

## STATEMENT OF PURPOSE

RS29994 / S1050

This legislation amends Idaho Code to provide for the notification of parents or guardians of their legal rights with respect to child protection investigations.

## FISCAL NOTE

The proposed amendment will have de minimis fiscal impact to the general fund because the Department of Health and Welfare is already notifying parents in writing of their rights in CPS ( Child Protective Services) investigations, and the notification requirement can be electronic or by phone as part of other existing communication by the Department.
