Governance of Nursing Assistants 24 hr. Review

Rakesh Mohan, Director rmohan@ope.idaho.gov 208-332-1470

Background review of

no's Governance of Nursing Assistants

by Senator Dave Lent Prepared by Ryan Langi

Scope of background review

This document is a background review and not an evahuation. Background reviews are used by the Office of Performance Evaluations to respond to a legislator's time-sensitive requests for information. The reviews are typically conducted within 24 working hours and are based on readily available sources. This document does not contain format findings or recommendations.

Questions addressed

- What is Idaho's approach to regulating nursing assistants?
 How does the state's approach affect the occupation and employment of nursing assistants?
- nursing assistants?
 3. How do other states govern certified nursing assistants?

Brief answers

1. intum statute dail rule in new for reverence or registating mirring assistants. The Department of Health and Welfare's Bureau of Feelittle Standards registates the subset of marsing assistants who would mausing house. Federal law requires this of subset of marsing assistant and assistant of the subset o
