

STATEMENT OF PURPOSE

RS29058C1 / H0553

Request statutory authority, in cooperation with the Idaho State Police, to perform FBI criminal history check. Due to the nature of the information PERSI houses, access to the information by PERSI staff, the financial and investment transaction performed, there is a desire to maximize the ability to background check employees.

FISCAL NOTE

This legislation will have a minimal annual impact on the dedicated fund, depending upon turnover in positions that would require a national FBI criminal history background check. A fee will be charged to impacted individuals to cover the cost of undergoing a criminal history check.
