.** Applied before October 1, 1980. The legal non-citizen first applied for AABD before October 1, 1980.
 - **c.** Permanent resident. The legal non-citizen is a permanent resident under color of law. ()
- **d.** Sponsored with job. The legal non-citizen's entry into the U.S. was sponsored by a church, other social service organization, or an employer who has offered him a job.
 - e. Blind or disabled. The legal non-citizen becomes blind or disabled after he is admitted to the U.S.
- **f.** Legal non-citizen lives with spouse. The legal non-citizen was sponsored by and resides in the same household with his ineligible spouse or ineligible parent. Use ineligible spouse and ineligible parent deeming, not sponsor deeming.
 - g. Sponsor dies. The legal non-citizen's sponsor dies. ()
- **h.** Legalized legal non-citizen. The legal non-citizen was legalized under the Immigration Reform and Control Act of 1986.
 - i. Resided for thirty-six (36) months. The legal non-citizen has lived in the U.S. for thirty-six (36)

Section 456 Page 1642

months beginning with the month he was admitted for permanent residence or granted permanent residence status.

- **j.** Registry legal non-citizen. The legal non-citizen was admitted under Section 249 of the INA as a registry legal non-citizen.
- **k.** Amerasian legal non-citizen. The legal non-citizen is an applicant for permanent residence who is an Amerasian or a specified relative of an Amerasian. The Amerasian must be born in Vietnam between January 1, 1962 and January 1, 1976. A specified relative is a spouse, child, parent or stepparent of the Amerasian, or someone who has acted in the place of a parent of an Amerasian and/or his spouse or child.
- l. Cuban/Haitian. The legal non-citizen is an applicant for adjustment under the Cuban/Haitian provisions of Section 202 of the Immigration Reform and Control Act of 1986.
- **03. Sponsor/Legal Non-Citizen Relationships**. Sponsor/legal non-citizen relationships and deeming rules are listed in Subsections 456.03.a. through 456.03.f.

	TABLE 456.03 - SPONSOR/LEGAL NON-CITIZEN RELATIONSHIPS AND DEEMING		
	Step	Procedure	
a.	Sponsor is Spouse	If the legal non-citizen's sponsor is his ineligible spouse, and the couple does not live together, sponsor to legal non-citizen deeming is used.	
b.	Legal Non-Citizen is a Child	If the legal non-citizen is a child, and does not live with his sponsor parent(s), sponsor to legal non-citizen deeming is used.	
c.	Child With Ineligible Parent	If the participant is a child whose ineligible parent(s) and sponsor both have income available for deeming to him, the income of the ineligible parent(s) is deemed as in Section 376.	
d.	Child Eligible After Parent Deeming	If the child remains eligible after income is deemed from his ineligible parent(s), the sponsor's income is deemed to him under the sponsor to legal non-citizen deeming procedures.	
e.	Participant Couple With Sponsors	If each member of a participant couple has his own sponsor, separate deeming computations are used. The couple's countable income includes the combined deemed incomes.	
f.	Member of Couple Not Eligible	If one (1) member of a couple with separate sponsors is not eligible, the ineligible spouse's income is deemed to the participant as in Section 379. This is in addition to income deemed from the sponsor.	

O4. Sponsor to Legal Non-Citizen Deeming Procedures. Budget the legal non-citizen's actual needs, as if he is a single person living alone. Subtract the legal non-citizen's own income, less exclusions and disregards. Subtract the couple's income, less exclusions, from their needs. If there is no budget deficit, the participant is not eligible. If there is a budget deficit, follow the procedures in Subsections 456.04.a. through 456.04.d. to compute sponsor deemed income.

	TABLE 456.04 - SPONSOR TO LEGAL NON-CITIZEN DEEMING PROCEDURES	
	Step	Procedure
a.	Compute Income	Compute the gross monthly earned and unearned income of the sponsor, and the sponsor's spouse, if living with him.

Section 456 Page 1643

	TABLE 456.04 - SPONSOR TO LEGAL NON-CITIZEN DEEMING PROCEDURES		
	Step	Procedure	
b.	Subtract Living Allowance	Subtract a living allowance for the sponsor the sponsor's spouse, if living with him. The sponsor's living allowance is the basic allowance for a single person living alone. The living allowance for the sponsor's spouse is one-half the basic allowance for a single person living alone. Round up cents to the next dollar.	
C.	Subtract Dependent Living Allowance	Subtract a living allowance for each dependent claimed by the sponsor on his most recent Federal tax return. Do not subtract an allowance for the sponsor's spouse in this step. The living allowance is one-half the basic allowance for a single person living alone. Round up cents to the next dollar. Do not reduce the living allowance by the dependent's income.	
d.	Deem Income	Income remaining is deemed to the participant from the sponsor.	

457. DEEMING INCOME FROM SPONSOR TO LEGAL NON-CITIZEN -- SPONSOR SIGNED INS FORM I-864 AFFIDAVIT OF SUPPORT.

If the legal non-citizen's sponsor has signed an INS form I-864 affidavit of support, all income of the sponsor and the sponsor's spouse is deemed to the legal non-citizen for AABD cash and Medicaid eligibility. Deeming continues until the legal non-citizen becomes a naturalized citizen or has forty (40) quarters of work. Exceptions are listed in Subsections 457.01 and 457.02.

- **01. Battery Exception**. The legal non-citizen, or the legal non-citizen child's parent, was battered or subjected to extreme cruelty in the U.S. There is a substantial connection between the battery and the participant's need for assistance. The person subjected to the battery or cruelty no longer lives with the person responsible for the battery or cruelty.
- **02. Indigence**. Alien sponsor deeming is suspended for twelve (12) months, if the legal non-citizen is not able to get food and shelter without AABD cash.

458. -- 499. (RESERVED)

500. FINANCIAL NEED.

The participant has financial need if his allowances, as described in Sections 501 through 513 of these rules, are more than his income.

501. BASIC ALLOWANCE.

Each participant receives a basic allowance unless he lives in a nursing facility. The basic allowance for each living arrangement is listed in Subsections 501.01 through 501.03 of this rule. The Semi-Independent Group Residential Facility, Room and Board, Residential and Assisted Living Facility and Certified Family Home basic allowances are those in effect January 1, 2001. They do not change with the annual cost-of-living increase in the federal SSI benefit amount.

01. Budgeted Monthly Allowance Based On Level of Care. A participant is budgeted a monthly allowance for care based on the level of care received as described in Section 515 of these rules. If the participant

Section 502 Page 1645

1st of each year. The basic allowance increase will be rounded to the nearest dollar.

does not require State Plan Personal Care Services (PCS), his eligibility and allowances are based on the Room and Board rate in Section 512 of these rules.

02. Care Levels and Monthly Allowances. Beginning January 1, 2006, care levels and monthly allowances are those listed in Table 513.02 of these rules. Beginning July 1, 2013, the RALF and CFH allowances for participants living in a RALF or CFH on State Plan PCS will be adjusted annually by the percentage of the annual cost-of-living increase in the federal SSI benefit rate for a single person. This adjustment will be effective on January 1st of each year. This increase will be rounded to the next dollar.

TABLE 513.02 - STATE PLAN PCS CARE LEVELS AND ALLOWANCES AS OF 1-1-06					
	Level of Care	Monthly Allowance			
a.	Level I	Eight hundred and thirty-five dollars (\$835)			
b.	Level II	Nine hundred and two dollars (\$902)			
C.	Level III	Nine hundred and sixty-nine dollars (\$969)			

03. CFH Operated by Relative. A participant living in a Certified Family Home (CFH) operated by his parent, child or sibling is not entitled to the CFH State Plan PCS allowances. He may receive the allowance for a person living with a relative as described in Section 501 of these rules. A relative for this purpose is the participant's parent, child, sibling, aunt, uncle, cousin, niece, nephew, grandparent or grandchild by birth, marriage, or adoption.

514. AABD CASH PAYMENTS.

Only a participant who receives an SSI payment for the month is eligible for an AABD cash payment in the same month. The AABD cash payment amount is based on the participant's living arrangement described in Subsections 514.01 through 514.04 of this rule. An AABD cash payment is the difference between a participant's financial need and his countable income. If the difference is not an even dollar amount, AABD cash is paid at the next higher dollar. AABD cash is paid electronically as provided in IDAPA 16.03.20, "Electronic Payments of Public Assistance, Food Stamps, and Child Support."

- **01. Single Participant Maximum Payment.** For a single participant described in Section 501.01 of these rules, the maximum monthly AABD cash payment amount is fifty-three dollars (\$53).
- **02.** Couple or Participant Living with Essential Person Maximum Amount. For participants described in Subsection 501.02 of these rules, the maximum monthly AABD cash payment amounts are: ()
 - a. A couple receives twenty dollars (\$20); or
 - **b.** A participant living with essential person receives eighteen dollars (\$18).
- **03. Semi-Independent Group Maximum Payment.** For a participant described in Subsection 501.03 and Section 511 of these rules, the maximum monthly AABD cash payment amount is one hundred sixty-nine dollars (\$169).
- **04. Room and Board Maximum Payment**. For a participant described in Section 512 of these rules, the maximum monthly AABD cash payment is one hundred ninety-eight dollars (\$198).
- **05. RALF and CFH.** A participant residing in a RALF or CFH is not eligible for an AABD cash payment.
- 515. RESIDENTIAL AND ASSISTED LIVING FACILITY CARE AND CERTIFIED FAMILY HOME ASSESSMENT AND LEVEL OF CARE.

Section 514 Page 1646

IDAHO ADMINISTRATIVE CODE Department of Health and Welfare

IDAPA 16.03.05 Eligibility for Aid to the Aged, Blind, & Disabled

The participant's need for care, level of care, plan of care, and the licensed facility's ability to provide care is assessed by the Bureau of Long-Term Care Services (BLTCS) when a participant is admitted. The BLTCS must approve the placement before Medicaid can be approved.

516. CHANGE IN LEVEL OF CARE.

A change in the participant's level of care affects eligibility as described in Subsections 516.01 and 516.02 of this rule.

- **01. Increase in Level of Care.** An increase in level of care is effective the month the BLTCS reassesses the level of care.
- **O2. Decrease in Level of Care.** When the BLTCS verifies the participant has a decrease in his level of care, and his income exceeds his new level of care, his Medicaid must be stopped after timely notice. When the BLTCS determines the participant no longer meets any level of care, his eligibility and allowances are based on the Room and Board rate in Section 512 of these rules.

517. -- 520. (RESERVED)

521. MOVE FROM RESIDENTIAL CARE AND ASSISTED LIVING FACILITY OR CERTIFIED FAMILY HOME TO LIVING SITUATION OTHER THAN A NURSING HOME OR HOSPITAL.

A participant may move from a licensed facility to a living situation, other than a nursing home or hospital. No change to his Medicaid income limit is made, based on the move, until the next month.

522. -- 523. (RESERVED)

524. MOVE FROM NURSING HOME OR HOSPITAL.

If a participant moves from a nursing home or hospital to a different living situation, other than a residential and assisted living facility or certified family home, his AABD cash for the month is determined as if he lived in his new situation the entire month. His AABD cash is his AABD allowances less his countable income.

525. -- 530. (RESERVED)

531. COUPLE BUDGETING.

Income of an AABD participant and his participant spouse living in the same household is combined. The twenty dollar (\$20) standard income disregard and the sixty-five dollar (\$65) earned income disregard are subtracted once a month, per couple. Each member of a couple living in an institution must have income budgeted as a single person. A couple living together as of the first day of a month, is counted as living together throughout that month. Budgeting as a couple continues through the month the couple stops living together. For couple budgeting, a household is a home, a rental, another's household, or room and board.

532. -- 539. (RESERVED)

540. STANDARD DISREGARD.

The standard disregard is twenty dollars (\$20). The standard disregard is first subtracted from unearned income. If the unearned income is less than the standard disregard, the remainder of the standard disregard is subtracted from earned income. The participant retains the standard disregard for his personal use.

- **01. Standard Disregard and a Couple**. Subtract the standard disregard only once a month from the combined income of a couple in the same household.
- **02. Standard Disregard Exception**. The standard disregard must not be subtracted from nonservice-connected VA payments, Title IV-E foster care payments, or BIA General Assistance.

541. SUBTRACTION OF EARNED INCOME DISREGARDS.

Earned income disregards are subtracted from AABD earned income in the order listed in Sections 542 through 547. They are subtracted the month the income is paid.

Section 516 Page 1647

542. SIXTY-FIVE DOLLAR EARNED INCOME DISREGARD.

Sixty-five dollars (\$65) of earned income in a month are not counted. Subtract the sixty-five dollar (\$65) disregard only once a month from the combined income of a couple in the same household. The sixty-five dollar (\$65) disregard is a work incentive. The participant retains the sixty-five dollar (\$65) disregard for his personal use.

543. IMPAIRMENT-RELATED WORK EXPENSE (IRWE) DISREGARD. Impairment-related work expenses are items and services needed and used by a disabled AABD participant to work. The items must be needed because of the participant's impairment. The items may be bought or rented. The cost for impairment-related work expenses is subtracted from the participant's earned income, for eligibility and AABD cash amount. An item disregarded as a blindness work expense, or as part of a PASS, cannot be disregarded as an impairment-related work expense. ONE-HALF REMAINING EARNED INCOME DISREGARD. One-half (1/2) of remaining earned income, after the IRWE is subtracted, is not counted. The one-half (1/2) of remaining earned income is a work incentive. The participant retains the one-half (1/2) of remaining earned income for his personal use. BLINDNESS WORK EXPENSE DISREGARD. 545. The cost of earning income is subtracted from the earned income of a blind person. The blind person must be under age sixty-five (65). If the blind person is age sixty-five (65) or older, he must receive SSI for blindness, or have received AABD the month before he became sixty-five (65). Blind Work Expense Limit. Blindness work expenses are subtracted from earned income. The amount subtracted must not exceed the participant's monthly earnings. No Duplication for Blind Work Expenses. Expenses, subtracted under the impairment-related work expense disregard, cannot be subtracted again under this disregard. PLAN TO ACHIEVE SELF-SUPPORT (PASS). A blind or disabled participant, with an approved plan to achieve self-support (PASS), must have income and resources disregarded. Conditions for this disregard are listed in Subsections 546.01 through 546.03. Under Age Sixty-Five. The participant must be under sixty-five (65), or receive AABD for the blind or disabled during the month of his sixty-fifth birthday. Approved PASS. A participant receiving SSI must have a PASS approved by SSA. A participant not receiving SSI must have a PASS approved by the Department. Income Necessary for Self-Support. The income and resources disregarded under the PASS must be necessary for the participant to achieve self-support. PASS APPROVED BY DEPARTMENT. A PASS approved by the Department must be in writing. The PASS must contain all the items in Subsections 547.01 through 547.06. 01. **Occupational Objective.** The PASS must have a specific occupational objective. Specific Goals. The PASS must have specific goals for using the disregarded income and resources to achieve self-support. Time Limit. The PASS must show a specific target date to achieve the goal. An approved PASS is limited to an initial period of eighteen (18) months. Extensions may be granted if needed. The first extension period lasts up to eighteen (18) months. Я.

Section 542 Page 1648

A second eighteen (18) month extension period can be granted.

assistance received while the hearing decision was pending.

619. (RESERVED)

620. MEDICAID OVERPAYMENT.

If the participant receives Medicaid services during a month he is not eligible, the Department must collect the overpayment. If too little patient liability or client participation is computed, the Department must collect the overpayment. The participant must be notified of the overpayment.

621. CHANGES IN PATIENT LIABILITY.

- **01. Increase in Patient Liability**. If the patient liability is increased for the current or a past month, the Department will collect the patient liability directly from the client.
- **02. Decrease in Patient Liability**. If the patient liability is decreased for a current or past month, the funds will be paid to the provider and the provider must reimburse the client for the portion of the costs the client paid in excess of their patient liability.

622. (RESERVED)

623. ELIGIBILITY REDETERMINATION.

An eligibility redetermination is completed at least once every year and when a change affecting eligibility occurs.

624. -- 649. (RESERVED)

650. COOPERATION WITH THE QUALITY CONTROL PROCESS.

When the Department or federal government selects a case for review in the quality control process, the participant must cooperate in the review of the case. Benefits must be stopped, following advance notice, when a participant is unwilling to take part in the quality control process. If the participant reapplies for benefits he must fully cooperate with the quality control process before the application can be approved.

651. -- 699. (RESERVED)

700. MEDICAID ELIGIBILITY.

A participant must meet the eligibility requirements for at least one (1) Medicaid coverage group to be eligible for Medicaid benefits. Income and circumstances in the current month are used for eligibility for the current month. Resources are counted as of the first moment of the month.

701. MEDICAID APPLICATION.

An adult participant, a legal guardian or a representative of the participant must sign the application. The participant must submit the application to the Department. A Medicaid application may be made for a deceased person.

702. MEDICAL SUPPORT COOPERATION.

Medical support rights are assigned to the Department by signature on the application. The participant must cooperate with the Department to secure medical support and payments, to be eligible for Medicaid. The participant must cooperate on behalf of himself and any participant for whom he can legally assign rights. A participant who cannot legally assign his own rights must not be denied Medicaid if the legally responsible person does not cooperate.

703. CHILD SUPPORT COOPERATION.

The participant must cooperate to identify and locate the noncustodial parent, establish paternity, and establish, modify and enforce a child medical support order, to be eligible for Medicaid. This includes support payments received directly from the noncustodial parent. The cooperation requirement is waived for poverty level pregnant women exempt from cooperating in establishing paternity and obtaining medical support from, or derived from, the father of a child born out of wedlock. A participant who cannot legally assign his own rights must not be denied

Section 704 Page 1652

For Medicaid Qualifying Trusts established before August 11, 1993, the maximum payment permitted to be made to a participant from the trust must be counted for Medicaid eligibility. The maximum is counted whether or not the trustee actually distributes payments.

709. MEDICAID ELIGIBILITY FOR AABD PARTICIPANT.

A participant eligible for AABD cash is eligible for Medicaid, unless he is in an ineligible institution, receives excess payment from a Medicaid Qualifying Trust, or has an irrevocable trust that is not exempt.

710. -- 719. (RESERVED)

720. LONG-TERM CARE RESIDENT AND MEDICAID.

A resident of a long-term care facility must meet the AABD eligibility criteria to be eligible for Medicaid. A long-term care facility is a nursing facility or an intermediate care facility for persons with intellectual disabilities. The need for long-term care is determined using IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits."

- **01. Resources of Resident**. The resident's resource limit is two thousand dollars (\$2,000). Resources of a married person in long-term care are computed using Federal Spousal Impoverishment rules. Under the SSI method, spouses can use the three thousand dollar (\$3,000) couple resource limit if more advantageous. The couple must have lived in the nursing home, in the same room, for six (6) months.
- **02. Medicaid Income Limit of Long-Term Care Resident Thirty Days or More**. The monthly income limit for a long-term care facility resident is three (3) times the Federal SSI benefit for a single person. To qualify for this income limit the participant must be, or be likely to remain, in long-term care at least thirty (30) consecutive days.
- **03.** Medicaid Income Limit of Long-Term Care Resident Less Than Thirty Days. The monthly income limit, for the resident of a long-term care facility for less than thirty (30) consecutive days, is the AABD income limit for the participant's living situation before long-term care. Living situations before long-term care do not include hospital stays.
- **04. Income Not Counted.** The income listed in Subsections 720.04.a. through 720.04.e. of these rules is not counted to compute Medicaid eligibility for a long-term care facility resident. This income is counted in determining participation in the cost of long-term care.
 - a. Income excluded or disregarded, in determining eligibility for AABD cash, is not counted.
 - b. The September 1972 RSDI increase is not counted.
- **c.** Any VA Aid and Attendance allowance, including any increment which is the result of a VA Unusual Medical Expense allowance, is not counted. These allowances are not counted for patient liability, unless the veteran lives in a state operated veterans' home.
- d. RSDI benefit increases, from cost-of-living adjustments (COLA) after April 1977, are not counted if they made the participant lose SSI or AABD cash. The COLA increases after SSI or AABD cash stopped are not counted.
- **e.** Income paid into an income trust exempt from counting for Medicaid eligibility under Subsection 872.02 of these rules is used for patient liability. Income paid to the trust and not used for patient liability, is subject to the asset transfer penalty.
- **05. Medicaid Participant Residing in a Skilled Nursing Facility.** When a Medicaid participant who is a resident of a skilled nursing facility and meets that level of care as evidenced by the PASARR defined in IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits," Section 227, the resident is determined to be disabled for the duration of his residency in the skilled nursing facility.

 ()

721. QUALIFIED LONG-TERM CARE PARTNERSHIP POLICY.

Section 709 Page 1653

IDAPA 16.03.05 Eligibility for Aid to the Aged, Blind, & Disabled

Participants who have received, or are entitled to receive, benefits under a Qualified Long-Term Care Partnership policy issued in Idaho after November 1, 2006, will have certain resources disregarded as described in Subsections 721.01 and 721.02 of these rules.

- **01.** Value of the Participant's Resources. The total dollar amount of the insurance benefits paid out for a policy holder of a Qualified Long-Term Care Partnership policy is disregarded in calculating the value of the participant's resources for long-term care Medicaid eligibility. The amount that is disregarded is determined on the effective date of an initial application approval for long-term care Medicaid benefits.
- **02. Resource Disregard Excluded From Estate Recovery**. The amount of the resources disregarded from a Qualified Long-Term Care Partnership policy under Subsection 721.01 of this rule, is deducted from the assets of the estate for Medicaid estate recovery.

722. PATIENT LIABILITY.

Patient liability is the participant's income counted toward the cost of long-term care. Patient liability begins the month after the first full calendar month the patient is receiving benefits in a long-term care facility.

723. PATIENT LIABILITY FOR PERSON WITH NO COMMUNITY SPOUSE.

For a participant with no community spouse, patient liability is computed as described in Subsections 723.01 through 723.03 of this rule.

- **01. Income of Participants in Long-Term Care.** For a single participant, or participant whose spouse is also in long-term care and chooses the SSI method of calculating the amount of income and resources, the patient liability is his total income less the deductions in Subsection 723.03 of this rule.
- **O2.** Community Property Income of Long-Term Care Participant with Long-Term Care Spouse. Patient liability income for a participant, whose spouse is also in long-term care, choosing the community property method, is one-half (1/2) his share of the couple's community income, plus his own separate income. The deductions in Table 723.03 are subtracted from his income.
- 03. Income of Participant in Facility. A participant residing in the long-term care facility at least one (1) full calendar month, beginning with his most recent admission, must have the deductions in Subsection 723.03 subtracted from his income, after the AABD exclusions are subtracted from the income. Total monthly income includes income paid into an income (Miller) trust that month. The income deductions must be subtracted in the order listed. Remaining income is patient liability.
 - a. AABD Income Exclusions. Subtract income excluded in determining eligibility for AABD cash.
- **b.** Aid and Attendance and UME Allowances. Subtract a VA Aid and Attendance allowance and Unusual Medical Expense (UME) allowance for a veteran or surviving spouse, unless the veteran lives in a state operated veterans' home.
- c. SSI Payment Two (2) Months. Subtract the SSI payment for a participant entitled to receive SSI at his at-home rate for up to two (2) months, while temporarily in a long-term care facility.
- **d.** AABD Payment. Subtract the AABD payment, and income used to compute the AABD payment, for a participant paid continued AABD payments up to three (3) months in long-term care.
- **e.** First Ninety (\$90) Dollars of VA Pension. Subtract the first ninety (\$90) dollars of a VA pension for a veteran in a private long-term care facility or a State Veterans Nursing Home.
- **f.** Personal Needs. Subtract forty dollars (\$40) for the participant's personal needs. For a veteran or surviving spouse in a private long-term care facility or a State Veterans Nursing Home the first ninety (\$90) dollars of VA pension substitutes for the forty dollar (\$40) personal needs deduction.
 - g. Employed and Sheltered Workshop Activity Personal Needs. For an employed participant or

Section 722 Page 1654

participant engaged in sheltered workshop or work activity center activities, subtract the lower of the personal needs deduction of two hundred dollars (\$200) or his gross earned income. The participant's total personal needs allowance must not exceed two hundred and thirty dollars (\$230). For a veteran or surviving spouse with sheltered workshop or earned income, and a protected VA pension, the total must not exceed two hundred dollars (\$200). This is a deduction only. No actual payment can be made to provide for personal needs.

- h. Home Maintenance. Subtract two hundred and twelve dollars (\$212) for home maintenance cost if the participant had an independent living situation, before his admission for long-term care. His physician must certify in writing the participant is likely to return home within six (6) months, after the month of admission to a long-term care facility. This is a deduction only. No actual payment can be made to maintain the participant's home.
- i. Maintenance Need. Subtract a maintenance need deduction for a family member, living in the long-term care participant's home. A family member is claimed, or could be claimed, as a dependent on the Federal Income Tax return of the long-term care participant. The family member must be a minor or dependent child, dependent parent, or dependent sibling of the long-term care participant. The maintenance need deduction is the AFDC payment standard for the dependents, computed according to the AFDC State Plan in effect before July 16, 1996.
- **j.** Medicare and Health Insurance Premiums. Subtract expenses for Medicare and other health insurance premiums, and deductibles or coinsurance charges, not subject to payment by a third party. Deduction of Medicare Part B premiums is limited to the first two (2) months of Medicaid eligibility. Medicare Part B premiums must not be subtracted, if the participant got SSI or AABD cash the month prior to the month for which patient liability is being computed.
- **k.** Mandatory Income Taxes. Subtract taxes mandatorily withheld from unearned income for income tax purposes. To qualify for deduction of mandatory taxes, the tax must be withheld from income before the participant receives the income.
- **l.** Guardian Fees. Subtract court-ordered guardianship fees of the lesser of ten percent (10%) of the monthly benefit handled by the guardian, or twenty-five dollars (\$25). Where the guardian and trustee is the same person, the total deduction for guardian and trust fees must not exceed twenty-five dollars (\$25) monthly.
- **m.** Trust Fees. Subtract up to twenty-five dollars (\$25) monthly paid to the trustee for administering the participant's trust.
- n. Impairment Related Work Expenses. Subtract impairment-related work expenses for an employed participant who is blind or disabled under AABD criteria. Impairment-related work expenses are purchased or rented items and services that are purchased or rented to perform work. The items must be needed because of the participant's impairment. The actual monthly expense of the impairment-related items is subtracted. Expenses must not be averaged.
- **o.** Income Garnished for Child Support. Subtract income garnished for child support to the extent the expense is not already accounted for in computing the maintenance need standard. ()
- **p.** Incurred Medical Expenses. Subtract amounts for certain limited medical or remedial care expenses that have current balances owed and are deemed medically necessary as defined in IDAPA 16.03.09, "Medicaid Basic Plan Benefits." Current medical expenses that are not covered by the Idaho Medicaid Plan, or by a third party, may be deducted from the base participation amount.
- q. Pre-existing Medical Expenses. Subtract amounts for medical and remedial care expenses incurred within the three (3) months prior to the month of application. The deductions for medical and remedial care expenses are limited to those medically necessary expenses incurred by the participant for the participant's care. The deduction for medical and remedial care expenses is limited to the amount of liability owed by the participant, and if applicable, after any third-party insurance has been applied. The deduction for medical and remedial care expenses that were incurred as the result of imposition of a transfer of assets penalty period is limited to zero.

Section 723 Page 1655

724. INCOME OWNERSHIP OF PARTICIPANT WITH COMMUNITY SPOUSE.

Income ownership of a long-term care participant with a community spouse is determined before patient liability is computed. The participant's income ownership is counted as shown in Subsections 724.01 through 724.04. ()

- **01. Income Paid in the Name of Spouse**. Income paid solely in the name of a spouse, and not paid from a trust, is the separate income of the spouse.
- **02.** Payment in Name of Both Spouses. Income paid in the names of both the long-term care participant and the community spouse is divided evenly between each spouse.
- **03.** Payment in Name of Spouse or Spouses and Another Person. Income paid in the names of the participant and/or the community spouse and another person is counted as available to each spouse, in proportion to the spouse's ownership. If payment is made to both spouses, and no proportion of ownership is specified, one-half of the income is counted to each spouse.
- **04.** Payment of Aid and Attendance. In the case of VA Aid and Attendance Allowance paid in the veteran's name, with an increment for the veteran's spouse, the increment is counted to the veteran. ()

725. PATIENT LIABILITY FOR PARTICIPANT WITH COMMUNITY SPOUSE.

After income ownership is decided, patient liability is determined using steps in Table 725.

	TABLE 725 - INCOME DEDUCTIONS FOR PARTICIPANT IN FACILITY				
	Step	Procedure			
01.	AABD Income Exclusions	Subtract income excluded in determining eligibility for AABD cash.			
02.	Aid and Attendance and UME Allowances	Subtract a VA Aid and Attendance allowance and Unusual Medical Expense (UME) allowance for a veteran or surviving spouse, unless the veteran lives in a state operated veterans' home.			
03.	SSI Payment Two (2) Months	Subtract the SSI payment for a participant entitled to receive SSI at his at-home rate for up to two (2) months, while temporarily in a long-term care facility.			
04.	AABD Cash	Subtract the AABD cash payment and income used to compute AABD cash, for a participant eligible to have his AABD cash continued up to three (3) months, while he is in long-term care.			
05.	VA Pension	Subtract the first ninety (90\$) of the VA pension for a veteran.			
06.	Personal Needs	Subtract forty dollars (\$40) for the participant's personal needs. Do not allow this deduction for a veteran.			
07.	Employed and Sheltered Workshop Activity Needs	For an employed participant or participant engaged in sheltered workshop or work activity center activities subtract the lower of two hundred dollars (\$200) or his earned income.			

Section 724 Page 1656

	TABLE 725 - INCOME DEDUCTIONS FOR PARTICIPANT IN FACILITY				
	Step	Procedure			
		Compute the Community Spouse Allowance (CSA) using Step a. through Step c.			
		Compute the Shelter Adjustment. Add the current Food Stamp Program Standard Utility Allowance to the community spouse's shelter costs.			
08.	Community Spouse Allowance: Step a.	Shelter costs include rent, mortgage principal and interest, homeowner's taxes, insurance, and condominium or cooperative maintenance charges. The Standard Utility Allowance must be reduced by the value of any utilities included in maintenance charges for a condominium or cooperative. Subtract the Shelter Standard from the shelter and utilities. The Shelter Standard is thirty percent (30%) of one hundred fifty percent (150%) of one-twelfth (1/12) of the income official poverty line defined by the Federal Office of Management and Budget (OMB) for a family of two (2) persons.			
		The Shelter Adjustment is the positive balance remaining.			
09.	Community Spouse Allowance: Step b.	Compute the Community Spouse Need Standard (CSNS). Add the Shelter Adjustment to the minimum CSNS. The minimum CSNS equals one hundred fifty percent (150%) of one-twelfth (1/12) of the income official poverty line defined by the OMB for a family unit of two (2) members. The minimum CSNS is revised annually in July. The total CSNS may not exceed the maximum CSNS. The maximum CSNS is computed by multiplying one thousand five hundred dollars (\$1,500) by the percentage increase in the consumer price index for all urban Consumers (all items; U.S. city average) between September 1988 and the September before the current calendar year. The maximum CSNS is revised annually in January.			
10.	Community Spouse Allowance: Step c.	Compute the Community Spouse Allowance. Subtract the community spouse's gross income from the CSNS. The community spouse's income includes income produced by his resources. Round any remaining cents to the next higher dollar. Any positive balance remaining is the CSA. The CSA is subtracted as actually paid to the community spouse, up to the computed maximum.			
		A larger spouse support amount must be used as the CSA, if court-ordered. The CSA ordered by a court is not subject to the CSA limit.			

Section 725 Page 1657

	TABLE 725 - INCOME DEDUCTIONS FOR PARTICIPANT IN FACILITY				
	Step	Procedure			
		Compute the family member's gross income. Subtract the family member's gross income from the minimum CSNS. Divide the difference by three (3). Round cents to the next higher dollar.			
11.	Family Member Allowance (FMA)	Any remainder is the FMA for that family member. The FMA is allowed, whether or not it is actually paid by the participant.			
		A family member is, or could be claimed, as a dependent on the Federal income tax return of either spouse. The family member must be a minor or dependent child, dependent parent or dependent sibling of either spouse. The family member must live in the community spouse's home.			
12.	Medicare and Health Insurance Premiums	Subtract expenses for Medicare and other health insurance premiums, and deductibles or coinsurance charges, not subject to payment by a third party. Deduction of Medicare Part B premiums is limited to the first two (2) months of Medicaid eligibility. Do not subtract the Medicare Part B premiums if the participant got SSI or AABD cash the month prior to the month for which patient liability is being computed.			
13.	Mandatory Income Taxes	Subtract taxes mandatorily withheld from unearned income for income tax purposes. To qualify for deduction of mandatory taxes, the tax must be withheld from income before the participant receives the income.			
14.	Guardian Fees	Subtract court-ordered guardianship fees of the lesser of ten percent (10%) of the monthly benefit handled by the guardian, or twenty-five dollars (\$25). Where the guardian and trustee are the same person, the total deduction for guardian and trust fees must not exceed twenty-five dollars (\$25) monthly.			
15.	Trust Fees	Subtract up to twenty-five dollars (\$25) monthly paid to the trustee for administering the participant's trust.			
16.	Impairment Related Work Expenses	Subtract impairment-related work expenses for an employed participant who is blind or disabled under AABD criteria. Impairment-related work expenses are purchased or rented items and services, purchased or rented to perform work. The items must be needed because of the participant's impairment. The actual monthly expense of the impairment-related items is subtracted. Expenses must not be averaged.			
17.	Income Garnisheed for Child Support	Subtract income garnisheed for child support to the extent the expense is not already accounted for in computing the Family Member Allowance.			
18.	Incurred Medical Expenses	Subtract amounts for certain limited medical or remedial care expenses that have current balances owed and are deemed medically necessary as defined in IDAPA 16.03.09, "Medicaid Basic Plan Benefits." Current medical expenses that are not covered by the Idaho Medicaid Plan, or by a third party, may be deducted from the base participation amount.			

Section 725 Page 1658

)

	TABLE 725 - INCOME DEDUCTIONS FOR PARTICIPANT IN FACILITY			
	Step	Procedure		
19.	Pre-existing Medical Expenses	Subtract amounts for medical and remedial care expenses incurred within the three (3) months prior to the month of application. The deductions for medical and remedial care expenses are limited to those medically necessary expenses incurred by the participant for the participant's care. The deduction for medical and remedial care expenses is limited to the amount of liability owed by the participant, and if applicable, after any third-party insurance has been applied. The deduction for medical and remedial care expenses that were incurred as the result of imposition of a transfer of assets penalty period is limited to zero.		

726. PERSONAL NEEDS SUPPLEMENT (PNS).

A nursing home participant may receive a PNS to bring his gross income up to forty dollars (\$40). Gross income is income after exclusions and before disregards. Gross income includes money withheld to recover an AABD overpayment. The PNS is the difference between the participant's gross income and forty dollars (\$40). If not in an even dollar amount, the PNS is rounded up to the next dollar. The participant's income including the PNS must not exceed forty dollars (\$40).

727. FAIR HEARING ON CSA DECISION.

Either spouse may ask for a fair hearing, to show the community spouse needs a higher CSA. The hearing officer must consider if, due to unusual conditions, using the computed CSA causes significant financial hardship for the community spouse. If the fair hearing decision finds the community spouse needs more income than the CSA, the CSA must include the additional income.

728. -- 730. (RESERVED)

731. MEDICAID ELIGIBILITY OF MARRIED PERSONS.

There are three (3) methods for Medicaid eligibility of an aged, blind, or disabled married person: The SSI method, the Community Property (CP) method, and the Federal Spousal Impoverishment (FSI) method. The FSI method takes precedence. If the participant is not subject to the FSI method, the CP or SSI methods can be used.

732. CHOOSING FSI, SSI, OR CP RESOURCE COUNTING METHOD.

Table 732 is used determine the resource counting method for a married person. If an HCBS participant with a spouse at home is not eligible using the FSI method, resources are computed using the SSI/CP method.

)

Section 734 Page 1661

735. FEDERAL SPOUSAL IMPOVERISHMENT (FSI) METHOD OF COUNTING INCOME AND RESOURCES OF A COUPLE.

The FSI method must be used to compute income and resources of a married participant, who requires long-term care as defined in Section 010 of these rules, and who has a community spouse. The participant must have entered long-term care on or after September 30, 1989. Terms used in the FSI method are listed in Subsections 735.01 through 735.05 of this rule.

- **01. Long-Term Care Spouse**. The long-term care spouse must be in a medical institution or nursing facility, or be an HCBS participant, for thirty (30) consecutive days, or appear likely to meet the thirty (30) days requirement.
- **02. Community Spouse**. The community spouse is the husband or wife of the long-term care participant. A community spouse is not in long-term care and is not an HCBS participant. ()
- **O3.** Continuous Period of Long-Term Care. A continuous period of long-term care is a period of residence either in a medical institution with nursing facility services, or at home with HCBS. A continuous period of long-term care is also a combination of institution and personal care services likely to last at least thirty (30) consecutive days. Absence from the institution, or a lapse in HCBS eligibility, of thirty (30) consecutive days breaks continuity. The thirty (30) consecutive days of long-term care must not begin on a day the participant is hospitalized. If the participant is hospitalized after the first day of the thirty (30) consecutive days, the hospital stay does not interrupt the thirty (30) consecutive days.
- **04. Start of Continuous Period**. The start of a continuous period of long-term care is the first month of long-term care or HCBS.
- **05. Nursing Facility Services.** Nursing facility services are services at the nursing facility level or the intermediate care for persons with intellectual disabilities level provided in a medical institution.

736. ASSESSMENT DATE AND COUNTING FSI RESOURCES.

The assessment date is the start date of the first continuous period of long-term care. The Department does a one-time assessment to determine the value of the couple's community and separate resources as of the date of the first continuous period of long-term care. The resource assessment is done at the request of either spouse, after one spouse is in long-term care or meets the level of care for HCBS, whether or not the couple has applied for Medicaid. State laws relating to community property or the division of marital property are not applied in determining the FSI total combined resources of the couple.

737. TREATMENT OF RESOURCES FOR ASSESSMENT.

The resource rules used in determining eligibility for AABD cash and Medicaid are also used in determining the couple's total combined resources for the FSI resource assessment with the following exceptions:

- **01. Resources For Sale**. Excess resources offered for sale, are not excluded from the couple's total combined resources for the FSI resource assessment.
- **02. Jointly Owned Real Property**. Jointly owned real property that is not the principal residence of the participant, is not excluded, if the community spouse is the joint owner.
- **03.** Long-term Care Partnership Policy. Resources excluded because of a participant's qualified long-term care policy are not excluded for the FSI resource assessment.
- **04. Excluded Home**. As defined in 42 U.S.C. 1396r-5(c)(5), an excluded home placed in trust retains its exclusion for purposes of the resource assessment.

738. ONE-HALF SPOUSAL SHARE.

The spousal share is one-half (1/2) of the couple's total combined resources on the assessment date. The spousal share does not change, even if the participant leaves long-term care and then enters long-term care again. The Department must inform the couple of the resources counted in the assessment and the value assigned. The couple must sign the assessment form under penalty of perjury. The signature requirement may be waived for the long-term care spouse if

Section 735 Page 1662

he or his representative says he is unable to sign the resources assessment. A copy of the assessment form must be provided to each spouse when eligibility is determined or when either spouse requests a assessment prior to application.

739. -- 741. (RESERVED)

742. COMMUNITY SPOUSE RESOURCE ALLOWANCE.

The CSRA protects resources for the community spouse. The CSRA is determined by subtracting the greater of the minimum resource allowance, or the spousal share from the couple's total combined resources as of the first day of the application month. The deduction must not be more than the maximum resource allowance at the time eligibility is determined.

743. RESOURCE ALLOWANCE LIMITS.

The maximum resource allowance is computed by multiplying sixty thousand dollars (\$60,000) by the percentage increase in the consumer price index for all urban consumers (all items; U.S. city average) between September 1988 and the September before the current calendar year. The minimum resource allowance is computed by multiplying twelve thousand dollars (\$12,000) by the percentage increase in the consumer price index for all urban consumers (all items; U.S. city average) between September 1988 and the September before the current calendar year. If the result is not an even one hundred dollar (\$100) amount, round up to the next one hundred dollars (\$100). The couple's resources exceeding the CSRA are counted for the long-term care spouse.

744. INCOME COUNTED FIRST FOR CSRA REVISION.

Income is determined prior to determining resources. If the couple's income is more than the minimum CSNS, the CSRA cannot be increased. If the community spouse has less income than the minimum CSNS, the CSRA may be increased as provided in Section 745 of these rules. Couple income is the community spouse's gross income plus the long-term care spouse's income. The long-term care spouse's income is his gross income less the AABD cash income exclusions and his patient liability income deductions, but not the CSA deduction.

745. UPWARD REVISION OF CSRA.

If the community spouse's income, including income from his CSA and income-producing resources in his CSRA, is less than the minimum CSNS, the CSRA may be increased. The CSRA is increased by enough resources, transferred from the long-term care spouse, to raise the community spouse's income to the minimum CSNS Resources included in the transfer are presumed to produce income at the treasury rate, whether or not the resources produce income. If the community spouse shows he is making reasonable use of his income and resources, to generate income, the Department may waive the treasury rate requirement. Actual income produced by the resources transferred to the community spouse is used to compute the CSA. A higher CSA can be requested under Section 727 of these rules. If the transferred resources produce more than the treasury rate, the actual income produced is used to determine the additional resources that can be transferred to the community spouse in the CSRA. The long-term care spouse must transfer the resources to the community spouse, or the CSRA is not revised.

746. RESOURCE TRANSFER ALLOWANCE (RTA).

The resource transfer allowance (RTA) is computed by subtracting the community spouse's resources, at the time of application, from the CSRA. The community spouse must own less than the CSRA to get an RTA. The long term care spouse may transfer the RTA to the community spouse without an asset transfer penalty. If the institutional spouse transfers more than the RTA, the amount of the couple's resources over the CSRA counts as the institutional spouse's resources. After the month a long-term care spouse is determined Medicaid eligible under FSI, resources of the community spouse are not considered available to the him while he remains in long-term care.

747. PROTECTED PERIOD FOR RTA TRANSFER.

The long-term care spouse has sixty (60) days, from the date his application is approved, to transfer his ownership of the RTA resources to the community spouse. The long-term care spouse must state, in writing, his intent to transfer the RTA resources to the community spouse, within the protected period, before he can be Medicaid eligible. Resources not transferred within the sixty (60) day protected period are available to the long-term care spouse, effective the day he entered the facility.

748. EXTENSION FOR RTA TRANSFER.

The protected period can be extended beyond sixty (60) days if necessary because of the participant's circumstances.

Section 742 Page 1663

()

749. RESOURCE ELIGIBILITY FOR COMMUNITY SPOUSE.

When the community spouse is a Medicaid participant, the spouse's resources are counted using Medicaid rules. The FSI rules apply only to the long-term care spouse. For the month the couple stopped living together, resources of the community spouse available for his Medicaid eligibility are the resources owned by the couple.

750. INCOME ELIGIBILITY FOR COMMUNITY SPOUSE.

When the community spouse is a Medicaid participant, the spouse's income is counted using Medicaid rules. The FSI rules apply only to the long-term care spouse. The community spouse may choose between the SSI and CP methods for determining income for Medicaid eligibility.

751. CHANGE IN CIRCUMSTANCES.

The FSI method of calculating income and resources stops the first full calendar month after a change in circumstances resulting in a couple no longer having a community spouse and a long-term care spouse.

752. NOTICE AND HEARING.

The Department must tell the participant the CSA, the family member allowance, the CSRA and how it was computed, and RTA. Any hearing requested about the CSRA or the RTA must be held within thirty (30) days of the date of the request for hearing.

753. -- 760. (RESERVED)

761. CHOICE OF SSI OR CP METHODS.

A married participant, not using FSI, must be furnished a written explanation of SSI and CP income and resource counting methods. The couple chooses the most useful method, based on their circumstances. The same method must be used for both spouses.

762. SSI METHOD OF COUNTING INCOME AND RESOURCES OF A COUPLE.

The SSI method is the same method used to count income and resources for AABD cash. Income and resources of the participant and spouse are counted as mutually available. This method must be used for months either spouse gets SSI or AABD cash, or an SSI and/or AABD application is filed and approved. This method must be used for Medicaid eligibility, and liability for the cost of long-term care, whether one (1) or both spouses apply for Medicaid. For long-term care, the couple's income and resources are mutually available when one (1) or both spouses apply during the month they separated, because one (1) or both left their mutual home to enter a long-term care facility.

763. COMMUNITY PROPERTY (CP) METHOD OF COUNTING INCOME AND RESOURCES OF A COUPLE.

A married participant in long-term care, whose spouse is not in the community, can use the CP method. A married participant using the FSI method, but not income eligible using FSI, may choose the CP method for income eligibility. The CP method must not be used for the FSI participant's resource eligibility or patient liability.

764. CP METHOD.

The CP method gives each spouse has an equal one-half (1/2) share of the couple's community income and resources. Each spouse also has his or her own separate income and resources. Whether the spouses live together or, if not living together, the length of time they have lived apart, does not change the way income and resources are counted. A spouse's property includes income, personal property and real property. The income and resources of a married couple acquired during the marriage are presumed to be community property of the couple. The couple can give evidence to rebut the presumption that property acquired during the marriage is community property.

765. TRANSFER OF RIGHTS TO FUTURE INCOME NOT VALID.

An agreement between spouses, transferring or assigning rights to future income from one (1) spouse to the other, is not valid for eligibility for Medicaid.

766. CP METHOD NEED STANDARD.

The participant is budgeted as a single person if his spouse is not a Medicaid applicant, is not living with him, or was not living with him on the first day of the month. The participant and spouse are budgeted as a couple if they both apply, and live together, or if they were living together on the first day of the month.

Section 749 Page 1664

767. CP METHOD RESOURCE LIMIT.

The participant's resource limit is two thousand dollars (\$2,000) if his spouse is not a Medicaid applicant, is not living with him, or was not living with him on the first day of the month. The participant and spouse have a resource limit of three thousand dollars (\$3,000) if they both apply, and live together, or if they were living together on the first day of the month.

768. CP METHOD INCOME DISREGARDS.

The participant gets the twenty dollar (\$20) standard disregard if his spouse is not a Medicaid applicant, is not living with him, or was not living with him on the first day of the month. If the participant has earned income, he gets the sixty-five dollar plus one-half (\$65 + 1/2) of the remainder earned income disregard. The participant and spouse get the standard disregard on their combined unearned income if they both apply, and live together, or if they were living together on the first day of the month. If either spouse has earned income, they get the earned income disregard from their combined earned income.

769. -- 775. (RESERVED)

776. 1972 RSDI RECIPIENT.

A participant remains eligible if he meets any of the conditions in Subsections 776.01 through 776.03 and all other Medicaid eligibility requirements.

- **01. Money Payment in August 1972.** In August 1972, the participant was eligible for, or received, a state money payment of OAA, AB, APTD or Aid to Families with Dependent Children (AFDC).
- **02. Eligible If Not in Institution**. The participant would have been eligible for OAA, AB, APTD or Aid to Families with Dependent Children (AFDC) if he were not in a medical institution or intermediate care facility in August 1972.
- **03. Getting RSDI in August 1972.** The participant received RSDI benefits in August 1972, and became ineligible for a state money payment due to the RSDI benefit increase effective in September 1972.

777. ELIGIBLE SSI RECIPIENT.

An SSI recipient, or an individual who would be SSI eligible if he applied, is eligible for Medicaid if he meets any of the conditions in Subsections 777.01 through 777.03.

- **01.** Receives SSI. Gets SSI payments, even if eligibility is based on presumptive disability or presumptive blindness.
- **02.** Conditionally Eligible. Is conditionally eligible for SSI, based on an agreement to dispose of excess resources.
 - **O3.** Eligible Spouse. Has his SSI payments combined with his spouse's SSI payments. ()

778. INELIGIBLE SSI RECIPIENT.

An SSI recipient is not eligible for Medicaid if he meets any of the conditions in Subsections 778.01 through 778.04.

- **01. Medicaid Qualifying Trust**. Has excess income from a Medicaid Qualifying Trust, created and funded before August 11, 1993.
 - **Noncooperation.** Fails to cooperate in establishing paternity or securing support.
 - **03. Institution**. Is in an ineligible institution. ()
 - **04.** Trust. Has a trust that makes him ineligible for Medicaid. ()

Section 767 Page 1665

779. PSYCHIATRIC FACILITY RESIDENT.

A resident of a long-term care psychiatric medical facility, is eligible for Medicaid if he is age sixty-five (65) or older. He must meet all the requirements of a long-term-care resident.

780. GRANDFATHERED SSI RECIPIENT.

A grandfathered SSI recipient is eligible for Medicaid. A grandfathered SSI recipient received, or was eligible to receive, APTD, APTD-MA, AB or AB-MA or APTD-MA in long-term care on December 31, 1973, or had an application for this assistance on file December 31, 1973.

- 01. Disability and Blindness Criteria. The grandfathered SSI recipient must have been eligible under the disability criteria for APTD or the blindness criteria for AB in effect on December 31, 1973. For each consecutive month after December 1973, the grandfathered SSI recipient must continue to meet the criteria for disability or blindness.
- **02. Eligibility Requirements**. The grandfathered SSI recipient must meet all current Medicaid rules, except the criteria for blindness or disability. A long-term care participant must also remain in long-term care, and continue to need long-term care.

781. RSDI RECIPIENT ENTITLED TO COLA DISREGARD.

A participant receiving RSDI is eligible for Medicaid if he became and remains ineligible for SSI payments as of April 2011, or for AABD cash or SSI payments from May 1977 through March 2011. The participant must still be entitled to AABD cash or SSI, except for a cost-of-living adjustment (COLA) in RSDI benefits. All RSDI COLAs received by the participant, and any person whose income and resources are counted in determining the participant's eligibility, are disregarded for Medicaid.

782. MEDICAID BENEFITS UNDER SECTION 1619(B) OF THE SOCIAL SECURITY ACT.

A participant may be eligible for Medicaid under Section 1619(b) of the Social Security Act either under federal or state criteria, depending on his circumstances.

- **01. Federally Qualified Under SSA Section 1619(b).** An SSI recipient with a disability, previously eligible for SSI cash, who, because of earnings from employment, no longer meets the financial eligibility requirements for SSI cash, is eligible for Medicaid. SSA determines the qualification for eligibility under Section 1619(b).
- **O2.** State-Only Qualified Under SSA Section 1619(b). An AABD cash participant with a disability, who, because of earnings from employment, no longer meets the financial eligibility requirements for AABD cash, may be eligible for Medicaid. The Department determines eligibility for State-only Section 1619(b) Medicaid. State-only Section 1619(b) Medicaid is authorized under Section 1905(q) of the Social Security Act.
- **a.** Eligibility Requirements. A participant must meet all of the following requirements to be eligible for State-only 1619(b) Medicaid:
- i. The participant received AABD cash in the month prior to the first month of his eligibility under this Section of rule.
 - ii. The participant is under age sixty-five (65).
 - iii. The participant continues to have a disability.
- iv. The participant must depend on Medicaid coverage to continue working. An individual depends on Medicaid coverage if he:
 - (1) Used Medicaid coverage within the past twelve (12) months; or
 - (2) Expects to use Medicaid coverage in the next twelve (12) months; or
 - (3) Would be unable to pay unexpected medical bills in the next twelve (12) months without Medicaid

provisions in IDAPA 16.03.18, "Medicaid Cost-Sharing."			
800.	NEWBORN CHILD OF MEDICAID MOTHER.		

A child is deemed eligible for Medicaid without an application if born to a woman receiving Medicaid on the date of the child's birth, including during a period of retroactive eligibility for the mother. The child remains eligible for Medicaid for up to one (1) year without an application. An application for Medicaid must be filed on behalf of the child no later than his first birthday. He must qualify for Medicaid in his own right after the month of his first birthday.

INELIGIBLE NON-CITIZEN WITH EMERGENCY MEDICAL CONDITION.

A non-citizen, who is otherwise ineligible only because of his status as a non-citizen, is eligible only for medical services necessary to treat an emergency medical condition.

- Emergency Medical Condition. An emergency medical condition can reasonably be expected to seriously harm the patient's health, cause serious impairment to bodily functions, or cause serious dysfunction of any bodily organ or part, without immediate medical attention. The Division of Medicaid determines if the condition is an emergency and the services necessary to treat it.
- Effective Date of Eligibility. Medicaid eligibility begins no earlier than the date the participant experienced the medical emergency and ends the date the emergency condition stops. The Division of Medicaid determines the beginning and ending dates.

WOMAN DIAGNOSED WITH BREAST OR CERVICAL CANCER.

A woman not otherwise eligible for Medicaid and meeting the conditions in Subsections 802.01 through 802.06 of this rule is eligible for Medicaid for the duration of her cancer treatment. Medicaid income and resource limits do not apply to this coverage group.

- Diagnosis. The participant is diagnosed with breast or cervical cancer through the Centers for Disease Control and Prevention's National Breast and Cervical Cancer Early detection Program.
 - 02. Age. The participant is under age sixty-five (65).)
- Creditable Health Insurance. The participant is uninsured or, if insured, the plan does not cover **03.** her type of cancer.
- Non-Financial Eligibility. The participant meets the Medicaid non-financial eligibility requirements in Sections 100 through 108 and Sections 166 and 167 of these rules.
- Medical Support Cooperation. The participant meets the medical support cooperation requirement in Sections 702 through 706 of these rules.
- Group Health Plan Enrollment. The participant meets the requirement to enroll in available costeffective employer group health insurance.
- Presumptive Eligibility. The Department can presume the participant is eligible for Medicaid, before a formal Medicaid eligibility determination is made. A clinic authorized to screen for breast or cervical cancer by the National Breast and Cervical Cancer Early Detection Program makes the presumptive eligibility determination. The clinic tells the participant how to complete the formal Medicaid determination process. The Medicaid notice and hearing rights do not apply to presumptive eligibility. No overpayment occurs if the formal Medicaid determination finds the participant is not eligible.
- End of Treatment. The Division of Medicaid determines the end of treatment date according to IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits."

803. -- 805. (RESERVED)

806. DISABLED ADULT CHILD.

Section 800 Page 1670

IDAPA 16.03.05 Eligibility for Aid to the Aged, Blind, & Disabled

A participant age eighteen (18) or older is eligible for Medicaid if he received SSI or AABD cash based on blindness or a disability which began before he reached age twenty-two (22), and becomes ineligible for and remains ineligible

- for AABD cash or SSI because his disabled child RSDI benefit started or increased July 1, 1987, or later. RSDI Benefits Disregarded for Disabled Adult Child. If the participant became ineligible because he began receiving a disabled child benefit on or after July 1, 1987, the benefit amount and any later increases are disregarded. RSDI Increase Disregarded for Disabled Adult Child. If the participant became ineligible because his disabled child benefit increased on or after July 1, 1987, the increase and any later increases are disregarded. 807. (RESERVED) EARLY WIDOWS AND WIDOWERS BEGINNING JANUARY 1, 1991. 808. A participant who meets the conditions in Subsections 808.01 through 808.06 is considered an SSI recipient for Medicaid. Age. The participant, age fifty (50) to age sixty four and one-half (64-1/2), began receiving early widows or widowers Social Security benefits. Lost SSI or AABD. The participant lost SSI or AABD cash because he began receiving early widows or widowers Social Security benefits. Received SSI or AABD. The participant received SSI or AABD cash in the month, before the month, he became ineligible because he began receiving early widows or widowers Social Security benefits. Widows or Widowers Benefits. The participant would still be eligible for SSI or AABD cash if his Social Security early widows or widowers benefits were not counted as income. 05. No "Part A" Insurance. The participant is not entitled to Medicare Part A hospital insurance. Applied On or After January 1, 1991. The participant's Medicaid application was filed, or 06 pending, on or after January 1, 1991. CERTAIN DISABLED WIDOWS AND WIDOWERS THROUGH JUNE 30, 1988. A participant who meets the conditions in Subsections 809.01 through 809.04 is considered an SSI recipient for Medicaid. Age. The participant was under age sixty (60) when his disabled widows and widowers benefits began. 02. Lost SSI. The participant is ineligible for SSI because of an increase in SSA disability benefits starting January, 1984. Continuously Entitled. The participant is continuously entitled to Social Security benefits for disabled widows and widowers starting January, 1984 or earlier.
 - 04. **Applied Before July 1, 1988**. The participant applied for Medicaid before July 1, 1988.)

810. QUALIFIED MEDICARE BENEFICIARY (QMB).

A person meeting all requirements in Subsections 810.01 through 810.07 is eligible for QMB. QMB Medicaid pays Medicare premiums, coinsurance, and deductibles.

01. **Medicare Part A.** The participant must be entitled to hospital insurance under Part A of Medicare

facility services. The penalty for a person receiving PCS or community services under the HCBS waiver is

Section 832 Page 1674

ineligibility.

833. ASSET TRANSFER LOOK-BACK PERIOD.

The asset transfer penalty applies to any transfer for less than fair market value made during a period preceding or following a request for long-term care services. The look-back period is determined as follows:

- **01. Transfers Prior to February 8, 2006.** For any asset transferred prior to February 8, 2006, the look-back period is thirty-six (36) months, unless the transfer is to or from a trust. If the transfer is to or from a trust, the look-back period is sixty (60) months. If the person is entitled to Medicaid or HCBS services, the look-back period is counted from the month long-term care or HCBS services began, or would have begun, were it not for a penalty. If the person is not entitled to Medicaid, the look-back period is counted from the month prior to the month the application was submitted.
- **02.** Transfers On or After February 8, 2006. Any asset transferred on or after February 8, 2006, regardless of type, is subject to a look-back period of sixty (60) months. The look-back period is counted from the date of the application for long-term care or HCBS services or the date of the transfer, whichever is later in time.

834. PERIOD OF RESTRICTED COVERAGE FOR ASSET TRANSFERS.

The period of restricted coverage is the number of months computed by dividing the net uncompensated value of the transferred asset by the statewide average cost of nursing facility services to private patients. The cost is computed for the time of the participant's most recent request for Medicaid. If the spouse becomes eligible for long-term care Medicaid, the rest of the period of restricted coverage is divided between the participant and spouse.

835. APPLYING THE PENALTY PERIOD OF RESTRICTED COVERAGE.

Restricted coverage continues until the participant or spouse recovers all the assets, receives fair market value at the time of the transfer for all of the assets, or the period of restricted coverage ends. The penalty continues whether or not the participant is in long-term care. The penalty period for asset transfers is applied as follows:

- 8, 2006, there is no penalty if the amount transferred is less than the cost of one (1) month's care. The penalty period begins running the month the transfer took place. The month the transfer took place is counted as one (1) of the penalty months. A penalty period is computed for each transfer. A penalty period must expire before the next begins. Each partial month before the end of consecutive penalty periods is a penalty month. A partial month at the end of consecutive penalty periods is dropped.
- **Penalty Period for Transfers On or After February 8, 2006.** For assets transferred on or after February 8, 2006, the penalty period begins running the first day of the month after the month the transfer took place or was discovered to have taken place, or the date the individual would have been eligible for long-term care services or HCBS, if not for the transfer, whichever date is later in time. The value of all asset transfers made during the lookback period is accumulated for the purpose of calculating the penalty. If an additional transfer is discovered after the penalty has been served, a new penalty period begins the month following timely notice of closure of benefits. When a penalty period ends after the first day of the month, eligibility for long-term care services begins the day after the penalty period ends.

836. MULTIPLE PENALTY PERIODS APPLIED CONSECUTIVELY.

A penalty period is computed for each transfer. One (1) penalty period must expire before the next begins. ()

837. LIFE ESTATE AS ASSET TRANSFER.

01. Transfer of a Remainder Interest. When a life estate in real property is retained by an individual, and a remainder interest in the property is transferred during the look-back period for less than the fair market value of the remainder interest transferred, the value of the uncompensated remainder is subject to the asset transfer penalty as described in Sections 831 through 835 of these rules. To compute the value of the life estate remainder, multiply the fair market value of the real property at the time of transfer by the remainder factor for the participant's age at the time of transfer listed in the following table:

Section 833 Page 1675

TABLE 837.01 - REMAINDER TABLE

838. ANNUITY AS ASSET TRANSFER.

Except as provided in this rule, when assets are used to purchase an annuity during the look-back period, it is an asset transfer presumed to be made for the purpose of qualifying for Medicaid. To rebut this presumption, the participant must provide proof that clearly establishes the annuity was not purchased to make the participant eligible for Medicaid or avoid recovery from the estate following death. Proof is met if the participant shows the annuity meets

Section 838 Page 1677

the requirements described in Subsections 838.02 through 838.05 of this rule.

- **01. Revocable Annuity**. A revocable annuity is an annuity that can be assigned. The surrender amount of a revocable annuity is a countable resource.
- **02. Irrevocable Annuity**. The purchase price of an irrevocable, non-assignable annuity is treated as an asset transfer, unless the requirements of Subsections 838.03 through 838.05 of this rule are met.
- 03. Irrevocable Annuity Life Expectancy Test. The participant's life expectancy, as shown in the following table, must equal or exceed the term of the annuity. Using the Table 838.03 compare the face value of the annuity to the participant's life expectancy at the purchase time. The annuity meets the life expectancy test if the participant's life expectancy equals or exceeds the term of the annuity. If the exact age is not in the Table, use the next lower age.

TABLE 838.03 - LIFE EXPECTANCY TABLE								
Age	Years of Life Remaining Male	Years of Life Remaining Female		Age	Years of Life Remaining Male	Years of Life Remaining Female		
0	73.26	79.26		74	10.12	12.74

04. State Named as Beneficiary. The purchase of an annuity is treated as an asset transfer unless the State of Idaho, Medicaid Estate Recovery is named as:

Section 838 Page 1678

a. The remainder beneficiary in the first position for at least the total amount of medical assistance paid on behalf of the institutionalized individual under this title; or
b. The remainder beneficiary in the second position after the community spouse or minor or disabled child and is named in the first position if the community spouse or a representative of the minor or disabled child disposes of any remainder for less than fair market value.
05. Equal Payment Test . The annuity must provide for payments in equal amounts during the term of the annuity with no deferral and no balloon payments made.
96. Permitted Annuity . The purchase of an annuity is not treated as an asset transfer if the annuity meets any of the descriptions in Sections 408(b), or 408(q), Internal Revenue Code; or is purchased with proceeds from an account or trust described in Sections 408(a), 408(c), or 408(p), Internal Revenue Code, or is a simplified employee pension as described in Section 408(k), Internal Revenue Code, or is a Roth IRA described in Section 408A, Internal Revenue Code.
839. TRUSTS AS ASSET TRANSFERS. A trust established wholly or partly from the participant's assets is an asset transfer. Assets transferred to a trust on or after August 11, 1993 are subject to the asset transfer penalty, regardless of when the trust was established. If the trust includes assets of another person, the asset transfer penalty applies to the participant's share of the trust. ()
840. TRANSFER OF JOINTLY-OWNED ASSET. Transfer of an asset owned jointly by the participant and another person is considered a transfer by the participant. The participant's share of the asset is used to compute the penalty. If the participant and his spouse are joint owners of the transferred asset, the couple's combined ownership is used to compute the penalty. If the spouse becomes eligible for long-term care Medicaid, the rest of the period of restricted coverage is divided between the participant and spouse.
841. PENALTY EXCEPTIONS FOR ASSET TRANSFERS. A participant is not subject to the asset transfer penalty for taking any action described in Subsections 841.01 through 841.14 of this rule.
01. Home to Spouse. The asset transferred was a home. Title to the home was transferred to the spouse.
02. Home to Minor Child or Disabled Adult Child . The asset transferred was a home. Title to the home was transferred to the child of the participant or spouse. The child must be under age twenty-one (21) or blind or totally disabled under Social Security and SSI rules in 20 CFR Part 416.
03. Home to Brother or Sister . The asset transferred was a home. Title to the home was transferred to a brother or sister of the participant or spouse. The brother or sister must have an equity interest in the transferred home. The brother or sister must reside in that home for at least one (1) year immediately before the month the participant starts long-term care.
04. Home to Adult Child. The asset transferred was a home. Title to the home was transferred to a son or daughter of the participant or spouse, other than a child under the age of twenty-one (21). The son or daughter must reside in that home for at least two (2) years immediately before the month the participant started long-term care. The adult child must prove he provided nursing facility level medical care to the participant which permitted him to live at home rather than enter long-term care. The son or daughter must not have received payment from Medicaid for home and community based services provided to the participant.
05. Benefit of Spouse . The assets were transferred to the participant's spouse or to another person for the sole benefit of the spouse.
06. Transfer From Spouse . The assets were transferred from the participant's spouse to another person for the sole benefit of the participant's spouse.

Section 839 Page 1679

	Transfer to Child. The assets were transferred to the participant's child, or to a trust established the participant's child. The child must be blind or totally disabled under Social Security FR Part 416. The child may be any age.

(1,000) individuals lived in the Indian country unit or Alaskan Native Village and fifty percent (50%) or more of the adults were not employed.

103. -- 105. (RESERVED)

106. SIGNATURES.

An individual who is applying for benefits, receiving benefits, or providing additional information as required by this chapter, may do so with the depiction of the individual's name either handwritten, electronic, or recorded telephonically. Such signature serves as intention to execute or adopt the sound, symbol, or process for the purpose of signing the related record.

107. (RESERVED)

108. APPLICATION FOR ASSISTANCE.

The application form must be signed by an adult participant, a legal guardian, or a representative, and received by the Department. A new TAFI application is required if the application was denied for failure to provide verification and more than thirty (30) days have elapsed since the household applied.

109. (RESERVED)

110. EFFECTIVE DATE.

The effective date of the TAFI grant is the date income and resource criteria are met, and a PRC is signed, unless the Department causes a delay, or a later date that is negotiated with the Department.

111. SUBSTANCE ABUSE SCREENING AND TESTING NOTICE AT APPLICATION.

The Department will provide notice of substance abuse screening and possible testing to each TAFI applicant. The notice will advise the applicant of the factors listed in Subsections 111.01 through 111.08.

- **01. Screening Requirement.** The Department conducts substance abuse screening as a condition of receiving TAFI cash assistance.
- **02. Testing Requirement**. The Department conducts substance abuse testing as a condition for receiving TAFI cash assistance, if screening indicates the applicant is engaged in, or at high risk of, substance abuse.
- **03. Treatment Requirement.** Participants must enter a substance abuse treatment program and cooperate with treatment, if screening, assessment or testing shows them in need of substance abuse treatment.

112. (RESERVED)

113. CONCURRENT MULTIPLE BENEFIT PROHIBITION.

- **01. Multiple TAFI Benefits**. If individuals in a household unit are potentially eligible for TAFI benefits, only one (1) TAFI cash benefit is allowed in the same month for the household unit.
- **02. Multiple Program Benefits**. If an individual is potentially eligible for either TAFI or AABD, only one (1) program may be chosen. If a child is potentially eligible for either TAFI or foster care, only one (1) program may be chosen. No individual may be eligible for benefits as a member of more than one (1) household in the same month.
- **03.** Program Benefits from Another State. Individuals cannot receive TAFI benefits from Idaho and TANF benefits from another state in the same month.

114. -- 115. (RESERVED)

116. PERSONAL RESPONSIBILITY CONTRACT (PRC).

Section 106 Page 1694

IDAPA 16.03.08 – Temporary Assistance for Families in Idaho (TAFI) Program

A personal responsibility contract must be negotiated and signed by the mandatory adult household members defined under Section 125 of these rules, with all application activities completed before eligibility can be approved. The household must continue to comply with ongoing personal responsibility contract requirements to remain eligible.

(

117. (RESERVED)

118. SUBSTANCE ABUSE ASSESSMENT.

A Department approved substance abuse contractor will conduct screening to evaluate a participant's need for testing. The contractor will use a screening instrument approved by the Department as a valid and reliable indicator of possible substance abuse. The contractor must have adequate training in the recognition of substance abuse, use of the screening instrument, and interpretation of results. When found necessary by the contractor, the assessment process will include substance abuse testing. The contractor will interpret the results.

119. REFERRAL FOR SUBSTANCE ABUSE ASSESSMENT.

The Department will refer the participant for assessment when screening results indicate a reasonable suspicion the participant is engaged in, or at high risk of, substance abuse. A Department approved substance abuse contractor will conduct the assessment.

120. SUBSTANCE ABUSE TESTING.

Idaho law requires substance abuse testing of any TAFI applicant or recipient, if the Department has a reasonable suspicion they are engaged in, or at high risk of, substance abuse. Testing will be conducted if screening and assessment give a reasonable suspicion the participant is engaged in substance abuse. TAFI participants must comply with substance abuse testing as a condition of eligibility.

121. CONSENT AND ACKNOWLEDGMENT REQUIRED BEFORE SUBSTANCE ABUSE TESTING.

Before taking a substance abuse test, the participant must sign a consent for testing. The participant will be asked, but not required, to advise the person administering the test of the use of any over-the-counter or prescription drugs. This information will be considered in the results of the drug test. The participant must acknowledge, in writing, they received and understands the notice elements listed this Section and Section 111 of these rules.

122. ADMINISTRATION OF SUBSTANCE ABUSE TEST.

A Department approved contractor will administer the substance abuse test. The contractor must have training, through a licensed laboratory, in correct procedures for specimen collection and chain of custody. Specimen collection will be documented including labeling containers to prevent erroneous drug test results. The contractor must perform specimen collection, storage, and transportation to the laboratory site in a manner preventing specimen contamination or adulteration. A licensed laboratory will evaluate specimens. The laboratory will analyze specimens for controlled substances and alcohol.

- **01. Specimen Collection Procedures.** The contractor must collect the specimen for substance abuse testing with due regard for the privacy of the participant providing the specimen and in a manner preventing substitution or contamination of the specimen.
- **O2. Test Results.** The Department will evaluate the results of the substance abuse test, before notifying the participant of them. The Department will evaluate all positive test results to verify the specimen was collected, transported, and analyzed under proper procedures. The Department will determine if other circumstances caused the positive test result. The Department will review and confirm medical information provided by the applicant. After this evaluation is complete, the Department will notify the participant of the test results. If the test result is positive, the Department will inform the participant of available substance abuse treatment programs, and of the requirement for treatment to be TAFI eligible.
- **03.** Request for New Test. Within ten (10) calendar days of notice of a positive test result, the participant can request a new test. The participant must notify the Department in writing of the intent to challenge the test results. For those participants approved for TAFI, benefits will continue during the re-test process.
- 123. TAFI APPROVAL BEFORE SUBSTANCE ABUSE SCREENING AND TESTING RESULTS KNOWN.

Section 118 Page 1695

Applicants may be approved for TAFI, if otherwise eligible, when they agree to substance abuse screening. The must complete the screening instrument and if required, participate in a substance abuse assessment. This includ providing a specimen for testing, if needed as part of the assessment process. The applicant should complete the steps within fifteen (15) calendar days of approval. If the process takes longer than fifteen (15) calendar days, through no fault of the applicant, TAFI may be approved if the participant is cooperative in satisfying their substance abus screening requirements.	les se gh
124. SUBSTANCE ABUSE TREATMENT. If substance abuse screening, assessment or testing shows the participant needs substance abuse treatment, to Department will require the participant to enter a substance abuse treatment program and cooperate with treatment Treatment will be provided at no cost to TAFI participants. Treatment will be community based and gender specific The Department will provide for the participant's transportation and child care needs if necessary.	nt.
125. MANDATORY TAFI HOUSEHOLD MEMBERS. Individuals who must be included in the household are listed in the following:)
01. Children. Children under the age of eighteen (18) must reside with a parent or caretaker relative who exercises care and control of them. A dependent child's brother or sister, including half (1/2) siblings, living the same home as the dependent child will be included in the household. Children receiving Supplemental Securi Income (SSI) are excluded from the household.	in
O2. Parents. Parents, as defined in Section 010 of these rules, who have an eligible child residing without them.	th)
03. Pregnant Woman . A pregnant woman with no other children who is in at least the third calend month before the baby is due and is unable to work due to medical reasons.	lar)
O4. Spouses. Anyone related by marriage to another mandatory household member. ()
126. BUDGETING FOR CARETAKER RELATIVES. Individuals who may be eligible are listed in Subsections 126.01 and 126.03 of this rule. ()
Relatives . Adult specified relatives other than parents who have an eligible related child residue with them and who are responsible for the child's care. Only one (1) child in the household must be related to one (1) of the specified caretaker relatives defined in Section 010 of these rules.	
02. Caretaker Relative Applying Only for Relative Child. When a caretaker relative applies only for a relative child, only the child's income is counted.	or)
03. Multiple Children . When multiple children are included in the household unit and any chireceives Supplemental Security Income, that income is not counted in the determination of the grant amount.	ld)
127. MARRIED CHILD UNDER AGE EIGHTEEN. A married child under age eighteen (18) is no longer considered a dependent child. The child's subsequent separation divorce or annulment does not change that status.	on,
128. UNMARRIED PARENT UNDER THE AGE OF EIGHTEEN. An unmarried parent under age eighteen (18) must live with their parents, unless good cause is established. Two (unmarried parents under the age of eighteen (18), with a child in common, can choose to live with the parents of the unmarried father or the unmarried mather.	2) he

unmarried father or the unmarried mother.

129. GOOD CAUSE NOT TO LIVE WITH PARENTS.

Good cause reasons are required for unmarried parents under age eighteen (18) to not live with their parents.

151. PATERNITY NOT ESTABLISHED WITHIN TWELVE MONTHS.

If information is provided but paternity is not established within twelve (12) months from the effective date of the application or the birth of a child, whichever is later, the grant is reduced by fifty percent (50%), unless the delay is caused by the Department or a third party. When determining the twelve (12) months, the Department will count only months the household received TAFI.

152. -- 156. (RESERVED)

157. APPLICANT JOB SEARCH.

Before the application can be approved, adult applicants will be required to engage in job search activities, unless good cause is established.

158. (RESERVED)

159. APPLICANT VOLUNTARY QUIT.

The household is not eligible for ninety (90) days from the date any adult household member has voluntarily quit the most recent job of twenty (20) or more hours per week without good cause, within sixty (60) days of the application date.

160. PROHIBITION ON APPLICANT STRIKING.

When any applicant adult household member is on strike, the entire household is not eligible. A strike is a concerted stoppage or slowdown of work by employees.

161. -- 162. (RESERVED)

163. WORK ACTIVITIES RESPONSIBILITY.

All adult mandatory household members must participate in work activities, up to forty (40) hours per week. A child between the ages of sixteen (16) and eighteen (18), who is not attending school, must participate up to forty (40) hours per week in assigned work activities. A single custodial parent of a child less than six (6) years of age is not required to participate in a work activity if one of the reasons listed in Subsections 163.01 through 163.03 occurs.

01. Reasonable Distance. Appropriate child care is not available within a reasonable distance from the participant's home or work site.

02. Relative Child Care. Informal child care by relatives or others is not available or is unsuitable.

03. Child Care Not Available. Appropriate and affordable child care is not available.

164. WORK ACTIVITIES.

Work activities include paid work, including self-employment that produces earnings of at least the federal minimum wage; unpaid work; community service; work search activities; education leading to high school diploma or equivalency; work preparation education; vocational or job skills training; and other activities that improve the ability to obtain and maintain employment or support self-reliance.

165. WORK REQUIREMENTS DURING SUBSTANCE ABUSE TREATMENT.

The Department may require participants to engage in appropriate work activities during substance abuse treatment. The treatment program will judge the work activities to be appropriate to the participant's treatment plan. Negotiation of the Personal Responsibility Contract between the participant, the Department and the Treatment program will include the work activities.

166. CONSENT TO RELEASE CONFIDENTIAL INFORMATION.

Participants entering a substance abuse treatment program must sign a consent to release program information to the Department. The treatment program will only release substance abuse treatment information to report participant progress.

Section 151 Page 1699

167. FAILURE TO COMPLY WITH SUBSTANCE ABUSE SCREENING AND TESTING REQUIREMENTS.

TAFI applicants or participants refusing to cooperate with substance abuse screening, assessment, testing or treatment are ineligible.

168. NOT COMPLYING WITH WORK ACTIVITIES.

Each time an adult does not comply with work activity requirements in the PRC, without good cause, it is counted as an occurrence. The household is subject to the penalties, based on the number of occurrences, as listed in Subsections 168.01 through 168.03.

- **01. First Occurrence**. The household is ineligible for one (1) month or until compliance, whichever is longer.
- **02. Second Occurrence**. The household is ineligible for three (3) months or until compliance, whichever is longer.
 - **O3.** Third Occurrence. The household is ineligible for lifetime.

169. APPLYING PENALTIES FOR NOT COMPLYING WITH WORK ACTIVITIES.

Work activity penalties are applied as listed in Subsections 169.01 through 169.02.

- **01. Household Penalty**. Penalties apply to the entire household, but the number of individual occurrences follows the individual. The penalty period for the household is the greatest number of any individual's occurrences. If the individual leaves the household, any period of ineligibility caused by that individual ends. If an adult who does not comply returns or joins another household, any remaining period of ineligibility resumes.
- **02. Work Activity Penalty**. A fifty dollar (\$50) penalty per month, per child, will be subtracted from the household grant when a child sixteen (16) years of age or older does not comply with work activities, as long as the child resides with the household.

170. -- 176. (RESERVED)

177. TEMPORARY ABSENCE.

Eligible individuals may be temporarily absent from the home for a reasonable period not to exceed one hundred eighty (180) days.

178. NOTIFICATION REQUIREMENT.

The Department will notify the household, in writing, of the approval or denial of the application and the right of appeal, if applicable.

179. -- 199. (RESERVED)

200. RESOURCE LIMIT.

The total of the entire household's countable resources must not be greater than five thousand dollars (\$5,000) in any month. Resources are money, financial instruments, vehicles, and real property.

201. COUNTABLE RESOURCES.

Resources are countable when the household has a legal interest in the resource and can take action to obtain or dispose of the resource. Except for vehicles, the fair market value of the resource less all liens, mortgages, or other encumbrances, is the countable amount of the resource.

202. -- 206. (RESERVED)

207. VEHICLES.

The Department counts the resource value of a vehicle as described in Subsections 207.01 and 207.02 of these rules

Section 167 Page 1700

IDAPA 16.03.08 – Temporary Assistance for Families in Idaho (TAFI) Program

is added to the monthly income, as determined in Subsection 231.01 of this rule, to determine the gross monthly income. Self-Employment Expense Deduction. The Department uses the standard self-employment deduction in Subsection 231.03.a. of this rule, unless the applicant claims that their actual allowable expenses exceed the standard deduction and provides proof of the expenses described in Subsection 231.03.b. of this rule. The self-employment standard deduction is determined by subtracting fifty percent (50%) of the gross monthly self-employment income as determined in Subsections 231.01 and 231.02 of this rule; or The self-employment actual expense deduction is determined by subtracting the actual allowable expenses from the gross monthly self-employment income. The following items are not allowable expenses and may not be subtracted from the gross monthly self-employment income: i. Net losses from previous tax years; ii. Federal, state, and local income taxes; iii. Money set aside for retirement; Work-related personal expenses such as transportation to and from work; and iv. Depreciation. RENTAL INCOME FROM REAL PROPERTY. 232. If a household member is managing the property twenty (20) hours or more per week, the rental income minus rental costs is earned income. If a household member is managing the property less than twenty (20) hours per week, the rental income minus rental costs is unearned income. Rental costs do not include the principal portion of the mortgage payment, depreciation or depletion, capital payments, and personal expenses not related to the rental income. 233. -- 239. (RESERVED) 240. INDIVIDUALS EXCLUDED FROM HOUSEHOLD SIZE. Individuals listed in Subsections 240.01 through 240.06 are excluded from the household size in determining eligibility and grant amount. Income and resources of these ineligible household members are counted unless otherwise excluded in Section 215 of these rules. 01. **Ineligible Non-Citizens**. Individuals who are non-citizens and are not listed in Section 131.) With Drug Related Conviction. Individuals convicted under federal or state law of any offense classified as a felony involving the possession, use or distribution of a controlled substance, when they do not comply with the terms of a withheld judgment, probation or parole, and whose felony occurred after August 22, 1996. Fleeing Felons. Felons who are fleeing to avoid prosecution, custody or confinement after conviction of a felony or an attempt to commit a felony. Felons Violating a Condition of Probation or Parole. Felons who are violating a condition of probation or parole imposed for a federal or state felony. Convicted of Fraudulent Misrepresentation of Residency. Individuals convicted in a federal or 05. state court of fraudulently misrepresenting residence to get TANF, AABD, Food Stamps, Medicaid or SSI from two

Supplemental Security Income (SSI).

241. SPONSORED NON-CITIZEN.

The income and resources of a legal non-citizen's sponsor and the sponsor's spouse are counted in determining eligibility and grant amount in accordance with applicable federal law.

242. ONE-HALF GRANT CHILD SUPPORT PENALTY AND SCHOOL OR WORK PENALTY.

If the grant amount is reduced by fifty percent (50%) for not establishing paternity within twelve (12) months and there are one (1) or more penalties for not attending school or work, the child support penalty is calculated first.

243. -- 247. (RESERVED)

248. MAXIMUM GRANT AMOUNT.

The maximum grant is three hundred nine dollars (\$309).

(

249. GRANT AMOUNT FOR FAMILIES WITH NO INCOME.

The grant amount for eligible families with no income is the maximum grant minus penalties, if applicable.

(

250. GRANT AMOUNT FOR FAMILIES WITH UNEARNED INCOME.

The grant amount for eligible families with unearned income only is the maximum grant minus the unearned income, and penalties if applicable.

251. WORK INCENTIVE TABLE.

Work Incentive Table 251 is used in the calculation of the grant amount for households with earned income.

WORK INCENT	IVE TABLE 251

9	\$867
10	\$947
Over 10 Persons	Add \$80 Each

()

252. GRANT AMOUNT FOR FAMILIES WITH EARNED INCOME.

For eligible families with earned income, an amount is calculated by subtracting sixty percent (60%) of gross earned income, one hundred percent (100%) of any unearned income, and applicable penalties from the figure in the Work Incentive Table based on the household size. The grant amount is the result of this calculation rounded to the next lowest dollar or the maximum grant, whichever is less.

Section 241 Page 1706

308. HOUSEHOLD REPORTING RESPONSIBILITIES.

The household must report changes in circumstances to the Department, either verbally or in writing, within ten (10) calendar days from the date the change becomes known, unless good cause is established.

309. PENALTY FOR FAILURE TO REPORT.

When a household member does not report a change in income, resources or household composition, without good cause, the household is ineligible as follows:

- **01. First Occurrence.** The household is ineligible for one (1) month.
- **02. Additional Occurrence**. The household is ineligible for three (3) months. (

310. CHANGES AFFECTING ELIGIBILITY OR GRANT AMOUNT.

If a household reports a change that results in an increase, the grant will be increased effective the month after the month of report. If a household reports a change that results in a decrease, the grant is decreased or ended effective the first month after advance notice to the household, unless the change does not require advance notice. ()

311. TAFI ELIGIBILITY DURING SUBSTANCE ABUSE TREATMENT.

A participant may receive TAFI after showing a positive test result. They must agree to enter treatment and meet all other eligibility factors. Participants continuing to meet TAFI eligibility factors will remain eligible during substance abuse treatment. A participant absent from the home, due to residential treatment, continues to be a member of the TAFI assistance unit.

312. FAILURE TO COMPLY WITH TREATMENT OR ENGAGING IN SUBSTANCE ABUSE AFTER TREATMENT.

The Department will deny TAFI benefits to any participant who leaves treatment before being released, or engages in substance abuse following treatment.

313. CONTINUATION OF ELIGIBILITY FOR CHILDREN.

A dependent child's eligibility for TAFI is not affected if an adult in the assistance unit is ineligible for refusal to comply with the substance abuse screening, testing or treatment.

314. PROTECTIVE PAYEE.

If an adult in the assistance unit is ineligible for TAFI for failure to comply with substance abuse screening, testing or treatment requirements, the Department may establish a protective payee for the benefit of the child. If the adult refuses to cooperate in establishing an appropriate protective payee for the child, the Department may appoint one.

315. (RESERVED)

316. UNDERPAYMENT.

If the Department is at fault for issuing a payment less than the household should have received, the Department issues a supplemental benefit for the difference.

317. FAIR HEARING REQUEST.

A household may request a fair hearing to contest a Department decision. The household must make the request for a fair hearing within thirty (30) days from the date the notification was mailed by the Department.

318. CONTINUATION PENDING LOCAL HEARING DECISION.

The household may continue to receive assistance during the hearing process if the Department receives the request for continued benefits within ten (10) days from the date the notification was mailed. Assistance will be continued at the current month's level while the hearing decision is pending, unless the twenty-four (24) month limit is reached or another change affecting the household's eligibility occurs, including failure to cooperate with requirements of the Personal Responsibility Contract while waiting for the Fair Hearing decision.

)

current TAFI eligibility. NOTICE OF OVERPAYMENT. The Department will notify the participant when an overpayment exists. The notice will inform the participant of mandatory recovery, the right to a hearing, the method for repayment and the need to arrange a repayment interview. INADVERTENT HOUSEHOLD ERROR AND AGENCY ERROR TAFI OVERPAYMENTS. An overpayment exists when a household receives a TAFI payment that exceeds the amount they were eligible to receive. The Department will establish a claim against the household, to recover the value of the overpaid TAFI **Inadvertent Household Error (IHE).** An IHE is an error caused by an adult household member, without intent to cause an overpayment, which results in an overpayment. Examples of IHE claims are: Failure to Give Information. A household, without intent to cause an overpayment, fails to give correct or complete information. Failure to Report a Change that was required to be reported. A household, without intent to cause an overpayment, fails to report changes or to report at all. Failure to Comply. A household, without intent to cause an overpayment, fails to comply due to a language barrier, educational level, or not understanding written or verbal instructions. Benefits Paid Pending a Hearing. A household gets continued TAFI pending a fair hearing decision and the hearing decision, when made, is against the household. Agency Error (AE). An agency error overpayment claim results from an overpayment caused by a Department action, or failure to act. 334. (RESERVED) REVIEW OF PERSONAL RESPONSIBILITY CONTRACT AND ELIGIBILITY. The PRC and eligibility are reviewed on an ongoing basis and when a change occurs that may affect eligibility.) PRC MODIFICATIONS. If the participant cannot meet a PRC condition, the participant must notify the Department. Either the participant or the Department may initiate renegotiation or modification of the PRC when conditions change. NOT COMPLYING WITH CONDITIONS OF PRC. If the participant does not comply with a requirement of the PRC, without good cause, the penalty specified in the rules addressing the activity is imposed. The Department's non-compliance with a PRC requirement is good cause. 338. -- 339. (RESERVED) EXTENDED CASH ASSISTANCE (ECA). Extended Cash Assistance (ECA) may be provided to families who have received twenty-four (24) months of assistance. All eligibility criteria apply to ECA.

EXTENDED CASH ASSISTANCE ADDITIONAL ELIGIBILITY CRITERIA.

No application is required for ECA for families receiving temporary cash assistance. For all other families an

In addition to all the eligibility requirements for TAFI, all adults in the household must meet one (1) of the conditions

16.03.09 - MEDICAID BASIC PLAN BENEFITS

000. LEGAL AUTHORITY. Rulemaking Authority. The Idaho Department of Health and Welfare has the authority to promulgate public assistance rules under Section 56-202(b), 56-264, 56-265, and 56-1610, Idaho Code. General Administrative Authority. Titles XIX and XXI of the Social Security Act, as amended, and the companion federal regulations, are the basic authority for administration of the federal program. General administrative duties for the Department are found under Section 56-202, Idaho Code. 03. Administration of the Medical Assistance Program. Section 56-203(7), Idaho Code, empowers the Department to define persons entitled to medical a. assistance. Section 56-203(9), Idaho Code, empowers the Department to identify the amount, duration, scope of care, and services to be purchased as medical assistance on behalf of individuals eligible to receive benefits under the Medical Assistance Program. Sections 56-250 through 56-257, and 56-260 through 56-266, Idaho Code, establish minimum standards that enable these rules. 04. **Fiscal Administration.** Fiscal administration of these rules is authorized by Titles XIX and XXI of the Social Security Act, as well as 42 CFR Part 447 and the Provider Reimbursement Manual (PRM) Part I and Part II found in CMS Publication 15-1 and 15-2. Provisions of the PRM, as incorporated in Section 004 of these rules, apply unless otherwise provided for in these rules. Title 56, Chapter 1, Idaho Code, establishes standards for provider payment for certain Medicaid providers. 001. TITLE AND SCOPE. 01. **Title.** The title of these rules is IDAPA 16.03.09. "Medicaid Basic Plan Benefits." 02. Scope. This chapter of rules contains the general provisions regarding the administration of the Medical Assistance Program. All goods and services not specifically included in this chapter are excluded from coverage under the Medicaid Basic Plan. A guide to covered services is found under Section 399 of these rules. These rules also contain requirements for provider procurement and provider reimbursement. WRITTEN INTERPRETATIONS.

This agency may have written statements that pertain to the interpretations of the rules of this chapter. These documents are available for public inspection.

003. (RESERVED)

004. INCORPORATION BY REFERENCE.

The following are incorporated by reference in this chapter of rules:

- **01.** American Speech-Language-Hearing Association (ASHA): Medicaid Guidance for Speech-Language Pathology Services. institution, agency, pharmacy, or practitioner of their choice, unless enrolled in Healthy Connections or a Prepaid Ambulatory Health Plan (PAHP) that limits provider choice. This, however, does not prohibit the Department from establishing the fees that will be paid to providers for furnishing medical and remedial care available under the

Medical Assistance Program, or from setting standards relating to the qualifications of providers of such care. 02. Lock-In Option.) The Department may implement a total or partial lock-in program for any participant found to be misusing the Medical Assistance Program according to provisions in Sections 910 through 918 of these rules. In situations where the participant has been restricted to a participant lock-in program, that participant may choose the physician and pharmacy of their choice. The providers chosen by the lock-in participant will be identified in the Department's Eligibility Verification System (EVS). This information will be available to any Medicaid provider who accesses the EVS. 151. -- 159. (RESERVED) RESPONSIBILITY FOR KEEPING APPOINTMENTS. The participant is solely responsible for making and keeping an appointment with the provider. The Department will not reimburse providers when participants do not attend scheduled appointments. Providers may not bill participants for missed appointments. 161. -- 164. (RESERVED) 165. **COST-SHARING.** Co-Payments. When a participant accesses certain services inappropriately, the provider can require the participant to pay a co-payment as described in IDAPA 16.03.18, "Medicaid Cost-Sharing." **Premiums.** A participant can be required to share in the cost of basic plan benefits in the form of a premium as described in IDAPA 16.03.18, "Medicaid Cost-Sharing." 166. -- 199. (RESERVED) GENERAL PROVIDER PROVISIONS (Sections 200-299) 200. PROVIDER APPLICATION PROCESS. Provider Application. Providers who meet Medicaid enrollment requirements may apply for Idaho Medicaid provider status with the Department. All healthcare providers who are eligible for a National Provider Identifier (NPI) must apply using that identifying number. For providers not eligible for a NPI, the Department will assign a provider number upon approval of the application. Screening Levels. In accordance with 42 CFR 455.450, the Department will assign risk levels of "limited," "moderate," or "high" to defined groups of providers. These assignments and definitions will be published in the provider handbook. Medicare Enrollment Requirement for Specified Providers. The following providers must enroll as Medicare providers or demonstrate enrollment with another state's Medicaid agency prior to enrollment or revalidation as an Idaho Medicaid provider. Any providers classified in the "moderate" or "high" categorical risk level, as defined in the

d. for which such submittal limitat	Not more than twelve (12) months have elapsed since the month of the latest participant s payment is being made. Medicare cross-over claims are excluded from the twelve (12) tion.	

02. Time Limits. The time limit set forth in Subsection 210.01.d. of this rule does not apply with respect to retroactive eligibility adjustment. When participant eligibility is determined retroactively, the Department will reimburse providers for services within the period of retroactive eligibility if a claim for those services is

Section 210 Page 1729

submitted within twelve (12) months of the date of the participant's eligibility determination.

- **03.** Acceptance of State Payment. By participating in the Medical Assistance Program, providers agree to accept, as payment in full, the amounts paid by the Department for services to Medicaid participants. Providers also agree to provide all materials and services without unlawfully discriminating on the grounds of race, age, sex, creed, color, national origin, or physical or intellectual disability.
- **04. Payment in Full**. If a provider accepts Medicaid payment for a covered service, the Medicaid payment must be accepted as full payment for that service, and the participant cannot be billed for the difference between the billed amount and the Medicaid allowed amount.
- **05. Medical Care Provided Outside the State of Idaho**. Out-of-state medical care is subject to the same utilization review and other Medicaid coverage requirements and restrictions as medical care received within the state of Idaho.
- **06. Ordering, Prescribing, and Referring Providers**. Any service or supply ordered, prescribed, or referred by a physician or other qualified professional who is not an enrolled Medicaid provider will not be reimbursed by the Department.
- **07. Referral From Participant's Assigned Primary Care Provider.** Medicaid services may require a referral from the participant's assigned primary care provider. Services requiring a referral are listed in the Idaho Medicaid Provider Handbook. Services provided without a referral, when one is required, are not covered and are subject to sanctions, recoupment, or both. The Department may change the services that require a referral after appropriate notification of Medicaid-eligible individuals and providers as specified in Section 563 of these rules.
- **08.** Follow-up Communication with Assigned Primary Care Provider. Medicaid services may require timely follow-up communication with the participant's assigned primary care provider. Services requiring post-service communication with the primary care provider and time frames for that communication are listed in the Idaho Medicaid Provider Handbook. Services provided without timely communication of care outcomes, when communication is required, are not covered and are subject to sanctions, recoupment, or both. The Department may change the services that require communication of care outcomes after appropriate notification of Medicaid eligible individuals and providers as specified in Section 563 of these rules.
- **09. Services Delivered Via Telehealth.** Services delivered via telehealth as defined in Title 54, Chapter 57, Idaho Code, must be identified as such in accordance with billing requirements published in the Idaho Medicaid Provider Handbook. Telehealth services billed without being identified as such are not covered. Services delivered via telehealth may be reimbursed within limitations defined by the Department in the Idaho Medicaid Provider Handbook. Fee for service reimbursement is not available for an electronic mail message (e-mail), or facsimile transmission (fax).
- 10. Services Subject to Electronic Visit Verification (EVV). Services requiring EVV compliance are subject to quality review. Services billed without the minimum essential EVV elements, as defined by Section 1903(l)(2) of the Social Security Act, may be denied, delayed, or subject to sanctions or recoupment, or both, in accordance with IDAPA 16.05.07, "The Investigation and Enforcement of Fraud, Abuse, and Misconduct."

211. -- 214. (RESERVED)

215. THIRD PARTY LIABILITY.

- **01. Determining Liability of Third Parties**. The Department will take reasonable measures to determine any legal liability of third parties for medical care and services rendered to a participant.
- **02.** Third Party Liability as a Current Resource. The Department is to treat any third party liability as a current resource when such liability is found to exist and payment by the third party has been made or will be made within a reasonable time.

IDAPA 16.03.09 Medicaid Basic Plan Benefits

Subsection 235.03 of this rule applies. (

- **b.** Nursing facilities must give the information at the time of the participant's admission as a resident.
- **c.** Home health providers must give the information to the participant in advance of the participant coming under the care of the provider.
- d. The personal care R.N. supervisors will inform the participant when the R.N. completes the R.N. Assessment and Care Plan. The R.N. supervisor will inform the Qualified Intellectual Disabilities Professional (QIDP) and the personal care attendant of the participants decision regarding "Advance Directives."
- e. A hospice provider must give information at the time of initial receipt of hospice care by the participant.
- 03. Information Concerning "Advance Directives" at the Time an Incapacitated Individual Is Admitted. An individual may be admitted to a facility in a comatose or otherwise incapacitated state and be unable to receive information or articulate whether they have executed an advance directive. In this case, to the extent that a facility issues materials about policies and procedures to the families or to the surrogates or other concerned persons of the incapacitated patient in accordance with state law, it must also include the information concerning advance directives. This does not relieve the facility from its obligation to provide this information to the patient once they are no longer incapacitated.
- **04. Provider Agreement.** A "Memorandum of Understanding Regarding Advance Directives" is incorporated within the provider agreement. By signing the Medicaid provider agreement, the provider is not excused from its obligation regarding advance directives to the general public per Section 1902(a) of the Social Security Act, as amended by Section 4751 of OBRA 1990.

236. -- 244. (RESERVED)

245. PROVIDERS OF SCHOOL-BASED SERVICES.

Only school districts and charter schools can be reimbursed for the services described in Sections 850 through 856 of these rules.

246. -- 249. (RESERVED)

250. SELECTIVE CONTRACTING.

The Department may contract with a limited number of providers of certain Medicaid products and services, including: dental services, eyeglasses, transportation, and some medical supplies.

251. -- 299. (RESERVED)

GENERAL REIMBURSEMENT PROVISIONS FOR INSTITUTIONAL PROVIDERS (Sections 300-389)

300. COST REPORTING.

The provider's Medicaid cost report must be filed using the Department designated reporting forms, unless the Department has approved an exception. The request to use alternate forms must be sent to the Department in writing, with samples attached, a minimum of ninety (90) days prior to the due date for the cost report. The request for approval of alternate forms cannot be used as a reason for late filing.

301. -- 304. (RESERVED)

305. REIMBURSEMENT SYSTEM AUDITS.

01. Scope of Reimbursement System Audits. The Department reserves the right to audit financial and other records of the provider, and, when warranted, the records of entities related to the provider. Audits consist of the

Section 245 Page 1736

IDAHO ADMINISTRATIVE CODE IDAPA 16.03.09 Department of Health & Welfare Medicaid Basic Plan Benefits following types of records: Cost verification of actual costs for providing goods and services; b. Evaluation of provider's compliance with the provider agreement, reporting form instructions, and any applicable law, rule, or regulation; c. Effectiveness of the service to achieve desired results or benefits: and d. Reimbursement rates or settlement calculated under this chapter. Exception to Scope for Audits and Investigations. Audits as described in these rules do not apply to the audit processes used in conducting investigations of fraud and abuse under IDAPA 16.05.07, "The Investigation and Enforcement of Fraud, Abuse, and Misconduct." 306. -- 329. (RESERVED) PROVIDER'S RESPONSIBILITY TO MAINTAIN RECORDS. The provider must maintain financial and other records in sufficient detail to allow the Department to audit them as described in Section 305 of these rules. Expenditure Documentation. Documentation of expenditures must include the amount, date, purpose, payee, and the invoice or other verifiable evidence supporting the expenditure. Cost Allocation Process. Costs such as depreciation or amortization of assets and indirect expenses are allocated to activities or functions based on the original identity of the costs. Documentation to support basis for allocation must be available for verification. The assets referred to in this Section of rule are economic resources of the provider recognized and measured in conformity with generally accepted accounting principles. Revenue Documentation. Documentation of revenues must include the amount, date, purpose, and source of the revenue. Availability of Records. Records must be available for and subject to audit by the auditor, with or without prior notice, during any working day between the hours of 8:00 a.m. and 5:00 p.m. at the provider's principal place of business in the state of Idaho. is issued.

The provider is given the opportunity to provide documentation before the interim final audit report

The provider is not allowed to submit additional documentation in support of cost items after the issuance of the interim final audit report.

Retention of Records. Records required in Subsections 330.01 through 330.03 of this rule must be retained by the provider for a period of five (5) years from the date of the final payment under the provider agreement. Failure to retain records for the required period can void the Department's obligation to make payment for the goods or services.

331. -- 339. (RESERVED)

340. DRAFT AUDIT REPORT.

Following completion of the audit field work and before issuing the interim final audit report to the Department, the auditor will issue a draft audit report and forward a copy to the provider for review and comment.

Review Period. The provider will have a period of sixty (60) days, beginning on the date of transmittal, to review and provide additional comments or evidence pertaining to the draft audit report. The review period may be extended when the provider:

Section 330 Page 1737

- **Q2.** Allowable Costs. The current year's Medicaid apportionment of a hospital's allowable costs determined at final or interim settlement if cost settlements are applicable, or determined using the version of the cost report used for prospective payment system (PPS) rate setting, consist of those costs permitted by the principles of reimbursement contained in the Provider Reimbursement Manual (PRM) and do not include costs already having payment limited by Medicaid rate file or any other Medicaid charge limitation.
- **03.** Apportioned Costs. Apportioned costs consist of the share of a hospital's total allowable costs attributed to Medicaid program participants and other patients so that the share borne by the program is based upon actual services received by program participants, as set forth in the applicable Title XVIII principles of cost reimbursement as specified in the PRM and in compliance with Medicaid reimbursement rules.
- **04.** Capital Costs. For the purposes of hospital reimbursement, capital costs are those allowable costs considered in the settlement that represent the cost to each hospital for its reasonable property related and financing expense, and property taxes.
- **05.** Case-Mix Index. The Case-Mix Index for a hospital is the average weight of values assigned to a range of diagnostic related groups and applied to Medicaid discharges. The index will measure the relative resources required to treat Medicaid inpatients. The Case-Mix Index of the current year will be divided by the index of the principal year to assess the percent change between the years.
- **06.** Charity Care. Charity care is care provided to individuals who have no source of payment, third-party or personal resources.
 - **O7. Children's Hospital.** A Medicare-certified hospital as set forth in 42 CFR Section 412.23(d).
- **08.** Critical Access Hospitals (CAH). A rural hospital with twenty-five (25) or less beds as set forth in 42 CFR Section 485.620.
- **09.** Current Year. Any hospital cost reporting period for which reasonable cost is being determined will be termed the current year.
- 10. Inpatient Services Customary Hospital Charges. Customary inpatient hospital charges reflect the regular rates for inpatient services charged to patient(s) liable for payment for their services on a charge basis. Implicit in the use of charges as the basis for comparability (or for apportionment under certain apportionment methods) is the objective that services are related to the cost of services billed to the Department. Effective for service dates beginning July 1, 2021 reimbursement will be as follows:
- a. All in-state providers not described in b-d below will be paid a final prospective payment rate using the All Patient Refined Diagnosis Related Group (APR-DRG) classification system as described in Section 401 of these rules.

Section 400 Page 1743

Section 400 Page 1744

- b. The total amount of the hospital's charges for inpatient hospital services attributable to charity care in the same cost reporting period, divided by the total amount of the hospital's charges for inpatient services in the hospital in the same period. The total inpatient charges attributed to charity care must not include contractual allowances and discounts and reduction in charges given to Medicare, Medicaid, other third-party payors, or cash for patient services received directly from state and local governments' county assistance programs.
- **18. Medicaid Inpatient Day.** For purposes of DSH payments, an inpatient day is defined as a Medicaid inpatient day in a hospital for which there is also no Medicare inpatient day counted.
- 19. Medicaid Utilization Rate (MUR). The MUR for each hospital will be computed using the Department's record of paid inpatient days for the fiscal year divided by the total inpatient days for the same fiscal year as reported in the DSH survey. In this paragraph, the term "inpatient days" includes administratively necessary days, newborn days, days in specialized wards, days provided at an inappropriate level of care, and Medicaid inpatient days from other states. In this paragraph, "Medicaid inpatient days" includes paid days not counted in prior DSH threshold computations.
- **20. Obstetricians.** For purposes of an adjustment for hospitals serving a disproportionate share of low income patients, and in the case of a hospital located in a rural area, as defined by the federal Executive Office of Management and Budget, the term "obstetrician" includes any physician with staff privileges at the hospital to perform nonemergency obstetric procedures.
- **21. On-Site**. A service location over which the hospital exercises financial and administrative control. "Financial and administrative control" means a location whose relation to budgeting, cost reporting, staffing, policy-making, record keeping, business licensure, goodwill and decision-making are so interrelated to those of the hospital that the hospital has ultimate financial and administrative control over the service location. The service location must be in close proximity to the hospital where it is based, and both facilities serve the same patient population (e.g., from the same area, or catchment, within Medicare's defined Metropolitan Statistical Area (MSA) for urban hospitals or thirty-five (35) miles from a rural hospital).
- **22. Operating Costs.** For the purposes of hospital reimbursement, operating costs are the allowable costs included in the cost centers established in the finalized Medicare cost report to accumulate costs applicable to providing routine and ancillary services to patients for the purposes of cost assignment and allocation in the stepdown process.
- 23. Other Allowable Costs. Other allowable costs are those reasonable costs recognized under the Medicaid reasonable cost principles for services not subject to Medicaid limitations of coverage or reimbursement limits. Costs that are not reimbursed as operating costs, but recognized by Medicare principles as allowable costs will be included in the total reasonable costs. Other allowable costs include, but are not necessarily limited to, physician's component which was combined-billed, capital costs, ambulance costs, excess costs, carry-forwards and medical education costs.
- 24. Reasonable Costs. Reasonable costs include all necessary and ordinary costs incurred in rendering the services related to patient care that a prudent and cost-conscious hospital would pay for a given item or service.
- **25. Uninsured Patient Costs.** For the purposes of determining the additional costs beyond uncompensated Medicaid costs that may be reimbursed as a DSH payment without exceeding the state Allotment Amount, only inpatient costs of uninsured patients will be considered.
- **26. Upper Payment Limit**. The Upper Payment Limit for hospital services is defined in the Code of Federal Regulations.
- 27. Prior Service Period Claims Subject to Future Cost Settlement. For providers subject to cost settlement, claims from prior service periods that were not captured in a prior cost settlements will be cost settled in the current year using cost-to-charge ratios and routine cost per diems from the Medicare cost report currently being settled.

Section 400 Page 1745

Department of Health & Welfare Medicaid Basic Plan Benefits HOSPITAL REIMBURSEMENT – PROSPECTIVE PAYMENT SYSTEMS. Providers identified in Section 400.10.a. and 400.10.d will be reimbursed for inpatient services using an All Patient Refined Diagnosis Related Group (APR-DRG) as outlined in the Medicaid Provider Agreement otherwise beginning with service periods on or after July 1, 2021. INPATIENT HOSPITAL SERVICES: COVERAGE AND LIMITATIONS. The policy, rules, and regulations to be followed will be those cited in 42 CFR 456.50 through 42 CFR 456.145. All hospital services must conform to federal and state laws and regulations. Services must be medically necessary as defined in Section 011 of these rules. Initial Length of Stay. Prior authorization requirement for an initial length of stay will be established by the Department, or its designee, in the Idaho Medicaid Provider Handbook for hospitals not reimbursed under DRG methodologies. 02. Extended Stay. The Department, or its designee, will establish authorization requirements in the Idaho Medicaid Provider Handbook for hospitals not reimbursed under DRG methodologies. An authorization is necessary when the appropriate care of the participant indicates the need for hospital days in excess of the initial length of stay, or previously approved extended stay. Exceptions and Limitations. The following exceptions and limitations apply to in-patient hospital services for hospitals not reimbursed under DRG methodologies: Payment for accommodations is limited to the hospital's all-inclusive rate. The all-inclusive rate is a flat fee charge incurred on a daily basis that covers both room and board. The Department will not authorize reimbursement above the all-inclusive rate unless the attending physician orders a room that is not an all-inclusive rate room for the patient because of medical necessity. Diagnosis Related Group Review and Audits. All services performed under DRG are subject to QIO reviews, retrospective reviews, and audits. The Department reserves the right to execute reviews as described in the Idaho Medicaid Provider Handbook as amended. INPATIENT HOSPITAL SERVICES: PROCEDURAL REQUIREMENTS. 403. Prior Authorization. Some services may require a prior authorization from the Department or its designee. Documentation for the request must include the most recent plan of care and adequate documentation to demonstrate continued medical necessity. The Department will set additional documentation requirements in the Idaho Medicaid Provider Handbook to ensure quality of care and integrity of services. Certification of Need. At the time of admission, the physician must certify that inpatient services 02. are necessary. Recertification must occur at least every sixty (60) days inpatient hospital services are required, but may be required more frequently as determined by the Department. Individual Plan of Care. The individual plan of care is a written plan developed for the participant upon admission to a hospital and updated at least every sixty (60) days, but may be required more frequently as determined by the Department. The plan must include: Diagnoses, symptoms, complaints, and complications indicating the need for admission; b. A description of the functional level of the individual; Any orders for medications, treatments, rehabilitative services, activities, social services, or diet; and

Section 401 Page 1746

Plans for continuing care or discharge, as appropriate.

Request for Extended Stay. To qualify for reimbursement, authorization must be obtained from

d.

04.

the Department, or its designee. The request should be made before the initial length of stay or previously authorized extended stay ends, and submitted as designated by the Department, or its designee. Documentation for the request should include the most recent plan of care. The Department will set additional documentation requirements in the Idaho Medicaid Provider Handbook to ensure quality of care and integrity of services.

404. INPATIENT HOSPITAL SERVICES: PROVIDER QUALIFICATIONS AND DUTIES.

In addition to the provider enrollment agreement, each claim submitted by a hospital constitutes an agreement by which the hospital agrees to accept and abide by the Department's rules. Only a Medicare certified hospital, licensed by the state in which it operates, may enroll in the Idaho Medicaid program. Hospitals not participating as a Medicaid swing-bed provider, which are licensed for long-term care or as a specialty hospital that provides a nursing home level of care, will be reimbursed as a nursing facility. Hospitals not eligible for enrollment which render emergency care will be paid rates established in these rules.

405. HOSPITAL SERVICES – PROVIDER REIMBURSEMENT.

Under the Medicaid provisions of the Social Security Act, in reimbursing hospitals, the Department will pay the lesser of customary hospital charges or Medicaid reimbursement for services established in accordance with the procedures detailed under this rule. The upper limits observed by the Department in reimbursing each individual hospital must not exceed the payment that would be determined as a reasonable cost under the policies, definitions and procedures observed under Medicare (Title XVIII) principles of cost reimbursement.

- **01. Payment Procedures.** The following procedures are applicable to in-patient hospitals:
- a. The participant's admission and length of stay may be subject to prior authorization, concurrent review, continued stay review, and retrospective review by a Quality Improvement Organization (QIO) designated by the Department. QIO review will be governed by provisions of the QIO Idaho Medicaid Provider Manual as amended. If a review identifies that an admission or continued stay is not medically necessary, then no Medicaid payment will be made. Failure to obtain a timely QIO review as required by Section 402 of these rules, and as outlined in the QIO Idaho Medicaid Provider Manual as amended, will result in the QIO conducting a late review. After a QIO review has determined that the hospital stay was medically necessary, Medicaid will assess a late review penalty to the hospital as outlined in this rule.
- i. All admissions for hospitals not reimbursed under DRG methodologies are subject to QIO review to determine if continued stay in inpatient status is medically necessary. A QIO continued stay review is required when the participant's length of stay exceeds the number of days certified by the QIO. If no initial length of stay certification was issued by the QIO, a QIO continued stay review is required when the admission exceeds a number of days as specified by the Department.
- ii. Reimbursement for services originally identified as not medically necessary by the QIO will be made if such decision is reversed by the appeals process required in IDAPA 16.05.03, "Contested Case Proceedings and Declaratory Rulings."
- iii. Absent the Medicaid participant's informed decision to incur services deemed unnecessary by the QIO, or not authorized by the QIO due to the negligence of the provider, no payment for denied services may be obtained from the participant.
- **b.** In reimbursing licensed hospitals, the Department will pay the lesser of customary hospital charges or Medicaid reimbursement for in-patient hospital care as set forth in this rule, unless an exception applies as stated in Section 402 of these rules. The upper limits for payment must not exceed the payment that would be determined as reasonable cost using the Title XVIII standards and principles.
- **02. Hospital Penalty Schedule**. The following applies for hospitals not reimbursed under DRG methodologies:
- a. A request for a preadmission or continued stay QIO review, or for both, that is one (1) day late will result in a penalty of two hundred and sixty dollars (\$260), from the total Medicaid paid amount of the inpatient hospital stay.

482.58(a)(1) for swing-bed purposes; and (
vi. Nursing facility services in swing-beds must be rendered in beds used interchangeably to furnish hospital or nursing facility-type services.
b. Participant Requirements. The Department will reimburse hospitals for participants under the following conditions:
i. The participant is determined to be entitled to such services in accordance with IDAPA 16.03.05 "Eligibility for Aid to the Aged, Blind, and Disabled"; and
ii. The participant is authorized for payment in accordance with IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits," Subsection 222.02.
c. Reimbursement for "Swing-Bed" Patient Days. The Department will reimburse swing-bed hospitals on a per diem basis utilizing a rate established as follows:
i. Payment rates for routine nursing facility services will be at the weighted average Medicaid rate per patient day paid to hospital-based nursing facility/ICF facilities for routine services furnished during the previous calendar year. ICF/ID facilities' rates are excluded from the calculations.
ii. The rate will be calculated by the Department by March 15 of each calendar year. The rate will be based on the previous calendar year and effective retroactively for dates of service on or after January 1 of the respective year.
iii. The weighted average rate for nursing facility swing-bed days will be calculated by dividing total payments for routine services, including patient contribution amounts but excluding miscellaneous financial transactions relating to prior years, by total patient days for each respective level of care occurring in the previous calendar year.
iv. Routine services include all medical care, supplies, and services that are included in the calculation of nursing facility property and nonproperty costs as described in IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits," Subsection 225.01.
v. The Department will pay the lesser of the established rate, the facility's charge, or the facility's charge to private pay patients for "swing-bed" services.
vi. Reimbursement of ancillary services not included in the nursing facility rates furnished fo extended care services will be billed and determined in the same manner as hospital outpatient reasonable costs in accordance with Medicare reasonable cost principles, except that reimbursement for prescription drugs will be in accord with Section 665 of these rules.
vii. The number of swing-bed days that may be reimbursed to a provider in a twelve (12) month period will be limited to the greater of one thousand ninety-five (1,095) days which may be prorated over a shorter fiscal period or, fifteen percent (15%) of the product of the average number of available licensed beds in the hospital in the period and the number of days in the fiscal period. The Department may authorize additional critical access hospital swing-bed days for participants residing in a community without a nursing facility within thirty-five (35) miles

The hospital must be licensed for less than one hundred (100) beds as defined by 42 CFR

06. Adjustment for Disproportionate Share Hospitals (DSH). All Idaho hospitals serving a disproportionate share of low-income patients must qualify either as a Mandatory DSH or as Deemed DSH to receive a DSH payment. The Department will send each hospital a DSH survey on or before January 31 of each calendar

of swing-bed payment will be in accordance with IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits," Section 224.

Computation of "Swing-Bed" Patient Contribution. The computation of the patient's contribution

contingent on a review of medical necessity, cost-effectiveness, residency, and quality of care.

Section 405 Page 1749

IDAHO ADMINISTRATIVE CODE Department of Health & Welfare

IDAPA 16.03.09 Medicaid Basic Plan Benefits

year. A hospital will not receive a DSH payment if the survey is not returned by the deadline, unless good cause is determined by the Department. Mandatory Eligibility. Mandatory Eligibility for DSH status will be provided for hospitals that: a. Meet or exceed the disproportionate share threshold as defined in Subsection 400.13 of these rules. i. Have at least two (2) obstetricians with staff privileges at the hospital who have agreed to provide ii. obstetric services. (1) Subsection 405.06.b.ii. of this rule does not apply to a hospital in which the inpatients are predominantly individuals under eighteen (18) years of age; or Does not offer nonemergency inpatient obstetric services as of December 21, 1987. (2) iii. The MUR will not be less than one percent (1%). If an Idaho hospital exceeds both disproportionate share thresholds, as described in Subsection 400.13 of these rules, and the criteria of Subsections 405.06.b.ii. and 405.06.b.iii. of this rule are met, the payment adjustment will be the greater of the amounts calculated using the methods identified in Subsections 405.06.b.vi. through 405.06.b.x. of this rule. Hospitals qualifying for Mandatory DSH eligibility with Medicaid Inpatient Utilization Rates equal to or exceeding one (1) standard deviation and less than one and one-half (1 1/2) standard deviations above the mean of all Idaho hospitals will receive a DSH payment equal to two percent (2%) of the payments related to the Medicaid inpatient days included in the MUR computation. Hospitals qualifying for Mandatory DSH eligibility with Medicaid Inpatient Utilization Rates equal to or exceeding one and one-half (1 1/2) standard deviations and less than two (2) standard deviations of the mean of all Idaho hospitals will receive a DSH payment equal to four percent (4%) of the payments related to the Medicaid inpatient days included in the MUR computation. Hospitals qualifying for Mandatory DSH eligibility with Medicaid Inpatient Utilization Rates exceeding two (2) standard deviations of the mean of all Idaho hospitals will receive a DSH payment equal to six percent (6%) of the payments related to the Medicaid inpatient days included in the MUR computation. Hospitals qualifying for Mandatory DSH eligibility with Low Income Utilization Rates equal to or exceeding twenty-five percent (25%) will receive a DSH payment equal to four percent (4%) of the payments related to the Medicaid inpatient days included in the MUR computation. Hospitals qualifying for Mandatory DSH eligibility with Low Income Utilization Rates equal to, or exceeding, thirty percent (30%) will receive a DSH payment equal to six percent (6%) of the payments related to the Medicaid inpatient days included in the MUR computation. Deemed Disproportionate Share Hospital (DSH). All hospitals in Idaho that have inpatient utilization rates of at least one percent (1%) only in Idaho inpatient days, and meet the requirements unrelated to patient day utilization specified in Subsection 405.06.b. of this rule, will be designated a Deemed Disproportionate Share Hospital. The disproportionate share payment to a Deemed DSH hospital will be the greater of: Five dollars (\$5) per Idaho Medicaid inpatient day included in the hospital's MUR computation; or i. An amount per Medicaid inpatient day used in the hospital's MUR computation that equals the DSH allotment amount, less the Mandatory DSH payment amount, divided by the number of Medicaid inpatient days

Section 405 Page 1750

used in the MUR computation for all Idaho DSH hospitals.

	Insufficient DSH Allotment Amounts. When the DSH allotment amount is insufficient to mant of DSH payments to each DSH hospital, payments to each hospital will be reduced nich the DSH allotment amount was exceeded.	
	DSH Payments Will Not Exceed Costs. A DSH payment will not exceed the costs incurred shing services to individuals who are either eligible for medical assistance under the State For health care services provided during the year.

the state will have annually adjusted rates of payment no greater than seventy-five percent (75%) for inpatient covered charges and no greater than eighty percent (80%) of outpatient covered charges or, the Department's established fee schedule for certain outpatient services. These rates represent average inpatient and outpatient reimbursement rates paid to Idaho hospitals.

- **08.** Audit Function. Under a common audit agreement, the Medicare Intermediary may perform any audit required for both Title XVIII and Medicaid purposes. The Department may elect to perform an audit even though the Medicare Intermediary does not choose to audit the facility.
- **Adequacy of Cost Information**. Cost information as developed by the provider must be current, accurate, and in sufficient detail and in such form as needed to support payments made for services rendered to participants. This includes all ledgers, books, reports, records and original evidences of cost (purchase requisitions, purchase orders, vouchers, requisitions for materials, inventories, labor time cards, payrolls, bases for apportioning costs, etc.), which pertain to the determination of reasonable costs, leaving an audit trail capable of being audited. Financial and statistical records will be maintained in a consistent manner from one (1) settlement period to another.
- **10. Availability of Records of Hospital Providers.** A participating hospital provider of services must make available to the Department in the state in which the facility is licensed, the provider's fiscal and other necessary records for the purpose of determining its ongoing record keeping capability and to ascertain information pertinent to the determination of the proper amount of program payments due the provider. ()
- 11. Interim Cost Settlements. The Department may initiate, or a hospital may request an interim cost settlement based on the Medicare cost report as submitted.
- a. Cost Report Data. Interim settlement cost report data will be adjusted to reflect Medicaid payments and statistical summary reports sent to providers before the filing deadline.
- **b.** Limit or Recovery of Payment. The Department may limit a recovery or payment of an interim settlement amount up to twenty-five percent (25%) of the total settlement amount when the cost report information is in dispute.
- 12. Notice of Program Reimbursement. Following receipt of the finalized Medicare cost report and the timely receipt of any other information requested by the Department to fairly cost settle with the provider, a certified letter with the return receipt requested will be sent to the provider that sets forth the amounts of underpayment or overpayment made to the provider. The notice of the results of the final retroactive adjustment will be sent even though the provider intends to request a hearing on the determination, or has appealed the Medicare Intermediary's determination of cost settlement. Where the determination shows that the provider is indebted to the Medicaid program because total interim and other payments exceed cost limits, the state will take the necessary action to recover overpayment, including the suspension of interim payments sixty (60) days after the provider's receipt of the notice. Such action of recovery or suspension will continue even after a request for an informal conference or hearing is filed with the state. If the hearing results in a revised determination, appropriate adjustments will be made to the settlement amount.
- **a.** Timing of Notice. The Department will make every effort to issue a notice of program reimbursement within twelve (12) months of receipt of the cost report.
- **b.** Reopening of Completed Settlements. A Medicaid completed cost settlement may be reopened by the provider or the state within a three (3) year period from the date of the letter of notice of program reimbursement. The issues must have been raised, appealed and resolved through the reopening of the cost report by the Medicare Intermediary. Issues previously addressed and resolved by the Department's appeal process are not cause for reopening of the finalized cost settlement.
- 13. Non Appealable Items. The formula for the determination of the hospital inflation index, the principles of reimbursement that define allowable cost, non-Medicaid program issues, interim rates that are in compliance with state and federal rules, and the preliminary adjustments prior to final cost settlement determinations as supported by properly completed cost reports and audits are not acceptable as appealable items.

Section 405 Page 1752

14. Interim Reimbursement Rates for Providers Subject to Cost Settlement. The interim reimbursement rates must be reasonable and adequate to meet the necessary costs that are incurred by economically and efficiently operated providers that provide services in conformity with applicable state and federal laws, rules and quality and safety standards.
a. Annual Adjustments. Interim rates will be adjusted at least annually based on the best information available to the Department.
b. Retrospective Adjustments. Interim rates will not be adjusted retrospectively upon request for rate review by the provider.
c. Basis for Adjustments. The Department may make an adjustment based on the Medicare cost report as submitted and accepted by the Intermediary after the provider's reporting year to bring interim payments made during the period into agreement with the tentative reimbursable amount due the provider at final settlement. If the settlement amount is equal to or greater than ten percent (10%) of the payments received or paid and equal to or greater than one hundred thousand dollars (\$100,000), the interim rate will be adjusted to account for half (½) of the difference.
d. Unadjusted Rate. The Medicaid interim reimbursement rate on file is synonymous with the term unadjusted rate used by other payors.
15. Audits. All financial reports are subject to audit by Departmental representatives in accordance with Section 305 of these rules.
406. INPATIENT HOSPITAL SERVICES: QUALITY ASSURANCE. The designated QIO must prepare, distribute, and maintain a provider manual that is periodically updated. The manual must include the following:
QIO Information . The QIO's policies, criteria, standards, operating procedures, and forms for performing: preadmission monitoring, assessment reviews, continued stay requests, and requests for retroactive medical reviews.
O2. Department Provisions . Department-selected diagnoses and elective procedures in which a hospital will request preauthorization of an admission, transfer, or continuing stay.
03. Approval Timeframe . A provision that the QIO will inform the hospital of a certification within five (5) days, or other time frame as determined by the Department, of an approved admission, transfer, or continuing stay.
04. Method of Notice . The method of notice to hospitals of QIO denials for specific admissions transfers, continuing stays, or services rendered in post-payment reviews.
05. Procedural Information . The procedures that providers or participants will use to obtain reconsideration of a denial by the QIO prior to appeal to the Department. Such requests for reconsideration by the QIO must be made in writing to the QIO within one hundred eighty (180) days of the issuance of the "Notice of Non-Certification of Hospital Days."

SUB AREA: PHYSICIAN SERVICES AND ABORTION PROCEDURES

(Sections 500-519) 500. PHYSICIAN SERVICES. Physician services include the treatment of medical and surgical conditions by doctors of medicine or osteopathy subject to the limitations of practice imposed by state law, and to the restrictions and exclusions of coverage contained in Section 390 and Section 502 of these rules. 501. (RESERVED) 502. PHYSICIAN SERVICES: COVERAGE AND LIMITATIONS. Sterilization Procedures. Restrictions pertaining to payment for sterilization procedures are contained in Sections 680 through 686 of these rules. Abortions. Restrictions governing payment for abortions are contained in Sections 511 through 02. 514 of these rules. 03. Tonometry. Payment for tonometry is limited to one (1) examination for individuals over the age of forty (40) years during any twelve (12) month period (in addition to tonometry as a component of examination to determine visual acuity). In the event examination to determine visual acuity is not done, two (2) tonometry examinations per twelve (12) month period are allowed for participants over the age of forty (40). This limitation does not apply to participants receiving continuing treatment for glaucoma. Physical Therapy Services. Payment for physical therapy services performed in the physician's office is limited to those services that are described and supported by the diagnosis. Injectable Vitamins. Payment for allowable injectable vitamins will be allowed when supported by the diagnosis. Injectable vitamin therapy is limited to Vitamin B12 (and analogues), Vitamin K (and analogues), folic acid, and mixtures consisting of Vitamin B12, folic acid, and iron salts in any combination. Corneal Transplants and Kidney Transplants. Corneal transplants and kidney transplants are covered by the Medical Assistance Program. 503. (RESERVED) 504. PHYSICIAN SERVICES: PROVIDER QUALIFICATIONS AND DUTIES. Misrepresentation of Services. Any representation that a service provided by a nurse practitioner, nurse midwife, physical therapist, physician assistant, psychologist, social worker, or other nonphysician professional as a physician service is prohibited. 02. Locum Tenens Claims and Reciprocal Billing. In reimbursement for Locum Tenens/reciprocal billing, the patient's regular physician may submit the claim and receive payment for covered physician services (including emergency visits and related services) provided by a Locum Tenens physician who is not an employee of the regular physician if: i. The regular physician is unavailable to provide the visit services. ii. The Medicaid patient has arranged for or seeks to receive services from the regular physician.

The regular physician pays the Locum Tenens for their services on a per diem or similar fee-for-

511. ABORTION PROCEDURES: PARTICIPANT ELIGIBILITY.

The Department will fund abortions under the Medical Assistance Program only under circumstances where the abortion is necessary to save the life of the woman, or in cases of rape or incest as determined by the courts, or, where no court determination has been made, if reported to a law enforcement agency.

512. -- 513. (RESERVED)

514. ABORTION PROCEDURES: PROVIDER QUALIFICATIONS AND DUTIES.

- **01.** Required Documentation in the Case of Rape or Incest. In the case of rape or incest, the following documentation must be provided to the Department:
 - **a.** A copy of the court determination of rape or incest; or ()
- **b.** Where no court determination has been made, documentation that the rape or incest was reported to a law enforcement agency.
- c. Where the rape or incest was not reported to a law enforcement agency, a licensed physician must certify in writing that, in the physician's professional opinion, the woman was unable, for reasons related to her health, to report the rape or incest to a law enforcement agency. The certification must contain the name and address of the woman.
- **O2.** Required Documentation in the Case Where the Abortion is Necessary to Save the Life of the Woman. In the case where the abortion is necessary to save the life of the woman, a licensed physician must certify in writing that the woman may die if the fetus is carried to term. The certification must contain the name and address of the woman.

582 CHILD WELLNESS SERVICES: COVERAGE AND LIMITATIONS

562. CHILD WELLINESS SERVICES: COVERAGE AND LIMITATIONS.
01. Periodic Medical Screens. Periodic medical screens are to be completed according to the American Academy of Pediatrics periodicity schedule including blood lead tests at age twelve (12) months and twenty-four (24) months. The medical screen must include a blood lead test when the participant is age two (2 through age twenty-one (21) and has not been previously tested.
02. Interperiodic Screens . Interperiodic screens will be performed when there are indications that it is medically necessary to determine whether a child has a physical or mental illness or condition that may require further assessment, diagnosis, or treatment. Interperiodic screens may occur in children who have already beed diagnosed with an illness or condition, and there is indication that the illness or condition may have become more severe or changed sufficiently, so that the further examination is medically necessary (
03. Developmental Screens. Developmental screening is considered part of every routine initial an periodic examination. If the screening identifies a developmental problem, then a developmental assessment will be ordered by the physician, certified nurse midwife, PA, or NP and be conducted by qualified professionals. (

02. Periodic Medical Screens . Periodic medical screens can be performed by a physician, certific nurse midwife, PA, or NP.
585. EARLY INTERVENTION SERVICES. Early Intervention Services for infants and toddlers enrolled in Idaho Medicaid are provided by the Idaho Infar Toddler Program (ITP). Early Intervention Services must be provided in accordance with the Individuals wit Disabilities Education Act (IDEA), Part C, and all Medicaid regulations. (
586. EARLY INTERVENTION SERVICES: PROGRAM REQUIREMENTS. Idaho Medicaid and the ITP coordinate the delivery of Early Intervention Services through an intra-agency agreement published on the Department's website. Program requirements include: (
01. Physician Recommendation . The ITP can bill for health-related services provided to eligible children when the services are documented as medically necessary and provided under the recommendation of physician, certified nurse midwife, PA, or NP. ITP may not seek reimbursement for services provided more that thirty (30) days prior to the signed and dated physician recommendation. The recommendation is valid for up to three hundred sixty-five (365) days.
02. Individualized Family Service Plan (IFSP) . The ITP may bill for Medicaid services covered by current IFSP. The plan must be developed by a multi-disciplinary team and be based on the results of assessment(s).

01. Fee Schedule. Reimbursement for Early Intervention Services will be based on the Idaho Medicaid Fee Schedule for Early Intervention.

587. EARLY INTERVENTION SERVICES: PROVIDER REIMBURSEMENT. Medicaid will reimburse the Infant Toddler Program for covered medically necessary services.

Qualified Staff. ITP staff qualifications must meet IDEA Part C requirements, and all Medicaid

656. LABORATORY AND RADIOLOGY SERVICES: QUALITY ASSURANCE.

Laboratories, as a condition of payment, must maintain a quality-control program, including proficiency testing consistent with federal requirements, as detailed in the Idaho Medicaid Provider Handbook. The laboratory must provide the results of proficiency testing to the Department or their Quality Improvement Organization vendor upon request.

657. -- 659. (RESERVED)

SUB AREA: PRESCRIPTION DRUGS (Sections 660-679)

660. (RESERVED)

661. PRESCRIPTION DRUGS: PARTICIPANT ELIGIBILITY.

- **01. Obtaining a Prescription Drug**. To obtain a prescription drug, a Medicaid participant or authorized agent must present the participant's Medicaid identification card to a participating pharmacy together with a prescription from a licensed prescriber.
- **02. Tamper-Resistant Prescription Requirements**. Any written, non-electronic prescription for a Medicaid participant must be written on a tamper-resistant prescription form. The paper on which the prescription is written must have:
- **a.** One (1) or more industry-recognized features designed to prevent unauthorized copying of a completed or blank prescription form;
- **b.** One (1) or more industry-recognized features designed to prevent the erasure or modification of information written on the prescription by the prescriber;
- ${f c.}$ One (1) or more industry-recognized features designed to prevent the use of counterfeit prescription forms.
- **O3.** Tamper-Resistant Prescription Requirements Not Applicable. The tamper-resistant prescription requirements do not apply when the prescription is communicated by the prescriber to the pharmacy electronically, verbally, by fax, or when drugs are provided in an inpatient hospital or a nursing facility where the patient and family do not have direct access to the paper prescription.
- **04. Drug Coverage for Dual Eligibles.** For Medicaid participants who are also eligible for Medicare known as "dual eligibles", the Department will pay for Medicaid-covered drugs that are not covered by Medicare Part D. Dual eligibles will be subject to the same limits and processes used for any other Medicaid participants. ()

662. PRESCRIPTION DRUGS: COVERAGE AND LIMITATIONS.

01. General Drug Coverage. The Department will pay for those prescription drugs not excluded by Subsections 662.06 and 662.07 of this rule that are legally obtainable by the order of a licensed prescriber whose licensing allows for the prescribing of prescription drugs or legend drugs, as defined under Section 54-1705, Idaho Code, and which are deemed medically necessary as defined in Section 011 of these rules.

02. Preferred Drug List (PDL). (

- **a.** The PDL identifies the preferred drugs and non-preferred drugs within a therapeutic class designated by the Department and reviewed by the Idaho Medicaid Pharmacy and Therapeutics Committee.
- **b.** A brand name drug may be designated as a preferred drug by the Department if the net cost of the brand name drug after consideration of all rebates is less than the cost of the generic equivalent.

	tatus o	The Director of the Department makes final decisions regarding the designated preferred of drugs based on therapeutic recommendations from the Pharmacy and Therapeutics Commit in the Idaho Medicaid Pharmacy Program.

08.	Supplemental Rebates.	()
a.	Purpose. The purpose of supplemental rebates is to enable the Department to purchase	prescription

drugs provided to Medicaid participants in a cost-effective manner. The supplemental rebate may be one (1) factor considered in determining a drug's preferred drug status, but it is secondary to considerations of the safety, effectiveness, and clinical outcomes of the drug in comparison with other therapeutically interchangeable alternative drugs.

- Rebate Amount. The Department may negotiate with manufacturers supplemental rebates for prescription drugs that are in addition to those required by Title XIX of the Social Security Act. There is no upper limit on the dollar amounts of the supplemental rebates the Department may negotiate. Comparative Costs to be Considered. Whenever possible, physicians and pharmacists are encouraged to utilize less expensive drugs and drug therapies. 664. PRESCRIPTION DRUGS: PROVIDER OUALIFICATIONS AND DUTIES. Payment for Covered Drugs. Payment will be made, as provided in Section 665 of these rules, 01. only to pharmacies registered with the Department as a provider for the specific location where the service was performed. An out of the state pharmacy shipping or mailing a prescription into Idaho must have a valid mail order license issued by the Idaho Board of Pharmacy and be properly enrolled as a Medicaid provider. 02. **Dispensing Procedures.** The following protocol must be followed for proper prescription filling. Prescription Drug Refills. Refills of prescription drugs must be authorized by the prescriber on the original or new prescription order on file and each refill must be recorded on the prescription or logbook, or computer print-out, or on the participant's medication profile. Automatic Refills. b.) Automatic refills are not allowed for Idaho Medicaid participants. A request specific to each i. medication is required.
- ii. All prescription refills must be initiated by a request from the participant, the prescriber, or another person, such as a family member, acting as an agent of the participant.
- iii. Authorization for each prescription refill must be received prior to the beginning of the filling process by the pharmacy.
 - **c.** Dispensing Prescription Drugs. Prescriptions must be dispensed according to:
 - i. 21 CFR Section 1300, et seq.; ()
 - ii. Title 54, Chapter 17, and Title 37, Chapters 1, 27, and 32, Idaho Code;
 - iii. IDAPA 27.01.03, "Rules Governing Pharmacy Practice"; and
 - iv. Sections 660 through 666 of these rules. ()
- **d.** Prescriptions on File. Prescriptions must be maintained on file in pharmacies in such a manner that they are available for immediate review by the Department upon written request.
- **03. Return of Unused Prescription Drugs**. When prescription drugs were dispensed in unit dose packaging, as defined by IDAPA 27.01.03, "Rules Governing Pharmacy Practice," and the participant for whom the drugs were prescribed no longer uses them:
- **a.** A licensed skilled nursing care facility may return unused drugs dispensed in unit dose packaging to the pharmacy provider that dispensed the medication.

701. INPATIENT BEHAVIORAL HEALTH SERVICES: PARTICIPANT ELIGIBILITY.

01. Inpatient Psychiatric Hospital Services. Participants are eligible who have a diagnosis from the

current DSM with substantial impairment in thought, mood, perception, or behavior. A court-ordered admission or physician's emergency certificate alone does not justify Medicaid reimbursement for these services. Medical necessity must be demonstrated for admission or extended stay by meeting the severity of illness and intensity of service criteria as found in Subsections 701.03 and 701.04 of this rule. Services may be provided in: A freestanding psychiatric hospital; b. A hospital psychiatric unit; and Subject to federal approval, an institution for mental diseases. Inpatient Substance Use Disorder Services. Participants are eligible when medical necessity is demonstrated by meeting the severity of illness and intensity of service criteria as found in Subsections 701.03 and 701.04 of this rule. A court-ordered admission or physician's emergency certificate alone does not justify Medicaid reimbursement for these services. Severity of Illness Criteria. Both severity of illness and intensity of services criteria must be met for admission to an IMD or psychiatric unit of a general hospital. Severity of illness criteria. The participant must meet one (1) of the following criteria related to the severity of their psychiatric illness: Is currently dangerous to self as indicated by at least one (1) of the following: Has actually made an attempt to take their own life in the last seventy-two (72) hours (details of the attempt must be documented); or Has demonstrated self-mutilative behavior within the past seventy-two (72) hours (details of the behavior must be documented); or Has a clear plan to seriously harm himself, overt suicidal intent, and lethal means available to follow the plan (this information can be from the participant or a reliable source and details of the participant's plan must be documented); or The participant has a current plan, specific intent, or recurrent thoughts to seriously harm himself or others, and is at significant risk of making an attempt without immediate intervention; or Participant is actively violent or aggressive and exhibits homicidal ideation or other symptoms that indicate they are a probable danger to others as indicated by one (1) of the following: The participant has engaged in, or threatened, behavior harmful or potentially harmful to others or caused serious damage to property that would pose a serious threat of injury or harm to others within the last twentyfour (24) hours (description of the behavior and extent of injury or damage must be documented, as well as the time the behavior occurred relative to the present); or The participant has made threats to kill or seriously injure others or to cause serious damage to

(3) A mental health professional has information from the participant or a reliable source that the participant has a current plan, specific intent, or recurrent thoughts to seriously harm others or property and is at significant risk of making the attempt without immediate intervention (details must be documented); or ()

property that would pose a threat of injury or harm to others and has effective means to carry out the threats (details of

iii. Participant is gravely impaired as indicated by at least one (1) of the following criteria: ()

(1) The participant has such limited functioning that their physical safety and well being are in jeopardy due to their inability for basic self-care, judgment, and decision making (details of the functional limitations

703. INPATIENT BEHAVIORAL HEALTH SERVICES: PROCEDURAL REQUIREMENTS.

01. Prior Authorization. Some services may require a prior authorization from the Department, or its designee. The Department will set documentation requirements in the Idaho Medicaid Provider Handbook to ensure quality of care and integrity of services. Requests for prior authorization must include:

Section 702 Page 1801

IDAHO ADMINISTRATIVE CODE IDAPA 16.03.09 Department of Health & Welfare Medicaid Basic Plan Benefits Diagnosis; and a. Summary of present medical findings including symptoms, complaints and complications b. indicating the need for admission; and Medical history; and c. d. Mental and physical functional capacity; and e. Prognosis. Individual Plan of Care - Content. The individual plan of care is a written plan developed for the participant upon admission. The objective of the plan is to improve their condition to the extent that acute psychiatric care is no longer necessary. It must be developed by an interdisciplinary team as defined in Subsection 703.03 of this rule. The plan of care must be implemented within seventy-two (72) hours of admission, and reviewed at least every three (3) days. The individual plan of care must contain: A diagnostic evaluation that includes examination of the medical, behavioral, and developmental aspects of the participant's situation and reflects the medical necessity for in-patient care; and b. Treatment objectives related to conditions that necessitated the admission; and An integrated program of therapies, treatments (including medications), activities (including special procedures to assure the health and safety of the participant), and experiences designed to meet the objectives; and A discharge plan designed to achieve the participant's discharge at the earliest possible time that includes plans for coordination of community services to ensure continuity of care with the participant's family, school, and community upon discharge. Individual Plan of Care - Interdisciplinary Team. The individual plan of care must be developed by an interdisciplinary team capable of assessing the participant's immediate and long range therapeutic needs, developmental priorities and personal strengths and liabilities, assessing the potential resources of the participant's family, setting the treatment objectives, and prescribing therapeutic modalities to achieve the plan's objectives. The team must include at a minimum: One (1) of the following: a. A board-certified psychiatrist; or i. ii. A licensed psychologist and a physician licensed to practice medicine or osteopathy; or A physician licensed to practice medicine or osteopathy with specialized training and experience in iii. the diagnosis and treatment of mental disease and a licensed clinical professional counselor; and

 ${f c.}$ The participant and their parents, legal guardians, or others into whose care they will be released after discharge.

A registered nurse with specialized training or one (1) year's experience in treating individuals with

704. INPATIENT BEHAVIORAL HEALTH SERVICES: PROVIDER QUALIFICATIONS AND DUTIES.

- **01. Provider Qualifications.** Inpatient hospital psychiatric services must be provided under the direction of a physician in a facility accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and licensed by the state of Idaho or the state in which they provide services. To provide services beyond emergency medical screening and stabilization treatment, the hospital must have a separate psychiatric unit with staff qualified to provide psychiatric services. General hospitals licensed to provide services in their state, but are not JCAHO certified, may not bill for psychiatric services beyond emergency screening and stabilization.
- **02. Record Keeping**. A written report of each evaluation and the plan of care must be entered into the participant's record at the time of admission or if the participant is already in the facility, immediately upon completion of the evaluation or plan.
- **03. Utilization Review (UR).** The facility must have in effect a written utilization review plan that provides for review of each participant's need for the services that the hospital furnishes them. The UR plan must meet the requirements under 42 CFR 456.201 through 456.245.

705. INPATIENT BEHAVIORAL HEALTH SERVICES: PROVIDER REIMBURSEMENT.

Failure to request a prior authorization, concurrent review, or continued stay review in a timely manner will result in a retrospective review being conducted by the Department. If the retrospective review determines the stay is medically necessary, the Department will assess a penalty to the hospital as specified in Subsection 705.02 of this rule. The admitting physician will be assessed a penalty for failure to request a prior authorization, concurrent review, or continued stay review in a timely manner as specified in Subsection 705.03 of this rule. A physician who provides hospital care but has no control over the admission, continued stay, or discharge of the participant is not subject to this penalty.

- **01. Payment.** Reimbursement for the participant's admission and length of stay is subject to prior authorization, concurrent review, continued stay review, or retrospective review by the Department. The hospital and the participant's physician are responsible for obtaining the required review. If such review identifies that an admission or continued stay is not medically necessary, then no Medicaid payment will be made.
- a. In reimbursing for inpatient hospital psychiatric services the Department will pay the lesser of customary charges or the established Medicaid semi-private rates for inpatient hospital care in accordance with the rules set forth in IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits."
- **b.** The cost of services that would be the responsibility of the Department of Education for school age children cannot be considered in the cost of inpatient psychiatric hospital services.
- **02. Hospital Penalty Schedule.** Failure to request a prior authorization, concurrent review, or continued stay review from the Department in a timely manner will result in the hospital being assessed a penalty as follows. The penalty will be assessed after payment for hospital services for a medically necessary hospital admission.
- **a.** A request for a preadmission or continued stay review that is one (1) day late will result in a penalty of two hundred sixty dollars (\$260).
- **b.** A request for a preadmission or continued stay review that is two (2) days late will result in a penalty of five hundred twenty dollars (\$520).
- **c.** A request for a preadmission or continued stay review that is three (3) days late will result in a penalty of seven hundred eighty dollars (\$780).
- **d.** A request for a preadmission or continued stay review that is four days (4) late will result in a penalty of one thousand forty dollars (\$1,040).

726. HOME HEALTH SERVICES: PROVIDER REIMBURSEMENT.

01. Home Health Services. Payment for home health services is limited to the services authorized in

Section 724 Page 1807

Sections 720 through 722 of these rules and must not exceed the lesser of reasonable cost as determined by Medicare or the Medicaid percentile cap. The Medicaid percentile cap is revised annually, effective at the beginning of each state fiscal year. Revisions are made using the data from the most recent finalized Medicare cost reports on hand thirty (30) days prior to the effective date. b. Payment by the Department for home health will include mileage as part of the cost of the visit. Provider claims for services requiring EVV will include the corresponding EVV data elements listed in Subsection 724.04 of these rules. Provider EVV data will be submitted to the state's aggregator prior to billing claims. Claims corresponding to EVV data submissions are subject to a quality review in accordance with Subsection 210.10 of these rules. If a person is eligible for Medicare, all services ordered by the physician or licensed practitioner of the healing arts will be purchased by Medicare, except for the deductible and co-insurance amounts that the Department will pay. Medical Supplies, Equipment, and Appliances. Payment for medical supplies, equipment, and appliances is detailed in Section 755 of these rules. 727. -- 729. (RESERVED) SUB AREA: THERAPY SERVICES (Sections 730-739) THERAPY SERVICES: DEFINITIONS. For the purposes of these rules, the following terms are used as defined below: 01. **Duplicate Services**. Services are considered duplicate: When participants receive any combination of physical therapy, occupational therapy, or speechlanguage pathology services with treatments, evaluations, treatment plans, or goals that are not separate and unique to each service provided; or h. When more than one (1) type of therapy is provided at the same time.) Feeding Therapy. Feeding Therapy means those therapy services necessary for the treatment of feeding disorders. Feeding disorders include problems gathering food and getting ready to suck, chew, or swallow it. Maintenance Program. A program established by a therapist that requires the skills of a therapist or therapy professional and consists of activities and mechanisms to assist a participant in maximizing or maintaining the progress they have made during therapy or to prevent or slow further deterioration due to a disease or illness. 04. Occupational Therapy Services. Therapy services that: Are provided within the scope of practice of licensed occupational therapy professionals; a. h. Are necessary for the evaluation and treatment of impairments, functional disabilities, or changes in physical function and health status; and Improve the individual's ability to perform those tasks required for independent functioning. c.)

731. THERAPY SERVICES: PARTICIPANT ELIGIBILITY.

To be eligible for therapy services, a participant must be eligible for Medicaid benefits and must have:

Order. A physician or licensed practitioner of the healing arts order for therapy services; and

- **02. A Therapy Evaluation Showing Need**. A therapy evaluation of the participant showing a need for therapy due to a functional limitation, a loss or delay of skill, or both; and
- **03. A Therapy Evaluation Establishing Participant Benefit**. A therapy evaluation establishing that the participant will benefit and demonstrate progress as a result of the therapy services.

732. THERAPY SERVICES: COVERAGE AND LIMITATIONS.

Therapy services are covered under these rules when delivered by a therapy professional and provided by one (1) of the following providers: outpatient hospitals, outpatient rehabilitation facilities, comprehensive outpatient rehabilitative facilities, nursing facilities, school-based services, independent practitioners, and home health agencies. Therapy services provided by a home health agency under a home health plan of care must meet the requirements found in Sections 730 through 739 of these rules, and the requirements found in Sections 720 through 729 of these

coverage for two (2) years.

routine audiometric examination and testing once in each calendar year, and audiometric services and supplies in accordance with the following guidelines and limitations:

O1. Non-Implantable Hearing Aids. When there is a documented hearing loss that meets the criteria of the Idaho Medicaid Provider Handbook, the Department will cover the purchase of non-implantable hearing aids for participants under the age of twenty-one (21) with the following requirements and limitations:

()

a. Covered services included with the purchase of the hearing aid include proper fitting and refitting

b. The following services may be covered in addition to the purchase of the hearing aid for participants under the age of twenty-one (21): batteries purchased on a monthly basis, follow-up testing, necessary repairs resulting from normal use after the second year, and the refitting of the hearing aid or additional ear molds.

of the ear mold or aid, or both, during the first year, instructions related to the aid's use, and extended insurance

c. Lost, misplaced, stolen or destroyed hearing aids are the responsibility of the participant. The Department has no responsibility for the replacement of any hearing aid. In addition, the Department has no responsibility for the repair of hearing aids that have been damaged as a result of neglect, abuse or use of the aid in a manner for which it was not intended.

02. Implantable Hearing Aids. The Department may cover a surgically implantable hearing aid for participants under the age of twenty-one (21) when:

a. There is a documented hearing loss as described in Subsection 742.01 of this rule;

b. Non-implantable options have been tried, but have not been successful; and

c. The Department has determined that a surgically implanted hearing aid is medically necessary through the prior authorization process. The Department will consider the guidelines of private and public payers, evidence-based national standards or medical practice, and the medical necessity of each participant's case. ()

03. Provider Documentation Requirements. The following information must be documented and kept on file by the provider:

a. The participant's diagnosis;

b. The results of the basic comprehensive audiometric exam that include pure tone, air and bone conduction, speech reception threshold, most comfortable loudness, discrimination and impedance testing; and

c. The brand name and model type of the hearing aid needed.

04. Allowance to Waive Impedance Test. The Department will allow a medical doctor to waive the impedance test based on their documented judgment.

743. AUDIOLOGY SERVICES: PROCEDURAL REQUIREMENTS.

01. Audiology Examinations. Basic audiometric testing by licensed audiologists or licensed physicians will be covered without prior approval.

02. Additional Testing. Any hearing testing beyond the basic comprehensive audiometry and impedance testing must be ordered in writing before the testing is done and kept on file by the provider. ()

744. AUDIOLOGY SERVICES: PROVIDER QUALIFICATIONS AND DUTIES. The following are qualified to provide audiology services as Medicaid providers:

Section 743 Page 1814

756. DURABLE MEDICAL EQUIPMENT AND SUPPLIES: QUALITY ASSURANCE.

The use or provision of DME/medical supply items to an individual other than the participant for which such items were ordered is prohibited. The provision of DME/medical supply items that is not supported by required medical necessity documentation is prohibited and subject to recoupment. Violators are subject to penalties for program fraud or abuse, or both, that will be enforced by the Department. The Department has no obligation to repair or replace any piece of durable medical equipment that has been damaged, defaced, lost, or destroyed as a result of neglect, abuse, or misuse of the equipment. Participants suspected of the same will be reported to the Surveillance and Utilization Review (SUR/S) committee.

Section 756 Page 1818

757. -- 770. (RESERVED) PROSTHETIC AND ORTHOTIC SERVICES: PARTICIPANT ELIGIBILITY. 771. The Medical Assistance Program will purchase or repair, or both, medically necessary prosthetic and orthotic devices and related services that artificially replace a missing portion of the body or support a weak or deformed portion of the body within the limitations established by the Department. 772. PROSTHETIC AND ORTHOTIC SERVICES: COVERAGE AND LIMITATIONS. **Program Requirements.** The following program requirements will be applicable for all prosthetic and orthotic devices or services purchased by the Department: A temporary lower limb prosthesis will be purchased when documented by the attending physician or non-physician practitioner that it is in the best interest of the participant's rehabilitation to have a temporary lower limb prosthesis prior to a permanent limb prosthesis. A new permanent limb prosthesis will only be requested after the residual limb size is considered stable; A request for a replacement prosthesis or orthotic device must be justified to be the least costly alternative as opposed to repairing or modifying the current prosthesis or orthotic device; All prosthetic and orthotic devices that require fitting must be provided by an individual who is certified or registered by the American Board for Certification in Orthotics or Prosthetics, or both; All equipment that is purchased must be new at the time of purchase. Modification to existing prosthetic or orthotic equipment, or both, will be covered by the Department; Prosthetic limbs purchased by the Department must be guaranteed to fit properly for three (3) months from the date of service; therefore, any modifications, adjustments, or replacements within the three (3) months are the responsibility of the provider that supplied the item at no additional cost to the Department or the participant; Not more than ninety (90) days may elapse between the time of the order and the preauthorization request is presented to the Department for consideration; **Program Limitations**. The following limitations apply to all prosthetic and orthotic services and equipment: No replacement will be allowed for prosthetic or orthotic devices within sixty (60) months of the date of purchase except in cases where there is clear documentation that there has been major physical change to the residual limb, and ordered by the attending physician or non-physician practitioner; Refitting, repairs, or additional parts must be limited to once per calendar year for all prosthetics or orthotics, or both, unless it has been documented that a major medical change has occurred to the limb, and ordered by the attending physician; All refitting, repairs or alterations require preauthorization based on medical justification by the participant's attending physician; Prosthetic and orthotic devices provided for cosmetic or convenience purposes are not covered by the Department. Electronically powered or enhanced prosthetic devices are not covered; e.

The Department will only authorize corrective shoes or modification to an existing shoe owned by

the participant when they are attached to an orthosis or prosthesis or when specially constructed to provide for a

836. FEDERALLY QUALIFIED HEALTH CENTER (FQHC) SERVICES: RATE SETTING METHODOLOGY.

01. Prospective Payment System. (

- **a.** For rate periods beginning on January 1, 2001, the Department will establish separate, finalized rates for medical/mental encounters and for dental encounters. The Department will prospectively set these finalized encounter rates using the FQHC's medical/mental and dental encounter costs.
- b. Beginning in federal fiscal year 2002, and for each federal fiscal year thereafter, the Department will pay each FQHC an encounter rate equal to the amount paid in the previous federal fiscal year. For the period starting with federal fiscal year 2002 and thereafter, the Department will adjust the encounter rate for inflation using the Medicaid Economic Index (MEI), as published by CMS. For both medical/mental encounters and dental encounters, FQHCs are paid on a per encounter basis, with the limitations and exceptions described under Subsection 835.02 of these rules.
- c. If an out-of-state FQHC becomes an Idaho Medicaid provider and provides less than one hundred (100) Idaho Medicaid encounters or receives less than ten thousand dollars (\$10,000) in Idaho Medicaid payments in the first year after entering the program, the Department will deem the FQHC a low utilization provider. The finalized encounter rate for low utilization providers will be the same as the interim encounter rate as defined in Subsection 836.02.a. of this rule. If there is an increase in either the number of encounters or in the amount of payments over any twelve (12) month Medicare cost report period, the Department reserves the right to audit a low utilization provider's Medicare cost report in order to set a new interim encounter rate as defined in Subsection 836.02.a. of this rule.

02. FQHCs That Become Idaho Medicaid Providers. (

- **a.** If the FQHC is new and encounter rate information for other FQHCs in the same or adjacent regional areas with similar caseloads is not available, the Department will set the interim encounter rate using historical cost information. If historical cost information is not available, the Department will use budgeted cost and encounter information submitted by the provider. If the FQHC is not able to provide its financial budget information, the Department will set the interim encounter rate by referring to encounter rates paid to other FQHCs in the same or adjacent regional areas with similar caseloads. Regional areas are defined by the Department.
- **b.** If the FQHC has been designated as an FQHC for at least twenty-four (24) consecutive months and provides the historical cost and encounter information for this period to the Department, the Department will use the second full twelve (12) month audited Medicare cost report to calculate a finalized encounter rate. The Department will provide the FQHCs a supplemental information worksheet to complete. This worksheet will be used by the Department to identify dental encounters and other incidental costs related to either medical/mental or dental FQHC encounters.
- c. For both new and existing FQHCs that become Idaho Medicaid providers, the Department will audit the Medicare cost report for the twenty-four (24) consecutive months that represent two (2) complete fiscal years after the FQHC has become a Medicaid provider. The Department will also audit the Medicare cost report for any partial year prior to the twenty-four (24) consecutive months.
- **d.** For both new and existing FQHCs that become Idaho Medicaid providers, the Department will adjust the finalized encounter rate annually for inflation in accordance with Subsection 836.01.b. of this rule.
- e. The Department will adjust the claim payments for all FQHC claims paid at the interim encounter rate(s). These adjustments will reflect the payment at the finalized encounter rate(s). The Department will pay the

FQHC for any total adjustment amount over what was reimbursed. The FQHC must pay the Department for any total adjustment amount that is under what was reimbursed.

03. Change in an FQHC Encounter Rate Due to a Change in the FQHC's Scope of Services.

- a. After an FQHC obtains approval for a change in scope of service from the federal Human Resources and Services Administration (HRSA), Bureau of Primary Healthcare, the FQHC must request the Department to review the encounter rate(s) for the FQHC. The review will include reviewing the addition of a new service(s), deletion of an existing service(s), or other changes in the intensity of services offered by an FQHC that could change an FQHC's total cost per encounter. The FQHC must request the Department to review the encounter rate(s) within sixty (60) days after the FQHC has gained approval from the HRSA Bureau of Primary Health Care for a change in scope of service. The Department requires the same supporting documentation required by the HRSA Bureau of Primary Health Care.
- **b.** When an FQHC does not have to file a change in scope of service with the HRSA Bureau of Primary Health Care, but plans an increase or decrease in the intensity of services to be offered that will result in a change the FQHC's scope of services, the FQHC must request the Department to review the request for a change in intensity and determine if there will be an increase or decrease in the encounter rate(s) for the FQHC. The Department will review the request for a change in intensity within 60 (sixty) days of the planned change in intensity of services.
- c. The Department reserves the right to audit the Medicare cost report and recalculate the encounter rates when the FQHC has reported a change in scope of service.
- d. The Department will determine the encounter rate in accordance with Subsection 836.02 of this rule when the FQHC has reported a change in scope of service. The Department will audit and cost settle the most recent twenty-four (24) consecutive months of Medicare cost reports following any change(s) in an FQHC's scope of service. The Department will also audit the Medicare cost report for any partial year prior to the twenty-four (24) consecutive months. The finalized encounter rate(s) for both medical/mental and dental encounters will be recalculated and audited using the Medicare cost report for the second full twelve (12) month period.
- **04. Annual Filing Requirements**. Each provider is required to file a copy of its Medicare cost report on an annual basis. Department deadlines are the same as those imposed by Medicare.
- **05. Quarterly Supplemental Payments**. In the case of any FQHC that contracts with a managed care organization, the Department will make quarterly supplemental payments to the FQHC for the difference between the payment amounts paid by the managed care organization and the amount to which the FQHC is entitled under the prospective payment system for Medicaid participants.

850. SCHOOL-BASED SERVICE: DEFINITIONS.

- **01.** Activities of Daily Living (ADL). The performance of basic self-care activities in meeting a participant's needs for sustaining him in a daily living environment, including, but not limited to, bathing, washing, dressing, toileting, grooming, eating, communication, continence, mobility, and associated tasks.
- **O2.** Children's Habilitation Intervention Services (CHIS). CHIS are medically necessary, evidence-informed or evidence-based therapeutic techniques based on applied behavior analysis principles used to result in positive outcomes. These intervention services are delivered directly to Medicaid eligible students with identified developmental limitations that impact the student's functional skills and behaviors across an array of developmental domains. CHIS include habilitative skill building, behavioral intervention, behavioral consultation, crisis intervention, and interdisciplinary training services.
- **03. Educational Services.** Services that are provided in buildings, rooms, or areas designated or used as a school or an educational setting, which are provided during the specific hours and time periods in which the educational instruction takes place in the school day and period of time for these students, which are included in the individual educational plan (IEP) for the student.
- **04.** Evidence-Based Interventions. Interventions that have been scientifically researched and reviewed in peer reviewed journals, replicated successfully by multiple independent investigators, have been shown to produce measurable and substantiated beneficial outcomes, and are delivered with fidelity by certified or credentialed individuals trained in the evidence-based model.
- **05. Evidence-Informed Interventions**. Interventions that use elements or components of evidence-based techniques and are delivered by a qualified individual who are not certified or credentialed in an evidence-based model.
- **06. Human Services Field**. A diverse field that is focused on improving the quality of life for participants. Areas of academic study include sociology, special education, counseling, and psychology. or other areas of academic study as referenced in the Medicaid Provider Handbook.
- **07. School-Based Services**. School-based services are health-related and rehabilitative services provided by Idaho public school districts and charter schools under the Individuals with Disabilities Education Act (IDEA).
- **08.** The Psychiatric Rehabilitation Association (PRA). An association that works to improve and promote the practice and outcomes of psychiatric rehabilitation and recovery. The PRA also maintains a certification program to promote the use of qualified staff to work for individuals with mental illness. http://www.psychrehabassociation.org.
- **09. PRA** Credential. Certificate or certification in psychiatric rehabilitation based upon the primary population with whom the individual works in accordance with the requirements set by the PRA.
 - 10. Serious Mental Illness (SMI). In accordance with 42 CFR 483.102(b)(1), a person with SMI:
- **a.** Currently or at any time during the year, must have had a diagnosable mental, behavioral, or emotional disorder of sufficient duration to meet the diagnostic criteria specified in the DSM-V; and

b. Must have a functional impairment that substantially interferes with or limits one (1) or more major life activities. Functional impairment is defined as difficulties that substantially interfere with or limit role functioning with an individual's basic daily living skills, instrumental living skills, and functioning in social, family, vocational or educational contexts. Instrumental living skills include maintaining a household, managing money, getting around the community, and taking prescribed medication. An adult who met the functional impairment criteria during the past year without the benefit of treatment or other support services is considered to have a serious mental illness.
11. Serious and Persistent Mental Illness (SPMI). A participant must meet the criteria for SMI, have at least one (1) additional functional impairment, and have a diagnosis under DSM-V with one (1) of the following: Schizophrenia, Schizoaffective Disorder, Bipolar I Disorder, Bipolar II Disorder, Major Depressive Disorder Recurrent Severe, Delusional Disorder, or Borderline Personality Disorder. The only Not Otherwise Specified (NOS) diagnosis included is Psychotic Disorder NOS for a maximum of one hundred twenty (120) days without a conclusive diagnosis.
851. SCHOOL-BASED SERVICE: PARTICIPANT ELIGIBILITY. To be eligible for medical assistance reimbursement for covered services, school districts and charter schools must ensure:
01. Medicaid Eligibility . Eligible for Medicaid and the service for which the school district or charter school is seeking reimbursement; ()
O2. School Enrollment. Enrolled in an Idaho school district or charter school; ()
03. Age . Twenty-one (21) years of age or younger and the semester in which their twenty-first birthday falls is not finished;
04. Educational Disability . Identified as having an educational disability under the Department of Education standards in IDAPA 08.02.03, "Rules Governing Thoroughness." ()
05. Parental Consent . Providers must obtain a one-time parental consent to access public benefits or insurance from a parent or legal guardian for school-based Medicaid reimbursement.
852. SCHOOL-BASED SERVICE: SERVICE-SPECIFIC PARTICIPANT ELIGIBILITY. Skills Building/Community Based Rehabilitation Services (CBRS). CHIS and Personal Care Services (PCS) have additional eligibility requirements.
01. Skills Building/Community Based Rehabilitation Services (CBRS). To be eligible for Skills Building/CBRS, the student must meet one (1) of the following:
a. A student who is a child under eighteen (18) years of age must meet the Serious Emotional Disturbance (SED) eligibility criteria for children in accordance with the Children's Mental Health Services Act,

b. A student who is eighteen (18) years old or older must meet the criteria of Serious and Persistent Mental Illness (SPMI). This requires that a student participant meet the criteria for SMI, as described in 42 CFR 483.102(b)(1), have at least one (1) additional functional impairment, and have a diagnosis under DSM-V, or later edition, with one (1) of the following: Schizophrenia, Schizoaffective Disorder, Bipolar I Disorder, Major Depressive Disorder Recurrent Severe, Delusional Disorder, or Borderline Personality Disorder. The only Not Otherwise Specified (NOS) diagnosis included is Psychotic Disorder NOS for a maximum of one hundred twenty (120) days without a conclusive diagnosis. In addition, the psychiatric disorder must be of sufficient severity to affect the participant's functional skills negatively, causing a substantial disturbance in role performance or coping

Section 16-2403, Idaho Code. A child who meets the criteria for SED must experience a substantial impairment in functioning. The child's level and type of functional impairment must be documented in the school record. A Department-approved assessment must be used to obtain the child's initial functional impairment score. Subsequent scores must be obtained at least annually in order to determine the child's change in functioning that occurs as a result

b.	Intervention Technician. Intervention technician is a provisional position intended to allow an

individual to gain the necessary degree, competency, or experience needed to qualify as an intervention specialist or higher. Provisional status is limited to a single eighteen (18) successive month period. The specialist or professional must observe and review the direct services performed by the technician monthly, or more often as necessary, to ensure the technician demonstrates the necessary skills to correctly provide the direct service. An intervention technician under the direction of a qualified intervention specialist or professional, must:

- i. Be an individual who is currently enrolled and is within twenty-four (24) semester credits, or equivalent, to complete their bachelor's degree or higher from an accredited institution in a human services field and working towards meeting the experience and competency requirements; or
- ii. Hold a bachelor's degree from an accredited institution in a human services field or a has a bachelor's degree and a minimum of twenty-four (24) semester credits, or equivalent, in a human services field and working towards meeting the experience and competency requirements.
- **c.** Intervention Specialist. Intervention specialists may provide direct services, complete assessments, and develop implementation plans. Intervention specialists who will complete assessments must have documented training and experience in completing assessments and designing and implementing comprehensive therapies for students with functional or behavioral needs, or both. The qualifications for this provider type can be met by one (1) of the following:
- i. An individual who holds an Idaho Standard Instructional Certificate who meets qualifications for an endorsement specific to special education as defined in IDAPA 08.02.02, "Rules Governing Uniformity," Sections 021-024; or
- ii. An individual who holds a Habilitative Intervention Certificate of Completion in Idaho with an expiration date of July 1, 2019 or later, and does not have a gap of more than three (3) years of employment as an intervention specialist, or
- iii. An individual who holds a bachelor's degree from an accredited institution in a human services field or has a bachelor's degree and a minimum of twenty-four (24) semester credits in a human services field, can demonstrate one thousand forty (1,040) hours of supervised experience working with children who demonstrate functional or behavioral needs, and meets the competency requirements by completing one (1) of the following:
 - (1) A Department-approved competency checklist referenced in the Medicaid Provider Handbook;
- (2) A minimum of forty (40) hours of applied behavior analysis training delivered by an individual who is certified or credentialed to provide the training; or
 - (3) Other Department-approved competencies as defined in the Medicaid Provider Handbook.
- **d.** Intervention Professional. Intervention professionals may provide direct services, complete assessments, and develop implementation plans. Intervention professionals who will complete assessments must have documented training and experience in completing assessments and designing and implementing comprehensive therapies for students with functional or behavioral needs, or both. The qualifications for this provider type can be met by one (1) of the following:
- i. An individual who holds a master's degree or higher from an accredited institution in psychology, education, applied behavior analysis, or have a related discipline with one thousand five hundred (1,500) hours of relevant coursework or training, or both, in principles of child development, learning theory, positive behavior support techniques, dual diagnosis psychology, education, or behavior analysis which may be documented within the individual's degree program, other coursework, or training; and
- ii. Have one thousand two hundred (1,200) hours of relevant experience in completing and implementing comprehensive behavioral therapies for participants with functional or behavioral needs, which may be

rules.

corrective action plan within forty-five (45) days after the results are received. The Department will work with the school to answer questions and provide clear direction regarding the corrective action plan.

Quality Improvement. The Department may gather and utilize information from providers to evaluate student satisfaction, outcomes monitoring, quality assurance, quality improvement activities, and health and safety. These findings may lead to quality improvement activities to improve provider processes and outcomes for the students.

858. -- 859. (RESERVED)

SUB AREA: MEDICAL TRANSPORTATION SERVICES (Sections 860-879)

860. (RESERVED)

861. EMERGENCY TRANSPORTATION SERVICES: PARTICIPANT ELIGIBILITY.

Ambulance services are medically necessary when an emergency condition exists. For purposes of reimbursement, an emergency condition exists when a participant manifests acute symptoms or signs, or both, which, by reasonable medical judgment of the Department, represent a condition of sufficient severity such that the absence of immediate medical attention could reasonably be expected to result in death, serious impairment of a bodily function or major organ, or serious jeopardy to the overall health of the participant. If such condition exists, and treatment is required at the participant's location, or transport of the participant for treatment in another location by ambulance is the only appropriate mode of travel, the Department will review such claims and consider authorization for emergency ambulance services.

862. EMERGENCY TRANSPORTATION SERVICES: COVERAGE AND LIMITATIONS.

- **01. Prior Authorization**. Medically necessary ambulance services are reimbursable in emergency situations or when prior authorization has been obtained from the Department.
- **O2. Local Transport Only.** Only local transportation by ambulance is covered. In exceptional situations where the ambulance transportation originates beyond the locality to which the participant was transported, payment may be made for such services only if the evidence clearly establishes that such institution is the nearest one with appropriate facilities and the service is authorized by the Department.
- **03. Air Ambulance Service**. In some areas, transportation by airplane or helicopter may qualify as ambulance services. Air ambulance services are covered only when:
 - **a.** The point of pickup is inaccessible by land vehicle; or ()
- **b.** Great distances or other obstacles are involved in getting the participant to the nearest appropriate facility and speedy admission is essential; and
- c. Air ambulance service will be covered where the participant's condition and other circumstances necessitate the use of this type of transportation; however, where land ambulance service will suffice, payment will be based on the amount payable for land ambulance, or the lowest cost.
- **04. Co-Payments.** When the Department determines that the participant did not require emergency transportation, the provider can bill the participant for the co-payment amount as described in IDAPA 16.03.18, "Medicaid Cost-Sharing."

863. EMERGENCY TRANSPORTATION SERVICES: PROCEDURAL REQUIREMENTS.

- **01. Services Subject to Review**. Ambulance services are subject to review by the Department prior to the service being rendered, and on a retrospective basis.
 - 02. Non-Emergency Transport Prior Authorization Required. If an emergency does not exist, prior

PREGNANCY-RELATED SERVICES: PROVIDER REIMBURSEMENT. Rates. Rate of payment for pregnancy-related services is established under the provisions of Section 230 of these rules. Risk Reduction Followup Services. A single payment will be made for each month of service 02. provided. 896. -- 899. (RESERVED) INVESTIGATIONS, AUDITS, AND ENFORCEMENT (Sections 900 - 999) SUB AREA: LIENS AND ESTATE RECOVERY (Sections 900-909) LIENS AND ESTATE RECOVERY. In accordance with Sections 55-819, 56-218, 56-218A, and 56-225, Idaho Code, this Section of rule sets forth the provisions for recovery of medical assistance, the filing of liens against the property of deceased persons, the filing of liens against the property of permanently institutionalized participants, and the recording of requests for notice. Medical Assistance Incorrectly Paid. The Department may, in accordance with a judgment of a court, file a lien against the property of a living or deceased person of any age to recover the costs of medical assistance incorrectly paid. Administrative Appeals. Permanent institutionalization determination, undue hardship waiver, and request for notice hearings are governed by the fair hearing provisions of IDAPA 16.05.03, "Contested Case Proceedings and Declaratory Rulings.' LIENS AND ESTATE RECOVERY: DEFINITIONS. The following terms are applicable to Sections 900 through 909 of these rules:) Authorized Representative. The person appointed by the court as the personal representative in a probate proceeding or, if none, the person identified by the participant to receive notice and make decisions on estate matters. Discharge From a Medical Institution. A medical decision made by a competent medical

professional that the Medicaid participant no longer needs nursing home care because the participant's condition has

02. Recovery From Estate of Spouse. Recovery from the estate of the spouse of a Medicaic participant may be made as permitted in Sections 56-218 and 56-218A, Idaho Code.	1)
03. Lien Imposed Against Estate of Deceased Participant. Liens may be imposed against the estates of deceased Medicaid participants and their spouses as permitted by Section 56-218, Idaho Code.	s)
04. Notice of Estate Claim . The Department will notify the authorized representative of the amount of the estate claim after the death of the participant, or after the death of the surviving spouse. The notice must include instructions for applying for an undue hardship waiver.	
05. Assets in Estate Subject to Claims . The authorized representative will be notified of the Department's claim against the assets of a deceased participant. Assets in the estate from which the claim can be satisfied must include all real or personal property that the deceased participant owned or in which they had an ownership interest, including the following:	e
a. Payments to the participant under an installment contract will be included among the assets of the deceased participant. This includes an installment contract on any real or personal property to which the deceased participant had a property right. The value of a promissory note, loan or property agreement is its outstanding principal balance at the date of death of the participant. When a promissory note, loan, or property agreement is secured by a Deed of Trust, the Department may request evidence of a reasonable and just underlying debt.	d g
b. The deceased participant's ownership interest in an estate, probated or not probated, is an asset of their estate when:	f)
i. Documents show the deceased participant is an eligible devisee or donee of property of another deceased person; or	r)
ii. The deceased participant received income from property of another person; or)
iii. State intestacy laws award the deceased participant a share in the distribution of the property of another estate.	f)
c. Any trust instrument that is designed to hold or to distribute funds or property, real or personal, in which the deceased participant had a beneficial interest is an asset of the estate.	1
d. Life insurance is considered an asset when it has reverted to the estate.)
e. Burial insurance is considered an asset when a funeral home is the primary beneficiary or when there are unspent funds in the burial contract. Any funds remaining after payment to the funeral home will be considered assets of the estate.	
f. Checking and savings accounts that hold and accumulate funds designated for the deceased participant, are assets of the estate, including joint accounts that accumulate funds for the benefit of the participant.	£
g. In a conservatorship situation, if a court order under state law specifically requires funds be made available for the care and maintenance of a participant prior to their death, absent evidence to the contrary, such funds are an asset of the deceased participant's estate, even if a court has to approve release of the funds.	
h. Shares of stocks, bonds and mutual funds to the benefit of the deceased participant are assets of the estate. The current market value of all stocks, bonds and mutual funds must be proved as of the month preceding settlement of the estate claim.	
Value of Estate Assets . The Department will use fair market value as the value of the estate assets ()

TOTAL SCORE:____

Scoring Definitions:

- **a.** Impacted or blocked cuspids are scored 1 open bite and 1 over jet for two teeth. Score 2 for open bite and 2 for over jet for 4 blocked cuspids.
- **b.** Cross bites are scored for the teeth in cross bite, not the teeth in the opposing arch.
- c. Missing teeth count as 1, if the space is still present.
- d. Do not score teeth that are not fully erupted.
- **e.** Displaced teeth are based on where they are in their respective arch line, not their relationship with the opposing arch.

16.03.10 - MEDICAID ENHANCED PLAN BENEFITS

000. LEGAL AUTHORITY. Rulemaking Authority. The Idaho Department of Health and Welfare has the authority to promulgate public assistance rules under Section 56-202(b), 56-264, and 56-1610, Idaho Code. General Administrative Authority. Title XIX and Title XXI, of the Social Security Act, as amended, and the companion federal regulations, are the basic authority for administration of the federal program. General administrative duties for the Department are found under Section 56-202, Idaho Code. 03. Administration of the Medical Assistance Program. Section 56-203(7), Idaho Code, empowers the Department to define persons entitled to medical а. assistance. Section 56-203(9), Idaho Code, empowers the Department to identify the amount, duration, scope h. of care, and services to be purchased as medical assistance on behalf of individuals eligible to receive benefits under the Medical Assistance Program. Sections 56-250 through 56-257, and 56-260 through 56-266, Idaho Code, establish minimum standards that enable these rules. 04. Fiscal Administration. Fiscal administration of these rules is authorized by Title XIX and Title XXI of the Social Security Act, as well as 42 CFR Part 447 and the Provider Reimbursement Manual (PRM) Part I and Part II found in CMS Publication 15-1 and 15-2. Provisions of the PRM, as incorporated by reference in Section 004 of these rules, apply unless otherwise provided for in these rules. Title 56, Chapter 1, Idaho Code, establishes standards for provider payment for certain Medicaid b. providers. 001. TITLE AND SCOPE. 01. Title. The title of these rules is IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits.") 02. Scope. These rules establish the Medicaid Enhanced Plan Benefits covered under Title XIX and Title XXI. Participants who are eligible for Enhanced Plan Benefits are also eligible for benefits under IDAPA 16.03.09, "Medicaid Basic Plan Benefits." Dental benefits and outpatient behavioral health benefits are contained in IDAPA 16.03.09. "Medicaid Basic Plan Benefits." Scope of Reimbursement System Audits. These rules also provide for the audit of providers' claimed costs against these rules and Medicare standards. The Department reserves the right to audit financial and other records of the provider, and, when warranted, the records of entities related to the provider. Audits consist of the following types of records: Cost verification of actual costs for providing goods and services; a. Evaluation of provider's compliance with the provider agreement, reporting form instructions, and any applicable law, rule, or regulation; Effectiveness of the service to achieve desired results or benefits; and c. d. Reimbursement rates or settlement calculated under this chapter. Exception to Scope for Audits and Investigations. Audits as described in these rules do not apply to the audit processes used in conducting investigations of fraud and abuse under IDAPA 16.05.07, "Investigation and

004. INCORPORATION BY REFERENCE.

The Department has incorporated by reference the following document:

- **01. 42 CFR Part 447**. 42 CFR Part 447, "Payment for Services," revised as of October 1, 2001, is available from CMS, 7500 Security Blvd, Baltimore, M.D., 21244-1850 or on the Code of Federal Regulations website at http://www.ecfr.gov/cgi-bin/text-idx?SID=3ec1965dbf5044d8f79b25d4d58c4cd1&mc=true&tpl=/ecfrbrowse/Title42/42cfrv4_02.tpl#0.
- **02.** Estimated Useful Lives of Depreciable Hospital Assets, 2004 Revised Edition, Guidelines Lives. This document may be obtained from American Hospital Publishing, Inc., 211 E. Chicago Ave., Chicago, IL. 60611.
- **03.** Medicare Region D Durable Medical Equipment Regional Carrier (DMERC) Supplier Manual or Its Successor. The full text of the Medicare Region D DMERC Supplier Manual Chapters IX and X, date April 2001, is available via the Internet at www.cignamedicare.com. A copy is also available at the Idaho State Supreme Court Law Library.
- **04. Provider Reimbursement Manual (PRM)**. The Provider Reimbursement Manual (PRM), Part I and Part II CMS Publication 15-1 and 15-2), is available on the CMS website at https://www.cms.gov/Regulations-and-Guidance/Guidance/Manuals/Paper-Based-Manuals.html.
- **05. Resource Utilization Groups (RUG) Grouper**. The RUG III, version 5.12, 34 Grouper, nursing weights only, with index maximization. The RUG Grouper is available from CMS, 7500 Security Blvd., Baltimore, MD, 21244-1850.
- **106.** Travel Policies and Procedures of the Idaho State Board of Examiners. The text of "Idaho State Travel Policies and Procedures of the Idaho State Board of Examiners," Appendices A and B, June 13, 2000, is available at the Office of the State Controller, 700 W. State St., 5th Fl., Box 83720, Boise, Idaho 83720-0011 or on the Internet at http://www.sco.idaho.gov/.

005. -- 007. (RESERVED)

008. AUDIT, INVESTIGATION AND ENFORCEMENT.

In addition to any actions specified in these rules, the Department may audit, investigate and take enforcement action under the provisions of IDAPA 16.05.07, "Investigation and Enforcement of Fraud, Abuse, or Misconduct."

009. CRIMINAL HISTORY AND BACKGROUND CHECK REQUIREMENTS.

- One Compliance With Department Criminal History Check. Agencies must verify that individuals working in the area listed in Subsection 009.03 of these rules whom are employed or whom they contract have complied with the provisions in IDAPA 16.05.06, "Rules Governing Mandatory Criminal History Checks." Except, through the duration of the declared COVID-19 public health emergency, if the individuals working in the area listed in this rule are unable to complete a criminal background check in accordance with the timeframes set forth in IDAPA 16.05.06, then agencies may allow newly hired direct care staff to begin rendering services prior to completion of the criminal background check in accordance with the requirements specified by the Department in a COVID-19 information release posted on the Department's website at https://healthandwelfare.idaho.gov/providers/idaho-medicaid-providers/information-medicaid-providers.
- **02.** Additional Criminal Convictions. Once an individual has received a criminal history clearance, any additional criminal convictions must be reported by the agency to the Department when the agency learns of the conviction.
 - 03. Providers Subject to Criminal History and Background Check Requirements. The following

Section 004 Page 1862

uncollectible.				•									()

- 13. Bed-Weighted Median. A numerical value determined by arraying the average per diem cost per bed of all facilities from high to low and identifying the bed at the point in the array at which half of the beds have equal or higher per diem costs and half have equal or lower per diem costs. The identified bed is the median bed. The per diem cost of the median bed is the bed-weighted median.
- **14. Budget Adjustment Factor (BAF).** A total budget for nursing facility reimbursement will be established by legislative appropriation and will be effective on July 1 of each year. The budget will be compared to the annual expected Medicaid reimbursement rates for the same rate year. A budget adjustment factor will be established to adjust the expected Medicaid reimbursement rates to meet the approved budget. The BAF may be positive or negative and will apply to all nursing facility rates calculated under the established prospective rate system. The BAF will not be applied to the calculated customary charge for each nursing facility and will not apply to any nursing facility that is retrospectively settled.
- 15. Capitalize. The practice of accumulating expenditures related to long-lived assets that will benefit later periods.
- 16. Case Mix Adjustment Factor. The factor used to adjust a provider's direct care rate component for the difference in the average Medicaid acuity and the average nursing facility-wide acuity. The average Medicaid acuity is from the picture date immediately preceding the rate period. The average nursing facility-wide acuity is the average of the indexes that correspond to the cost reporting period.
- 17. Case Mix Index (CMI). A numeric score assigned to each nursing facility resident, based on the resident's physical and mental condition, that projects the amount of relative resources needed to provide care to the resident.
- a. Nursing Facility Wide Case Mix Index. The average of the entire nursing facility's case mix indexes identified at each picture date during the cost reporting period. If case mix indexes are not available for applicable quarters due to lack of data, case mix indexes from available quarters will be used.
- **b.** Medicaid Case Mix Index. The average of the weighting factors assigned to each Medicaid resident in the facility on the picture date, based on their RUG classification. Medicaid or non-Medicaid status is based upon information contained in the MDS databases. To the extent that Medicaid identifiers are found to be incorrect, the Department may adjust the Medicaid case mix index and reestablish the reimbursement rate.
- **c.** State-Wide Average Case Mix Index. The simple average of all nursing facilities "facility wide" case mix indexes used in establishing the reimbursement limitation July 1st of each year. The state-wide case mix index will be calculated annually during each July 1st rate setting.
- 18. Certified Family Home. A home certified by the Department to provide care to one (1) or two (2) adults, who are unable to reside on their own and require help with activities of daily living, protection and security, and need encouragement toward independence.
- **19. Chain Organization**. A proprietorship, partnership, or corporation that leases, manages, or owns two (2) or more facilities that are separately licensed.
- **20.** Claim. An itemized bill for services rendered to one (1) participant by a provider and submitted to the Department for payment.
- 21. Clinical Nurse Specialist. A licensed registered nurse who meets all the applicable requirements to practice as clinical nurse specialist under Title 54, Chapter 14, Idaho Code, and IDAPA 24.34.01, "Rules of the Idaho Board of Nursing."
 - 22. Common Ownership. An individual, individuals, or other entities who have equity or ownership

Section 010 Page 1865

IDAHO ADMINISTRATIVE CODE Department of Health and Welfare

IDAPA 16.03.10 Medicaid Enhanced Plan Benefits

in two (2) or more organizations that conduct business transactions with each other. Common ownership	p exists if an
individual or individuals possess significant ownership or equity in the provider and the institution or	organization
serving the provider.	()

- **23.** Compensation. The total of all remuneration received, including cash, expenses paid, salary advances, etc.
- **24. Control.** Control exists where an individual or an organization has the power, directly or indirectly, to significantly influence or direct the actions or policies of an organization or institution.
- **25. Cost Center.** A "collection point" for expenses incurred in the rendering of services, supplies, or materials that are related or so considered for cost-accounting purposes.
- **26. Cost Component.** The portion of the nursing facility's rate that is determined from a prior cost report, including property rental rate. The cost component of a nursing facility's rate is established annually at July 1st of each year.
- 27. Cost Reimbursement System. A method of fiscal administration of Title XIX and Title XXI that compensates the provider on the basis of expenses incurred.
- **28. Cost Report.** A fiscal year report of provider costs required by the Medicare program and any supplemental schedules required by the Department.
- 29. Cost Statements. An itemization of costs and revenues, presented on the accrual basis, that is used to determine cost of care for facility services for a specified period of time. These statements are commonly called income statements.
- **30.** Costs Related to Patient Care. All necessary and proper costs that are appropriate and helpful in developing and maintaining the operation of patient care facilities and activities. Necessary and proper costs related to patient care are usually costs that are common and accepted occurrences in the field of the provider's activity. They include costs such as depreciation, interest expenses, nursing costs, maintenance costs, administrative costs, costs of employee pension plans, and normal standby costs.
- 31. Costs Not Related to Patient Care. Costs that are not appropriate or necessary and proper in developing and maintaining the operation of patient care facilities and activities. Such costs are nonallowable in computing reimbursable costs. They include, for example, cost of meals sold to visitors or employees; cost of drugs sold to other than patients; cost of operation of a gift shop; and similar items. Travel and entertainment expenses are nonallowable unless it can be specifically shown that they relate to patient care and for the operation of the nursing facility.
- 32. Customary Charges. Customary charges are the rates charged to Medicare participants and to patients liable for such charges, as reflected in the facility's records. Those charges are adjusted downward, when the provider does not impose such charges on most patients liable for payment on a charge basis or, when the provider fails to make reasonable collection efforts. The reasonable effort to collect such charges is the same effort necessary for Medicare reimbursement as is needed for unrecovered costs attributable to certain bad debt under PRM, Chapter 3, Sections 310 and 312.
- 33. Day Treatment Services. Day treatment services are developmental services provided regularly during normal working hours on weekdays by, or on behalf of, the Intermediate Care Facility for Persons with Intellectual Disabilities (ICF/ID). However, day treatment services do not include recreational therapy, speech therapy, physical therapy, occupational therapy, or services paid for or required to be provided by a school or other entity.
- **34. Department**. The Idaho Department of Health and Welfare or a person authorized to act on behalf of the Department. ()
 - **35. Depreciation.** The systematic distribution of the cost or other basis of tangible assets, less salvage,

ownership transfer to existing partner or partners, or a sale required by the ruling of a federal agency or by a court order. 11. Funded Depreciation. Amounts deposited or held that represent recognized depreciation. Generally Accepted Accounting Principles (GAAP). A widely accepted set of rules, 12 conventions, standards, and procedures for reporting financial information as established by the Financial Standards Accounting Board. Goodwill. The amount paid by the purchaser that exceeds the value of the net tangible assets. The 13. value of goodwill is derived from the economic benefits that a going concern may enjoy, as compared with a new one, from established relations in the related markets, with government departments and other noncommercial bodies and with personal relationships. These intangible assets cannot be separated from the business and sold as can plant and equipment. Under the theory that the excess payment would be made only if expected future earnings justified it, goodwill is often described as the price paid for excess future earnings. The amortization of goodwill is a nonallowable, nonreimbursable expense. Healthy Connections. The primary care case management model of managed care under Idaho 14. Medicaid. Historical Cost. The actual cost incurred in acquiring and preparing an asset for use, including feasibility studies, architects' fees, and engineering studies. Home and Community-Based Services (HCBS). HCBS are those long-term services and supports that assist eligible participants to remain in their home and community. 17. **ICF/ID Living Unit**. The physical structure that an ICF/ID uses to house patients. 18. **Improvements.** Improvements to assets that increase their utility or alter their use. **Indirect Care Costs.** The following costs either directly coded to the nursing facility or allocated to the nursing facility through the Medicare step-down process described in the PRM: Activities: Я. Administrative and general care costs; b. Central service and supplies; c. d. Dietary (non-"raw food" costs); Employee benefits associated with the indirect salaries; e. f. Housekeeping; Laundry and linen; h. Medical records; i. Other costs not included in direct care costs, or costs exempt from cost limits; and į. Plant operations and maintenance (excluding utilities). Inflation Adjustment. The cost used in establishing a nursing facility's prospective reimbursement

rate is indexed forward from the midpoint of the cost report period to the midpoint of the rate year using the inflation

under ar	05. 1 HCBS w	Personal Assistance Services (PAS) . Services that include both attendant care for particular and personal care services for participants under the Medicaid State Plan. PAS means services for participants under the Medicaid State Plan.		

Section 013 Page 1873

that involve personal and medically-oriented tasks dealing with the functional needs of the participant and accommodating the participant's needs for long-term maintenance, supportive care, or instrumental activities of daily living (IADLs). These services may include personal assistance and medical tasks that can be done by unlicensed persons or delegated to unlicensed persons by a health care professional or participant. Services are based on the participant's abilities and limitations, regardless of age, medical diagnosis, or other category of disability. ()

- **06. Physician**. A person possessing a Doctorate of Medicine degree or a Doctor of Osteopathy degree and licensed to practice medicine by a state or United States territory.
- **07. Physician's Assistant**. A person who meets all the applicable requirements to practice as licensed physician assistant under Title 54, Chapter 18, Idaho Code, and IDAPA 24.33.02, "Rules for the Licensure of Physician Assistants."
- **08. Picture Date.** A point in time when case mix indexes are calculated for every nursing facility based on the residents in the nursing facility on that day. The picture date to be used for rate setting will be the first day of the first month of a quarter. The picture date from that quarter will be used to establish the nursing facility's rate for the next quarter.
- **09. Plan of Care.** A written description of medical, remedial, or rehabilitative services to be provided to a participant, developed by or under the direction and written approval of a physician. Medications, services and treatments are identified specifically as to amount, type and duration of service.
 - 10. Private Rate. Rate most frequently charged to private patients for a service or item.
- 11. Property. The homestead and all personal and real property in which the participant has a legal interest.
- 12. Property Costs. Property costs are the total of allowable interest expense, plus depreciation, property insurance, real estate taxes, amortization, and allowable lease/rental expense. The Department may require and utilize an appraisal to establish which components are an integral part of property costs.
- 13. Property Rental Rate. A rate paid per Medicaid patient day to free-standing nursing facilities and ICF/IDs in lieu of reimbursement for property costs other than property taxes, property insurance, and the property costs of major movable equipment at ICF/ID facilities.
- 14. **Provider**. Any individual, partnership, association, corporation or organization, public or private, that furnishes medical goods or services in compliance with these rules and who has applied for and received a Medicaid provider number and has entered into a written provider agreement with the Department in accordance with IDAPA 16.03.09, "Medicaid Basic Plan Benefits," Section 205.
- **15. Provider Agreement**. A written agreement between the provider and the Department, in accordance with IDAPA 16.03.09, "Medicaid Basic Plan Benefits," Section 205.
- **16. Provider Reimbursement Manual (PRM)**. The Providers Reimbursement Manual, a federal publication that specifies accounting treatments and standards for the Medicare program, CMS Publications 15-1 and 15-2, that are incorporated by reference in Section 004 of these rules.
- 17. Psychologist, Licensed. A person licensed to practice psychology in Idaho under Title 54, Chapter 23, Idaho Code, and as outlined by IDAPA 24.12.01, "Rules of the Idaho State Board of Psychologist Examiners."
- 18. Psychologist Extender. A person who practices psychology under the supervision of a licensed psychologist as required under Title 54, Chapter 23, Idaho Code, and as outlined by IDAPA 24.12.01, "Rules of the Idaho State Board of Psychologist Examiners," and who is registered with the Bureau of Occupational Licenses.
 - 19. Public Provider. A public provider is one operated by a federal, state, county, city, or other local

Section 013 Page 1874

IDAPA 16.03.10 Medicaid Enhanced Plan Benefits

government agency or instrumentality. (,)

- **20.** Raw Food. Food used to meet the nutritional needs of the residents of a facility, including liquid dietary supplements, liquid thickeners, and tube feeding solutions.
- 21. Reasonable Property Insurance. Reasonable property insurance means that the consideration given is an amount that would ordinarily be paid by a cost-conscious buyer for comparable insurance in an arm's length transaction. Property insurance per licensed bed in excess of two (2) standard deviations above the mean of the most recently reported property insurance costs per licensed bed of all facilities in the reimbursement class as of the end of a facility's fiscal year cannot be considered reasonable.
- **22.** Recreational Therapy (Services). Those activities or services that are generally perceived as recreation such as fishing, hunting, camping, attendance or participation in sporting events or practices, attendance at concerts, fairs or rodeos, skiing, sightseeing, boating, bowling, swimming, and special day parties (birthday, Christmas, etc.).
- 23. Regional Nurse Reviewer (RNR). A licensed registered nurse who reviews and makes determinations on applications for entitlement to and continued participation in Title XIX and Title XXI long term care for the Department.
- **24. Registered Nurse R.N.** Which in the state of Idaho is known as a Licensed Registered Nurse and who meets all the applicable requirements to practice as a licensed registered nurse under Title 54, Chapter 14, Idaho Code, and IDAPA 24.34.01 "Rules of the Idaho Board of Nursing."
- **25. Related Entity.** An organization with which the provider is associated or affiliated to a significant extent, or has control of, or is controlled by, that furnishes services, facilities, or supplies for the provider. ()
- **26. Related to Provider.** The provider, to a significant extent, is associated or affiliated with, or has control of, or is controlled by, the organization furnishing the services, facilities, or supplies.
- **27. Residential Assisted Living Facility.** A facility or residence, however named, operated on either a profit or nonprofit basis for the purpose of providing necessary supervision, personal assistance, meals, and lodging to three (3) or more adults not related to the owner. In this chapter, Residential Assisted Living Facilities are referred to as "facility." Distinct segments of a facility may be licensed separately, provided each segment functions independently and meets all applicable rules.
- **28.** Resource Utilization Groups (RUG). A process of grouping residents according to the clinical and functional status identified by the responses to key elements of the MDS. The RUG Grouper is used for the purposes of rate setting and determining nursing facility level of care.
- 29. Skilled Nursing Care. The level of care for patients requiring twenty-four (24) hour skilled nursing services.
- **30. Social Security Act.** 42 USC 101 et seq., authorizing, in part, federal grants to the states for medical assistance to low-income persons meeting certain criteria.
- 31. State Plan. The contract between the state and federal government under 42 U.S.C. section 1396a(a).
- **32.** Supervision. Procedural guidance by a qualified person and initial direction and periodic inspection of the actual act, at the site of service delivery.
- **33. Title XVIII**. Title XVIII of the Social Security Act, known as Medicare, for the aged, blind, and disabled administered by the federal government.
- **34. Title XIX**. Title XIX of the Social Security Act, known as Medicaid, is a medical benefits program jointly financed by the federal and state governments and administered by the states. This program pays for medical

Section 013 Page 1875

IDAPA 16.03.10 Medicaid Enhanced Plan Benefits

assistance for certain individuals and families with low income and limited resources. 35. Title XXI. Title XXI of the Social Security Act, known as the State Children's Health Insurance Program (SCHIP). This is a program that primarily pays for medical assistance for low-income children. 36. Third Party. Includes a person, institution, corporation, public or private agency that is liable to pay all or part of the medical cost of injury, disease, or disability of a participant of medical assistance. 37. Transportation. The physical movement of a participant of medical assistance. 38. Uniform Assessment. A set of standardized criteria to assess functional and cognitive abilities. 39. Uniform Assessment Instrument (UAI). A set of standardized criteria adopted by the Department of Health and Welfare to assess functional and cognitive abilities assessments of State-Funded Clients. 40. Updated Assessments. Assessments are considered updated and current when a qualified professional with the same credential or the same qualifications of that professional who completed the assessment and verified by way of their signature and date in the participant's file that the assessment continues to reflect the participant's current status and assessed needs. 41. Utilities. All expenses for heat, electricity, water and sewer. 42. Utilization Control (UC). A program of prepayment screening and annual review by at least one (1) Regional Nurse Reviewer to determine the appropriateness of medical entitlement and the need for continued medical entitlement of applicants or participants to Title XIX and Title XXI benefits in a nursing facility. 43. Utilization Control Team (UCT). A team of Regional Nurse Reviewers that conducts on-site reviews of the care and services in the nursing facilities approved by the Department as providers of care for eligible medical assistance participants. (a) 44. Vocational Services. Services or programs that are directly related to the preparation of individuals for paid or unpaid employment.				
Program (SCHIP). This is a program that primarily pays for medical assistance for low-income children. 36. Third Party. Includes a person, institution, corporation, public or private agency that is liable to pay all or part of the medical cost of injury, disease, or disability of a participant of medical assistance. 37. Transportation. The physical movement of a participant to and from a medical appointment or service by the participant, another person, taxi or common carrier. 38. Uniform Assessment. A set of standardized criteria to assess functional and cognitive abilities. () 39. Uniform Assessment Instrument (UAI). A set of standardized criteria adopted by the Department of Health and Welfare to assess functional and cognitive abilities as described in IDAPA 16.03.23 "Uniform Assessments of State-Funded Clients." () 40. Updated Assessments. Assessments are considered updated and current when a qualified professional with the same credential or the same qualifications of that professional who completed the assessment has reviewed such assessment and verified by way of their signature and date in the participant's file that the assessment continues to reflect the participant's current status and assessed needs. 41. Utilities. All expenses for heat, electricity, water and sewer. (1) Regional Nurse Reviewer to determine the appropriateness of medical entitlement and the need for continued medical entitlement of applicants or participants to Title XIX and Title XXI benefits in a nursing facility. 42. Utilization Control Team (UCT). A team of Regional Nurse Reviewers that conducts on-site reviews of the cera and services in the nursing facilities approved by the Department as providers of care for eligible medical assistance participants. 43. Utilization Control Team (UCT). A team of Regional Nurse Reviewers that conducts on-site reviews of the cera and services in the nursing facilities approved by the Department as providers of care for eligible medical and unpaid employment. The test of the vocation	assistance for cert	ain individuals and families with low income and limited resources.	()
37. Transportation. The physical movement of a participant to and from a medical appointment or service by the participant, another person, taxi or common carrier. 38. Uniform Assessment. A set of standardized criteria to assess functional and cognitive abilities. 39. Uniform Assessment Instrument (UAI). A set of standardized criteria adopted by the Department of Health and Welfare to assess functional and cognitive abilities as described in IDAPA 16.03.23 "Uniform Assessments of State-Funded Clients." 40. Updated Assessments. Assessments are considered updated and current when a qualified professional with the same credential or the same qualifications of that professional who completed the assessment has reviewed such assessment and verified by way of their signature and date in the participant's file that the assessment continues to reflect the participant's current status and assessed needs. 41. Utilities. All expenses for heat, electricity, water and sewer. 42. Utilization Control (UC). A program of prepayment screening and annual review by at least one (I) Regional Nurse Reviewer to determine the appropriateness of medical entitlement and the need for continued medical entitlement of applicants or participants to Title XIX and Title XXI benefits in a nursing facility. 43. Utilization Control Team (UCT). A team of Regional Nurse Reviewers that conducts on-site reviews of the care and services in the nursing facilities approved by the Department as providers of care for eligible medical assistance participants. 44. Vocational Services. Services or programs that are directly related to the preparation of individuals for paid or unpaid employment. The test of the vocational nature of the service is whether the services are provided with the expectation that the participant would be able to participate in a sheltered workshop or in the general work force within one (I) year. 61. Waiver Services and Income Limit. A participant is not required to participate in the cost of Home and Community-Based (HCBS)			surance	e)
38. Uniform Assessment. A set of standardized criteria to assess functional and cognitive abilities. 39. Uniform Assessment Instrument (UAI). A set of standardized criteria adopted by the Department of Health and Welfare to assess functional and cognitive abilities as described in IDAPA 16.03.23 "Uniform Assessments of State-Funded Clients." 40. Updated Assessments. Assessments are considered updated and current when a qualified professional with the same credential or the same qualifications of that professional who completed the assessment has reviewed such assessment and verified by way of their signature and date in the participant's file that the assessment continues to reflect the participant's current status and assessed needs. 41. MEDICARE SAVINGS PROGRAM FOR PARTICIPANTS COVERED BY MEDICARE.

Section 020 Page 1876

021.

IDAPA 16.03.10 Medicaid Enhanced Plan Benefits

The Department has an agreement with the Centers for Medicare and Medicaid Services (CMS) to pay the premiums for Parts A and B of Title XVIII for each participant eligible for Medicare and medical assistance regardless of whether the participant receives a financial grant from the Department.

- **01. AABD Effective Date**. The effective date of the Medicare Savings Program for a participant approved for medical assistance and an AABD grant is the first month of eligibility for the AABD grant.
- **O2. SSI Effective Date**. The effective date of the Medicare Savings Program for a participant approved for medical assistance who also receives SSI, but not AABD, is the first month of eligibility for medical assistance.
- **03. Neither AABD or SSI Effective Date**. The effective date of the Medicare Savings Program for a participant approved for medical assistance who does not receive an AABD grant or SSI is the first day of the second month following the month in which they became eligible for medical assistance. This would mean the third month of medical assistance eligibility for the participant.
- **04. Update of Records**. After the effective date of the Medicare Savings Program it takes the Social Security Administration up to one (1) month to update its records to show the Department's payment of the Medicare Savings Program premium.
- **95.** Policies for Treatment of the Medicare Savings Program. The Department advises each participant who is paying Parts A and B Medicare premiums to discontinue payments beginning the month the Medicare Savings Program becomes effective. Policies for treatment of the Medicare Savings Program for determining eligibility for medical assistance or AABD, grant amount for AABD, or patient liability are in IDAPA 16.03.05, "Eligibility for Aid to the Aged, Blind and Disabled (AABD)." Policies for treatment of the Medicare Savings Program for determining participation of an HCBS participant are found in Section 020 of these rules.

022. PARTICIPANT'S REQUIREMENTS FOR ESTATE RECOVERY.

A participant's estate may be obligated to pay the Medicaid program back for the amount Medicaid paid out for medical assistance during the participant's life. The requirements for that estate recovery are found in IDAPA 16.03.09, "Medicaid Basic Plan Benefits," Section 900.

023. -- 024. (RESERVED)

025. GENERAL SERVICE LIMITATIONS.

Service limitations stated in these rules include any services received by a participant under IDAPA 16.03.09, "Medicaid Basic Plan Benefits."

026. SELECTIVE CONTRACTING.

The Department may contract with a limited number of providers of certain Medicaid products and services.

027. -- 029. (RESERVED)

GENERAL REIMBURSEMENT PROVISIONS

030. COST REPORTING.

The provider's Medicaid cost report must be filed using the Department designated reporting forms, unless the Department has approved an exception. The request to use alternate forms must be sent to the Department in writing, with samples attached, a minimum of ninety (90) days prior to the due date for the cost report. The request for approval of alternate forms cannot be used as a reason for late filing.

	Standard Rate Reviews. The Department will conduct a cost survey and review reimbute every five (5) years for each type of provider specified in this rule. Cost surveys will be continued to the schedule established by the Department.		
b.	Interim Rate Reviews. The Department will prepare an annual trigger analysis and pub	olish t	he

Section 038 Page 1879

report on its Medicaid Providers webpage, http://healthandwelfare.idaho.gov/Providers/MedicaidProviders/tabid/ 214/Default.aspx. This annual report will describe the triggers for interim rate review, a summary of the data reviewed for each trigger, and the Department's determination and rationale of whether each trigger was met. The Department will conduct an interim rate review upon the occurrence of one (1) or more of the following triggers: When substantiated participant complaints, critical incidents, or both, related to a lack of qualified providers indicate an emerging access issue; When quality reports prepared by the Department or substantiated participant complaints and critical incidents related to the quality of services provided indicate an emerging quality issue; or When the federal or Idaho state minimum wage requirement in effect at the time of the standard rate review significantly increases or decreases. No Obligation to Revise Rates. The Department is not required to revise reimbursement rates each time a rate review or cost survey is conducted. The results of a rate review or cost survey do not guarantee a change to the reimbursement rate. 03. **Cost Survey Procedures.** Participation. The Department will survey one hundred percent (100%) of providers. A provider who refuses or fails to respond to the periodic cost surveys may be disenrolled as a Medicaid provider. Customization. The Department will conduct cost surveys customized for each type of provider identified in this rule. Independent Consultant. The Department will engage an independent cost survey consultant with expertise and experience in fee-for-service home and community-based services, including services for individuals with developmental disabilities. d. Provider Engagement.) The Department will establish reimbursement advisory workgroups to advise on matters related to the specialized reimbursement specified in this rule, including notice and development of cost surveys, recommendation of Bureau of Labor and Statistics occupation profile or profiles utilized when setting new reimbursement rates, and other reimbursement-related matters presented by the Department. The Department will retain final decision-making authority over all matters presented to or reviewed by the workgroups. The Department will provide reasonable prior notice of pending cost surveys to impacted ii. providers. The Department or its cost survey consultants will train providers how to complete the cost survey, and provide technical assistance to providers during the cost survey response period. Reimbursement Rate Setting Methodology. Reimbursement rates will be derived using a combination of four (4) cost components - direct care staff wages or targeted service coordinator wages, employeerelated expenses, program-related expenses, and general and administrative expenses. Each provider must demonstrate that the average percent of wage and benefits paid to their direct care staff (or targeted service

a. Direct Care Staff Wages and Targeted Service Coordinator Wages. (

coordinators) meets or exceeds the percent of wages and employee-related expenses utilized in establishing the reimbursement rate for the service type. The Department will utilize the reimbursement advisory workgroup established in this rule to collaboratively develop monitoring and enforcement procedures for this minimum allocation requirement. The cost components and new reimbursement rate are established in accordance with the

following:

i. Direct care staff and targeted service coordinator wages are wages paid to individuals employed contracted by an agency who perform duties described in the applicable service coverage description for at less eventy-five percent (75%) of the total annual amount of time they are compensated.	
ii. The wage component (Wage) used to establish the new reimbursement rate is set using the methourly wage of one (1) or more occupation profiles from the most current Bureau of Labor and Statistics (BLS) St Occupational Employment and Wage Estimates table for the state of Idaho found on the BLS website at www.bls.g The BLS occupation profile that most closely aligns with the duties, education level, and supervision requirements the direct care staff (or targeted service coordinator) providing the service is utilized. If more than one (1) occupat profile aligns with the duties, education level, and supervision requirements of the direct care staff (or the targe service coordinator) providing the service, then a weighted average of the mean hourly wage of multiple B occupation profiles is utilized.	ate ov. s of ion ted
iii. When there is no comparable occupation profile or profiles for the direct care staff (or targe service coordinator), then the wage component used to establish the new reimbursement rate is set using the weigh average hourly rate (WAHR) of the surveyed wages included in the final cost survey results.	
iv. The Department will make the final determination of BLS occupation profile or profiles at consideration of advice from the relevant Reimbursement Advisory Workgroup.	fter
v. The Department will evaluate an appropriate wage inflation factor based on the economic d available at the time the reimbursement rate is set.	ata
b. Employee-Related Expenses (ERE). ()
i. ERE are the expenses incurred by the provider agency for the benefit of the direct care staff targeted service coordinators) of an agency in the following six (6) categories: (1) paid leave, (2) supplemental p (3) payroll taxes, (4) workers' compensation, (5) insurance coverage, and (6) retirement contributions.	
ii. The ERE component percentage (ERE%) used to establish the new reimbursement rate is set us the cumulative percentage of employer costs for employee compensation from the most current BLS Employer Cofor Employee Compensation table for the West Region in the Mountain Division and IRS Publication 15.	
c. Program-Related Expenses (PRE).)
i. PRE are wages and other expenses that support the objectives and provision of the service cannot be tied to any particular person receiving the service. Requirements related to the delivery of services accordance with statute and rule are PRE.	but in
ii. Program-related staff are individuals employed by an agency who perform program-related dut as required by statute or rule for at least seventy-five percent (75%) of the total annual amount of time they compensated.	ies are
iii. Utilizing data in the final cost survey results, each agency's PRE component percentage (PRE% calculated by dividing the agency's total PRE by the agency's total wages. Each agency's PRE% is ranked, and PRE% used to calculate the new reimbursement rate is set at the mean of the agency PRE%.) is the
d. General and Administrative (G&A) Expenses. ()
i. G&A expenses are wages and other expenses related to day-to-day operations common across businesses.	all
ii. G&A staff are individuals employed by an agency who perform administrative duties for at leseventy-five percent (75%) of the total annual amount of time they are compensated.	ast

iii. Utilizing data in the final cost survey results, each agency's G&A component percentage (G&A%) is calculated by dividing the agency's total G&A expenses by the sum of the agency's total wages, plus the total ERE,

Section 038 Page 1881

060. CRITERIA FOR PARTICIPATION IN THE IDAHO TITLE XIX AND TITLE XXI PROGRAMS.

- **01.** Application for Participation and Reimbursement. Prior to participation in the Medical Assistance Program, facilities must be licensed or certified by the Department. The Department issues a provider number to the facility that becomes the primary provider identification number. The Division of Medicaid will establish an interim rate for the new applicant facility. This facility is now authorized to offer services at the level for which the provider agreement was issued.
- **Q2. Reimbursement**. The reimbursement mechanism for payment to provider facilities is specified in IDAPA 16.03.09, "Medicaid Basic Plan Benefits," and in IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits." The Medical Assistance Program will not reimburse a facility until it is certified, has a signed agreement for participation and an established interim per diem rate.
- 061. -- 069. (RESERVED)

070. EXCEPTION TO THE RELATED ORGANIZATION PRINCIPLE.

An exception is provided to the general rule applicable to related organizations. The exception applies if the provider demonstrates by convincing evidence to the satisfaction of the intermediary:

- **O1.** Supplying Organization. That the supplying organization is a bona fide separate organization;
- **02. Nonexclusive Relationship.** That a substantial part of the supplying organization's business activity of the type carried on with the provider is transacted with other organizations not related to the provider and the supplier by common ownership or control and there is an open, competitive market. ()
- **03.** Sales and Rental of Extended Care Facilities. The exception is not applicable to sales, lease or rentals of nursing homes or extended care facilities. These transactions would not meet the requirement that there be an open, competitive market for the facilities furnished. See PRM, Sections 1008 and 1012.
- **a.** Rental expense for transactions between related entities will not be recognized. Costs of ownership will be allowed.
- **b.** When a facility is purchased from a related entity, the purchaser's depreciable basis will not exceed the seller's net book value. See PRM, Section 1005.
- 071. -- 074. (RESERVED)

COVERED SERVICES (Sections 075)

075. ENHANCED PLAN BENEFITS: COVERED SERVICES.

Individuals who are eligible for the Medicaid Enhanced Plan are enrolled in all benefits covered under IDAPA 16.03.09, "Medicaid Basic Plan Benefits." In addition to those benefits, individuals in the enhanced plan are eligible for enhanced benefits as described in this chapter of rules.

076. MANAGED CARE FOR DUALS: DEFINITIONS.

For the purposes of the managed care service delivery system for dual eligible beneficiaries described in Sections 076 through 079 of these rules, the following definitions apply:

01. Dual Eligible. A participant who is eligible for medical assistance under IDAPA 16.03.05, "Eligibility for Aid to the Aged, Blind, and Disabled (AABD)." The participant's Medicaid eligibility must not be based solely on the requirements found under IDAPA 16.03.05, "Eligibility for Aid to the Aged, Blind, and Disabled

04. Passive Enrollment. Dual eligible participants that are not members of an excluded population and reside in a county with only one (1) participating health plan will be enrolled into that health plan to administer their Idaho Medicaid Plus program unless they opt out by contacting the Department using the instructions on the enrollment notice. These dual eligible participants may opt out of Idaho Medicaid Plus at any time.

079. MANAGED CARE FOR DUALS: COVERED SERVICES.

01. Coverage and Limitations.

- **a.** Idaho Medicaid Plus covered services include Medicaid benefits as described in this chapter and IDAPA 16.03.09, "Medicaid Basic Plan Benefits."
- **b.** Services for adults with developmental disabilities as described in Sections 511, 580, and 703 of these rules are excluded from Idaho Medicaid Plus.
- **c.** Services administered under the managed care or brokerage contracts as described in Section 080 of these rules, and IDAPA 16.03.09, "Medicaid Basic Plan Benefits," Sections 870 through 872 are excluded from Idaho Medicaid Plus.
- **02. Provider Reimbursement.** Idaho Medicaid Plus participating health plans are required to reimburse network providers, at minimum, the established Medicaid fee schedule rates published on the Medicaid provider webpage and developed in accordance with Idaho Code and Department rule.

080. -- 089. (RESERVED)

SUB AREA: ENHANCED HOSPITAL SERVICES (Sections 090-099)

090. ORGAN TRANSPLANTS.

The Department will reimburse for organ transplant services as detailed in the Idaho Medicaid Provider Handbook, when medically necessary and provided by hospitals approved by the Centers for Medicare and Medicaid for the Medicare program that have completed a provider agreement with the Department.

091. -- 092. (RESERVED)

093. ORGAN TRANSPLANTS: COVERAGE AND LIMITATIONS.

- **01. Coverage Limitations.** No organ transplant will be covered by the Medical Assistance Program unless prior authorized by the Department, or its designee. Coverage is limited to organ transplants performed for the treatment of medical conditions in accordance with evidence-based standards of care.
- **O2.** Living Donor Costs. The transplant costs for actual or potential living donors are fully covered by Medicaid and include all medically necessary preparatory, operation, and post-operation recovery expenses associated with the donation. Payments for post-operation expenses of a donor will be limited to the period of actual recovery.

094. -- 095. (RESERVED)

096. ORGAN TRANSPLANTS: PROVIDER REIMBURSEMENT.

Organ transplant, procurement services, and follow-up care by facilities will be reimbursed as specified in the provider agreement. Reimbursement for organ procurement and histocompatibility laboratory tests will be made to the facility performing the transplant.

SUB AREA: ENHANCED INPATIENT BEHAVIORAL HEALTH SERVICES (Sections 100-199)

(Sections 100 199)
100. INPATIENT BEHAVIORAL HEALTH SERVICES. The Medicaid Enhanced Plan Benefits include psychiatric services covered under inpatient hospital services and inpatient behavioral health services covered in IDAPA 16.03.09 "Medicaid Basic Plan Benefits." ()
101. INPATIENT BEHAVIORAL HEALTH SERVICES: PARTICIPANT ELIGIBILITY. The rules for Inpatient Behavioral Health Services are found in IDAPA 16.03.09, "Medicaid Basic Plan Benefits," Sections 700 through 706 and apply to Inpatient Behavioral Health Services in these rules. Individuals over age sixty-five (65) are eligible for inpatient behavioral health services under these rules.
102 199. (RESERVED)
SUB AREA: ENHANCED HOME HEALTH CARE (Sections 200-214)
200. PRIVATE DUTY NURSING SERVICES.
O1. Description of Private Duty Nursing (PDN) Services. Private Duty Nursing (PDN) services are nursing services provided by a licensed registered nurse or licensed practical nurse to a non-institutionalized child under the age of twenty-one (21) requiring care for conditions of such medical severity or complexity that skilled nursing care is necessary. Sections 200 through 209 of these rules cover requirements for private duty nursing services.
()
O2. Temporary Changes to PDN Rules During Declared State of Emergency Related to Novel Coronavirus Disease (COVID-19). In response to Idaho's declaration on 3/13/20 of a state of emergency related to COVID-19, the Department reserves the right to temporarily alter requirements and processes related to PDN services in order to mitigate spread of disease and to ensure the health and safety of our participants under the guidance and authority of the provisions in a CMS-approved 1135 waiver through the duration of the emergency state. Guidance for approved flexibilities is posted on the Medicaid Information Releases website at https://healthandwelfare.idaho.gov/providers/idaho-medicaid-providers/information-medicaid-providers.
201. PRIVATE DUTY NURSING: DEFINITIONS. The following definitions apply to Sections 200 through Section 209 of these rules. ()
01. Primary RN . The RN identified by the family to be responsible for development, implementation, and maintenance of the Medical Plan of Care.
02. Private Duty Nursing (PDN) RN Supervisor . An RN providing oversight of PDN services delegated to LPN's providing the child's care, in accordance with IDAPA 24.34.01, "Rules of the Board of Nursing."
202. PRIVATE DUTY NURSING: ELIGIBILITY. To be eligible for PDN, the nursing needs must be of such a nature that the Idaho Nursing Practice Act, Rules, Regulations, or policy require the service to be provided by an Idaho Licensed Registered Nurse (RN), or by an Idaho Licensed Practical Nurse (LPN), and require more individual and continuous care than is available from Home Health nursing services. PDN service will be authorized by the Department prior to delivery of service.
203. PRIVATE DUTY NURSING: FACTORS ASSESSED FOR ELIGIBILITY AND REDETERMINATION. Factors assessed for eligibility/redetermination include:

Age for Eligibility. The individual is under the age of twenty-one (21) years.

treatment will be made by the appropriate Department staff as a result of the Level II screening process.

- **d.** No payment will be made by the Department on behalf of any eligible medical assistance participant to any long-term care facility that, in the judgment of the IOC/UC Team, is admitting individuals for care or services that are beyond the facility's licensed level of care or capability.
- **O2.** Authorization of Long-Term Care Payment. If it has been determined that a person eligible for medical assistance is entitled to medical assistance participation in the cost of long-term care, and that the facility selected by the participant is licensed and certified to provide the level of care the participant requires, the Field Office will forward to such facility an "Authorization for Long-Term Care Payment" form HW 0459.

223. NURSING FACILITY: CRITERIA FOR DETERMINING NEED.

The participant requires nursing facility level of care when an adult meets one (1) of the Resource Utilization Group (RUG III) classifications or when a child meets one (1) or more of the criteria described in Subsections 223.02, 223.03, 223.04 or 223.05 of this rule. A child is an individual from age zero (0) through eighteen (18) years; an adult is an individual more than eighteen (18) years of age.

- **01. Required Assessment for Adults.** A standard assessment will be approved by the Department for all adults requesting services with requirements for nursing facility level of care. The Department will specify the instrument to be used.
- **O2.** Supervision Required for Children. Where the inherent complexity of a service prescribed by the physician is such that it can be safely and effectively performed only by or under the supervision of a licensed nurse or licensed physical or occupational therapist.
- **03. Preventing Deterioration for Children.** Skilled care is needed to prevent, to the extent possible, deterioration of the child's condition or to sustain current capacities, regardless of the restoration potential of a child, even where full recovery or medical improvement is not possible.
- **O4. Specific Needs for Children.** When the plan of care, risk factors, and aggregate of health care needs is such that the assessments, interventions, or supervision of the child necessitates the skills of a licensed nurse or a licensed physical therapist or licensed occupational therapist. In such cases, the specific needs or activities must be documented by the physician's orders, progress notes, plan of care, and nursing and therapy notes. ()
- **05. Nursing Facility Level of Care for Children**. Using the criteria found in Subsections 223.02, 223.03, and 223.04 of these rules, plus consideration of the developmental milestones, based on the age of the child, the Department's BLTC will determine nursing facility level of care.

06. Conditions of Payment.

- a. As a condition of payment by the Department for long-term care on behalf of medical assistance participants, each fully licensed long-term care facility is to be under the supervision of an administrator who is currently licensed under the laws of the state of Idaho and in accordance with the rules of the Bureau of Occupational Licenses.
- **b.** Payment by the Department for the cost of long-term care excludes the date of the participant's discharge, unless the day of discharge occurs on the same day as admission; then, one (1) day of care is deemed to exist. When a Medicaid patient dies in a nursing home, the date of death is covered, regardless of the time of death.

224. NURSING FACILITY: POST-ELIGIBILITY TREATMENT OF INCOME.

Where an individual is determined eligible for medical assistance participation in the cost of their long term care, the Department will reduce its payment to the long term care facility by the amount of their income considered available to meet the cost of their care. This determination is made in accordance with IDAPA 16.03.05, "Eligibility for Aid to the Aged, Blind, and Disabled (AABD)," Sections 721 through 726. The amount that the medical assistance participant receives from SSA as reimbursement for their payment of the premium for Part B of Title XVIII (Medicare) is not considered income for patient liability under IDAPA 16.03.05, "Eligibility for Aid to the Aged,

Section 227 Page 1895

Level II screen is completed prior to admission to the facility, or in the case of an existing resident, completed in order to continue residing in the facility.

c. Resident Reviews (RR). An individual identified with MI or ID must be reviewed and a new determination made promptly after a significant change in their physical or mental condition. The facility must notify the BLTC of any such change within two (2) working days of its occurrence. For the purpose of this section, significant change for the participant's mental condition means a change that may require the provision of specialized services or an increase in such services. A significant change in physical condition is a change that renders the participant incapable of responding to MI or D.D. program interventions.

228. NURSING FACILITY: COORDINATION OF NURSING FACILITY ELIGIBILITY AND THE NEED FOR SPECIALIZED SERVICES.

Determinations as to the need for nursing facility care and determinations as to the need for specialized services should not be made independently. Such determinations will often be made on an individual basis, taking into account the condition of the resident and the capability of the facility to which admission is proposed to furnish the care needed. When an individual identified with MI and ID is admitted to a nursing facility, the nursing facility is responsible for meeting that individual's needs, except for the provision of specialized services.

01. Level of Care.	()
--------------------	-----

- a. Individual determinations must be based on evaluations and data as required by these rules.
- b. Categorical determinations. Recognizing that individual determinations of level of care are not always necessary, those categories set forth as examples at 42 CFR 483.130(d) are hereby adopted as appropriate for categorical determinations. When nursing facility level of care is determined appropriate categorically, the individual may be conditionally admitted prior to completion of the determination for specialized services. However, conditional admissions cannot exceed seven (7) days, except for respite admissions which cannot exceed thirty (30) consecutive days in one (1) calendar year.
- **92. Specialized Services.** Specialized services for mental illness as defined in 42 CFR 483.120(a)(1), and for intellectual disabilities as defined in 42 CFR 483.120(a)(2), are those services provided by the state that due to the intensity and scope can only be delivered by personnel and programs that are not included in the specialized rehabilitation services required of nursing facilities under 42 CFR 483.45. The need for specialized services must be documented and included in both the resident assessment instrument and the plan of care.
 - a. Individual determinations must be based on evaluations and data as required by these rules.
- **b.** Categorical determinations that specialized services are not needed may be made in those situations permitted by 42 CFR 483.130.
- **93. Penalty for Non-Compliance**. No payment will be made for any services rendered by a nursing facility prior to completion of the Level I screen and, if required, the Level II screen. Failure to comply with PASRR requirements for all individuals admitted or seeking admission may also subject a nursing facility to other penalties as part of certification action under 42 CFR 483.20.
- **04. Appeals**. Discharges, transfers, and preadmission PASRR determinations may be appealed to the extent required by 42 CFR, Part 483, Subpart E, and under Section 67-5229, Idaho Code. Appeals under this paragraph are made in accordance with the fair hearing provisions in IDAPA 16.05.03, "Contested Case Proceedings and Declaratory Rulings."
- **a.** A Level I finding of MI or ID is not an appealable determination. It may be disputed as part of a Level II determination appeal.
- **b.** In the event that the PASRR program is eliminated or made non-mandatory by an act of Congress, the provisions of Section 227 of these rules will cease to be operative on the effective date of any such act, without

Section 228 Page 1896

further action. NURSING FACILITY: PREPAYMENT SCREEN AND DETERMINATION OF ENTITLEMENT TO MEDICAID PAYMENT FOR NURSING FACILITY CARE AND SERVICES. The level of care for Title XIX and Title XXI payment purposes is determined by the Department. Necessity for payment is determined in accordance with 42 CFR 483 Subpart C and Section 1919(e) (7) of the Social Security Act. In the event a required Level II screen was not accomplished prior to admission, entitlement for Medicaid payment as established by the BLTC will not be earlier than the date the Level II screen is completed, indicating that nursing facility placement is appropriate. Information Required for Medical Evaluation Determination. A current Minimum Data Set (MDS) assessment will be provided to the Department. Additional supporting information may be requested. Information Required for Level I and II Screen Determination. An accurate Level I screen and 02. when required, a Level II screen. 230. NURSING FACILITY: PROVIDER QUALIFICATIONS AND DUTIES. **Provider Application and Certification.** A facility must apply to participate as a nursing facility. 02. Licensure and Certification. Upon receipt of an application from a facility, the Licensing and Certification Agency determines the facility's compliance with certification standards for the type of care the facility proposes to provide to medical assistance participants. If a facility proposes to participate as a skilled nursing facility, Medicare (Title XVIII) certification and program participation is required before the facility can be certified for Medicaid. The Licensing and Certification Agency will determine the facility's compliance with Medicare requirements and recommend certification to the Medicare Agency. If the Licensing and Certification Agency determines that a facility meets Title XIX certification standards for nursing facility care. The Department will certify to the appropriate branch of government that the facility meets the standards for nursing facility level of care. Upon receipt of the certification from the Licensing and Certification Agency, the Department may

enter into a provider agreement with the long-term care facility.

01. Payment Methodology. Nursing facilities will be reimbursed in accordance with the payment methodologies as described in Sections 236 through 295 of these rules.

Department, one (1) copy will be sent by certified mail to the facility and the original is to be retained by the

After the provider agreement has been executed by the Facility Administrator and by the

O2. Date of Discharge. Payment by the Department for the cost of long term care is to exclude the date of the participant's discharge. If a Medicaid patient dies in a nursing home, their date of death is covered regardless of the time of occurrence. If an admission and a discharge occur on the same date, then one (1) day of care will be deemed to exist.

236. NURSING FACILITY: REASONABLE COST PRINCIPLES.

Section 229 Page 1897

To be allowable, costs must be reasonable, ordinary, necessary and related to patient care. It will be expected that providers will incur costs in such a manner that economical and efficient delivery of quality health care to participants will result.

01.	Application of Reasonable Cost Principles.	(

- a. Reasonable costs of any services are determined in accordance with this chapter of rules found in Sections 236 through 295 of these rules, and Provider Reimbursement Manual (PRM), Sections 100 through 2600, as modified by the exceptions contained herein, is used to identify cost items to be included on Idaho's Uniform Cost Report.
- i. Reasonable cost takes into account both direct and indirect costs of providers of services, including normal standby costs.
- ii. The objectives of these methods are that: first, the costs with respect to individuals covered by the program will not be borne by others not so covered. Second, the costs with respect to individuals not covered will not be paid by the program.
- **b.** Costs may vary from one institution to another because of a variety of factors. It is the intent of the program that providers will be reimbursed the actual operating costs of providing high quality care, unless such costs exceed the applicable maximum base rate developed pursuant to provisions of Title 56, Idaho Code, or are unallowable by application of promulgated regulation.
- c. Implicit in the intention that actual operating costs be paid to the extent they are reasonable is the expectation that the provider seeks to minimize its costs and that its actual operating costs do not exceed what a prudent and cost-conscious buyer pays for a given item or service.
- **d.** If costs are determined to exceed the level that such buyers incur, in the absence of clear evidence that the higher costs were unavoidable, the excess costs are not reimbursable.
- **02. Costs Related to Patient Care.** These include all necessary and proper costs in developing and maintaining the operation of patient care facilities. Necessary and proper costs related to patient care are usually costs that are common and accepted occurrences in the field of the provider's activity. They include costs such as depreciation, interest expense, nursing costs, maintenance costs, administrative costs, costs of employee pension plans, normal standby costs, and others.
- 03. Costs Not Related to Patient Care. Costs not related to patient care are costs that are not appropriate or necessary and proper in developing and maintaining the operation of patient care facilities and activities. Such costs are not allowable in computing reimbursable costs.
- **04. Form and Substance**. Substance of transactions will prevail over the form. Financial transactions will be disallowed to the extent that the substance of the transaction fails to meet reasonable cost principles or comply with rules and policy.

237. NURSING FACILITY: NOTICE OF PROGRAM REIMBURSEMENT.

Following receipt of the finalized Medicare Cost Report and the timely receipt of any other information requested by the Department to fairly cost settle with the provider, a certified letter with the return receipt requested will be sent to the provider that sets forth the amounts of underpayment or overpayment made to the provider.

- **01. Notice.** The notice of the results of the final retroactive adjustment will be sent even though the provider intends to request a hearing on the determination, or has appealed the Medicare Intermediary's determination of cost settlement. Where the determination shows that the provider is indebted to the Medicaid program because total interim and other payments exceed cost limits, the state will take the necessary action to recover overpayment, including the suspension of interim payments sixty (60) days after the provider's receipt of the notice.
- **02. Recovery or Suspension.** Such action of recovery or suspension will continue even after a request for an informal conference or hearing is filed with the state. If the hearing results in a revised determination,

Section 237 Page 1898

240. – 241.	(RESERVED)	

242. NURSING FACILITY: HOME OFFICE COST PRINCIPLES.The reasonable cost principles will extend to the home office costs allocated to individual providers. In addition, the home office, through the provider, will provide documentation as to the basis used to allocate its costs among the

Section 238 Page 1899

Department of Health and Welfare Medicaid Enhanced Plan Benefits various entities it administers or otherwise directs. NURSING FACILITY: RELATED PARTY TRANSACTIONS. 243. Principle. Costs applicable to services, facilities and supplies furnished to the provider by organizations or persons related to the provider by common ownership, control, etc., are allowable at the cost to the related party. Such costs are allowable to the extent that they relate to patient care, are reasonable, ordinary, and necessary, and are not in excess of those costs incurred by a prudent cost-conscious buyer. Cost Allowability - Regulation. Allowability of costs is subject to the regulations prescribing the treatment of specific items as outlined in 42 CFR 413.17, et al, and the Providers Reimbursement Manual, PRM Chapter 10 and other applicable chapters of the PRM. NURSING FACILITY: APPLICATION OF RELATED PARTY TRANSACTIONS. 244. Determination of Common Ownership or Control in the Provider Organization and Supply Organization. In determining whether a provider organization is related to a supplying organization, the tests of common ownership and control are to be applied separately. If the elements of common ownership or control are not present in both organizations, the organizations are deemed not to be related to each other. A determination as to whether an individual(s) possesses ownership or equity in the provider organization and the supplying organization, so that the organizations will be considered to be related by common ownership, will be made on the basis of the facts and circumstances in each case. The term "control" includes any kind of control whether or not it is legally enforceable and however it is exercisable or exercised. It is the reality of the control that is decisive, not its form or the mode of its exercise. Cost to Related Organizations. The charges to the provider from related organizations may not exceed the billing to the related organization for these services. Costs Not Related to Patient Care. All home office costs not related to patient care are not allowable under the program. Interest Expense. Generally, interest expense on loans between related entities will not be reimbursable. See the PRM, Chapters 2, 10, and 12 for specifics. NURSING FACILITY: COMPENSATION OF RELATED PERSONS. 245. Compensation paid to persons related to owners or administrators is allowable only to the extent that services are actually performed and are necessary and adequately documented and the compensation for the services is reasonable. Compensation Claimed. Compensation claimed for reimbursement must be included in 01. compensation reported for tax purposes and be actually paid. Where such persons perform services without pay, no cost may be imputed. Я. Time records documenting actual hours worked are required in order that the compensation be b. allowable for reimbursement. Compensation for undocumented hours worked will not be a reimbursable cost. **Related Persons.** A related person is defined as having one (1) of the following relationships with

Section 243 Page 1900

	SING FACILITY: RATE SETTING. s of the rate setting mechanism for nursing facilities are:	()
	Payments . To make payments to nursing facilities through a prospective price-based a facility-specific case mix adjustments, separate margin payments for indirect care costs and applied BAF.		
02. establishing r	Rate Adjustment. To set rates based on each facility's case mix index on a quarterly ates that reflect the case mix of that facility's Medicaid residents as of a certain date d		

preceding quarter. 256. NURSING FACILITY: PRINCIPLE FOR RATE SETTING.

Reimbursement rates will be set based on projected cost data from cost reports and audit reports. Reimbursement is to be set for freestanding and hospital-based facilities. In general, the methodology will be a cost-based prospective reimbursement system with an acuity adjustment for direct care costs, allowances for margin payments related to the indirect and direct care costs, and subject to the application of a BAF.

257. NURSING FACILITY: DEVELOPMENT OF THE RATE.

Nursing facility rates are prospective, with new rates effective July 1st of each year, and are recalculated annually with quarterly adjustments for case mix. In no case will the rate be set higher than the charge for like services to private pay patients in effect for the period for which payment is made as computed by the lower of costs or customary charges. For the rate year of July 1, 2021, through June 30, 2022, rates will be calculated using audited cost reports ended in the calendar year 2019, including an inflation factor applied from the mid-point of the cost reporting period to the mid-point of the rate period. Inflation will be applied to all rate components, with the exception of property costs. For the rate years beginning July 1, 2022, and annually thereafter, rates will be calculated using audited cost reports for the periods ending in the calendar year two (2) years prior to each July 1 (July 1, 2022, rates will use cost reports ended in calendar year 2020 and so forth), including inflation adjustments from the midpoint of the cost report period to the mid-point of the rate period, with the exception of property costs.

Section 246 Page 1901

258. (RESERVED)

259. NURSING FACILITY: TREATMENT OF NEW BEDS.

Facilities that add beds after July 1, 1999, will have their reimbursement rate subjected to an additional limitation for the next three (3) years. This limitation will apply beginning with the first rate setting period that utilizes a cost report that includes the date when the beds were added. This provision will be the same for either behavioral care unit facilities or non-behavioral care units.

260. – 261. (RESERVED)

262. NURSING FACILITY: OUT-OF-STATE NURSING HOMES.

The Idaho Medicaid Program will reimburse for out-of-state nursing home placements when services are not available in Idaho to meet the participant's medical need, or in a temporary situation for a limited period of time required to safely transport the participant to an Idaho facility. Reimbursement for out-of-state nursing homes will be at the per diem rate set by the Medicaid Program in the state where the nursing home is located. Special rates will be allowed according to Section 270 of these rules.

263. NURSING FACILITY: DISTRESSED FACILITY.

- **01. Determination.** If the Department determines that a facility is located in an under-served area, or addresses an under-served need, the Department may negotiate a reimbursement rate different than the rate then in effect for that facility.
- **O2. Discretionary Factors.** The fact that a facility may be located in an under-served area or meets an under-served need does not guarantee increased reimbursement. In exercising its discretion to apply a higher rate, the Department will consider the factors as described in Subsections 263.02.a. through 263.02.e. of this rule.
- **a.** Prudent Spending Patterns. The facility has exercised prudent spending and cost allocation practices, as evidenced by a thorough and comprehensive review of the facility's accounts by the Department.
- **b.** Reasonable Attempts to Remedy Problems. The facility must persuade the Department that it has conscientiously and diligently attempted to cover its costs of care, hire qualified staff and otherwise operate effectively and efficiently, but for causes beyond the facility's reasonable control, it has not been able to do so.
- **c.** Facility Already Receives Special Rates. When a facility already receives special rates for certain difficulty-of-care patients from the Department, the same costs of care that were used to determine special rates will not be applied toward a determination of distressed facility status, because the special rate meets that need. ()
- **d.** Direct and Indirect Costs of Care Apportioned to Patient Care. The Department reimburses the costs of patient care, and does not pay for indirect costs not associated with patient care. The determination of distressed status will focus on whether the facility's distress stems from patient care costs, or whether the distress arises from expenses unrelated to patient care costs.
- **e.** Existing Cost Limits.Under no circumstances may a facility's reimbursement exceed the lower of its actual costs or customary charge to private-pay patients, as required by federal law, subject to the exceptions in federal law. The Department's cost caps can be exceeded through the distressed facility process, but to an amount no greater than the federal upper payment limit.
- **03. Annual Review**. Distressed facility payments are assumed to be short-term in nature. Each distressed payment must be re-requested and re-justified for each subsequent fiscal year that the facility desires the distressed facility rate.
- **04. Prospective Application**. Distressed facility status will be applied only to facilities that are currently distressed or entering a period of distress. Distressed facility status will not be applied to retroactive rate years.

Section 259 Page 1902

05. Facility-by-Facility Basis. Each facility must independently establish distress on its own merits, whether or not other facilities with a common owner may also be experiencing distress.

264. NURSING FACILITY: INTERIM ADJUSTMENTS TO RATES AS A RESULT OF NEW MANDATES.

Certain costs may be excluded from the cost limit calculations, may be subject to retrospective settlement at the discretion of the Department, and may result in changes to the prospective rates as provided in this Section to assure equitable reimbursement:

- **01.** Changes of More Than Fifty Cents Per Patient Day in Costs. Changes of more than fifty cents (\$.50) per patient day in costs otherwise subject to the cost limitations incurred by a facility as a result of changes in state or federal laws or rules will be reported separately on the cost report until such time as they can be properly reflected in the cost limits.
- a. The provider will report these costs on a separate schedule or by notations on the cost report so that these costs can be identified and reconciled to the provider's general ledger. These costs will be reported separately and will not be reimbursed through the rate setting process until the costs are fully represented in the cost data used to establish the cost limitations and rates.
- **b.** If more than one (1) increase occurs as a result of one (1) or more law or rule changes, the costs from each event are to be reported separately.
- c. The computation of the cost increase amount or amounts is to be presented in detail on a supplementary schedule or schedules unless the Department states otherwise.
- **O2. Future Treatment of Costs.** After the initial deadline has passed for all providers to file cost reports for reporting periods beginning on or after the date certain cost increases were first required, the Department will, at it's option, include all of the previously excluded costs related to those increases in the calculation of costs subject to the cost center limits. The intent of this provision is for costs to be exempt from the cost limits until these costs are able to be fully and equitably incorporated into the data base used to project the cost limits. When cost increases that have been excluded from the cap are incorporated in the inflation indices used to set the cost limits, the cost indices will be adjusted to exclude the influence of such changes if the amount included in the index is identified. When the cost limits are set to include previously excluded amounts, any adjustments made to the indices related to the previously excluded costs will be removed.

265. NURSING FACILITY: MDS REVIEWS.

The following Minimum Data Set (MDS) reviews will be conducted:

- of residents, their RUG classification, case mix index, and identification as Medicaid or other). It will be the facility's responsibility at that time to review the roster for accuracy. If the roster is accurate, the facility will sign and return the roster for rate setting. If any errors are detected, those errors will be communicated to the Department in writing along with any supporting documentation. If the signed resident roster is not returned and no errors are communicated to the Department, the original resident roster will be used for rate setting. Once the resident roster has been used for rate setting, it will be considered final unless modified by subsequent Departmental review.
- **O2. Departmental Review.** If a departmental review of the MDS data reveals errors that result in an incorrect case mix index, the provider's rate will be retroactively adjusted, for all quarters containing the incorrect assessment, and an amount due to or from the Department will be calculated. This does not include residents who received the default classification due to incomplete or inconsistent MDS data.

266. NURSING FACILITY: BEHAVIORAL CARE UNIT (BCU) AND RATE STRUCTURE.

Effective October 1, 2012, the additional direct care costs associated with BCU residents will remain in direct care costs subject to the direct care cost limitation. Those qualifying BCU nursing facility providers may have a direct care cost limitation higher than non-BCU nursing facility providers. BCU nursing facility providers will not receive an

Section 264 Page 1903

IDAPA 16.03.10 Medicaid Enhanced Plan Benefits

increased indirect care cost limitation. (

267. NURSING FACILITY: TREATMENT OF NEWLY LICENSED FACILITIES WITH BEHAVIORAL CARE UNITS.

Facilities licensed on or after September 1, 2017, must meet the qualifications for a BCU described in Idaho Medicaid Provider Agreement Additional Terms – Behavioral Care Units. BCU facilities existing prior to this date that receive a new license due to a change in ownership will not be subject to the provisions of this rule.

268. NURSING FACILITY: EXISTING PROVIDER ELECTS TO ADD BEHAVIORAL CARE UNIT (BCU).

Àn existing nursing facility provider that elects to add a BCU on or after September 1, 2017, may be deemed eligible after meeting the following requirements:

- **01. Meet Criteria for BCU**. The nursing facility provider must meet the criteria for a BCU described in Section 266 of these rules.
- **02. BCU Eligible Days.** The provider must demonstrate that BCU days from a minimum of sixty (60) calendar days, regardless of payer source, divided by total census days for that same sixty (60) day period, equals or exceeds a minimum of thirty percent (30%).

269. NURSING FACILITY: NEW OWNER OF AN EXISTING NURSING FACILITY WITH A BEHAVIORAL CARE UNIT (BCU).

- 01. New Owner Elects to Continue BCU. An existing nursing facility that is considered a BCU will continue to be a BCU, if the new owner elects to continue to provide these services. The new owner will receive a rate calculated according to the current change of ownership rules in Section 261 of these rules. The prior owner's cost report will be used until the new owner has a qualifying cost report. They BCU will continue to qualify for the higher direct care cost limit the previous owner was allowed.
- **02.** New Owner Does Not Elect to Continue BCU. If the new owner does not elect to operate the BCU, the prior owner's cost report will be used. The direct care cost limit will be adjusted down to that of the non-BCU nursing facility.

270. NURSING FACILITY: SPECIAL RATES.

A special rate consists of a facility's daily reimbursement rate for a patient plus an add-on amount. Section 56-117, Idaho Code, provides authority for the Department to pay facilities an amount in addition to the daily rate when a patient has needs that are beyond the scope of facility services and when the cost of providing for those additional needs is not adequately reflected in the rates calculated. This special rate add-on amount for such specialized care is in addition to any payments made in accordance with other provisions of this chapter and is excluded from the computation of payments or rates under other provisions in these rules.

- **01. Determination**. The Department determines to approve a special rate on a patient-by-patient basis. No rate will be allowed if reimbursement for these needs is available from a non-Medicaid source. A special rate request will be based on an identified condition that will continue for a period greater than thirty (30) days. ()
 - **O2. Effective Date**. Upon approval, a special rate is effective on the date the application was received.
- **03. Reporting**. Costs equivalent to payments for special rate add-on amounts must be removed from the cost components subject to limits, and be reported separately by the provider.
- **04. Limitation**. A special rate cannot exceed the provider's charges to other patients for similar services.
- **05. Prospective Rate Treatment**. Prospective treatment of special rates became effective July 1, 2000. Subsections 270.06 and 270.07 of this rule provide clarification of how special rates are paid under the prospective payment system.

Section 267 Page 1904

06.	Determination of Payment for Qualifying Residents. Special rate add-on amounts are	calculated:
using one (1) of	the methods described in Subsections 270.06.a. through 270.06.c. of this rule.	()

- a. One Hundred Percent (100%) Special Care Facility Existing July 1, 2000. If on July 1, 2000, an entire facility was a special care unit that included Medicaid residents, the facility's direct care cost per diem will not be subject to the direct care cost limit. However, the direct care costs are case mix adjusted based on the ratio of the facility's Medicaid CMI for the rate period to the facility-wide CMI for the cost reporting period.
- **b.** Equipment and Non-Therapy Supplies. Equipment and non-therapy supplies not addressed in Section 225 of these rules as determined by the Department, are reimbursed in accordance with IDAPA 16.03.09, "Medicaid Basic Plan Benefits," Section 755, as an add-on amount.
- c. Ventilator Dependent Residents and Residents Receiving Tracheostomy Care. Nursing facilities providing care to residents who are ventilator-dependent or who receive tracheostomy care are eligible to submit requests for the fixed add-on amount, in addition to the facility's rate for residents receiving this type of care. Approved requests are effective the date the type of care is needed by the participant, or no earlier than sixty (60) days prior to the date the request is received by the Department. The rate includes the cost for equipment and supplies and for additional registered nurse and certified nursing assistant hours, as appropriate for each type of care. Costs for equipment and supplies will be adjusted annually for inflation, and registered nursing and certified nursing assistant costs will be adjusted according to the annual Weighted Average Hourly Rates (WAHR) survey results.
- i. Approved add-on rates for ventilator-dependent residents and residents receiving tracheostomy care are subject to annual reviews by the Department to ensure that the add-on rate remains necessary for the type of care needed by the resident.
- ii. The provider must inform the department if an approved add-on rate is no longer needed or if the resident requires a change from one type of care to another.
- **d.** Ventilator Dependent Residents and Residents Receiving Tracheostomy Care in Out-of-State Nursing Facilities. For residents who are ventilator-dependent or receive tracheostomy care in an out-of-state facility, the add-on amount to the facility's rate is effective the date this type of care is needed by the participant or no earlier than sixty (60) days prior to the date the request is received by the Department. The add-on rate will include:
- i. Calculation of a staffing add-on for the cost, if any, for additional direct care staff required in meeting the exceptional needs of these residents. The hourly add-on rate is equal to the current WAHR CNA or current WAHR RN wage rate plus a benefits allowance based on annual cost report data, then weighted to remove the CNA minimum daily staffing time adjusted for the appropriate skill level of care staff; and
- ii. Calculation of an add-on for equipment and non-therapy supplies following the provisions in Subsection 270.06.b. of this rule.
- **O7.** Treatment of the Special Rate Cost for Future Rate Setting Periods. Special rates are established on a prospective basis similar to the overall facility rate. When the cost report used to set a prospective rate contains special rate costs, an adjustment is made to "offset," or reduce costs by an amount equal to total incremental revenues, or add-on payments received by the provider during the cost reporting period. The amount received is calculated by multiplying the special rate add-on amount paid for each qualifying resident by the number of days that were paid. No related adjustment is made to the facility's CMIs.
- **08.** Special Rate for Providers that Change Ownership or Close. When a facility changes ownership or closes, a closing cost report is not required. Special rate payments made in the closing cost reporting period may be reviewed by the Department.

More Than One Owner or Related Party May Receive Compensation for Hours Actually Worked. Services must be actually performed, documented and necessary. Total compensation must be reasonable, and not greater than the amount for which the same services could be obtained on the open market. The standard by which full time compensation is measured will be two thousand eighty (2,080) hours. Compensation of an owner or a party related to an owner is subject to other provisions of this chapter, and will not exceed the compensation determined from the Administrative Compensation Schedule, and, on an hourly basis, will not exceed the compensation determined in the Administrative Compensation Schedule divided by two thousand eighty (2,080).

275. NURSING FACILITY: PROPERTY RENTAL RATE REIMBURSEMENT.

Free standing nursing facilities other than hospital based nursing facilities will be paid a property rental rate. Property taxes and property insurance will be reimbursed as costs exempt from limitations. The property rental rate includes compensation for major movable equipment but not for minor movable equipment. The property rental rate is paid in lieu of payment for amortization, depreciation, and interest for financing the cost of land and depreciable assets. Prior to final audit for free-standing nursing facilities, an interim rate for property reimbursement will be set to approximate the property rental rate as determined by Sections 56-108 and 56-109, Idaho Code.

O1. Property Rental Rate. The property rental rate is based upon current construction costs, the age of the facility, the type of facility, and major expenditures made to improve the facility, or a rate based upon property costs as of January 1, 1985. The amount paid for each Medicaid day of care will be phased in according to Section 275.01 of these rules, and, beginning April 1, 1985, will be:

 $R = \text{"Property Base"} \times 40 - \text{"Age"} / 40 \times \text{"change in building costs"} \text{ where:}$

a. "R" = the property rental rate.

b. "Property Base" = thirteen dollars and nineteen cents (\$13.19) beginning October 1, 1996 for all freestanding nursing facilities.

- **c.** "Change in building costs" = 1.0 from October 1, 1996, through December 31, 1996. Beginning January 1, 1997, "change in building costs" will be adjusted each calendar year to reflect the reported annual change in the building cost index for a class D building in the western region, as published by the Marshall Swift Valuation Service or the consumer price index for renter's costs whichever is greater. For freestanding nursing facilities, the index available in September of the prior year will be used.
- **d.** "Age" of facility The effective age of the facility in years will be set by subtracting the year in which the facility, or portion thereof, was constructed from the year in which the rate is to be applied. No facility or portion thereof will be assigned an age of more than thirty (30) years, however:
- i. If adequate information is not submitted by the facility to document that the facility, or portion thereof, is newer than thirty (30) years, the age will be set at thirty (30) years. Adequate documentation will include, but not be limited to, such documents as copies of building permits, tax assessors' records, receipts, invoices, building contract, and original notes of indebtedness. An age will be determined for each building. A weighted average using the age and square footage of the buildings will become the effective age of the facility. The age of each building will be based upon the date when construction on that building was completed. This age will be adjusted to reflect major building expansion or remodeling prior to April 1, 1985, if that expenditure was large enough to reduce the age of the facility by two (2) or more years according to the following formula:

r = AxE/SxC

Where:

= Reduction in the age of the facility in years.

Section 275 Page 1908

Α	=	Age of the building at the time when construction was completed.
E	=	Actual expenses for the construction provided that the total costs must have been incurred within twenty-four (24) months of the completion of the construction.
S	=	The number of square feet in the building at the end of construction.
С	=	The cost of construction for the buildings in the year when construction was completed according to the schedule in Subsection 275.01.d.ii.

If the result of this calculation, "r" is equal to or greater than 2.0, the age of the building in years will be reduced by this number, rounded to the nearest whole number for rate setting purposes. In no case will the age be less than zero (0).

ii. Historical nursing home construction cost per square foot for purposes of evaluating facility age.

Age	Year	Cost
1	2004	82.41
4	2001	78.43
7	1998	71.34
10	1995	66.19
13	1992	59.03
16	1989	53.17
19	1986	51.56

Age	Year	Cost
2	2003	80.80

12	1993	60.56
15	1990	54.61
18	1987	51.66

)

- iii. For rates paid after June 30, 1989, the effective age of a facility will be further adjusted when the cost of major repairs, replacement, remodeling, or renovation of a building initiated after April 1, 1985, results in the change in age by at least one (1) year when applied to the formula in Subsection 275.01.d.i. of these rules. However, such change will not decrease the effective age of a facility beyond the point where the increase in the property rental rate is greater than three-fourths (3/4) of the difference between the property rental rate "r" for a new facility at the time of the proposed rate revision and the property rental rate for which the facility was eligible immediately before the adjustment. The cost used for "C" will be adjusted according to costs published by Marshall Swift Valuation Service to reflect current construction costs for average Class D convalescent hospitals. It is the provider's responsibility to notify the Department and document costs. The Department will adjust the age after documentation of costs.
- iv. In the event that new requirements are imposed by state or federal agencies, the Department will reimburse the expenditures directly related to these requirements as an increase in the property rental rate if the expense is in excess of one hundred dollars (\$100) per bed. If the cost related to the requirement is less than one hundred dollars (\$100) per bed, the Department will, within twelve (12) months of verification of expenditure, reimburse the Medicaid share of the entire cost of such new requirements, as a one (1) time payment to the facility.
- v. At no time will the property rental rate paid to a facility be less than the greater of the rate allowable to that facility on December 31, 1988, the rate allowable immediately following the first opening of a new facility after December 31, 1988, or the rate allowable immediately following the last, if any, age revision after December 31, 1988. However, subsequent to the application of this provision, before any property rental rate increase may be made for current or successor operators, the final settlement amount of any increase in the property rental rate will first be offset by an amount equal to the impact on final settlement of any rate decrease that would have occurred if the provisions of Subsections 275.01.d.iii. and 275.01.d.iv. of these rules had not been applied. This is intended to allow the postponement of the financial burden to providers of property rental rate decreases and to allow an equal offset of

Section 275 Page 1909

the financial burden to the state of subsequent property rate increases for a current or successor provider.

- vi. Effective July 1, 1991, for freestanding nursing facilities, "age of facility" will be a revised age that is the lesser of the age established under other provisions of this Section or the age that most closely yields the rate allowable to existing facilities as of June 30, 1991, under Subsection 275.01 of these rules. This revised age will not increase over time.
- **02. Grandfathered Rate**. A "grandfathered property rental rate" for existing free-standing nursing facilities will be determined by dividing the audited allowable annualized property costs, exclusive of taxes and insurance, for assets on hand as of January 1, 1985, by the total patient days in the period July 1, 1984, through June 30, 1985.
- **a.** Prior to audit settlement, the interim rate for property costs allowable as of January 1, 1985, will be used to approximate the grandfathered rate.
- **b.** The grandfathered property rental rate will be adjusted to compensate the facility for the property costs of major repairs, replacement, expansion, remodeling or renovation initiated prior to April 1, 1985, and completed during calendar year 1985.
- c. Beginning July 1, 1989, facilities receiving grandfathered rates may have those rates adjusted for modifications related to major repairs, replacement, expansion, remodeling, or renovation initiated after January 1, 1986, if the cost of these modifications would be sufficient to reduce the age of the facility by one (1) year or more according to Subsection 275.01.d.i.of these rules. The grandfathered rate will be revised after completion of modifications and will be the greater of:
 - i. The grandfathered rate previously allowed; or ()
- ii. The actual per diem property costs of amortization, depreciation and interest not applicable to the modifications for the audit period in which the modifications were completed plus the per diem rate of the first year amortization of the cost of these modifications when amortized over American Hospital Association guideline useful life or lives. However, no change in the grandfathered rate will be allowed to change that rate by more than three-fourths (3/4) of the difference between the previous grandfathered rate and the property rental rate that would be paid for a new building at the time of the proposed rate revision.
- **d.** The facility will be reimbursed a rate that is the higher of the grandfathered property rental rate as determined according to provisions of Subsection 275.02 of these rules or the property rental rate determined according to Subsections 275.01, 275.03, or 275.05 of these rules.
- **03.** Leased Freestanding Nursing Facilities. Freestanding nursing facilities with leases will not be reimbursed in the same manner specified in Subsections 275.01 and 275.02 of these rules. Provisions in this section do not apply to reimbursement of home office costs. Home office costs will be paid based on reasonable cost principles.
- **a.** Facilities with leases entered into on or after March 30, 1981, are to be reimbursed in the same way as owned facilities with ownership costs being recognized instead of lease costs.
- **b.** Facilities with leases entered into prior to March 30, 1981, will not be subject to reimbursement according to the provisions of Subsections 275.01 or 275.02 of these rules. Their property rental rate per day of care will be the sum of the annualized allowed lease costs and the other annualized property costs for assets on hand as of January 1, 1985, exclusive of taxes and insurance when paid separately, divided by total patient days in the period June 30, 1983, through July 1, 1984.
- i. Effective July 1, 1989, the property rental rates of leased nursing facilities with leases entered into prior to March 30, 1981, may be adjusted to compensate for increased property costs resulting from facility modifications related to major repairs, replacement, expansion, remodeling, or renovation initiated after January 1, 1985, if the cost would be sufficient to reduce the age of the facility by one (1) year or more according to Subsection 275.01.d.i. of these rules. The rate will be revised after the completion of such modifications and will be the greater of

Section 275 Page 1910

the property rental rate previously allowed under Subsection 275.03, or the actual per diem property costs for the amortization, depreciation, and interest not applicable to the modifications for the reporting period in which the modifications were completed, plus the per diem of the first year amortization of the modification expenses using the American Hospital Association guideline useful life of lives. However, no such rate change will increase the allowable property rental rate by more than three-fourths (3/4) of the difference between the previous rate and the property rental rate that would be allowed for a new building at the time of the proposed rate revision.

- ii. Where such leases contain provisions that bind the lessee to accept an increased rate, reimbursement will be at a rate per day of care that reflects the increase in the lease rate.
- iii. Where such leases bind the lessee to the lease and allow the rate to be renegotiated, reimbursement will be at a rate per day of care that reflects an annual increase in the lease rate not to exceed the increase in the consumer price index for renters' costs. After April 1, 1985, if such a lease is terminated or if the lease allows the lessee the option to terminate other than by an option to purchase the facility, the property rental rate will become the amount "R" determined by the formula in Subsection 275.01 of these rules as of the date on which the lease is or could be terminated.
- **O4. Sale of a Facility.** In the event of the sale of a facility, or asset of a facility, the buyer will receive the property rental rate of Subsection 275.01 of these rules, except in the event of a forced sale or except in the event of a first sale of a facility receiving a "grandfathered rate" after June 30, 1991, whereupon the property rental rate of the new owner will be computed as if no sale had taken place.
- **05. Forced Sale of a Facility.** In the event of a forced sale of a facility, or asset of a facility, where the seller has been receiving a grandfathered rate, the buyer will receive a rate based upon their incurred property costs, exclusive of taxes and insurance, for the twelve (12) months following the sale, divided by the facility's total patient days for that period, or the property rental rate, not modified by Section 275 of these rules, whichever is higher, but not exceeding the rate that would be due the seller.

276. -- 277. (RESERVED)

278. NURSING FACILITY: OCCUPANCY ADJUSTMENT FACTOR.

In order to equitably allocate fixed costs to the Medicaid patients in cases where a facility is not maintaining reasonable occupancy levels, an adjustment will be made. No occupancy adjustment will be made against the costs that are used to calculate the property rental rate; however adjustment will be made against all other property costs. The adjustment will be made as follows:

- 01. Occupancy Levels. If a facility maintains an average occupancy of less than eighty percent (80%) of a facility's capacity, the total property costs not including cost paid under the property rental rate, will be prorated based upon an eighty percent (80%) occupancy rate. Property costs and property rental rates are defined in Section 013 of these rules. The facility's average occupancy percentage will be subtracted from eighty percent (80%) and the resultant percentage will be taken times the total fixed costs to determine the nonallowable fixed costs.
- **Occupancy Adjustment**. For purposes of an occupancy adjustment, facility capacity will be computed based upon the greater of the largest number of beds for which the facility was licensed during the period being reported on or the largest number of beds for which the facility was licensed during calendar year 1981, except where a portion of the facility has been converted to use for nonroutine nursing home activities or the facility is newly constructed and has entered the Medicaid Program subsequent to January 1, 1982. If the facility's designed capacity has been changed, the number of beds used to determine occupancy will be lowered by the amount of capacity being converted to nonroutine nursing home activities. Facility capacity for a new facility will be based on the number of beds approved by the certificate of need process less any capacity converted to nonroutine nursing home activities.
- **03. Fixed Costs.** For purposes of an occupancy adjustment fixed costs will be considered all allowable and reimbursable costs reported under the property cost categories.
- **04.** Change in Designed Capacity. In cases where a provider changes the designed capacity of a facility, the average occupancy for the period prior to the change and subsequent to the change will be computed and

Section 278 Page 1911

each period will be adjusted separately. If the designed capacity is increased, the increased number of beds will not be subject to this adjustment for the first six (6) months following their licensure.

05. New Facility. In the case of a new facility being licensed and occupied, the first six (6) months occupancy level will not be subject to this adjustment.

279. NURSING FACILITY: RECAPTURE OF DEPRECIATION.

Where depreciable assets that were reimbursed based on cost and were used in the Medicaid Program by a facility subsequent to January 1, 1982, and for which depreciation has been reimbursed by the Program, are sold for an amount in excess of their net book value, depreciation so reimbursed will be recaptured from the buyer of the facility in an amount equal to reimbursed depreciation after January 1, 1982, or gain on the sale, whichever is less. ()

- **01.** Amount Recaptured. Depreciation will be recaptured in full if a sale of a depreciated facility takes place within the first five (5) years of a seller's ownership. Credit will be given for the period of ownership prior to January 1, 1982. For every year the asset is held beyond the first five (5) years, the total depreciation recaptured will be reduced by ten percent (10%) per year of the total depreciation taken.
- **O2.** Time Frame. Depreciation will be recaptured by the Medicaid Program from the buyer of the facility over a period of time not to exceed five (5) years from the date of sale, with not less than one-fifth (1/5) of the total amount being recaptured for each year after such date.

280. – 282. (RESERVED)

283. NURSING FACILITY: FILING DATES.

01. Deadlines. Deadlines for annual cost reports will be the last day of the third month following the fiscal year end or the deadline imposed by Medicare if the provider is required to file a Medicare cost report.

()

02. Waivers. A delay of thirty (30) days may be granted for annual cost reports in unusual circumstances. Requests for such deferrals and reasons therefore must be in writing and should be made prior to the deadline. A written decision will be rendered in writing within ten (10) days.

284. NURSING FACILITY: FAILURE TO FILE.

Failure to submit timely reports may result in a reduction in the interim rate. Failure to file the required cost reports, including required supplemental information, unless a waiver is granted, may result in a reduction of ten percent (10%) in the provider's rate(s) the first day of the month following the deadline date. Continued failure to comply will result in complete payment suspension on the first day of the following month. When suspension or reduction has occurred and the provider has filed the required cost reports, amounts accruing to the provider during the period of suspension or reduction will be restored. Loss of license or certification will result in immediate termination of reimbursement, full scope audit and settlement for the cost period.

285. NURSING FACILITY: ACCOUNTING SYSTEM.

Reports must be filed using the accrual basis and conform with generally accepted accounting principles or within provisions of the guidelines as specified. In any case, the recorded transaction must be capable of verification by Departmental audit.

286. NURSING FACILITY: AUDITS.

All financial reports are subject to audit by Departmental representatives.

of mooded and

- **01. Accuracy of Recording**. To determine whether the transactions recorded in the books of record are substantially accurate and reliable as a basis for determining reasonable costs.
- **02. Reliability of Internal Control**. To determine that the facilities internal control is sufficiently reliable to disclose the results of the to the provider's operations.
 - **O3.** Economy and Efficiency. To determine if Title XIX and Title XXI participants have received the

09. EVV Compliance. Provider claims for PCS require EVV compliance as described in Section 041 of these rules in order to be eligible for payment.

308. PERSONAL CARE SERVICES (PCS): QUALITY ASSURANCE.

- **01. Responsibility for Quality**. Personal Assistance Agencies, RALFs, and CFHs furnishing PCS are responsible for assuring that they provide quality services in compliance with applicable rules.
- **02. Review Results**. Results of quality assurance reviews conducted by the Department must be transmitted to the provider within forty-five (45) days after the review is completed.
- **03. Quality Improvement Plan.** The provider must respond within forty-five (45) days after the results are received. If problems are identified, the provider must implement a quality improvement plan and report the results to the Department upon request.
- **04. HCBS Compliance.** Personal Assistance Agencies are responsible for ensuring they meet the setting requirements described in Section 313 of these rules. RALFs, and CFHs are responsible for ensuring that they meet the setting requirements described in Sections 313 and 314 of these rules. All providers furnishing PCS are

Section 308 Page 1926

responsible for ensuring they meet the person-centered planning requirements described in Sections 316 through 317 of these rules. PCS providers must comply with associated Department quality assurance activities. The Department may take enforcement actions as described in IDAPA 16.03.09, "Medicaid Basic Plan Benefits," Section 205, if the provider fails to comply with any term or provision of the provider agreement, or any applicable state or federal regulation.

regulation. COVID-19. The sections of this rule may be subject to amendment by the BLTC for the duration of the COVID-19 state of emergency. Please consult Medicaid Information Release MA20-15 for additional guidance. 309. (RESERVED) SUB AREA: HOME AND COMMUNITY-BASED SERVICES (Sections 310-317) 310. HOME AND COMMUNITY-BASED SERVICES. Home and Community-Based Services (HCBS) are those services and supports that assist eligible participants to remain in their home and community. The federal authorities under 42 CFR 441.301, 42 CFR 441.710, and 42 CFR 441.725 require the state to deliver HCBS in accordance with the rules described in Sections 310 through 319 of these rules. HCBS include the following: Children's Developmental Disability Services. Children's developmental disability services as defined in Sections 663 and 683 of these rules. Adult Developmental Disability Services. Adult developmental disability services as defined in Sections 645 through 659, 703, and 705 of these rules. Consumer-Directed Services. Consumer-directed services as defined in IDAPA 16.03.13, "Consumer-Directed Services." Aged and Disabled Waiver Services. Aged and disabled waiver services as defined in Section 326 04. of these rules. Personal Care Services. Personal care services as defined in Section 303 of these rules. 05. 06. Services for Children with Serious Emotional Disturbance (SED). SED services, as defined in Section 368 of these rules, for children who are enrolled in the Medicaid SED program in support of Youth Empowerment Services (YES). HCBS REQUIREMENTS AND DECISION-MAKING AUTHORITY. HCBS requirements, contained in Sections 312 through Sections 317 of these rules, do not supersede decisionmaking authority legally assigned to another individual or entity on the participant's behalf. This includes: 01. **Payee**. A representative payee appointed by the Social Security Administration; 02. Restrictions (Probation or Parole). Court-imposed restrictions related to probation or parole; Restrictions (When Committed). Court-imposed restrictions when committed to the Director of 03. Health and Welfare; and

child has another legally assigned decision-making authority. 312. HOME AND COMMUNITY-BASED SETTINGS.

Home and community-based settings include all locations where participants who receive HCBS live or receive their

parents of participants birth through seventeen (17) years of age have full decision-making authority unless the minor

Legal Guardians Who Retain Full Decision-making Authority. It is presumed that the parent or

321.	AGED AND DISABLED WAIVER SERVICES: DEFINITIONS.	

The following definitions apply to Sections 320 through 330 of these rules:

- **01. Uniform Assessment Instrument (UAI).** A set of standardized criteria adopted by the Department to assess functional and cognitive abilities.
- **02. Individual Service Plan.** A document that outlines all services including activities of daily living (ADL) and instrumental activities of daily living (IADL), required to maintain the individual in their home and community. The plan is initially developed by the Department or its contractor for services provided under the Home and Community-Based Services Waiver. This plan must be approved by the Department or its contractor, and all Medicaid reimbursable services must be contained in the plan.
- **03. Personal Assistance Agency or Agency**. An entity that recruits, hires, fires, trains, supervises, schedules, oversees quality of work, takes responsibility for the care given, and provides payroll, including all required withholding for federal and state tax purposes, and benefits for care providers working for them. They also bill Medicaid for services provided by employees, and collect participant contribution.
- **O4. Employer of Record**. An entity that bills for services, withholds required taxes, and conducts other administrative activities for a waiver program participant. Such an entity is also called a personal assistance agency functioning as a fiscal intermediary agency.
- **05. Employer of Fact**. A participant or representative of a participant who hires, fires, and directs the services delivered by a waiver program provider. This individual may be a family member. ()
- **06. Participant**. An aged or disabled individual who requires and receives services under the Home and Community-based Waiver program.

322. AGED AND DISABLED WAIVER SERVICES: ELIGIBILITY.

The Department provides waiver services to eligible participants: to prevent unnecessary institutional placement; to provide for the greatest degree of independence possible; to enhance the quality of life; to encourage individual choice; and to achieve and maintain community integration. For a participant to be eligible, the Department must find that the participant:

- **01.** Has a Disabling Condition. Requires services due to a disabling condition that impairs their mental or physical function or independence; and
- 02. Safe in a Non-Institutional Setting. Be capable of being maintained safely and effectively in a non-institutional setting; and
- **03.** Requires Such Services. Would, in the absence of such services, require the level of care provided in a Nursing Facility.

adult m	ust requii	Functional Level for Adults . Based on the results of the assessment, the level of impairm e established by the Department or its contractor. 	d.	Four (4) or more medium indicators = Twelve (12) points.	()

323. AGED AND DISABLED WAIVER SERVICES: PARTICIPANT ELIGIBILITY DETERMINATION.

Waiver eligibility will be determined by the Department or its contractor. The participant must be eligible for Medicaid as described in IDAPA 16.03.05, "Eligibility for Aid to the Aged, Blind, and Disabled (AABD)." In addition, waiver participants must meet the following requirements.

- **01.** Requirements for Determining Participant Eligibility. The Department or its contractor must determine that:
- **a.** The participant would qualify for nursing facility level of care under Sections 222 and 223 of these rules, if the waiver services listed in Section 326 of these rules were not made available; and
- b. The participant could be safely and effectively maintained in the requested or chosen community residence with appropriate waiver services. Prior to any denial of services on this basis, the Department or its contractor must verify that services to correct the concerns of the team are not available.
- c. The average daily cost of waiver services and other medical services to the participant would not exceed the average daily cost to Medicaid of nursing facility care.
- **d.** Following the approval by the Department or its contractor for services under the waiver, the participant must receive and continue to receive a waiver service as described in these rules. A participant who does not use a waiver service for thirty (30) consecutive days will be terminated from the waiver program.
- **02.** Admission to a Nursing Facility. A participant who is determined by the Department or its contractor to be eligible for services under the waiver may elect to not utilize waiver services and may choose admission to a nursing facility.
- **03.** Redetermination Process. Case Redetermination will be conducted by the Department or its contractor. The redetermination process will verify that the participant continues to meet nursing facility level of care and the participant's continued need for waiver services.

324. AGED AND DISABLED WAIVER SERVICES: TARGET GROUP.

Persons who would be Medicaid eligible if residing in a nursing facility, require the level of care provided in a nursing facility, are over the age of eighteen (18), demonstrate significant disability on the UAI, and have deficits that affect their ability to function independently.

325. HOME AND COMMUNITY-BASED SERVICES (HCBS) WAIVER: PARTICIPANT LIMITATIONS.

The number of Medicaid participants to receive waiver services under the HCBS waiver for the aged and disabled will be limited to the projected number of users identified in the Department's approved waiver. If necessary, participants who apply for waiver services after the waiver maximum has been reached will be placed on a waiting list and will have their applications processed after September 30th of each new waiver year. The earliest effective date of waiver service delivery for these participants will be October 1st of each new waiver year.

326. AGED AND DISABLED WAIVER SERVICES: COVERAGE AND LIMITATIONS.

- or more hours per day on a regularly scheduled basis, for one (1) or more days per week. It is provided outside the home of the participant in a non-institutional, community-based setting, and it encompasses health services, social services, recreation, supervision for safety, and assistance with activities of daily living needed to ensure the optimal functioning of the participant. Adult day health services provided under this waiver will not include room and board payments.
- **02.** Adult Residential Care Services. Adult residential care services consist of a range of services provided in a homelike, non-institutional setting that include RALFs and CFHs. Payment is not made for the cost of room and board, including the cost of building maintenance, upkeep and improvement.

Services provided under a Medicaid Home and Community-Based Services waiver that involve personal and medically oriented tasks dealing with the functional needs of the participant and accommodating the participant's needs for long-term maintenance, supportive care, or activities of daily living ADL). These services may include personal assistance and medical tasks that can be done by unlicensed persons, or delegated to an unlicensed person by a licensed health care professional or the participant. Services are based on the participant's abilities and limitations, regardless of age, medical diagnosis, or other category of disability. This assistance may take the form of hands-on assistance (actually performing a task for the person) or cuing to prompt the participant to perform a task.						
function	06. al use of	Chore Services . Chore services include the following services when necessary to maint the home, or to provide a clean, sanitary, and safe environment:	tain th (ie)			
	a.	Intermittent assistance may include the following.	()			
	i.	Yard maintenance;	()			
	ii.	Minor home repair;	()			
	iii.	Heavy housework;	()			
	iv.	Sidewalk maintenance; and	()			
	v.	Trash removal to assist the participant to remain in the home.	()			
	b.	Chore activities may include the following:	()			
	i.	Washing windows;	()			
	ii.	Moving heavy furniture;	()			
	iii.	Shoveling snow to provide safe access inside and outside the home;	()			
	iv.	Chopping wood when wood is the participant's primary source of heat; and	()			
	V.	Tacking down loose rugs and flooring.	()			

c.	These services ar	e only available	when neither t	he participant, no	or anyone else in the	household is
					e, caregiver, landlord	l, community
volunteer, agency	, or third-party par	er is willing to p	provide them o	r is responsible f	or their provision.	()

- **d.** In the case of rental property, the landlord's responsibility under the lease agreement will be examined prior to any authorization of service. Chore services are limited to the services provided in a home rented or owned by the participant.
- **O7.** Companion Services. Companion services include non-medical care, supervision, and socialization provided to a functionally impaired adult. Companion services are in-home services to ensure the safety and well-being of a person who cannot be left alone because of frail health, a tendency to wander, inability to respond to emergency situations, or other conditions that would require a person on-site. The service provider, who may live with the participant, may provide voice cuing and occasional assistance with toileting, personal hygiene, dressing, and other activities of daily living. Providers may also perform light housekeeping tasks that are incidental to the care and supervision of the participant. However, the primary responsibility is to provide companionship and be there in case they are needed.
- **O8.** Consultation. Consultation services are services to a participant or family member. Services are provided by a Personal Assistance Agency to a participant or family member to increase their skills as an employer or manager of their own care. Such services are directed at achieving the highest level of independence and self-reliance possible for the participant and the participant's family. Services include consulting with the participant and family to gain a better understanding of the special needs of the participant and the role of the caregiver.
- **09. Home Delivered Meals**. Home delivered meals are meals that are delivered to the participant's home to promote adequate participant nutrition. One (1) to two (2) meals per day may be provided to a participant who:
 - a. Rents or owns a home; (
 - **b.** Is alone for significant parts of the day;
 - c. Has no caregiver for extended periods of time; and
 - **d.** Is unable to prepare a meal without assistance.
- 10. Homemaker Services. Homemaker services consist of performing for the participant, or assisting them with, or both, the following tasks: laundry, essential errands, meal preparation, and other routine housekeeping duties if there is no one else in the household capable of performing these tasks.
- 11. Environmental Accessibility Adaptations. Environmental accessibility adaptations include minor housing adaptations that are necessary to enable the participant to function with greater independence in the home, or without which, the participant would require institutionalization or have a risk to health, welfare, or safety. Such adaptations may include:
- a. The installation of ramps and lifts, widening of doorways, modification of bathroom facilities, or installation of electric and plumbing systems that are necessary to accommodate the medical equipment and supplies necessary for the welfare of the waiver participant, but must exclude those adaptations or improvements to the home that are not of direct medical or remedial benefit to the participant, such as carpeting, roof repair, or central air conditioning.
- **b.** Unless otherwise authorized by the Department, permanent environmental modifications are limited to a home that is the participant's principal residence, and is owned by the participant or the participant's non-paid family.
- **c.** Portable or non-stationary modifications may be made when such modifications can follow the participant to their next place of residence or be returned to the Department.

mobility. The sys	Personal Emergency Response System (PERS) . PERS is an electronic device that enact to secure help in an emergency. ii. purchases, and m	Money management consists of training or assistance in handling personal finances, reeting personal financial obligations;	naking
	Daily living skills consist of training in accomplishing routine housekeeping tasks, sing, personal hygiene, self-administration of medications, and other areas of daily living incaptive and assistive devices, appliances, as well as following home safety, first aid, and eme	cluding
Socialization training activities training activities	Socialization consists of training or assistance in participation in general community activitionships with peers with an emphasis on connecting the participant to their commining associated with participation in community activities includes assisting the participate of interest, working out arrangements to participate in such activities, and identifying some essary to assist the participant to continue to participate in such activities on an on-going ining does not include participation in nontherapeutic activities that are merely diversion ture;	nunity. pant to pecific g basis.
	Mobility consists of training or assistance aimed at enhancing movement within the person's astering the use of adaptive aids and equipment, accessing and using public transported, or movement within the community; or	

emotions or desires, assertiveness, acquisition of socially appropriate behaviors, or extension of therapeutic services that consist of reinforcing physical, occupational, speech, and other therapeutic programs.					
vii. Personal assistance services necessary to assist the individual in daily living activities, household tasks, and such other routine activities as the person or the person's primary caregiver(s) are unable to accomplish on their own behalf. Personal assistance activities include direct assistance with grooming, bathing, and eating, assistance with medications that are ordinarily self-administered, supervision, communication assistance, reporting changes in the waiver participant's condition and needs, household tasks essential to health care at home to include general cleaning of the home, laundry, meal planning and preparation, shopping, and correspondence.					
b. Day habilitation. Day habilitation consists of assistance with acquisition, retention, or improvement in self-help, socialization, and adaptive skills that take place in a non-residential setting, separate from the home or facility in which the participant resides. Services will normally be furnished four (4) or more hours per day on a regularly scheduled basis, for one (1) or more days per week, unless provided as an adjunct to other day activities included in a participant's plan of care. Day habilitation services will focus on enabling the participant to attain or maintain their maximum functional level and will be coordinated with any physical therapy, occupational therapy, or speech-language pathology services listed in the plan of care. In addition, day habilitation services may serve to reinforce skills or lessons taught in school, therapy, or other settings.					
16. Supported Employment. Supported employment consists of competitive work in integrated work settings for individuals with the most severe disabilities for whom competitive employment has not traditionally occurred, or for whom competitive employment has been interrupted or intermittent as a result of a severe disability. Because of the nature and severity of their disability, these individuals need intensive supported employment services or extended services in order to perform such work.					
a. Supported employment services rendered under this waiver are not available under a program funded by either the Rehabilitation Act of 1973, as amended, or the Individuals with Disabilities Education Act (IDEA). Documentation must be maintained in the file of each individual receiving this service verifying that the service is not otherwise available or funded under the Rehabilitation Act of 1973, as amended, or the IDEA. ()					
b. Federal Financial Participation (FFP) cannot be claimed for incentive payments, subsidies, or unrelated vocational training expenses such as the following: incentive payments made to an employer of waiver participants to encourage or subsidize the employer's participation in a supported employment program, payments that are passed through to beneficiaries of a supported employment program, or payments for vocational training that is not directly related to a waiver participant's supported employment program.					
17. Transition Services. Transition services include goods and services that enable a participant residing in a nursing facility, hospital, IMD, or ICF/ID to transition to a community-based setting. A participant is eligible to receive transition services immediately following discharge from a qualified institution after residing within that institution for a minimum of forty-five (45) days.					
a. Qualified Institutions include the following: ()					
i. Skilled, or Intermediate Care Facilities; ()					
ii. Nursing Facilities; ()					
iii. Licensed Intermediate Care Facilities for Persons with Intellectual Disabilities (ICF/IID); ()					
iv. Hospitals; and ()					
v. Institutions for Mental Diseases (IMDs).					
b. Transition services may include the following goods and services: ()

of assessment; input may be provided by telephone.

455. HOSPICE: PROVIDER QUALIFICATIONS AND DUTIES.

All services must be performed by appropriately qualified personnel, but it is the nature of the service, rather than the qualification of the person who provides it, that determines the category of the service.

456. HOSPICE: PROVIDER REIMBURSEMENT.

With the exception of payment for physician services under Section 458 of these rules, Medicaid reimbursement for hospice care will be made at one (1) of five (5) predetermined rates for each day in which a participant receives the respective type and intensity of the services furnished under the care of the hospice. The five (5) rates are prospective rates; there will be no retroactive rate adjustments other than the application of the "cap" on overall payments, the service intensity add-on, and the limitation on payments for inpatient care, if applicable. A description of the payment for each level of care is described in Subsections 456.01 through 456.04 of these rules.

- **01. Routine Home Care.** The hospice provider will be paid one (1) of two (2) routine home care rates for each day the patient is in residence, under the care of the hospice, and not receiving continuous home care. The rate is paid without regard to the volume or intensity of routine home care services provided on any given day. The two-rate payment methodology will result in a higher based payment for days one (1) through sixty (60) of hospice care and a reduced rate for days sixty-one (61) to end-of-care. If a participant leaves hospice care and then later is placed back on hospice care, regardless of hospice provider, a minimum of a sixty (60) day gap in hospice services is required in order for the routine home care rate to be paid at the higher base payment rate. If there is not a minimum of a sixty (60) day gap in hospice services being provided, the hospice provider will be paid at the rate for which the participant is qualified.
- **O2.** Continuous Home Care. Continuous home care is to be provided only during a period of crisis. A period of crisis is a period in which a patient requires continuous care that is primarily nursing care to achieve palliation and management of acute medical symptoms. Care must be provided by either a licensed registered nurse or a licensed practical nurse and a nurse must provide care for at least half the total period of care. A minimum of eight (8) hours of care must be provided during a twenty-four (24) hour day that begins and ends at midnight. This care need not be continuous and uninterrupted. If less skilled care is needed on a continuous basis to enable the person to remain at home, this is covered as routine home care. For every hour or part of an hour of continuous care furnished, the hourly rate will be reimbursed to the hospice up to twenty-four (24) hours per day.
- **03. Inpatient Respite Care.** The hospice will be paid at the inpatient respite care rate for each day that the participant is in an approved inpatient facility and is receiving respite care. Payment for respite care may be made for a maximum of five (5) days at a time including the date of admission but not counting the date of discharge in any monthly election period. Payment for the sixth and any subsequent day is to be made at the appropriate rate routine, continuous, or general inpatient rate.
- **04. General Inpatient Care.** Payment at the inpatient rate will be made when general inpatient care is provided. No other fixed payment rates will be applicable for a day on which the participant receives hospice general inpatient care except as described in Section 458 of these rules. ()
- **a.** Date of discharge. For the day of discharge from an inpatient unit, the appropriate home care rate is to be paid unless the patient dies as an inpatient. When the patient is discharged as deceased, the inpatient rate, either general or respite, is to be paid for the discharge date.
- **b.** Hospice payment rates. The Medicaid hospice payment rates are the same as the Medicare hospice rates, adjusted to disregard cost offsets attributable to Medicare coinsurance amounts. Under the Medicaid hospice benefit, no cost sharing may be imposed with respect to hospice services rendered to Medicaid participants.
- **c.** Obligation of continuing care. After the participant's hospice benefit expires, the patient's Medicaid hospice benefits do not expire. The hospice must continue to provide that participant's care until the patient expires or until the participant revokes the election of hospice care.
 - **05. Service Intensity Add-On.** For hospice services with dates of service on and after January 1, 2016,

Section 455 Page 1956

a service intensity add-on payment will be made for a visit by a licensed registered nurse (RN) or social worker when provided in the last seven (7) days of life. Payment for the service intensity add-on is in addition to the routine home care rate and is calculated by multiplying the continuous home care rate per fifteen (15) minutes by the number of units for the combined visits for the day. Payment must not exceed sixteen (16) units per day, and is adjusted for geographic differences in wages. Phone time for a provider's social worker is not eligible for a service intensity add-on payment.

457. HOSPICE: LIMITATION ON PAYMENTS FOR INPATIENT CARE.

Payments to a hospice for inpatient care must be limited according to the number of days of inpatient care furnished to Medicaid patients. During the twelve (12) month period beginning November 1st of each year and ending October 31st of the next year, the aggregate number of inpatient days (both general inpatient days and inpatient respite care) may not exceed twenty percent (20%) of the total number of days of hospice care provided to all Medicaid participants during the same period by the designated hospice or its contracted agent(s).

- **01. For Purposes of Computation**. If it is determined that the inpatient rate should not be paid, any days for which the hospice receives payment at a home care rate will not be counted as inpatient days. The limitations on payment for inpatient days are as follows:
- a. The maximum number of allowable inpatient days will be calculated by multiplying the total number of a provider's Medicaid hospice days by twenty percent (20%).
- **b.** If the total number of days of inpatient care to Medicaid hospice patients is less than or equal to the maximum number of inpatient days computed in Subsection 457.01 of these rules then no adjustment is made.
- c. If the total number of days of inpatient care exceeds the maximum number of allowable inpatient days computed in Subsection 457.01 of these rules then the payment limitation will be determined by:
- i. Calculating the ratio of the maximum allowable inpatient days to the number of actual days of inpatient care, and multiplying this ratio by the total reimbursement for inpatient care that was made. ()
 - ii. Multiplying excess inpatient care days by the routine home care rate. (
 - iii. Adding the amounts calculated in Subsections 457.01.c.i. and 457.01.c.ii. of these rules. ()
- iv. Comparing the amount in Subsection 457.01.c.iii. of these rules with interim payments made to the hospice for inpatient care during the "cap period."
- **02.** The amount by which interim payments for inpatient care exceeds the amount calculated as in Section 459 of these rules is due from the hospice.

458. HOSPICE: PAYMENT FOR PHYSICIAN SERVICES.

The basic rates for hospice care represent full reimbursement to the hospice for the costs of all covered services related to the treatment of the participant's terminal illness, including the administrative and general activities performed by physicians who are employees of or working under arrangements made with the hospice. These activities would generally be performed by the physician serving as the medical director and the physician member of the hospice interdisciplinary group. Group activities include participation in the establishment of plans of care, supervision of care and services, periodic review and updating of plans of care, and establishment of governing policies. The costs for these services are included in the reimbursement rates for routine home care, continuous home care, and inpatient respite care.

01. Hospice Employed Physician Direct Patient Service. Reimbursement for a hospice employed physician's direct patient services that are not rendered by a hospice volunteer is made in accordance with the usual Idaho Medicaid reimbursement methodology for physician services. These services will be billed by the hospice under the hospice provider number and, the related payments will be counted in determining whether the overall hospice cap amount per Section 459 of these rules has been exceeded. The only physician services to be billed by a hospice for such services are direct patient care services. Laboratory and X-ray services are included in the hospice

Section 457 Page 1957

Department of Health and Welfare Medicaid Enhanced Plan Benefits daily rate. Volunteer Physician Services. Volunteer physician services are excluded from Medicaid reimbursement with the following exceptions: A hospice may be reimbursed on behalf of a volunteer physician for specific direct patient care services that are not rendered on a volunteer basis. The hospice must have a liability to reimburse the physician for those services rendered. In determining whether a service is provided on a volunteer basis, a physician must not distinguish which services are provided voluntarily on the basis of the patient's ability to pay. Reimbursement for an independent physician's direct patient services that are not rendered by a hospice volunteer is made in accordance with the usual Idaho Medicaid reimbursement methodology for physician services. These services will not be billed by the hospice under the hospice provider number and they will not be counted in determining whether the overall hospice cap amount per Section 459 of these rules has been exceeded. The only services to be billed by an attending physician are the physician's personal professional services. Costs for services such as laboratory or X-rays are not to be included on the attending physician's billed charges to the Medicaid program. The aforementioned charges are included in the daily rates paid and are expressly the responsibility of the hospice. HOSPICE: CAP ON OVERALL REIMBURSEMENT. Aggregate payments to each hospice will be limited during a hospice cap period per Subsection 451.05 of these rules. The total payments made for services furnished to Medicaid participants during this period will be compared to the "cap amount" for this period. Any payments in excess of the cap must be refunded by the hospice. Overall Cap. The overall cap will be compared to reimbursement after the inpatient limitation is computed and subtracted from total reimbursement due the hospice. Total Payment for Services. Total payment made for services furnished to Medicaid participants during this period means all payments for services rendered during the cap year, regardless of when payment is actually made. Calculation of Cap Amount. The "cap amount" is calculated by multiplying the number of participants electing certified hospice care during the period by six thousand five hundred dollars (\$6,500). This amount will be adjusted for each subsequent cap year beginning November 1, 1983, to reflect the percentage increase or decrease in the medical care expenditure category of the Consumer Price Index (CPI) for all urban consumers as published by the Bureau of Labor Statistics. It will also be adjusted as per Subsection 459.07 of these rules. Computation and Application of Cap Amount. The computation and application of the "cap amount" is made by the Department after the end of the cap period. Report Number of Medicaid Participants. The hospice must report the number of Medicaid participants electing hospice care during the period to the Department. This must be done within thirty (30) days after the end of the cap period: and If the participant is transferred to a non-certified hospice no payment to the non-certified hospice will be made and the certified hospice may count a complete participant benefit period in their cap amount. Certified in Mid-Month. If a hospice certifies in mid-month, a weighted average cap amount based on the number of days falling within each cap period would be used.

Adjustment of the Overall Cap. Cap amounts in each hospice's cap period will be adjusted to

reflect changes in the cap periods and designated hospices during a participant's election period. The proportion of each hospice's days of service to the total number of hospice days rendered to the participant during their election

period will be multiplied by the cap amount to determine each hospice's adjusted cap amount.

	SUB PART: ENHANCED DEVELOPMENTAL DISABILITY SERVICES		

500. DEVELOPMENTAL DISABILITY DETERMINATION STANDARDS.

Prior to receiving developmental disability services as provided in Sections 507 through 719 of these rules, the participant must be determined to have a developmental disability.

(Sections 500-719)

501. DEVELOPMENTAL DISABILITY DETERMINATION STANDARDS: ELIGIBILITY.

The definitions and standards in the table below must be used to determine whether a participant meets criteria as a person with a developmental disability under Section 66-402, Idaho Code.

TABLE 501 - DEVELOPMENTAL DISABILITY DETERMINATION STANDARDS			
Definition	Standards		
"Developmental Disability" means a chronic disability of a person that appears before the age of 22 years and:	Age of 22 means through the day before the individual's 22nd birthday. AND		

Section 460 Page 1959

TABLE 501 - DEVELOPMENTAL DISABILITY DETERMINATION STANDARDS			
Definition	Standards		
(a) is attributable to an impairment, such as an intellectual disability;	"Is attributable to an impairment" means that there is a causal relationship between the presence of an impairing condition and the developmental disability. Age 5 through Adult: There is a presumption that an intellectual disability exists when a full scale IQ score up to 75 exists. (IQ of 70 with a standard error of measurement of 5 points.) Birth to Age 5: An IQ test score is not required below the age of 5. In these cases it may be necessary to rely on the results of a functional assessment. There is a presumption that an intellectual disability exists when there is a standard score of 75 or below or a delay of 30% overall.		
cerebral palsy;	Medical Diagnosis that requires documentation.		
epilepsy;	Medical Diagnosis that requires documentation. On medication controlled or uncontrolled. Does not include a person who is seizure-free and not on medication for 3 years.		
autism;	Includes the diagnosis of pervasive developmental disorder.		
or other condition found to be closely related to or similar to one of these impairments that requires similar treatment or services;	For related or similar conditions, documentation must be present to show the causal relationship between the impairing condition and the developmental disability. (Does not include mental illness) Intellectual Disability: A full scale IQ score above 75 can in some circumstances be considered a related or similar condition to an intellectual disability when additional supporting documentation exists showing how the individual's functional limitations make their condition similar to an intellectual disability. Cerebral Palsy: Conditions related or similar to cerebral palsy include disorders that cause a similar disruption in motor function. Epilepsy: Conditions related or similar to epilepsy include disorders that interrupt consciousness.		
or is attributable to dyslexia resulting from such impairments; and	AND		
(b) results in substantial functional limitations in three (3) or more of the following major life activities:	"Results in" means that the substantial limitation must be because of the impairment. A "substantial" limitation is one in which the total effect of the limitation results in the need for a "combination and sequence of special interdisciplinary, or generic care, treatment or other services that need to be individually planned and coordinated." Listed below are standards for substantial functional limitations in each major life area. Age 3 through Adult: A score of 2 standard deviations below the mean creates a presumption of a functional limitation. Birth to Age 3: The following criteria must be utilized to determine a substantial functional limitations for children under 3: a. The child scores 30% below age norm; or b. The child exhibits a 6 month delay; or c. The child scores 2 standard deviations below the mean.		

Section 501 Page 1960

TABLE 501 - DEVELOPMENTAL DISABILITY DETERMINATION STANDARDS				
Definition	Standards			
self care;	Adult: A substantial functional limitation is manifest when the person requires physical or non-physical assistance in performing eating, hygiene, grooming, or health care skills, or when the time required for a person to perform these skills him/her self is so substantial as to impair their ability to conduct other activities of daily living or retain employment. Birth to Age 21: A functional limitation is manifest when the child's skills are limited according to age-appropriate responses such that the parent, caregiver, or school personnel is required to provide care that is substantially beyond that typically required for a child of the same age (such as excessive time lifting, diapering, supervision).			
receptive and expressive language;	 Age 3 through Adult: A substantial functional limitation is manifest when a person is unable to communicate effectively without the aid of a third person, a person with special skills, or without an assistive device (such as sign language). Birth to Age 3: A substantial functional limitation is manifest when they have been diagnosed by a qualified professional who determines that the child performs 30% below age norm (adjusted for prematurity up to 2 years) or demonstrates at least 2 standard deviations below the mean in either area or 1 1/2 below in both areas of language development. 			
learning;	Birth through Adult: A substantial functional limitation is manifest when cognition, retention, reasoning, visual or aural communications, or other learning processes or mechanisms are impaired to the extent that special (interventions that are beyond those that an individual normally needs to learn) intervention is required for the development of social, self care, language, academic, or vocational skills.			
mobility;	Adult: A substantial functional limitation is manifest when fine or gross motor skills are impaired to the extent that the assistance of another person or an assistive device is required for movement from place to place. Birth to Age 21: A substantial limitation would be measured by an age appropriate instrument that compares the child's skills for postural control and movement and coordinated use of the small muscles with those skills expected of children of the same age.			
self-direction;	Adult: A substantial functional limitation is manifest when a person requires assistance in managing their personal finances, protecting their self interest, or making decisions that may affect their well being. Birth to Age 21: A substantial limitation is manifest when the child is unable to help themself or cooperate with others age appropriate assistance to meet personal needs, learn new skills, follow rules, and adapt to environments.			

Section 501 Page 1961

TABLE 501 - DEVELOPMENTAL DISABILITY DETERMINATION STANDARDS		
Definition	Standards	
capacity for independent living; or	Adult: A substantial functional limitation is manifest when, for a person's own safety or well-being, supervision or assistance is required, at least on a daily basis, in the performance of health maintenance, housekeeping, budgeting, or leisure time activities and in the utilization of community resources. Birth to Age 21: A substantial limitation would be measured by an age-appropriate instrument that compares the child's personal independence and social responsibility expected of children of comparable age and cultural group.	
economic self-sufficiency; and	Adult: A substantial functional limitation is manifest when a person is unable to perform the tasks necessary for regular employment or is limited in productive capacity to the extent that their earned annual income, after extraordinary expenses occasioned by the disability, is insufficient for self-support. Age 5 to Age 21: Use the pre-vocational area of a standardized functional assessment to document a limitation in this area. Birth to Age 5: A substantial limitation in this area is evidenced by the child's eligibility for SSI, early intervention, or early childhood special education under the Individuals with Disabilities Education Act (IDEA).	
(c) reflects the needs for a combination and sequence of special, interdisciplinary or generic care, treatment or other services that are of life-long or extended duration and individually planned and coordinated.	Age 5 through Adult: Life-long or extended duration means the developmental disability is one that has the reasonable likelihood of continuing for a protracted period of time, including a reasonable likelihood that it will continue throughout life. Birth to Age 5: The expected duration may be frequently unclear. Therefore, determination of eligibility by a multi-disciplinary team for early intervention services through SSI, an IFSP, child study team or early childhood special education services through an IEP will be an indicator of this criteria.	

502. (RESERVED)

503. DEVELOPMENTAL DISABILITY DETERMINATION: TEST INSTRUMENTS.

A variety of standardized test instruments are available. Tests used to determine a developmental disability must reflect the current functional status of the individual being evaluated. Tests over one (1) year old must be verified to reflect the current status of the individual by an appropriate professional. Instruments designed only for screening purposes must not be used to determine eligibility.

- **01. Test Instruments For Adults.** A Department-approved assessment tool for conducting cognitive and functional assessments must be used to determine eligibility. ()
- **O2.** Test Instruments for Children. The assessments utilized to determine eligibility must be based on age appropriate criteria. Evaluations must be performed by qualified personnel with experience and expertise with children; selected evaluation tools and practices should be age appropriate, based on consideration of the child's language and motor skills. A Department-approved assessment tool for conducting cognitive and functional assessments must be used with children.

Section 514 Page 1969

individualized budget for each participant according to an individualized measurement of the participant's functional abilities, behavioral limitations, and medical needs, related to the participant's disability. Using these specific participant factors, the budget-setting methodology will correlate a participant's characteristics with the participant's individualized budget amount, so participants with higher needs will be assigned a higher individualized budget amount.

- **a.** The Department notifies each participant of their set budget amount as part of the eligibility determination process or annual redetermination process. The notification will include how the participant may appeal the set budget amount.
- **b.** Individualized budgets will be re-evaluated annually. At the request of the participant, the Department will also re-evaluate the set budget amount when there are documented changes in the participant's condition resulting in a need for services that meet medical necessity criteria, and this is not reflected on the current inventory of individual needs.
- **O2.** Residential Habilitation Supported Living Acuity-Based Levels of Support. Reimbursement for residential habilitation supported living is based on the participant's assessed level of support need. All plans of service that include supported living must include community integration goals that provide for maintained or enhanced independence, quality of life, and self-determination. As a participant's independence increases and they are less dependent on supports, they must transition to less intense supports.
- a. High support is for those participants who require twenty-four (24) hour per day supports and supervision as determined by a Department-approved assessment tool. High support allows for a blend of one-to-one and group staffing. Participants authorized at the high support daily rate will not be authorized to receive developmental therapy services, adult day care, or non-medical transportation. These services are included in the high support daily rate.
- b. Intense support is for those exceptional participants who require intense, twenty-four (24) hour per day supports and supervision. This support level typically requires one-on-one staffing, but requests for a blend of one-on-one and group staffing will be reviewed on a case-by-case basis. Participants authorized at the intense support daily rate will not be authorized to receive developmental therapy services, adult day care, or non-medical transportation. These services are included in the intense support daily rate. To qualify for this level of support, participants must be evaluated to meet one or more of the following criteria:
- i. Recent felony convictions or charges for offenses related to the serious injury or harm of another person. These participants must have been placed in a supported living setting directly from incarceration or directly after being diverted from incarceration.
- ii. History of predatory sexual offenses and are at high risk to re-offend based on a sexual offender risk assessment completed by an appropriate professional.
- iii. Documented, sustained history of serious aggressive behavior showing a pattern of causing harm to themselves or others. The serious aggressive behavior must be such that the threat or use of force on another person makes that person reasonably fear bodily harm. The participant must also have the capability to carry out such a threat. The frequency and intensity of this type of aggressive behavior must require continuous monitoring to prevent injury to themselves or others.
- iv. Chronic or acute medical conditions that are so complex or unstable that one-to-one staffing is required to provide frequent interventions and constant monitoring. Without this intervention and monitoring the participant would require placement in a nursing facility, hospital, or ICF/ID with twenty-four (24) hour on-site nursing. Verification of the complex medical condition and the need for this level of service requires medical documentation.
- c. Hourly support is for those individuals that do not meet criteria for either high or intense supports or those individuals who qualify for a daily rate but whose needs can be met with less than twenty-four (24) per day support. The combination of hourly supported living, developmental therapy, community supported employment, and adult day care will not be authorized to exceed the maximum set daily amount established by the Department except

necessary, services continue to be the choice of the participant, services support participant integration, and services constitute appropriate care to warrant continued authorization or need for the service.

05. Abuse, Fraud, or Substandard Care. Reviewers finding suspected abuse, fraud, or substandard care must refer their findings for investigation to the Department and other regulatory or law enforcement agencies for investigation.

516. -- 519. (RESERVED)

SUB-PART: CHILDREN'S DEVELOPMENTAL DISABILITIES (DD) HOME AND COMMUNITY-BASED SERVICES (HCBS) STATE PLAN OPTION (Sections 520-528)

520. CHILDREN'S DD HCBS STATE PLAN OPTION.

In accordance with Section 1915(i) of the Social Security Act, the Department will pay for home and community-based services provided by individuals or agencies that have entered into a provider agreement with the Department.

521. CHILDREN'S DD HCBS STATE PLAN OPTION: DEFINITIONS.

For the purposes of Sections 520 through 528 of these rules, the following terms are used as defined below.

01. Annual. Every three hundred sixty-five (365) days, except during a leap year which equals three hundred sixty-six (366) days.

02. Community. Natural, integrated environments outside of the participant's home, outside of DDA center-based settings, or at school outside of school hours.

03. Developmental Disabilities Agency (DDA).

a. A type of developmental disabilities facility, as defined in Section 39-4604, Idaho Code, that is non-residential and provides services on an outpatient basis;

b. Certified by the Department to provide services to participants with developmental disabilities; and

c. A business entity, open for business to the general public.

04. Family-Centered Planning Process. A participant-focused planning process directed by the participant or the participant's decision-making authority and facilitated by the paid or non-paid plan developer. The family-centered planning team discusses the participant's strengths, needs, and preferences, including the participant's safety and the safety of those around the participant. This discussion helps the participant or the participant's decision-making authority make informed choices about the services and supports included on the plan of service.

05. Family-Centered Planning Team. The planning group who helps inform the participant about available services to develop the participant's plan of service. This group includes, at a minimum, the participant, the participant's decision-making authority, and the plan developer. The family-centered planning team must include people chosen by the participant and the family.

06. HCBS State Plan Option. The federal authority under Section 1915(i) of the Social Security Act that allows a state to provide through a state plan amendment, medical assistance for home and community-based services for elderly and participants with disabilities who without the provision of services the participants would require institutional level of care.

07. Integration. The process of promoting a lifestyle for participants with developmental disabilities that is as much as possible like that of other citizens of the community, including living in the community and having

Section 520 Page 1972

services, any barriers to services, and any necessary changes to the plan of service.

prior authorization by the Department. The Department will distribute the addendum to the providers involved in the addendum's implementation. Upon receipt by the provider, the addendum must be reviewed, signed, and returned to the Department, with a copy maintained in the participant's record. Annual Reauthorization of Services. A participant's plan of service must be reauthorized annually. The Department must review and authorize the new plan of service prior to the expiration of the current plan. Annual Eligibility Determination Results. An annual determination must be completed in accordance with Section 522 of these rules. Adjustments to the Annual Budget and Services. The annual budget may be adjusted when there are documented changes that may support placement in a different budget category as identified in Section 522 of these rules. Services may be adjusted at any time during the plan year. Reapplication After a Lapse in Service. For participants who are re-applying for service, the assessor must evaluate whether assessments are current and accurately describe the status of the participant. CHILDREN'S DD HCBS STATE PLAN OPTION: PROCEDURAL REQUIREMENTS. 525. **Requirements for Prior Authorization**. Prior authorization is to ensure the provision of the right care, in the right place, at the right price, and with the right outcomes in order to enhance health and safety, and to promote participants' rights, self-determination, and independence. Prior authorization is intended to help ensure the provision of necessary and appropriate services and supports. Services are reimbursable if they are identified on the authorized plan of service and are consistent with rules for HCBS as described in Sections 310 through 313 and 316 and 317 of these rules, and for the specific services included on the plan. Delivery of each service identified on the plan of service cannot be initiated until the plan has been signed by the parent or participant's decision-making authority, the provider responsible for service provision, and has been authorized by the Department. Requirements for Supervision. All children's DD HCBS provided by a DDA or independent provider must be supervised. The supervisor must meet the intervention specialist or professional qualifications as outlined in IDAPA 16.03.09, "Medicaid Basic Plan Benefits," Section 575, "Children's Habilitation Intervention Services." The observation and review of the direct services must be performed by all staff on at least a monthly basis, or more often as necessary, to ensure staff demonstrate the necessary skills to correctly provide the services as defined in this rule set. Requirements for Quality Assurance. Providers of DD HCBS state plan option must demonstrate high quality of services through an internal quality assurance review process. General Requirements for Program Documentation. The provider must maintain records for each participant served. Program documentation must be maintained by the independent provider or DDA in accordance with IDAPA 16.05.07, "Investigation and Enforcement of Fraud, Abuse, and Misconduct," Section 101. Failure to maintain such documentation will result in the recoupment of funds paid for undocumented services. For each participant, the following program documentation is required: Date and time of visit; b. Support services provided during the visit; A summary of session or services provided; c. d. Length of visit, including time in and time out;

Section 585 Page 1984

included in the content of care of ICFs/ID. The specialized wheelchairs and seating systems must be designed to fit the needs of a specific ICF/ID resident and cannot be altered to fit another participant cost effectively. ICF/ID: PROCEDURAL RESPONSIBILITIES. Each long term care facility administrator, or their authorized representative, must report to the appropriate Field Office within three (3) working days of the date the facility has knowledge of the following. Readmissions or Discharges. Any readmission or discharge of a participant, and any temporary absence of a participant due to hospitalization or therapeutic home visit. 02. Changes to Participant's Income. Any changes in the amount of a participant's income. 03. Participant's Account Exceeds Limitations. When a participant's account has exceed the following amount; For a single individual, one thousand eight hundred dollars (\$1,800); or a. b. For a married couple, two thousand eight hundred dollars (\$2,800). Other Financial Information for Participant. Other information about a participant's finances that may potentially affect eligibility for medical assistance. Annual Recertification Requirement. It is the responsibility of the ICF/ID to assure that the recertification is accomplished by the physician, physician's assistant or nurse practitioner no later than every three hundred sixty-five (365) days. Should the Medicaid Program receive a financial penalty from the Department of Health and Human Services due to the lack of appropriate recertification on the part of an ICF/ID, then such amount of money will be withheld from facility payments for services provided to Medicaid participants. For audit purposes, such financial losses are not reimbursable as a reasonable cost of participant care. Such losses cannot be made the financial responsibility of the Department's participant. Persons living in an ICF/ID will be transitioned to a less restrictive environment within thirty (30) days of the determination that the participant does not meet ICF/ID level of care. Level of Care Change. If during an on-site review of a resident's medical record and an interview 06. with or observation of the resident an IOC/UC reviewer determines there is a change in the resident's status and the resident no longer meets criteria for ICF/ID care, the tentative decision is: Discussed with the facility administrator or the director of nursing services; a. The resident's physician is notified of the tentative decision; The case is submitted to the Regional Review Committee for a final decision; and c. The effective date of loss of payment will be no earlier than ten (10) days following the date of mailing of notice to the participant by the Eligibility Examiner.

A verification of a participant's appropriateness of placement or services; and

Direct care staff in an apployees whose primary duties include the provision of hands-on, face-to-face contact we facility. This includes both regular and live-in/sleep-over staff. It excludes professionals	ICF/II with th	D ne

Section 587 Page 1986

psychologists, nurses, and others whose primary job duties are not the provision of direct care, as well as managers/supervisors who are responsible for the supervision of staff.

- **O4. Direct Care Staffing Levels.** The reasonable level of direct care staffing provided to a participant in an ICF/ID setting will be dependent upon the level of involvement and the need for services and supports of the participant as determined by the Department. Level of involvement relates to the severity of a participant's intellectual disability. Those levels, in decreasing level of severity, are: profound, severe, moderate, and mild. Staffing levels will be subject to the following constraints:
- **a.** Direct care staffing for a severely and profoundly intellectually disabled participant residing in an ICF/ID must be a maximum of sixty-eight point twenty five (68.25) hours per week.
- **b.** Direct care staffing for a moderately intellectually disabled participant residing in an ICF/ID must be limited to a maximum of fifty-four point six (54.6) hours per week.
- **c.** Direct care staffing for a mildly intellectually disabled participant residing in an ICF/ID must be limited to a maximum of thirty four point one two five (34.125) hours per week.
- **05. Direct Care Staff Hours.** The annual sum total level of allowable direct care staff hours for each residential living unit will be determined in the aggregate as the sum total of the level of staffing allowable for each resident residing in that residential living unit as determined in Subsection 587.04 of these rules.
- **96. Phase-In Period.** If enactment of Subsection 587.04 of these rules requires a facility to reduce its level of direct care staffing, a six (6) month phase-in period will be allowed from the date of the enactment of this section, without any resulting disallowances. Should disallowances result, the hourly rate of direct care staff used in determining disallowances will be the weighted average of the hourly rates paid to a facility's direct care staff, plus the associated benefits, at the end of the phase-in period.
- **O7. Exceptions**. Should a provider be able to show convincing evidence documenting that the annual aggregate direct care hours as allowed under this section will compromise their ability to supply adequate care to the participants, as required by federal regulations and state rules, within an ICF/ID residential living unit and that other less costly options would not alleviate the situation, the Department will approve an additional amount of direct care hours sufficient to meet the extraordinary needs. This adjustment will only be available up through September 30, 1996.

588. ICF/ID: PROVIDER REIMBURSEMENT.

- **01. Payment Methodology**. ICF/ID facilities will be reimbursed in accordance with the methodology listed in Sections 588 through 633 of these rules.
- **O2. Date of Discharge**. Payment by the Department for the cost of ICF/ID care is to include the date of the participant's discharge only if the discharge occurred after 3 p.m. and is not discharged to a related provider. If a Medicaid patient dies in an ICF/ID, their date of death is covered regardless of the time of occurrence. If an admission and a discharge occur on the same date, then one (1) day of care will be deemed to exist.

589. ICF/ID: REASONABLE COST PRINCIPLES.

To be allowable, costs must be reasonable, ordinary, necessary and related to patient care. It will be expected that providers will incur costs in such a manner that economical and efficient delivery of quality health care to beneficiaries will result.

01. Application of Reasonable Cost Principles.

- a. Reasonable costs of any services are determined in accordance with rules found in the Provider Reimbursement Manual (PRM), Sections 100 through 2600, as modified by the exceptions contained herein, is used to identify cost items to be included on Idaho's Uniform Cost Report.
 - i. Reasonable cost takes into account both direct and indirect costs of providers of services, including

Section 588 Page 1987

normal standby costs.)
-----------------------	--	---

- ii. The objectives of these methods are that: first, the costs with respect to individuals covered by the program will not be borne by others not so covered. Second, the costs with respect to individuals not covered will not be paid by the program.
- **b.** Costs may vary from one institution to another because of a variety of factors. It is the intent of the program that providers will be reimbursed the actual operating costs of providing high quality care, unless such costs exceed the applicable maximum base rate developed pursuant to provisions of Title 56, Chapter 1, Idaho Code, or are unallowable by application of promulgated regulation.
- **c.** Implicit in the intention that actual operating costs be paid to the extent they are reasonable is the expectation that the provider seeks to minimize its costs and that its actual operating costs do not exceed what a prudent and cost-conscious buyer pays for a given item or service.
- **d.** If costs are determined to exceed the level that such buyers incur, in the absence of clear evidence that the higher costs were unavoidable, the excess costs are not reimbursable.
- **O2.** Costs Related to Patient Care. These include all necessary and proper costs in developing and maintaining the operation of patient care facilities. Necessary and proper costs related to patient care are usually costs that are common and accepted occurrences in the field of the provider's activity. They include costs such as depreciation, interest expense, nursing costs, maintenance costs, administrative costs, costs of employee pension plans, normal standby costs, and others.
- **O3.** Costs Not Related to Patient Care. Costs not related to patient care are costs that are not appropriate or necessary and proper in developing and maintaining the operation of patient care facilities and activities. Such costs are not allowable in computing reimbursable costs.
- **04. Form and Substance**. Substance of transactions will prevail over the form. Financial transactions will be disallowed to the extent that the substance of the transaction fails to meet reasonable cost principles or comply with rules and policy.

590. ICF/ID: ALLOWABLE COSTS.

The following definitions and explanations apply to allowable costs:

- **01. Accounts Collection**. The costs related to the collection of past due program related accounts, such as legal and bill collection fees, are allowable.
- **O2. Auto and Travel Expense**. Maintenance and operating costs of a vehicle used for patient care purposes and travel expense related to patient care are reimbursable. The allowance for mileage reimbursement cannot exceed the amount determined reasonable by the Internal Revenue Service for the period being reported. Meal reimbursement is limited to the amount that would be allowed by the state for a state employee.
- **03. Bad Debts**. Payments for efforts to collect past due Title XIX and Title XXI accounts are reimbursable. This may include the fees for lawyers and collection agencies. Other allowances for bad debt and bad debt write-off are not allowable. However, Title XIX and Title XXI coinsurance amounts are one hundred percent (100%) reimbursable as provided in PRM, Section 300.
- **04. Bank and Finance Charges**. Charges for routine maintenance of accounts are allowable. Penalties for late payments, overdrafts, etc., are not allowable.
- **O5.** Compensation of Owners. An owner may receive reasonable compensation for services subject to the limitations in this chapter, to the extent the services are actually performed, documented, reasonable, ordinary, necessary, and related to patient care. Allowable compensation cannot exceed the amount necessary to attract assistance from parties not related to the owner to perform the same services. The nature and extent of services must be supported by adequate documentation including hours performing the services. Where an average industry wide rate for a particular function can be determined, reported allowable owner compensation cannot exceed the average

Section 590 Page 1988

T	ate 'he

facility, as determined by departmental inquiry directly to various consultants. Costs in excess of the lowest rate available will be disallowed effective thirty (30) days after a facility is notified, unless the provider shows by clear

Page 1990 Section 591

and convincing evidence it would have been unable to comply with state and federal standards had the lowest rate consultant been retained or that it tried to but was unable to retain the lowest rate consultant. This subsection in no way limits the Department's ability to disallow excessive consultant costs under other sections of this chapter, such as Section 589 or 595 of these rules, when applicable.

05. Fees. Franchise fees are nonallowable, see PRM, Section 2133.1. 06. Fund Raising. Certain fund raising expenses are nonallowable, see PRM, Section 2136.2. 07. Goodwill. Costs associated with goodwill as defined in Section 011 of these rules are nonallowable. Holding Companies. All home office costs associated with holding companies are nonallowable see PRM, Section 2150.2A. 09. **Interest**. Interest to finance nonallowable costs are nonallowable.) Medicare Costs. All costs of Medicare Part A or Part B services incurred by Medicare certified 10. facilities, including the overhead costs relating to these services are nonallowable. Nonpatient Care Related Activities. All activities not related to patient care are nonallowable. 11. 12. Organization. Organization costs are nonallowable, see PRM, Section 2134. 13. Pharmacist Salaries. Salaries and wages of pharmacists are nonallowable. 14. **Prescription Drugs**. Prescription drug costs are nonallowable. Related Party Interest. Interest on related party loans are nonallowable, see PRM, Sections 218.1 15. and 218.2. Related Party Nonallowable Costs. All costs nonallowable to providers are nonallowable to a 16. related party, whether or not they are allocated. Related Party Refunds, All refunds, allowances, and terms, will be deemed to be allocable to the members of related organizations, on the basis of their participation in the related purchases, costs, etc. Self-Employment Taxes. Self-employment taxes, as defined by the Internal Revenue Service, that apply to facility owners are nonallowable. **Telephone Book Advertising.** Telephone book advertising costs in excess of the base charge for a quarter column advertisement for each telephone book advertised in are nonallowable. Vending Machines. Costs of vending machines and cost of the product to stock the machine are 20. nonallowable costs.

ICF/ID: HOME OFFICE COST PRINCIPLES.

The reasonable cost principles will extend to the home office costs allocated to individual providers. In addition, the home office, through the provider, will provide documentation as to the basis used to allocate its costs among the various entities it administers or otherwise directs.

593. ICF/ID: RELATED PARTY TRANSACTIONS.

Principle. Costs applicable to services, facilities and supplies furnished to the provider by organizations or persons related to the provider by common ownership, control, etc., are allowable at the cost to the

Page 1991 Section 592

IDAPA 16.03.10 Medicaid Enhanced Plan Benefits

related party. Such costs are allowable to the extent that they relate to patient care, are reasonable, ordinary, and necessary, and are not in excess of those costs incurred by a prudent cost-conscious buyer.

O2. Cost Allowability - Regulation. Allowability of costs is subject to the regulations prescribing the treatment of specific items as outlined in 42 CFR 413.17, et al, and the Providers Reimbursement Manual, PRM Chapter 10 and other applicable chapters of the PRM.

594.	ICF/ID:	APPLICATION OF RELATED PARTY TRANSACTIONS.

non-owners. (

More Than One Owner or Related Party May Receive Compensation for Hours Actually Worked. Services must be actually performed, documented and necessary. Total compensation must be reasonable, and not greater than the amount for which the same services could be obtained on the open market. The standard by which full time compensation is measured will be two thousand eighty (2,080) hours. Compensation of an owner or a party related to an owner is subject to other provisions of this chapter, and will not exceed the compensation determined from the Administrative Compensation Schedule, and, on an hourly basis, will not exceed the compensation determined in the Administrative Compensation Schedule divided by two thousand eighty (2,080).

598. -- 599. (RESERVED)

600. ICF/ID: OCCUPANCY ADJUSTMENT FACTOR.

In order to equitably allocate fixed costs to the Medicaid patients in cases where a facility is not maintaining reasonable occupancy levels, an adjustment will be made. No occupancy adjustment will be made against the costs that are used to calculate the property rental rate; however adjustment will be made against all other property costs. The adjustment will be made as follows:

- 01. Occupancy Levels. If a facility maintains an average occupancy of less than eighty percent (80%) of a facility's capacity, the total property costs not including cost paid under the property rental rate, will be prorated based upon an eighty percent (80%) occupancy rate. Property costs and property rental rates are defined in Section 013 of these rules. The facility's average occupancy percentage will be subtracted from eighty percent (80%) and the resultant percentage will be taken times the total fixed costs to determine the nonallowable fixed costs.
- **Occupancy Adjustment.** For purposes of an occupancy adjustment, facility capacity will be computed based upon the greater of the largest number of beds for which the facility was licensed during the period being reported on or the largest number of beds for which the facility was licensed during calendar year 1981, except where a portion of the facility has been converted to use for nonroutine nursing home activities or the facility is newly constructed and has entered the Medicaid Program subsequent to January 1, 1982. If the facility's designed capacity has been changed, the number of beds used to determine occupancy will be lowered by the amount of capacity being converted to nonroutine nursing home activities. Facility capacity for a new facility will be based on the number of beds approved by the certificate of need process less any capacity converted to nonroutine nursing home activities.
- **03. Fixed Costs**. For purposes of an occupancy adjustment fixed costs will be considered all allowable and reimbursable costs reported under the property cost categories.
- **04.** Change in Designed Capacity. In cases where a provider changes the designed capacity of a facility, the average occupancy for the period prior to the change and subsequent to the change will be computed and each period will be adjusted separately. If the designed capacity is increased, the increased number of beds will not be subject to this adjustment for the first six (6) months following their licensure.
- **05. New Facility**. In the case of a new facility being licensed and occupied, the first six (6) months occupancy level will not be subject to this adjustment.

601. ICF/ID: RECAPTURE OF DEPRECIATION.

Where depreciable assets that were reimbursed based on cost and were used in the Medicaid Program by a facility subsequent to January 1, 1982, and for which depreciation has been reimbursed by the Program, are sold for an amount in excess of their net book value, depreciation so reimbursed will be recaptured from the buyer of the facility in an amount equal to reimbursed depreciation after January 1, 1982, or gain on the sale, whichever is less. ()

O1. Amount Recaptured. Depreciation will be recaptured in full if a sale of a depreciated facility takes place within the first five (5) years of a seller's ownership. Credit will be given for the period of ownership prior to January 1, 1982. For every year the asset is held beyond the first five (5) years, the total depreciation recaptured will be reduced by ten percent (10%) per year of the total depreciation taken.

Section 600 Page 1994

facility total an	02. over a per nount bein	Time Frame . Depreciation will be recaptured by the Medicaid Program from the buyer riod of time not to exceed five (5) years from the date of sale, with not less than one-fifth (1/5 ag recaptured for each year after such date.		
602. The obj		REPORTING SYSTEM. the reporting requirements is to provide a uniform system of periodic reports that will allow:	()
	01.	Basis for Reimbursement . A basis of provider reimbursement approximating actual costs.	()

	04.	Criteria. Criteria for evaluating policies and procedures.	()
603. The pro		REPORTING SYSTEM PRINCIPLE AND APPLICATION. be required to file mandatory annual cost reports.	()
	01.	Cost Report Requirements. The fiscal year end cost report filing must include:	()
	a.	Annual income statement (two (2) copies);	()
	b.	Balance sheet;	()
	c.	Statement of ownership;	()
	d.	Schedule of patient days;	()
	e.	Schedule of private patient charges;	()
	f.	Statement of additional charges to residents over and above usual monthly rate; and	()
	g.	Other schedules, statements, and documents as requested.	()
the circ	02. umstance.	Special Reports. Special reports may be required. Specific instructions will be issued, base	ed up (on)
	03.	Criteria of Reports. All reports must meet the following criteria:	()
	a.	State-approved formats are used.	()
	b.	Presented on accrual basis.	()
reimbu	c.	Prepared in accordance with generally accepted accounting principles and princip	oles (of)
	d.	Appropriate detail is provided on supporting schedules or as requested.	()
public a	04.	Preparer . It is not required that any statement be prepared by an independent, licensed or c t.	ertifî (ied)

05. Reporting by Chain Organizations or Related Party Providers. PRM, Section 2141.7, prohibits the filing of combined or consolidated cost reports as a basis for cost reimbursement. Each facility so related must file a separate set of reports. These cost reports will be required for each level of organization that allocates expenses to

Section 602 Page 1995

the change in management or ownership.

IDAPA 16.03.10 Medicaid Enhanced Plan Benefits

the provider. Consolidated financial statements will be considered supplementary information and are not account	eptabl	e			
as fulfilling the primary reporting requirements.					
06. Change of Management or Ownership. To properly pay separate entities or individuals	when	a			
change of management or ownership occurs, the following requirements will be met:	()			

- a. Outgoing management or administration will file an adjusted-period cost report if it is necessary. This report will meet the criteria for annual cost reports, except that it will be filed not later than sixty (60) days after
 - **b.** The Department may require an appraisal at the time of a change in ownership. ()
- **Reporting Period**. When required for establishing rates, new ICF/ID providers will be required to submit cost projections for the first year of operations. Thereafter, the normal reporting period coincides with the provider's standard fiscal year. If a provider withdraws from the program and subsequently re-enters, the new provider reporting requirements will apply.

604. (RESERVED)

605. ICF/ID: FILING DATES.

- **01. Deadlines.** Deadlines for annual cost reports will be the last day of the third month following the fiscal year end or the deadline imposed by Medicare if the provider is required to file a Medicare cost report.
- **02. Waivers.** A delay of thirty (30) days may be granted for annual cost reports in unusual circumstances. Requests for such deferrals and reasons therefore must be in writing and should be made prior to the deadline. A written decision will be rendered in writing within ten (10) days.

606. ICF/ID: FAILURE TO FILE.

Failure to submit timely reports may result in a reduction in the interim rate. Failure to file the required cost reports, including required supplemental information, unless a waiver is granted, may result in a reduction of ten percent (10%) in the provider's interim rate(s) the first day of the month following the deadline date. Continued failure to comply will result in complete payment suspension on the first day of the following month. When suspension or reduction has occurred and the provider has filed the required cost reports, amounts accruing to the provider during the period of suspension or reduction will be restored. Loss of license or certification will result in immediate termination of reimbursement, full scope audit and settlement for the cost period.

607. ICF/ID: ACCOUNTING SYSTEM.

Reports must be filed using the accrual basis and conform with generally accepted accounting principles or within provisions of the guidelines as specified. In any case, the recorded transaction must be capable of verification by Departmental audit.

608. -- 609. (RESERVED)

610. ICF/ID: AUDITS.

All financial reports are subject to audit by Departmental representatives.

- **01.** Accuracy of Recording. To determine whether the transactions recorded in the books of record are substantially accurate and reliable as a basis for determining reasonable costs.
- **02.** Reliability of Internal Control. To determine that the facilities internal control is sufficiently reliable to disclose the results of the to the provider's operations.
- **03. Economy and Efficiency.** To determine if Title XIX and Title XXI participants have received the required care on the a basis of economy and efficiency.

615. ICF/ID: POST-ELIGIBILITY TREATMENT OF INCOME.

- **01. Treatment of Income**. Where an individual is determined eligible for medical assistance participation in the cost of their long term care, the Department will reduce its payment to the long term care facility by the amount of their income considered available to meet the cost of his care. This determination is made in accordance IDAPA 16.03.05, "Eligibility for Aid for the Aged, Blind, and Disabled (AABD)," Sections 721 through 725.
- **O2. SSA Income**. The amount that the Participant receives from SSA as reimbursement for their payment of the premium for Part B of Title XVIII (Medicare) is not considered income for participant liability in accordance with IDAPA 16.03.05, "Eligibility for Aid for the Aged, Blind, and Disabled (AABD)."

616. -- 619. (RESERVED)

620. ICF/ID: PAYMENTS FOR PERIODS OF TEMPORARY ABSENCE.

Payments may be made for reserving beds in ICFs/ID for participants during their temporary absence if the facility charges private paying participants for reserve bed days, subject to the following limitations:

- **01. Prior Approval for Absence**. Therapeutic home visits for ICF/ID residents of up to thirty-six (36) days per calendar year so long as the days are part of a written treatment plan ordered by the attending physician. Prior approval from the BLTC must be obtained for any home visits exceeding fourteen (14) consecutive days.
 - **02. Limits on Amount of Payments.** Payment for reserve bed days will be lesser of the following:
 - a. One hundred percent (100%) of the audited allowable costs of the facility; or
 - **b.** The rate charged to private paying participants for reserve bed days. ()

621. ICF/ID: PAYMENT PROCEDURES.

Each ICF/ID must submit its claims to the Department in accordance with the procedures established by the Department. The Department will not pay for a claim in behalf of a Participant unless the information on the claim is consistent with the information in the Department's computer eligibility file.

622. ICF/ID: PRINCIPLE PROSPECTIVE RATES.

Providers of ICF/ID facilities will be paid a per diem rate that, with certain exceptions, is not subject to an audit settlement. The per diem rate for a fiscal period will be based on audited historical costs adjusted for inflation. The provider must report these cost items in accordance with other provisions of this chapter or the applicable provisions of PRM consistent with this chapter. Sections 622 through 628 of these rules provide procedures and specifications necessary to implement the provisions and accomplish the objectives of the payment system for ICF/ID providers. Total payment will include the following components: Property reimbursement, capped costs, exempt costs, and excluded costs. Except as otherwise provided in this section, rates calculated for state fiscal year 2012 (July 1, 2011 through June 30, 2012) will be calculated by using finalized cost reports ended in calendar year 2009 with no cost or cost limit adjustments for inflation to the rate period of July 1, 2011, through June 30, 2012. Rates effective July 1, 2012, and every July 1 thereafter, will be calculated by using audited cost reports ended in the calendar year two (2) years prior to each July 1 (July 1, 2012, rates will use cost reports ended in calendar year 2010 and so forth), with no cost or cost limit adjustments for inflation.

623. ICF/ID: PROPERTY REIMBURSEMENT.

Beginning October 1, 1996, ICF/ID property costs are reimbursed by a rental rate or based on cost. The following will be reimbursed based on cost as determined by the provisions of this chapter and applicable provisions of PRM to the extent not inconsistent with this chapter: ICF/ID living unit property taxes, ICF/ID living unit property insurance, and major movable equipment not related to home office or day treatment services. Reimbursement of other property

Section 615 Page 2002

costs is included in the property rental rate. Any property cost related to home offices and day treatment services are not considered property costs and will not be reported in the property cost portion of the cost report. These costs will be reported in the home office and day treatment section of the cost report. Property costs, including costs that are reimbursed based on a rental rate, will be reported in the property cost portion of the cost report. The Department may require and utilize an appraisal to establish those components of property costs that are identified as an integral part of an appraisal. Property costs include the following components:

01.	01. Depreciation . Allowable depreciation based on straight line depreciation.		
02. working capita	Interest . All allowable interest expense that relates to financing depreciable assets. I loans is not a property cost and is subject to the cap.	Interest (on)
03. compensation	Property Insurance . All allowable property insurance. Malpractice insurance, and other employee-related insurances are not property costs.	workmen	n's

- **04.** Lease Payments. All allowable lease or rental payments. ()
- **05. Property Taxes**. All allowable property taxes. ()
- **06.** Costs of Related Party Leases. Costs of related party leases are to be reported in the property cost categories based on the owner's costs.

624. ICF/ID: CAPPED COST.

Beginning October 1, 1996, this cost area includes all allowable costs except those specifically identified as property costs in Section 623 of these rules and exempt costs or excluded costs in Section 627 or 628 of these rules. This Section defines items and procedures to be followed in determining allowable and exempt costs and provides the procedures for extracting cost data from historical cost reports, applying a cost forecasting market basket to project cost forward, procedures to be followed to project costs forward, and procedures for computing the median of the range of costs and the ICF/ID cap.

- 01. Costs Subject to the Cap. Items subject to the cap include all allowable costs except property costs identified in Section 623 of these rules and exempt costs or excluded costs identified in Section 627 or 628 of these rules. Property costs related to a home office are administrative costs, will not be reported as property costs, and are subject to the cap.
- **O2. Per Diem Costs.** Costs to be included in this category will be divided by the total participant days for the facility for the cost reporting period to arrive at allowable per diem costs. If costs for services provided some or all non-Medicaid residents are not included in the total costs submitted, the provider must determine the costs and combine them with the submitted costs in order that a total per diem cost for that facility can be determined both for both the purposes of determining the ICF/ID cap and of computing final reimbursement.
- 03. Cost Data to Determine the Cap. Cost data to be used to determine the cap for ICF/ID facilities will be taken from each provider's most recent final cost report available sixty (60) days before the beginning of the period for which the cap is being set. Cost reports are final when the final audit report is issued, or earlier if the Department informs the facility the report is final for rate setting purposes. The selected final cost report will be used to establish the facility's prospective reimbursement rate. However, the final cost reports covering a period of less than twelve (12) months will be included in the data for determining the cap at the option of the Department.

04. Projection. Per diem allowable costs will be inflated forward using a cost forecasting market basket and forecasting indices according to the same table as used for free standing facilities.

- **a.** The projection method used in Section 624 of these rules to set the cap will also be used to set non property portions of the prospective rate that are not subject to the cap.
- **b.** Forecasting indices as developed by Data Resources, Incorporated, will be used unless they are unavailable. In such case, indices supplied by some other nationally recognized forecaster will be used. ()

Section 624 Page 2003

	05 .	Costs That Can be Paid Directly by the Department to Non ICF/ID	Providers. C	Costs that	can
be paid	directly	by the Department to non ICF/ID providers are excluded from the ICF/ID	prospective ra	ates and I	ICF/
ID cap:				()

- **a.** Direct physician care costs. Physicians who provide these services must bill the Medicaid program directly using their own provider numbers.
- **b.** Costs of services covered under the Early and Periodic Screening Diagnosis and Treatment (EPSDT) portion of the Medicaid Program. Items such as eyeglasses and hearing aids are covered under IDAPA 16.03.09, "Medicaid Basic Plan Benefits." The cost of these services is not included as a part of ICF/ID costs. Reimbursement can be made to a professional providing these services through their billing the Medicaid Program on their own provider number.
- c. Costs of services covered by other parts of the Medicaid Program. Examples of these items include legend drugs and ambulance transportation. These items must be billed to the Medicaid Program directly by the provider using their own provider number.
- **06. Cost Projection**. Allowable per diem costs will be projected forward from the midpoint of the Base Period to the midpoint of the Target Period. "Base Period" is defined as the last available final cost report period. "Target Period" is defined as the effective period of the prospective rate. Procedures for inflating these costs are as follows:
- a. The percentage change for each cost category in the market basket will be computed from the beginning to the end of the Base Period. These percentages will then be divided by two (2) and the resultant percentages will be used to project forward allowable per diem costs for each cost category from the midpoint to the end of the Base Period.
- b. The percentage change for each cost category in the market basket will be computed for the period from the end of the Base Period to the beginning of the Target Period. These percentages will then be used to project forward the allowable per diem costs for each cost category, as determined in Subsection 624.06.a. of these rules, from the end of the Base Period to the beginning of the Target Period.
- c. The percentage change for each cost category in the market basket will be computed for the beginning to the end of the Target Period. These percentages will then be divided by two (2) and the resultant percentages will be used to project forward the allowable per diem costs as determined in Subsection 624.06.b. of these rules from the beginning to the midpoint of the Target Period.
- **O7. Cost Ranking.** Prior to October 1st of each year the Director will determine the that percent above the median that will assure aggregate payments to ICF/ID providers will approximate but not exceed amounts that would be incurred using Medicare cost principles of reimbursement. That percentage will apply to caps and rates set after September 30th of each year. Projected per diem costs as determined in this section and subject to the cap will be ranked from the highest to the lowest. The cap will be set at a percent of the bed-weighted median for each rate period. The initial cap will be set as of October 1, 1996.
- **a.** The median of the range will be computed based on the available data points being considered as the total population of data points.
- **b.** The cap for each ICF/ID facility with a fiscal year beginning October 1, 1996, will be computed prior to the beginning of that year. For those facilities with a fiscal year ending on a date other than September 30th, the first cap will be computed for the period beginning October 1, 1996, and ending on the fiscal year end date.
- **c.** Facilities with cost reports that transcend the period from October 1, 1996, through September 30, 1997, will be retrospectively settled using the previous reimbursement system for the period of the report up to September 30, 1996. There will not be a retrospective settlement on the portion of these cost reports attributed to October 1, 1996 through the end of the cost report period unless provisions of Section 626 of these rules apply.

Section 624 Page 2004

IDAPA 16.03.10 Medicaid Enhanced Plan Benefits

$(\hspace{1cm})$
d. Cost reports for periods beginning on or after October 1, 1996, will not be subject to retrospective settlement except as required by other provisions of this chapter.
e. A new cap and rate will be set on an annual basis for each facility the first of July every year.
f. The cap and prospective rate will be determined and set on an annual basis for each facility July first of every year and will not be changed by any subsequent events or information with the exception that if the computations were found to contain mathematical or clerical errors, these errors will be corrected and the cap will be adjusted using the corrected figures.
g. Payment of costs subject to the cap will be limited to the cap unless the Department determines the exclusions found in Section 628 of these rules apply.
h. A facility that commences to offer participant care services as an ICF/ID on or after October 1, 1996, will be subject to retrospective settlement until the first prospective rate is set. Such facility will be subject to the ICF/ID cap as determined in this chapter. The first prospective rate for this provider will be set by the Department based on quarterly cost statements and final cost reports submitted for periods following the first three (3) months of operation. This first prospective rate may be set after the beginning of the second fiscal year of the provider. For the second year the provider will be paid a rate to be settled retrospectively unless both the Department and the provider agree to a prospective rate or rates covering that fiscal period.
625. (RESERVED)
626. ICF/ID: RETROSPECTIVE SETTLEMENT. When retrospective settlement is applicable, it is based on allowable reimbursement in accordance with this chapter and based on an audit report. Retrospective settlement will be subject to the same caps and limits determined for prospective payments.
01. A Provider's Failure to Meet Any of the Conditions. A provider's failure to meet any of the conditions of participation set forth in 42 CFR 483, Subpart I, may subject that provider to retrospective reimbursement for the fiscal year, or any portion thereof, during which the condition is not met. The provider's projected per diem rate may be adjusted to reflect actual reimbursable costs subject to cost limits.
02. A First Time Provide r. A first time provider operating a new ICF/ID living unit will be subject to a retrospective settlement for the first fiscal year and until the first subsequent period wherein a prospective rate is set in accordance with Sections 603, 605, and 606 of these rules and this chapter. A budget based on the best available information is required prior to opening for participant care so an interim rate can be set.
03. New ICF/ID Living Unit. A new ICF/ID living unit for an existing operator is subject to first time facility requirements if the new living unit reflects a net increase in licensed beds, otherwise the Department may set a prospective rate with the non-property rate components based on similar components of rates most recently paid for the participants moving into the facility. The property rental rate will be set according to applicable provisions of this chapter.
04. Change of Ownership of Existing ICF/ID Living Unit. Where there is a change of ownership of an existing ICF/ID living unit, the provider operating the ICF/ID living unit will not receive an adjustment of the provider's prospective rate except that the property rental portion of the rate will be adjusted subject to property rental provisions of this chapter. However, new facility reporting requirements and the cap will apply.
05. Fraudulent or False Claims . Providers who have made fraudulent or false claims are subject to retrospective settlement as determined by the Department.
06. Excluded Costs. Excluded costs may be retrospectively settled according to the provisions of Section 247 of these rules.

Section 626 Page 2005

627.	ICF/ID: EXEMPT COSTS.	
Exemp	ot costs are not subject to the ICF/ID cap.	

- **01. Day Treatment Services.** As specified in this Section, the cost of day treatment services may be reimbursed in this category and may not be subject to the ICF/ID cap.
- **a.** This category includes the direct costs of labor, benefits, contracted services, property, utilities and supplies for such services up to the limitations provided in this Subsection.
- **b.** When a school or another agency or entity is responsible for or pays for services provided to a participant regularly during normal working hours on weekdays, no costs will be assigned to this category for such services. The Department will not reimburse for the cost of services that are paid for or should be paid for by an other agency.
- c. When ICF/ID day treatment services are performed for participants in a licensed Developmental Disability Center, the allowable cost of such services will be included in this category, but not more than the amount that would be paid according to the Department's fee schedule for individual or group therapy for similar services. Amounts incurred or paid by the ICF/ID in excess of what would be paid according to the Department's fee schedule for like services are not allowable costs and will be reported as non-reimbursable.
- For day treatment services provided in a location other than a certified developmental disability center, the maximum amount reportable in this category will also be limited. Total costs for such services reported by each provider in this category will be limited to the number of hours, up to thirty (30) hours per week per participant, of individual or group developmental therapy times the hourly rate that would be paid according to the most recent Department fee schedule for the same services if provided in a developmental disability center. Costs in excess of the limits determined in this Subsection will be classified and reported as subject to the ICF/ID cap. Initial rates established under the prospective system effective October 1, 1996, and not later than October 1, 1997, will not include a limitation of day treatment costs based on the hourly rate, when the hours of individual or group therapy were not obtained or audited by the Department at the time the rate was published. However, if a provider believes that the day treatment cost used to establish the day treatment portion of its prospective rate was misstated for rates set for periods beginning October 1, 1996, through rates beginning October 1, 1997, revisions to the prospective rate may be made to the extent the provider demonstrates, to the satisfaction of the Department, that the cost used was misstated. Such a revision will be considered only if the provider requests a revision and provides adequate documentation within sixty (60) days of the date the rate was set. At the option of the Department it may negotiate fixed rates for these day treatment services. Such rates will be set so the aggregate related payments are lower than would be paid with a limitation based on schedules used for licensed Developmental Disability Centers.
- e. Financial data including expenses and labor hours incurred by or on behalf of the provider in providing day treatment services, must be identifiable and separate from the costs of other facility operations. Reasonable property costs related to day treatment services and not included in the property rental rate, will be separately identified, will be reported as day treatment services costs, and will not include property costs otherwise reimbursed. Property costs related to day treatment services will be separately identified as not related to living unit costs by a final audit determination issued prior to October 1, 1996, or will be separate and distinct from any property used for ICF/ID services that are or were day treatment services.
- f. In the event a provider has a change in the number of participants requiring day treatment services, the prospective rate may be adjusted by the Department to reflect a change in costs related to such a change. Providers receiving such changes may be required to provide added documentation to the Department to assure that further changes can be identified and the prospective rate adjusted accordingly.
- **02. Major Movable Equipment**. Costs related to major movable equipment, as defined in this chapter will be exempt from the ICF/ID cap and will be reimbursed prospectively based on Medicare principles of cost reimbursement.

628. ICF/ID: COSTS EXCLUDED FROM THE CAP.

Certain costs may be excluded from the ICF/ID cap, may be subject to retrospective settlement at the discretion of the

Section 627 Page 2006

Department, and may result in changes to the prospective rate as provided in this Section to assure equitable reimbursement:

- O1. Increases of More Than One Dollar Per Participant Day in Costs. Increases of more than one dollar (\$1) per participant day in costs otherwise subject to the cap incurred by a facility as a result of changes in State or Federal laws or rules will be reported separately on the cost report for reports filed less than thirty (30) months, or a greater length of time if so directed by the Department, from the date such increases were first required. Such costs will be subdivided into the component parts of wages, benefits, contracted services and other costs in the amounts equal to costs removed from the respective cost categories subject to the cap. The Department may adjust the forecasted rate to include the projected per diem related to such costs.
- **a.** The provider will report these costs on a separate schedule or by notations on the cost report so that these costs can be identified and reconciled to the provider's general ledger.
- **b.** If more than one (1) increase occurs as a result of one (1) or more law or rule change, the costs from each event are to be reported separately.
- c. The computation of the cost increase amount or amounts is to be presented in detail on a supplementary schedule or schedules unless the Department states otherwise.
- **d.** For interim rate purposes the provider's prospective rate may be granted an increase to cover such cost increases. A cost statement covering a recent period may be required with the justification for the increased costs. The actual amount related to such increases will be determined at audit and may be retrospectively settled.

()

- e. After the initial deadline has passed for all providers to file cost reports for reporting periods beginning on or after the date certain cost increases were first required, the Department will, at it's option, include all of the previously excluded costs related to those increases with costs subject to the cap when setting rates or increase the cap and individual facility prospective rates following such cost increases. If a cap is set with these particular costs included in the cap category, providers subject to that cap will not have these costs excluded from the cap for prospective rate purposes. The intent of this provision is for costs to be exempt from the cap until these costs are able to be fully and equitably incorporated in the data base used to project the cap and for these costs to be exempt only when they are not included in the data base. In those cases, when costs are not incurred immediately after a change in rule or law, delays in incorporating the new costs in the cap are warranted.
- f. When cost increases that have been excluded from the cap are incorporated in the inflation indices used to set the cap, the cost indices will be adjusted to exclude the influence of such changes if the amount is included in the index is identified. When the cap is set to include previously excluded amounts, any adjustments previously made to the indexes related to the previously excluded costs will be removed.
- **O2.** Excess Inflation. Reimbursement of costs subject to the cap will be limited to the cap unless the Department determines the inflation indices used to set the prospective rates for a reporting period understated actual inflation by more than seven (7%) percentage points. In such case, prospective rates and the cap will be increased by the amount that actual inflation indices exceeded projected inflation indices and may be retrospectively adjusted by the department.
- 03. Cost Increases Greater Than Three Percent. When cost increases of greater than three percent (3%) of the projected interim rate that result from disasters such as fire, flood, or earthquake, epidemic or similar unusual and unpredictable circumstances over which a provider has no control. Prospective rates will be increased and they will not be subject to the cap. However, they may be retrospectively adjusted by the Department. For the purposes of this Subsection, disaster does not include personal or financial problems.
- **04. Decreases.** In the event of state or federal law, rule, or policy changes that result in clearly identifiable reductions in required services, the Department may reduce the prospective rate to reflect the identified per diem amount related to such reductions.
 - **O5.** Prospective Negotiated Rates. Notwithstanding the provisions of Section 622 of these rules, the

Section 628 Page 2007

Director will have the authority to negotiate prospective rates for providers who would otherwise be subject to accept

renospective settlement. Such rates will not exceed the projected allowable rate that would otherwise	de reilliduise	,
based on provisions of this chapter.	(,

629. ICF/ID: LEGAL CONSULTANT FEES AND LITIGATION COSTS. Costs of legal consultant fees and litigation costs incurred by the provider will be handled in accordance with the following:

- In General. Legal consultant fees unrelated to the preparation for or the taking of an appeal of an audit performed by the Department of Health and Welfare, or litigation costs incurred by the provider in an action unrelated to litigation with the Department of Health and Welfare, will be allowed as a part of the total per diem costs of which the Medicaid Program will reimburse a portion according to the percentage of Medicaid patient days.
- 02. Administrative Appeals. In the case of the provider contesting in administrative appeal the findings of an audit performed by the Department of Health and Welfare, the costs of the provider's legal counsel will be reimbursed by the Medicaid Program only to the extent that the provider prevails on the issues involved. The determination of the extent that the provider prevails will be based on the ratio of the total dollars at issue for the audit period at issue in the hearing to the total dollars ultimately awarded to the provider for that audit period by the hearing officer or subsequent adjudicator.
- Other. All other litigation costs incurred by the provider in actions against the Department of Health and Welfare will not be reimbursable either directly or indirectly by the Medicaid Program except where specifically ordered by a court of law.

ICF/ID: PROPERTY RENTAL RATE REIMBURSEMENT.

ICFs/ID will be paid a property rental rate. Property taxes, property insurance, and depreciation expense or major moveable equipment will be reimbursed as costs exempt from limitations. The property rental rate does not include compensation for minor movable equipment. The property rental rate is paid in lieu of payment for amortization, depreciation, and interest for financing the cost of land and depreciable assets. See Sections 56-108 and 56-109, Idaho Code, for further clarification.

- Property Rental Rate. The property rental rate is based upon current construction costs, the age of the facility, the type of facility, and major expenditures made to improve the facility, or a rate based upon property costs as of January 1, 1985. The amount paid for each Medicaid day of care will be phased in according to the following:
 - R = "Property Base" x 40 "Age" / 40 x "change in building costs" where:
 - "R" = the property rental rate. b.
- "Property Base" = eleven dollars and twenty-two cents (\$11.22) except for ICF/ID living units not able to accommodate residents requiring wheelchairs beginning October 1, 1996. Property base = seven dollars and twenty-two cents (\$7.22) for ICF/ID living units not able to accommodate residents requiring wheelchairs.
- "Change in building costs" = 1.0 from October 1, 1996, through December 31, 1996. For ICF/ID facilities, the most recent index available when it is first necessary to set a prospective rate for a period that includes all or part of the calendar year, will be used.
- "Age" of facility The effective age of the facility in years will be set by subtracting the year in which the facility, or portion thereof, was constructed from the year in which the rate is to be applied. No facility or portion thereof will be assigned an age of more than thirty (30) years, however:
- If adequate information is not submitted by the facility to document that the facility, or portion thereof, is newer than thirty (30) years, the age will be set at thirty (30) years. Adequate documentation will include, but not be limited to, such documents as copies of building permits, tax assessors' records, receipts, invoices, building contract, and original notes of indebtedness. An age will be determined for each building. A weighted average using

Section 629 Page 2008 the age and square footage of the buildings will become the effective age of the facility. The age of each building will be based upon the date when construction on that building was completed. This age will be adjusted to reflect major building expansion or remodeling prior to April 1, 1985, if that expenditure was large enough to reduce the age of the facility by two (2) or more years according to the following formula:

r = AxE/SxC

Where:

r	=	Reduction in the age of the facility in years.
Α	=	Age of the building at the time when construction was completed.
Е	=	Actual expenses for the construction provided that the total costs must have been incurred within twenty-four (24) months of the completion of the construction.
S	=	The number of square feet in the building at the end of construction.
С	=	The cost of construction for the buildings in the year when construction was completed according to the schedule in Subsection 630.01.d.ii.

If the result of this calculation, "r" is equal to or greater than two point zero (2.0), the age of the building in years will be reduced by this number, rounded to the nearest whole number for rate setting purposes. In no case will the age be less than zero (0).

- ii. For rates paid after June 30, 1989, the effective age of a facility will be further adjusted when the cost of major repairs, replacement, remodeling, or renovation of a building initiated after April 1, 1985, results in the change in age by at least one (1) year when applied to the formula in Subsection 630.01.d.i. However, such change will not decrease the effective age of a facility beyond the point where the increase in the property rental rate is greater than three-fourths (3/4) of the difference between the property rental rate "r" for a new facility at the time of the proposed rate revision and the property rental rate for which the facility was eligible immediately before the adjustment. The cost used for "C" will be adjusted according to costs published by Marshall Swift Valuation Service to reflect current construction costs for average Class D convalescent hospitals. It is the provider's responsibility to notify the Department and document costs. The Department will adjust the age after documentation of costs.
- iii. In the event that new requirements are imposed by state or federal agencies, the Department will reimburse the expenditures directly related to these requirements as an increase in the property rental rate if the expense is in excess of one hundred dollars (\$100) per bed. If the cost related to the requirement is less than one hundred dollars (\$100) per bed, the Department will, within twelve (12) months of verification of expenditure, reimburse the Medicaid share of the entire cost of such new requirements, as a one (1) time payment to the facility.
- iv. At no time will the property rental rate paid to a facility be less than the greater of the rate allowable to that facility on December 31, 1988, the rate allowable immediately following the first opening of a new facility after December 31, 1988, or the rate allowable immediately following the last, if any, age revision after December 31, 1988. However, subsequent to the application of this provision, before any property rental rate increase may be made for current or successor operators, the final settlement amount of any increase in the property rental rate will first be offset by an amount equal to the impact on final settlement of any rate decrease that would have occurred if the provisions of Subsections 630.01.d.iii. and 630.01.d.iv. of these rules had not been applied. This is intended to allow the postponement of the financial burden to providers of property rental rate decreases and to allow an equal offset of the financial burden to the state of subsequent property rate increases for a current or successor provider.
- v. Effective October 1, 1996, for ICF/ID facilities, "age of facility" will be a revised age that is the lesser of the age established under other provisions of this Section or the age that most closely yields the rate allowable to existing facilities as of September 30, 1996, under Subsection 630.01 of these rules. This revised age will not increase over time.
 - 02. Sale of a Facility. In the event of the sale of a facility, or asset of a facility, the buyer will receive

Section 630 Page 2009

IDAHO ADMINISTRATIVE CODE Department of Health and Welfare

the property rental rate of Subsection 630.01 of these rules.	(
631. ICF/ID: PROPERTY REIMBURSEMENT LIMITATIONS. Beginning October 1, 1996, property costs of an ICF/ID will be reimbursed rules except as follows:	in accordance with Section 630 of thes
01. Restrictions . No grandfathered rates or lease provisions of these rules will apply to ICF/ID facilities.	other than lease provisions in Section 63
O2. Home Office and Day Treatment Property Costs. Distiliving units may be used for home office or day treatment purposes. Reimly distinct parts may be allowed if these areas are used exclusively for home portion of property cost attributed to these areas may be reimbursed as pay without a reduction in the property rental rate. Reimbursement for home off not include costs reimbursed by, or covered by the property rental rate. Such cost if the facility clearly included space in excess of space normally used in for such reimbursement, a structure would have square feet per licensed bed licensed bed for other ICF/ID living units within four (4) licensable beds.	bursement for the property costs of such e office or day treatment services. The office or day treatment costs and day treatment property costs will costs will only be reimbursed as propert a such facilities. At a minimum to qualif
03. Leases for Property. Beginning October 1, 1996, ICF/ID as follows:	facilities with leases will be reimburse (
a. The property costs related to ICF/ID living units other than be paid by a property rental rate in accordance with Section 630 of these rules	
b. Leases for property other than ICF/ID living units will facility not to exceed a reasonable market rate, subject to other provisio including principles associated with related party leases.	
632. ICF/ID: SPECIAL RATES. Section 56-117, Idaho Code, provides that the Department may pay facconsumers who have medical or behavior long-term care needs beyond the individuals must have one (1) or more of the following behavior needs additional behavior management, or additional psychiatric or pharmacologiven to consumers having medical needs that may include individuals need pediatric needs, or individuals requiring nasogastric or intravenous feedin needs are not adequately reflected in the rates calculated pursuant to the print The payment for such specialized care will be in addition to any payments nof this chapter and will be based on a per diem rate applicable to the increfacility. Payment for special rates will start with approval by the Department continued need. The incremental cost to a facility that exceeds the rate provisions of Section 632 of these rules, will be excluded from the comput provisions of Section 56-265, Idaho Code, IDAPA 16.03.09, "Medicaid Base "Medicaid Enhanced Plan Benefits."	e normal scope of facility services. Section 16-2403, Idaho Code.

05. YES Program Participant. A YES program participant is an Idaho resident under eighteen (18) years of age with a serious emotional disturbance as determined by an independent assessment.

637. YOUTH EMPOWERMENT SERVICES (YES) HCBS STATE PLAN OPTION: ELIGIBILITY REDETERMINATION.

YES program participant eligibility will be redetermined by an independent assessment every twelve (12) months. The Department may extend participant eligibility to allow for redetermination if the independent assessment is unavoidably delayed.

638. YOUTH EMPOWERMENT SERVICES (YES) HCBS STATE PLAN OPTION: COVERAGE AND LIMITATIONS.

The following services are covered for YES participants:

- **Respite** Care. Respite care provides supervision to the participant on an intermittent or short-term basis because of the need for relief of the primary unpaid caregiver of a YES program participant. Respite care is available in response to a family emergency or crisis, or may be used on a regular basis to provide relief to the caregiver. Payment and administration of respite care services will be done through the IBHP and will be established by the Department in the IBHP contract.
- **02. Person-Centered Planning**. A person-centered planning team, comprised of the participant, family members, and other support persons significant to the participant, will direct the development of the personcentered service plan through a process approved by the Department. The process will include support necessary to enable the participant and their family to make informed choices and decisions concerning the person-centered service plan.

639. -- 644. (RESERVED)

ADULT DEVELOPMENTAL DISABILITIES HOME AND COMMUNITY BASED SERVICES (HCBS) STATE PLAN OPTION (Sections 645-659)

645. HOME AND COMMUNITY-BASED SERVICES (HCBS) STATE PLAN OPTION.

Home and community-based services are provided through the HCBS State Plan option as allowed in Section 1915(i) of the Social Security Act for adults with developmental disabilities who do not meet the ICF/ID level of care. HCBS state plan option services must comply with Sections 310 through 319, and Sections 645 through 657 of these rules. Through the duration of the COVID-19 public health emergency, the Department reserves the right to temporarily alter requirements and processes related to the Adult Developmental Disabilities HCBS State Plan Option program to mitigate spread of disease and to ensure the health and safety of our participants under the guidance and authority of the provisions in a CMS approved 1135 waiver or a state plan amendment to the existing Adult Developmental Disabilities HCBS State Plan Option benefit. In the event additional changes are required in the future, guidance will be posted on the Medicaid Information Releases webpage.

646. COMMUNITY CRISIS SUPPORTS.

Community crisis supports are interventions for participants who have been determined eligible for developmental disability services and who are at risk of losing housing, employment, or income, or are at risk of incarceration, physical harm, family altercation, or other emergencies.

647. COMMUNITY CRISIS SUPPORTS: ELIGIBILITY.

Prior to receiving community crisis supports, an individual must be determined by the Department or its contractor to have a developmental disability under Sections 500 through 506 of these rules and Section 66-402, Idaho Code, be eighteen (18) years of age or older, and live in the community.

648. COMMUNITY CRISIS SUPPORTS COVERAGE AND LIMITATIONS.

Community crisis support may be authorized the following business day after the intervention if there is a documented need for immediate intervention, no other means of support are available, and the services are

Section 637 Page 2012

appropriate to rectify the crisis. Community crisis support is limited to a maximum of twenty (20) hours during any consecutive five (5) day period.

- **01. Emergency Room**. Crisis services may be provided in an emergency room during the ER evaluation process if the goal is to prevent hospitalization and return the participant to the community. ()
- **02. Before Plan Development.** Community crisis support may be provided before or after the completion of the assessment and plan of service. If community crisis support is provided before the completion of the assessment and plan of service, the plan of service must include an identification of the factors contributing to the crisis and a strategy for addressing those factors in the future.
- **03. Crisis Resolution Plan.** After community crisis support has been provided, the provider of the community crisis support service must complete a crisis resolution plan and submit it to the Department for approval within seventy-two (72) hours of providing the service.

649. DEVELOPMENTAL THERAPY.

The Department will pay for developmental therapy provided by facilities that have entered into a provider agreement with the Department and are certified as developmental disabilities agencies by the Department.

650. DEVELOPMENTAL THERAPY: ELIGIBILITY.

Prior to receiving developmental therapy in a DDA an individual must be determined by the Department or its contractor to have a developmental disability under Sections 500 through 506 of these rules and Section 66-402, Idaho Code be eighteen (18) years of age or older, and live in the community.

- **651. DEVELOPMENTAL THERAPY: COVERAGE REQUIREMENTS AND LIMITATIONS.** Developmental therapy must be recommended by a physician or other practitioner of the healing arts. (
- **Requirements to Deliver Developmental Therapy**. Developmental therapy may be delivered in a developmental disabilities agency center-based program, the community, or the home of the participant. Developmental therapy includes individual developmental therapy and group developmental therapy. Developmental therapy must be delivered by Developmental Specialists or paraprofessionals qualified in accordance with these rules, based on an assessment completed prior to the delivery of developmental therapy.
- a. Areas of Service. These services must be directed toward the rehabilitation or habilitation of physical or developmental disabilities in the areas of self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living, or economic self-sufficiency.
- **b.** Age-Appropriate. Developmental therapy includes instruction in daily living skills the participant has not gained at the normal developmental stages in their life, or is not likely to develop without training or therapy. Developmental therapy must be age-appropriate.
- c. Tutorial Activities and Educational Tasks are Excluded. Developmental therapy does not include tutorial activities or assistance with educational tasks associated with educational needs that result from the participant's disability.
- **d.** Settings for Developmental Therapy. Developmental Therapy may be provided in home and community-based settings as described in Section 312 of these rules. Developmental therapy, in both individual and group formats, must be available in both community-based and home-based settings, and be based on participant needs, interests, or choices.
- e. Staff-to-Participant Ratio. When group developmental therapy is center-based, there must be a minimum of one (1) qualified staff, who may be a paraprofessional or a Developmental Specialist, providing direct services for every twelve (12) participants. The community-based services must occur in integrated, inclusive settings and with no more than three (3) participants per qualified staff at each session. Additional staff must be added, as necessary, to meet the needs of each individual served.
 - **02. Excluded Services.** The following services are excluded for Medicaid payments:

The agency must ensure that a professional qualified to provide the service must, on a monthly basis or more often if necessary, observe and review the work performed by the paraprofessional under their supervision, to ensure the paraprofessional has been trained on the program(s) and demonstrates the necessary skills to correctly implement the program(s).
- **02. General Staffing Requirements for Agencies.** Each DDA must have an agency administrator who is accountable for all service elements of the agency and who must be employed on a continuous and regularly scheduled basis. The agency administrator is accountable for the overall operations of the agency including ensuring compliance with this chapter of rules, overseeing and managing staff, developing and implementing written policies and procedures, and overseeing the agency's quality assurance program.
- **a.** When the administrator is not a Developmental Specialist as defined in these rules, the DDA must employ a Developmental Specialist on a continuous and regularly scheduled basis who is responsible for the service elements of the agency; and
- **b.** The Developmental Specialist responsible for the service elements of the agency must have two (2) years of supervisory or management experience providing developmental disabilities services to individuals with developmental disabilities.

657. DEVELOPMENTAL THERAPY: PROVIDER REIMBURSEMENT.

Payment for developmental therapy provided by a DDA must be in accordance with rates established by the Department.

658. COVID-19 PUBLIC HEALTH EMERGENCY RESIDENTIAL HABILITATION.

Through the duration of the COVID-19 public health emergency, the Department will pay for residential habilitation services, as described in Subsection 703.01 of these rules, provided by facilities that have entered into a provider agreement with the Department and are certified as developmental disabilities agencies by the Department. Prior to receiving residential habilitation services from a DDA, an individual must be determined by the Department, or its contractor, to have a developmental disability under Sections 500 through 506 of these rules and Section 66-402, Idaho Code, be eighteen (18) years of age or older, and live in the community. DDA's providing residential habilitation services must comply with any additional requirements specified by the Department in a COVID-19 information release posted on the Department's website at https://healthandwelfare.idaho.gov/Providers/Providers-Medicaid/InformationReleases/tabid/264/Default.aspx.

659. -- 699. (RESERVED)

ADULTS WITH DEVELOPMENTAL DISABILITIES WAIVER SERVICES (Sections 700-719)

700. ADULTS WITH DEVELOPMENTAL DISABILITIES WAIVER SERVICES.

Under 42 CFR Section 440.180, it is the intention of the Department to provide waiver services to eligible adult participants to prevent unnecessary institutional placement, provide for the greatest degree of independence possible, enhance the quality of life, encourage individual choice, and achieve and maintain community integration. For an adult participant to be eligible, the Department must find that the participant requires services due to a developmental disability that impairs their mental or physical function or independence, is capable of being maintained safely and effectively in a non-institutional setting, and would, in the absence of such services, need to reside in an ICF/ID. Through the duration of the COVID-19 public health emergency, the Department reserves the right to temporarily alter requirements and processes related to the Adult DD waiver program to mitigate spread of disease and to ensure the health and safety of our participants under the guidance and authority of the provisions in a CMS approved 1135 waiver or HCBS Attachment K amendment to the existing Adult Developmental Disability waiver. In the event additional changes are required in the future, guidance will be posted on the Medicaid Information Releases webpage.

701. (RESERVED)

Section 657 Page 2020

ADULT DD WAIVER SERVICES: ELIGIBILITY.

Waiver eligibility will be determined by the Department as described in Section 509 of these rules. The participant must be financially eligible for Medical Assistance as described in IDAPA 16.03.05, "Eligibility for Aid for the

	al Eligibi	d Disabled (AABD)," Section 787. The cited chapter implements and is in accordance validity Section of the Idaho State Plan. In addition, waiver participants must meet the fo

,	SUB AREA: SERVICE COORDINATION SERVICES (Sections 720-779)	

720. SERVICE COORDINATION.

The Department will purchase service coordination for persons eligible for Enhanced Benefits who are unable, or have limited ability to gain access, coordinate or maintain services on their own or through other means. These rules are not applicable to behavioral health service coordination, also known as case management services, provided under the Idaho Behavioral Health Plan (IBHP) included in IDAPA 16.03.09, "Medicaid Basic Plan Benefits."

721. SERVICE COORDINATION: DEFINITIONS.

IDAPA 16.03.10 Medicaid Enhanced Plan Benefits

The following de	finitions apply for Sections 721 through 736 of these rules.	()
01. assurance for service coordi	Agency . An agency is a business entity that provides management, supervision, and vice coordination and includes at least two (2) individuals, one (1) supervisor and a minimum inator.	
02. does not include to	Brokerage Model . Referral or arrangement for services identified in an assessment. This the provision of direct services.	model
03. appears to influer	Conflict of Interest. A situation in which an agency or person directly or indirectly influence the direction of a participant to other services for financial gain.	nces. or
04. least one (1) of the	Crisis. An unanticipated event, circumstance or life situation that places a participant at rise following:	sk of at
a.	Hospitalization;	()
b.	Loss of housing;	()
с.	Loss of employment or major source of income;	()
d.	Incarceration; or	()
e.	Physical harm to self or others, including family altercation or psychiatric relapse.	()
05. education, behavi	Human Services Field. A particular area of academic study in health care, social seioral science or counseling.	ervices,
06. months supervise	Paraprofessional . An adult with a high school diploma or equivalency who has at least twel ad work experience with the population to whom they will be providing services.	ve (12)
	Person-Centered Planning . A planning process facilitated by the service coordinator that in did individuals significant to the participant, to collaborate and develop a plan based on the expect of the participant. For children, this planning process must involve the child's family.	
08. assistant or clinic	Practitioner of the Healing Arts. For purposes of this rule, a nurse practitioner, pheal nurse specialist.	ysician ()
09. eligible for Medicindividual. Service	Service Coordination . Service coordination is a case management activity that assists indicated in gaining and coordinating access to necessary care and services appropriate to the needed coordination is a brokerage model of case management.

12.	Service Coordinator. An individual, excluding a paraprofessional, who provides	service

Section 721 Page 2033

coordination to a Medicaid eligible participant, is employed by or contracts with a service coordination agency, and meets the training, experience, and other requirements in Section 729 of these rules.

13. Supports. Formal and informal services and activities that are not paid for by the Department and that enable an individual to reside safely in the setting of their choice.

722. SERVICE COORDINATION SERVICES: ELIGIBILITY.

Participants identified in Sections 723 through 726 of these rules, who do not receive hospice services or live in hospitals, nursing facilities, or intermediate care facilities for persons with intellectual disabilities, are eligible for service coordination.

723. TARGETED SERVICE COORDINATION: ELIGIBILITY: INDIVIDUALS WITH A DEVELOPMENTAL DISABILITY.

An individual is eligible to receive targeted service coordination if they meet the following requirements in this rule.

- **01.** Age. An adult eighteen (18) years of age or older.
- **02. Diagnosis.** Is diagnosed with a developmental disability, defined in Section 66-402, Idaho Code and Section 500 through 506 of these rules, that:
- a. Is attributable to an impairment, such as an intellectual disability, cerebral palsy, epilepsy, autism or other condition found to be closely related to or similar to one (1) of these impairments that requires similar treatment or services, or is attributable to dyslexia resulting from such impairments;
- **b.** Results in substantial functional limitations in three (3) or more of the following areas of major life activity: self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living, or economic self-sufficiency; and
- c. Reflects the need for a combination and sequence of special, interdisciplinary or generic care, treatment or other services that are of lifelong or extended duration and individually planned and coordinated.
- **03.** Need Assistance. Requires and chooses assistance to access services and supports necessary to maintain their independence in the community.

724. -- 725. (RESERVED)

726. SERVICE COORDINATION: ELIGIBILITY: INDIVIDUALS UP TO THE AGE OF TWENTY-ONE.

To be eligible for children's service coordination, a participant must meet the following requirements in Subsections 726.01 through 726.03. Eligibility is determined initially and annually by the Department based on information provided by the service coordination agency or the family. All information necessary to make the eligibility determination must be received by the Department twenty (20) business days prior to the anticipated start date of any service coordination services. The eligibility determination will be made by the Department prior to the initiation of initial and ongoing plan development and services.

- **01. Age**. From the age of thirty-seven (37) months through the month in which their twenty-first birthday occurs.
- **02. Diagnosis**. Must have special health care needs requiring medical and multidisciplinary rehabilitation services identified by a physician or other practitioner of the healing arts to prevent or minimize a disability.
- **03. Need Assistance.** Medicaid-reimbursed service coordination services are not available for participants whose needs can be met by other service coordination or case management resources, including paid and non-paid sources. The participant must have needs for service coordination for one (1) or more of the following

OVERBITE:	MEASUREMENT/POINTS:	SCORE:
POSTERIOR X-BITE: (teeth) *b		
Number of teeth in x-bite:	0-2 = 0	
	3 = 1	
	4 = 2	
TOOTH DISPLACEMENT: (teeth) *c, d, e		
Number of teeth rotated 45 degrees or displaced 2mm from normal position in arch.	0-2 = 0 3-6 = 1 7+ = 2	
BUCCAL SEGMENT RELATION- SHIP:		
One side distal or mesial ½ cusp	= 0	
Both sides distal or mesial or one side full cusp	= 1	
Both sides full cusp distal or mesial	= 2	

TOTAL SCORE:

Scoring Definitions:

Impacted or blocked cuspids are scored 1 open bite and 1 over jet for two teeth. Score 2 for open bite and 2 for over jet for 4 blocked cuspids.

- a) Cross bites are scored for the teeth in cross bite, not the teeth in the opposing arch.
- b) Missing teeth count as 1, if the space is still present.
- c) Do not score teeth that are not fully erupted.
- d) Displaced teeth are based on where they are in their respective arch line, not their relationship with the opposing arch.

16.03.11 – INTERMEDIATE CARE FACILITIES FOR PEOPLE WITH INTELLECTUAL DISABILITIES (ICFS/IID)

000. LEGAL AUTHORITY.

The Board of Health and Welfare is authorized under Sections 39-1301 through 39-1314, Idaho Code, to adopt, amend, and enforce rules, regulations, and standards for licensure that promote safe and adequate treatment, and to protect the health and safety of individuals being cared for in intermediate care facilities for people with intellectual disabilities defined in Section 39-1301(c), Idaho Code. The Department is authorized under 42 CFR Part 483 to set conditions of participation for intermediate care facilities for individuals with intellectual disabilities (ICFs/IID). Under Sections 56-1002, 56-1003, 56-1004, 56-1004A, 56-1005, 56-1007, and 56-1009, Idaho Code, the Department and the Board of Health and Welfare have prescribed powers and duties to provide for the administration and enforcement of Department programs and rules.

001. TITLE AND SCOPE.

- **01. Title**. These rules are titled IDAPA 16.03.11, "Intermediate Care Facilities for People with Intellectual Disabilities (ICFs/IID)."
- **O2.** Scope. These rules include the licensing standards and requirements for the administration of intermediate care facilities for the active treatment of individuals with intellectual disabilities and related conditions. This service delivery system provides care through small community-based facilities with the least restrictive alternatives including deinstitutionalization, normalization, and individual programming to enhance each individual's self-sufficiency for personal development and health needs.

002. WRITTEN INTERPRETATIONS.

The Department may have written statements that pertain to the interpretation of this chapter, or to the documentation of compliance with these rules.

003. (RESERVED)

004. INCORPORATION BY REFERENCE.

The following are incorporated by reference in this chapter of rules:

- **O1.** Code of Federal Regulations (CFR). The Board has adopted by reference certain Codes of Federal Regulations (CFR), Standards and Certification, Part 483, in this chapter. 42 CFR Part 483 may be found online at: http://www.ecfr.gov/cgi-bin/text-idx?SID=f030c6d2c3e752bba7d12ce1015a4e7a&node=42:5.0.1.1.2.9&rgn=div6. Modifications and additions to the "Conditions of Participation for Intermediate Care Facilities for Individuals with Intellectual Disabilities" are made in Subsections 004.02 through 004.13 of this rule.
- **02. 42 CFR 483.400 Basis and Purpose**. No additions or modifications have been adopted for this subpart.
- **03. 42 CFR 483.405 Relationship to Other Health and Human Services (HHS) Regulations**. No additions or modifications have been adopted for this subpart.
- **04. 42** CFR **483.410** Condition of Participation: Governing Body and Management. Additions and modifications for this subpart are found in Sections 100-199 of these rules.
- **05. 42 CFR 483.420 Condition of Participation: Client Protections**. Additions and modifications for this subpart are found in Sections 200-299 of these rules.
- **06. 42 CFR 483.430 Condition of Participation: Facility Staffing**. Additions and modifications for this subpart are found in Sections 300-399 of these rules.
- 07. 42 CFR 483.440 Condition of Participation: Active Treatment Services. No additions or modifications have been adopted for this subpart.
- **08. 42** CFR **483.450** Condition of Participation: Client Behavior and Facility Practices.

 Additions and modifications for this subpart are found in Sections 500-599 of these rules.
- **09. 42 CFR 483.460 Condition of Participation: Health Care Services**. No additions or modifications have been adopted for this subpart.

Section 000 Page 2045

IDAPA 16.03.11 – Intermediate Care Facilities for People with Intellectual Disabilities (ICFs/IID)

- 10. 42 CFR 483.470 Condition of Participation: Physical Environment. Additions and modifications for this subpart are found in Sections 700-799 of these rules.
- 11. 42 CFR 483.480 Condition of Participation: Dietetic Services. Additions and modifications for this subpart are found in Sections 800-899 of these rules.
- 12. 42 CFR 1001.1301 Failure to Grant Immediate Access. No additions or modifications have been adopted for this subpart.
- 13. 42 CFR 442.101 Obtaining Certification. No additions or modifications have been adopted for this subpart.
- 14. IDAPA 24.39.30, Rules of Building Safety. IDAPA 24.39.30, "Rules of Building Safety," as adopted by the Division of Building Safety, Building Code Advisory Board. The rules are available online at: http://adminrules.idaho.gov/rules/current/07/070301.pdf. The Building Safety rules adopt The International Building Code that may be obtained from the International Code Council, Western Regional Office, 5360 Workman Mill Road, Whittier, CA 90601-2298, phone: (888) 422-7233, and online at http://www.iccsafe.org.
- 15. National Fire Protection Association (NFPA) Standard 101, The Life Safety Code, (edition 2000). The following document is incorporated by reference in these rules: National Fire Protection Association (NFPA) Standard 101, The Life Safety Code, (2000), published by the National Fire Protection Association, 1 Batterymarch Park, Quincy, MA 02169-7471. A copy is available for review at the Department's Division of Licensing and Certification located at 3232 Elder Street, Boise, Idaho 83705. The NFPA 101: Life Safety Code may be accessed online at: http://www.nfpa.org/codes-and-standards/document-information-pages?mode=code&code=101.

005. (RESERVED)

006. CONFIDENTIALITY OF RECORDS AND PUBLIC RECORDS ACT COMPLIANCE AND REQUESTS.

- **01. Confidentiality of Records.** Any disclosure of confidential information used or disclosed in the course of the Department's business is subject to the restrictions in state or federal law, and must comply with IDAPA 16.05.01, "Use and Disclosure of Department Records."
- **O2.** Public Records Act. The Department will comply with Title 74, Chapter 1, Idaho Code, when requests for the examination and copying of public records are made. Unless otherwise exempted, all public records in the custody of the Department are subject to disclosure.
- **O3. Disclosure of an Individual's Identity**. Under Section 39-1310, Idaho Code, information received by the Department through filed reports, inspections, or as required by law, will not be disclosed publicly in such a manner as to identify individuals except as necessary in a proceeding involving a question of licensure. ()
- **04. Public Availability of Survey Reports.** The Department will post on the Division of Licensing and Certification's website, survey reports and findings of complaint investigations relating to a facility at http://facilitystandards.idaho.gov.

007. -- 008. (RESERVED)

009. CRIMINAL HISTORY AND BACKGROUND CHECK REQUIREMENTS.

- **01. Criminal History and Background Check.** An intermediate care facility for people with intellectual disabilities (ICF/IID) must comply with the Department's criminal history and background check rules in IDAPA 16.05.06, "Criminal History and Background Checks."
- **02. Individuals Subject to Criminal History Checks**. Owners, administrators, employees, and contractors, hired or contracted with after October 1, 2007, who have direct access to individuals residing in an ICF/

The requirements of Sections 200 through 299 of these rules are modifications and additions to the requirements in 42 rules. 201. INDIVIDUAL ADVOCATE. An individual advocate is a person whose primary responsibility is to help ensure the individual's rights are not violated and to act in the best interest of the individual. APPOINTED ADVOCATE. The administrator of an ICF/IID must appoint an advocate for an individual with input from the individual's IDT when the following exists: Parent or Legal Guardian Unable to Participate. The individual's parent or legal guardian is unable or unwilling to participate, or is unavailable after reasonable efforts to contact them for participation have been made. Individual Unable to Make Informed Decisions. An individual "lacks capacity to make informed 02. decisions" as defined in Section 66-402(9), Idaho Code. The IDT must determine and document in the individual's record the specific impairment that has rendered the individual incapable of understanding their own rights. Requested by Individual, Parent, or Guardian. An advocate is requested by the individual, their parent, or their guardian. Advise Individual of Rights. The fact that an individual has been determined to be incompetent or incapable does not absolve the facility from advising the individual of their rights to the extent that the individual is able to understand them. Advocate Selection. The administrator must ensure that all individuals are represented only by persons who are not employed by the facility. The priority for selection of advocates will be in the following order: Parent(s); b. An interested family member; or Other interested parties. 203. ADVOCATES' RIGHTS. Each advocate has the following rights: Be Informed. To be informed of activities related to the individual that may be of interest to them or of significant changes in the individual's condition. individual at any reasonable hour and without prior notice, unless contraindicated by the individual's needs or such practice infringes upon the privacy and rights of others.

Visitation Rights. To visit the individual and all parts of the facility that provide services to the

Prompt Communications. To receive prompt replies to any communication sent to the facility regarding the individual.

- Written Interpretation of Evaluations. To be given within thirty (30) days of admission to the facility, a written interpretation of the evaluation that is conducted for the individual. The administrator of the facility must provide a written interpretation of any and all subsequent evaluations.
- Discharge Counseling. To be counseled as to the advantages and disadvantages of discharging the individual from the facility, including admission to another facility.

Section 201 Page 2056

16.03.13 - CONSUMER-DIRECTED SERVICES

000. LEGAL AUTHORITY.

In accordance with Sections 56-202, 56-203, Sections 56-250 through 257, and Sections 56-260 through 56-266, Idaho Code, the Idaho Legislature has authorized the Department of Health and Welfare to adopt and enforce rules for the provision of consumer-directed services.

001. TITLE AND SCOPE.

- **01. Title.** These rules are titled IDAPA 16.03.13, "Consumer-Directed Services."
- **O2.** Scope. Consumer-Directed Community Supports (CDCS) is a flexible program option for participants eligible for the Children's Home and Community Based Services (HCBS) State Plan Option, and Adult and Children's Developmental Disabilities (DD) waivers. CDCS is not a covered option for participants enrolled in the Children's Act Early Waiver. The CDCS option allows the eligible participant to: choose the type and frequency of supports they want, negotiate the rate of payment, and hire the person or agency they prefer to provide those supports.

002. WRITTEN INTERPRETATIONS.

This agency may have written statements that pertain to the interpretations of the rules of this chapter. These documents are available for public inspection.

003. -- 007. (RESERVED)

008. AUDIT, INVESTIGATION AND ENFORCEMENT.

In addition to any actions specified in these rules, the Department may audit, investigate and take enforcement action under the provisions of IDAPA 16.05.07, "Investigation and Enforcement of Fraud, Abuse, and Misconduct."

009. CRIMINAL HISTORY AND BACKGROUND CHECK REQUIREMENTS.

- that each support broker and community support worker, whose criminal history check has not been waived by the participant, has complied with IDAPA 16.05.06, "Criminal History and Background Checks." When a participant chooses to waive the criminal history check requirement for a community support worker, the waiver must be completed in accordance with Section 150 of these rules. Except, through the duration of the declared COVID-19 public health emergency, if each support broker and community support worker, whose criminal history check has not been waived by the participant is unable to complete a criminal background check in accordance with the timeframes set forth in IDAPA 16.05.06, then provider may allow newly hired direct care staff to begin rendering services prior to completion of the criminal background check in accordance with the requirements specified by the Department in a COVID-19 information release posted on the Department's website at https://healthandwelfare.idaho.gov/Providers/Providers-Medicaid/InformationReleases/tabid/264/Default.aspx.
- **02. Availability to Work or Provide Service**. Participants, at their discretion, may review the completed application and allow the community support worker to provide services on a provisional basis if no disqualifying offenses listed in IDAPA 16.05.06, "Criminal History and Background Checks," are disclosed.
- **03.** Additional Criminal Convictions. Once criminal history clearances have been received, any additional criminal convictions must be immediately reported by the worker to the participant and by the participant to the Department.
- **04. Notice of Pending Investigations or Charges.** Once criminal history clearances have been received, any charges or investigations for abuse, neglect or exploitation of any vulnerable adult or child, criminal charges, or substantiated adult protection or child protection complaints, must be immediately reported by the worker to the participant and by the participant to the Department.
- **05. Providers Subject to Criminal History Check Requirements.** A community support worker, who has not had the requirement waived by the participant, and a support broker as defined in Section 010 of these rules.

010. **DEFINITIONS.**

- **05. Timeframes of Person-Centered Planning.** The person-centered planning should be completed as timely as possible in order to provide the necessary information required to develop the participant's support and spending plan. Time limitations are not currently mandated in order to allow for extensive, comprehensive planning and thoughtful support and spending plan development.
- **06.** HCBS Person-Centered Planning Requirements. The person-centered planning process must meet all HCBS requirements as defined in IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits," Section 316.

171. -- 179. (RESERVED)

180. CIRCLE OF SUPPORTS.

The circle of support is a means of natural supports for the participant and consists of people who encourage and care about the participant. Work or duties the circle of supports performs on behalf of the participant are not paid.

- **01. Focus of the Circle of Support**. The participant's circle of support should be built and operate with the primary goal of working in the interest of the participant. The group's role is to give and get support for the participant and to develop a plan of action, along with and on behalf of the participant, to help the participant accomplish their personal goals.
- **Members of the Circle of Support**. A circle of support may include family members, friends, neighbors, co-workers, and other community members. For the SDCS, when the participant's legal guardian is selected as a community support worker, the circle of support must include at least one (1) non-family member that is not the support broker. For the purposes of this chapter a family member is anyone related by blood or marriage to the participant or to the legal guardian.
- **O3.** Selection and Duties of the Circle of Support. Members of the circle of support are selected by the participant and commit to work within the group to:
- **a.** Help promote and improve the life of the participant in accordance with the participant's choices and preferences; and
 - **b.** Meet on a regular basis to assist the participant to accomplish their expressed goals. ()
- **04. Natural Supports.** A natural support may perform any duty of the support broker as long as the support broker still completes the required responsibilities listed in Subsection 136.02 of these rules. Additionally, any community support worker task may be performed by a qualified natural support person. Supports provided by a natural support person must be identified on the participant's support plan, but time worked does not need to be recorded or reported to the fiscal employer agent.

181. -- 189. (RESERVED)

190. INDIVIDUALIZED BUDGET.

The Department sets an individualized budget for each participant according to an individualized measurement of the participant's functional abilities, behavioral limitations, medical needs, and other individual factors related to the participant's assessed needs. Using these specific participant factors, the budget-setting methodology will correlate a participant's characteristics with the participant's individualized budget amount, so participants with higher needs will be assigned a higher individualized budget amount. The participant must work within the identified budget and acknowledge that they understand the budget figure is a fixed amount.

01. Budget Amount Notification. The Department notifies each participant of their set budget amount as part of the eligibility determination or annual redetermination process. The notification will include how the participant may appeal the set budget amount.

Section 180 Page 2080

Department of Health & Welfare participate in a formal quality assurance review conducted in collaboration with the Department. FISCAL EMPLOYER AGENT DUTIES AND RESPONSIBILITIES: DISASTER RECOVERY PLAN. 01. Disaster Recovery Plan. The provider must develop and maintain a Disaster Recovery Plan for electronic and hard copy files that includes restoring software and data files, and hardware backup if management information systems are disabled or servers are inoperative. The results of the Disaster Recovery Plan must ensure the continuation of payroll and invoice payment systems. The provider must submit the Disaster Recovery Plan for Department approval during the readiness review. Requirement to Report a Disaster. The provider must report to the Department if management information systems are disabled or servers are inoperative within twenty-four (24) hours of the event. 309. FISCAL EMPLOYER AGENT DUTIES AND RESPONSIBILITIES: TRANSITION PLAN. Transition Plan Objectives. The provider must provide a transition plan to the Department within 01. ninety (90) days after successful completion of the readiness review. The objectives of the transition plan are to minimize the disruption of services and provide an orderly and controlled transition of the provider's responsibilities to a successor at the conclusion of the agreement period or for any other reason the provider cannot complete responsibilities described in this chapter of rules. 02. **Transition Plan Requirements**. The transition plan must: Be updated at least ninety (90) days prior to termination of the provider agreement. а. Include tasks, and subtasks for transition, a schedule for transition, operational resource b. requirements, and training to be provided. Provide for transfer of data, documentation, files, and other records relevant to the agreement in an electronic format accepted by the Department. Provide for the transfer of any current, Idaho-specific policy and procedure manuals, brochures, pamphlets, and all other written materials developed in support of agreement activity to the Department. FISCAL EMPLOYER AGENT DUTIES AND RESPONSIBILITIES: PERFORMANCE METRICS. 310. Readiness Review. The provider must complete a readiness review conducted by the Department with the provider prior to providing fiscal employer agent services. Я. Required Level of Expectation: The provider must complete one hundred percent (100%) of the readiness review. Method of Monitoring: The Department will access SFTP site for review of provider documents h. and conduct an onsite review. Compliance with Tax Regulations and Labor Laws. The provider must ensure each participant's compliance with regulations for both federal taxes and state taxes, as well as all applicable labor laws. 03. **Fiscal Support and Financial Consultation.**

The provider must provide each participant with fiscal support and financial consultation.

Required Level of Expectation: The provider must respond to ninety-five percent (95%) of

Section 308 Page 2090

participant calls within two (2) business days and to e-mails within five (5) days.

16.03.14 - HOSPITALS

LEGAL AUTHORITY. The Idaho legislature has delegated to the Board of Health and Welfare the power to promulgate rules governing hospitals, pursuant to Section 39-1307, Idaho Code. TITLE AND PURPOSE. Title. These rules are titled Idaho Department of Health and Welfare Rules, IDAPA 16.03.14, "Hospitals." 02. Purpose. The purpose of the rules is to provide for the development, establishment and enforcement of standards for the care and treatment of individuals in hospitals and for the construction, maintenance and operation of hospitals that, in the light of advancing knowledge, will promote safe and adequate treatment of such individuals in hospitals. WRITTEN INTERPRETATIONS. The Department may have written statements that pertain to the interpretation of this chapter, or to the documentation of compliance with these rules. 003. -- 009. (RESERVED) **DEFINITIONS AND ABBREVIATIONS – A THROUGH M.** For the purposes of this chapter, the following terms and definitions apply. Anesthesiologist. A physician who meets the requirements for certification by the American Board of Anesthesiology or the American Osteopathic Board of Anesthesiology. 02. **Anesthetist**. A person who is:) A dentist who has successfully completed a three (3) year residency in anesthesiology approved by the American Medical Association. A physician whose competence in the practice of anesthesiology is approved by the medical staff, of the hospital in which he works. A licensed registered nurse who meets the requirements for certification (CRNA) by the Council on Certification of the American Association of Nurse Anesthetists. Approved Drugs and Biologicals. Only such drugs and biologicals as are: 03. Included (or approved for inclusion) in the United States Pharmacopoeia, National Formulary, or United States Homoeopathic Pharmacopoeia. Approved by the pharmacy and therapeutics committee (or equivalent) of the hospital that approves such drugs and biologicals for use in the hospital. Those drugs approved by the State Title XIX Agency. c. 04. Board. The Idaho State Board of Health and Welfare. Chief Executive Officer or Administrator. The person appointed by the governing body to act in its behalf in the overall management of the hospital. Clinical Privileges. Permission to render patient care, granted by the hospital governing body on recommendation of the medical staff, within well defined limits based upon the applicant's professional license, experience, competence, and judgment. **07. Dentist**. A person currently licensed by the state of Idaho to practice dentistry. **Department**. The Department of Health and Welfare of the state of Idaho. **08.** 09. **Dietetic Service Supervisor**. A person who:

such form as the licensing agency prescribes.

b. Each license will be issued only for the premises and persons or governmental units named in the application and shall not be transferable or assignable except with the written approval of the licensing agency.

93. Posting of License. Licenses must be framed and posted in a conspicuous place on the licensed premises.

101. -- 104. (RESERVED)

105. DENIAL OR REVOCATION OF LICENSE.

Pursuant to Section 39-1306, Idaho Code, relating to hearings and review, after notice and opportunity for hearing to the applicant or licensee, the licensing agency is authorized to deny, or revoke a license in any case in which it finds that conditions exist that endanger the health or safety of any patient.

106. -- 109. (RESERVED)

110. COMPLIANCE DEADLINE.

Pursuant to Section 39-1308, Idaho Code, any hospital that is in operation at the time of implementation of any applicable regulations will be given a reasonable time under the particular circumstances, not to exceed one (1) year from the date of implementation, within which to comply with the applicable rules and regulations.

111. -- 119. (RESERVED)

120. INSPECTIONS AND CONSULTATIONS.

- **01. Inspections.** Pursuant to Section 39-1309, Idaho Code, the licensing agency will make or cause to be made such inspections and investigations as it deems necessary. Any licensee or applicant desiring to alter, add to or remodel its existing facility, or to construct new facilities or convert an existing structure to hospital use, is referred to Subsection 002.26 and Section 600, for construction standards and review procedures that must occur prior to commencing such structural changes.
 - **02. Consultations**. Consultations may be provided at the option of the licensing agency. ()

121. -- 129. (RESERVED)

130. CONFIDENTIALITY.

Pursuant to Section 39-1310, Idaho Code, information received by the licensing agency through filed reports, inspections, or as otherwise authorized under this law, will not be disclosed publicly in such a manner as to identify individuals except in a proceeding involving the question of licensure.

131. -- 139. (RESERVED)

140. PENALTIES.

O1. Penalty for Operating Hospital Without License. Any person establishing, conducting, managing, or operating a hospital, as defined, without a license shall be guilty of a misdemeanor punishable by imprisonment in a county jail for a period of time not exceeding six (6) months, or by a fine not exceeding three hundred dollars (\$300), or by both, and each day of continuing violations shall constitute a separate offense.

02. Injunction to Prevent Operation Without License. Notwithstanding the existence or pursuit of any other remedy, the licensing agency may in the manner provided by law maintain an action in the name of the state for injunction or other process against any person or governmental unit to restrain or prevent the establishment, conduct, management or operation of a hospital as defined, without a license.

agreement shall specify the following:

a.

shall provide to the licensing agency evidence of a request for a determination of reviewability if a program providing prospective review of hospitals is in effect.

10. Quality Assurance. Through administration and medical staff, the governing body shall ensure that there is an effective, hospital-wide quality assurance program to evaluate the provision of care. The hospital must take and document appropriate remedial action to address deficiencies found through the program. The hospital must document the outcome of the remedial action.

201. -- 219. (RESERVED)

220. PATIENT RIGHTS.

A hospital must protect and promote each patient's rights. Patient rights are provided for and described in Sections 220 through 234 of these rules.

- 01. Informed in Advance of Patient Care. A hospital must inform each patient, or when appropriate, the patient's representative or caregiver, of the patient's rights in advance of furnishing or discontinuing patient care whenever possible.
- 02. Identify Who Is Responsible for Medical Decisions. The hospital must identify who is responsible for making medical decisions and representing the patient if the patient is unable to make those decisions.
 - 03. Specify Procedures to Inform Patient of Patient Rights.
- **a.** The hospital must specify a procedure to inform patients, their representative, or caregiver of their rights before providing care.
 - **b.** In an emergency, rights may be provided after emergent care is provided. (
- **c.** The procedure must include a method to document that patients were informed of their rights or the reasons they were not informed before care was provided.
- **04. Informed in Format Understandable to Patient/Patient's Representative.** The patient and/or the patient's representative has the right to be informed of the patient's rights in a language or format that the patient and/or legal representative understands.
- **05. Make Informed Decisions**. The patient or patient's representative has the right to make informed decisions regarding patient's care.
- **06. Informed and Involved in Care Plan.** The patient has the right to be informed of health status, be involved in care planning and treatment, and to request or refuse treatment. This right must not be construed as a mechanism to demand the provision of treatment or services deemed medically unnecessary or inappropriate.
- **a.** The hospital must obtain written consent for general treatment at the hospital. If the hospital is not able to obtain this consent, the reasons must be documented.
- **b.** The hospital must obtain an informed written consent from each patient or the patient's representative for the provision of specific medical and/or surgical care, except in medical emergencies. The consent must include an explanation of risks, benefits, and alternatives for high-risk procedures, sedation, and other procedures or services as defined by the governing body.
- **07. Formulate Advance Directives.** The patient has the right to formulate advance directives and to have hospital staff and practitioners who provide care in the hospital comply with these directives. The hospital must document whether the patient has an advance directive. If the patient has an advance directive, the hospital must document what it includes. If the patient does not have an advance directive, the hospital must offer the patient assistance to create one and document the patient's response.

Section 220 Page 2108

08. Privacy . The patient has the right to meet privately with an attorney, a physician, a licens independent practitioner, a representative of the state protection and advocacy group, and adult/child protection agency.	
09. Personal Privacy . The patient has the right to personal privacy, including the right to private during all personal care, including hygiene activities such as bathing, dressing, and toileting. This right includes right to treatment with dignity during personal care.	
a. A patient's right to privacy may be limited in situations when a treatment team determines a pers must be continuously observed to ensure his or her safety. A decision to continuously observe a patient, either person or by video and audio monitoring, must be based on an individualized assessment of the patient's needs and must be part of the patient's individualized plan of care.	in
b. When patients are video monitored, the hospital must turn the camera off or utilize an electron privacy option during personal care and activities of daily living where the patient may be exposed, such as bathin dressing, and toileting. Monitoring during these times must be done by staff members in person. Video and automonitoring and recording must also be turned off during meetings with the patient and an attorney, a physician licensed independent practitioner, a representative of the state protection and advocacy group, and adult/ch protection agency.	ng, dio 1, a
${f c.}$ When the hospital utilizes the continuous observation of patients, and/or video recording patients, it must develop policies and procedures to direct staff in these activities. (of)
d. The hospital must obtain the patient's or patient's legal representative's written consent for video audio recording except in common areas.	or)
e. Video or audio recordings of a patient for any reason must be included as part of the patien medical record except in common areas.	nt's
f. Monitors used for observing patients must not be visible or audible unauthorized persons.	to
10. Video Monitoring of Common Areas. Closed circuit television may be used to monitor commareas when signs are clearly posted that video monitoring or video recording is occurring. Patient consent is required for common areas. Video recordings of common areas are not part of the patient's medical record. (ion not
11. Safe Setting. The patient has the right to receive care in a safe setting. ()
12. Free From Abuse, Neglect, and Harassment. The patient has the right to be free from all forms abuse, neglect, and harassment. If hospital staff become aware of potential abuse or neglect of a patient, the hospit must protect the patient from future harm and report the suspicions to the appropriate legal entity.	
13. Confidentiality. The patient has the right to the confidentiality of his or her clinical records.)
14. Access to Patient's Own Records. The patient has the right to access information contained in or her clinical records within three business days. The patient may request clinical record information as a paper coor in an electronic format.	
a. The hospital may not charge the patient a rate for copies that is higher than that of the local libra (ıry.
b. When the patient requests the information electronically, the hospital must provide it on a curren popular media storage device. The information must be provided in a coherent format. (ıtly)

231. RESTRAINT AND SECLUSION ORDERS. The use of restraint or seclusion must be in accordance with the order of a physician or other licensed independent practitioner, who has been granted privileges by the governing body to order restraint and seclusion. Orders. Orders for the use of restraint or seclusion must never be written as a standing order or on an as needed basis (PRN). **Attending Physician.** The attending physician must be consulted as soon as practical if the attending physician did not order the restraint or seclusion. Time Limits on Orders. Each order for restraint or seclusion used for the management of violent or self-destructive behavior that jeopardizes the immediate physical safety of the patient, a staff member, or others may only be renewed according to the following limits up to a total of twenty-four (24) hours: Four (4) hours for adults eighteen (18) years of age or older; b. Two (2) hours for children and adolescents nine (9) to seventeen (17) years of age; or One (1) hour for children under nine (9) years of age. c. The original restraint or seclusion order may only be renewed within the required time limits for up to a total of twenty-four (24) hours. After the original order expires, a physician or other licensed independent practitioner must see and assess the patient before issuing a new order. e. Seclusion may only be ordered for the management of violent or self-destructive behavior. Each order for restraint used to ensure the physical safety of a non-violent or non-self-destructive patient may be renewed as allowed by hospital policies. Restraint or seclusion must be discontinued at the earliest possible time when the patient no longer presents an immediate risk of harm to self or others. The risk of harm must be assessed by a physician or licensed independent practitioner, or a registered nurse prior to releasing the patient. RESTRAINT AND SECLUSION IMPLEMENTATION AND MONITORING. The use of restraint or seclusion must be implemented in accordance with safe and appropriate restraint and seclusion techniques as determined by hospital policy. Written System. The hospital must adopt a written system for the use of restraints and seclusion, including techniques to identify staff and patient behaviors, events, and environmental factors that may trigger circumstances that require the use of a restraint or seclusion. Observation of Patients Who Are Not Violent or Self-Destructive. Patients who are restrained but who are not violent or self-destructive, must be observed at intervals not greater than fifteen (15) minutes. Management of Violent or Self-Destructive Behavior. Patients who are restrained or secluded

04. Face-to-Face by Physician or Other Licensed Independent Practitioner. Patients who are restrained or secluded for the management of violent or self-destructive behavior, must be seen face-to-face within one (1) hour after the initiation of the intervention by a physician or other licensed independent practitioner or by a registered nurse who has been trained to conduct face-to-face examinations. The face-to-face examination must evaluate:

for violent or self-destructive behaviors must be continuously observed by trained staff assigned to observe the patient. Staff must observe the patient either directly or using both video and audio equipment. Staff observing the

374. FREESTANDING EMERGENCY DEPARTMENT (FSED) - DEFINITION.

A freestanding emergency department (FSED) means a facility that provides emergency services twenty-four (24) hours per day, seven (7) days per week on an outpatient basis, is physically separate from a hospital, and meets the staffing and service requirements of Section 376 of these rules. A FSED is located within thirty-five (35) miles of the hospital that owns or controls it. An FSED is owned by a hospital with a dedicated emergency department that also meets the staffing and service requirements found in Section 376 of these rules.

375. FREESTANDING EMERGENCY DEPARTMENT (FSED): STANDARDS.

- **01.** Capability of Receiving Ground Ambulance Patients. An FSED must be capable of receiving patients transported via ground ambulance within the protocols established by a licensed Emergency Medical Services (EMS) Agency Medical Director. Provisions must be made to communicate any reduction or increase in the capability of the FSED to receive specific levels of patients to the local EMS director.
- **02.** Transfer to Inpatient Hospital. An FSED must transfer each patient requiring inpatient hospital services as soon as a bed is available.
- **03. Extension of the Main Hospital**. An FSED as an extension of the main hospital must comply with all applicable rules of IDAPA 16.03.14, "Hospitals," and Section 39-1307, Idaho Code
- **04.** Availability of Resources and Staffing for Main Hospital and FSED. Resources and staff available at the main hospital are likewise available to individuals seeking care at the FSED within the capability of the hospital.
- **05. Prohibited Transfers.** Transferring a patient to a different provider type for surgery, with the intent of returning the patient to the FSED or main hospital for recovery, is prohibited.
- **06.** Written Transfer Agreements. The hospital that owns and operates the FSED must have written transfer agreements with one (1) or more hospitals that provide the basis for effective working arrangements in which inpatient hospital care or other hospital departments are promptly available to patients when needed.
- **07. FSED Accreditation**. Each hospital granted deemed status by the Centers for Medicare/Medicaid Services as a result of accreditation must ensure the FSED is included under the same accreditation. ()

376. FREESTANDING EMERGENCY DEPARTMENT (FSED): STAFFING AND SERVICES.

The FSED must be integrated into the main hospital. This integration must be defined in the hospital's policies and procedures, and practices. Additional requirements are as follows:

- **O1. Staffing.** An FSED must be staffed twenty-four (24) hours per day, seven (7) days per week with:
- a. A board certified physician, or board eligible emergency department physician, approved by the governing board as described under Section 200, "Governing Body and Administration," and the medical staff as described under Section 250, "Medical Staff," of these rules;

 ()
- **b.** A qualified licensed registered nurse certified in Advanced Cardiac Life Support and Pediatric Advanced Life Support; and
 - **c.** Additional medical, nursing, and other personnel necessary to meet the needs of patients. ()
 - 02. An FSED Must Provide or Arrange for:
- a. At least one (1) ambulance licensed to the Critical Care Transport level by the EMS Bureau in accordance with: Title 56, Chapter 10, Idaho Code; IDAPA 16.02.02, "Idaho Emergency Medical Services Physician Commission"; and IDAPA 16.01.03, "Emergency Medical Services (EMS) Agency Licensing Requirements." If the ambulance service is not provided directly by the FSED or main hospital, a contract must be in place including a provision that requires a maximum response time of thirty (30) minutes to the FSED.

a.

under the supervision of an architect or engineer licensed in the state of Idaho. This requirement may be waived by the Department in connection with minor alterations provided the alterations comply with all construction requirements. Prior to commencing work pertaining to construction of a new building, any addition or structural b. changes to existing facilities, or conversion of existing buildings to be used as an FSED, plans and specifications must be submitted to, and approved by, the Department. Preliminary plans must be submitted and must include at least the following: A functional program description as defined in 2006 Edition of AIA Guidelines for Design and Construction of Health Care Facilities; The assignment of all spaces, size of areas and rooms, and indicate in dashed outline the fixed equipment; Drawings of each floor including, but not limited to, the basement, approach or site plan, roads, parking areas, and sidewalks; iv. The total floor area and number of beds; Outline specifications describing the general construction, including interior finishes, acoustical V. materials, and HVAC; The plans must be drawn to scale of sufficient size to clearly present the proposed design, but not less than a scale of one-eighth (1/8) inch to one (1) foot; Before commencement of construction, working drawings must be developed in close cooperation and with approval of the Department and other appropriate agencies; The drawings and specifications must be well prepared and of accurate dimensions and must include all necessary explanatory notes, schedules, and legends. They must be stamped with the architect's or engineer's seal; and ix. The drawings must be complete and adequate for contract purposes. Prior to occupancy, the construction must be inspected and approved by the Department. The Department must be notified at least four (4) weeks prior to completion in order to schedule a timely final inspection. Buildings used as a FSED must meet all the requirements of local, state, and national codes concerning fire and life safety that are applicable to hospitals. 03. Electrical Safety. A preventative maintenance program must ensure an electrically safe environment within the FSED. Written policies and procedures must be established and implemented to ensure compliance with NFPA 99 Health Care Facilities, 2005 Edition. Specific restrictions on the use of extension cords and adapters are: extension cords must be used in emergency situations only, be of the grounded type, and have wire gauge compatible to the piece of equipment being used; and

Smoking. Because smoking has been acknowledged to be a fire hazard, a continuous effort must be

Prohibition of the use of personal electrical equipment by patients and employees. Specific items

may be allowed if the hospital adopts formal policies for defining and inspecting them.

- **08. Physician Services.** A board certified or board eligible psychiatrist must provide the overall direction of the service including monitoring and evaluating the quality and appropriateness of psychiatric services rendered. Physicians must be available at all times to provide medical and surgical diagnosis and treatment services.
- **09. Nursing Service**. The nursing service must be under the overall direction of a psychiatric nurse qualified by training or experience in psychiatric nursing, who monitors and evaluates nursing care provided.
- **a.** A licensed registered nurse must be on duty twenty-four (24) hours a day, seven (7) days a week to provide direct patient care, and to assign and supervise nursing care activities performed by other nursing personnel.
- **b.** There must be adequate numbers of qualified licensed registered nurses, licensed practical (vocational) nurses, psychiatric technicians, and other supportive nursing personnel to carry out the nursing aspects of the individual treatment plan for each patient and capable of maintaining progress notes on all patients. ()
- 10. Psychological Services. The director of the psychological services must be a clinical psychologist who continually monitors and evaluates the quality and appropriateness of psychological services rendered (in accordance with standards of practice, service objectives, and established policies and procedures).
- 11. Social Services. The director of social services must be a social worker who monitors and evaluates the quality and appropriateness of social services (in accordance with service objectives, standards of practice, and established policies and procedures).
- 12. Therapeutic Activities. The hospital must provide a therapeutic activities program appropriate to meet the needs and interests of patients that is directed toward rehabilitation to and maintenance of optimal levels of physical and psychosocial functioning, and toward attaining a life style appropriate for each patient.
- **a.** If occupational therapy services are offered, they must be under the supervision of an occupational therapist.
- **b.** Adequate numbers of qualified therapists, supportive personnel, and consultants must be available to provide comprehensive therapeutic activities in conjunction with each patient's treatment plan.
- **c.** Therapeutic recreational activities must be under the supervision of a designated member of the staff who has demonstrated competence in therapeutic recreational activities programs.
- **d.** The supportive staff of the occupational therapy and therapeutic recreational activities services must be provided formal orientation and inservice training to enable them to carry out assigned functions. ()
- **e.** If volunteers are utilized in the therapeutic activities program, they must be provided appropriate orientation, training, and supervision by qualified professional staff.
- 13. Physical Therapy Service. If physical therapy services are offered, the director of the service must be a physical therapist who monitors the quality and appropriateness of services rendered.
- 14. Psychiatric Unit Space. After the effective date of these rules, any psychiatric unit not free standing must be separated and able to be secured form the general hospital with which it is associated. Each psychiatric service unit, free standing or not, must include the following:

	a.	Consultation room or rooms;	()
	b.	Facilities for examination and a treatment room for medical procedures;	()
observat	c.	At least one (1) observation room for acutely disturbed patients, with facilities for	visua (ıl)

hospital electrical patient care equipment. All new equipment shall be tested prior to use and in no case shall the retesting interval exceed one (1) year; and

- **b.** Periodic evaluation of the electrical distribution system and all nonpatient care equipment. Inspection and testing of nonclinical equipment shall be performed at regular intervals to be determined by the chief maintenance engineer; and
- c. Specific restrictions on the use of extension cords and adapters. Extension cords shall be used in emergency situations only, be of the grounded type and have wire gauge compatible to the piece of equipment being used; and
- **d.** Prohibition of the use of personal electrical equipment by patients and employees. Specific items may be allowed if the hospital adopts formal policies for defining and inspecting them.
- **O4. Smoking**. Because smoking has been acknowledged to be a fire hazard, a continuous effort shall be made to reduce its presence in the hospital. Written regulations governing smoking shall be conspicuously posted and made known to all hospital personnel, patients, and the public. These regulations shall include provisions for compliance with the "Idaho Clean Indoor Air Act" and at least the following provisions:
- **a.** Smoking shall be prohibited in any area of the hospital where flammable liquids, gases or oxygen is in use or stored. These areas shall be posted with appropriate signage; and
 - **b.** Patients shall not be permitted to smoke in bed unless a responsible person is in attendance; and
- **c.** Unsupervised smoking by patients classified as not mentally or physically responsible shall be prohibited. This shall also include patients so affected by medications; and
 - **d.** Smoking shall be prohibited in areas where combustible materials and supplies are stored; and
- **e.** Designated areas shall be provided for employee and visitor smoking. This requirement need not be complied with in any hospital that has established, by policy, that smoking is prohibited within the hospital.
- **05.** Emergency Plans for Protection and Evacuation of Patients. The hospital shall develop a prearranged written plan for employee response for protection of patients and for orderly evacuation of residents in case of an emergency.
- **a.** A diagram of the building noting the locations of exits, extinguishers, and fire alarm pull stations along with written emergency instructions shall be available within each department of the hospital.
- **b.** Emergency plans shall be thoroughly tested and used as necessary to assure rapid and efficient function.
- **c.** Fire drills shall be planned by key personnel and conducted on an unannounced basis. Fire drills shall be held as required by the "Life Safety Code."
- **06. Report of Fire.** A separate report on each fire incident occurring within the hospital shall be submitted to the Department within thirty (30) days of the occurrence. The reporting form, "Facility Fire Incident Report," shall be issued by the Department to secure specific data concerning date, origin, extent of damage, method of extinguishment, and injuries, if any.
- **07. Maintenance of Equipment**. The hospital shall establish routine test, check, and maintenance procedures for alarm systems, extinguishment systems, and all essential electrical systems. Frequency of testing, checks, and maintenance shall be in accordance with applicable National Fire Protection Association Standards referenced in Appendix B of the 1985 "Life Safety Code" or as adopted by the Idaho State Fire Marshal.

16.03.17 - MEDICARE/MEDICAID COORDINATED PLAN BENEFITS

000. LEGAL AUTHORITY. The Department is authorized to promulgate these rules under Sections 56-202(b), 56-251(2)(c), and 56-255(4), Idaho Code, the Medicare Prescription Drug Improvement and Modernization Act of 2003, P.L. 108-173, Section 231, and Section 1937 of the Social Security Act. 001. TITLE AND SCOPE. Title. These rules are titled IDAPA 16.03.17, "Medicare/Medicaid Coordinated Plan Benefits." Scope. These rules cover the Medicaid benefit plan option that coordinates and integrates health plan benefits for individuals who are eligible for and enrolled in both Medicare and Medicaid. This package of benefits is referred to as the Medicare/Medicaid Coordinated Plan (MMCP). These rules cover eligibility, participant responsibility, general provider requirements, and the range of services covered under the MMCP. WRITTEN INTERPRETATIONS. This agency may have written statements that pertain to the interpretations of the rules of this chapter.) 003. -- 007. (RESERVED) AUDIT, INVESTIGATION AND ENFORCEMENT. In addition to any actions specified in these rules, the Department may audit, investigate, and take enforcement action under the provisions of IDAPA 16.05.07, "The Investigation and Enforcement of Fraud, Abuse, and Misconduct." 009. (RESERVED) 010. **DEFINITIONS.** For the purposes of this chapter of rules, the following definitions are used: Capitated Payment. The amount paid to a Medicare Advantage Organization for Medicare/ Medicaid Coordinated Plan services as expressed in a per member per month amount. Department. The Idaho Department of Health and Welfare or a person authorized to act on behalf of the Department. Dual-Eligible. Individuals who meet all the eligibility requirements under Section 100 of these rules. Evidence of Coverage. The Medicare Advantage Plan contract the MAO has with the participant. This document explains the covered services, including services included in Medicare Parts A, B, and D. It also defines the Medicare Advantage Plan obligations, and explains the participant's rights and responsibilities. Medicare. Medicare is a federal health insurance program for people age sixty-five (65) or older, people under age sixty-five (65) with certain disabilities, and people of all ages with End-Stage Renal Disease. It has three (3) types of coverage: Part A Hospital Insurance, Part B Medical Insurance, and Prescription Drug Coverage. It is administered under Title XVIII of the Social Security Act. Medicare Advantage Organizations (MAOs). Insurance companies approved by the Centers for 06. Medicare/Medicaid Services to offer Medicare Advantage Plans in accordance with Title XVIII, Part C, of the Social Security Act and 42 CFR, Part 422, which include those services available under Medicare Parts A, B, and D, and who are Medicaid providers authorized to enroll participants in the Medicare/Medicaid Coordinated Plan. Medicare Advantage Plan. A health plan approved by Medicare but offered by a private company that contracts with Medicare to provide Medicare Part A, Part B, and Part D benefits. The Medicare Advantage Plan under this chapter is a special integrated plan offered by participating MAOs that includes a benefit package in its "Evidence of Coverage" approved by CMS. Medicare/Medicaid Coordinated Plan (MMCP). Medical assistance in which Medicaid

purchases services from an MAO and provides other Medicaid-only services covered under the Medicaid Basic Plan

Section 000 Page 2162

or the Medicaid Enhanced Plan in accordance with these rules.

MAO CONTRACT REQUIREMENT (Sections 200-299)

200. CONTRACT WITH MEDICAID.

Any MAO seeking to offer MMCP services must have a contract with the State Medicaid agency. An MAO retains responsibility under the contract for providing benefits, or arranging for benefits to be provided, for individuals entitled to receive medical assistance under Title XIX.

201. -- 299. (RESERVED)

COVERED SERVICES (Sections 300-301)

- **300. MEDICARE/MEDICAID COORDINATED PLAN (MMCP): COVERAGE AND LIMITATIONS.** Medicare Advantage Plans and Medicaid are subject to applicable federal managed care requirements that provide participant protections regarding acceptable marketing activities, information regarding cost sharing, quality assurance, grievance systems, and participant rights. ()
 - **01. MMCP-Covered Services**. The MMCP-covered services include the following: ()
- **a.** MAO-Covered Services. Services covered by the MAO as listed in its "Evidence of Coverage." The MAO may limit or expand the scope of services as defined in the "Evidence of Coverage." MAO-covered services, including Medicare Parts A, B, and D benefits, are detailed in the MMCP contract.
- **b.** Medicaid-Only Services. Services listed under IDAPA 16.03.09, "Medicaid Basic Plan Benefits," or IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits," provided by Medicaid providers that are not MAOs. Medicaid may cover additional services that are not included in the MAO's "Evidence of Coverage."
- **O2.** Services Excluded from the MMCP. Services not included in the MAO "Evidence of Coverage" or listed under the IDAPA 16.03.09, "Medicaid Basic Plan Benefits," or IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits," are not covered under the MMCP.
- **03. Premiums and Cost-Sharing**. The participant will not pay for any premiums or cost-sharing when covered under the MMCP, except as provided under Subsection 102.02 of these rules.
- **301. MEDICARE/MEDICAID COORDINATED PLAN BENEFITS: PROVIDER REIMBURSEMENT.** Each provider must apply for and be approved as a Medicaid provider under the MMCP before it can be reimbursed.
- **01. Medicaid-Only Service Providers**. Medicaid-only service providers are reimbursed according to the reimbursement methodology in IDAPA 16.03.10, "Medicaid Enhanced Plan Benefits," related to the Medicaid-only service. Medicaid-only service providers are also subject to the General Provider Provisions under IDAPA 16.03.09, "Medicaid Basic Plan Benefits."
- **Medicare Advantage Organizations**. Each MAO will be paid a monthly per member per month (PMPM) rate that is defined in the MAO contract. The MAO is responsible for submitting a monthly invoice to the Department in the Department-specified electronic format. This invoice must include the name of the Medicaid participant, the Medicaid ID number, and the time frame of coverage. The PMPM rate paid to the MAO includes the participant's Medicare premium, any cost-sharing required by the MAO, and the services listed in its "Evidence of Coverage."

16.03.24 - THE MEDICALLY INDIGENT PROGRAM

)

)

000. LEGAL AUTHORITY. In accordance with Section 31-3503C, Idaho Code, the Idaho Legislature has authorized the Department of Health and Welfare to adopt and enforce rules governing requests for Medicaid eligibility determination for persons who may be medically indigent. 001. TITLE AND SCOPE. Title. These rules are titled IDAPA 16.03.24, "The Medically Indigent Program." 01. 02. Scope. The Idaho Legislature has declared that the County Medically Indigent Program and the Catastrophic Health Care Cost Program are payers of last resort. These programs are only a partial solution to the health care costs of Idaho's medically indigent citizens. Therefore, hospitals, providers, applicants, and third-party applicants seeking financial assistance under the County Medically Indigent Program and the Catastrophic Health Care Cost Program are subject to the limitations and requirements in this chapter of rules. In accordance with Section 31-3503E(7), Idaho Code, the denial of Medicaid eligibility is not a determination of medical indigency under the County Medically Indigent Program or the Catastrophic Health Care Cost Program. Title 31, Chapter 35, Idaho Code, provides that under the County Medically Indigent Program and the Catastrophic Health Care Cost Program eligibility for financial assistance will be determined by the respective counties and the Board. The respective counties and the Board may, limit or prioritize eligibility for financial assistance based upon such factors as availability of funding, degree of financial need, degree of clinical need, or other factors. In accordance with Title 31, Chapter 35, Idaho Code, these rules provide for and establish policies, procedures, requirements, and appeal processes applicable to requests for Medicaid eligibility determination for persons who may be medically indigent. This chapter is not intended to, and does not establish an entitlement for or to receive financial assistance under Title 31, Chapter 35, Idaho Code. Individuals who may be eligible for Medicaid must comply with requirements in Title XIX and Title XXI of the Social Security Act, and the following Department rules: i. IDAPA 16.03.01, "Eligibility for Health Care Assistance for Families and Children." IDAPA 16.03.05, "Eligibility for the Aged, Blind, and Disabled (AABD)." ii.) IDAPA 16.03.06, "Refugee Medical Assistance." 002. -- 005. (RESERVED) 006. CONFIDENTIALITY OF RECORDS AND PUBLIC RECORDS. Confidential Records. The use or disclosure of records or information covered by these rules must comply with IDAPA 16.05.01, "Use and Disclosure of Department Records." Public Records. The Department will comply with Title 74, Chapter 1, Idaho Code, when requests for the examination and copying of public records are made. Unless otherwise exempted, all public records in the custody of the Department are subject to disclosure. Authorization for Disclosure. An application for financial assistance and request for Medicaid eligibility determination constitutes authorization for hospitals, providers, the Board, the Department, and the respective counties of the State of Idaho to copy, transmit, share, and exchange information pertaining to an applicant's health and finances for the purpose of determining Medicaid eligibility or medical indigency. 007. -- 009. (RESERVED) **DEFINITIONS.** 010. For the purposes of this chapter of rules, the following terms apply.

Application. An application for financial assistance under Section 31-3504, Idaho Code, and the

uniform form used for the initial review and the Department's Medicaid eligibility determination under Section 31-

000. LEGAL AUTHORITY. Rulemaking Authority. Under Sections 56-202, 56-203, and 56-1054, Idaho Code, the Department has the authority to adopt rules regarding the Idaho Medicaid Promoting Interoperability (PI) Program. This program was formerly known as the "Idaho Medicaid Electronic Health Record (EHR) Incentive Program." 02. General Administrative Authority. The American Reinvestment and Recovery Act of 2009 (ARRA), Section 4201, and 42 CFR Part 495, provide the basic authority for administration of this federal program. 001. TITLE AND SCOPE. Title. These rules are titled IDAPA 16.03.25, "Idaho Medicaid Promoting Interoperability (PI) Program." 02. **Scope**. These rules: Establish the Medicaid Electronic Health Record (EHR) Incentive Program for Idaho covered a. under 42 CFR Part 495. Provide the Medicaid EHR Incentive Program criteria for participation of qualified eligible professionals and hospitals that adopt, implement, or upgrade to become meaningful users of certified electronic health record systems in accordance with the American Recovery and Reinvestment Act of 2009 (ARRA), Section c. Provide for the audit of providers receiving incentive payments.) 002. WRITTEN INTERPRETATIONS. This agency may have written statements that pertain to the interpretations of the rules of this chapter. These documents are available for public inspection. 003. -- 009. (RESERVED) **DEFINITIONS AND ABBREVIATIONS.** For the purposes of this chapter of rules the following terms apply: Acute Care Hospital. A health care facility, including a critical access hospital, with a CMS Certification Number that ends in 0001-0879 or 1300-1399. An acute care hospital: Must have ten percent (10%) Medicaid patient discharges; a. b. Is a primary health care facility where the average length of patient stay is twenty-five (25) days or fewer. 02. Adopt, Implement, or Upgrade (AIU). a. Acquire, purchase, or secure access to certified EHR technology; Install or commence utilization of certified EHR technology capable of meeting meaningful use b. requirements; or Expand the available functionality of certified EHR technology capable of meeting meaningful use requirements at the practice site, including staffing, maintenance, and training, or upgrade from existing EHR technology to certified EHR technology.

04. Border States. The border states for Idaho are: Washington, Oregon, Nevada, Utah, Wyoming, and

- **O1.** Providers and Hospitals Eligible to Participate in the PI Program. The Department administers the federal PI Program that pays incentive payments to eligible providers and eligible hospitals that adopt, implement, upgrade, and meaningfully use certified EHR technology in accordance with the provisions of 42 CFR Part 495. Providers and hospitals eligible to participate in the PI Program are identified in 42 CFR Section 495.304.
- **O2. Department Reviewing and Auditing of PI Program Participants**. As authorized by 42 CFR Part 495, the Department reviews and may audit all professionals and hospitals participating in the PI Program. The Department reviews all practice, documentation, and data related to the EHR technology to determine whether professionals and hospitals participating in the PI Program are eligible and complying with the state and federal rules and regulations. The Department uses a defined audit strategy for auditing the PI Program. PI Program participants must meet the following requirements:

400. STATE OPTIONS ELECTIONS UNDER THE PI PROGRAM.

In addition to the federal provisions in the ARRA, Section 4201, the PI Program is governed by federal regulations at 42 CFR Part 495. In compliance with the requirements of federal law, the Department establishes the following State options under the PI Program:

- **01.** Calculating Patient Volume. For purposes of calculating patient volume as required by 42 CFR Section 495.306, the Department has elected eligible professionals and eligible hospitals to use 42 CFR Section 495.306(c).
- **O2.** Patient Volume Methodology. For eligible professionals who use a group proxy patient volume methodology outlined in 42 CFR Section 495.306(h), the EP must see at least one (1) Medicaid or medically underserved patient before he may apply for a Medicaid incentive payment.
- **03. Hospital Fiscal Year**. The twelve (12) month period defined by a hospital for financial reporting purposes that will be used to comply with 42 CFR Section 495.310(g)(1)(i)(B).
- **04. Determination of Hospital-Based**. In accordance with 42 CFR Section 495.4, in order to distinguish "hospital-based eligible professional" from "eligible professional (EP)" during the program year, the Department reviews the quantity and place of services rendered for the CY preceding the program year to which the payment will apply.

100.	PARTIC	CIPANT CASE RECORD.	

Section 000 Page 2190

IDAPA 16.04.14 Low-Income Home Energy Assistance Program

The participant case record is the documentary basis justifying the expenditure of LIHEAP funds. All material

pertinent to a participant household will be retained for a permanent record. Each eligibility determination must be supported by information in the permanent record showing that each eligibility requirement is met, or that one (1) or more eligibility requirements are not met.
101. ELIGIBLE ACTIVITIES. Funds made available through the LIHEAP grant will be used as follows: ()
01. Home Utility and Bulk Fuel Costs. These costs include those incurred by the eligible participant household for electricity, natural gas and bulk fuel for home energy needs, but does not include costs incurred for telephone, water, trash or sewer.
O2. Governor Declared Emergency or Disaster. A portion of the LIHEAP grant funds may be used for home heating supply shortages experienced by the participant household or a weather-related emergency which threatens the health or lives of an area's inhabitants such that the Governor declares a state of emergency.
03. Catastrophic Illness Costs. Households with income exceeding eligibility guidelines may be eligible due to catastrophic illness. The household's unreimbursed medical expenses from the previous twelve (12) months are subtracted from the household's gross income for the same period. If the household then meets income guidelines, the Department makes a final eligibility determination.
102. PARTICIPANT RIGHTS. The Department must inform participants of the following rights during the application and eligibility determination process:
01. Right to Apply. Any participant household wishing to apply must be given the opportunity, without delay, to apply for LIHEAP benefits. All participants must apply in writing.
02. Right to a Hearing . Rules governing hearing rights are contained in Idaho Department of Health and Welfare Rules, IDAPA 16.05.03, "Contested Case Proceedings and Declaratory Rulings."
03. Civil Rights. The rights of participant households must be respected under the U.S. and Idaho Constitutions, the Social Security Act, Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, and all other relevant provisions of federal and state law, including the avoidance of practices which violate a person's privacy or subjection to harassment.
103. PARTICIPANT RESPONSIBILITIES. Each participant applying for LIHEAP benefits must, to the extent permitted by their physical and mental condition, provide all necessary and reasonable verification to establish eligibility, and must otherwise cooperate in the eligibility determination process.
104. RELATIONSHIP TO OTHER PROGRAMS. LIHEAP benefits paid to eligible participant households must not be counted as income or resources for any purpose under any federal or state law, including any law relating to taxation, public assistance, or welfare programs.
105 149. (RESERVED)
150. ELIGIBILITY REQUIREMENTS AND COLLATERAL CONTACTS. All participant households assisted through LIHEAP must provide proof of both financial eligibility requirements and non-financial eligibility requirements.
01. Failing to Meet the Financial and Non-Financial Eligibility. Participant households failing to meet the financial and non-financial eligibility requirements will be denied LIHEAP assistance.

O2. Participant's Signature. A participant's signature on the application is their consent for the Department to contact collateral sources for verification of the eligibility requirement(s).

	ISIONS CONTINGENT UPON FEDERAL FUNDING.	f fire	de

The provisions in Sections 000 through 999 inclusive, are contingent upon availability and receipt of funds appropriated through federal legislation. When federal funds are not available to the state of Idaho, these provisions or any part therein are considered dormant; there may be no advance notice of termination or reduction of benefits. If additional funds are available, a supplemental payment may be made, in an equitable manner, to each eligible household at the discretion of the Director.

16.04.17 - RESIDENTIAL HABILITATION AGENCIES

LEGAL AUTHORITY. The Idaho Board of Health and Welfare is authorized under the Developmental Disabilities Services and Facilities Act, Sections 39-4601 et seq., Idaho Code, and under Section 56-1003, Idaho Code, to adopt and enforce rules, standards, and certification criteria for Residential Habilitation Agencies and provide for the delivery of appropriate services of habilitation and rehabilitation to the eligible population. 001. TITLE AND SCOPE. 01. Title. These rules are titled IDAPA 16.04.17, "Residential Habilitation Agencies." 02. **Scope**. These rules govern: The certification of residential habilitation agencies; and a. Establish standards and minimum requirements for agencies that provide residential habilitation services. The provisions are intended to regulate agencies so that services to participants will optimize participant opportunities for independence and self-determination while assuring adequate supports, services, participant satisfaction, and health and safety. Residential habilitation agencies will provide individualized services and supports encouraging participant choice, providing the greatest degree of independence possible, enhancing the quality of life, and maintaining community integration and participation. Services provided by such agencies are intended to be person-centered and participant-driven, and based on a person-centered plan to meet each participant's needs for selfsufficiency, medical care, and personal development with goals that safely encourage each participant to become a productive member of the community in which they live. Access to these services must be authorized in accordance to the procedures of the paying entity. 002. -- 008. (RESERVED) 009. CRIMINAL HISTORY AND BACKGROUND CHECK REQUIREMENTS. Verification of Compliance. The agency must verify that all employees and subcontractors delivering residential habilitation agency services have complied with IDAPA 16.05.06, "Criminal History and Background Checks." Requirement to Report Additional Criminal Convictions, Pending Investigations, or Pending Charges. Once an employee or subcontractor delivering residential habilitation agency services has received a criminal history clearance, any additional criminal convictions, pending investigations, or pending charges must be reported to the Department or its designee by the close of the next business day when the agency learns of the convictions, investigations, or charges. **DEFINITIONS -- A THROUGH N.** For the purposes of these rules the following terms are used as defined below: Abuse. The non-accidental act of sexual, physical, verbal, or mental mistreatment, or injury of a resident through the action or inaction of another individual. 02. **Administrator**. The individual who has primary responsibility for the direction and control of an agency. Advocate. An authorized or designated representative of a program or organization operating under federal or state mandate to represent the interests of a person with developmental disabilities. A participant may act as their own advocate. 04. **Agency**. Any business entity that directly provides residential habilitation services. 05. **Board**. The Idaho Board of Health and Welfare. **06. Certificate**. A permit to operate a residential habilitation agency. Complaint. A formal expression of dissatisfaction, discontent, or unhappiness by or on behalf of a

participant concerning the services provided by the agency. This expression can be oral, in writing, or by alternative

g. Skills training specific to the needs of each participant served must be provided by a residential habilitation professional and include the following:
i. Instructional techniques including correct and consistent implementation of the participant' program plan or plan of care; and
ii. Managing behaviors including techniques and strategies for teaching adaptive behaviors. (
03. Ongoing Training . The residential habilitation professional must provide and document ongoing training of direct service staff when changes are made to the participant's plan of service and corresponding program plans. Additionally, the agency will be responsible for providing on-going training to direct service staff when there are changes to the participant's physical, medical, and behavioral status.
205 299. (RESERVED)
300. AGENCY POLICIES AND PROCEDURES. A policy and procedure manual must be developed by the agency to effectively implement its objectives. It must be approved by the governing authority. The manual must, at a minimum, include policies and procedures reflecting the following:
01. Scope of Services and Area Served . The agency must define the scope of services offered and the geographic area served by the agency.
O2. Acceptance Standards. The agency must develop and implement written policies and procedure that specify the agency will only accept and retain participants for whom the agency is adequately equipped to provide appropriate services according to the participant's plan of care. The agency will not accept or retain participants when the agency does not have the personnel appropriate in number and with appropriate knowledge and skill to provide the services needed by each participant according to each participant's plan of care.
03. Participant Records. Each agency must develop and implement written policies and procedure that describe the content, maintenance, and storage of participant records. Each agency must maintain accurate current, and complete participant records. These records must be maintained for at least five (5) years following the participant's termination of services, or to the extent required by other federal or state requirements. Each agency must have a participant records system to include past and current information and to safeguard participant confidentiality under these rules.
Q4. Required Services. Each agency must develop and implement written policies and procedures that describe how the agency will assess and provide residential habilitation services. Residential habilitation service consist of an integrated array of individually tailored services and supports. These services and supports are designed to assist the participants to reside in their own homes. Residential habilitation includes habilitation services aimed a assisting the individual to acquire, retain, or improve their ability to reside as independently as possible in the community or maintain family unity, and include training in one (1) or more of the following areas:
a. Self-direction, including the identification of and response to dangerous or threatening situations making decisions and choices affecting the individual's life, and initiating changes in living arrangements or life activities;
b. Money management, including training or assistance in handling personal finances, making purchases, and meeting personal financial obligations;
c. Daily living skills, including training in accomplishing routine housekeeping tasks, mea preparation, dressing, personal hygiene, self-administration of medications, and other areas of daily living including proper use of adaptive and assistive devices, appliances, home safety, first aid, and emergency procedures; (
d. Socialization, including training or assistance in participation in general community activities and

	a.	Social Skills Development. Focus on developing or increasing participants' social skills.	()
	b.	Prevention Strategies. Ensure and document the use of positive approaches to increase soci	ial skil	ls

Section 303 Page 2213

Department of Health and Welfare and decrease maladaptive behavior while using least restrictive alternatives and consistent, proactive responses to behaviors. Behavior replacement. Ensure that programs to assist participants with managing maladaptive behavior include teaching of alternative adaptive skills to replace the maladaptive behavior. Protected Rights. Ensure the safety, welfare, and human and civil rights of participants are adequately protected. Objectives and Programs. Ensure that objectives and intervention techniques are developed or obtained and implemented to address self-injurious behavior, aggressive behavior, inappropriate sexual behavior, and any other behaviors that significantly interfere with participants' independence or ability to participate in the community. Ensure that reinforcement selection is individualized and appropriate to the task and not contraindicated for medical reasons. Participant Involvement. Ensure programs developed by the agency involve the participants, to the best of their ability, in developing the plan to increase social skills and to manage maladaptive behavior. Written Informed Consent. Ensure programs developed by an agency to assist participants with managing maladaptive behaviors are conducted only with the written informed consent of the participant, or legal guardian, where applicable. When programs used by the agency are developed by another service provider the agency must obtain a copy of the informed consent. Review and Approval. Programs developed by an agency to manage maladaptive behavior are implemented after the review and written approval of the residential habilitation professional. If the program contains restrictive or aversive components, an individual working within the scope of their license or certification must also review and approve, in writing, the program prior to implementation. When programs implemented by the agency are developed by another service provider, the agency must obtain a copy of these reviews and approvals. Appropriate Use of Interventions. Employees of the agency must not use physical, verbal, sexual, or psychological abuse, or punishment. For the purposes of these rules, punishment is any procedure in which an adverse consequence is presented that is designed to produce a decrease in the rate, intensity, duration, or probability of the occurrence of a behavior; or, the administration of any noxious or unpleasant stimulus or deprivation of a participant's rights or freedom for the purpose of reducing the rate, intensity, duration, or probability of a particular behavior. Employees of the agency must not withhold food or hydration that contributes to a nutritionally adequate diet. The agency must ensure that interventions used to manage participants' maladaptive behavior are never used: For disciplinary purposes; a. b. For the convenience of staff: As a substitute for a needed training program; or d. By untrained or unqualified staff. Use of Restraint on Participants. No restraints, other than physical restraint in an emergency, must be used on participants prior to the use of positive behavior interventions. The following requirements apply to the use of physical restraint on participants:

others and must be documented and reviewed in the participant's record by the direct service staff and the residential habilitation professional. Documentation must include a debrief with the participant and staff involved focusing on strategies to avoid the occurrence of future physical restraints.

Physical restraint may be used in an isolated emergency to prevent injury to the participant or

Section 303 Page 2214

Physical restraint.

a.

Physical restraint may be used in a non-emergency setting when a written behavior change plan is developed by the participant and their guardian, if applicable, their team, and a qualified residential habilitation professional. Informed participant consent is required. 304. -- 399. (RESERVED) 400. AGENCY PARTICIPANT RECORD REQUIREMENTS. Each agency certified under these rules must maintain accurate, current, and complete participant and administrative records. Each participant record must clearly document the date, time, duration, and type of service, and include the signature of the individual providing the service, for each service provided. Each participant record must contain the following information: 01. **Profile Sheet**. Each participant record must include a profile sheet containing the following: Name, current address, and current phone number of the participant; a. b. Medicaid ID number; Gender and marital status; c. d. Date of birth: Names, addresses, and current phone numbers of legal guardian if applicable, family, advocates, friends, and persons to be contacted in case of an emergency; Names, addresses, and current phone number of physician, pharmacy, dentist, and other health care providers as applicable; A list, or an attached list, of current medications, diet, and all other treatments prescribed for the participant; and Current diagnoses or reference to a current history and physical. h. 02. Authorized Plan of Service. The agency must obtain a current authorized plan of service from the paying entity. Participant Rights. Each agency must document upon initiation of services, that each participant and their guardian, where applicable, have been informed of their rights, access to grievance procedures, and the names, addresses, and telephone numbers of protection and advocacy services. This information must be provided in easily understood terms both verbally and in writing. **04. History and Physical**. Results of a most current history and physical. Functional Assessment. An age-appropriate functional assessment must be completed or obtained by the agency within thirty (30) days of the initiation of service. The functional assessment must be used for the development of program plans and include: An assessment reflecting the person's functional abilities in the following areas: self-direction, money management, daily living skills, socialization, mobility, behavior shaping, and other therapeutic programs; and The results and summary signed with credentials and dated by the qualified residential habilitation b. professional. Psychological or Psychiatric Assessment. When a participant has had a psychological or psychiatric assessment for the purpose of treatment, the results of the assessment must be maintained in the

IDAPA 16.04.17 Residential Habilitation Agencies

02.	Notice to Public. The Department will notify the public by sending the agency printed	notices to
post. The agend	cy must post all the notices on their premises in plain sight in public areas where they will	readily be
seen by particip	pants and their representatives, including exits and common areas. The notices must remai	n in place
until all enforce	ement remedies have been officially removed by the Department.	()

03. Notice to the Professional Licensing Boards. The Department will notify professional licensing boards, as appropriate.

503. -- 509. (RESERVED)

510. EMERGENCY POWERS OF THE DIRECTOR.

In the event of an emergency endangering the life or safety of a participant receiving services from an agency, the Director may summarily suspend or revoke any residential habilitation certificate. As soon thereafter as practicable, the Director must provide an opportunity for a hearing.

511. INJUNCTION TO PREVENT OPERATION WITHOUT CERTIFICATE.

Notwithstanding the existence or pursuit of any other remedy, the Department may in the manner provided by law, maintain an action in the name of the state for injunction or other process against any person or governmental unit to restrain or prevent the establishment, conduct, management, or operation of an agency without a certificate required under this chapter. For the purposes of these rules, a governmental unit is the state, or any county, municipality, or other political subdivision, or any department, division, board, or other agency thereof.

512. -- 599. (RESERVED)

600. WAIVERS.

Waivers to these rules may be granted by the Department as needed provided that granting the waiver does not endanger the health or safety or rights of any participant. The decision to grant a waiver is not precedent or given any force or effect of law in any other proceeding. Any waiver granted by the Department may be renewed annually if sufficient written justification is presented to the Department. Waivers granted by the Department must be given in writing and signed by the Department's Licensing and Certification program manager.

601. -- 999. (RESERVED)

Section 510 Page 2221

16.05.01 - USE AND DISCLOSURE OF DEPARTMENT RECORDS

LEGAL AUTHORITY. The Idaho Department of Health and Welfare and the Board of Health and Welfare have authority to promulgate rules governing the use and disclosure of Department records, according to Sections 39-242, 56-221, 56-222, 56-1003, and 56-1004, Idaho Code. 001. TITLE AND SCOPE. Title. These rules are titled IDAPA 16.05.01, "Use and Disclosure of Department Records." 01. Scope. These rules govern the use and disclosure of information maintained by the Department, in compliance with applicable state and federal laws, and federal regulations. These rules apply to all Department employees, contractors, providers of services, and other individuals or entities who request or use that information. These rules apply to all use and disclosure information, regardless of the form in which it is retained or disclosed. All individuals and entities must comply with any standards in state or federal law or regulation that contain additional requirements, or are more restrictive than the requirements of these rules. 002. -- 006. (RESERVED) DISTRICT COURT APPEALS, COMPLAINTS AND REQUESTS FOR RECONSIDERATION. The confidentiality of health information is defined in part by the Health Insurance Portability and Accountability Act (HIPAA), Sections 262 and 264 of Public Law 104-191, 42 USC 1320d, 110 Statutes at Large 2033-4, and 45 CFR Sections 160 and 164. Appeals to District Court. Anyone who is aggrieved by a denial of disclosure or amendment of a public record may file an appeal in the appropriate district court in compliance with the Idaho Public Records Act, Title 74, Chapter 1, Idaho Code. Complaints to Privacy Officer. Individuals who are dissatisfied with a Department decision regarding confidential information may file a written complaint with the Department's Privacy Officer. Complaints must be submitted to the Department's Privacy Officer at the mailing address for the Department's business office. The Privacy Officer determines if a complaint is valid and makes a recommendation for its resolution to the Department within twenty-eight (28) days after the complaint is received. Secretary of Health and Human Services (HHS). Complaints that involve the use and disclosure of health information may also be submitted to the Secretary of Health and Human Services at the following address: The U.S. Department of Health and Human Services, 200 Independence Avenue, S.W., Washington, DC 20201. Time for filing complaints. Complaints must be filed within one hundred eighty (180) days from the date of the alleged violation. Request for Reconsideration to Access Health Information. The individual or legal representative may submit a written request for reconsideration to the Privacy Officer if access to health information is denied. The request for reconsideration must be postmarked no later than twenty-eight (28) days after notice of the denial was mailed. The reconsideration will be conducted by another licensed health care professional who did not participate in the original decision. The Department will notify the individual of the outcome of the review within twenty-eight (28) days after the request is received. 008. -- 009. (RESERVED)

105. REPORTING CRIME IN EMERGENCIES.

If a Department employee is providing emergency health care off the Department's premises, health information may be disclosed if necessary to alert law enforcement to a crime; the location of the crime or victim; and the identity, description and location of the perpetrator. If the crime involves abuse, neglect or domestic violence, the requirements of Section 101 of this chapter apply.

106. -- 124. (RESERVED)

125. ACCESS TO AN INDIVIDUAL'S OWN RECORD.

An individual who is at least fourteen (14) years old, or a legal representative, may review and obtain a copy of Department records that pertain to the individual, subject to the exceptions listed in Subsections 125.01 through 125.04 of these rules. Requests must be in writing, identifying the individual whose record is sought, and the record or information requested. The principles of disclosing only minimally necessary information on a need-to-know basis do not apply to a request for an individual's own records. The following information must not be disclosed:

01. Children's Mental Health. Records of a child's mental health services must not be disclosed to the child when a physician or other mental health professional has noted that disclosure would be damaging to the child, unless access is ordered by a court according to Section 16-2428, Idaho Code.

- **02. Legal Action**. No disclosure will be made to an individual of information compiled in an ongoing investigation, that is exempt from disclosure, or that relates to adoption. Information compiled in reasonable anticipation of litigation that is not otherwise discoverable must not be disclosed. Information compiled for use in a civil, criminal, or administrative proceeding to which the individual is a party must not be disclosed except in compliance with valid discovery.
- **03.** Clinical Laboratories. There will be no disclosure of information maintained by a clinical laboratory except as authorized by the provider who ordered the test or study, in compliance with 42 USC 263a.

O4. Confidential Information. Health and other confidential information will not be disclosed to the individual if a licensed professional in an appropriate discipline determines that disclosure is likely to endanger the life or physical safety of the individual or another person. Disclosure to a legal representative will be denied if there is a professional determination that access by the representative is likely to cause substantial harm to the subject of the record or another person.

126. -- 149. (RESERVED)

150. AMENDMENT OF RECORD.

Unless otherwise provided by law, individuals may request in writing to amend the content of a record created by the Department. The Department will respond in writing within ten (10) days, granting or denying the amendment. A record created by a third party will not be amended by the Department.

- **01. Amendment of Health Information**. Once an amendment regarding health information is approved and recorded, the Department will provide the amended health information when the record is disclosed in the future. If an amendment of health information is denied, the individual may provide a written response, which the Department may rebut in writing to the individual. Upon request, documentation of all the records involved in the denial will be provided whenever that information is disclosed in the future.
- **02. Updating Identifying Information**. Name and address changes, and similar updates of information in Department files will be made without using the amendment process.

151. -- 174. (RESERVED)

191. DATA FOR RESEARCH OR OTHER PURPOSES.

Records that contain non-identifying information may be disclosed for Department-approved research or other purposes without a written authorization.

192. -- 199. (RESERVED)

SPECIFIC CONSENT AND DISCLOSURE REQUIREMENTS (Sections 200-283)

200. ABORTION FOR MINORS.

Consent for an abortion for a minor is governed by Section 18-609A, Idaho Code.

201. ABUSE, NEGLECT OR DOMESTIC VIOLENCE.

Abuse, abandonment or neglect of a minor is required to be reported in compliance with Section 16-1605, Idaho Code. Abuse, neglect or exploitation of adults is governed by Section 39-5303, Idaho Code. An exception to the physician/patient privilege for domestic violence is contained in Section 9-203, Idaho Code.

202. ADOPTION.

Disclosure of adoption records is governed by the provisions of Sections 74-105(6), 16-1501, 39-258, 39-259A, and 39-7501 through 39-7905, Idaho Code. Consent to adoption by children who are more than twelve (12) years old, by parents and by others, is governed by Section 16-1504, Idaho Code.

203. -- 209. (RESERVED)

210. CHILD PROTECTION.

Unless allowed by these rules or other provision of law, the Department will disclose information from child protection records in its possession upon a court order obtained in compliance with Subsection 075.02 of these rules. Disclosure of Department records under the Child Protective Act is governed by Section 16-1629(6), Idaho Code. Court records of Child Protective Act proceedings are governed by Section 16-1626, Idaho Code. Pertinent federal laws and regulations include 42 USC 5106a. Information regarding child fatalities or near fatalities may be made public.

- **01.** Child Fatalities. In accordance with 42 USC 5106a(b)(2)(B)(x), the Department will disclose non-identifying summary information to the Statewide Child Fatality Review Team, established by the Governor's Task Force on Children at Risk, regarding child fatalities that were determined to be the result of abuse, neglect, or abandonment.
- **Public Disclosure**. The Department has the discretion to disclose child-specific information under this rule when the disclosure is not in conflict with the child's best interests and one (1) or more of the following applies:
- **a.** Identifying information related to child-specific abuse, neglect, or abandonment has been previously published or broadcast through the media;
 - **b.** All or part of the child-specific information has been publicly disclosed in a judicial proceeding; or

Section 191 Page 2232

)

c. The disclosure of information clarifies actions taken by the Department on a specific case.

211. CHILDREN'S MENTAL HEALTH.

Consent to voluntary treatment for a minor with serious emotional disturbance, emergency and involuntary treatment are governed by the Children's Mental Health Services Act, Title 16, Chapter 24, Idaho Code. Section 16-2428, Idaho Code, describes requirements for confidentiality.

212. -- 219. (RESERVED)

220. HARD TO PLACE CHILDREN.

The Department disseminates information to prospective adoptive families and families who wish to be appointed legal guardians of a child in the state's custody, as to the availability of hard-to-place children, adoption and guardianship procedures, and the existence of financial aid to adoptive families and guardians of hard-to-place children, in compliance with Section 56-804, Idaho Code.

221. HOSPITAL RECORDS.

Records of hospitalization in a state facility are governed by Sections 39-1392b, 39-1392e and 39-1394, Idaho Code.

222. HUMAN RESOURCES.

Disclosure of employee information is governed by Section 74-106(1), Idaho Code.

223. INFANT/TODDLER PROGRAM.

Consent to early intervention services and confidentiality of records that relate to the Infant/Toddler program are governed by the Individuals with Disabilities Education Act (IDEA), 20 USC 1414(a)(1)(C) and (c)(3), and 20 USC 1415(b)(3); the Family Educational Rights and Privacy Act (FERPA), 20 USC 1232g; and 34 CFR 303.400, 34 CFR 303.500 and 34 CFR part 99.

224. -- 229. (RESERVED)

230. MEDICAL CARE.

Consent to apply for services or treatment is governed by Title 39, Chapter 45, Idaho Code, for hospital, medical, dental or surgical care, treatment or procedure.

231. -- 239. (RESERVED)

240. MENTAL ILLNESS.

Records of assessment, treatment, and commitment or hospitalization of individuals with mental illness are governed by Sections 66-318, 66-348, 66-355, 66-329(9), and 66-337, Idaho Code.

241. MINOR'S CONSENT REGARDING INFECTIOUS, CONTAGIOUS OR COMMUNICABLE DISEASE.

Section 39-3801, Idaho Code, governs consent to treatment for infectious, contagious or communicable disease by a minor who is at least fourteen (14) years of age.

242. SPECIFIC REQUIREMENTS - PROTECTION AND ADVOCACY AGENCIES.

A protection and advocacy system for individuals who have a developmental disability is created by 42 USC 15042 et seq.; for individuals with mental illness, by 42 USC 10801. Advocacy for adult protection is governed by Sections 39-5307 and 39-5308, Idaho Code.

243. -- 249. (RESERVED)

250. SUBSTANCE ABUSE.

Consent to treatment and confidentiality of alcohol and drug abuse patient records are governed by 42 CFR 2.12 through 2.67, and Sections 37-2743, 37-3102, 39-307, and 39-308, Idaho Code.

Section 211 Page 2233

and 37-3102,	Idaho Code.			• •	_	•		()

02. Age Sixteen and Over. Information regarding substance abuse treatment of an individual who is at least age sixteen (16) years old will not be disclosed to a parent or guardian unless authorized by the individual, in compliance with Section 37-3102, Idaho Code, and 42 CFR 2.14. Individuals who are at least sixteen (16) years old may consent to substance abuse treatment.

251. -- 259. (RESERVED)

260. TERMINATION OF PARENTAL RIGHTS.

Disclosure of information regarding the termination of parental rights is governed by Section 16-2013, Idaho Code.

261. -- 269. (RESERVED)

270. VENEREAL DISEASES.

Disclosures of health information pertaining to the control of venereal diseases, including Human Immunodeficiency Virus (HIV), is governed by Title 39, Chapter 6, Idaho Code.

271. -- 279. (RESERVED)

280. VITAL STATISTICS -- VERIFICATION OF DATA.

- **01. Verifications**. The Registrar will confirm or deny the presence and accuracy of data already known to a governmental agency that requests information from a vital record. Such verifications may be conducted by telephone for Idaho state agencies. Other requests for verification require a signed application on forms provided or approved by the Registrar, and a copy of the front and back of signed photo identification or such other information as the Registrar requests. Verifications may also be conducted via Department automated systems approved by the Registrar.
- **02.** Administrative Fact of Death Verifications. Upon agreement in writing to such conditions as the Registrar may impose, the Registrar may compare Idaho state agency administrative data to Idaho death data and return an indication of death, also known as fact of death verification, for administrative purposes only. ()
- **03. Verifications to Protect a Person's Property Right**. The State Registrar may approve electronic fact of death verification by entities seeking to determine or protect a person's property right.

281. VITAL STATISTICS: DISCLOSURE FOR RESEARCH, PUBLIC HEALTH OR STATISTICAL PURPOSES.

Upon agreement in writing to such conditions as the Registrar may impose, the Registrar may permit the use of data from vital statistics records for research, public health or statistical purposes. The Registrar may deny a request for access to identifying information if the Registrar determines that the benefits would be outweighed by the possible adverse consequences to those individuals whose records would be used.

282. VITAL STATISTICS: REGISTRY OF PUTATIVE FATHERS.

Except by Idaho court order or in accordance with the provisions of Section 16-1513, Idaho Code, information acquired by the confidential registry of putative fathers will not be disclosed.

283. VITAL STATISTICS: PROCEDURES FOR REQUESTING INFORMATION.

Individuals who request access to, information from, or copies of vital records must present a signed application on forms provided or approved by the Registrar, and a copy of the front and back of signed photo identification or such other information as the Registrar requests. Minors who are less than fourteen (14) years old may receive certified copies of vital records that pertain to them if they present the required information.

Section 260 Page 2234

IDAPA 16.05.01 – Use and Disclosure of Department Records

- **01. Expedited Copy**. An expedited certified copy of a vital record may be issued using Department automated systems.
- **O2.** Certified Copy. When a certified copy is issued, it is certified as a true copy or abstract of the original vital record by the officer who has custody of the record. The certified copy will include the date issued, the Registrar's signature or an authorized facsimile thereof, and the seal of the issuing office. Full or short form certified copies of vital records may be made by mechanical, electronic or other reproduction processes.

284. WOMEN, INFANTS AND CHILDREN (WIC) PROGRAM.

WIC information may be used and disclosed only for the purpose of establishing the eligibility of WIC applicants and participants for health and welfare programs.

285. -- 999. (RESERVED)

b. A default order may not be entered for cases in which an individual does not participate in the prehearing conference involving benefits through the Division of Welfare, or Division of Medicaid.

104. SUBPOENAS.

At the request of a party, the hearing officer may issue subpoenas for witnesses or documents, consistent with Sections 120 and 134 of these rules.

105. DISPOSITION OF CASE WITHOUT A HEARING.

Any contested case may be resolved without a hearing on the merits of the appeal by stipulation, settlement, motion to dismiss, summary judgment, default, withdrawal, or for lack of jurisdiction. The hearing officer must dismiss an appeal that is not filed within the time limits set forth in these rules.

106. DEFAULT

Unless otherwise provided by statute or rule, if a party fails to appear at a scheduled hearing or at any stage of a contested case, the hearing officer must enter a proposed default order against that party. The default order must be set aside if, within fourteen (14) days of the date of mailing, that party submits a written explanation for not appearing, which the hearing officer finds substantial and reasonable.

107. INTERVENTION.

Persons other than the original parties to an appeal who are directly and substantially affected by the proceeding may participate if they first secure an order from the hearing officer granting leave to intervene. The granting of leave to intervene is not to be construed as a finding or determination that the intervenor is or may be a party aggrieved by any ruling, order or decision of the Department for purposes of judicial review.

108. CONSOLIDATED HEARING.

When there are multiple appeals or a group appeal involving the same change in law, rules, or policy, the hearing officer will hold a consolidated hearing.

109. -- 119. (RESERVED)

120. DISCOVERY.

Except for hearings involving Section 56-1005(5), Idaho Code, prehearing discovery is limited to obtaining the names of witnesses and copies of documents the opposing party intends to offer as exhibits. The hearing officer may order production of this information if a party refuses to comply after receiving a written request. The hearing officer will issue such other orders as are needed for the orderly conduct of the proceeding. Nothing in Section 120 limits the authority of the Director provided in Section 56-227C, Idaho Code.

121. BRIEFING SCHEDULE.

A hearing officer may require briefs to be filed by the parties, and establish a reasonable briefing schedule. (

122. FILING OF DOCUMENTS IN AN APPEAL.

All documents intended to be used as exhibits must be filed with the hearing officer. Such documents will be provided to every party at the time they are filed with the hearing officer, in person, by first class mail, or as otherwise ordered by the hearing officer. Service by mail is complete when the document, properly addressed and stamped, is deposited in the United States or Statehouse mail. A certificate showing delivery to all parties will accompany all documents when they are filed with the hearing officer.

123. REPRESENTATION.

Section 104 Page 2239

IDAPA 16.05.03 Contested Case Proceedings & Declaratory Rulings

)

Any party in a contested case proceeding may be represented by legal counsel, at the party's own expense. An individual in an appeal involving benefits may also be represented by a non-attorney.

124. RESERVED.

125. INTERPRETERS.

If necessary, an interpreter will be provided by the Department.

126. -- 129. (RESERVED)

130. OPEN HEARINGS.

All contested case hearings are open to the public, unless ordered closed in the discretion of the hearing officer due to the sensitive nature of the hearing. The hearing officer can order that individuals be identified by initials or an alias if necessary to protect their privacy. At the discretion of the hearing officer, witnesses may testify by telephone or other electronic means, provided the examination and responses are audible to all parties.

131. AUTHORITY OF HEARING OFFICER.

The hearing officer will consider only information that was available to the Department at the time the decision was made. If appellant shows that there is additional relevant information that was not presented to the Department with good cause, the hearing officer will remand the case to the Department for consideration. No hearing officer has the jurisdiction or authority to invalidate any federal or state statute, rule, regulation, or court order. The hearing officer must defer to the Department's interpretation of statutes, rules, regulations or policy unless the hearing officer finds the interpretation to be contrary to statute or an abuse of discretion. The hearing officer will not retain jurisdiction on any matter after it has been remanded to the Department.

132. BURDEN OF PROOF -- INDIVIDUAL BENEFIT CASES.

The Department has the burden of proof if the action being appealed is to limit, reduce or terminate services or benefits; establish an overpayment or disqualification; revoke or limit a license; or to contest a tobacco violation under Sections 39-5705 and 39-5708, Idaho Code. In a child support matter, the Department must first establish that arrearages are sufficient for child support enforcement action. The appellant has the burden of proof on all other issues, including establishing eligibility for a program, service or license; seeking an exemption required due to criminal history or abuse registry information; or seeking to avoid license suspension, asset seizure, or other enforcement actions for failure to pay child support.

133. BURDEN OF PROOF -- PROVIDER CASES.

The Department has the burden of proof if the action being appealed is to revoke or limit a license, certification, or provider agreement; or to impose a penalty. The appellant has the burden of proof on all other issues, including establishing entitlement to payment.

134. EVIDENCE.

Under Section 67-5251, Idaho Code, the hearing is informal and technical rules of evidence do not apply, except that irrelevant, immaterial, incompetent, unduly repetitious evidence, evidence excludable on constitutional or statutory grounds, or evidence protected by legal privilege is excluded. Hearsay evidence will be received if it is relevant to a matter in dispute and is sufficiently reliable that prudent persons would commonly rely on it in the conduct of their affairs, or corroborates competent evidence. Any part of the evidence may be received in written form if doing so will expedite the hearing without substantially prejudicing the interest of any party. Documentary evidence may be received in the form of copies or excerpts if the original is not readily available. Unless otherwise stated in statute, rule, or regulation, the evidentiary standard is proof by a preponderance of the evidence.

135. DISCRETIONARY JUDICIAL NOTICE.

Notice may be taken of judicially cognizable facts by the hearing officer or authority on its own motion or on motion of a party. In addition, notice may be taken of generally recognized technical or scientific facts within the Department's specialized knowledge. Parties will be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed including any staff memoranda or data, and the parties will be afforded an opportunity to contest the material so noticed. The Department's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

Section 124 Page 2240

)

136. MANDATORY JUDICIAL NOTICE.

The hearing officer will take judicial notice, on its own motion or on the motion of any party, of the following admissible, valid and enforceable materials: Rules of the Department and other state agencies; Federal regulations; State plans of the Department; The Constitutions and statutes of the United States and Idaho; Public records; and Such other materials that a court of law must judicially notice.

137. HEARING RECORD.

The hearing officer must arrange for a record to be made of a hearing. The hearing must be recorded unless a party requests a stenographic recording by a certified court reporter, in writing, at least seven (7) days prior to the date of hearing. The record must be transcribed at the expense of the party requesting a transcript and prepayment or guarantee of payment may be required. Once a transcript is requested, any party may obtain a copy at the party's own expense. The Department must maintain the complete record of each contested case for a period of not less than six (6) months after the expiration of the last date for judicial review, unless otherwise provided by law.

138. DECISION AND ORDER.

A preliminary order must be issued by the hearing officer not later than thirty (30) days after the case is submitted for decision. The order must include specific findings on all major facts at issue; a reasoned statement in support of the decision; all other findings and recommendations of the hearing officer; a preliminary decision affirming, reversing or modifying the action or decision of the Department, or remanding the case for further proceedings; and the procedures and time limits for filing requests for review of the order. Unless otherwise provided by a statute governing a particular program, motions for reconsideration of a preliminary order will not be accepted.

139. -- 149. (RESERVED)

150. REVIEW OF PRELIMINARY ORDERS BY DEPARTMENT.

Unless otherwise provided in these rules, in cases under the jurisdiction of the Department, either party may file a request for review with the Administrative Procedures Section not later than fourteen (14) days from the date the preliminary order was mailed. The request must identify all legal and factual bases of disagreement with the preliminary order. The Director or designee must allow for briefing by the parties and determines whether oral argument will be allowed. The Director or designee determines whether a transcript of the hearing is needed and if so, one will be provided by the party who requests review of the preliminary order. The Director or designee must exercise all of the decision-making power they would have had if they had presided over the hearing.

151. PETITION FOR REVIEW BY BOARD OF HEALTH AND WELFARE.

In cases under the jurisdiction of the Board, either party may file a petition for review with the Administrative Procedures Section not later than fourteen (14) days from the date the preliminary order was mailed. The request must identify all legal and factual bases of disagreement with the preliminary order. The Administrative Procedures Section will establish a schedule for the submission of briefs and if allowed, oral argument. The Board chair or designee will determine whether a transcript of the hearing is needed and, if so, one will be provided by the party who requests review of the preliminary order. Board members will exercise all of the decision-making power they would have had if they had presided over the hearing.

152. FINAL ORDER.

The Board, Director or designee may affirm, modify, or reverse the order, or remand the matter to the hearing officer for further proceedings. The decision informs the parties of the procedure and time limits for filing appeals with the district court. Motions for reconsideration of a final order will not be accepted.

153. SERVICE OF PRELIMINARY AND FINAL ORDERS.

Orders will be deemed to have been served when copies are mailed to all parties of record or their attorneys.

154. MAINTENANCE OF ORDERS.

All final orders of the Board or the Director will be maintained by the Administrative Procedures Section and made available for public inspection for at least six (6) months, or until all appeals are concluded, whichever is later.

155. EFFECT OF PETITION FOR JUDICIAL REVIEW.

Section 136 Page 2241

	b.	By telephone;	(
	c.	Via mail;	(

201. DIVISION OF WELFARE: TIME FOR FILING APPEAL.

Other commonly available electronic means.

In person; and

d.

A decision issued by the Department in a Division of Welfare benefit program will be final and effective unless an individual or representative appeals within thirty (30) days from the date the decision was mailed, except that a recipient or applicant for Food Stamps has ninety (90) days to appeal. An individual or representative may also appeal when the Department delays in making an eligibility decision or making payment beyond the limits specified in the particular program within thirty (30) days after the action would have been taken if the Department had acted in a timely manner.

DIVISION OF WELFARE: INFORMAL CONFERENCE.

An appellant or representative has the right to request an informal conference with the Department or Community Action Agency before the hearing date. This conference may be used to resolve the issue informally or to provide the appellant with information about the hearing or actions. The conference will not affect the appellant's right to a hearing or the time limits for the hearing. After the conference, the hearing will be held unless the appellant withdraws the appeal, or the Department withdraws the action contested by the appellant.

Section 199 Page 2242

203. DIVISION OF WELFARE: WITHDRAWAL OF AN APPEAL.

An appellant or representative may withdraw an appeal upon request to the hearing officer using any one (1) of the methods listed in Section 200 of these rules.

204. DIVISION OF WELFARE: TIME LIMITS FOR COMPLETING HEARINGS.

The Department must conduct the hearing relating to an individual's benefits and take action within ninety (90) days from the date the hearing request is received, unless as provided in Subsections 204.01 through 204.03 of this rule.

- **01.** Community Spouse Resources Allowance. When the hearing request concerns the computed amount of the Community Spouse Resource Allowance, the hearing will be held within thirty (30) days from the date the hearing request is received.
- **02. Food Stamps.** When the hearing relates to Food Stamps, the hearing, the decision of the hearing, and the notice regarding the outcome of the hearing will be completed within sixty (60) days from the date the hearing request is received.
- **03. Expedited Hearings**. The Department will expedite hearing requests from appellants for the following reasons:
- **a.** Migrant farm workers who are planning to move before the hearing decision would normally be reached; or
- **b.** Individuals requesting an expedited fair hearing will be provided a hearing as required according to 42 CFR 431.224.

205. DIVISION OF WELFARE: APPEAL OF AUTOMATIC ADJUSTMENTS.

An appeal will be dismissed if the hearing officer determines that the sole issue is an automatic grant adjustment, change in rule that affects benefit amount or eligibility, or reduction of Medicaid services under state or federal law.

206. (RESERVED)

207. DIVISION OF WELFARE: POSTPONEMENT OF FOOD STAMP HEARINGS.

An appellant may request, and be granted a postponement of a hearing, not to exceed thirty (30) days. The time limit for the Department's response will be extended for as many days as the hearing is postponed.

208. -- 249. (RESERVED)

250. DIVISION OF WELFARE: FOOD STAMPS DISQUALIFICATION HEARINGS.

A disqualification hearing will be scheduled when the Department has evidence that an individual has allegedly committed one (1) or more acts of intentional program violations (IPV).

251. DIVISION OF WELFARE: COMBINING DISQUALIFICATION HEARING AND BENEFIT HEARING.

The hearing officer must consolidate a hearing regarding benefits or overpayment and a disqualification hearing if the issues are the same or related. The appellant must be notified that the hearings will be combined.

252. DIVISION OF WELFARE: RIGHT NOT TO TESTIFY.

The hearing officer must advise the appellant that they may refuse to answer questions during a disqualification hearing.

253. DIVISION OF WELFARE: FAILURE TO APPEAR.

If an appellant or representative fails to appear at a disqualification hearing or cannot be located, the hearing will be conducted in their absence. The Department must present proof that advance notice of the hearing was mailed to the appellant's last known address. The hearing officer must consider the evidence and determine if an IPV occurred

Section 203 Page 2243

based solely on the information provided by the Department. The appellant has ten (10) days from the date of the scheduled hearing to show good cause for failure to appear. If an IPV had been established, but the hearing officer determines the appellant had good cause for not appearing, the previous decision will be void and a new hearing will be conducted. The previous hearing officer may conduct the new hearing.

254. DIVISION OF WELFARE: STANDARD FOR DETERMINING INTENTIONAL PROGRAM VIOLATIONS.

The determination that an intentional program violation has been committed must be established by clear and convincing evidence that the appellant committed or intended to commit an IPV.

255. -- 297. (RESERVED)

298. DIVISION OF WELFARE: CHILD SUPPORT SERVICES.

In a child support enforcement proceeding, an individual or a representative may request a hearing after being served notice of license suspension or notice of an asset withholding order from the Financial Institution Data Match (FIDM) process.

01. Time Limits for Requesting a Hearing.

- a. License Suspension. The licensee has twenty-one (21) days from the date of service of the notice either by personal service or certified mail, to request a hearing by filing with the Department to contest the suspension of license or licenses. A timely request for a hearing stays the suspension of the license or licenses through the issuance of the order by the Department. The Department will notify the licensing authority if the suspension is vacated or stayed.
- **b.** Financial Institution Data Match (FIDM). The obligor or co-owner has fourteen (14) days from the date of mailing the notice of asset withholding order to request a hearing in writing to contest the asset being withheld. Upon receiving a timely request for hearing, the Department will notify the financial institution that it must continue to hold the asset until an order is issued and the Department provides instructions for the disposition of the asset. If the obligor or co-owner does not file a timely request for hearing, the Department will notify the financial institution to promptly surrender the amount of the asset that has been frozen to the Department.
- **O2. Time Limits for Completing Hearings**. The Department will hold an administrative hearing within thirty (30) days from the day the Department receives the request for hearing to contest asset withholding from the FIDM process.

03. Default.

- a. Licensing Authority. If the licensee fails to make a timely request for a hearing or fails to appear at the hearing without good cause, the Department will issue an order of Default suspending the license or licenses. On receipt of the final order from the Department, the licensing authority will suspend the license effective the date the order became final, without additional review or hearing.
- **b.** Financial Institution. If the obligor or co-owner of the asset fails to appear at the hearing without good cause, the Department will issue an order of Default upholding the asset withholding order. On receipt of the final order from the Department, the financial institution will promptly surrender the amount of the asset that has been frozen to the Department.
- **04. Time for Filing an Appeal**. An order of suspension or asset withholding order issued by a hearing officer of the Department will be final and conclusive between the parties unless a petition for review is filed within twenty-eight (28) days with the district court.

299. (RESERVED)

400.	DIVISI	ON OF HEALTH: LABORATORIES.		

A notice of grounds for denial, suspension, revocation or renewal becomes final and effective unless the applicant or responsible party files a written appeal by registered or certified mail within fourteen (14) days of receipt of the notice. A hearing will be held not more than twenty-eight (28) days from receipt of the appeal. The applicant or responsible person will receive at least fourteen (14) days of notice of the hearing date. If the Department finds that the public health, safety or welfare imperatively requires emergency action, and incorporates the findings to that effect in its notice of denial, suspension or revocation, summary suspension of the approval may be ordered.

(

401. DIVISION OF HEALTH: REPORTABLE DISEASES.

An order for isolation or quarantine is a final agency action as set forth in Section 56-1003(7), Idaho Code. Other orders or restrictions as specified in IDAPA 16.02.10, "Idaho Reportable Diseases," become final and effective unless an appeal is filed within five (5) working days after the effective date of the order or restriction.

- **01. Conduct of Hearing.** The Department may take whatever precautions and make whatever arrangements are necessary for the conduct of such hearing to insure that the health of participants and the public is not jeopardized.
- **02. Review**. Any person directly affected by an order or restriction may file exceptions to the Director's determination, which will be reviewed by the Board. The order or restriction remains effective unless rescinded by the Board.

402. DIVISION OF HEALTH: FOOD ESTABLISHMENTS.

Appeal procedures will be as provided under IDAPA 16.02.19, "Idaho Food Code," Section 861.

403. -- 499. (RESERVED)

500. DIVISION OF FAMILY AND COMMUNITY SERVICES: CHILD PROTECTION CENTRAL REGISTRY ADMINISTRATIVE REVIEW.

A substantiated incident of child abuse, neglect, or abandonment will automatically become effective and be placed on the Child Protection Central Registry unless the individual identified in the notification files a request for an administrative review within twenty-eight (28) days from the date on the notification. The request for an administrative review must be mailed to the Family and Community Services (FACS) Division Administrator.

- **01. Content of Request**. The request for an administrative review must identify the notification being protested and explain the reasons for disagreement. Additional information may be provided for the Administrator's consideration.
- **02. Administrative Review**. The FACS Division Administrator will consider all available information and determine whether the incident was erroneously determined to be "substantiated." The Administrator will furnish a written decision to the individual.

501. DIVISION OF FAMILY AND COMMUNITY SERVICES: INTENSIVE BEHAVIORAL INTERVENTION (IBI) ADMINISTRATIVE REVIEW.

- **01.** Request for Administrative Review. An action relating to certification, billing, or reimbursement is final and effective unless the provider requests in writing an administrative review within twenty-eight (28) days after the notice is mailed. The request must be signed by the provider, identify the challenged decision, and state specifically the grounds for its contention that the decision was erroneous. The parties must clarify and attempt to resolve the issues at the review conference, which must be held within twenty-eight (28) days after the request for the administrative review. If the Department determines that additional documentation is needed to resolve the issues, a second session of the conference may be scheduled. The Department will provide a written decision to the facility or provider.
- **O2. Scope of Appeal Hearing.** If the Department's decision after the administrative review is appealed, only issues and documentation that were presented in the administrative review will be admissible in the appeal hearing.

502. DIVISION OF FAMILY AND COMMUNITY SERVICES: INFANT TODDLER PROGRAM - INDIVIDUAL CHILD COMPLAINTS.

01. Individual Child Complaints. Parents or providers may request a hearing if they disagree with decisions regarding the identification, evaluation, or placement of a child, or, with the provision of appropriate early intervention services. A request must be filed with the Department's Administrative Procedures Section within

(RESERVED) DIVISION OF BEHAVIORAL HEALTH: YOUTH EMPOWERMENT SERVICES (YES). Contested case proceedings for non-Medicaid Youth Empowerment Services (YES) are governed by the general provisions of this chapter, unless otherwise specified in Section 751 of these rules. DIVISION OF BEHAVIORAL HEALTH: YOUTH EMPOWERMENT SERVICES (YES) GRIEVANCE PROCESS. 01. Grievance. Individuals, family members, or legal guardians may choose to submit a written request to participate in this grievance process regarding non-Medicaid matters related to YES services. A grievance is a statement of dissatisfaction about any matter other than an adverse benefit determination. 02. **Grievance Content.** A grievance must include: The full name, mailing address, phone numbers, and e-mail contact for the individual who is the complainant using YES services; The full name, mailing address, phone numbers, and e-mail contact of the person submitting the grievance on behalf of the complainant; A detailed explanation of the decision or non-Medicaid matter related to YES services that is being contested from the perspective of the complainant; and Any steps that have already been taken to resolve the issue. d.) 03. Department Response to Grievance. The Department will respond to the complainant within sixty (60) days of receipt of the grievance on its findings. The grievance process may include gathering additional information from involved parties and may run concurrent to the fair hearing process. The Department will address concerns related to dissatisfaction with a process or a provider at the lowest or most appropriate organizational level possible. The Department will document the filing of the grievance and the outcome in its response to the complainant. 04. **Expedited Hearings.** When the Division of Behavioral Health determines that an expedited fair hearing is needed using the same standards described in Section 302 of these rules, the Department will provide an expedited fair hearing for non-Medicaid eligible YES individuals in compliance with time limits for an agency found in 42 CFR 431 for YES inpatient services, or the time limits for a PAHP found in 42 CFR 438, for outpatient YES services.

035. STATE AND FEDERAL DOMESTIC VIOLENCE GRANT -- RECORD KEEPING REQUIREMENTS.

Each program receiving a grant(s) from the Department must maintain accurate, current and complete client, administrative and fiscal records, including accurate records of the receipt, obligation and disbursement of funds. Records must be accessible to authorized state officials during normal operating hours for purposes of inspection and/or audit, with or without prior notification, pursuant to Section 39-108, Idaho Code. The fiscal and program record requirements required for each grant are in the contract.

036. AUDITS.

Projects selected for funding by the Council will be subject to audit. Pursuant to the U.S. Office of Management and Budget (OMB) Circular A-128, "Audits of State and Local Governments," grantees have the responsibility to provide for an audit of their activities. These audits shall be made annually. Grantees as well as their contractors or other organizations under cooperative agreements or purchase of service contracts are to arrange for examination in the form of independent audits in conformance with OMB Circular A-128.

- **01. Audit Requirement**. These audits shall be made by an independent auditor in accordance with generally accepted governmental auditing standards governing financial and compliance audits. The required audits are to be performed on an organization-wide basis. The audit reports must include:
- **a.** The auditor's report on financial statements of the recipients organization and a schedule of financial assistance showing the total expenditures for each assistance program;
 - **b.** The auditor's report on compliance containing:
- i. A statement of positive assurance with respect to those items tested for compliance, including compliance with law and regulations pertaining to financial reports and claims for advances and reimbursements;
- ii. A negative assurance of those items not tested and a summary of all instances of noncompliance; and
- iii. The auditor's report on the study and evaluation of internal control systems, which must identify accounting controls, and those controls designed to provide reasonable assurance that federal programs are being managed in compliance with applicable laws and regulations. It must also identify the controls that were not evaluated, and the material weaknesses identified as a result of that identification.
- **02. Audit Objectives.** Grants and other agreements are awarded subject to conditions of fiscal, program and general administration to which the recipient expressly agrees. Accordingly, the audit objective is to renew the recipient's administration of grant funds and required non-federal contributions for the purpose of determining whether the recipient has:
- **a.** Financial statements of the government, department, agency, or establishment that present fairly its financial position and the results of financial operations in accordance with generally accepted accounting principles;
- **b.** The organization has internal accounting and other control systems to provide reasonable assurance that it is managing federal financial assistance programs in compliance with applicable laws and regulations; and
- **c.** The organization has complied with laws and regulations that may have material effect on its financial statements and on each federal assistance program.

037. -- 999. (RESERVED)

Section 035 Page 2259

16.05.07 – THE INVESTIGATION AND ENFORCEMENT OF FRAUD, ABUSE, AND MISCONDUCT

LEGAL AUTHORITY. Sections 56-202(b), 56-203(1), 56-203(2), 56-209, 56-209h, 56-227, 56-227A through D, 56-1001, and 56-1003, Idaho Code, authorize the Director to adopt rules regarding fraud, abuse, and misconduct of public assistance programs. 001. SCOPE. These rules protect the integrity of the public assistance programs by identifying instances of fraud, abuse, and other misconduct by providers and their employees, participants, and by providing that appropriate action is taken to correct the problem. Nothing contained within this chapter will limit the Department from taking any other action authorized by law, including seeking damages under Section 56-227B, Idaho Code. 002. WRITTEN INTERPRETATIONS. This agency has written statements which pertain to the interpretation of the rules of this chapter, or to the documentation of compliance with the rules of this chapter. The document is available for public inspection and copying at cost in the main office of this agency. ADMINISTRATIVE APPEALS. 003. Appeals and proceedings for any Department actions are governed by IDAPA 16.05.03, "Contested Case Proceedings and Declaratory Rulings." An appeal does not stay the action of the Department. INCORPORATION BY REFERENCE. 42 CFR 455-23(b) is incorporated by reference into this chapter of rules. It is available from the Centers for Medicare and Medicaid Services (CMS), 7500 Security Blvd, Baltimore, MD, 21244-1850 or on the Code of Federal Regulations internet site at https://www.ecfr.gov/cgi-bin/text-idx?SID=70b7c477b1a5b3977331204c2ad5161e&mc =true&node=pt42.4.455&rgn=div5#se42.4.455 123. 005. -- 009. (RESERVED) **DEFINITIONS.** For purposes of this chapter of rules, the following terms apply. Abuse or Abusive. Provider practices that are inconsistent with sound fiscal, business, child care, or medical practices, and result in an unnecessary cost to a public assistance program, in reimbursement for services that are not medically necessary, or that fail to meet professionally recognized standards for health care, or in physical harm, pain, or mental anguish to a medical assistance recipient. Access to Documentation and Records. To review and copy records at the time a written request is made during normal business hours. Documentation includes all materials as described in Section 101 of these rules. Claim. Any request or demand for payment, or document submitted to initiate payment, for items or services provided under a public assistance program, whether under a contract or otherwise. 04. **Conviction**. An individual or entity is considered to have been convicted of a criminal offense: When a judgment of conviction has been entered against the individual or entity by a federal, state, or local court, regardless of whether there is an appeal pending or whether the judgment of conviction or other record relating to criminal conduct has been expunged; When there has been a finding of guilt against the individual or entity by a federal, state, or local court; When a plea of guilty or nolo contendere by the individual or entity has been accepted by a federal, state, or local court; or When the individual or entity has entered into participation in a first offender, deferred adjudication, or other arrangement or program where judgment of conviction has been withheld. **05.** Department. The Idaho Department of Health and Welfare, its authorized agent or designee.)

210. SUSPENSION OF PAYMENTS PENDING INVESTIGATION. The Department may suspend public-assistance payments in whole or part in a suspected case of fraud or abuse

Section 200 Page 2263

IDAPA 16.05.07 – Investigation & Enforcement of Fraud, Abuse, & Misconduct

pending investigation and conclusion of legal proceedings related to the provider's alleged fraud or abuse. When payments have been suspended under this rule, the Department will provide for a hearing within thirty (30) days of receipt of any timely filed notice of appeal.

- **01. Basis for Suspension of Payments.** When the Department through reliable evidence suspects fraud or abuse, or when a provider fails to provide immediate access to records, public-assistance payments may be withheld or suspended.
- **Notice of Suspension of Payments**. The Department may withhold public-assistance payments without first notifying the provider of its intention to do so when the Department is suspending payments of a Medicaid provider. The Department will send written notice within five (5) days of taking such action under 42 CFR 455.23(b). All other public assistance providers will be notified prior to the suspension of payments.

03. Duration of Suspension of Payments. The withholding of payment actions under this rule will be temporary and will not continue after:

- **a.** The Department or the prosecuting authorities determine there is insufficient evidence of fraud or willful misrepresentation by the provider; or
 - **b.** Legal proceedings related to the provider's alleged fraud or abuse are completed. ()

211. -- 219. (RESERVED)

220. PROVIDER AGREEMENT SUSPENSION.

In the event the Department identifies a suspected case of fraud or abuse, it may summarily suspend the provider agreement when necessary to prevent or avoid immediate danger to the public health or safety. This provider agreement suspension temporarily bars the provider from participation in the medical assistance program, pending investigation and Department action. The Department will notify the provider of the suspension. The suspension is effective immediately upon written, electronic, or oral notification. When a provider agreement is suspended under this rule, the Department will provide for a hearing within thirty (30) days of receipt of any timely filed notice of appeal

221. -- 229. (RESERVED)

230. TERMINATION OF PROVIDER STATUS.

Under Section 56-209h, Idaho Code, the Department may terminate the provider agreement or otherwise deny provider status for a period of up to five (5) years from the date the Department's action becomes final.

231. -- 234. (RESERVED)

235. CIVIL MONETARY PENALTIES.

Under Section 56-209h, Idaho Code, the Department may assess civil monetary penalties against a provider, any officer, director, owner, and managing employee for conduct identified in Idaho Code 56-209h(6)(a) through (i).

236. CIVIL MONETARY PENALTY PERCENTAGES.

The Department will determine the percentage of each penalty by the type of conduct, the frequency, and knowledge of the conduct. When more than one (1) type of conduct described in Idaho Code 56-209h(6)(a) through (i) is found per line item, the penalty percentage will be based on the most significant conduct.

- **01. Conduct Resulting in No Overpayment**. The Department determines civil monetary penalties to be assessed for the following types of conduct violations that did not result in an overpayment.
- **a.** Participant Fees. The provider collected or attempted to collect fees from participants that the provider was not entitled to collect. Violations for this type of conduct will result in a ten percent (10%) penalty.

having bee	Other Exclusions. Is identified by the Centers for Medicare and Medicaid Services (in excluded by another state, the Office of Inspector General or any person CMS directs the Department.		

Section 237 Page 2266

241. -- 244. (RESERVED)

245. TERMS OF MANDATORY EXCLUSIONS FROM THE MEDICAID PROGRAM.

Mandatory exclusions from the Medicaid program imposed under Section 240 of these rules, will be for not less than ten (10) years. The exclusion may exceed ten (10) years if aggravating factors are present. In the case of any mandatory exclusion of any person, if the individual has been convicted on two (2) or more previous occasions of one (1) or more offenses for which an exclusion may be effected under this rule, the period of exclusion will be permanent.

246. -- 249. (RESERVED)

250. PERMISSIVE EXCLUSIONS FROM THE MEDICAID PROGRAM.

The Department may exclude any person or entity from the Medicaid program for a period of not less than one (1) year:

- **01.** Endangerment of Health or Safety of a Patient. Where there has been a finding by a governmental agency against such person or entity of endangering the health or safety of a patient, or of patient abuse, neglect, or exploitation.
- **02.** Failure to Disclose or Make Available Records. That has failed or refused to disclose, make available, or provide immediate access to the Department, or any licensing board, any records maintained by the provider or required of the provider to be maintained, which the Department deems relevant to determining the appropriateness of payment.
- **03. Other Exclusions**. For any reason for which the Secretary of Health and Human Services, or their designee, could exclude an individual or entity.

251. -- 259. (RESERVED)

260. AGGRAVATING FACTORS.

For purposes of lengthening the period of mandatory exclusions and permissive exclusions from the Medicaid program, the following factors may be considered. This is not intended to be an exhaustive list of factors which may be considered:

- **01. Financial Loss**. The acts resulted in financial loss to the program of one thousand five hundred dollars (\$1,500) or more. The entire amount of financial loss to such program will be considered, including any amounts resulting from similar acts not adjudicated, regardless of whether full or partial restitution has been made to the program.
 - **02. Time Acts Were Committed.** The acts were committed over a period of one (1) year or more.
- **03.** Adverse Impact. The acts had a significant adverse physical, mental, or financial impact on one (1) or more program participants or other individuals.
 - **104. Length of Sentence**. The length of any sentence imposed by the court related to the same act.
 - **Prior Record**. The excluded person has a prior criminal, civil, or administrative sanction record.

261. REINSTATEMENT AFTER EXCLUSION FROM MEDICAID PROGRAM.

An individual or entity who has been excluded from the Medicaid Program is not automatically reinstated at the end of the exclusion period. An individual or entity excluded by the Department must submit a written application for reinstatement to the Department. An applicant excluded by the Department must receive written notice of reinstatement from the Department before reinstatement is complete.

Section 245 Page 2267

	01.	Convicted of a Felony. The provider has been convicted of a felony under federal or state la	ıw.	

Section 265 Page 2268

- **O2.** Committed an Offense or Act Not in Best Interest of Medicaid Participants. The provider has committed an offense or act which the Department determines is inconsistent with the best interests of Medicaid participants.
- **03. Failed to Repay**. The provider has failed to repay the Department monies which had been previously determined to have been owed to the Department.
 - **104. Investigation Pending**. The provider has a pending investigation for program fraud or abuse.
- **05. Terminated Provider Agreement**. The provider was the managing employee, officer, or owner of an entity whose provider agreement was terminated under Section 230 of these rules.

266. -- 269. (RESERVED)

270. MISCELLANEOUS CORRECTIVE ACTIONS.

The Department may take lesser action to investigate, monitor and correct suspected instances of fraud, abuse, over utilization, and other misconduct as provided in this rule.

- **01. Issuance of a Warning**. Issuance of a warning letter describing the nature of suspected violations, and requesting an explanation of the problem and a warning that additional action may be taken if the action is not justified or discontinued.
- **02. Review**. Prepayment review of all or selected claims submitted by the provider with notice that claims failing to meet written guidelines will be denied.
- **03. Referral.** Referral to state licensing boards for review of quality of care and professional and ethical conduct.

271. -- 274. (RESERVED)

275. DISCLOSURE OF CERTAIN PERSONS.

Prior to entering into or renewing a provider agreement, or at any time upon written request by the Department, a provider must disclose to the Department the identity of any person described under 42 CFR 1001.1001. The Department may refuse to enter into or renew an agreement with any provider associated with any person so described. The Department may also refuse to enter into, or terminate, a provider agreement if it determines that the provider did not fully and accurately make any disclosure required under these rules.

276. -- 279. (RESERVED)

280. PROVIDER NOTIFICATION.

When the Department determines actions defined in Sections 200 through 250 of these rules are appropriate, it will send written notice of the decision to the provider or person. The notice will state the basis for, and the length and effect of the action on that person's ability to provide services under state and federal programs, and the person's appeal rights.

281. -- 284. (RESERVED)

285. NOTICE TO STATE LICENSING AUTHORITIES.

The Department will promptly notify all appropriate licensing authorities having responsibility for licensing or certification of a Department action, and the facts and circumstances of that action. The Department may request certain action be taken and that it be informed of actions taken.

286. -- 289. (RESERVED)

	he pediatric consultant or designee must immediately inform the regional committee of the in accordance with Subsection 020.05.c. of these rules.
b. If withheld, the region	the pediatric consultant or designee determined that indicated medical treatment is being all committee must attempt to resolve the matter informally, if possible, in an expeditious manner (
c. Ti	he regional committee must ensure that the parents of the infant are fully informed of:
i. The counseling services	he existence and function of any infant care review committee, chaplain services, or othe within the health care facility or hospital; and
	he existence, function, and opportunity to consult with parent support groups or othe nelude parents of children with disabilities.
d. If for any further legal	resolution is possible and the infant receives necessary treatment, the matter will not be referred action.
or the chief of the B	he Department's regional director will verbally notify the administrator of the Division of FACS Bureau of Family Services, the health care facility or hospital contact person or administrator, the individual who reported the concern, and the parents of the infant that no legal action will be ment.
	he Department's regional director will provide written confirmation that no legal action will be retirent within five (5) working days to the health care facility or hospital contact person of (
	informal resolution is not possible, the regional director will notify the administrator of the receipt of the chief of the Bureau of Family Services of the concern within four (4) hours of the receipt of (
	Tentral Office Committee Review . The administrator of the Division of FACS will convene a nittee within twenty-four (24) hours of the receipt of notice from the regional committee.
Services, the pedia	he central office committee will consist of the Department's chief of the Bureau of Family atric consultant for the Bureau of Maternal and Child Health, the chief of the Bureau of abilities, a deputy attorney general or their designees; and other individuals deemed appropriate.
	he regional director, the Regional FACS manager and the family services worker will be one, to provide investigation information.
ii. T	he county prosecuting attorney should be requested to participate, when appropriate. (
health care facility	the committee will make appropriate contacts, which may include the attending physician, the or hospital contact person or administrator, the parents of the infant, and other persons deemed information and work toward resolution of the matter.
c. En possible:	fforts will be made to resolve the matter on an informal basis. If informal resolution is no
the committee meet custody of the infa	he county prosecuting attorney or deputy attorney general will determine, within four (4) hours of ting, the need for legal intervention. Such intervention might include obtaining temporary legant until such time as the court can determine the appropriate disposition of the matter under and 16-1616, Idaho Code.

Section 021 Page 2275

Department of Health and Welfare Failure to provide treatment including appropriate nutrition, hydration, or medication that is determined by the committee to be necessary to maintain the infant's life will be considered grounds to initiate legal proceedings. 022. CONTINUING CONSULTATION AND INVESTIGATION. Further Consultation and Investigation. At any time during the decision-making or resolution process, as deemed appropriate and as time and agency resources permit, the pediatric consultant or designee, the regional committee, or the central office committee may seek additional information or technical assistance from the physician, health care facility or hospital contact person or administrator, any treatment review committee, the parents of the infant, or other persons or agencies. If any independent medical examination is necessary, the family services worker will seek voluntary compliance for such an examination. If consent to an independent medical examination is not expeditiously provided, the family services worker will contact the county prosecuting attorney or a deputy attorney general to initiate legal proceedings to obtain an order under the "Child Protective Act," or other applicable law mandating such examination. Decision-Making Landmarks. At each stage of the decision-making and resolution process, the pediatric consultant or designee, the regional committee, and the central office committee will consider the following elements of the case: a. The extent of the counseling offered and received by the parents of the infant; h. The knowledge and experience of the attending physician in the diagnosis and treatment of the infant's life-threatening conditions; The existence within the health care facility or hospital of an infant care review committee, or like agent, and its participation in the infant's case; d. Any independent medical consultation or examination;) Conformity with current Department of Health and Human Services guidelines regarding "Services and Treatment for Disabled Infants"; and The consistency of the medical treatment provided with the information available through the computer-based neonatal information clearing house maintained by the Department of Health and Human Services. RESPONSIBILITIES OF THE DEPARTMENT RELEVANT TO INFANTS WITH LIFE-THREATENING CONDITIONS. Report to the Court. The family services worker must prepare and submit a written report of investigation that may be ordered by the court on the matter under Section 16-1609, Idaho Code. The report must include copies of the medical information obtained regarding the matter. Case Staffing. If legal custody of the infant is granted to the Department, the family services worker, the Regional FACS manager, the regional director, the pediatric consultant for the Bureau of Maternal and Child Health, the chief of the Bureau of Family Services, the chief of the Bureau of Developmental Disabilities, the administrator of the Division of FACS, a deputy attorney general, the parents of the infant, and other individuals deemed appropriate will: Staff the case in person or through telephone conference call; and

Develop a service plan within ten (10) days of adjudication. The staffing may be conducted by

16.06.12 - IDAHO CHILD CARE PROGRAM (ICCP)

DOOL LEGALAUTHORITY. Under Section 56-202, Idaho Code, the Director of the Department of Health and Welfare is authorized to promulgate, adopt, and enforce rules for the administration of public assistance programs.
001. TITLE AND SCOPE.
01. Title . These rules are titled IDAPA 16.06.12, "Idaho Child Care Program (ICCP)."
02. Scope . These rules provide the requirements for determining participant and provider eligibility for the Idaho Child Care Program (ICCP) and issuing child care benefit payments.
002 007. (RESERVED)
AUDIT, INVESTIGATION AND ENFORCEMENT. In addition to any actions specified in these rules, the Department may audit, investigate and take enforcement action under the provisions of IDAPA 16.05.07, "Investigation and Enforcement of Fraud, Abuse or Misconduct."
009. CRIMINAL HISTORY AND BACKGROUND CHECK REQUIREMENTS.
01. Compliance with Department Criminal History and Background Check. Criminal history and background checks are required for ICCP providers. Providers who are required to have a criminal history check must comply with IDAPA 16.05.06, "Criminal History and Background Checks."
02. ICCP Provider is Approved . The ICCP provider must have completed a criminal history and background check, and received a clearance, prior to becoming an ICCP provider.
03. Availability to Work or Provide Service.
a. Those individuals licensed or certified by the Department are not available to provide services or receive licensure or certification until the criminal history and background check is completed and a clearance issued by the Department.
b. Individuals living in the home who have direct contact with children are allowed contact after the criminal history application and self-disclosure is completed as provided in Section 56-1004A, Idaho Code, except when they have disclosed a disqualifying crime listed in IDAPA 16.05.06, "Criminal History and Background Checks."
04. Applicants, Providers, and Other Individuals Subject to Criminal History Check Requirements. The following applicants, providers, and other individuals listed below must submit evidence to the Department that the following individuals have successfully completed and received a Department criminal history and background check clearance:
a. All child care centers group, family, relative, and in-home providers including owners, operators, and staff, who have direct contact with children;
b. All individuals thirteen (13) years of age or older who have direct contact with children; and
c. All individuals thirteen (13) years of age or older who are regularly on the premises.
05. Renewal of Criminal History and Background Check Requirement. Applicants, providers, employees, volunteers, and individuals thirteen (13) years of age or older who have direct contact with or provided care to children eligible for ICCP benefits must comply with these requirements and receive a clearance as provided in IDAPA 16.05.06, "Criminal History and Background Checks," every five (5) years.
06. Criminal History and Background Check at Any Time. The Department can require a criminal history and background check at any time on any individual providing child care to an ICCP eligible child.

07. Additional Criminal Convictions. Once an individual has received a criminal history clearance, any additional criminal convictions must be reported by the child care provider to the Department when the provider

400. REQUIREMENTS FOR IN-HOME CARE UNDER ICCP.

Parents must contact the Department to request approval of in-home child care. Only parents who have qualified activities outside their home will be considered for in-home care approval. The Department limits the approval of all in-home child care under ICCP to the following circumstances:

- **01.** Three or More Children in the Home. There are three (3) or more ICCP eligible children in the home who are not in school at any time during the day and require child care.
- **O2. Fewer Than Three Children in the Home**. If there are fewer than three (3) children in the home who are eligible for ICCP and require child care, in-home care will be approved by the Department only when one (1) of the following special circumstances are met:
- **a.** Parents' qualifying activity occurs during times when out-of-home care is not available. If child care is needed during any period when out-of home care is not available, in-home care will be approved for the entire time care is needed. A family is not expected to change between out-of-home and in-home care.
 - **b.** The family lives in an area where out-of-home care is not available.
- **c.** A child has a verified illness or disability that would place the child or other children in an out-of-home facility at risk.

401. IN-HOME CARE HEALTH AND SAFETY REQUIREMENTS.

Annually each in-home care provider is responsible to ensure that health and safety requirements are met for children being cared for in the children's own home, as defined in Section 802 of these rules.

402. -- **499.** (RESERVED)

PAYMENT INFORMATION (Sections 500-599)

500. ALLOWABLE CHILD CARE COSTS.

Care provided to an eligible child by an eligible child care provider is payable subject to the following conditions:

01. Payment for Employment, Training, Education, or Preventive Service Hours. Child care must be reasonably related to the hours of the parent's qualifying activities.

02. One-Time Registration Fees. One-time fees for registering a child in a child care facility are payable above the local market rate, if the fee is charged to all who enroll in the facility. Reimbursement can not exceed two hundred fifty dollars (\$250) and must be usual and customary rates charged to all families. Registration fees are separate from local market rates.

501. NON-ALLOWABLE CHILD CARE COSTS.

Care provided to an eligible child is not payable under the following conditions:

- **01. Family Member or Guardian Providing Child Care**. A parent, step-parent, or guardian will not be paid for providing child care to their own child or ward.
- **02.** Provider Living at Same Address as Child. ICCP will not pay for in-home child care if the provider lives at the same address as the child.
- 03. School Tuition, Academic Credit, or Tutoring. ICCP payments will not be made for school tuition, academic credit, or tutoring for school age children; this includes:

16.06.13 – EMERGENCY ASSISTANCE FOR FAMILIES AND CHILDREN

Section 000 Page 2297

An Adult Relative. An adult relative may sign on behalf of the child, when the child is residing with them and they are responsible for the child's care. 151. -- 159. (RESERVED) ELIGIBILITY REQUIREMENTS. The following requirements of this rule must be met before a family is eligible for emergency assistance. **Child.** There must be a child in the household for the family to be eligible. Citizenship. To be eligible for emergency assistance, an individual must meet the citizenship 02. requirements in IDAPA 16.03.08, "Temporary Assistance for Families in Idaho (TAFI),". **Income Guidelines.** The family is determined as needy when the household income is below two hundred percent (200%) of the current Federal Poverty Guideline, or is unable to meet the emergency condition because of circumstances beyond their control, and insufficient resources are immediately available to meet the child's basic needs and which threatens the child's safety, stability, or well-being. **Residence**. The child must have lived with one (1) or both parents or an adult relative, within six (6) months prior to the month of application for emergency assistance. A child may move from one (1) household to another and be eligible to receive emergency assistance in either household. Work Program Compliance. An individual who is required to participate in a work program must not have refused, without good cause, to accept employment or training for employment. 161. -- 199. (RESERVED) 200. ASSESSMENT AND AUTHORIZATION FOR EMERGENCY ASSISTANCE. Authority to Assess Needs for Emergency Assistance. Contractors may conduct assessments and make referrals for authorization. Authorization Of Emergency Assistance. Emergency assistance payments and services may only be authorized by the Department. Authorization and Assessment Period. The thirty (30) day authorization and assessment period begins the date the applicant signs the application. Services may be provided during this authorization and assessment period. 04. Service Period. A service period may continue for a maximum of ninety (90) days following the assessment period. Total Number of Days for Emergency Assistance. The total number of days a family may receive emergency assistance is one hundred twenty (120) consecutive days in a twelve (12) month period from the date the application is signed. 06. **Assessment Content.** The Department will describe in the assessment the following: The emergency condition; a.

07. Family Service Plan Content. The Department must both develop a family service plan that has been signed by the applicant and include a description of the following:

The family's issues that caused the emergency condition; and

Section 160 Page 2298

16.07.17 - SUBSTANCE USE DISORDERS SERVICES

LEGAL AUTHORITY. Sections 56-1003, 56-1004, 56-1004A, 56-1007, and 56-1009, Idaho Code, authorize the Director to promulgate, recommend, and enforce rules promoting substance use disorders services. Sections 39-305, 39-306, and 39-311, Idaho Code, authorize the Idaho Board of Health and Welfare to adopt rules and to establish standards for treatment facilities. 001. SCOPE. This chapter sets standards for providing substance use disorders services administered under the Department's Division of Behavioral Health. 002. (RESERVED) 003. ADMINISTRATIVE APPEALS. Appeal of Denial Based on Eligibility Requirements. Administrative appeals from a denial of substance use disorder services based on eligibility requirements are governed by the provisions of IDAPA 16.05.03, "Contested Case Proceedings and Declaratory Rulings." Appeal of Decision Based on Clinical Judgment. Decisions involving ASAM clinical judgment, including the category of services, the particular provider of services, or the duration of services, are reserved to the Department, and are not subject to appeal, administratively or otherwise, under Maresh v. State, 132 Idaho 221, 970 P.2d 14 (Idaho 1999). Appeal by a Substance Use Disorder Services Provider or Program. Administrative appeals from a decision that a substance use disorder services provider or program is out of compliance with these rules are governed by the provisions of IDAPA 16.05.03, "Contested Case Proceedings and Declaratory Rulings." An appeal does not stay Department action. INCORPORATION BY REFERENCE. The following are incorporated by reference in this chapter of rules: ASAM. assessment, that identifies the individual's clinical needs, the strategy for providing services to meet those needs, treatment goals and objectives and the criteria for terminating the specified interventions.

- **03. Intensive Outpatient Services**. Educational classes and individual or group counseling consisting of regularly scheduled sessions within a structured program, for a minimum of nine (9) hours of treatment per week for adults and six (6) hours of treatment per week for adolescents.
- **04. Medication-Assisted Treatment (MAT)**. The use of medications, approved by the Food and Drug Administration (FDA), in combination with counseling and behavioral therapies, to provide a whole-patient approach to the treatment of substance use disorders.
- **05. Network Treatment Provider**. Any provider, group of providers, or entity that has a network provider agreement with the Department's Division of Behavioral Health contractor to provide behavioral health services.
- **06. Opioid Treatment Program (OTP).** A program that provides MAT for persons diagnosed with opioid use disorder (OUD). OTPs provide all FDA approved MAT medications. In addition, participants receiving MAT medications must also receive counseling and other behavioral therapies to provide participants with a whole-person approach.
- **07. Outpatient Services.** Educational classes and individual or group counseling consisting of regularly scheduled sessions within a structured program for up to eight (8) hours of treatment per week for adults and five (5) hours of treatment per week for adolescents.
- **08. Priority Population**. Priority populations consist of individuals who receive services ahead of other persons. Priority populations are determined yearly by the Department and align with federally mandated priorities.
- **09. Recovery Support Services**. Non-clinical services designed to initiate, support, and enhance recovery. These services may include: safe and sober housing, transportation, child care, life skills education, drug testing, recovery coaching, and case management.
- 10. Residential Treatment Services. A planned and structured regimen of treatment provided in a 24-hour residential setting. Residential programs serve individuals who, because of function limitations need safe and stable living environments and 24-hour care.
- 11. Substance-Related Disorders. Clinical presentations due to substance use that may or may not demonstrate sufficient signs or symptoms to substantiate a diagnosis of a substance use disorder.
- 12. Substance Use Disorder. A disorder evidenced by a cluster of cognitive, behavioral, and physiological symptoms indicating that the individual continues using a substance despite significant substance-related problems. According to the DSM-5, diagnosis of a substance use disorder is based on a pathological pattern of behaviors related to use of the substance.

QUALITY ASSURANCE AND INSPECTIONS (Sections 416-419)

416. INSPECTIONS.

As the State substance abuse authority, the Department will periodically inspect substance use disorder services providers or programs as provided in Section 39-305, Idaho Code, to determine compliance with these rules and Title 39, Chapter 3, Idaho Code.

- **01. Department Inspection**. The Department may inspect a substance use services provider or program at any reasonable time during regular business hours. Inspections may be made without prior notice to the substance use services provider or program.
- **02. Program Compliance with Inspection**. The program or provider must, in compliance with federal and state confidentiality requirements, provide for review of participant treatment records, behavioral health records, logbooks, staffing charts, time reports, claims data, administrative documents, complaints, grievances, and any other requested documents or data required by the Department.
- 03. Department Protection of Participants. The Department will take steps to protect individuals receiving substance use disorder services during its inspections.

417. INVESTIGATIONS AND FINDINGS.

The Department may conduct inspections as provided in Section 416 of these rules, to investigate complaints, incidents, accidents, allegations of abuse, neglect, or exploitation. If the Department chooses to investigate, the investigation and a report of the Department's findings must be completed within thirty (30) calendar days of the date the Department learned of the complaint, incident, accident, or allegation. The Department may take any of the following actions:

- **01.** Corrective Action Plan. Require the substance use disorders services provider, program, or the Department contractor administering the provider network to engage in a corrective action plan as determined and monitored by the Department or the contractor administering the provider network; or
- **O2. Program Improvement Plan.** Require the substance use disorder services provider, program, or the Department contractor administering the provider network to develop a program improvement plan to be implemented and monitored over time.

418. NOTICES FOLLOWING INVESTIGATION.

Within thirty (30) calendar days of the date the Department learned of the complaint, incident, accident, or allegation, the Department must issue a notice to the provider, program, or the contractor administering the provider network. The notice must include:

- **O1. Statement of Department Findings.** A statement of the Department's findings about whether the program, provider, or contractor is in compliance with these rules or has engaged in abuse, neglect, or exploitation; or whether an incident or accident occurred;
 - **O2. Department Plan Requirement.** Whether the Department will require a corrective action plan or

16.07.19 - CERTIFICATION OF PEER SUPPORT SPECIALISTS AND FAMILY SUPPORT PARTNERS

LEGAL AUTHORITY. Under Title 39, Chapter 31, Idaho Code, the Idaho Legislature has delegated to the Department of Health and Welfare as the state behavioral health authority the establishment, maintenance, and oversight of the state of Idaho's behavioral health services. Section 39-3140, Idaho Code, authorizes the Department to promulgate and enforce rules to carry out the purposes and intent of the Regional Behavioral Health Services Act. Under Sections 56-1003, 56-1004, Idaho Code, the Director of the Department is authorized to adopt and enforce rules to supervise and administer mental health programs. 001. TITLE AND SCOPE. Title. These rules are titled IDAPA 16.07.19, "Certification of Peer Support Specialists and Family Support Partners." Scope. These rules establish the minimum qualifications and requirements for certification of peer support specialists and family support partners in Idaho including enforcement actions. 002. -- 009. (RESERVED) 010. **DEFINITIONS.** For the purposes of these rules, the following terms apply. Behavioral Health Program. A behavioral health program refers to an organization offering mental health or substance use disorders treatment services that includes the organization's facilities, management, staffing patterns, treatment, and related activities. **Certificate**. A certificate issued by the Department to an individual who is a behavioral health peer support specialist or a family support partner who the Department deems to be in compliance with these rules. 03. **Department**. The Idaho Department of Health and Welfare, or its designee. 04. **Director**. The Director of the Department of Health and Welfare, or designee. Family Support Partner. An individual who has lived experience raising a child who has a behavioral health disorder diagnosis, mental illness, or mental illness with a co-occurring substance use disorder, has specialized training related to such care, and who has successfully navigated the various systems of care. Family Support Partner Services. Family-to-family services are non-clinical support services provided by family support partners who have participated in mental health services, and who have received training in how to share their experiences with others facing similar challenges. Lived Experience. Life experiences of an individual who has received behavioral health services or has raised a child who is living with a behavioral health diagnosis, mental illness, or mental illness with a cooccurring substance use disorder, and has at least one (1) year of lived experience navigating the behavioral health systems. Peer Support Services. Non-clinical services are provided by peer support specialists who are on their own recovery journey, and who have received training in supporting others who are actively involved in their own recovery process. Peer Support Specialist. An individual in recovery from mental illness or mental illness with a cooccurring substance use disorder who uses lived experience and specialized training to assist other individuals in recovery. 011. -- 099. report the results from their inspections to the Department. All citations will become part of the permittee's permanent record. 04. Complaint Investigation.) The Department must refer all written complaints concerning the sale of tobacco products to minors to the appropriate agency, as determined by the Department, for investigation. Inspections conducted as part of the investigation of a written complaint are not included in the overall number of inspections identified under Subsections 101.01 and 101.03 of this rule. Citations issued during the investigation of a written complaint must be added to the permittee's permanent record. **Issuance of Citation or Report.** For inspections conducted under Subsection 101.01 of this rule, a representative of the business will be provided with a report, within two (2) business days, after the inspection. The date the Department provides notification of the citation must be used for determination of timely payment of fines and all other administrative actions including requests for waivers and request for appeals. 102. -- 999. (RESERVED) APPENDIX A EMPLOYEE TRAINING FORM The following may be used for training of employees to assure that they are aware of the current law regarding youth access to tobacco products in the state of Idaho. This would constitute "minimum" training required by the employer as indicated in Section 39-5701 et seq., Idaho Code. Have the employee initial each section and sign at the bottom. I understand the state law prohibits the sale of ANY tobacco products to persons under 18 years of age and that verification of age is required for any sale of tobacco products. I understand that I am to ask for photo identification from any persons whom I do not personally know to be at least 18 years of age and verify their age before a sale of tobacco products. I understand that sales to anyone under the age of 18 can result in a personal fine to me of \$100 for the first offense. I understand that "tobacco products" includes any substance that contains tobacco including, but not limited to, cigarettes, cigars, pipes, snuff, smoking tobacco, tobacco papers, or smokeless tobacco. (Section 39-5702 (13), Idaho Code) I understand that this store may be inspected at any time for compliance with the state law regarding "youth access to tobacco products." I understand that all sales must be "vendor assisted" unless the store in which I work has 75% of the total merchandise available for sale as tobacco products. This store is is not exempted from the vendor assisted requirement. (check one) I understand that cigarettes **must** be sold only in their original sealed package from the manufacturer. (Section 39-5707, Idaho Code) I have been given a copy of Section 39-5701 et seq., Idaho Code, and IDAPA 16.07.25, "Prevention of Minor's

I have read and agree to these statements and have had all my questions answered regarding my responsibilities as a

16.07.33 - ADULT MENTAL HEALTH SERVICES

000. LEGAL AUTHORITY.

The Idaho Legislature has delegated to the Department of Health and Welfare, as the state mental health authority, the responsibility to ensure that mental health services are available throughout the state of Idaho to individuals who need such care and who meet certain eligibility criteria under the Regional Mental Health Services Act, Title 39, Chapter 31, Idaho Code. Under Section 39-3140, Idaho Code, the Department is authorized to promulgate rules to carry out the purposes and intent of the Regional Mental Health Services Act. Under Sections 56-1003(3)(c), 56-1004, 56-1004A, 56-1007, and 56-1009, Idaho Code, the Director is authorized to adopt rules to supervise and administer a mental health program.

001. TITLE AND SCOPE.

- **01. Title.** These rules are titled IDAPA 16.07.33, "Adult Mental Health Services."
- **O2.** Scope. This chapter defines the scope of services, eligibility criteria, application requirements, individualized treatment plan requirements, and appeal process for the provision of adult mental health services administered under the Department's Division of Behavioral Health.

002. (RESERVED)

003. ADMINISTRATIVE APPEALS.

- **O1.** Appeal of Denial Based on Eligibility Criteria. Administrative appeals from a denial of mental health services based on the eligibility criteria under Section 102 of these rules are governed by the provisions of IDAPA 16.05.03, "Rules Governing Contested Case Proceedings and Declaratory Rulings."
- **O2.** Appeal of Decision Based on Clinical Judgment. All decisions involving clinical judgment, including the category of services, the particular provider of services, or the duration of services, are reserved to Department, and are not subject to appeal, administratively or otherwise, in accordance with *Maresh v. State*, 132 Idaho 221, 970 P.2d 14 (Idaho 1999).

004. INCORPORATION BY REFERENCE.

American Psychiatric Association: Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition, (DSM-5) Washington, DC, American Psychiatric Association, 2013, is hereby incorporated by reference under this chapter of rules. Copies of the manual are available from the American Psychiatric Association, 1000 Wilson Boulevard, Suite 1825, Arlington, Va. 22209-3901. A copy of the manual is also available for public review at the Department of Health and Welfare, 450 West State Street, Boise, Idaho, 83702.

005. -- 008. (RESERVED)

009. CRIMINAL HISTORY AND BACKGROUND CHECK REQUIREMENTS.

- **01.** Compliance With Department Criminal History and Background Check. All owners, operators, employees, transfers, reinstated former employees, student interns, contractors, and volunteers, who provide direct care or services, or whose position requires regular contact with clients, must comply with the provisions in IDAPA 16.05.06, "Criminal History and Background Checks."
- **O2.** Availability to Work or Provide Service. An individual listed in Subsection 009.01 of these rules is available to work on a provisional basis at the discretion of the employer or agency once the individual has submitted their criminal history and background check application, it has been signed and notarized, reviewed by the employer or agency, and no disqualifying crimes or relevant records are disclosed on the application. An individual must be fingerprinted within twenty-one (21) days of submitting their criminal history and background check application.
- **a.** An individual is allowed to work or have access to clients only under supervision until the criminal history and background check is completed.
- **b.** An individual, who does not receive a criminal history and background check clearance or a waiver granted under the provisions in this chapter, may not provide direct care or services, or serve in a position that requires regular contact with clients accessing adult mental health services through the Department. ()
 - 03. Waiver of Criminal History and Background Check Denial. A certified or uncertified

Section 000 Page 2328

IDAPA 16.07.33 Adult Mental Health Services

individual who is seeking to provide Peer Support Specialist, Family Support Partner, or Recovery Coach services that receives an unconditional denial or a denial after an exemption review by the Department's Criminal History Unit, may apply for a Behavioral Health waiver.

10. DEFINITIONS - A THROUGH F.

For the purposes of these rules, the following terms are used as defined below:

10. Adult. An individual eighteen (18) years of age or older.

- **O2.** Adult Mental Health Services. Adult mental health services are listed in Section 301 of these rules. These services are provided in response to the mental health needs of adults eligible for services required in Title 39, Chapter 31, Idaho Code, the Regional Behavioral Health Service Act, and under Section 102 of these rules.
- **03. Applicant**. An adult individual who is seeking mental health services through the Department who has completed, or had completed on their behalf, an application for mental health services.
- **04. Assessment.** The gathering of historical and current clinical information through a clinical interview and from other available resources to identify a client's mental health issues, strengths, and service needs.
- **05. Assertive Community Services**. Comprehensive, intensive, and long-term rehabilitative services provided to clients who suffer from serious and persistent mental illness (SPMI) who have not benefited from traditional outpatient programs.
- **06. Behavioral Health**. An integrated system for evaluation and treatment of mental health and substance use disorders.
- **07. Behavioral Health Center.** State-operated community-based centers located in each of the seven (7) geographical regions of Idaho that provide or arrange for adult mental health services listed under Section 301 of these rules.
- **08.** Case Management. A change-oriented service provided to clients that assures and coordinates the provision of an assessment, treatment planning, treatment and other services, protection, advocacy, review and reassessment, documentation, and timely closure of a case.
- **09. Client.** A person receiving mental health services through the Department. The term "client" is synonymous with the following terms: patient, participant, resident, consumer, or recipient of treatment or services.
- 10. Clinical Judgment. Refers to observations and perceptions based upon education, experience, and clinical assessment. This may include psychometric, behavioral, and clinical interview assessments that are structured, integrated, and then used to reach decisions, individually or collectively, about an individual's functional, mental, and behavioral attributes and mental health service needs.
- 11. Clinical Necessity. Adult mental health services are deemed clinically necessary when the Department, in the exercise of clinical judgment, recommends services to an applicant for the purpose of evaluating, diagnosing, or treating a mental illness and that are:
- **a.** Clinically appropriate, in terms of type, frequency, extent, site, and duration, and considered effective for treating the applicant's mental illness; and
- **b.** Not primarily for the convenience of the applicant or service provider, not more costly than an alternative service or sequence of services, and at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of the applicant's mental illness.
 - 12. Clinical Team. A proposed client's clinical team may include: qualified clinicians, behavioral

Section 010 Page 2329

IDAPA 16.07.33 Adult Mental Health Services

health professionals, professionals other than behavioral health professionals, behavioral health technicians, and any other individual deemed appropriate and necessary to ensure that the treatment is comprehensive and meets the needs of the proposed client.

- 13. Crisis Intervention Services. A set of planned activities designed to reduce the risk of life-threatening harm to self or another person. Crisis intervention services include evaluation, assessment, intervention, stabilization, and follow-up planning.
- **14. Department**. The Idaho Department of Health and Welfare or its designee. The Department is designated as the State Mental Health Authority under Section 39-3124, Idaho Code. ()
- **15. Federal Poverty Guidelines**. Guidelines issued annually by the Federal Department of Health and Human Services establishing the poverty income limits. The federal poverty guidelines for the current year may be found at: http://aspe.hhs.gov/poverty/.
- **16. Functional Impairment.** Difficulties that substantially impair or limit role functioning with an individual's basic daily living skills, or functioning in social, family, vocational, or educational contexts including psychiatric, health, medical, financial, and community or legal area, or both.

011. DEFINITIONS - G THROUGH Z.

For the purposes of these rules, the following terms are used as defined below:

- **01. Good Cause.** A valid and sufficient reason for not complying with the time frame set for submitting a written request for a waiver by an individual who does not receive a criminal history and background check clearance.
- **02. Gravely Disabled.** An adult who, as a result of mental illness, is in danger of serious physical harm due to the person's inability to provide for any of their basic needs for nourishment, essential medical care, shelter, or safety.
- **03. Individualized Treatment Plan.** A written action plan based on an intake eligibility assessment, that identifies the applicant's clinical needs, the strategy for providing services to meet those needs, treatment goals and objectives, and the criteria for terminating the specified interventions.
- **04. Medication Management**. The in-depth management of medications for psychiatric disorders for relief of a client's signs and symptoms of mental illness, provided by a physician or mid-level practitioner. ()
- **05. Mental Health Crisis.** A mental health crisis occurs when a sudden loss of an adult individual's ability to use effective problem-solving and coping skills leads to an imminent risk of harm to self or others, or decompensation to the point of the individual's inability to protect himself or herself.
- **06. Outpatient Services.** Mental health services provided to a client who is not admitted to a psychiatric hospital or in a residential care setting.
- **07. Psychiatric Services**. Medically necessary outpatient and inpatient services provided to treat and manage psychiatric disorders.
- **08.** Rehabilitative and Community-Based Services. Skill-building services that foster rehabilitation and recovery provided to client recovering from a mental illness.
- **09. Residential Care.** A setting for the treatment of mental health that provides twenty-four (24) hours per day, seven (7) days a week, living accommodations for clients.
- 10. Serious Mental Illness (SMI). Means any of the following psychiatric illnesses as defined by the American Psychiatric Association in the Diagnostic and Statistical Manual of Mental Disorders, (DSM-5), incorporated in Section 004 of these rules:

Section 011 Page 2330

400. WAIVERS.

- **01.** Waiver of Certain Eligibility Criteria. Subject to funding, availability of adult mental health services or adult mental health providers, and the number of clients receiving adult mental health services through the Department, the Department may consider waiving, in its sole discretion, the eligibility requirement that applicants have a primary diagnosis of SPMI.
- **02.** A Waiver Decision Does Not Establish a Precedent. The Department's decision to grant a waiver, or not, to an applicant neither establishes a precedent nor is it applicable to any other applicant for a waiver.
- **03.** Waiver Decisions Are Not Subject to Review or Appeal. The Department's actions and decisions pertaining to waivers are not subject to review or appeal, administratively or otherwise, in accordance with *Maresh v. State*, 132 Idaho 221, 970 P.2d 14 (Idaho 1999). Waivers are not admissible in administrative hearings or proceedings under IDAPA 16.05.03, "Contested Case Proceedings and Declaratory Rulings."

16.07.37 - CHILDREN'S MENTAL HEALTH SERVICES

LEGAL AUTHORITY. Under Sections 16-2404, 16-2406, 16-2423, 16-2433, 56-202(b), 56-203B, 56-204A, 56-1003, 56-1004, and 56-1004A, Idaho Code, the Idaho Legislature has delegated to the Department the responsibility to establish and enforce rules and methods of administration needed to provide children's mental health services in accordance with the Children's Mental Health Services Act. 001. TITLE AND SCOPE. 01. Title. These rules are titled IDAPA 16.07.37, "Children's Mental Health Services.") Scope. This chapter defines the appeal process, scope of services, eligibility criteria, and application requirements for the provision of children's mental health services by the Department. 002. (RESERVED) 003. ADMINISTRATIVE APPEALS. Appeal from a Denial Based on Eligibility Criteria. Administrative appeals from a denial of children's mental health services based on the eligibility criteria under Section 107 of these rules are governed by the provisions of IDAPA 16.05.03, "Rules Governing Contested Case Proceedings and Declaratory Rulings." Grievances and Expedited Hearings. Grievances and expedited hearings related to non-Medicaid Youth Empowerment Services (YES) will be provided as described in IDAPA 16.05.03 "Rules Governing Contested Case Proceeding and Declaratory Ruling," Sections 750 and 751. Appeal of Decision Based on Clinical Judgment. All decisions involving clinical judgment, which may include the category of services, the particular provider of services, or the duration of services, are reserved to the Department, and are not subject to appeal, administratively or otherwise, in accordance with Maresh v. State, 132 Idaho 221, 970 P.2d 14 (Idaho 1999). INCORPORATION BY REFERENCE. 004. American Psychiatric Association: Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition, (DSM-5), Washington, D.C., American Psychiatric Association, 2013, is hereby incorporated by reference under this chapter of rules. Copies of the manual are available from the American Psychiatric Association, 1000 Wilson Boulevard, Suite 1825, Arlington, VA 22209-3901. A copy of the manual is also available for public review at the Department of Health and Welfare, 450 West State Street, Boise, Idaho, 83702. 005. -- 008. (RESERVED) 009. CRIMINAL HISTORY AND BACKGROUND CHECK REQUIREMENTS. Compliance with Department Criminal History and Background Check. Department employees, applicants, transfers, reinstated former employees, student interns, contract employees, volunteers, and others assigned to programs that involve direct contact with children or vulnerable adults as defined under Section 39-5302, Idaho Code, must comply with the provisions in IDAPA 16.05.06, "Criminal History and Background Checks.' **Availability to Work or Provide Service.** Certain individuals are allowed to provide services after the criminal history and background check is completed as provided in Section 56-1004A, Idaho Code, except when they have disclosed a designated crime listed in IDAPA 16.05.06, "Criminal History and Background Checks." The criminal history and background check requirements applicable to each provider type are found in the rules that state the qualifications or certification of those providers. DEFINITIONS AND ABBREVIATIONS A THROUGH E. For the purposes of these rules, the following terms apply: Alternate Care. Temporary living arrangements outside the family home that may include licensed

O2. Alternate Care Plan. A component of the treatment plan for children in alternate care. The

foster care, residential treatment, and other facilities licensed by the state to provide twenty-four (24) hour care for

children in accordance with IDAPA 16.06.02, "Child Care Licensing," or IDAPA 16.03.14, "Hospitals."

Section 000 Page 2337

alternate care plan contains elements related to the justification of the need for Alternate Care Placement, the provision of treatment while in Alternate Care Placement, the child's alternate care provider, education, immunization, medical and other information important to the day-to-day care of the child.

- **03.** Area(s) of Concern. A circumstance or circumstances that brought a child and family to the attention of the Department.
- **04. Assessment**. The gathering of historical and current clinical information through a clinical interview and from other available resources to identify the child's mental health issues, the child's strengths, the family's strengths, and the service needs.
- **05. Behavioral Health**. An integrated system for evaluation and treatment of mental health and substance use disorders.
- **06.** Case Management. A change-oriented service provided to families that assures and coordinates the provision of an assessment, treatment planning, treatment and other services, protection, advocacy, review and reassessment, documentation, and timely closure of a case.
- **07. Case Record**. Compilation of all electronic and hard copy documentation relating to a child who is receiving or has received children's mental health services including legal documents, identifying information, and assessments.
 - **08. Child.** An individual who is under the age of eighteen (18) years. (
- **09. Children's Mental Health Services.** The children's mental health services are listed under Section 100 of these rules. These services are provided in response to the mental health needs of children eligible for services under Section 107 of these rules and their families in accordance with the provisions of the Children's Mental Health Services Act, Title 16, Chapter 24, Idaho Code.
- 10. Clinician. Any of the direct service personnel with a Master's degree working in regional Children's Mental Health programs, including master's level social workers, psychologists, counselors, and family therapists.
- 11. Crisis Intervention. A set of planned activities for a child eligible for services under Section 107 of these rules designed to reduce the risk of life-threatening harm to self or another person.
- 12. Crisis Plan. As part of the treatment plan, the individualized crisis plan is developed to prevent a crisis or prepare for a crisis situation and to keep the child and others safe. The crisis plan may include the child's trigger behaviors, preferred strategies for resolving a crisis, interventions to be avoided, and contact information of community resources and natural supports.
- 13. Crisis Response. A service for a child that involves immediate actions taken to assess risk or intervene in an emergency as defined in Section 16-2403(6), Idaho Code. A determination of eligibility under Section 107 of these rules is not required for crisis response.
- 14. Day Treatment Services. Intensive nonresidential services that include an integrated set of educational, clinical, social, vocational, and family interventions provided on a regularly scheduled, typically daily, basis.
- **15. Department**. The Idaho Department of Health and Welfare or its designee. The Department is designated as the State Behavioral Health Authority under Section 39-3123, Idaho Code.
- 16. Desired Result. Behaviorally-specific description of the child's and family's circumstances when the factors that brought the child and family to the Department's attention, either no longer exist or are significantly reduced.
 - 17. Director. The Director of the Idaho Department of Health and Welfare or their designee. ()

services under Section 107 of these rules within the private homes of trained, licensed foster families.

- **06. Treatment Plan**. The individualized treatment plan describes the child's strengths and needs, short and long-term treatment goals, desired outcomes, and the roles, strategies, resources, and timeframes for coordinated implementation of services and supports. The plan is developed with the child, when possible, and the child's parent or guardian. The treatment plan includes a crisis plan and plans for transitioning out of services or to adult services. The treatment plan also includes the alternate care plan, if the child is in alternate care.
- **07. Wraparound**. Wraparound is a planning process that brings together a team of professionals and citizens working together to support children eligible for services under Section 107 of these rules and their families. Members of the team include the child, family members, representatives of public and private agencies, civic groups, and other community members. The services and supports focus on the strengths of the child and family, are provided in the local community, and are customized to fit the individual culture of the family.

101. TEENS AT RISK PROGRAM.

The Teens at Risk program is for individuals attending Idaho secondary public schools who have been identified by school personnel or their designee as expressing or exhibiting indications of depression, suicidal inclination, emotional trauma, substance use, or other behaviors or symptoms that indicate the existence of, or that may lead to, the development of mental illness or a substance use disorder. The Department may enter into contracts for Teens at Risk programs in cooperation with Idaho public school districts subject to Department appropriations and available funding for this program. The Department reserves the right to make the final determination to award a school district a Teens at Risk contract.

01. Application. School districts may apply to the Department through a competitive application

Section 107 Page 2343

- **Other Information that Must be Provided to the Parent**. The clinician must also inform the parent that fees may be incurred for certain services, in accordance with IDAPA 16.07.01, "Behavioral Health Sliding Fee Schedules," and that a parent has financial responsibility for the child.
- **04.** Reapplication for Mental Health Services. If the Department determines that a child is not eligible for children's mental health services through the Department, the child's parent or guardian may reapply after six (6) months or at any time upon a showing of a substantial, material change in circumstances.

111. -- 114. (RESERVED)

115. TREATMENT PLAN.

A treatment plan will be developed by the Department, a parent or guardian, and the child, if appropriate, and may include the service provider or service providers. This plan will be specific, measurable, and realistic in the identification of the goal(s), relevant areas of concern, and desired results.

- **O1. Development of Treatment Plan.** A treatment plan will be completed within fifteen (15) days of the date the child was determined eligible for children's mental health services. The parent or guardian must be given the opportunity to participate in the development of the treatment plan and sign it. The parent or guardian must sign the treatment plan indicating their agreement with service needs identified and their participation in its development. If these signatures, indicating participation in the development of the treatment plan are not obtained, the reason the signatures were not obtained must be documented in the record, including the reason for the parent's or guardian's refusal to sign. If the services are court-ordered and the parent or guardian refuses to sign the plan, the refusal must also be documented on the plan. If the services are voluntary and the parent or guardian refuses to sign the plan, the Department may close the case.
- **02. Annual Development of Treatment Plan**. The Department will develop a plan at least annually. The parent or guardian will be given the opportunity to participate in the annual development of the treatment plan and to sign it.
- **03. One Hundred Twenty Day Review**. Treatment plans are to be reviewed with the family at least once every one hundred twenty (120) days.
- **04. Goals and Tasks.** Treatment plans must include a long-term goal that identifies specific behavior changes, have measurable desired results, and have specific tasks that identify by whom, how, and when the tasks will be completed.

116. OUTCOMES FOR CHILDREN'S MENTAL HEALTH SERVICES.

Outcomes for children's mental health services are measured through the administration of a satisfaction survey and the Department-approved standardized functional assessment tool.

117. CASE RECORDS.

- **01.** Electronic and Physical Files. The Department must maintain an electronic file and a physical file containing information on each child receiving children's mental health services. The physical file may include non-electronic documentation such as originals or copies of all court orders, birth certificates, social security cards, and assessment information that originates outside the Department.
- **O2.** Storage of Records. All physical case records must be stored in a secure file storage area away from public access, and retained not less than five (5) years after the case is closed, after which they may be destroyed.
- **a.** Exception for Adoption Records. Complete family case records involving adoptive placements must be forwarded to the Department's central adoption unit for permanent storage. ()
- **b.** Exception for Case Records Involving an Indian Child. A case record involving an Indian child must be available at any time at the request of an Indian child's tribe or the Secretary of the Interior. ()

Section 115 Page 2344

118. USE OF PUBLIC FUNDS AND BENEFITS.

Public funds and benefits will be used to provide services for children eligible for services under Section 107 of these rules and their families. Services should be planned and implemented to maximize the support of the family's ability to provide adequate safety and well-being for the child at home. If the child cannot receive adequate services within the family home, the Department will arrange services to minimize the need for institutional or alternate care placement. Services will be individually planned with the family to meet the unique needs of each child and family. The Department will not require a parent or guardian to relinquish custody of the child in order to receive Department-funded services.

119. FINANCIAL RESPONSIBILITY OF PARENT(S).

Parent(s) of a child eligible for services under Section 107 of these rules who is receiving outpatient services either directly from the Department, or through Department contracts with private providers, are financially responsible for services provided to their child and to their family, including court-ordered children's mental health services. The financial responsibility for each service will be in accordance with the ability of parent(s) to pay as determined under IDAPA 16.07.01, "Behavioral Health Sliding Fee Schedules." Parent(s) will not incur a financial obligation for services provided to their child through a Teens at Risk program.

SLIDING FEE SCHEDULE FOR CHILDREN'S MENTAL HEALTH OUTPATIENT SERVICES. The fee charged to parents for outpatient children's mental health services is determined using the sliding fee schedule under IDAPA 16.07.01, "Behavioral Health Sliding Fee Schedules," Section 300.

121. FEE DETERMINATION FOR CHILDREN'S MENTAL HEALTH OUTPATIENT SERVICES.

Prior to the delivery of outpatient services, a "Fee Determination" form must be completed by a child's parent when requesting children's mental health services. The fee determination process includes the considerations found under IDAPA 16.07.01, "Behavioral Health Sliding Fee Schedules," Section 400.

122. -- 199. (RESERVED)

ALTERNATE CARE PLACEMENT (Sections 200-299)

200. AUTHORITY FOR ALTERNATE CARE PLACEMENT.

The Department may place a child into alternate care under either of the following conditions in Subsection 200.01 or 200.02 of this rule:

- **01. Court Order.** The Department may place a child into alternate care when the Department has been ordered by the Court to provide alternate care for a child.
- **a.** A placement agreement must be developed by the Department and the parent or guardian prior to the child's placement in alternate care.
- **b.** The treatment plan will identify areas of concern, goals, desired outcomes, time frames, tasks, and task responsibilities.
- **c.** The placement agreement entered into between the Department and a parent or guardian may be revoked with a twenty-four (24) hour notice by the child's parent or guardian. If notice is given by the parent or guardian, the Department will notify the court.
- **O2. Voluntary Placement**. The Department may place a child into alternate care with the Department when a parent or guardian is no longer able to maintain a child eligible for services under Section 107 of these rules in the child's home and the Department determines that the child would benefit from alternate care and treatment services.
- **a.** A treatment plan, alternate care plan, and a placement agreement must be developed by the Department and the parent or guardian prior to the child's placement in alternate care. The treatment plan will identify areas of concern, goals, desired outcomes, time frames, tasks and task responsibilities. ()

204. TITLE XIX ELIGIBILITY.

Children placed in alternate care through the Department are eligible for Title XIX, if they meet the eligibility requirements as defined in IDAPA 16.06.01, "Child and Family Services." Application for these programs will be made by Department clinicians on the forms and in the manner prescribed by the Department's Division of Family and Community Services.

205. ALTERNATE CARE LICENSURE.

All private homes and facilities in Idaho providing alternate care for children under these rules must be licensed in accordance with IDAPA 16.06.02, "Child Care Licensing," unless foster care placement of an Indian child is made with a foster home licensed, approved, or specified by the Indian child's tribe, or an institution for children approved by an Indian tribe or operated by an Indian organization.

the Department as soon as possible. A parent or guardian, the court in an emergency, or the Department, if it is the guardian of the child, has the authority to consent to major medical care or hospitalization in accordance with Section 39-4504, Idaho Code.

245.	DE	NTAI	DE

Each child age three (3) years or older, who is placed in alternate care, must receive a dental examination as soon as possible after placement, but not later than ninety (90) days, and thereafter according to a schedule prescribed by the dentist.

- **01. Costs Paid by Medicaid.** If dental care not included in the state medical assistance program is recommended, a request for payment will be submitted to the state Medicaid dental consultant. ()
- **02. Emergencies**. Emergency dental services will be provided for children in alternate care and paid for by the Department, if there are no other financial resources available.

246. COSTS OF PRESCRIPTION DRUGS.

The Department will purchase prescribed drugs, at the Medicaid rate, for a child in alternate care through participating pharmacies.

247. MEDICAL EXAMINATION UPON ENTERING ALTERNATE CARE.

Within thirty (30) days of entering alternate care, each child will receive a medical examination to assess the child's health status, and thereafter according to a schedule prescribed by the child's physician or other health care professional.

248. -- 250. (RESERVED)

251. DRIVERS' TRAINING AND LICENSES FOR CHILDREN IN ALTERNATE CARE.

Only a parent or guardian of a child in alternate care may authorize drivers' training, provide payment, and sign for drivers' licenses and permits.

252. -- 282. (RESERVED)

283. PAYMENT TO FAMILY ALTERNATE CARE PROVIDERS.

Monthly payments for care provided by family alternate care providers are paid according to IDAPA 16.06.01, "Child and Family Services."

- 01. Gifts. Additional payments for Christmas gifts and birthday gifts will be paid in the appropriate months.
- **02.** Clothing. Costs for clothing will be paid, based upon the Department's determination of each child's needs. All clothing purchased for a child in alternate care becomes the property of the child.
- **03. School Fees.** School fees due upon enrollment will be paid directly to the school or to the foster parents, based upon the Department's determination of the child's needs.

284. ADDITIONAL PAYMENTS TO FAMILY ALTERNATE CARE PROVIDERS.

For those children who, as determined by the Department, require additional care above room, board, shelter, daily supervision, school supplies, and personal incidentals, the Department may pay the family alternate care provider an additional amount to that paid according to IDAPA 16.06.01, "Child and Family Services." The family alternate care rate is based upon a continuous ongoing assessment of the child's circumstances that necessitate special rates as well as the care provider's ability, activities, and involvement in addressing those special needs.

- **02.** Continuing Education. Following designation as a treatment foster home, each treatment foster home parent must complete fourteen (14) hours of additional training per year as specified in an agreement developed between the treatment foster parents and the Department.
- **03. Availability.** At least one (1) treatment foster parent in each treatment family home must be available twenty-four (24) hours a day, seven (7) days a week to respond to the needs of the foster child.
- **Q4. Payment.** The Department will pay treatment foster parents up to one thousand eight hundred (\$1,800) dollars per month per child, which includes the monthly payment rate specified in Sections 283 and 284 of these rules. The payment will be made to treatment foster parents in accordance with a contract with the Department. The purpose of the contract is to make clear that the treatment foster parents must fulfill the requirements for treatment foster parents under the treatment plan referenced in Subsection 600.06 of this rule.
- **O5. Payment to Contractors.** The Department may also provide treatment foster care through a contract with an agency that is a private provider of treatment foster care. The Department will specify the rate of payment in the contract with the agency.
- **06.** Treatment Plan. The treatment foster parent(s) must implement the portions of the Department-approved treatment plan for which they are designated as responsible for each child in their care. This plan is incorporated as part of the treatment plan identified in Section 115 of these rules.

601. -- 699. (RESERVED)

700. RESIDENTIAL CARE FACILITIES.

Residential care facilities provide a more intensive setting than treatment foster care. Residential care facilities in Idaho are licensed under IDAPA 16.06.02, "Child Care Licensing" to provide residential care for children and staffed by employees who cover assigned shifts. Children placed in residential care facilities receive services that may include the following: assessment, supervision, treatment plan development and implementation, documentation, behaviorally focused skill building, service coordination or clinical case management, consultation, psychotherapy, psychiatric care, and twenty-four (24) hour crisis intervention. Placement into a residential care facility for children eligible for services under Section 107 of these rules is based on the documented needs of the child and the inability of less restrictive settings to meet the child's needs.

- **01. Prior Authorization**. Prior authorization must be obtained from an authorized representative in the Department's Division of Behavioral Health for placement of a child in a residential care facility where the Division of Behavioral Health is making full or partial payment.
- **O2. Payment**. When care is purchased from private providers, payment will be made in accordance with a contract authorized by the Department, based on the needs of each child being placed and the services to be provided.

701. -- 799. (RESERVED)

800. SIX MONTH REVIEWS FOR CHILDREN IN ALTERNATE CARE PLACEMENTS.

A review is to occur at the end of a six (6) month period for any child in an alternate care placement. The Department will conduct a case review to assure compliance with all applicable state and federal laws, and to ensure the treatment plan focuses on the goals of safety, permanency, effectiveness of treatment, and well-being of the child. The Department may request the court hold a review hearing for the child in accordance with Section 16-2407(3), Idaho Code.

01. Notice of Six Month Review. The parent or guardian, foster parent of a child, or relative providing care for the child is to be provided with notice of their right to be heard in the six (6) month review. In the case of an Indian child, the child's tribe and any Indian custodian must also be provided with notice. This must not be construed to require that any foster parent, or relative providing care for the child be made a party to the review solely on the basis of the receipt of such notice. Participants have the right to be represented by the individual of their choice.
