SUBJECT: Idaho Potato Commission

IDAPA 29.00.00 - Rules of the Idaho Potato Commission - Notice of Omnibus Rulemaking - Proposed

Rule (Docket No. 29-0000-2100)

Summary and Stated Reasons for the Rule

The Idaho Potato Commission submits notice of proposed rule at IDAPA 29.00.00 - Rules of the Idaho Potato Commission. According to the commission, the rulemaking publishes the rule chapter previously submitted to and reviewed by the Legislature.

Negotiated Rulemaking/Fiscal Impact

The commission states that negotiated rulemaking was not conducted "because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare." The commission notes that there is no fee or charge imposed or increased and that no fiscal impact is anticipated.

Statutory Authority

The rulemaking appears to be authorized pursuant to sections 22-1205 and 22-1207, Idaho Code.

cc: Idaho Potato Commission Patrick Kole

*** PLEASE NOTE ***

Per the Idaho Constitution, all administrative rules may be reviewed by the Legislature during the next legislative session. The Legislature has 3 options with this rulemaking docket: 1) Approve the docket in its entirety; 2) Reject the docket in its entirety; or 3) Reject the docket in part.

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 22-1205 and 22-1207, Idaho Code.

PUBLIC HEARING SCHEDULE: A public hearing will be scheduled if requested in accordance with IDAPA 04.11.01.800 et. Seq. Rules of the Attorney General.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This proposed rulemaking publishes the following rule chapter(s) previously submitted to and reviewed by the Idaho Legislature under IDAPA 29, rules of the Idaho Potato Commission:

IDAPA 29

• 29.01.01, Rules of the Idaho Potato Commission.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: None.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2022 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rule(s) being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, incorporated material may be obtained or electronically accessed as provided in the text of the proposed rule(s) attached hereto.

003. ADMINISTRATIVE PROCEEDINGS AND APPEALS.

Administrative proceedings and appeals are administered by the Commission in accordance with the "Idaho Rules of Administrative Procedure of the Attorney General." IDAPA 04.11.01, Subchapter B - Contested Cases, Sections 100 through 800, which for the purpose of Section 22-1201 et seq., Idaho Code, will be known as Rules of Practice and Procedure of the Idaho Potato Commission Governing Contested Cases. 004. -- 010. (RESERVED)

010. **DEFINITIONS.**

The terms defined in Section 22-1204, Idaho Code, apply to this chapter. In addition, the following terms are defined as follows:

01. Primary Channel of Trade. Potatoes are deemed to be delivered for shipment into the primary channel of trade when any such potatoes are sold or delivered for shipment, or delivered for canning and/or processing into by-products.

011. -- 099. (RESERVED)

100. GENERAL.

- **01. Potato Tax.** All potatoes grown in Idaho, no matter how grown (i.e. by conventional, organic, or other methods) and no matter what variety (i.e. russet, red, yellow, specialty, or other variety) are subject to the potato tax imposed by Section 22-1211, Idaho Code.
- **92. Potato Tax Base Rate and Additional Tax.** A base tax of four cents (\$0.04) per hundredweight is imposed by statute on all potatoes grown in Idaho. In addition, an additional tax of eleven cents (\$0.11) per hundredweight may be imposed upon a determination by at least two-thirds (2/3) of commission members that the anticipated expenditures for the fiscal year following the year in which the determination is made will exceed the anticipated tax revenues to be collected from the four cents (\$0.04) base tax rate.
- 03. Potato Tax Due Date and Responsible Party. The potato tax is due when potatoes are first handled in the primary channels of trade and must be paid not later than the fifteenth day of the next month. The first person selling or otherwise delivering potatoes into primary channels of trade is responsible for and must pay the full potato tax. However, if the first person is a dealer or shipper handling potatoes grown by another, he may charge back to the person he acquired the potatoes from sixty percent (60%) of the potato tax. The charge back does not reduce the

Section 000 Page 3931

first person's tax liability due to the commission.

- 04. Growers', Dealers', Handlers', Shippers', Processors', Container Manufacturers', and Out-of-State Repackers' Records. Idaho Potato Commission Tax Report Forms Audits Inspections.
- **a.** Every dealer or handler including out-of-state repackers shall keep a complete and accurate record of all potatoes handled in the primary channels of trade in such form as the Commission or their designee prescribes.
- b. In addition to such other information that the Executive Director, duly authorized agent, representative or employee requires, each grower, dealer, handler, shipper, processor, container manufacturer, and out-of-state repacker shall keep records that segregates purchases and sales of Idaho® potatoes by calendar month; records of inventories of Idaho® potatoes by calendar month; and records of inventories of containers bearing the registered Certification Marks of the Commission by calendar month. Such records shall be preserved for a minimum period of two (2) years and be open to inspection at any time upon written or oral request or demand by the Commission or its duly authorized agents, representatives, or employees.
- c. The Commission's duly authorized agent, representative or employee may enter upon the premises of any grower, dealer, handler, out-of-state repacker, container manufacturer, processor or any other license agreement holder of Idaho® potatoes and examine or cause to be examined any books, papers, records, ledgers, purchase journals, sales journals, electronically and/or magnetically recorded data, computers and computer records or memoranda bearing upon the amount of taxes payable or the correct usage of any Idaho Trade or Certification Mark, and to secure any other information directly or indirectly concerned with the enforcement of Chapter 12, Title 22, Idaho Code, all rules adopted pursuant thereto and all licensing agreements entered into with the Commission. The Commission's duly authorized agents, representatives or employees may also inspect and take samples of any potatoes, potato products or containers from the premises used by a grower, dealer, handler, shipper, processor, container manufacturer, or out-of-state repacker. Regular audits shall be routinely performed by the Commission or its duly authorized agents, representatives, or employees to assure adherence with these rules. In addition, compliance audits may take place at any time. For further requirements see Section 22-1212, Idaho Code.
- **05.** Calculation of Tax Due. All first handlers of Idaho® Grown potatoes shall pay the total tax due on all potatoes handled by them on a net weight basis. Net weight shall be determined by subtracting from the gross scale weight the dirt, rock, other foreign material only, and potatoes that are not used for human consumption. The amount of tax due is the tax rate currently imposed pursuant to Section 100.03 multiplied by the net hundredweight (cwt). The following diagram illustrates the manner in which the formula is to be applied:

Gross Scale Weight	Less	Dirt, rock, other foreign material, and potatoes not used for human consumption	=	Net CWT (Hundred- weight) upon which tax is due	Х	Tax Rate	=	Tax Amount Due
								()

106. Tax Reports to Be Made by Growers, Dealers, Handlers, Shippers and Processors. A report on a form approved by the Commission, showing total weight handled for a given period of time and the Idaho Potato Commission tax due are to be sent to the Idaho Potato Commission office with the tax payment. These reports are to be made on forms furnished by the Commission and show such information as the Commission may require.

In extraordinary circumstances, the presiding officer may refer or defer these matters to the full Commission for determination.

203. OBJECTIONS -- OFFERS OF PROOF.

Grounds for objection to the admission or exclusion of evidence must be stated briefly at the time the evidence is offered. Formal exceptions to rulings admitting or excluding evidence are unnecessary and need not be taken. An offer of proof for the record consists of a statement of the substance of the excluded evidence. When a party objects to the admission of evidence, the presiding officer will rule on the objection or the presiding officer may receive the evidence subject to the later ruling by the full Commission or refer to the matter to the full Commission.
