

STATEMENT OF PURPOSE

RS31282 / S1298

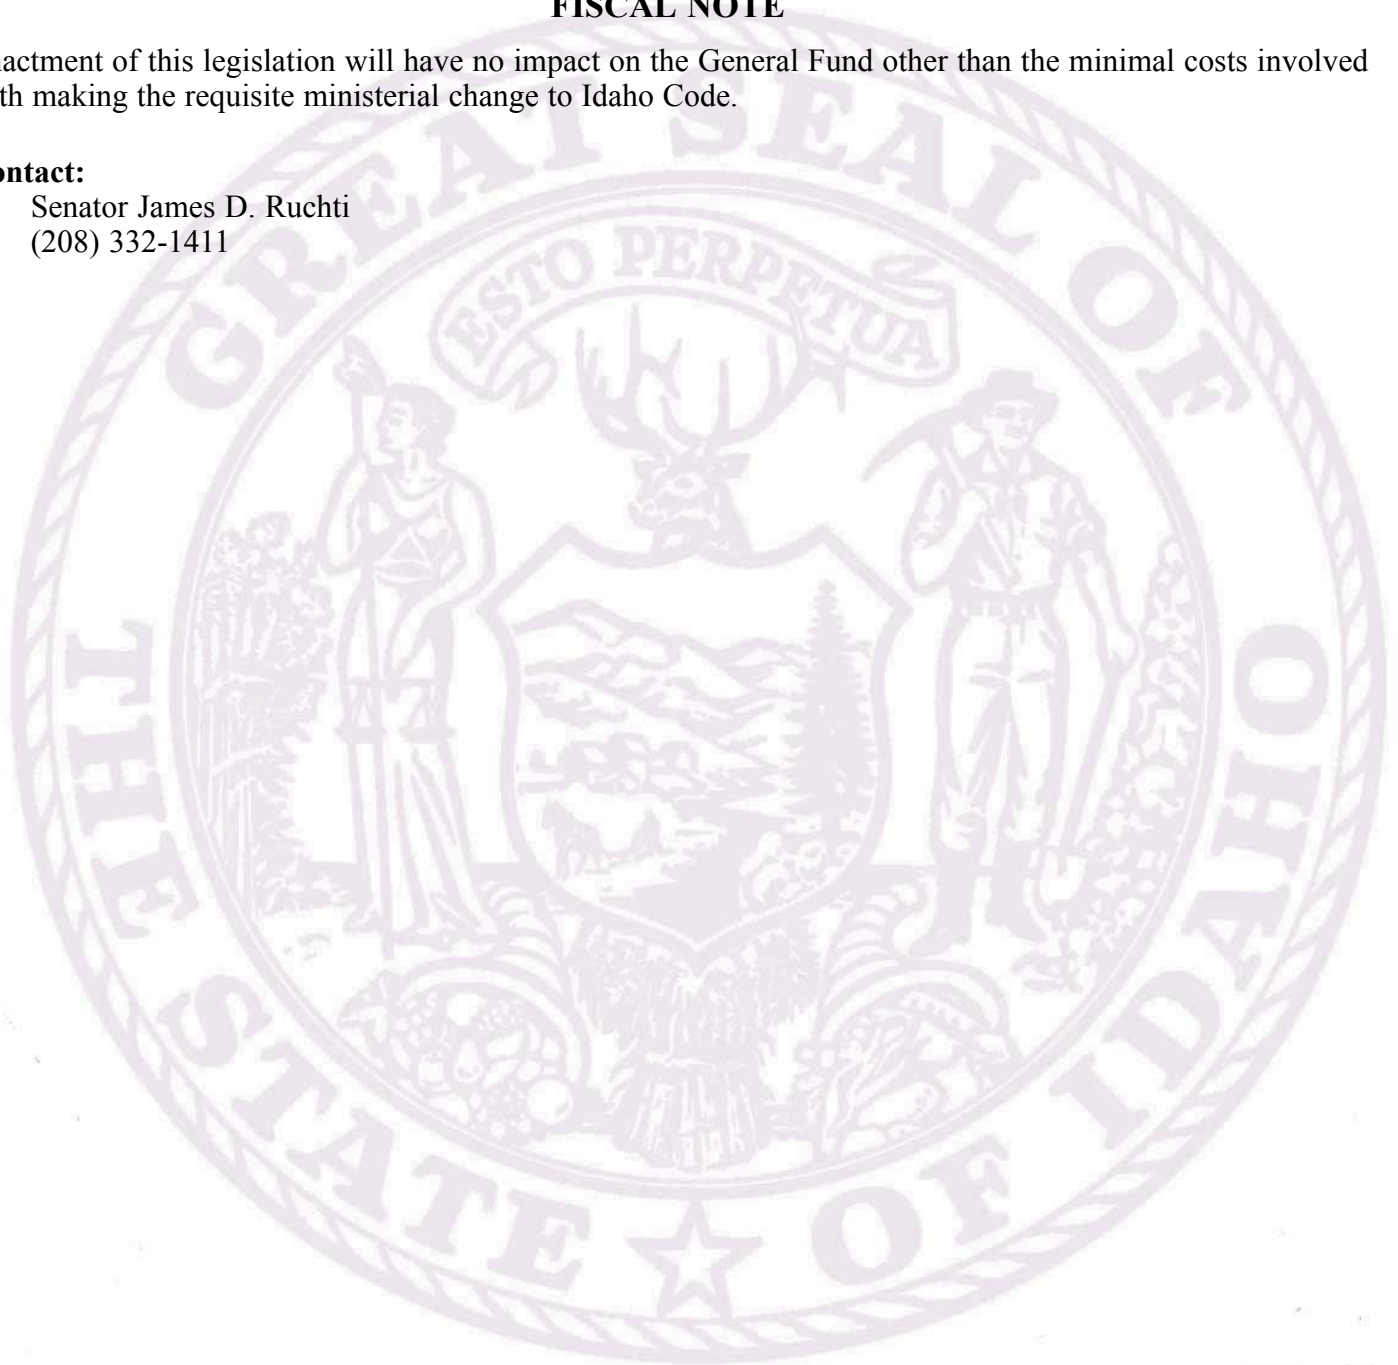

This legislation amends Idaho Code Sections 50-1301 and 55-1902 to revise the definition of “Basis of Bearing.” The revision creates two options for defining the Basis of Bearing rather than a two-prong definition.

FISCAL NOTE

Enactment of this legislation will have no impact on the General Fund other than the minimal costs involved with making the requisite ministerial change to Idaho Code.
