

## STATEMENT OF PURPOSE

RS30919 / S1303

This legislation will increase the threshold for publishing personal service contracts of the State of Idaho under section 59-514 Idaho Code and local governments under a newly proposed section under section 67-2810. The threshold would be increased from \$10,000 to \$50,000 in a fiscal year. The current threshold has been in place for over 40 years and has not been increased to account for inflation.

## FISCAL NOTE

The state and local governments will all see a very small, positive fiscal impact from this policy change.
