

STATEMENT OF PURPOSE

RS28420 / H0115

This legislation provides house-keeping provisions to ensure alignment with Idaho Constitution, Article VIII, Section 3C, Idaho Code 39-1319 and 39-1330. It clarifies that a district hospital has a duty to provide and maintain facilities and services. It also provides consistency in the terms “director” and “trustee.”

This legislation also includes language to help prevent fiduciary conflicts of interest from occurring on a hospital district board and provides a district board more time to appoint replacements in the event of a vacancy.
