

STATEMENT OF PURPOSE

RS29646C1 / H0718

This legislation will require Idaho students who enroll in WWAMI Regional Medical Program or the University of Utah School of Medicine to sign a contract with the State Board of Education stipulating that the student will repay monies paid for their education from public funds, unless the student is actively engaged in professional practice in Idaho for four years.

FISCAL NOTE

Possible positive impact to the general fund if students repay their loans instead of practicing medicine in Idaho.
