

STATEMENT OF PURPOSE

RS30231 / H0107

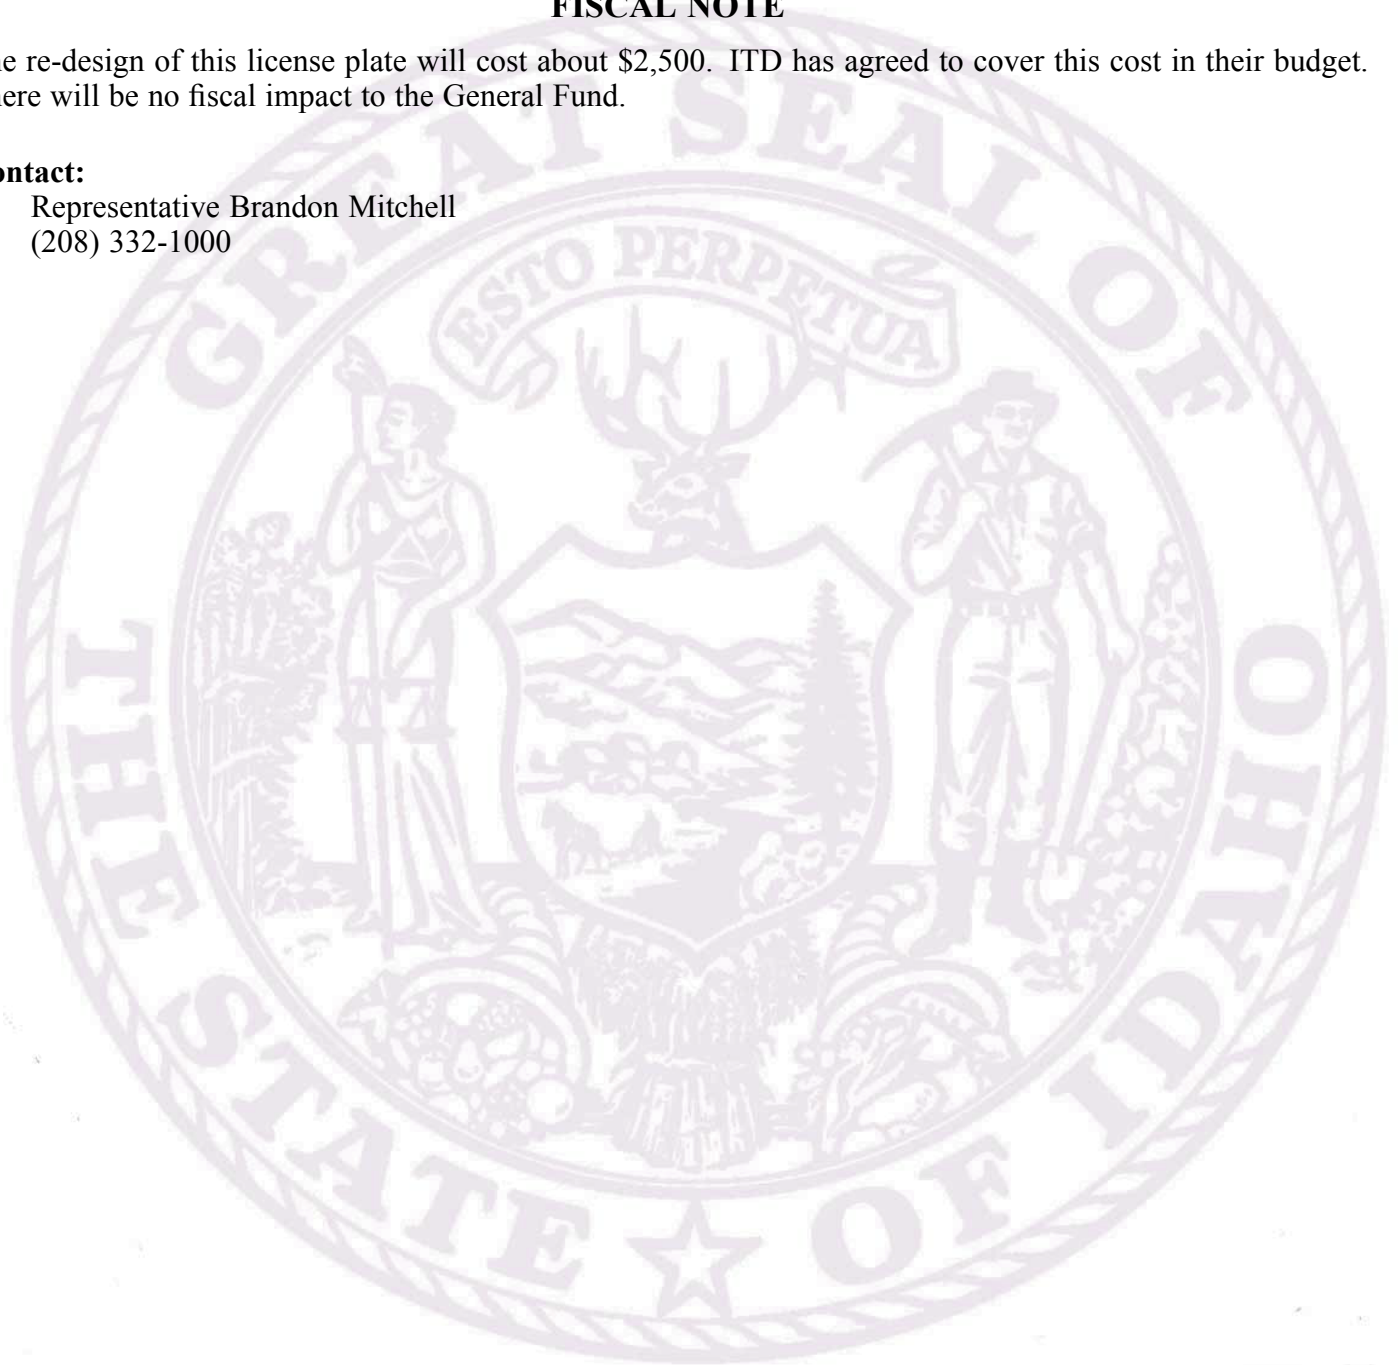

The purpose of this bill is to allow for a re-design of the Amateur Radio license plate. Amateur radios are used in emergency situations, so being able to quickly identify radio operators can be beneficial in these cases.

FISCAL NOTE

The re-design of this license plate will cost about \$2,500. ITD has agreed to cover this cost in their budget. There will be no fiscal impact to the General Fund.
