

REVISED

STATEMENT OF PURPOSE

RS31391 / H0603

This legislation prohibits state departments from donating to and or sponsoring non-governmental organizations unless specifically required by law or unless previously approved by the Governor or the chief executive office. This legislation also requires DFM to report all donations and sponsorships to the legislature.

FISCAL NOTE

There will be negligible fiscal impacts to state or local governments if this legislation passes because it does not create or expand any programs and does not require the expenditure of any funds. However, agencies that currently donate money to non-governmental organizations will save said funds.
