**HOUSE WAYS & MEANS COMMITTEE**

**DATE:** Thursday, February 15, 2024

**TIME:** 8:30 A.M.

**PLACE:** Room EW05

**MEMBERS:** Chairman Weber, Representatives Monks, Dixon(1), Manwaring, Rubel, Necochea, Burns

**ABSENT/  
EXCUSED:** Representative Burns

**GUESTS:** The sign-in sheet will be retained in the committee secretary's office; following the end of session the sign-in sheet will be filed with the minutes in the Legislative Library.

**Chairman Weber** called the meeting to order at 8:30 a.m.

**MOTION:** **Rep. Dixon (1)** made a motion to approve the minutes of the February 12, 2024 meeting. **Motion carried by voice vote.**

**RS 31368C1:** **Speaker Moyle** presented **RS 31368C1**, which will allow special distributor (contract) liquor stores, in operation prior to January 1, 2023, to continue to operate – even if a state liquor store is opened in the municipality. Speaker Moyle stated the intent is to not penalize previously licensed small businesses as state liquor stores expand.

In response to a question from the committee, **Speaker Moyle** explained consideration was given to preventing state liquor stores from coming into communities with existing special distributors; however, complexities, compounded by population growth, made this draft more agreeable to stakeholders.

**MOTION:** **Rep. Manwaring** made a motion to introduce **RS 31368C1**. **Motion carried by voice vote.**

**RS 31349:** **Rep. Boyle** presented **RS 31349**, requiring an annual report detailing Idaho's most serious drug cases be filed with the Office of the Attorney General. Rep. Boyle explained the legislation was modeled after a law for reporting child sexual abuse cases and will need increased budget for one FTE to analyze the data.

**MOTION:** **Rep. Monks** made a motion to introduce **RS 31349**. **Motion carried by voice vote.**

**RS 31360:** **Rep. Sauter** presented **RS 31360**, which changes the project value amount requiring a public works contractor license from \$50,000 to \$100,000. Rep. Sauter explained the difficulty cities and counties are having with hiring small project contractors. The Idaho Association of Counties and Association of Contractors were consulted when drafting the legislation. It was determined changing this amount would not impact quality and could help counter increasing construction costs.

**MOTION:** **Rep. Dixon (1)** made a motion to introduce **RS 31360**.

**Reps. Monks** and **Dixon (1)** declared Rule 80.

In response to a question from the committee, **Rep. Sauter** stated the \$50,000 threshold for requiring public works licenses has been in place for three to four years.

**VOTE ON  
MOTION:** **Motion carried by voice vote.**

**ADJOURN:** There being no further business to come before the committee, the meeting adjourned at 8:39 a.m.

MINUTES  
**HOUSE WAYS & MEANS COMMITTEE**

**DATE:** Thursday, February 22, 2024

**TIME:** 8:30 A.M.

**PLACE:** Room EW05

**MEMBERS:** Chairman Weber, Representatives Monks, Dixon(1), Manwaring, Rubel, Necochea, Burns

**ABSENT/  
EXCUSED:** Representative Dixon (1)

**GUESTS:** The sign-in sheet will be retained in the committee secretary's office; following the end of session the sign-in sheet will be filed with the minutes in the Legislative Library.

**Chairman Weber** called the meeting to order at 8:30 a.m.

**RS 31427:** **Rep. Green** presented **RS 31427**. This proposed legislation updates sections of the Homeowners Associations (HOA) Act by defining community manager and requiring HOA board members to declare conflicts of interest or familial relationships with entities seeking to enter service contracts with the HOA.

**MOTION:** **Rep. Monks** made a motion to introduce **RS 31427**. **Motion carried by voice vote.**

**RS 31079:** **Rep. Cannon** presented **RS 31079**, which codifies the definition retainable offense and defines the conditions for when fingerprints are taken and retained. It removes certain types of misdemeanors if they do not result in serving jail time in excess of six months.

In answer to a question from the committee, **Rep. Cannon** stated, in his view, it wouldn't be necessary for agencies to collect fingerprints unless it meets the criteria set out in the proposed legislation.

**MOTION:** **Rep. Rubel** made a motion to introduce **RS 31079**.

**Rep. Cannon** clarified the fingerprinting requirements under this proposed legislation do not apply to agencies needing fingerprints for employment purposes.

**VOTE ON  
MOTION:** **Motion carried by voice vote.**

**RS 31409:** **Rep. Pickett** presented **RS 31409**, which defines domestic terrorism and redefines terrorism. Rep. Pickett explained the RS restores some of the language removed from **S 1220** in order to reinforce the RS will not be interpreted to allow extremist groups to operate in Idaho and to alleviate confusion.

In answer to questions from the committee, **Rep. Pickett** stated people charged in cases similar in magnitude to those committed by **Timothy McVeigh** and **Ted Kaczynsky** would not be defined as a terrorist under this proposed legislation, but they would still be prosecuted to the fullest extent of the law. The intent is to depoliticize the terms terrorist and domestic terrorist common in today's American vernacular and ensure due process.

**MOTION:** **Rep. Burns** made a motion to introduce **RS 31409**. Speaking to the motion, Rep. Burns stated he supports introducing the RS to open the discussion, but was concerned changing the definitions would risk losing the ability to prosecute serious acts with enhanced charges.

**VOTE ON  
MOTION:**

**Motion carried by voice vote.**

**RS 31410:**

**Rep. Tanner** presented **RS 31410**, which adds two commissioners to countywide highway districts and changes boundaries to include better representation. It also lays out criteria for implementing the new boundaries. Rep. Tanner explained these counties are comprised of several cities, and it would prevent a larger dense city from dominating the representation. The proposed legislation will also move the commission from a non-partisan to partisan election to ensure better representation.

In answer to questions from the committee, **Rep. Tanner** explained under this proposed legislation the countywide highway district would be restructured in its entirety and positions for unexpired terms prior to the 2024 election would be removed.

Committee discussion focused on concern about the use of census blocks versus precincts for determining boundaries.

**MOTION:**

**Rep. Monks** made a motion to introduce **RS 31410**. **Motion failed by voice vote.** **Reps. Rubel, Necochea** and **Burns** requested to be recorded as voting **NAY**.

**Chairman Weber** called the meeting to order at 8:30 a.m.

**MOTION:** **Rep. Burns** made a motion to introduce the minutes of the February 19, 2024 meeting. **Motion carried by voice vote.**

**RS 31487:** **Rep. Tanner** presented **RS 31487**, which replaces **RS 31410**. **Rep. Tanner** explained it was changed to also include using precincts for determining countywide highway district boundaries.

**MOTION:** **Rep. Dixon (1)** made a motion to introduce **RS 31487**.

In answer to a question from the committee, **Rep. Tanner** explained how the districts could possibly be divided to create better representation without violating the one person, one vote principle. It may result in cities partnering with others to account for their share of representation.

**VOTE ON  
MOTION:** **Chairman Weber** called for a vote on the motion to introduce **RS 31487**. **Motion carried by voice vote.** **Reps. Rubel, Necochea** and **Burns** requested to be recorded as voting **NAY**.

**RS 31476:** **Rep. Palmer** presented **RS 31476**, relating to the Strategic Initiatives Grant Program and how it will be administered. This RS also changes the criteria for larger urban areas receiving grants, which will require a 20% match of their funds per each grant.

**MOTION:** **Rep. Burns** made a motion to introduce **RS 31476**. **Motion carried by voice vote.**

**RS 31451:** **Rep. Furniss** presented **RS 31451**. This proposed legislation clarifies building code requirements for multifamily units up to two units on the same side (fourplex) by not requiring sprinklers when a two-hour fire wall is constructed between the units. It also requires the installation of a heat detection device in garages of new-build, single and multi-family residences. Rep. Furniss stated the RS is proposed by the fire marshal in conjunction with the home builders association.

In answer to questions from the committee, **Rep. Furniss** explained the proposed legislation would standardize the proposed sprinkler system requirement statewide, as it currently is not required by all counties.

**MOTION:** **Rep. Burns** made a motion to introduce **RS 31451**. **Motion carried by voice vote.**

**RS 31454:** **Rep. Holtzclaw** presented **RS 31454**. This proposed legislation adds a definition for a "service only facility" to the motor vehicles act, which clarifies a dealer may have a stand alone service facility without engaging in the sale, lease, trade or display of new or used motor vehicles and is not considered a dealer or dealership.

In answer to a question from the community, **Rep. Holtzclaw** stated Idaho law does not prevent this; however, the proposed law will alleviate any confusion that a dealer must be on site.

**MOTION:** **Rep. Monks** made a motion to introduce **RS 31454. Motion carried by voice vote.**

**RS 31456:** **Rep. Erickson** presented **RS 31456**. This proposed legislation prevents landlords of hotels and short-term rentals from evicting tenants believed to be engaging in illegal drug activity on the premises without reasonable proof.

**MOTION:** **Rep. Rubel** made a motion to introduce **RS 31456. Motion carried by voice vote.**

**RS 31463:** **Rep. Mitchell** presented **RS 31463** and explained it is a replacement for **H 546** and fixes some of the concerns brought forward when the bill was introduced.

In answer to a question from the committee, **Rep. Mitchell** stated Tesla has not provided input but discussions can continue once the proposed legislation is introduced.

**MOTION:** **Rep. Monks** made a motion to introduce **RS 31563. Motion carried by voice vote.**

**RS 31483:** **Rep. Manwaring** presented **RS 31483**. This proposed legislation prohibits the state from creating a corporation or acting as an incorporator of any corporation without authorization by the legislature. He explained the state can authorize an independent public body politic and corporate as long as it carries out public purpose, has no private party with management control, or lacks the potential for private parties to change the structure. It also requires some self reporting. Any improper state corporations will have an opportunity to reform or disassociate as a non-profit.

**MOTION:** **Rep. Dixon (1)** made a motion to introduce **RS 31483.**

In answer to a question from the committee, **Rep. Manwaring** explained work has been ongoing to identify state corporations and will have a list to share at the bill hearing.

MINUTES  
**HOUSE WAYS & MEANS COMMITTEE**

**DATE:** Monday, February 26, 2024

**TIME:** 8:30 A.M.

**PLACE:** Room EW05

**MEMBERS:** Chairman Weber, Representatives Monks, Dixon(1), Manwaring, Rubel, Necochea, Burns

**ABSENT/  
EXCUSED:** None

**GUESTS:** The sign-in sheet will be retained in the committee secretary's office; following the end of session the sign-in sheet will be filed with the minutes in the Legislative Library.

**Chairman Weber** called the meeting to order at 8:31 a.m.

**MOTION:** **Rep. Burns** made a motion to approve the minutes of the February 21, 2024 meeting. **Motion carried by voice vote.**

**RS 31210:** **Rep. Boyle** presented **RS 31210**, which will allow county Sheriff's offices to be reimbursed from state funds for the cost of transporting a prisoner, probationer or parolee who has absconded from the Idaho Department of Correction or Idaho Commission of Pardons and Parole.

**MOTION:** **Rep. Dixon (1)** made a motion to introduce **RS 31210**. **Motion carried by voice vote.**

**RS 31422:** **Rep. Petzke** presented **RS 31422**, relating to the signature verification process for statewide referendums. Rep. Petzke stated the proposed legislation will institute a monthly submission schedule versus submitting them all at the end. It will also extend the verification period to 90 days and create a 60-day review period to enhance civic engagement and accountability.

**MOTION:** **Rep. Dixon (1)** made a motion to introduce **RS 31422**.

In answer to questions from the committee, **Rep. Petzke** explained the signature gathering process will be 17 months instead of 18 months; signatures will be required to be turned in monthly for those gathered in the previous month; and signatures will be invalid if turned in after the monthly deadline. This is being done to help the Secretary of State Office balance workload, especially as the state is growing. More signatures take longer to verify.

Committee discussion opposed to the motion included expressions of concern the proposed legislation creates another barrier for citizens, it shuts down casual signature gatherers and deserves more time for examination than a late session introduction allows. Discussion in support of the motion, included appreciation for the RS to create some relief for the those verifying signatures, as there is a preference the referendum process would go away.

**VOTE ON MOTION:** **Motion carried by voice vote. Reps. Rubel, Necochea and Burns** requested to be recorded as voting **NAY**.

**RS 31453:** **Rep. Blanksma** presented **RS 31453**, which creates a rebuttable presumption of adequate warning with regard to U.S. EPA approved warning labels with the carcinogenicity classification. It applies to two sections of Idaho Code: Title 22, which references agriculture, and Title 48, which references trade practices.

- MOTION:** **Rep. Manwaring** made a motion to introduce **RS 31453. Motion carried by voice vote.**
- RS 31479:** **Rep. Redman** presented **RS 31479**, which directs the Department of Health and Welfare set up a pilot program to track and share data with local law enforcement and health districts for new incidents and emergence of illicit drugs.
- In answer to questions from the committee, **Rep. Redman** stated he is not aware of whether there is a definition for "de-identified" in code, but his understanding is there are new drug compounds that are often mixed and may not yet be known or identified pharmaceutically. The committee recommended the definition be included in the RS as it moves forward.
- MOTION:** **Rep. Rubel** made a motion to introduce **RS 31479. Motion carried by voice vote.**
- RS 31498:** **Rep. Shepherd** presented **RS 31498**, which is a joint memorial supporting the relicensing process to Idaho Power, but it also requests the Hells Canyon Dam complex be maintained at a minimum of 8,500 CFS from May 15 to October 1 for the benefit of Idaho residents as it relates to recreation, water temperatures, fisheries and electricity production. Rep. Shepherd explained this may be some burden on Idaho Power, but water level fluctuations and timing of those fluctuations are creating an almost inoperable situation for Idaho's outfitters and guides.
- MOTION:** **Rep. Rubel** made a motion to introduce **RS 31498.**
- In answer to questions from the committee, **Rep. Shepherd** stated there has been a short conversation with Idaho Power, as there will likely be a small impact to their bottom line.
- VOTE ON MOTION:** **Motion carried by voice vote.**
- RS 31472:** **Rep. Erickson** presented **RS 31472**, which will make it possible for inmates hired by private employers under the Department of Correction's work release program to earn similar salary and benefits as other similarly situated employees.
- MOTION:** **Rep. Burns** made a motion to introduce **RS 31472.**
- Committee discussion focused on concern this requirement may discourage employers from participating in the program.
- VOTE ON MOTION:** **Motion carried by voice vote.**
- RS 31289C1:** **Rep. Manwaring** presented **RS 31289C1**, which provides for expedited judicial review of state purchasing decisions. It also pauses the deadline to submit an administrative appeal until public records related to the purchasing decision are provided, pursuant to the Public Records Act.
- MOTION:** **Rep. Dixon (1)** made a motion to introduce **RS 31289C1. Motion carried by voice.**
- Chairman Weber** turned the gavel over to **Rep. Monks.**
- RS 31515:** **Chairman Weber** presented **RS 31515**, and explained it gives property rights back to homeowners by giving them representation on their homeowner's association (HOA) board when 75% of their development is built out and occupied. It also outlines the process for turning total control of the HOA board over to homeowners once the development is 95% built out.
- MOTION:** **Rep. Manwaring** made a motion to introduce **RS 31515.**
- In answer to a question from the committee, **Rep. Weber** stated subsection 55-3204B comes into play after the requirements of subsection 55-3204A are met.

**VOTE ON  
MOTION:**

**Motion carried by voice vote.**

**Rep. Monks** turned the gavel over to **Chairman Weber**.

- MOTION:** **Rep. Burns** made a motion to approve the minutes of the February 22, 2024, February 23, 2024 and February 26, 2024. **Motion carried by voice vote.**
- RS 31529:** **Rep. Andrus** presented **RS 31529**, which defines what qualifies as a work search activity unemployment claimants must engage in to receive unemployment insurance benefits, and prohibits the practice of not showing up for job interviews. Rep. Andrus explained the goal is to get the unemployed back to work and the proposed legislation is intended to hold the unemployed more accountable when they do not actively look for work.
- MOTION:** **Rep. Monks** made a motion to introduce **RS 31529**.
- In answer to questions from the committee, **Rep. Andrus** stated some of the required work search activities are preliminary and more one-time in nature, while others are ongoing and shouldn't be a problem to complete weekly, especially with technology that makes it possible.
- Committee members speaking in opposition to the motion stated concern this will grow government, only to push more paper. Also, businesses who pay into the unemployment fund are not asking for this. Committee members speaking in support of the motion said employers want to make sure people are actively looking for work and would rather have some requirements versus no requirements.
- VOTE ON MOTION:** **Motion carried by voice vote. Rep. Necochea** requested to be recorded as voting **NAY**.
- RS 31500:** **Rep. Boyle** presented **RS 31500**. This proposed joint memorial states opposition to proposals for the active reintroduction of grizzly bears in Idaho.

- RS 31484:** **Rep. Sauter** presented **RS 31484**, which starts the water adjudication process for the Kootenai River Basin and will be overseen by the Idaho Department of Water Resources (IDWR). This will be the last water basin in the state to address its adjudication needs
- MOTION:** **Rep. Burns** made a motion to introduce **RS 31484**.
- In answer to questions from the committee, **Rep. Sauter** stated it is not yet known what the issues will be as they relate to the Kootenai River starting in a foreign country, but those are matters IDWR will manage.

**VOTE ON  
MOTION:**

**Motion carried by voice vote.**

**RS 31514:**

**Rep. Monks** presented **RS 31514**, which relates to the use of cameras that record vehicle license plates and limits the use of such cameras to investigating and prosecuting crimes, including searching for plates of stolen vehicles and scanning plates to search for missing, endangered or wanted individuals. It also exempts vehicles without a front license plate bracket from needing two license plates. Rep. Monks explained the license plate readers are being used by law enforcement, but there are not a lot of guidelines on how and when that should happen and this proposed legislation will help.

**MOTION:**

**Rep. Necochea** made a motion to introduce **RS 31514**. **Motion carried by voice vote.**

In answer to questions from the committee, **Rep. Andrus** stated U.S. Citizens for Voting requested the change, and while non-citizens have voted in other states, he was not aware of this happening in Idaho.

MINUTES  
**HOUSE WAYS & MEANS COMMITTEE**

**DATE:** Monday, March 25, 2024

**TIME:** 9:00 A.M.

**PLACE:** Room EW05

**MEMBERS:** Chairman Weber (Weber), Representatives Monks, Dixon(1), Manwaring, Rubel, Necochea, Burns

**ABSENT/  
EXCUSED:** None

**GUESTS:** The sign-in sheet will be retained in the committee secretary's office; following the end of session the sign-in sheet will be filed with the minutes in the Legislative Library.

**MOTION:** **Rep. Burns** made a motion to approve the minutes of the March 21, 2021 meeting. **Motion carried by voice vote.**

**RS 31650C1:** **Rep. Vander Woude** presented **RS 31650C1**, relating to property tax exemptions for non-profit hospitals.

In answer to a question from the committee, **Rep. Vander Woude** explained the language on page 2, lines 23-24 is already included in code as it relates to non-profits, and it would be up to the Speaker and committee chairman to decide whether the proposed bill would be heard in committee.

**MOTION:** **Rep. Manwaring** made a motion to introduce **RS 31650C1**. **Motion carried by voice vote.** **Reps. Rubel, Necochea** and **Burns** requested to be recorded as voting **NAY**.

**RS 31704:** **Rep. Redman** presented **RS 31704**, which clarifies **S 1354aa** by adding language stating electroconvulsive therapy may not be administered to a child under the age of 18 without the informed consent of a parent, guardian or custodian.

**MOTION:** **Rep. Dixon (1)** motion to introduce **RS 31704**. **Motion carried by voice vote.**

**RS 31727:** **Rep. Petzke** presented **RS 31727**, which adds definitions and requirements to the Idaho Launch program. He explained it adds some sideboards and addresses technical tweaks requested by the Workforce Development Council.

**MOTION:** **Rep. Dixon (1)** made a motion to introduce **RS 31727**. **Motion carried by voice vote.**

**RS 31685C2:** **Speaker Moyle** presented **RS 31685C2**, relating to charter schools funding. He explained the proposed legislation fixes a funding formula problem created by a bill passed last year. It restores public charter school facility funds to what they were previously. It also specifies future virtual charter schools are not eligible for the facility funds as they are online, and it resolves a conflict in code. He requested the RS be introduced with changes.

**MOTION:** **Rep. Manwaring** made a motion to introduce **RS 31685C2** with the following changes: on page 3, line 5 replace, "paragraph (a) of this subsection" with "Section 33-1003A" and on page 5, line 34 replace, "July 1, 2024" with "its passage and approval". **Motion carried by voice vote.**

**RS 31709:** **Speaker Moyle** presented **RS 31709**, He explained it is a trailer to **H 521** and addresses some of the concerns in that bill. He detailed the changes as outlined in the Statement of Purpose.

**MOTION:** **Rep. Manwaring** made a motion to introduce **RS 31709**. **Motion carried by voice vote.**

**RS 31718:** **Speaker Moyle** presented **RS 31718** and acknowledged there has been ongoing debate on the topic of school choice and he didn't expect the proposed bill to go further in this session, but it could be a starting point for next year. He stated this is an important issue that needs to be resolved because it is not going away. The RS addresses concerns that came up in the tax committee by adding more money for low income grants and it provides a three-year grant commitment to low income recipients.

**MOTION:** **Rep. Dixon (1)** made a motion to introduce **RS 31718**.  
Minority party committee members expressed concern about the late introduction of proposed legislation on an issue that has been dispensed with by another committee, and the increased cost over what was included in the previous legislation, which was also disputed by the previous committee. **Speaker Moyle** responded by stating a similar bill came out of the Senate last year and there are individuals who would like to see it come to the floor for a vote. **Rep. Weber** stated he would support the introduction of the RS, but reserved the right to vote against it if were to come to the floor.

**ROLL CALL VOTE:** Roll call vote was requested. **Motion carried by a vote of 4 AYE and 3 NAY.**  
**Voting in favor** of the motion: **Reps. Monks, Dixon (1), Manwaring and Weber.**  
**Voting in opposition** to the motion: **Reps. Rubel, Necochea and Burns.**

**RS 31721:** **Speaker Moyle** requested **RS 31721** be removed from the agenda as a new RS was being drafted. He explained the intent to introduce proposed legislation that incentivizes judges to serve their full terms, so their positions can be filled by elections rather than appointments by the Idaho Judicial Council.

**UNANIMOUS CONSENT REQUEST:** **Chairman Monks** asked unanimous consent to remove **RS 31721** from the agenda. There being no objection, the request was granted.

**ADJOURN:** There being no further business to come before the committee, the meeting adjourned at 9:21 a.m.

MINUTES  
**HOUSE WAYS & MEANS COMMITTEE**

**DATE:** Thursday, March 28, 2024

**TIME:** 2:00 P.M.

**PLACE:** Room EW05

**MEMBERS:** Chairman Weber (Weber), Representatives Monks, Dixon(1), Manwaring, Rubel, Necochea, Burns

**ABSENT/  
EXCUSED:** None

**GUESTS:** The sign-in sheet will be retained in the committee secretary's office; following the end of session the sign-in sheet will be filed with the minutes in the Legislative Library.

**Chairman Monks** called the meeting to order at 2:01 p.m.

**MOTION:** **Rep. Burns** made a motion to approve the minutes of the March 25, 2024, 9:00 a.m. and March 25, 2024, 1:30 p.m. meetings. **Motion carried by voice vote.**

**RS 31757:** **Speaker Moyle** presented **RS 31757**, a trailer to **H 521**. He explained it is intended to ensure school districts with qualifying bonds are made whole under the bond equalization for 2025 and 2026, but prevents districts from duplicating collection of state facilities funds and property taxes on bond levies that have not been let out yet.

In answer to questions from the committee, **Speaker Moyle**, along with a clarification from **Chairman Monks**, stated it was his understanding the proposed bill would still cover affected districts with the hold harmless clause through FY 2026, and only one school district is affected.

**MOTION:** **Rep. Manwaring** made a motion to introduce **RS 31757**. **Motion carried by voice vote.** **Rep. Necochea** requested to be recorded as voting **NAY**.

**RS: 31758:** **Speaker Moyle** presented **RS 31758**. He explained the proposed legislation is a combination of amendments included in a previous House bill as well as language from **RS 31757**. It will ensure charter schools are taken care of, as well as the issues of days per week versus hours of instruction, and bond equalization are addressed prior to the end of the legislative session. It also will provide an option to move forward should the Senate make objectionable amendments to the previous bill.

In answer to a question from the committee, **Speaker Moyle** said the language from **RS 31757** and **RS 31758** is complementary even if they both pass, but the primary purpose of **RS 31758** is to have it ready to send to the Senate if it is needed.

**MOTION:** **Rep. Dixon (1)** made a motion to introduce **RS 31758**. **Motion carried by voice vote.**

**RS 31744:** **Rep. Mendive** presented **RS 31744**, relating to an administrative rule of the Department of Lands and the opposing actions of the House Resources and Conservation Committee and Senate Resources and Environment Committee as it relates to rules governing Dredge and Placer Mining operations.
