

## STATEMENT OF PURPOSE

RS30551 / S1146

This legislation adjusts the salaries for the three members of the industrial commission and prevents the need for further legislation to adjust commission salaries.

## FISCAL NOTE

Current annual salary of a magistrate judge is \$132,400 and an industrial commissioner's salary is \$117,044 for a difference of \$15,356. The increase for three commissioners would be \$46,068 plus benefits. In the event magistrate salaries increase, there would be a corresponding increase in the salaries of industrial commissioners to match magistrate salaries.
