Attachment 4 February 14, 2022

1 Senate Health & Welfare Update

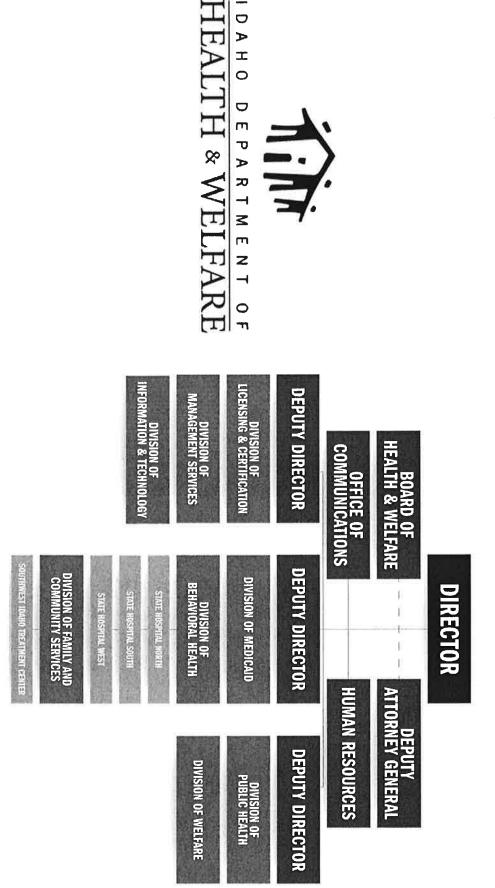

Dave Jeppesen,

Director

Feb. 14, 2022

DHW Organizational Overview

N

DHW Overview

Goal 1: Ensure affordable, available healthcare that works.

Goal 2: Protect children, youth, and vulnerable adults.

> **Goal 3:** Help Idahoans become as healthy and self-sufficient as possible.

Goal 4: Strengthen the public's trust and confidence in DHW.

DHW Overview

Measure 1:

Increase the percentage of Medicaid dollars that are paid under a value-based payment from 1 percent to 50 percent by July 1, 2023.

Measure 2:

Improve the time to permanency for children in foster care by 10 percent by July 1, 2023.

Measure 3:

For the Idaho Behavioral Health System, implement 75 percent of the comprehensive strategic plan by June 30, 2024.

DHW Overview

Measure 4:

Improve the children's mental health system in Idaho by providing treatment and support to children, youth, and their families, evidenced by an increase in the number of children/youth whose functional impairment has improved upon completion of services from 30 percent to 50 percent by June 30, 2024.

Measure 5:

Establish a customer effort score for a customer experience project. Improve the score by 10 percent by July 1, 2024.

Measure 6:

G

Establish an effective long-term system of care for individuals with developmental disabilities who exhibit severe behaviors by July 1, 2022.

Measure 7:

Reduce Idaho suicide deaths by 20 percent by 2025.

Child Welfare

Child Welfare

child welfare program staff has: Even with staffing and financial challenges, the

Completed **10,606** safety assessments

Reunited **759** children with their families

Finalized 382 adoptions

Worked with **1,191** licensed foster families

00

Child Welfare

Challenges:

Staffing: Without appropriate staffing levels, children may end up staying in foster care longer than is necessary.

Recruiting & retaining foster families: In the Treasure Valley, there are not enough foster homes for the children who need them.

Low-Income Home Energy Assistance Program serves approximately 30,000 families with regular heating benefits and 10,000 families with crisis benefits annually.

Low-Income Household Water Assistance Program has processed 987 applications for the water benefit totaling \$175,323.28 to date.

> **Child Care Development funds** support community partner grant funding for COVID-19 related impacts for children 5-13.

Child Care Stabilization funds are subgrants to child care providers to support the stability of the child care sector. They also increase eligibility limits and lower copay for families needing childcare.
