

STATEMENT OF PURPOSE

RS31518 / H0665

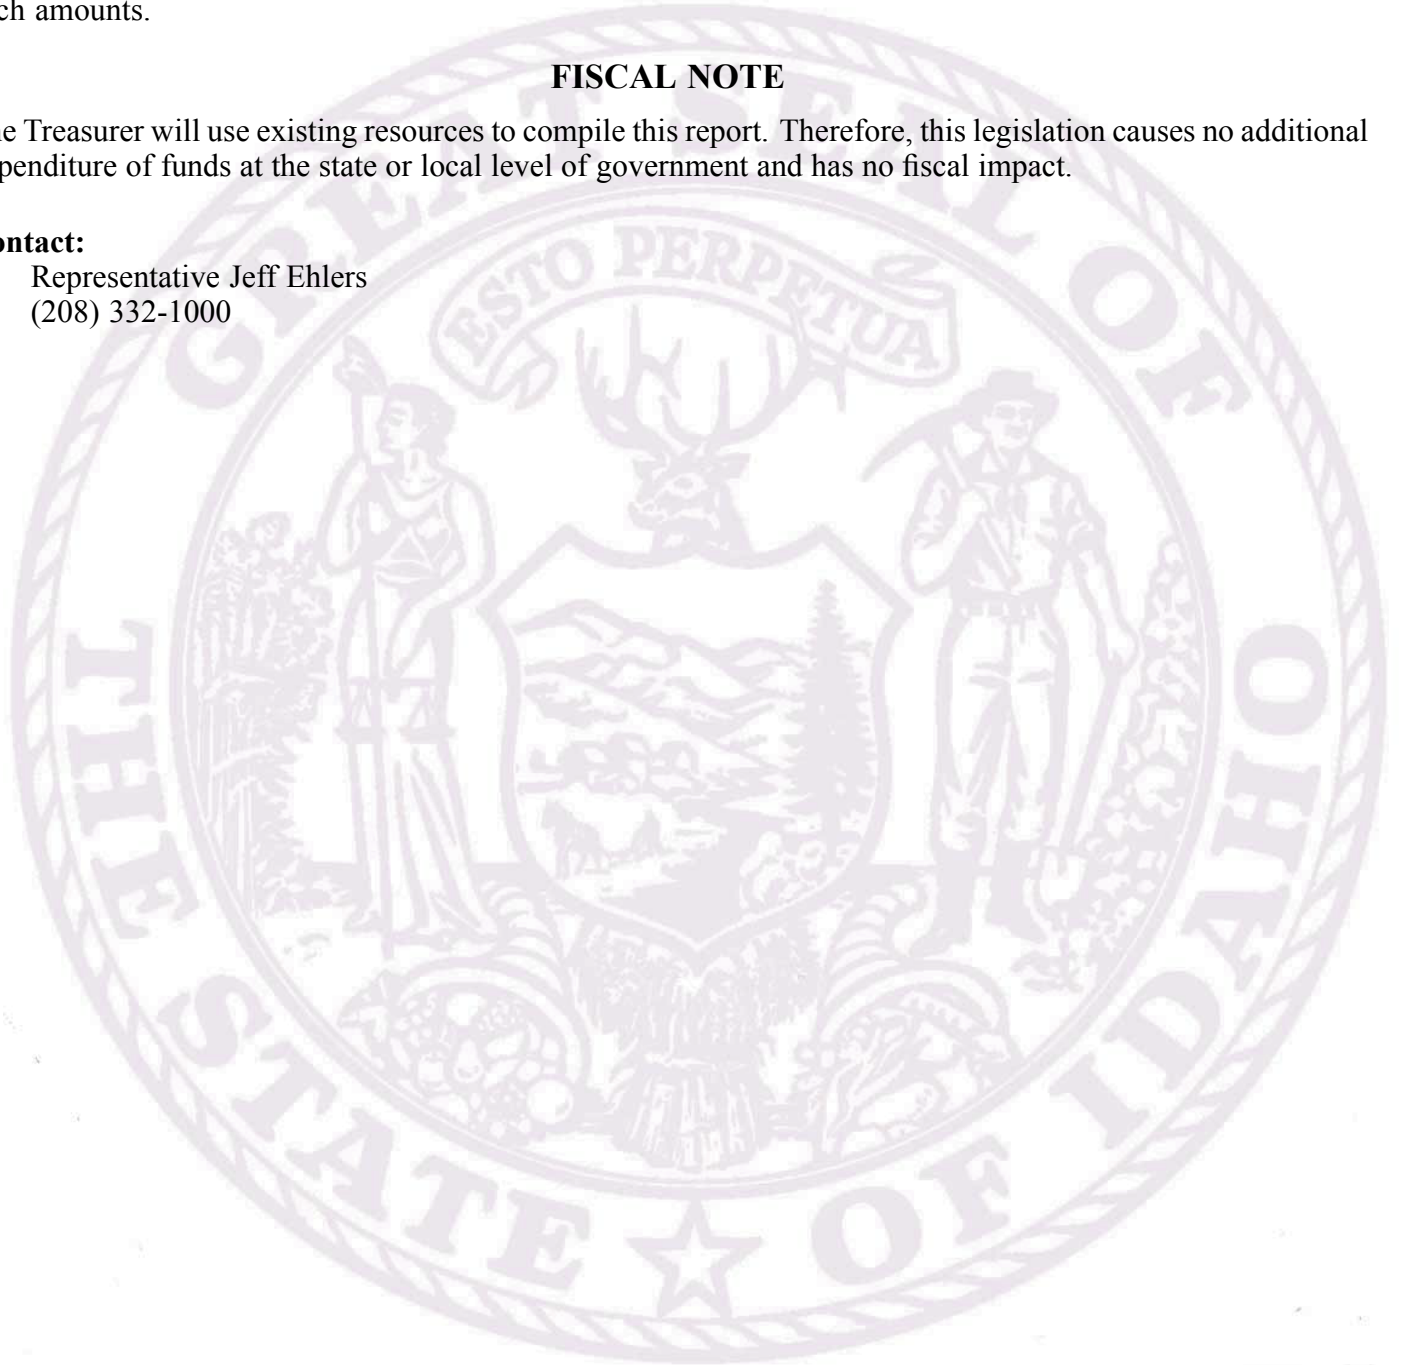

Idaho's public investment dollars should not be used to fund our foreign adversaries. This proposed legislation is a first step in divesting of such investments by identifying how many public investment dollars are currently invested in foreign adversaries. This legislation requires a report from the state treasurer next January showing such amounts.

FISCAL NOTE

The Treasurer will use existing resources to compile this report. Therefore, this legislation causes no additional expenditure of funds at the state or local level of government and has no fiscal impact.
