

REVISED

## STATEMENT OF PURPOSE

RS29244 / H0527

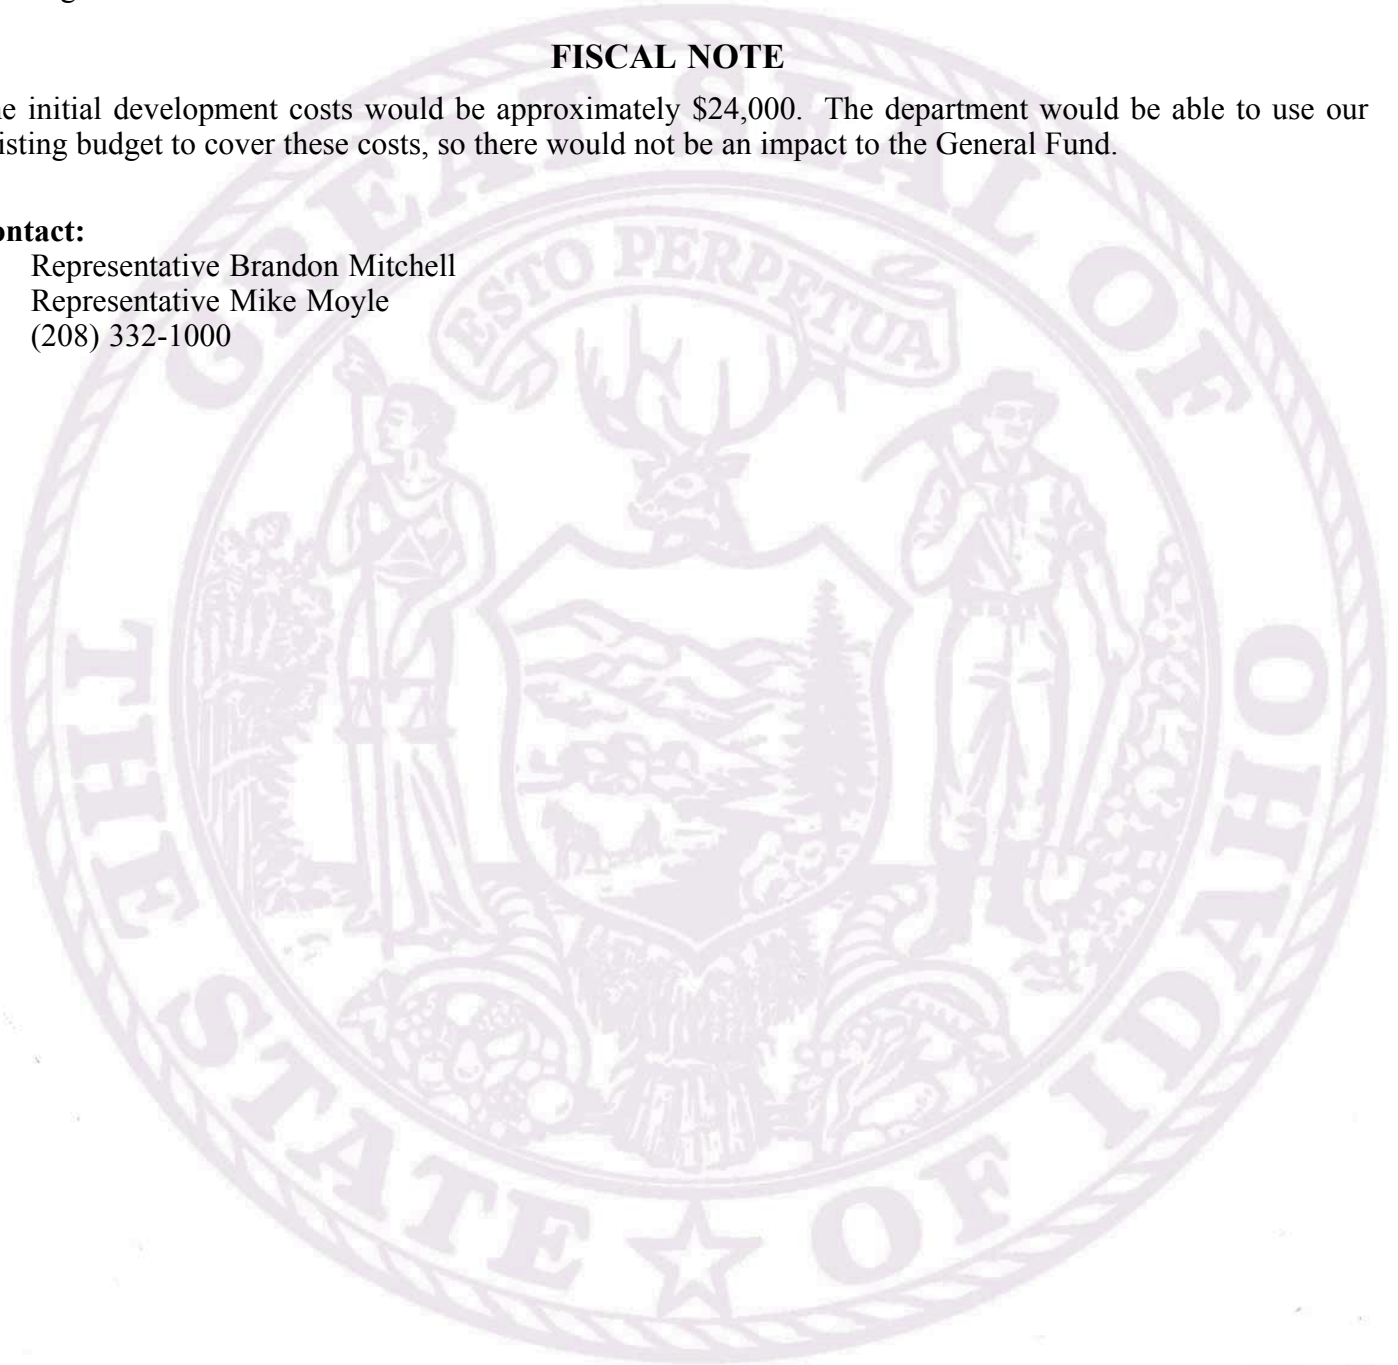

This legislation allows for citizens to add the designation of a U.S. Citizen on their drivers license. Similar to the star card, but is not as stringent to add it. All U.S. Citizens will be able to provide proof of citizenship and the insignia would be then added to the drivers license.

## FISCAL NOTE

The initial development costs would be approximately \$24,000. The department would be able to use our existing budget to cover these costs, so there would not be an impact to the General Fund.
