

STATEMENT OF PURPOSE

RS30865 / H0392

This legislation modifies Section 39-414, Idaho Code, to limit the powers and duties of the district boards of health. It narrows their scope to administer and enforce only necessary and reasonable health laws and regulations, eliminating the broader mandate to do "all things" for the preservation and protection of public health, including preventative health measures. This change reinforces the focused use of authority and resources to ensure the boards operate within a specified framework.

FISCAL NOTE

There is no estimated fiscal impact to the General Fund because the changes apply only to verbiage.
