

STATEMENT OF PURPOSE

RS28105 / S1122

Proposed changes remove now defunct Idaho OnePlan conservation planner from statute, standardizes references to districts and commission as "conservation district" and "conservation commission" versus "soil conservation district", "soil and water conservation district".

FISCAL NOTE

None. There will be no impact to the General Fund because the Idaho OnePlan has been unfunded and non-operating for many years and the proposed standardization language will not require changes to existing or future appropriations.
